CONTESTATION OF CANADIAN IMPERIAL BANK OF COMMERCE

(Motion for Determination of Petitioner's Rights on a Certain Asset and/or its Sale's Proceeds)

I. INTRODUCTION

1. The Respondent, CIBC contests the *Motion for Determination of Petitioner's Rights on a Certain Asset and/or its Sale's Proceeds* of the Petitioner, BDC (the "**Motion**"). All capitalized terms used but not otherwise defined herein have the meaning ascribed to them in the Motion.
2. It is submitted that contrary to the position adopted by BDC, the Ohio Racks are "*Inventory [or] accessories thereto*" within the meaning of the agreements freely negotiated by these sophisticated secured creditors, which govern the priorities of their respective security interests in the moveable property of the Debtor.

3. The CIBC further submits that the governing agreements are clear and should be applied by this Court. However, to the extent that there is any ambiguity in the terms of such agreements rendering an interpretative analysis necessary, the surrounding circumstances support an interpretation of the words “*Inventory [or] accessories thereto*” to include the Ohio Racks.
4. The question before this Court is not whether racking is generally inventory or equipment but whether this particular moveable property of the Debtor falls within the scope of the first ranking security of the CIBC, as established by the applicable agreements.

II. BACKGROUND

a. The Applicable Agreements

5. In June of 2015, CIBC granted certain credit facilities (the “**CIBC Facilities**”) to the Debtor in accordance with a Credit Agreement dated June 23, 2015 (as amended, the “**CIBC Credit Agreement**”), communicated herewith as **Exhibit D-1**.
6. Pursuant to the CIBC Credit Agreement :
 - (a) the CIBC advanced a commitment of \$ 30,000,000 (as adjusted from time to time) to be used for the “*working capital and other general corporate purposes*” of the Debtor (section 5.7 and Schedule A);
 - (b) “Inventory” is broadly defined to include: “*all of the [Debtor’s] present and hereafter acquired inventory and property in stock and including all raw materials, merchandise, inventory and goods, and all additions, substitutions and replacements thereof, wherever located, together with all goods and materials used or usable in manufacturing, processing, packaging or shipping same in all stages of production from raw materials through work in process to finished goods, and all “stores” inventory or “operating and maintenance supplies” inventory, and all proceeds of any thereof (of whatever sort);* and
 - (c) there is a specific class of Inventory defined as “Eligible Inventory” that must respect certain requirements, with the remaining Inventory being necessarily considered ineligible Inventory.
7. As security for all of its obligations under the CIBC Credit Agreement, the Debtor hypothecated in favour of CIBC the universality of its moveable property pursuant to a deed of hypothec dated June 23, 2015, which was duly published at the RPMRR on June 25, 2015 under number 15-0591335-0001, communicated herewith *en liasse* with the certified statement of its registration as **Exhibit D-2**.
8. At the time the CIBC Facilities were extended to the Debtor, BDC had granted certain credit facilities to 9220, which were guaranteed by the Debtor and which were secured by certain hypothecs charging the universality of the Debtor’s movable property, the whole as appears from Exhibits R-4 to R-9.
9. On June 23, 2015, CIBC and BDC entered into an Intercreditor Agreement, to which the Debtor intervened (the Intercreditor Agreement, Exhibit R-13) whereby the parties

determined, *inter alia*, their respective priorities over the moveable property of the Debtor subject to their security.

10. Pursuant to the Intercreditor Agreement, the parties thereto, *inter alia*, agreed:
 - (a) to the following definition of “**CIBC's Priority Movable Property**” (section 1.8):

collectively, Accounts Receivable, Bank Accounts, Intellectual Property Rights and Inventory and all accessories thereto, including all proceeds, insurance indemnities, resulting rights or revenues related thereto, as well as all insurance indemnities related thereto and all claims, proceeds or sums relating to the lease, sale or other disposition. [emphasis added]
 - (b) to the following definition of “**Inventory**” (section 1.14) which is substantially identical to the definition of “Inventory” provided for under the Credit Agreement:

in respect of the Debtor, all of the Debtor's present and hereafter acquired inventory and property in stock and including all raw materials, merchandise, inventory and goods, and all additions, substitutions and replacements thereof, wherever located, together with all goods and materials used or usable in manufacturing, processing, packaging or shipping same in all stages of production from raw materials through work in process to finished goods, and all "stores" inventory or "operating and maintenance supplies". [emphasis added]
 - (c) that BDC would release its security on CIBC's Priority Movable Property such that CIBC would have first-ranking security on such property (section 3.2); and
 - (d) that, in the event of a conflict, the terms of the Intercreditor Agreement would supersede the terms of the security and guarantee agreements granted by the Debtor to CIBC and BDC (section 3.4).
11. Prior to the signature of, and in accordance with the Intercreditor Agreement (section 2.1.2), BDC was provided with a true and complete copy of the CIBC Credit Agreement.
12. On June 29, 2015, the BDC caused to be published a voluntary reduction (the Voluntary Reduction, Exhibit R-14) in accordance with the terms of the Intercreditor Agreement, pursuant to which BDC released its security on the CIBC's Priority Movable Property, including all “*Inventory and all accessories thereto*” of the Debtor.

b. The Ohio Racks

13. The Ohio Racks consist of moveable racking supplied by Ohio Racks Inc. (“**Ohio**”), which are used to store and transport carpets in the various premises operated by the Debtor.
14. The Ohio Racks are depicted in Exhibit R-2 as well as in certain other photographs, communicated herewith *en liasse* as **Exhibit D-3**.
15. The Ohio Racks are distinct from:

- (a) other moveable racking which is sold with carpets to purchasers and which is treated as “Eligible Inventory” for the purposes of the Debtor’s Borrowing Base Calculation (“**BBC**”); and
 - (b) other fixed racking that used to store items other than carpets supplied by the Debtor, which are also depicted in Exhibit R-2.
- 16. The Debtor has been purchasing Ohio Racks for this purpose since at least June 2013 for an amount totaling USD 737,000, as appears from a summary table prepared by the Trustee using spreadsheets provided by the Debtor’s management (the “**Ohio Purchase Schedules**”), communicated herewith *en liasse* as **Exhibit D-4**.
- 17. The Ohio Racks have been consistently treated by the Debtor as “Inventory” in its internal records as well as in its reporting to CIBC. In particular, the Ohio Racks are:
 - (a) identified on the list entitled *Valorisation de l’inventaire* maintained by the Debtor (the “**Inventory List**”) as item RACK0000491, as appears from such list as at March 3, 2019, communicated herewith as **Exhibit D-5**. Various extracts of the Inventory List as at other points in time are also communicated herewith as **Exhibit D-6**;
 - (b) included in the regular Borrowing Base Certificates provided by the Debtor to CIBC (“**BBC Certificates**”) as “*ineligibles*” and more specifically as “*inventory for internal usage*” under the rubric “*raw materials*” as appears from the BBC Certificate as at March 3, 2019 together with the accompanying Inventory Ineligible Analysis table (“**Ineligible Inventory Schedules**”), communicated herewith *en liasse* as **Exhibit D-7**. Various other BBC Certificates and extracts of the accompanying Ineligible Inventory Schedules are also communicated herewith as **Exhibit D-8**;
 - (c) accounted for as Inventory in the annual audited financial statements (the “**Audited Financial Statements**”) of the Debtor for the years ending 2015 through 2017, communicated herewith as **Exhibit D-9A** to **Exhibit D-9C** as appears from extracts of the year-end inventory lists used to prepare such financial statements, communicated herewith as **Exhibit D-10A** to **Exhibit D-10C**.
 - (d) referred to as “*Racking inventory*” in the reports of field examiners engaged by the CIBC (“**Field Exams**”), which note that Ohio Racks are treated by the Debtor as “*raw materials*” ineligible for the purposes of the Debtor’s BBC, as appears from a series of Field Exams, communicated herewith *under seal* as **Exhibit D-11A** to **D-11E**.
- 18. Over USD 588,000 worth of Ohio Racks were purchased by the Debtor from 2016 to 2018, during which period the CIBC Facilities were being used to fund the Debtor’s working capital requirements, as appears from the Ohio Purchase Schedules.
- 19. Beginning in October 2018, the Debtor began selling the Ohio Racks back to Ohio pursuant to a repurchase agreement (the “**Ohio Repurchase Agreement**”) as will be explained more fully below.

c. The Racking Dispute

20. On November 28, 2018, the Debtor filed a notice of intention to make a proposal (the “**NOI**”) under the Bankruptcy and Insolvency Act (“**BIA**”) and Richter was appointed Trustee under the NOI.
21. On March 11, 2019, the Debtor filed a motion entitled *Motion for the Issuance of an Approval and Vesting Order with Respect to the Sale of Racking Equipment* dated March 11, 2019 (the “**Racking Sale Motion**”) pursuant to which it sought approval of the Ohio Repurchase Agreement, as appears from the Court record.
22. Prior to the hearing of the Racking Sale Motion, BDC agreed that in the event it was determined to be entitled to receive the proceeds derived from the sale of the Ohio Racks (the “**Racking Proceeds**”), it would pay any costs associated with the realization on such asset, as appears, in particular, from an exchange of emails between counsel for CIBC and BDC, communicated herewith as **Exhibit D-12**.
23. On March 13, 2019, this Court granted the Racking Sale Motion and issued an order approving the Ohio Repurchase Agreement *nunc pro tunc* and directing that the Racking Proceeds be remitted to the Debtor and distributed in accordance with applicable legislation, as appears from the Court record.
24. Given the dispute surrounding whether the Ohio Racks were equipment and subject to the first ranking security of BDC (the “**Racking Dispute**”), the Court ordered that the Racking Proceeds be held in trust by the Debtor’s attorneys until the parties came to an agreement on this issue and acknowledged that the CIBC’s support of the Racking Sale Motion was made without any admission as to the characterization of the Ohio Racks, the whole as appears from the minutes of the hearing of March 13, 2019, communicated herewith as **Exhibit D-13**.
25. Following discussions between the parties, BDC filed the Motion on May 22, 2019 seeking declaratory relief as well as various other orders in connection with the Racking Dispute.
26. On May 28, 2019, this Court rendered an order appointing Richter as Receiver to certain property of the Debtor and directing, *inter alia*, that all Racking Proceeds be transferred to, and held by Richter pending final determination of the Racking Dispute.
27. On May 29, 2019 the Debtor was deemed to have made an assignment in bankruptcy as a consequence of not having filed a proposal within the delays provided for in the BIA.
28. CIBC understands that approximately USD 500,000 Racking Proceeds are expected to be obtained through the performance of the Ohio Repurchase Agreement.

III. THE POSITION OF CIBC

29. CIBC respectfully submits that the Ohio Racks form part of CIBC’s Priority Moveable Property, according to the terms of the Intercreditor Agreement that are also reflected in the Voluntary Reduction.

30. Contrary to the position adopted by BDC, the qualification of the Ohio Racks under the applicable agreements is what is relevant for the determination of the Racking Dispute rather than the nature of racking generally or the CPA Accounting Standards.
31. The Intercreditor Agreement is the primary document which governs the contested issues raised by the Racking Dispute as it determines the priorities of CIBC and BDC over the moveable property of the Debtor as well as the scope of the first ranking charges held by each of these secured creditors.
32. The relevant terms of the Intercreditor Agreement are clear and unambiguous and should be applied according to their stipulated terms, which reflect the common intention of the parties.
33. The definition of Inventory employed in the Intercreditor Agreement is broad enough to include the Ohio Racks.
34. Even if the Ohio Racks do not fall within the broad definition of Inventory in the Intercreditor Agreement, the Ohio Racks are an “accessor[y] thereto”.
35. The Ohio Racks therefore form part of CIBC’s Priority Movable Property and are subject to the first ranking security of CIBC.
36. Subsidiarily and only to the extent that this Court determines that there is ambiguity in the Intercreditor Agreement that necessitates an interpretative analysis, the relevant contextual factors militate in favor of interpreting the words “*Inventory and all accessories thereto*” to include the Ohio Racks.
37. In particular, the Debtor:
 - (a) treated the Ohio Racks as inventory in its books and records, including on the Inventory List and in its electronic inventory system;
 - (b) used the CIBC Facilities, granted for general working capital purposes, to purchase the Ohio Racks over the years;
 - (c) accounted for the Ohio Racks as inventory in its annual financial statements;
 - (d) reported the Ohio Racks as inventory, albeit as ineligible inventory for internal use, and as raw materials in its BBC Certificates and for the purposes of the Field Exams;
38. Consequently, whether the agreements are applied in accordance with their stipulated terms or are interpreted in light of the relevant contextual factors, it is respectively submitted that the Ohio Racks form part of CIBC’s Priority Movable Property and are subject to CIBC’s first ranking security.

FOR THESE REASONS MAY IT PLEASE THE COURT TO

GRANT the present Contestation of Canadian Imperial Bank of Commerce (“**CIBC**”);

DISMISS the *Motion for Determination of Petitioner's Rights on a Certain Asset and/or its Sale's Proceeds* (the "**Motion**") of Business Development Bank of Canada ("**BDC**");

ORDER that the "Racking Proceeds" as defined in paragraph 18 of the Order Appointing A Receiver dated May 28, 2019 be remitted to CIBC;

ALTERNATIVELY, if any conclusions A, C, or D of the Motion are Granted, **ORDER** BDC to pay to CIBC all costs, fees and expenses incurred in connection with the realization of the "Ohio Racks", in an amount to be determined by Richter Advisory Group Inc. or the Court.

THE WHOLE WITHOUT LEGAL COSTS, except in the event of contestation.

Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, repay and reborrow Revolving Loans. In addition, the Borrower may, subject to the Agent’s prior written approval in its sole discretion, on at least thirty (30) days’ prior written notice to the Agent, from time to time permanently increase the Commitment in an aggregate principal amount of up to \$10,000,000, provided that (i) such Commitment increase shall be offered to each Lender on a pro rata basis, (ii) each Lender may agree to accept or decline a requested Commitment increase in its sole discretion, (iii) no increase in the Commitments shall be made if a Default or an Event of Default shall have occurred and be continuing or would result after giving effect to such increase, (iv) each such increase shall be in a minimum principal amount of \$ 1,500,000, (v) the Borrower shall pay to the Agent, for the account of the Lenders, a one-time fee in an amount equal to 0.30% of the amount of each such Commitment increase where such increase is before the first anniversary of the Effective Date, 0.20% if it occurs between the first and second anniversary of the Effective Date and 0.10% if it occurs after the second anniversary of the Effective Date, and (vi) the aggregate principal amount of all such Commitment increases shall not exceed \$10,000,000. (a) Each Revolving Loan shall be made as part of a Borrowing consisting of Revolving Loans made by the Lenders ratably in accordance with their respective Commitments. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender’s failure to make Loans as required.

The Agent and each Lender are entitled to rely and act upon any written Borrowing Request given or purportedly given by the Borrower, and the Borrower hereby waives the right to dispute the authenticity and validity of any such request or resulting transaction once the Agent or any Lender has advanced funds or the Issuing Bank has issued a Letter of Credit based on such written Borrowing Request. Each such written Borrowing Request shall be substantially in the form of Exhibit B and shall specify the following information:

- (i) the aggregate amount of each requested Borrowing and the Type thereof;

S. Dollars). If no currency is specified, the Borrowing shall be denominated in Canadian Dollars. If no Interest Period is specified with respect to any requested LIBO Rate Borrowing, then the Borrower shall be deemed to have selected an Interest Period of a one month duration. If no Contract Period is specified with respect to any requested BA Borrowing, then the Borrower shall be deemed to have selected a Contract Period of a one month duration.

(c) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request. Thereafter, the Borrower may elect to convert a Borrowing to a different Type or to continue such Borrowing and, in the case of (i) a LIBO Rate Borrowing, may elect a new Interest Period therefor, or (ii) a BA Borrowing, may elect a new Contract Period therefor, all as provided in this Section 2.3(c). The Borrower may elect different options with respect to different portions of the

affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing in accordance with their Applicable Percentage, and the Loans comprising each such portion shall be considered a separate Borrowing. To make an election pursuant to this Section 2.3(c), the Borrower shall notify the Agent of such election in the manner and by the time that a Borrowing Request would be required under Section 2.3(a) if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. In addition to the information specified in Section 2.3(a), each Borrowing Request shall specify the Borrowing to which such request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing.

(d) In the absence of a timely and proper election with regard to (i) LIBO Rate Borrowings, the Borrower shall be deemed to have elected to convert such LIBO Rate Borrowings to Base Rate Borrowings on the last day of the Interest Period of the relevant LIBO Rate Borrowings, and (ii) BA Borrowings, the Borrower shall be deemed to have elected to convert such BA Borrowings to Canadian Prime Borrowings on the last day of the Contract Period of the relevant BA Borrowings.

(e) The Agent shall not incur any liability to the Borrower as a result of acting in accordance with any notice or request referred to in this Section 2.3, which notice or request the Agent believes in good faith to have been given by an officer duly authorized by the Borrower to request Loans on its behalf or for otherwise acting in good faith under this Section 2.3, and the crediting of Loans to the Borrower's disbursement accounts, or transmittal to such Person or other bank account as the Borrower shall direct, shall conclusively establish the obligation of the Borrower to repay such Loans as provided herein. Nothing herein shall, however, release or be deemed to release the Agent in respect of its gross negligence or intentional fault.

(f) Except to the extent otherwise permitted to the contrary hereunder, any Borrowing Request made pursuant to in this Section 2.3 shall be irrevocable and the Borrower shall be bound to borrow the funds requested therein in accordance therewith.

2.4 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, Toronto time, to the account of the Agent most recently designated by it for such purpose by notice to the Lenders. The Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower and designated by the Borrower in the applicable Borrowing Request. The Borrower shall satisfy Reimbursement Obligations promptly as they arise by way of a request for a Loan and all Loans made hereunder to satisfy Reimbursement Obligations: (i) in respect of any Letter of Credit shall be remitted by the Agent to the Issuing Bank in accordance with such Letter of Credit (unless the Issuing Bank has already been fully reimbursed directly by the Borrower in respect of drawings under the Letter of Credit), and (ii) in respect of any F/X Contract shall be remitted by the Agent to the F/X Bank in accordance with such F/X Contract (unless the F/X Bank has already been fully reimbursed directly by the Borrower in respect of all such losses in respect of the F/X Contract).

(b) The Agent may, upon notice given by the Agent no later than 12:00 p.m. Toronto time on any Settlement Date, request each Lender to make, and each Lender hereby agrees to make, a Revolving Loan in an amount equal to such Lender's Applicable Percentage (calculated with respect to the aggregate Commitments then outstanding) of the aggregate amount of the Revolving Loans made by the Agent from the preceding Settlement Date to the date of such notice. Each Lender's obligation to make the Revolving Loans and to make the settlements pursuant to this

Section 2.4 shall not be affected by any circumstance, including (i) any set-off, counterclaim, recoupment, defence or other right which any such Lender or the Borrower may have against the Agent, the Borrower, any Lender or any other Person for any reason whatsoever; (ii) any adverse change in the condition (financial or otherwise) of the Borrower; or (iii) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing. Without limiting the liability and obligation of each Lender to make such advances, the Borrower authorizes the Agent to charge the Borrower's loan account to the extent amounts received from the Lenders are not sufficient to repay in full the amount of any such deficiency. To the extent that any Lender has failed to fund all such payments and Revolving Loans, the Agent shall be entitled to set off the funding short-fall against that Lender's pro rata share of all payments received from the Borrower.

(c) The Agent, for the account of the Lenders, shall disburse all amounts to the Borrower and shall handle all collections. It is understood that for purposes of advances to the Borrower and for purposes of this Section 2.4, the Agent is using the funds of the Agent.

(d) Unless the Agent shall have been notified in writing by any Lender prior to any advance to the Borrower that such Lender will not make the amount which would constitute its share of the Borrowing on such date available to the Agent, the Agent may assume that such Lender shall make such amount available to the Agent on a Settlement Date, and the Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. A certificate of the Agent submitted to any Lender with respect to any amount owing under this Section 2.4 shall be conclusive, absent manifest error. If such Lender's share of such Borrowing is not in fact made available to the Agent by such Lender on the Settlement Date, the Agent shall be entitled to recover such amount with interest thereon at the rate per annum applicable to Revolving Loans hereunder, on demand, from the Borrower without prejudice to any rights which the Agent may have against such Lender hereunder. Nothing contained in this shall relieve any Lender which has failed to make available its Applicable Percentage of any borrowing hereunder from its obligation to do so in accordance with the terms hereof. Nothing contained herein shall be deemed to obligate the Agent to make available to the Borrower the full amount of a requested advance when the Agent has any notice (written or otherwise) that any of the Lenders will not advance its Applicable Percentage thereof.

(e) On the Settlement Date, the Agent and the Lenders shall each remit to the other, in immediately available funds, all amounts necessary so as to ensure that, as of the Settlement Date, the Lenders shall have their Applicable Percentage share of all outstanding Obligations other than in respect of F/X Contracts, which shall remain with the F/X Bank.

(f) The Agent shall forward to each Lender, at the end of each calendar month, a copy of the account statement rendered by the Agent to the Borrower.

(g) The Agent shall, after receipt of any interest and fees earned under this Agreement, promptly remit to the Lenders their Applicable Percentage of any (i) fees they are entitled to receive, and (ii) interest computed at the rate and as provided for in this Agreement on all outstanding amounts advanced by the Lenders on each Settlement Date, prior to adjustment, that are subsequent to the last remittance by the Agent to the Lenders of such interest amounts. This shall not apply to fees in respect of F/X Contracts, which shall be retained by the F/X Bank.

2.5 Interest.

(a) The Loans comprising each Canadian Prime Borrowing shall bear interest (computed on the basis of the actual number of days elapsed over a year of 365 days or 366 days, as the case may be) at a rate per annum equal to the Canadian Prime Rate plus the Applicable Margin from time to time in effect. The Loans comprising each Base Rate Borrowing shall bear interest (computed on

the basis of the actual number of days elapsed over a year of 360 days at a rate per annum equal to the Base Rate plus the Applicable Margin from time to time in effect. The Loans comprising each LIBO Rate Borrowing shall bear interest (computed on the basis of the actual number of days in the relevant Interest Period over a year of 360 days) at the LIBO Rate for the Interest Period in effect for such LIBO Rate Borrowing plus the Applicable Margin in effect on the first day of the relevant Interest Period. The Loans comprising each BA Borrowing shall be subject to an Acceptance Fee, which shall be payable as set out in Section 2.11.

(b) If a Default or an Event of Default has occurred and is continuing, all amounts outstanding hereunder (including, without duplication, all Loans and all Letter of Credit Exposure and F/X Exposure) shall bear interest, after as well as before judgment, at a rate per annum equal to 2% plus the rate otherwise applicable to such Loan or, in the case of any amount not constituting principal or interest on a Loan, at a rate equal to 2% plus the rate otherwise applicable to, in the case of Canadian Dollar amounts, Canadian Prime Loans, or in the case of U.S. Dollar amounts, Base Rate Loans.

(c) Accrued interest on each Loan shall be payable in arrears on the earlier of (i) each applicable Interest Payment Date, and (ii) the date of termination of the Commitments. In addition, in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment.

(d) All interest hereunder shall be payable for the actual number of days elapsed (including the first day but excluding the last day). Any Loan that is repaid on the same day on which it is made shall bear interest for one day. The applicable Canadian Prime Rate, Base Rate, LIBO Rate or CDOR Rate shall be determined by the Agent, and such determination shall be conclusive absent manifest error.

(e) For the purposes of the *Interest Act* (Canada) and disclosure thereunder, whenever any interest or any fee to be paid hereunder or in connection herewith is to be calculated on the basis of a 360-day or 365-day year, the yearly rate of interest to which the rate used in such calculation is equivalent is the rate so used multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 360 or 365, as applicable. The rates of interest under this Agreement are nominal rates, and not effective rates or yields. The principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement.

(f) If any provision of this Agreement would oblige the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by any Applicable Law or would result in a receipt by that Lender of "interest" at a "criminal rate" (as such terms are construed under the *Criminal Code* (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by Applicable Law or so result in a receipt by that Lender of "interest" at a "criminal rate", such adjustment to be effected, to the extent necessary (but only to the extent necessary), as follows:

- (i) first, by reducing the amount or rate of interest required to be paid to the affected Lender under Section 2.5;
- (ii) second, by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid to the affected Lender which would constitute interest for purposes of section 347 of the *Criminal Code* (Canada);

- (iii) third, by reducing the amount of principal Exposure outstanding; and
- (iv) thereafter, by returning any remaining amount to the Borrower.

(g) Notwithstanding anything to the contrary contained in this Agreement, if, as a result of any restatement or other adjustment to the financial statements delivered under this Agreement (including any adjustment to unaudited financial statements as a result of subsequent audited financial statements) or for any other reason (including without limitation an adjustment on any subsequent Borrowing Base Report delivered hereunder), the Borrower, the Agent or the Lenders determine that any fees for any period was lower than would otherwise be the case had such inaccuracy not occurred, then the Borrower shall immediately and retroactively be obligated to pay to the Agent for the account of the applicable Lenders, promptly on demand by the Agent (or, if an Event of Default pursuant to any of Sections 7.1(h), (i) or (j) shall have occurred and be continuing, automatically and without further action by the Agent), an amount equal to the excess of the amount of fees that should have been paid by the Borrower for such period over the amount of fees actually paid by the Borrower for such period, plus interest on such amount at the rate otherwise applicable herein. The Borrower's obligations under this Section 2.5(g) shall survive the termination of the Commitments and the repayment of all Indebtedness hereunder.

2.6 Termination and Reduction of Commitments.

(a) Unless previously terminated and subject to any earlier demand for payment upon the occurrence of an Event of Default, the Commitments shall terminate on the Maturity Date.

(b) The Borrower may, upon five Business Days prior written notice to the Agent, permanently cancel any unused portion of the Commitments, provided, however, that the Borrower shall pay to the Agent, on the date on which such cancellation becomes effective, the Early Termination Fee in respect of the cancelled portion of the Commitments. The Agent shall promptly notify each Lender of the receipt by the Agent of any such notice. Any such cancellation shall be applied rateably in respect of the Commitments of each Lender. Each notice delivered by the Borrower pursuant to this Section 2.6(b) shall be irrevocable. For greater certainty, the Early Termination Fee shall be payable if this Agreement terminates prior to the Maturity Date for any reason, including following the occurrence of an Event of Default. Notwithstanding the termination of this Agreement, until all Obligations are irrevocably and indefeasibly paid and performed in full, the Credit Parties shall remain bound by the terms of this Agreement and under the Loan Documents and shall not be relieved of any of their Obligations and the Agent and Lenders shall retain all their rights and remedies hereunder and under the Loan Documents (including, without limitation, in all then existing and after-arising Collateral). Pending a final accounting, the Agent may withhold any balances in the Borrower's loan account to cover all of the Obligations, whether absolute or contingent, including cash reserves for any contingent Obligations, including an amount equal to 110% of the face amount of any outstanding Letters of Credit with an expiry date on, or within thirty (30) days of the effective date of termination of this Agreement.

(c) Unless the Commitments have been previously terminated, upon the occurrence of the Maturity Date, the Commitment of each Lender shall be permanently reduced to an amount equal to the amount of the Loans made by such Lender at such date and the Commitment shall be permanently reduced by an amount equal to such reduction of such Commitment.

(d) Subject to the other terms and conditions of this Agreement and unless the Commitments have been earlier terminated, the Commitments shall be available hereunder from the Effective Date until the Maturity Date.

(e) Notwithstanding anything herein to the contrary, there shall be no Early Termination Fee payable if the Borrower repays all Obligations hereunder with proceeds from another facility where the Agent is the Lender.

2.7 Repayment of Loans.

The Borrower hereby unconditionally promises to pay to the Agent for the account of each Lender the then unpaid principal amount of each Revolving Loan and all other Obligations on the earlier of the Maturity Date and the date that the Commitment is terminated pursuant to Section 2.6(b) or Section 7.1.

2.8 Evidence of Debt.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from each Borrowing made by such Lender hereunder, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Agent shall maintain accounts in which it shall record (i) the amount of each Borrowing made hereunder, the Type thereof and, in the cases of BA Borrowings and LIBO Rate Loans, the relevant Contract Period or Interest Period, applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder, and (iii) the amount of any sum received by the Agent hereunder for the account of the Lenders and each Lender's share thereof.

(c) The entries made in the accounts maintained pursuant to Sections 2.8(a) and (b) shall be conclusive evidence (absent manifest error) of the existence and amounts of the obligations recorded therein and shall be admissible in any action or proceeding arising therefrom; provided that the failure of any Lender or the Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to repay the Borrowings in accordance with the terms of this Agreement. In the event of a conflict between the records maintained by the Agent and any Lender, the records maintained by the Agent shall govern.

2.9 Prepayments.

(a) Mandatory Borrowing Base Prepayments. If at any time the aggregate Exposure of all Lenders is in excess of (i) the Borrowing Base or (ii) the total Commitment, the Borrower shall, upon request by the Agent, promptly pay to the Agent, for the account of the Lenders, the amount of such excess to be applied (i) first, in satisfaction of all Reimbursement Obligations, if any, outstanding at such time, (ii) second, as a prepayment of the Revolving Loans, and (iii) third, as Cover for any remaining Bankers' Acceptances, Letter of Credit Exposure and F/X Exposure in an amount of such remaining excess.

(b) Application of Cover Amount. The amount of Cover shall be paid by the Borrower under Section 2.9(a) to the Agent and retained by the Agent in a collateral account maintained by the Agent at its Payment Office and collaterally assigned to, or charged in favour of, the Agent as security until such time as the applicable Letters of Credit and F/X Contracts shall have expired or matured and Reimbursement Obligations, if any, with respect thereto shall have been fully satisfied; provided that if any such Reimbursement Obligations are not satisfied when due hereunder, the Agent may apply any or all amounts in such collateral account in satisfaction of any or all such Reimbursement Obligations.

(c) Currency Fluctuations. If, at any time, the Canadian \$ Equivalent of the Loans made by any Lender to the Borrower under any Credit exceeds the Commitment of such Lender under such Credit (any such excess being referred to in this Section as an “**Excess Amount**”), then the Borrower will forthwith repay to the Agent, for the account of each applicable Lender, an amount equal to the Excess Amount with respect to such Lender. The Agent shall request repayment of any Excess Amount forthwith upon request therefor by any Lender, but the Agent is not otherwise required to monitor Excess Amount levels or to request repayment thereof.

(d) Voluntary Prepayment. The Borrower may, upon delivery of a Repayment Notice to the Agent (delivered in accordance with the notice periods applicable to delivery of a Borrowing Request under Section 2.3(a)), prepay all or any part of a Canadian Prime Borrowing, or Base Rate Borrowing, BA Borrowing or LIBO Rate Borrowing (provided that any such prepayment of part of a BA Borrowing or a LIBO Borrowing, and any BA Borrowing or LIBO Borrowing not repaid by such partial payment, shall be in amounts contemplated by Section 2.2(c)), provided that a BA Borrowing or LIBO Rate Borrowing or part thereof may only be repaid on the last day of the Contract Period or Interest Period, as the case may be. Each Repayment Notice delivered hereunder shall be irrevocable. No prepayment under this Section 2.9(d) shall permanently reduce or terminate any of the Commitments.

(e) Notice by Agent. Upon receipt of any prepayment or Repayment Notice pursuant to this Section 2.9, the Agent shall promptly notify each applicable Lender of the contents thereof and of such Lender's Applicable Percentage of such prepayment and the corresponding Early Termination Fee, if any. Each Repayment Notice provided by the Borrower in respect of any permanent repayment or prepayment hereunder shall be in the form of Exhibit G and shall be irrevocable at such time as the Agent or any Lender has commenced taking any action pursuant to any such prepayment notice.

2.10 Fees.

(a) The Borrower shall pay to the Agent for the account of and distribution to each Lender rateably in accordance with each such Lender's Applicable Percentage, in Canadian Dollars, an unused line fee (the “**Unused Line Fee**”) for the period commencing on the Effective Date to and including the Maturity Date (or such earlier date as the Commitments shall have been terminated entirely) computed at a rate of 0.25% per annum on the average daily excess amount of the aggregate Commitments over the aggregate Exposure (but excluding, solely for the purpose of this Section 2.10, any F/X Exposure). The Unused Line Fees on the Commitments shall be calculated monthly in arrears on the last Business Day of each calendar month (and on the date on which the Commitments terminate) and each such calculated amount shall be payable on the first Business Day of the immediately following calendar month (or on the date on which the Commitments terminate, as the case may be). All Unused Line Fees shall be computed on the basis of a year of 365 or 366 days, as the case may be, and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) The Borrower agrees to pay to the Agent for the account of each Lender rateably in accordance with each Lender's Applicable Percentage, a fee (a “**Letter of Credit Fee**”) with respect to the provision of Letters of Credit, at the rate of 1.00% per annum on the average daily amount of the Letter of Credit Exposure with respect to documentary Letters of Credit and at the rate of 1.75% per annum on the average daily amount of the Letter of Credit Exposure with respect to standby Letters of Credit, in each case during the period from and including the Effective Date (or the date on which any Letter of Credit Exposure first exists to but excluding the latter of: (i) the date of termination of the Commitments and (ii) the date on which there ceases to be any Letter of Credit Exposure. All such Letter of Credit Fees shall be calculated monthly in arrears on the last Business Day of each calendar month (and on the date on which the Commitments terminate) and each such

calculated amount shall be payable on the first Business Day of the immediately following calendar month (or on the date on which the Commitments terminate, as the case may be); provided that all Letter of Credit Fees, together with all Standard Letter of Credit Fees (as defined below), accruing after the date on which the Commitments terminate shall be payable on demand. All Standard Letter of Credit Fees payable pursuant to this Section 2.10(b) shall be computed on the basis of a year of 365 or 366 days, as the case may be, and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The Borrower also agrees to pay to the Issuing Bank, the Issuing Bank's standard fees (the "**Standard Letter of Credit Fees**") with respect to the issuing, administration, handling, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Such Standard Letter of Credit Fees shall be payable within 10 days after demand by the Agent or the Issuing Bank. It is acknowledged and agreed by the Lenders that the Issuing Bank may charge fees and other amounts directly to the Agent as a condition to issuing Letters of Credit and such fees and other amounts, to the extent that the Agent has not been reimbursed therefor by the Borrower, shall be charged by the Agent against each Lender's rateable share (taking into account each such Lender's Applicable Percentage) of other amounts owing from the Agent to each Lender (including, without limitation, each such Lender's rateable share of Letter of Credit Fees).

(c) The Borrower agrees to pay to the Agent, for its own account, on the Effective Date the Loan Facility Fee (in Canadian Dollars).

(d) The Borrower agrees to pay to the Agent, for its own account, on the Effective Date and on the first Business Day of each calendar month thereafter the Administrative Management Fee, which the Borrower acknowledges and agrees shall be fully earned when paid.

(e) The Borrower agrees to pay to the Agent, for its own account, the Agent's standard charges, fees, costs and expenses for its field examinations, verifications and audits in an amount equal to \$1,200 per person per day plus such field examiner's and auditor's out-of-pocket expenses.

(f) The Borrower agrees to pay to the Agent, for its own account, fees payable in the amounts and at the times separately agreed upon in writing between the Borrower and the Agent.

(g) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Agent, for its own account or for distribution to the Lenders or CIBC, as the case may be. Fees paid shall not be refundable except in the case of manifest error in the calculation of any fee payment.

2.11 BA Borrowings.

(a) Subject to the terms and conditions of this Agreement, the Borrower may request a Borrowing by presenting drafts for acceptance and purchase as Bankers' Acceptances by the Lenders.

(b) No Contract Period with respect to a BA Borrowing shall extend beyond the Maturity Date. The Borrower shall not be entitled to obtain or roll over any BA Borrowings at any time that a Default or an Event of Default has occurred and is continuing.

(c) To facilitate availment of BA Borrowings, the Borrower hereby appoints each Lender as its attorney to sign and endorse on its behalf (in accordance with a Borrowing Request relating to a BA Borrowing), in handwriting or by facsimile or mechanical signature as and when deemed necessary by such Lender, blank forms of Bankers' Acceptances in the form requested by such Lender. In this respect, it is each Lender's responsibility to maintain an adequate supply of blank forms of Bankers' Acceptances for acceptance under this Agreement. The Borrower recognizes and

agrees that all Bankers' Acceptances signed and/or endorsed by a Lender on behalf of the Borrower shall bind the Borrower as fully and effectually as if signed in the handwriting of and duly issued by the proper signing officers of the Borrower. Each Lender is hereby authorized (in accordance with a Borrowing Request relating to a BA Borrowing) to issue such Bankers' Acceptances endorsed in blank in such face amounts as may be determined by such Lender; provided that the aggregate amount thereof is equal to the aggregate amount of Bankers' Acceptances required to be accepted and purchased by such Lender. No Lender shall be liable for any damage, loss or other claim arising by reason of any loss or improper use of any such instrument except the gross negligence or intentional fault of the Lender or its officers, employees, agents or representatives. Each Lender shall maintain a record with respect to Bankers' Acceptances (i) received by it in blank hereunder, (ii) voided by it for any reason, (iii) accepted and purchased by it hereunder, and (iv) cancelled at their respective maturities. On request by or on behalf of the Borrower, a Lender shall cancel all forms of Bankers' Acceptances which have been pre-signed or pre-endorsed on behalf of the Borrower and which are held by such Lender and are not required to be issued in accordance with the Borrower's irrevocable notice. Alternatively, the Borrower agrees that, at the request of the Agent, the Borrower shall deliver to the Agent a "depository note" which complies with the requirements of the *Depository Bills and Notes Act* (Canada), and consents to the deposit of any such depository note in the book-based debt clearance system maintained by the Canadian Depository for Securities.

(d) Drafts of the Borrower to be accepted as Bankers' Acceptances hereunder shall be signed as set out in this Section 2.11. Notwithstanding that any person whose signature appears on any Bankers' Acceptances may no longer be an authorized signatory for any Lender or the Borrower at the date of issuance of a Bankers' Acceptances, such signature shall nevertheless be valid and sufficient for all purposes as if such authority had remained in force at the time of such issuance and any such Bankers' Acceptances so signed shall be binding on the Borrower.

(e) Promptly following receipt of a Borrowing Request specifying a Borrowing by way of Bankers' Acceptances, the Agent shall so advise the Lenders and shall advise each Lender of the aggregate face amount of the Bankers' Acceptances to be accepted by it and the applicable Contract Period (which shall be identical for all Lenders). The aggregate face amount of the Bankers' Acceptances to be accepted by the Lenders shall be in a minimum aggregate amount of Cdn.\$500,000 and shall be a whole multiple of Cdn.\$100,000, and such face amount shall be in the Lenders' *pro rata* portions of such Borrowing, provided that the Agent may in its sole discretion increase or reduce any Lender's portion of such BA Borrowing to the nearest Cdn.\$10,000 without reducing the overall Commitments.

(f) Upon acceptance of a Bankers' Acceptance by a Lender, such Lender shall purchase, or arrange for the purchase of, each Bankers' Acceptance from the Borrower at the Discount Rate for such Lender applicable to such Bankers' Acceptance accepted by it and provide to the Agent the Discount Proceeds therefor for the account of the Borrower. The Acceptance Fee payable by the Borrower to a Lender under Section 2.5 in respect of each Bankers' Acceptance accepted by such Lender shall be set off against the Discount Proceeds payable by such Lender under this Section 2.11.

(g) Each Lender may at any time and from time to time hold, sell, rediscount or otherwise dispose of any or all Bankers' Acceptances accepted and purchased by it.

(h) If a Lender is not a chartered bank under the *Bank Act* (Canada) or if a Lender notifies the Agent in writing that it is otherwise unable to accept Bankers' Acceptances, such Lender will, instead of accepting and purchasing Bankers' Acceptances, make a Loan (a "**BA Equivalent Loan**") to the Borrower in the amount and for the same term as the draft which such Lender would otherwise have been required to accept and purchase hereunder. Each such Lender will provide to

the Agent the Discount Proceeds of such BA Equivalent Loan for the account of the Borrower. Each such BA Equivalent Loan will bear interest at the same rate which would result if such Lender had accepted (and been paid an Acceptance Fee) and purchased (on a discounted basis) a Bankers' Acceptance for the relevant Contract Period (it being the intention of the parties that each such BA Equivalent Loan shall have the same economic consequences for the Lenders and the Borrower as the Bankers' Acceptance which such BA Equivalent Loan replaces). All such interest shall be paid in advance on the date such BA Equivalent Loan is made, and will be deducted from the principal amount of such BA Equivalent Loan in the same manner in which the Discount Proceeds of a Bankers' Acceptance would be deducted from the face amount of the Bankers' Acceptance. Subject to repayment requirements, on the last day of the relevant Contract Period for such BA Equivalent Loan, the Borrower shall be entitled to convert each such BA Equivalent Loan into another type of Loan, or to roll over each such BA Equivalent Loan into another BA Equivalent Loan, all in accordance with the applicable provisions of this Agreement.

(i) With respect to each BA Borrowing, at or before 10:00 a.m. two Business Days before the last day of the Contract Period of such BA Borrowing, the Borrower shall notify the Agent in writing if the Borrower intends to issue Bankers' Acceptances on such last day of the Contract Period to provide for the payment of such maturing BA Borrowing. If the Borrower fails to notify the Agent of its intention to issue Bankers' Acceptances on such last day of the Contract Period, the Borrower shall provide payment to the Agent on behalf of the Lenders of an amount equal to the aggregate face amount of such BA Borrowing on the last day of the Contract Period of thereof. If the Borrower fails to make such payment, such maturing Bankers' Acceptances shall be deemed to have been converted on the last day of the Contract Period into a Canadian Prime Loan in an amount equal to the face amount of such Bankers' Acceptances.

(j) The Borrower waives presentment for payment and any other defence to payment of any amounts due to a Lender in respect of a Bankers' Acceptances accepted and purchased by it pursuant to this Agreement which might exist solely by reason of such Bankers' Acceptances being held, at the maturity thereof, by such Lender in its own right, and the Borrower agrees not to claim any days of grace if such Lender, as holder, sues the Borrower on the Bankers' Acceptances for payment of the amount payable by the Borrower thereunder. On the last day of the Contract Period of a Bankers' Acceptances, or such earlier date as may be required or permitted pursuant to the provisions of this Agreement, the Borrower shall pay the Lender that has accepted and purchased such Bankers' Acceptances the full face amount of such Bankers' Acceptances and, after such payment, the Borrower shall have no further liability in respect of such Bankers' Acceptances and such Lender shall be entitled to all benefits of, and be responsible for all payments due to third parties under, such Bankers' Acceptances.

(k) If a Lender grants a participation in a portion of its rights under this Agreement to a participant under Section 9.4(e), then, in respect of any BA Borrowing, a portion thereof may, at the option of such Lender, be by way of Bankers' Acceptance accepted by such Participant. In such event, the Borrower shall upon request of the Agent or the Lender granting the participation execute and deliver a form of Bankers' Acceptance undertaking in favour of such Participant for delivery to such participant.

(l) Except as required by any Lender upon the occurrence of an Event of Default, no BA Borrowing may be repaid by the Borrower prior to the expiry date of the Contract Period applicable to such BA Borrowing; provided, however, that the Borrower may defease any BA Borrowing by depositing with the Agent an amount that is sufficient to repay such BA Borrowing on the expiry date of the Contract Period applicable to such BA Borrowing.

2.12 Increased Costs; Illegality; Alternate Rate of Interest; Replacement of Lenders.

- (a) If any Change in Law shall:
 - (i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender; or
 - (ii) impose on any Lender or the Issuing Bank or the London interbank market any other condition affecting this Agreement (including the imposition on any Lender of, or any change to, any Indemnified Tax or other charge with respect to its LIBO Rate Loans or any Letter of Credit or participation therein, or its obligation to make LIBO Rate Loans or any Letter of Credit);

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender of participating in, issuing or maintaining any Letter of Credit or any Loan or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then the Borrower will pay to such Lender, such additional amount or amounts as will compensate such Lender, for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by such Lender, or the Letters of Credit issued by the Issuing Bank, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy) and such Lender's desired return on capital, then from time to time the Borrower will pay to such Lender, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered. Notwithstanding anything herein to the contrary, (a) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, and Basel Committee on Banking Supervision (or any successor or similar authority) or by United States, Canadian or foreign regulatory authorities, in each case pursuant to Basel III, and (b) the Dodd-Frank Wall Street Reform and *Consumer Protection Act* (United States) and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof, shall in each case be deemed to be a Change in Law for purposes of this Section 2.12(b) regardless of the date enacted, adopted, issued or implemented.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender as specified in Sections 2.12(a) or (b), together with a brief description of the Change of Law, shall be delivered to the Borrower, and shall be conclusive absent manifest error. In preparing any such certificate, a Lender shall be entitled to use averages and to make reasonable estimates, and shall not be required to "match contracts" or to isolate particular transactions. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.12 shall not constitute a waiver of such Lender's right to demand such compensation.

(e) In the event that any Lender shall have determined (which determination shall be reasonably exercised and shall, absent manifest error, be final, conclusive and binding upon all parties) at any time that the current or reasonably expected foreign currency markets are unusually

unstable or that the making or continuance of any Loan denominated in a currency other than Canadian Dollars has become unlawful or materially restricted as a result of compliance by such Lender in good faith with any Applicable Law, or by any applicable guideline or order (whether or not having the force of law and whether or not failure to comply therewith would be unlawful), then, in any such event, such Lender shall give prompt notice (by telephone and confirmed in writing) to the Borrower and to the Agent of such determination (which notice the Agent shall promptly transmit to the other Lenders). Upon the giving of the notice to the Borrower referred to in this Section 2.12(e), the Borrower's right to request (by continuation, conversion or otherwise), and such Lender's obligation to make, Loans denominated in a currency other than Canadian Dollars shall be immediately suspended, and thereafter any requested Borrowing of Loans denominated in a currency other than Canadian Dollars shall, as to such Lender only, be deemed to be a request for a Canadian Prime Loan, and if the affected Loan or Loans are then outstanding, the Borrower shall immediately, or if permitted by Applicable Law, no later than the date permitted thereby, upon at least one Business Day prior written notice to the Agent and the affected Lender, convert each such Loan denominated in a currency other than Canadian Dollars into a Canadian Prime Loan, provided that if more than one Lender is affected at any time, then all affected Lenders must be treated the same pursuant to this Section 2.12(e).

- (f) If prior to the commencement of any Interest Period for a LIBO Rate Borrowing:
 - (i) the Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the LIBO Rate for such Interest Period; or
 - (ii) the Agent is advised by the Required Lenders that the LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a LIBO Rate Borrowing shall be ineffective, and (ii) if any Borrowing Request requests a LIBO Rate Borrowing, such Borrowing shall be made as a Base Rate Borrowing; provided that (A) if the circumstances giving rise to such notice do not affect all the Lenders, then requests by the Borrower for LIBO Rate Borrowings may be made to Lenders that are not affected thereby, and (B) if the circumstances giving rise to such notice affect only one Type of Borrowings, then the other Type of Borrowings shall be permitted.

(g) If any Lender requests compensation under this Section 2.12, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Lender Affiliates, if, in the judgment of such Lender, such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 2.12 or 2.14, as the case may be, in the future, and (b) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower shall pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(h) If any Lender requests compensation under this Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.14, or if any Lender is a Defaulting Lender or Deteriorating Lender, then the Borrower may, at its sole expense (including the processing and recording fee contemplated by Section 9.4(b)) and effort, upon notice to such Lender and the Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.4), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (a) if such assignee is not otherwise a Lender, the Borrower shall have received the prior written consent of the Agent (and, if a Commitment is being assigned, the Issuing Bank), which consent shall not unreasonably be withheld, (b) such Lender shall have received payment of an amount equal to the outstanding principal of its Letter of Credit Exposure, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), and (c) in the case of any such assignment resulting from a claim for compensation under Section 2.12 or payments required to be made pursuant to Section 2.14, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

2.13 Break Funding Payments.

In the event of (a) the failure by the Borrower to borrow, convert, continue or prepay any Loan on the date specified in any notice delivered by the Borrower pursuant hereto, or (b) the payment or conversion of any principal of any BA Borrowing or LIBO Rate Loan other than on the last day of a Contract Period or, as applicable, Interest Period applicable thereto (including as a result of an Event of Default), or (c) the prepayment or conversion of any BA Borrowing or LIBO Rate Loan other than on the last day of the Interest Period applicable thereto, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.13 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

2.14 Taxes.

(a) Any and all payments by or on account of any obligation of the Borrower hereunder shall be made free and clear of and without deduction or withholding for any Indemnified Taxes; provided that if the Borrower shall be required to deduct or withhold any Indemnified Taxes from such payments, then (i) the sum payable shall be increased as necessary so that, after making all required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section 2.14), the Agent, or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deduction or withholding been made, (ii) the Borrower shall make such deduction or withholding, and (iii) the Borrower shall pay to the relevant Governmental Authority in accordance with Applicable Law the full amount deducted or withheld.

(b) In addition to the payments by the Borrower required by Section 2.14(a), the Borrower shall pay any and all present or future stamp or documentary Taxes or any other excise or property Taxes, charges or similar levies arising from any payment made hereunder or from the execution, delivery or enforcement of, or otherwise with respect to, this Agreement to the relevant Governmental Authority in accordance with Applicable Law.

(c) The Borrower shall indemnify the Agent, and each Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes paid by the Agent, such Lender, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower hereunder (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.14) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender, or by the Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Agent.

(e) If the Agent or a Lender determines, in its sole discretion, that it has received a refund of any Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section 2.14 and, in the Agent's or such Lender's opinion, such refund amount is both reasonably identifiable and quantifiable by it without involving it in an unacceptable administrative burden, it shall pay over such refund amount to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section 2.14 with respect to the Taxes giving rise to such refund, and only to the extent that the Agent or Lender, as applicable, is satisfied that it may do so without prejudice to its right, as against the relevant Governmental Authority, to retain such refund), net of all out-of-pocket expenses of the Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that the Borrower, upon the request of the Agent or such Lender, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Agent or such Lender if the Agent or such Lender is required to repay such refund to such Governmental Authority. Nothing herein contained shall (i) interfere with the right of the Agent or any Lender to arrange its affairs in whatever manner it thinks fit and, in particular, no Lender shall be under any obligation to claim relief for tax purposes on its corporate profits or otherwise, or to claim such relief in priority to any other claims, reliefs, credits or deductions available to it, or (ii) require the Agent or any Lender to make available its tax returns (or any other information relating to its Taxes which it deems confidential) to the Borrower or any other Person.

2.15 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or amounts payable in respect of amounts payable under any of Sections 2.12, 2.13 or 2.14, or amounts otherwise payable hereunder) prior to 12:00 noon, Toronto time, on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Agent at the Payment Office, except that payments pursuant to any indemnities contained herein shall be made directly to the Persons entitled thereto. The Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension, provided that, in the case of any payment with respect to a LIBO Rate Loan, the date for payment shall be advanced to the next preceding Business Day if the next succeeding Business Day is in a subsequent calendar month. All payments under this Section 2.15

in respect of LIBO Rate Loans and Base Rate Loans shall be made in U.S. Dollars. All other payments under this Section 2.15 shall be made in Canadian Dollars. The Borrower hereby authorizes the Agent to debit the Borrower's loan account to effect any payment due to the Lenders or the Agent pursuant to this Agreement. Any resulting overdraft in such account shall be payable by the Borrower to the Agent in same day funds.

(b) Unless an Event of Default has occurred and is continuing (in which case, Section 7.2(d) shall apply), if at any time insufficient funds are received by and available to the Agent to pay fully all amounts of principal, interest, fees, amounts payable in respect of amounts payable under any of Sections 2.12, 2.13 or 2.14 and other amounts payable hereunder, any available funds shall be applied (i) first, to pay any fees, indemnities or expense reimbursements then due to the Agent from the Borrower, (ii) second, to pay any fees or expense reimbursements then due to the Lenders from the Borrower, (iii) third, to pay interest due in respect of all Revolving Loans, (iv) fourth, to pay or prepay principal of the Revolving Loans and unpaid Reimbursement Obligations and (v) fifth, to the payment of any other Obligation due to the Agent or any Lender by the Borrower, including amounts payable under any of Sections 2.12, 2.13 or 2.14 and other amounts otherwise payable hereunder.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on or fees in respect of any of its Revolving Loans or its share of Reimbursement Obligations resulting in such Lender receiving payment of a greater proportion of the aggregate amount of any principal of or interest on or fees in respect of any of its Revolving Loans or participations in Reimbursement Obligations than the proportion to which it is entitled, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans or participations in Reimbursement Obligations owed to other Lenders (as the case may be) to the extent necessary so that the benefit of all such payments shall be shared by the Lenders rateably taking into account each of the Applicable Percentages in respect of each Lender; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) this Section 2.15(c) shall not apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in Reimbursement Obligations to any assignee or participant, other than to the Borrower or other Credit Party or any Affiliate thereof (as to which the provisions of this paragraph shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Agent shall have received written notice from the Borrower prior to the date on which any payment is due to the Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders, jointly agrees to repay to the Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Agent, at the applicable rate for Canadian Prime Loans (if such amount is denominated in Canadian Dollars) or the applicable rate for Base Rate Loans (if such amount is denominated in U.S. Dollars).

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.15(d), then the Agent may, in its discretion (notwithstanding any contrary provision hereof),

apply any amounts thereafter received by the Agent for the account of such Lender to satisfy such Lender's obligations under such Section 2.15(d) until all such unsatisfied obligations are fully paid.

(f) Nothing in this Agreement shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

2.16 Currency Indemnity.

If, for the purposes of obtaining judgment in any court in any jurisdiction with respect to this Agreement or any other Loan Document, it becomes necessary to convert into a particular currency (the "**Judgment Currency**") any amount due under this Agreement or under any other Loan Document in any currency other than the Judgment Currency (the "**Currency Due**"), then conversion shall be made at the rate of exchange prevailing on the Business Day before the day on which judgment is given. For this purpose "rate of exchange" means the rate at which the Agent is able, on the relevant date, to purchase the Currency Due with the Judgment Currency in accordance with its normal practice at its head office in Toronto, Ontario. In the event that there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given and the date of receipt by the Agent of the amount due, the Borrower will, on the date of receipt by the Agent, pay such additional amounts, if any, or be entitled to receive reimbursement of such amount, if any, as may be necessary to ensure that the amount received by the Agent on such date is the amount in the Judgment Currency which when converted at the rate of exchange prevailing on the date of receipt by the Agent is the amount then due under this Agreement or such other Loan Document in the Currency Due. If the amount of the Currency Due which the Agent is so able to purchase is less than the amount of the Currency Due originally due to it, the Borrower shall indemnify and save the Agent and the Lenders harmless from and against all loss or damage arising as a result of such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Agreement and the other Loan Documents, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Agent from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due under this Agreement or any other Loan Document or under any judgment or order.

2.17 Collection of Accounts.

(a) Each Credit Party shall, and shall cause each other Credit Party to, at its expense, enforce, collect and receive all amounts owing on its Accounts in the ordinary course of its business and any proceeds it so receives shall be subject to the terms hereof. Any proceeds received by a Credit Party in respect of Accounts, and any cheques, cash, credit card sales and receipts, notes or other instruments or property received by a Credit Party with respect to any Collateral, shall be held by such Credit Party in trust or as mandatary for the Agent, separate from such Credit Party's own property and funds, and promptly turned over to the Agent with proper assignments or endorsements by deposit to the Blocked Accounts.

(b) Each Credit Party shall, and shall cause each other Credit Party to: (i) irrevocably authorize and direct any bank which maintains any Credit Party's initial receipt of cash, cheques and other items to promptly wire transfer all available funds to a Blocked Account; and (ii) advise all such banks of the Agent's security interest in such funds. The Borrower shall, and shall cause each other Credit Party to, provide the Agent with prior written notice of any and all deposit accounts opened or to be opened subsequent to the Effective Date. All amounts received by the Agent in payment of Accounts will be credited to the Blocked Account when the Agent is advised by its bank of its receipt of "collected funds" at the Agent's bank account in Toronto, Ontario on the Business Day of such advise if advised no later than 12:00 noon, Toronto time, or on the next succeeding Business Day if

so advised after 12:00 noon, Toronto time. No cheques, drafts or other instrument received by the Agent shall constitute final payment to the Agent unless and until such instruments have actually been collected.

(c) **[Intentionally deleted]**

(d) Each Credit Party shall, and shall cause each other Credit Party to, establish and maintain, in its own respective name and at its expense, deposit accounts and lock boxes with such banks as are acceptable to the Agent (the “**Blocked Accounts**”) into which the Borrower shall promptly cause to be deposited: (i) all proceeds of Collateral received by any Credit Party, including all amounts payable to any Credit Party from credit card issuers and credit card processors, and (ii) all amounts on deposit in deposit accounts used by any Credit Party at each of its locations, all as further provided in Section 2.17(b). The banks at which the Blocked Accounts are established and the applicable Credit Parties shall enter into three-party agreements, in form and substance satisfactory to the Agent (the “**Blocked Account Agreements**”), providing that, among other things, all cash, cheques and items received or deposited in the Blocked Accounts are subject to Liens in favour of the Agent, that the depository bank has no Lien upon, or right of set off against, the Blocked Accounts and any cash, cheques, items, wires or other funds from time to time on deposit therein, except as otherwise provided in the Blocked Account Agreement, and that on a daily basis the depository bank will wire, or otherwise transfer, in immediately available funds, all funds received or deposited into the Blocked Accounts to such bank account as the Agent may from time to time designate for such purpose. The Borrower hereby confirms and agrees that all amounts deposited in such Blocked Accounts and any other funds received and collected by the Agent, whether as proceeds of Inventory or other Collateral or otherwise, shall be subject to the Liens in favour of the Agent. Concurrently with the establishment by any Credit Party after the date hereof of any bank account, such Credit Party shall provide the Agent with an amended Schedule 3.27 reflecting such new account.

(e) The parties hereto hereby acknowledge, confirm and agree that the implementation of the cash management arrangements is a contractual right provided to the Agent and the Lenders hereunder in order for the Agent and the Lenders to manage and monitor their collateral position and not a proceeding for enforcement or recovery of a claim, or pursuant to, or an enforcement of, any security or remedies whatsoever, that the cash management arrangements contemplated herein are critical to the structure of the lending arrangements contemplated herein, that the Lenders are relying on the Borrower’s acknowledgement, confirmation and agreement with respect to such cash management arrangements in making accommodations of credit available to the Borrower and in particular that any accommodations of credit are being provided by the Lenders to the Borrower strictly on the basis of a borrowing base calculation to fully support and collateralize any such accommodations of credit hereunder.

2.18 Letters of Credit.

Subject to Sections 4.1 and 4.2, the Borrower may request, and the Issuing Bank shall issue, Letters of Credit in accordance with this Section 2.18:

(a) Within the limits of the Commitments and the Borrowing Base, and the other limitations contained in this Agreement, the Borrower may obtain Letters of Credit from the Issuing Bank, denominated in Canadian Dollars or U.S. Dollars, in an amount not to exceed the outstanding amount of the Letter of Credit Sub-Line. The issuance of Letters of Credit for amounts in excess of the limitation set forth herein shall at all times and in all respects be in the Agent’s sole discretion. It is understood that the term, form and purpose of each Letter of Credit and all documentation in connection therewith, and any amendments, modifications or extensions thereof, must be mutually acceptable to the Agent, the Issuing Bank and the Borrower. Each Letter of Credit shall expire at or

prior to the close of business on the earlier of (i) the date one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five Business Days prior to the Maturity Date.

(b) By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank or the Lenders, the Issuing Bank hereby grants to each Lender, and each Lender hereby acquires from the Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Agent, for the account of the Issuing Bank, such Lender's Applicable Percentage of each disbursement made by the Issuing Bank and not reimbursed by the Borrower on the date due, or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. If the Issuing Bank shall make any disbursement in respect of a Letter of Credit, the Borrower shall reimburse such disbursement by paying to the Agent an amount equal to such disbursement not later than 12:00 noon, on the date that such disbursement is made, if the Borrower shall have received notice of such disbursement prior to 10:00 a.m., on such date, or, if such notice has not been received by the Borrower prior to such time on such date, then not later than 12:00 noon, on (i) the Business Day that the Borrower receives such notice, if such notice is received prior to 10:00 a.m., on the day of receipt, or (ii) the Business Day immediately following the day that the Borrower received such notice, if such notice is not received prior to such time on the day of receipt. In the alternative, the Agent shall have the right, without notice to the Borrower, to charge the Borrower's loan account with the amount of any and all indebtedness, liability or obligation of any kind incurred by the Issuing Bank or the Agent under any Letter of Credit at the earlier of (a) payment by the Issuing Bank under any Letter of Credit; or (b) the occurrence and continuance of an Event of Default, unless the Borrower has provided Cover to the Agent in an amount equal to the face amount of all Letters of Credit. Any amount so charged to the Borrower's loan account shall be deemed a Canadian Prime Loan or a Base Loan hereunder, depending on the currency of the Borrower's payment obligation thereunder, and shall incur interest at the rate provided in Section 2.5.

(c) The Borrower unconditionally indemnifies the Agent and the Issuing Bank and holds the Agent and the Issuing Bank harmless from any and all loss, claim or liability incurred by the Issuing Bank or the Agent arising from any transactions or occurrences relating to Letters of Credit established or opened for the Borrower's account, the collateral relating thereto and any drafts or acceptances thereunder, and all Obligations thereunder, including any such loss or claim due to any errors, omissions, negligence, misconduct or action taken by the Issuing Bank, other than for any such loss, claim or liability arising out of the gross negligence or intentional fault by the Agent under the Letter of Credit. This indemnity shall survive termination of this Agreement. The Borrower agrees that any charges incurred by the Issuing Bank or the Agent in respect of any Letter of Credit shall be for the Borrower's account and may be charged to the Borrower's loan account.

(d) The Issuing Bank and the Agent shall not be responsible for: (a) the existence, character, quality, quantity, condition, packing, value or delivery of the goods purporting to be represented by any documents; (b) any difference or variation in the character, quality, quantity, condition, packing, value or delivery of the goods from that expressed in the documents; (c) the validity, sufficiency or genuineness of any documents or of any endorsements thereon, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged; (d) the time, place, manner or order in which shipment is made; partial or incomplete shipment, or

failure or omission to ship any or all of the goods referred to in the Letters of Credit or documents; (e) any deviation from instructions; (f) delay, default, or fraud by the shipper and/or anyone else in connection with the goods or the shipping thereof; or (g) any breach of contract between the shipper or vendors and the Borrower.

(e) Each of the Credit Parties agrees that any action taken by the Issuing Bank or the Agent, if taken in good faith, under or in connection with any Letter of Credit, the drafts or acceptances, or the Collateral, shall be binding on the Credit Parties and shall not result in any liability whatsoever of the Issuing Bank or the Agent to any Credit Party. In furtherance thereof, the Issuing Bank shall have the full right and authority to: (a) clear and resolve any questions of non compliance of documents; (b) give any instructions as to acceptance or rejection of any documents or goods; (c) execute any and all steamship or airways guarantees (and applications therefor), indemnities or delivery orders; (d) grant any extensions of the maturity of, time of payment for, or time of presentation of, any drafts, acceptances, or documents; and (e) agree to any amendments, renewals, extensions, modifications, changes or cancellations of any of the terms or conditions of any of the applications, Letters of Credit, drafts or acceptances; all in the sole discretion of the Issuing Bank. The Issuing Bank shall be entitled to comply with and honor any and all such documents or instruments, all without any consent from any Credit Party. In addition, without the Issuing Bank's express consent and endorsement in writing, each of the Credit Parties agrees: (a) not to (i) execute any applications for steamship or airway guarantees, indemnities or delivery orders; (ii) grant any extensions of the maturity of, time of payment for, or time of presentation of, any drafts, acceptances or documents; or (iii) agree to any amendments, renewals, extensions, modifications, changes or cancellations of any of the terms or conditions of any of the applications, Letters of Credit, drafts or acceptances; and (b) upon the occurrence and during the continuance of an Event of Default, not to (i) clear and resolve any questions of non compliance of documents, or (ii) give any instructions as to acceptances or rejection of any documents or goods.

(f) Each of the Credit Parties shall, and shall cause each other Credit Party to: (a) procure any necessary import, export or other licenses or certificates for the import or handling of the Collateral; (b) comply with all Applicable Law in regard to the shipment and importation of the Collateral, or the financing thereof; and (c) deliver to the Issuing Bank or the Agent any certificates in that regard that the Agent may at any time request to be furnished. In connection herewith, the Borrower warrants and represents that all shipments made under any such Letters of Credit are in accordance with Applicable Law of the countries in which the shipments originate and terminate, and are not prohibited by any such Applicable Law. Each of the Credit Parties assumes all risk, liability and responsibility for, and agrees to pay and discharge, all present and future local, provincial, state, federal or foreign Taxes, duties, or levies with respect to such Collateral. Any embargo, restriction, laws, customs or regulations of any country, state, city, or other political subdivision, where the Collateral is or may be located, or wherein payments are to be made, or wherein drafts may be drawn, negotiated, accepted, or paid, shall be solely the Borrower's risk, liability and responsibility.

(g) The Issuing Bank may be replaced at any time by written agreement among the Borrower, the Agent, the replaced Issuing Bank and the successor Issuing Bank. The Agent shall notify the Lenders of any such replacement of the Issuing Bank. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank. From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter, and (ii) references herein to the term "**Issuing Bank**" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of

Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(h) If any Event of Default shall occur and be continuing, on the Business Day that the Borrower receives notice from the Agent or the Required Lenders demanding the deposit of Cover, the Borrower shall deposit in an account with the Agent, in the name of the Agent and for the benefit of the Lenders, the required amount of Cover. Such deposit shall be held by the Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. The Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Agent to reimburse the Issuing Bank for disbursements pursuant to Letters of Credit for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the Letter of Credit Exposure at such time or, if the maturity of the Loans has been accelerated, be applied to satisfy other obligations of the Borrower under this Agreement. If the Borrower is required to provide Cover hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived.

2.19 F/X Contracts.

Subject to Sections 4.1 and 4.2, the Borrower may request F/X Contracts in accordance with this Section 2.19:

(a) Within the limits of the Commitments and the Borrowing Base and the other limitations as contained in this Agreement, the Borrower may obtain F/X Contracts in an amount such that the F/X Exposure does not to exceed the outstanding amount of the F/X Contract Sub-Line. The entry into F/X Contracts for amounts in excess of the limitation set forth herein shall at all times and in all respects be in the Agent's sole discretion. Any F/X Contract will be documented by separate documentation in the form required by the F/X Bank. The term, form and purpose of the F/X Contract and all confirmations and other documentation in connection therewith, and any amendments, modifications or extensions thereof, must be mutually acceptable to the F/X Bank and the Borrower.

(b) The Agent shall have the right, without notice to the Borrower, to charge the Borrower's loan account with the amount of any and all indebtedness, liability or obligation of any kind incurred by the Agent or the F/X Bank under any F/X Contract at such time which is the earlier of (a) payment by the Agent under the F/X Contract; or (b) the occurrence and continuance of an Event of Default, unless the Borrower has provided Cover to the Agent. Any amount charged to Borrower's loan account shall be deemed a Canadian Prime Loan or a Base Rate Loan hereunder, depending on the currency of the Borrower's payment obligation in respect of such F/X Contract, and shall incur interest at the rate provided in Section 2.5.

(c) Each of the Credit Parties unconditionally indemnifies the Agent and the F/X Bank and holds the Agent harmless from any and all loss, claim or liability incurred by the Agent or the F/X Bank arising from any transactions or occurrences relating to F/X Contracts, the collateral relating thereto, and all Obligations thereunder, including any such loss or claim due to any errors, omissions, negligence, misconduct or action taken by the F/X Bank, other than for any such loss, claim or liability arising out of the gross negligence or intentional fault of the Agent or the F/X Bank, as applicable. This indemnity shall survive termination of this Agreement. The Borrower agrees that

any charges incurred by the Agent or the F/X Bank, as applicable, are for the Borrower's account and may be charged to the Borrower's loan account.

(d) Each of the Credit Parties agrees that any action taken by the Agent, if taken in good faith, or any action taken by the F/X Bank, under or in connection with the F/X Contracts or the Collateral, shall be binding on the Credit Parties and shall not result in any liability whatsoever of the Agent or any Lender to any Credit Party.

(e) All rights, remedies, duties and obligations of the Credit Parties in respect of F/X Contracts shall be secured by the Liens arising under the Security Documents.

ARTICLE 3 REPRESENTATIONS AND WARRANTIES

In order to induce the Agent and the Lenders to enter into this Agreement, to make any Loans hereunder, to issue any Letters of Credit hereunder and to permit the Borrower to obtain F/X Contracts, the Borrower hereby represents and warrants to the Agent and each Lender that each statement set forth in this Article ARTICLE 3 is true and correct on the date hereof, and will be true and correct on the date of each Borrowing, on the date each Letter of Credit is requested hereunder and on the date each Letter of Credit is issued hereunder:

3.1 Organization; Powers.

The Borrower and each other Credit Party is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority to carry on its business as now and formerly conducted and, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required.

3.2 Authorization; Enforceability.

The Transactions are within each Credit Party's corporate powers and have been duly authorized by all necessary corporate and, if required, shareholder action. 3.4 Financial Condition; No Material Adverse Effect.

(a) The Borrower has furnished to the Lenders its consolidated balance sheets and statements of income, retained earnings and changes in financial position (i) as of and for the Fiscal Years ended 2012, 2013, 2014, reported on by its auditors, and (ii) as of and for the fiscal month and the portion of the Fiscal Year ended March 30, 2015, certified by a Responsible Officer. Such pro forma financial statements have been prepared in good faith by the Borrower, are based on assumptions which are believed by the Borrower on the date hereof and on the Effective Date to be reasonable, are based on the best information available to the Borrower as of the date of delivery thereof, accurately reflect all adjustments required to be made to give effect to the Transactions and present fairly on a pro forma basis the estimated consolidated financial position of the Borrower and its consolidated Subsidiaries as of such date and for such period, assuming that the Transactions had actually occurred at such date or at the beginning of such period, as the case may be.

Neither the Borrower nor any other Credit Party has violated or failed to obtain any Authorization necessary to the ownership of any of its property or assets or the conduct of its business, which violation or failure could reasonably be expected to have (in the event that such a violation or failure were asserted by any Person through appropriate action) a Material Adverse Effect.

5.9 Insurance.

Each Credit Party shall maintain insurance on its property and assets under such policies of insurance, with such insurance companies, in such reasonable amounts and covering such insurable risks as are at all times reasonably satisfactory to the Agent. All such policies are subject to the rights of any holders of Permitted Liens holding claims senior to the Agent, to be made payable to the Agent, to the extent required herein, in case of loss, under a standard non contributory "mortgagee", "lender" or "secured party" clause and are to contain such other provisions as the Agent may require to fully protect the Agent's interest in the property and assets subject to the Liens in favour of the Agent and to any payments to be made under such policies. All original policies (or true copies thereof) which relate to Collateral are to be delivered to the Agent, with the loss payable endorsement in the Agent's favour, and shall provide for not less than thirty (30) days prior written notice to the Agent of the exercise of any right of cancellation. Upon the occurrence and continuance of an Event of Default which is not waived in writing by the Agent, the Agent shall, subject to the rights of any holders of Permitted Liens holding claims senior to the Agent, have the sole right, in the name of the Agent, the Borrower or any other applicable Credit Party, to file claims under any insurance policies, to receive, receipt and give acquittance for any payments that may be payable thereunder, and to execute any and all endorsements, receipts, releases, assignments, reassignments or other documents that may be necessary to effect the collection, compromise or settlement of any claims under any such insurance policies. If any part of the Collateral is lost or damaged by fire or other casualty and the insurance proceeds for such loss or damage is less than or equal to \$100,000, such insurance proceeds shall be paid to the Borrower. Notwithstanding the foregoing, to the extent such insurance proceeds are received by the Agent, the Agent shall promptly, and in any event within one (1) Business Day of receipt, remit such insurance proceeds to the applicable Credit Party. If any part of the Collateral is lost or damaged by fire or other casualty and the insurance proceeds for such loss or damage is greater than \$100,000, such insurance proceeds shall be paid to the Borrower, and provided that the applicable Credit Party has sufficient business interruption insurance to replace the lost profits of any of its facilities, the Borrower may irrevocably elect (by delivering written notice to the Agent) to replace, repair or restore such Collateral to substantially the equivalent condition prior to such fire or other casualty as set forth herein. If such election is not made by the Borrower, insurance proceeds shall be used by the Borrower to repay outstanding Revolving Loans. Notwithstanding the foregoing, to the extent that such insurance proceeds are received by the Agent, the Agent shall promptly, and in any event within one (1) Business Day of receipt, remit such insurance proceeds to the Borrower to be applied in accordance with this Section 5.9. If the Borrower does not, or cannot, elect to use the insurance proceeds as set forth above, or if the Agent in its sole discretion believes that the applicable Credit Party will not be able to timely replace, repair or restore such Collateral to substantially the equivalent condition prior to such fire or other casualty, the Agent may, subject to the rights of any holders of Permitted Liens holding claims senior to the Agent in respect of such insurance proceeds, (i) if no Event of Default has occurred and is continuing, apply the insurance proceeds to the payment of any Revolving Loans until paid in full and (b) if an Event of Default has occurred and is continuing, apply the insurance proceeds to the Obligations in such manner and in such order as the Agent may reasonably elect. In the event the Borrower fails to provide the Agent with timely evidence, acceptable to the Agent, of the maintenance of insurance coverage required pursuant to this Section 5.9, or in the event that any Credit Party fails to maintain such insurance, the Agent may purchase or

otherwise arrange for such insurance, but at the Borrower's expense and without any responsibility on the Agent's part for: (i) obtaining the insurance; (ii) the solvency of the insurance companies; (iii) the adequacy of the coverage; or (iv) the collection of claims. The insurance acquired by the Agent may, but need not, protect the Borrower's or any other Credit Party's interest in the Collateral, and therefore such insurance may not pay claims which the Borrower may have with respect to the Collateral or pay any claim which may be made against the Borrower in connection with the Collateral. In the event the Agent purchases, obtains or acquires insurance covering all or any portion of the Collateral, the Borrower shall be responsible for all of the applicable costs of such insurance, including premiums, interest (at the applicable interest rate for Revolving Loans set forth in Section 2.5), fees and any other charges with respect thereto, until the effective date of the cancellation or the expiration of such insurance. The Agent may charge all of such premiums, fees, costs, interest and other charges to the Borrower's loan account. The Borrower hereby acknowledges that the costs of the premiums of any insurance acquired by the Agent may exceed the costs of insurance which the Borrower may be able to purchase on its own. In the event that the Agent purchases such insurance, the Agent will promptly, and in any event within fifteen (15) days, notify the Borrower of said purchase.

5.10 Operation and Maintenance of Property.

If the Agent, acting reasonably, determines that it is practical to perfect security in such jurisdiction, the applicable Credit Party shall promptly execute all such security agreements, hypothecs and other security-related documents covering such Credit Party's Inventory, Accounts or other Collateral in such jurisdiction, all in form and substance satisfactory to the Agent, acting reasonably, and shall take all such action as may reasonably be required to ensure that the Liens in favour of the Agent in respect of the Inventory, Accounts or other Collateral of such Credit Party located in such jurisdiction are duly perfected. Each

guarantee, security agreement, intellectual property security agreements, hypothecs and other documents delivered pursuant to this Section shall be deemed to be a Security Document from and after the date of execution thereof. For greater certainty, the Credit Parties acknowledge that, to the extent that Collateral is located in a jurisdiction in which the Agent does not hold duly perfected security in such Collateral in such jurisdiction, such Collateral is not eligible for inclusion in the Borrowing Base.

If any Collateral is sold on terms other than payment in full at the time of sale, no credit shall be given against the Obligations until the Agent or the Lenders receive payment, and if the buyer defaults in payment, the Agent may resell the Collateral without further notice to the Borrower or any Guarantor. If the Agent seeks to take possession of all or any portion of the Collateral by judicial process, the Borrower and each of the Guarantors irrevocably waives: (A) the posting of any bond, surety or security with respect thereto which might otherwise be required; (B) any demand for possession prior to the commencement of any suit or action to recover the Collateral; and (C) any requirement that the Agent retain possession and not dispose of any Collateral until after trial or final judgment. The Borrower and each of the Guarantors agree that the Agent and Lenders have no obligation to preserve rights to the Collateral or marshal any Collateral for the benefit of any Person. The Agent is hereby granted a license or other right to use, without charge, all of the Borrower's and each Guarantor's property, whether or not constituting Collateral, including its real estate, Equipment and Intellectual Property Rights (including labels, patents, copyrights, name, trade secrets, trade names, trademarks, and advertising matter, or any similar property), in completing production of, advertising or selling any Collateral, and the Borrower's and Guarantors' rights under all licenses and all franchise agreements shall inure to the Agent's benefit for such purpose. The proceeds of sale shall be applied first to all expenses of sale, including legal fees, and then to the Obligations. The Agent will return any excess to the Borrower and Guarantors and the Borrower shall remain liable for any deficiency.

(c) If an Event of Default has occurred and is continuing, to the maximum extent permitted by law, the Borrower and each of the Guarantors hereby waive all rights to notice and hearing prior to the exercise by the Agent of the Agent's rights to repossess the Collateral without judicial process.

(d) During the continuance of an Event of Default, the Agent may, and upon the direction of the Required Lenders the Agent shall, apply any and all payments received by the Agent in respect of any Obligation as set forth below. Notwithstanding any provision herein to the contrary, all payments made by or for the account of the Credit Parties to the Agent after any or all of the Obligations have been accelerated (so long as such acceleration has not been rescinded), including proceeds of Collateral, shall be applied as follows:

- (i) first, to payment of costs and expenses, including legal costs, of the Agent payable or reimbursable by the Credit Parties under the Loan Documents;
- (ii) second, to payment of legal costs of Lenders payable or reimbursable by the Borrower under this Agreement;
- (iii) third, to payment of all accrued unpaid interest on the Obligations and fees owed to Agent, Lenders and the Issuing Bank;
- (iv) fourth, to payment of all Loans, reimbursement obligations in respect of Letters of Credit, F/X Exposure, Cover, and Cash Management Obligations;

- (v) fifth, to payment of any other amounts owing which constitute Obligations; and
- (vi) sixth, any remainder shall be for the account of and paid to whoever may be lawfully entitled thereto.

In carrying out the foregoing, (i) amounts received shall be applied in the numerical order provided until exhausted prior to the application to the next succeeding category, and (ii) each of the Lenders or other Persons entitled to payment shall receive an amount equal to its pro rata share of amounts available to be applied pursuant to each applicable category.

(e) If the Agent receives any payment from or for the account of a Credit Party in any currency other than the currency in which the Obligation is denominated, the Agent may convert the payment (including the proceeds of realization upon any Collateral) in accordance with its normal practice into the currency in which such Obligation is denominated.

ARTICLE 8 THE AGENT

8.1 Appointment of Agent.

Each Lender hereby designates CIBC as Agent to act as herein specified and as specified in the other Loan Documents. Each Lender hereby irrevocably authorizes the Agent to take such action on its behalf under the provisions of the Loan Documents and to exercise such powers and to perform such duties thereunder as are specifically delegated to or required of the Agent by the terms thereof and such other powers as are reasonably incidental thereto. The Agent may perform any of its duties hereunder by or through its agents or employees.

8.2 Limitation of Duties of Agent.

The Agent shall have no duties or responsibilities except those expressly set forth with respect to the Agent in this Agreement and as specified in the other Loan Documents. Neither the Agent nor any of its Related Parties shall be liable for any action taken or omitted by it hereunder or in connection herewith, unless caused by its or their intentional fault or gross negligence. The duties of the Agent shall be mechanical and administrative in nature; the Agent shall not have, by reason of this Agreement or the other Loan Documents, a fiduciary relationship in respect of any Lender. Nothing in this Agreement or the other Loan Documents, expressed or implied, is intended to or shall be so construed as to impose upon the Agent any obligations in respect of this Agreement except as expressly set forth herein. The Agent shall be under no duty to take any discretionary action permitted to be taken by it pursuant to this Agreement or the other Loan Documents unless it is requested in writing to do so by the Required Lenders.

8.3 Lack of Reliance on the Agent.

(a) Independent Investigation. Independently, and without reliance upon the Agent, each Lender, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of the Borrower or any other Credit Party in connection with the taking or not taking of any action in connection herewith, and (ii) its own appraisal of the creditworthiness of the Borrower or any other Credit Party, and, except as expressly provided in this Agreement and the other Loan Documents, the Agent shall have no duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the consummation of the Transactions or at any time or times thereafter.

(b) Agent Not Responsible. The Agent shall not be responsible to any Lender for any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, collectability, priority or sufficiency of this Agreement or the other Loan Documents or the financial condition of the Borrower and any of the other Credit Parties or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or the other Loan Documents, or the financial condition of the Borrower and any of the other Credit Parties, or the existence or possible existence of any Default or Event of Default.

8.4 Certain Rights of the Agent.

If the Agent shall request instructions from the Lenders or the Required Lenders (as the case may be) with respect to any act or action (including the failure to act) in connection with this Agreement or the other Loan Documents, the Agent shall be entitled to refrain from such act or taking such action unless and until the Agent shall have received written instructions from the Lenders or the Required Lenders, as applicable, and the Agent shall not incur liability to any Person by reason of so refraining. Without limiting the foregoing, no Lender shall have any right of action whatsoever against the Agent as a result of the Agent acting or refraining from acting under this Agreement and the other Loan Documents in accordance with the instructions of the Required Lenders, or, to the extent required by Section 9.2, all of the Lenders.

8.5 Reliance by Agent.

The Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, statement, certificate, telex, teletype or facsimile message, electronic mail, order or other documentary teletransmission or telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper Person. The Agent may consult with legal counsel (including counsel for the Borrower), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the advice of such counsel, accountants or experts.

8.6 Indemnification of Agent.

To the extent the Agent is not reimbursed and indemnified by the Borrower, each Lender will reimburse and indemnify the Agent, in proportion to its aggregate Applicable Percentage, for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including reasonable counsel fees and disbursements) or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against the Agent in performing its duties hereunder, in any way relating to or arising out of this Agreement or any other Loan Document; provided that no Lender shall be liable to the Agent for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements which are determined, by a final, non-appealable decision of a court of competent jurisdiction, to have resulted from the Agent's gross negligence (it being acknowledged that ordinary negligence does not necessarily constitute gross negligence) or intentional fault.

8.7 The Agent in its Individual Capacity.

With respect to its obligations under this Agreement and the Loans made by it, CIBC, in its capacity as a Lender hereunder, shall have the same rights and powers hereunder as any other Lender and may exercise the same as though it were not performing the duties, if any, specified herein; and the terms "**Lenders**", "**Required Lenders**", and any similar terms shall, unless the context clearly otherwise indicates, include CIBC, in its capacity as a Lender hereunder. The Agent

may accept deposits from, lend money to, and generally engage in any kind of banking, trust, financial advisory or other business with the Borrower or any affiliate of the Borrower as if it were not performing the duties, if any, specified herein, and may accept fees and other consideration from the Borrower for services in connection with this Agreement and otherwise without having to account for the same to the Lenders.

8.8 May Treat Lender as Owner.

The Borrower and the Agent may deem and treat each Lender as the owner of the Loans recorded on the Register maintained pursuant to Section 9.4(c) for all purposes hereof until a written notice of the assignment or transfer thereof shall have been filed with the Agent. Any request, authority or consent of any Person who at the time of making such request or giving such authority or consent is the owner of a Loan shall be conclusive and binding on any subsequent owner, transferee or assignee of such Loan.

8.9 Successor Agent.

(a) Agent Resignation. The Agent may resign at any time by giving written notice thereof to the Lenders, the Issuing Bank and the Borrower. Upon any such resignation, the Required Lenders shall have the right, upon five Business Days' notice to the Borrower, to appoint a successor Agent, subject to the approval of the Borrower, such approval not to be unreasonably withheld. If no successor Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within 30 days after the retiring Agent's giving of notice of resignation, then, upon five Business Days' notice to the Borrower, the retiring Agent may, on behalf of the Lenders, appoint a successor Agent (subject to approval of the Borrower, such approval not to be unreasonably withheld), which shall be a financial institution organized under the laws of Canada having a combined capital and surplus of at least Cdn.\$100,000,000 or having a parent company with combined capital and surplus of at least Cdn.\$100,000,000; provided that if the Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any security held by the Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such security until such time as a successor Agent is appointed) and (2) all payments, communications and determinations provided to or to be made by, to or through the Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Agent, as provided for above in the preceding paragraph.

(b) Rights, Powers, etc. Upon the acceptance of any appointment as Agent hereunder by a successor Agent, such successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations under this Agreement. After any retiring Agent's resignation or removal hereunder as Agent, the provisions of this ArticleARTICLE 8 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement.

8.10 No Independent Legal Action by Lenders.

No Lender may take any independent legal action to enforce any obligation of the Borrower hereunder. Each Lender hereby acknowledges that, to the extent permitted by Applicable Law, the Security Documents and the remedies provided thereunder to the Lenders are for the benefit of the Lenders collectively and acting together and not jointly, and further acknowledges that each Lender's rights hereunder and under the Security Documents are to be exercised collectively, not jointly, by the Agent upon the decision of the Required Lenders. Accordingly, notwithstanding

any of the provisions contained herein or in the Security Documents, each of the Lenders hereby covenants and agrees that it shall not be entitled to take any action hereunder or thereunder, including any declaration of default hereunder or thereunder, but that any such action shall be taken only by the Agent with the prior written agreement of the Required Lenders (or, in the case of actions to be taken in connection with security granted to any Lender by the Borrower pursuant to Section 427 of the *Bank Act* (Canada), the Lender holding such security shall act solely in accordance with the Agent's instructions), provided that, notwithstanding the foregoing, in the absence of instructions from the Lenders (or the Required Lenders) and where in the sole opinion of the Agent the exigencies of the situation so warrant such action, the Agent may without notice to or consent of the Lenders (or the Required Lenders) take such action on behalf of the Lenders as it deems appropriate or desirable in the interests of the Lenders. Each Lender hereby further covenants and agrees that upon any such written consent being given by the Required Lenders, it shall co-operate fully with the Agent to the extent requested by the Agent, and each Lender further covenants and agrees that all proceeds from the realization of or under the Security Documents (including all amounts received by any Lender in connection with the enforcement of security granted to it by the Borrower under Section 427 of the *Bank Act* (Canada)), to the extent permitted by Applicable Law, are held for the benefit of all of the Lenders and shall be shared among the Lenders rateably in accordance with this Agreement, and each Lender acknowledges that all costs of any such realization (including all amounts for which the Agent is required to be indemnified under the provisions hereof) shall be shared among the Lenders rateably in accordance with this Agreement. Each Lender covenants and agrees to do all acts and things and to make, execute and deliver all agreements and other instruments, so as to fully carry out the intent and purpose of this Section and each Lender hereby covenants and agrees that it shall not seek, take, accept or receive any security for any of the obligations and liabilities of the Borrower hereunder or under the other Loan Documents, or any other document, instrument, writing or agreement ancillary hereto or thereto, other than such security as is provided hereunder or thereunder, and that it shall not enter into any agreement with any of the parties hereto or thereto relating in any manner whatsoever to the Credit(s), unless all of the Lenders shall at the same time obtain the benefit of any such security or agreement, as the case may be.

8.11 Notice of Default.

The Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless the Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". The Agent will notify the Lenders of its receipt of any such notice. Subject to Section 8.4, the Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with this Agreement in pursuing any rights or remedies under the Loan Documents or at law or in equity; provided, however, that unless and until the Agent has received any such request, the Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

8.12 Agency for Perfection.

Each Lender hereby appoints each other Lender as agent for the purpose of rendering the Lenders' hypothecs and security interest in assets opposable which can be perfected only by possession. Should any Lender (other than the Agent) obtain possession of any such Collateral, such Lender shall notify the Agent thereof, and, promptly upon the Agent's request therefor, shall deliver such Collateral to the Agent or in accordance with the Agent's instructions.

8.13 Payments by Agent to Lenders.

All payments to be made by the Agent to the Lenders shall be made by bank wire transfer or internal transfer of immediately available funds to each Lender pursuant to wire transfer instructions delivered in writing to the Agent on or prior to the Effective Date (or if such Lender is an Assignee, on the applicable Assignment and Transfer), or pursuant to such other wire transfer instructions as each party may designate for itself by written notice to the Agent. Concurrently with each such payment, the Agent shall identify whether such payment (or any portion thereof) represents principal, premium or interest on the Revolving Loans or otherwise.

8.14 Concerning the Collateral and the Related Loan Documents.

Each Lender authorizes and directs the Agent to enter into this Agreement and the other Loan Documents for the rateable benefit and obligation of the Agent and the Lenders. Each Lender agrees that any action taken by the Agent or Required Lenders, as applicable, in accordance with the terms of this Agreement or the other Loan Documents, and the exercise by the Agent or the Required Lenders, as applicable, of their respective powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders.

8.15 Field Audit and Examination Reports; Disclaimer by Lenders.

By signing this Agreement, each Lender:

(a) is deemed to have requested that the Agent furnish such Lender, promptly after it becomes available, a copy of each field audit or examination report (each a “**Report**” and collectively, “**Reports**”) prepared by the Agent;

(b) expressly agrees and acknowledges that the Agent (i) makes no representation or warranty as to the accuracy of any Report, or (ii) shall not be liable for any information contained in any Report;

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that the Agent or other party performing any audit or examination will inspect only specific information regarding the Borrower and/or Guarantors and will rely significantly upon the Borrower's and Guarantor's books and records, as well as on representations of the Borrower's and Guarantor's personnel;

(d) agrees to keep all Reports confidential and strictly for its internal use, and not to distribute, except to its participants, or use any Report in any other manner; and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold the Agent and any such other Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to the Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of the Borrower; and (ii) to pay and protect, and indemnify, defend and hold the Agent and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses and other amounts (including counsel's costs) incurred by the Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

8.16 Quebec Security.

For greater certainty, and without limiting the powers of the Agent or any other Person acting as an agent or mandatary for the Agent hereunder or under any of the other Loan Documents, the Borrower hereby acknowledges that, for purposes of holding any security granted by the Borrower or any Subsidiary or other Credit Party on property pursuant to the laws of the Province of Quebec to secure obligations of the Borrower or any Subsidiary or other Credit Party, CIBC shall be the hypothecary representative (*fondé de pouvoir*) (within the meaning of the *Civil Code of Quebec*) for all present and future Lenders and Issuing Banks. Each Lender and Issuing Bank hereby irrevocably constitutes, to the extent necessary, CIBC as the hypothecary representative (*fondé de pouvoir*) (within the meaning of Article 2692 of the *Civil Code of Quebec*) in order to hold security granted by the Borrower or any Subsidiary or other Credit Party in the Province of Quebec to secure the obligations of the Borrower or any Subsidiary or other Credit Party. Each assignee of a Lender or Issuing Bank shall be deemed to have confirmed and ratified the constitution of CIBC as the hypothecary representative (*fondé de pouvoir*) by execution of an Assignment and Assumption or any other document pursuant to which they become a party to this Agreement. The execution by CIBC as the hypothecary representative (*fondé de pouvoir*) of any deed of hypothec or other documents prior to the date hereof is hereby ratified and confirmed. CIBC acting as hypothecary representative (*fondé de pouvoir*) shall have the same rights, powers, immunities, indemnities and exclusions from liability as are prescribed in favour of the Agent in this Agreement, which shall apply *mutatis mutandis* to CIBC acting as hypothecary representative (*fondé de pouvoir*). Without limitation, the provisions of this Section 8.16 shall apply *mutatis mutandis* to the resignation and appointment of a successor to CIBC acting as *fondé de pouvoir*.

8.17 F/X Contracts and Cash Management Obligations

The obligations of the Credit Parties (a) in respect of an F/X Contract between the Borrower and the F/X Bank, and (b) in respect of Cash Management Obligations between the Borrower and a Cash Management Provider are secured by the Security Documents, *pari passu* with the obligations of the Credit Parties under the Loan Documents, provided that all decisions regarding the administration and enforcement of the hypothecs and security interests granted under the Security Documents shall be made by the Agent and the Lenders under this Agreement, and while this Agreement remains in effect, any F/X Bank and Cash Management Provider shall (in such capacities) have no voting rights under this Agreement and no other right whatsoever to participate in the administration or enforcement of such security interests. For the avoidance of doubt but without limitation, any or all of the Security Documents or any rights contained therein may be amended or released by the Agent without the consent of any F/X Bank or Cash Management Provider. Each Lender that is or becomes an F/X Bank or Cash Management Provider shall be bound as such by virtue of its execution and delivery of this Agreement or an assignment and assumption agreement substantially in the form of Exhibit F, as applicable, notwithstanding that such capacity as F/X Bank or Cash Management Provider may not be identified on its signature line.

Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Agent. The Agent or the Borrower may, in its discretion, agree to accept notices and other communication to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

9.2 Waivers; Amendments.

(a) No failure or delay by the Agent or any Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Agent and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by Section 9.2(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Agent or any Lender may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any other Loan Document (or any provision hereof or thereof) may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Agent with the consent of the Required Lenders (and for greater certainty, any such waiver, amendment or modification shall not require any consent or other agreement of any Credit Party other than the Borrower, notwithstanding that any such Credit Party may be a party to this Agreement or any other Loan Document); provided that no such agreement shall:

- (i) increase the amount of any Commitment of any Lender;
- (ii) extend the expiry date of any Commitment of any Lender;
- (iii) reduce the principal amount of any Loan or reduce the rate of interest or any fee applicable to any Loan;
- (iv) postpone the scheduled date of payment of the principal amount of any Loan, or any interest thereon, or any fees payable in respect thereof, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment;
- (v) change any aspect of this Agreement in a manner that would alter the *pro rata* sharing of payments required herein;
- (vi) change any of the provisions of this Section 9.2 or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder;
- (vii) waive any Event of Default under Section 7.1(h), (i) or (j); or
- (viii) release the Borrower or any other Credit Party from any material obligations under the Security Documents and other instruments contemplated by this Agreement, release or discharge any of the Liens arising under the Security Documents, permit the creation of any Liens, other than Permitted Liens, on any of the assets subject to the Liens arising under the Security Documents, lower the priority of any Lien arising under any of the Security Documents, or lower the priority of any payment obligation of the Borrower or any other Credit Party under any of the Loan Documents;

in each case without the prior written consent of each Lender; or, in the case of the matters referred to in clauses (ii), (iii), (iv) and (v), without the prior written consent of each Lender directly affected thereby and provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Agent hereunder, without the prior written consent of the Agent. For greater certainty, the Agent may release and discharge the Liens constituted by the Security Documents to the extent necessary to enable the Borrower to complete any asset sale which is not prohibited by this Agreement or the other Loan Documents.

9.3 Expenses; Indemnity; Damage Waiver.

(a) The Borrower shall pay (i) all reasonable Out-of-Pocket Expenses incurred by the Agent and its Affiliates, including the reasonable fees, charges and disbursements of counsel for the Agent and all applicable Taxes, in connection with the syndication of the credit facilities provided for herein and the preparation and administration of this Agreement and the other Loan Documents, (ii) all reasonable Out-of-Pocket Expenses incurred by the Agent and its Affiliates, including the reasonable fees, charges and disbursements of counsel for the Agent and applicable Taxes, in connection with any amendments, modifications or waivers of the provisions hereof or of any of the other Loan Documents, (whether or not the transactions contemplated hereby or thereby shall be consummated), and (iii) all Out-of-Pocket Expenses incurred by the Agent or any Lender, including the fees, charges and disbursements of any counsel for the Agent or any Lender and all applicable Taxes, in connection with the enforcement or protection of their rights in connection with this Agreement, including its rights under this Section, or in connection with the Loans made hereunder, including all such Out-of-Pocket Expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(b) Each Credit Party shall indemnify the Agent and each Lender, as well as each Related Party and each assignee of any of the foregoing Persons (each such Person and each such assignee being called an “**Indemnatee**”) against, and hold each Indemnatee harmless from, any and all losses, claims, cost recovery actions, damages, expenses and liabilities of whatsoever nature or kind and all Out-of-Pocket Expenses and all applicable Taxes to which any Indemnatee may become subject arising out of or in connection with (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties thereto of their respective obligations thereunder, and the consummation of the Transactions or any other transactions thereunder, (ii) any Loan, Letter of Credit or F/X Contract or any actual or proposed use of the proceeds therefrom, including any refusal by the Issuing Bank to honour a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit, (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Borrower or any other Credit Party, or any Environmental Liability related in any way to the Borrower or any other Credit Party, (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnatee is a party thereto, (v) any other aspect of this Agreement and the other Loan Documents, or (vi) the enforcement of any Indemnatee's rights hereunder and any related investigation, defence, preparation of defence, litigation and enquiries; provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence (it being acknowledged that ordinary negligence does not necessarily constitute gross negligence) or intentional fault of such Indemnatee.

(c) To the extent that the Borrower fails to pay any amount required to be paid under Sections 9.3(a) or (b), each Lender severally agrees to pay to the Agent such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified

loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Agent, in its capacity as such.

(d) The Credit Parties shall not assert, and hereby waive (to the fullest extent permitted by Applicable Law), any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Loan Document, or any agreement or instrument contemplated thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

(e) Any inspection of any property of the Borrower or any other Credit Party made by or through the Agent or any Lender is for purposes of administration of the Credits only, and neither the Borrower nor any other Credit Party is entitled to rely upon the same (whether or not such inspections are at the expense of the Borrower).

(f) By accepting or approving anything required to be observed, performed, fulfilled or given to the Agent or the Lenders pursuant to the Loan Documents, neither the Agent nor the Lenders shall be deemed to have warranted or represented the sufficiency, legality, effectiveness or legal effect of the same, or of any term, provision or condition thereof, and such acceptance or approval thereof shall not constitute a warranty or representation to anyone with respect thereto by the Agent or the Lenders.

(g) The relationship between the Borrower and the Agent and the Lenders is, and shall at all times remain, solely that of borrower and lenders. Neither the Agent nor the Lenders shall under any circumstance be construed to be partners or joint venturers of the Borrower or its Affiliates. Neither the Agent nor the Lenders shall under any circumstance be deemed to be in a relationship of confidence or trust or a fiduciary relationship with the Borrower or its Affiliates, or to owe any fiduciary duty to the Borrower or its Affiliates. Neither the Agent nor the Lenders undertake or assume any responsibility or duty to the Borrower or its Affiliates to select, review, inspect, supervise, pass judgment upon or inform the Borrower or its Affiliates of any matter in connection with their property or the operations of the Borrower or its Affiliates. The Borrower and its Affiliates and all shareholders and all direct and indirect shareholders of the Credit Parties shall rely entirely upon their own judgment with respect to such matters, and any review, inspection, supervision, exercise of judgment or supply of information undertaken or assumed by the Agent or the Lenders in connection with such matters is solely for the protection of the Agent and the Lenders, and neither the Borrower nor any other Person is entitled to rely thereon.

(h) The Agent and the Lenders shall not be responsible or liable to any Person for any loss, damage, liability or claim of any kind relating to injury or death to Persons or damage to Property caused by the actions, inaction or negligence of the Borrower or any other Credit Party and/or their Affiliates and/or any shareholder and/or any direct or indirect shareholder of any Credit Party; each Credit Party hereby indemnifies and holds the Agent and the Lenders harmless from any such loss, damage, liability or claim.

(i) This Agreement is made for the purpose of defining and setting forth certain obligations, rights and duties of the Borrower, the Agent and the Lenders in connection with the Loans, and is made for the sole benefit of the Borrower, each other Credit Party, the Agent and the Lenders, and the Agent's and each Lender's successors and assigns. Except as provided in Sections 9.3(b) and 9.4, no other Person shall have any rights of any nature hereunder or by reason hereof.

(j) All amounts due under this Section 9.3 shall be payable not later than three Business Days after written demand therefor.

9.4 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void), and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of each of the Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may assign to one or more Persons all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including all or a portion of its Commitments and the Loans at the time owing to it); provided that (i) except in the case of an assignment of (x) any Commitment to an assignee that is a Lender with a Commitment immediately prior to giving effect to such assignment, each of the Agent and the Borrower must give its prior written consent to such assignment (which consent shall not be unreasonably withheld or delayed) by the Borrower; and provided further that (ii) notwithstanding clause (i) immediately above, the Borrower's consent shall not be required with respect to any assignment made at any time after the occurrence and during the continuance of an Event of Default, or in connection with any assignment by a Lender to an Affiliate of such Lender, (iii) except in the case of an assignment to a Lender or a Lender Affiliate or an assignment of the entire remaining amount of the assigning Lender's Commitment, the amount of the Commitment of the assigning Lender subject to each such assignment (determined as of the date on which the Assignment and Assumption relating to such assignment is delivered to the Agent) shall not be less than Cdn.\$1,000,000 (or, in the case of a U.S. Dollar-denominated Commitment, the U.S. \$ Equivalent of Cdn.\$1,000,000), unless each of the Borrower and the Agent otherwise consent in writing and the amount held by each Lender after each such assignment shall not be less than Canadian \$1,000,000 (or, in the case of a U.S. Dollar-denominated Commitment, the U.S. \$ Equivalent of Cdn.\$1,000,000), unless each of the Borrower and the Agent otherwise consent in writing, (iv) each partial assignment in respect of a Commitment and the related Loans shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement in respect of such Commitment and the related Loans, (v) the parties to each assignment shall execute and deliver to the Agent an Assignment and Assumption, together with (except in the case of an assignment to a Lender or a Lender Affiliate) a processing and recordation fee of Cdn.\$3,500, payable by the assigning Lender, (vi) such assignment shall not be to an Affiliate of the Borrower, to a Defaulting Lender or to a Deteriorating Lender, and (vii) the assignee, if it shall not be a Lender, shall deliver to the Agent an Administrative Questionnaire. The Agent shall provide the Borrower and each Lender with written notice of any change in (or new) address of a Lender disclosed in an Administrative Questionnaire. Subject to acceptance and recording thereof pursuant to Section 9.4(d), from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, shall have all of the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.12, 2.13 and 2.14 and 9.3). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.4 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.4(e).

(c) The Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices in Toronto, Ontario a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, and the Borrower, the Agent, and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(d) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 9.4(b) and any written consent to such assignment required by Section 9.4(b), the Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this Section 9.4(d).

(e) Any Lender may, without notice to the Borrower or the consent of the Borrower or the Agent, sell participations to one or more Persons (a "**Participant**") in all or a portion of such Lender's rights and obligations under this Agreement and the other Loan Documents (including all or a portion of its Commitment and the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrower, the Agent, and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.2(b) that affects such Participant. Subject to Section 9.4(f), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.12, 2.13 and 2.14 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to this Section 9.4(b). To the extent permitted by Applicable Law, each Participant also shall be entitled to the benefits of Section 9.8 as though it were a Lender, provided that such Participant agrees to be subject to Section 2.15(c) as though it were a Lender.

(f) A Participant shall not be entitled to receive any greater payment under Section 2.13 or 2.14 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent.

(g) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and Section 9.4 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

9.5 Survival.

All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this

Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. Sections 2.12, 2.13, 2.14 and 9.3 and ARTICLE 8 shall survive and remain in full force and effect, regardless of the consummation of the Transactions, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

9.6 Counterparts; Integration; Effectiveness.

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Agent, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.1, this Agreement shall become effective when it shall have been executed by the Agent and when the Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed original counterpart of a signature page of this Agreement by facsimile or other electronically scanned method of delivery shall be as effective as delivery of a manually executed original counterpart of this Agreement.

9.7 Severability.

Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

9.8 Right of Set-Off.

Each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by Applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of any Credit Party against any of and all of the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured and regardless of the currency of the deposit. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of set off) which such Lender may have.

9.9 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the Laws of the Province of Quebec.

(b) The Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the non-exclusive jurisdiction of the Courts of the Province of Quebec, District of Montréal, and any appellate court thereof, in any action or proceeding arising out of or relating to this Agreement, or any other Loan Document or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in Quebec. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Applicable Law. Nothing in this Agreement shall affect any right that the Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or its properties in the courts of any other jurisdiction.

(c) The Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in this Section 9.9. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by Applicable Law, any *forum non conveniens* defence to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.1. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by Applicable Law.

9.10 WAIVER OF JURY TRIAL.

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT, OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, DELICT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

9.11 Headings.

Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

9.12 Confidentiality.

Each of the Agent and each Lender agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to each of their, and each of their Affiliates, directors, officers, employees, agents and advisors, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any rating agency, regulatory authority or other Governmental Authority, or their legal counsel, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement,

(e) in connection with the exercise of any remedies under any Loan Document or any suit, action or proceeding relating to any Loan Document or the enforcement of rights thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any actual or prospective assignee of or Participant (or such assignee's or Participant's advisors) in any of its rights or obligations under this Agreement, or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) to their auditors in connection with any audit, (h) to any financial institution (other than as otherwise identified in this Section 9.12), credit reporting agency or credit bureau, (i) to any Person with whom the Borrower or any other Credit Party may have or proposes to have financial dealings, or (j) with the consent of the Borrower. For greater certainty, the Borrower and each of the Credit Parties acknowledges that from time to time, the Borrower or any other Credit Party may request the Agent to facilitate the provision of certain financial services offered by CIBC (the "**CIBC Services**"). In such circumstances, CIBC policies and procedures ("**CIBC's Policies**") will apply in respect of all transactions undertaken by CIBC in connection with the provision of the CIBC Services, including any required due diligence investigation and related business approval processes conducted in respect of the Borrower and the other Credit Parties. The Borrower and each of the Credit Parties consents to the use of Information by CIBC for the purpose of facilitating compliance with CIBC's Policies. For the purposes of this Section, "Information" means all information received from the Borrower or any Credit Party relating to the Borrower, any of the Credit Parties, or their respective businesses, other than Information that is (i) is or becomes publicly available other than as a result of a breach of this Section, (ii) any such information that is or becomes available to the Agent, the Issuing Bank, or any Lender on a non-confidential basis prior to disclosure by the Borrower, or (iii) was already in the possession of the Agent, the Issuing Bank, or any Lender prior to its disclosure by the Borrower or any other Credit Party; or (iv) marked "non-confidential" (or such other words or expression having the same or similar meaning by the Borrower or any other Credit Party). Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information, acting prudently.

9.13 Press Releases and Related Materials.

Each Credit Party agrees that neither it nor its Affiliates will in the future issue any press releases or other public disclosure using the name of the Agent or any of the Lenders or referring to this Agreement, or the other Loan Documents without at least two (2) Business Days' prior notice to the Agent or the applicable Lender unless (and only to the extent that) such Credit Party or Affiliate is required to do so under law and then, in any event, such Credit Party or Affiliate will consult with the Agent or the applicable Lender before issuing such press release or other public disclosure. Subject to the prior written consent of each Credit Party, not to be unreasonably withheld, the Agent or any Lender may publish advertising material relating to the financing transactions contemplated by this Agreement using its name, product photographs, logo or trademark. The Agent reserves the right to provide to industry trade organizations information necessary and customary for inclusion in league table measurements.

9.14 Anti-Money Laundering Legislation.

(a) The Borrower acknowledges that, pursuant to the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and other applicable anti-money laundering, anti-terrorist financing, government sanction and "know your client" Laws (collectively, including any guidelines or orders thereunder, "**AML Legislation**"), the Lenders and the Agent may be required to obtain, verify and record information regarding the Borrower, its directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Borrower, and the transactions contemplated hereby. The Borrower shall promptly provide all such information,

including supporting documentation and other evidence, as may be reasonably requested by any Lender or the Agent, or any prospective assignee or participant of a Lender or the Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.

(b) If the Agent has ascertained the identity of the Borrower or any authorized signatories of the Borrower for the purposes of applicable AML Legislation, then the Agent:

- (i) shall be deemed to have done so as an agent for each Lender, and this Agreement shall constitute a "written agreement" in such regard between each Lender and the Agent within the meaning of applicable AML Legislation; and
- (ii) shall provide to each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each of the Lenders agrees that the Agent has no obligation to ascertain the identity of the Borrower or any authorized signatories of the Borrower on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from the Borrower or any such authorized signatory in doing so.

9.15 Defaulting Lenders.

Notwithstanding any provision of this Agreement to the contrary, if any Lender is a Defaulting Lender, then the following provisions shall apply to such Lender for so long as it remains a Defaulting Lender:

(a) fees shall cease to accrue pursuant to Section 2.10 in respect of the Commitment of such Defaulting Lender;

(b) the Commitments of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 9.2); provided that any waiver or amendment which affects such Defaulting Lender differently than other Lenders generally shall require the consent of such Defaulting Lender;

(c) any amount owing by a Defaulting Lender to the Agent or another Lender that is not paid when due shall bear interest at the interest rate applicable to Loans denominated in the applicable currency during such period;

(d) any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender other than in respect of the assignment of such Defaulting Lender's Loans and Commitments) shall, in lieu of being distributed to such Defaulting Lender, be retained by the Agent in a segregated account and, subject to any applicable requirements of Law, be applied at such time or times as may be determined by the Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to the Agent hereunder, (ii) second, pro rata, to the payment of any amounts owing by such Defaulting Lender to the Issuing Banks hereunder, (iii) third, to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, (iv) fourth, held in such account as cash collateral for future funding obligations of the Defaulting Lender under this Agreement (the amount of such cash collateral not to exceed the Commitment of such Defaulting Lender less the outstanding principal amount of such Defaulting Lender's Loans), (v) fifth, to the payment of any other amounts owing to the Lenders or

the Issuing Banks hereunder, (vi) sixth, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, and (vii) seventh, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is a prepayment of the principal amount of any Loans or reimbursement obligations in respect of Letters of Credit with respect to which a Defaulting Lender has funded its participation obligations, such payment shall be applied solely to prepay the Loans of, and reimbursement obligations owed to, all Lenders other than Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans, or reimbursement obligations owed to, any Defaulting Lender;

(e) if a Defaulting Lender is an insolvent Defaulting Lender, any amount payable to such Defaulting Lender hereunder may, in lieu of being distributed pursuant to Section 9.15(d), be retained by the Agent to collateralize indemnification and reimbursement obligations of such Defaulting Lender hereunder in an amount determined by the Agent, acting reasonably; and

(f) Each Defaulting Lender shall be required to provide cash collateral to the Agent, for the benefit of the Lenders, to Cover its obligation to make payment in respect of its pro rata share of any outstanding Letters of Credit. To the extent that such cash collateral has not been provided, the Letter of Credit Exposure shall be allocated among the other Lenders, *pro rata* in accordance with their Commitments, provided that in the event that the allocation of such Letter of Credit Exposure causes a Lender to exceed its Commitment, the Borrower shall immediately repay to the Agent, for the benefit of each such Lender, the amount necessary to reduce the Letter of Credit Exposure such that the relevant Commitments are not exceeded. Notwithstanding anything else herein, while any Lender is a Defaulting Lender, the Issuing Bank shall not be required to issue any Letter of Credit unless it is satisfied that the Letter of Credit Exposure will be entirely covered by the Lenders who are not Defaulting Lenders.

No Commitment of any other Lender shall be increased or otherwise affected, and, except as otherwise expressly provided in this Section 9.15, performance by the Borrower of its obligations hereunder and the other Loan Documents shall not be excused or otherwise modified as a result of any Lender becoming a Defaulting Lender. The rights and remedies against a Defaulting Lender under this Section 9.15 are in addition to other rights and remedies which the Borrower may have against such Defaulting Lender as a result of it becoming a Defaulting Lender and which the Agent or any other Lender may have against such Defaulting Lender with respect thereto.

9.16 No Strict Construction.

The parties hereto have participated jointly in the negotiation and drafting of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favouring or disfavouring any party by virtue of the authorship of any provisions of this Agreement.

9.17 Paramountcy.

In the event of any inconsistency between the provisions of this Agreement and the provisions of any other Loan Document, the provisions of this Agreement shall prevail.

9.18 LIMITATION OF LIABILITY.

NO CLAIM MAY BE MADE BY THE BORROWER, ANY GUARANTOR, ANY LENDER OR OTHER PERSON AGAINST THE AGENT, ANY LENDER, OR THE AFFILIATES, DIRECTORS, OFFICERS, EMPLOYEES, OR AGENTS OF ANY OF THEM FOR ANY SPECIAL, INDIRECT,

CONSEQUENTIAL OR PUNITIVE DAMAGES IN RESPECT OF ANY CLAIM FOR BREACH OF CONTRACT OR ANY OTHER THEORY OF LIABILITY ARISING OUT OF OR RELATED TO THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR ANY ACT, OMISSION OR EVENT OCCURRING IN CONNECTION THEREWITH, AND THE BORROWER, EACH GUARANTOR, EACH LENDER AND THE AGENT HEREBY WAIVES, RELEASES AND AGREES NOT TO SUE UPON ANY CLAIM FOR SUCH DAMAGES, WHETHER OR NOT ACCRUED AND WHETHER OR NOT KNOWN OR SUSPECTED TO EXIST IN ITS FAVOUR.

9.19 Language.

The parties herein have expressly requested that this Agreement and all related documents be drawn up in the English language. *À la demande expresse des parties aux présentes, cette convention et tout document y afférent ont été rédigés en langue anglaise.*

FORM OF GUARANTEE

GUARANTEE AGREEMENT

THIS GUARANTEE AGREEMENT (the “**Guarantee**”) dated as of • is made;

BETWEEN: **THE PERSONS PARTY HERETO AS GUARANTORS;**

AND: **CANADIAN IMPERIAL BANK OF COMMERCE**, as Agent;

WHEREAS 2964-3277 QUÉBEC INC., as borrower (the “**Borrower**”), the lenders from time to time party thereto as lenders, and the Agent, are parties to a credit agreement dated as of June , 2015 pursuant to which the Lenders have agreed to make available to the Borrower a revolving credit facility in the initial maximum principal amount of CDN \$30,000,000 (as amended, restated or supplemented from time to time, including by way of any amendment resulting in any increase of such credit facility, the “**Credit Agreement**”);

WHEREAS each Guarantor benefits from the extension of credit to the Borrower pursuant to the Credit Agreement; and

WHEREAS the execution and delivery of this Guarantee by each Guarantor is a condition to the extension of credit to the Borrower and it is in the best interests of the Guarantors to provide this Guarantee.

THEREFORE, the parties agree as follows:

1. Definitions

In this Guarantee, unless the context requires otherwise, the following terms have the meanings set out below and capitalized terms used but not otherwise defined herein have the meanings given to such terms in the Credit Agreement (and all such terms that are defined in the singular have the corresponding meaning in the plural and *vice versa*):

- 1.1 “**Agent**” means Canadian Imperial Bank of Commerce, in its capacity as administrative agent for the Lenders, or any successor Agent appointed pursuant to the Credit Agreement;
- 1.2 “**Lender**” means Canadian Imperial Bank of Commerce in each of its capacities as Lender, Issuing Bank and F/X Bank under the Credit Agreement, as well as any of its successors and assignees as permitted under the Loan Documents; and any other Person that shall have become a party to the Credit Agreement pursuant to an Assignment and Assumption, other than any such Person that ceases to be a party hereto pursuant to an Assignment and Assumption;
- 1.3 “**Guarantor**” means any Person who has executed this Guarantee as of the date hereof and any other Person who thereafter becomes a guarantor hereunder.

2. Guarantee

- 2.1 Each Guarantor solidarily (i.e. jointly and severally), irrevocably and unconditionally, guarantees to the Agent and the Lenders the payment and the performance in full of all Obligations when and as due, whether at maturity, by reason of acceleration or otherwise (including amounts that would become due but for the operation of a stay under any law relating to bankruptcy, insolvency or restructuring or affecting creditors' rights).

3. Payment

- 3.1 Each Guarantor will be liable for the payment of any amount owing and due on account of the Obligations, on demand, and without any requirement that such Guarantor be notified or advised of the time of the creation, the amount or the terms and conditions of any of the Obligations.
- 3.2 All payments due under this Guarantee must be made to the Lender in such manner and at such place as the Agent may specify by notice to the Guarantor concerned.
- 3.3 Any amount payable by a Guarantor hereunder must be paid in the currency of the Obligation to which such amount relates.
- 3.4 After the occurrence of an Event of Default which is continuing, the Agent and the Lenders may set-off and apply against the Obligations all sums owing by them to any Guarantor.
- 3.5 The records of the Agent and the Lenders will be, absent manifest error, conclusive evidence of the Obligations owed and of all payments and performances in respect thereof.

4. Liability of Guarantors Absolute

- 4.1 Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and will not be affected by any circumstance which constitutes a legal or equitable discharge or defense of a guarantor or surety other than payment in full of the Obligations. Without limiting the generality of the foregoing, the liability of each Guarantor under this Guarantee will not be released, reduced or affected:
- (a) by reason of any change in the corporate or organizational status, the constitution, the business, the objects or the shareholders, members or partners of the Borrower or any Guarantor, or by reason of any termination of or change in the relationships that exist among the Borrower and the Guarantors;
 - (b) by reason of any amendment, waiver, release, or extension in respect of the Obligations, including without limitations any amendment resulting in an increase thereof, or in respect of any of Loan Documents made or granted, as the case may be, without the consent of or notification to such Guarantor;
 - (c) by reason of any failure to take, preserve or perfect any Lien or of any release or subordination of any security or guarantee or any release of any other Person liable for the Obligations;
 - (d) by reason of any release of or any stay of proceedings against the Borrower or other Person liable for the Obligations pursuant to any law relating to bankruptcy, insolvency, restructuring or affecting creditors' rights; or

- (e) by reason of any incapacity or lack of power, authority or legal personality of the Borrower or any Guarantor.
- 4.2 The obligations of each Guarantor hereunder are independent of the obligations of the Borrower and the obligations of any other Guarantor. A separate action may be brought and prosecuted against any Guarantor whether or not any action is brought against the Borrower or any Guarantor and whether or not the Borrower or any other Guarantor is party to any such action or actions.
- 4.3 Any Guarantor will be entitled to exercise any right or recourse that such Guarantor may have against the Borrower or any other Guarantor or their assets (including any right of subrogation, indemnification or contribution) as a result of any payment made under this Guarantee, but only after the Lenders have been paid in full of all moneys owed to them under the Obligations and all related commitments have been terminated.
- 4.4 Each Guarantor waives:
- (a) any benefit of division or discussion and any other right it may have of first requiring the Agent and Lenders to proceed against the Borrower or any other Person or enforce or exhaust any right, remedy or security before claiming against such Guarantor;
 - (b) any defense based upon the Lender's errors or omissions in the administration of any Loan Document; or
 - (c) any right to assert against the Lender as a defense, any counterclaim, set-off or cross claim, or any other claim which such Guarantor may now or at any time hereafter have against the Borrower, any other Guarantor, the Agent or the Lenders.

5. Reinstatement of Obligations

If any payment by the Borrower or any Guarantor in respect of the Obligations is avoided or annulled or must be repaid as a result of insolvency or any similar event, the liability of each Guarantor will continue as if such payment had not occurred (and to the extent necessary, the guarantee of such Guarantor will automatically be reinstated).

6. Indemnification

This Guarantee is a primary obligation of each Guarantor and not merely a contract of surety. Each Guarantor will indemnify the Agent and the Lenders for any loss suffered if any of the Obligations is or becomes unenforceable, for any reason whatsoever. The amount of the loss will be equal to the amount which the Lender would otherwise have been entitled to recover.

7. Judgment Currency

If a judgment is rendered against a Guarantor for an amount owed hereunder and if the judgment is rendered in a currency ("**Other Currency**") other than that in which such amount is payable under this Guarantee ("**Currency of the Agreement**"), such Guarantor will pay, if applicable, at the date of payment of the judgment, an additional amount equal to the excess (i) of the said amount owed under this Guarantee, expressed into the Other Currency as at the date of payment of the judgment, over (ii) the amount of the judgment. For the purposes of obtaining the judgment and making the calculation referred to in (i), the exchange rate will be the spot rate at which the Lender, on the relevant date, may in Montreal, sell the Currency of the Agreement to

obtain the Other Currency. Any additional amount owed under this Section will constitute a cause of action distinct from the cause of action which gave rise to the judgment, and such judgment will not constitute *res judicata* in that respect.

8. Taxes

Any and all payments by or on account of any obligation of each Guarantor hereunder will be made free and clear of and without any deduction or withholding for any taxes. However, if a Guarantor is compelled by law to deduct any taxes from such payments or compelled by law to pay any taxes, then the sum payable will be increased as necessary so that after making all required deductions and withholdings and paying all taxes (including deductions, withholdings and taxes applicable to additional sums payable under this Article 8) the Lender receives an amount equal to the sum that would have been received in the absence of such deductions, withholdings or taxes.

9. Representations and Reliance

9.1 Each Guarantor represents and warrants to the Lender that:

- (a) such Guarantor has the capacity and power to execute this Guarantee and all necessary actions or consents to authorize the execution and performance of same have been taken or obtained;
- (b) this Guarantee constitutes a valid and binding obligation of each such Guarantor;
- (c) such Guarantor has had adequate means to obtain sufficient information concerning the Borrower, each other Guarantor and their financial condition and affairs; and
- (d) such Guarantor has not depended or relied on any of the Lender, their agents or representatives, for any information whatsoever concerning the Borrower or the Borrower's financial condition and affairs or other matters material to such Guarantor's decision to provide this Guarantee or for any advice or guidance with respect to such decision.

9.2 Each Guarantor acknowledges that the Lender has no duty or responsibility whatsoever, now or in the future, to provide to such Guarantor any information or advice concerning any Guarantor or the financial conditions or affairs of any Guarantor.

10. Postponement and Subrogation

10.1 Following an Event of Default, all debts and liabilities, present and future, of the Borrower to any Guarantor shall be postponed to the Obligations and all money received by any Guarantor in respect thereof shall be held as mandatary for the Lender and forthwith upon receipt shall be paid over to the Lender, the whole without in any way lessening or limiting the liability of the Guarantors hereunder and this postponement is independent of this Guarantee and shall remain in full force and effect until all Obligations are performed and paid in full.

10.2 No Guarantor will be entitled to an interest in the Obligations by way of subrogation until the Obligations have been performed and paid in full.

11. Further Assurances

Each Guarantor covenants that, upon reasonable request from the Lender, it will perform all acts and execute all documents necessary to give full effect to the provisions hereof and to ensure that this Guarantee will be at all times enforceable against such Guarantor in respect of all of the Obligations, including without limitation the execution of any written acknowledgement in favour of the Lender in respect of the Obligations.

12. Additional Guarantors

Any Person who executes and delivers to the Lender an accession letter in the form of Schedule "A" hereof will become a Guarantor and will be bound by the provisions of this Guarantee. Any such Person will provide the following documents to the Lender in form and substance satisfactory to the Lender:

- (a) a copy of its constitutive documents;
- (b) a copy of a resolution of its governing body authorizing the execution of this Guarantee and the performance of its obligations hereunder;
- (c) an incumbency certificate; and
- (d) a legal opinion addressed to the Lender from counsel to such Guarantor relating to such matters as the Lender may reasonably require.

13. Costs and expenses

Each Guarantor must pay on demand the amount of all reasonable costs and expenses (including legal fees) reasonably incurred by the Lender in connection with the preparation, negotiation, execution and administration of this Guarantee, any accession letter and documents to be delivered pursuant to Section 12, as well as the reasonable costs and expenses incurred by the Lender in connection with the enforcement of, or the preservation of any rights under this Guarantee.

14. Other Guarantees

This Guarantee is in addition to and not in substitution of or in replacement for any other Lien, Guarantee or other right held by or benefiting the Lender.

15. Severability

If any provision of this Guarantee is determined to be invalid or unenforceable in whole or in part, such invalidity or unenforceability will attach only to such provision or part thereof and the remaining part of such provision and all other provisions hereof will continue in full force and effect. To the extent permitted by applicable law the parties hereby waive any provision of law that renders any provision hereof prohibited or unenforceable in any respect.

16. Notices

Any demand, notice or other communication to be given in connection with this Guarantee must be given in accordance with the Credit Agreement. The address and other contact information of each Guarantor for such purposes is set out on the signature page(s) to this Guarantee. A Guarantor may change its address for notice or other contact information by notice duly given to the Lender.

17. Governing law and Jurisdiction of the Courts

This Guarantee will be governed by, and construed and enforced in accordance with, the laws in effect in the Province of Québec. Each Guarantor hereby submits to the nonexclusive jurisdiction of the courts sitting in the judicial district of Montréal for the purposes of all legal proceedings arising out of or relating to any Loan Documents, or the transactions contemplated thereby. Each Guarantor irrevocably waives, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such a court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum.

18. Counterparts

This Guarantee may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered will be deemed to be an original and all of which taken together will constitute the same agreement. Delivery of an executed counterpart of a signature page to this Guarantee by telecopier or by electronic mail will be effective as delivery of a manually executed counterpart of this Guarantee.

[Signature Page follows]

IN WITNESS WHEREOF, the parties have duly executed this Guarantee as of the day and year first written above.

FORM OF BAILEE LETTER

_____, 20__

[NAME OF BAILEE]
[ADDRESS OF BAILEE]

Re: [NAME OF CREDIT PARTY] (the "Bailor")

Ladies and Gentlemen:

This letter (the "**Letter**") is to advise _____ (the "**Bailee**") that the Bailor executed and delivered to Canadian Imperial Bank of Commerce, in its capacity as Agent for certain lenders (the "**Agent**") a Credit Agreement (as may be modified, amended, renewed, extended, restated, or replaced from time to time, the "**Credit Agreement**"), pursuant to which the Bailor granted to the Agent a hypothec and security interest in, among other things, all inventory of the Bailor, some of which is in possession of the Bailee from time to time (the "**Controlled Inventory**"). By executing this Letter, the Bailee acknowledges that from time to time the Bailee is in possession of Controlled Inventory and that, because of the Agent's interest in the Controlled Inventory, the instructions contained in this Letter are irrevocable and cannot be altered or amended without the prior written consent of the Agent. The Bailor's execution of this Letter is conclusive evidence to the Bailee of its confirmation of and agreement to the foregoing and of its agreement to be bound by all terms of this Letter on which the Bailee is entitled to rely for all purposes until written notice of termination of this Letter is given to the Bailee by the Agent.

The Bailee recognizes the Agent's continuing hypothec security interest in the Controlled Inventory and in the proceeds thereof. The Bailee covenants and agrees that the Controlled Inventory is and shall remain owned by the Bailor, and that the Agent may at any time and from time to time inspect, remove and/or repossess the Controlled Inventory while in possession of the Bailee without accountability to the Bailee therefor and free of any lien, security interest, hypothec, right or claim which the Bailee may now or hereafter have, such right of the Agent being independent of any other right or remedy the Agent may have. The Bailee hereby authorizes and empowers the Agent to access the premises where the Controlled Inventory is located for the purposes of guarding and maintaining the Controlled Inventory, preparing and showing the same for sale and/or conducting a sale thereof. The Bailee hereby waives and releases, for the benefit of the Agent, its successors and assigns, any and all liens, hypothecs, security interests, rights and claims of every kind, whether statutory, contractual or by law, which the Bailee may now or hereafter have with respect to the Controlled Inventory, including, without limitation, any rights to seize, hold, restrain, retain, levy upon, take possession of, sell or otherwise transfer or dispose of the Controlled Inventory and the Bailee further acknowledges and agrees that no negotiable warehouse receipts or documents of title will be issued covering the Controlled Inventory.

So long as no Default Period (hereinafter defined) is continuing, the Bailor may control the Controlled Inventory. From the date on which the Agent notifies the Bailee that an "Event of Default" (as defined in the Credit Agreement) has occurred and thereafter until the Bailee receives notice from the Agent that such Event of Default is no longer continuing and that no other Event of Default is continuing (such period being referred to herein as a "Default Period"), the Bailee, the Bailor and the Agent agree that the Agent shall have the exclusive right to direct the Bailee as to control of the

Controlled Inventory, which includes, without limitation, the right to dispose of, repossess or remove the Controlled Inventory, and the Bailee shall not comply in any respect with any request or direction by the Bailor in connection with the Controlled Inventory, unless consented to in writing by the Agent.

At any time when the Bailee has possession of the Controlled Inventory, the Bailee agrees to prevent the commingling of the Controlled Inventory in its possession with other Inventory, goods or items in the Bailee's possession by clearly separating, dividing or otherwise isolating the Controlled Inventory from all such other items in the Bailee's possession. The Bailee will also clearly identify the Controlled Inventory as belonging to the Bailor, through the use of labels, tags, or other similar coding methods.

The Bailee will from time to time deliver to the Agent, upon the written request of the Agent (which request may be by facsimile transmission) and at the Bailor's cost and expense, such information regarding the Controlled Inventory as may be reasonably requested by the Agent, and the Bailee will notify the Agent promptly if the Bailee acquires knowledge that the Controlled Inventory shall become subject to any injunction, writ or warrant of attachment or garnishment, judgment, levy and execution, or similar process. The Bailee confirms in favour of the Agent that it has not, prior to the date hereof, executed in favour of any third party any document, instrument or agreement pursuant to which (a) the Bailee has acknowledged a hypothec security interest in the Controlled Inventory in favour of such third party, or (b) the Bailee has agreed to follow the instructions of such third party in respect of the Controlled Inventory.

The Bailor agrees that the Bailee shall be fully protected in acting on any notice or direction by the Agent relating to the Controlled Inventory without making any inquiry whatsoever as to the Agent's right or authority to give such notice or direction. Further, the Bailee shall have no liabilities to the Bailor or the Agent other than those imposed upon it by law for its own lack of good faith, gross negligence or intentional fault. The Bailee shall not be liable for consequential, indirect or special damages, even if the Bailee has been advised of the possibility of such damages. The Bailee shall not be liable for any failure or delay in performing any service under this Letter in the event and to the extent that such failure arises out of causes beyond the Bailee's control, including but not limited to war, civil commotion, an Act of God, fire, flood, explosion, sabotage, failure or interruption of electrical or other power supplies or of transportation services, compliance with governmental laws, regulations or orders, and strikes and lockouts.

The Bailor agrees to pay the Bailee's costs and expenses, including reasonable legal fees, in connection with the execution, delivery and administration of this Letter.

The Bailor and the Agent, jointly and severally (solidarily), hereby agree to indemnify and save the Bailee harmless from and against any and all losses, costs and expenses arising out of the compliance by the Bailee with the terms of the instructions contained herein.

If the Bailor is unable to fulfill its obligations to the Bailee in respect of warehouse fees and other expenses payable by the Bailor to the Bailee in connection with the storage, handling and delivery of the Controlled Inventory (collectively, the "Storage Fees"), the Agent agrees that, as a condition to the Agent's rights of access to the Controlled Inventory and the Agent's rights of inspection, removal and/or repossession of the Controlled Inventory provided for in this Letter, it will pay to the Bailee all Storage Fees which remain unpaid as at the commencement of any Default Period together with any Storage Fees incurred during the continuance of a Default Period.

The Bailor acknowledges and agrees that (a) any amounts paid by the Agent to the Bailee hereunder shall constitute "Obligations" of the Bailor for purposes of the Credit Agreement, and (b) that this Letter is a "Loan Document" as such term is defined in the Credit Agreement dated _____ between the Agent and the Bailor, as borrower.

This Letter may only be terminated by the Agent upon written notice to the Bailee.

This Letter may be execute in one or more counterparts by facsimile transmission, each of which shall be deemed to be an original and all of which, when taken together, shall constitute one and the same agreement.

If the foregoing instructions, terms and agreements are acceptable to the Bailee, please indicate the Bailee's acceptance by signing this letter in the space provided below and returning it to the Bailor.

Sincerely,

Notre responsabilité consiste à exprimer une opinion sur les états financiers non consolidés, sur la base de notre audit. NOTES COMPLÉMENTAIRES NON CONSOLIDÉES

de l'exercice terminé le 30 septembre 2015

1. STATUTS ET NATURE DES ACTIVITÉS

La société, constituée le 16 novembre 1992, est assujettie à la Loi sur les sociétés par actions. Elle fabrique et importe des tapis sous la raison sociale de « Carpettes art-déco international ».

2. PRINCIPALES MÉTHODES COMPTABLES

Ces états financiers non consolidés ont été préparés selon les Normes comptables canadiennes pour les entreprises à capital fermé en appliquant les méthodes comptables décrites ci-dessous. La préparation des états financiers exige que la direction procède à des estimations et pose des hypothèses qui ont une incidence sur les montants présentés dans les états financiers, les notes complémentaires et les relevés. Les principales estimations se rapportent à la dépréciation des actifs financiers évalués au coût après amortissement, aux crédits d'impôt à recevoir, à la valeur nette de réalisation des stocks et à la durée de vie utile des immobilisations corporelles et des actifs incorporels. Les résultats réels peuvent différer de ces estimations.

États financiers non consolidés

La société a choisi de ne pas consolider la participation dans sa filiale à capital fermé Copropriétés Myst inc., une société oeuvrant dans le développement immobilier, qui est comptabilisée à la valeur d'acquisition.

Instruments financiers

Les actifs et les passifs financiers sont constatés initialement à leur juste valeur, sauf s'il s'agit d'actifs financiers créés ou acquis, ou de passifs financiers émis ou pris en charge lors d'opérations entre apparentés comptabilisées à la valeur comptable ou à la valeur d'échange.

Par la suite, les actifs et les passifs financiers sont évalués au coût après amortissement.

Les frais de financement et les coûts de transaction liés aux instruments financiers évalués au coût après amortissement sont présentés en augmentation ou en diminution de ces instruments, à l'exception des frais de financement associés à une ligne de crédit qui sont comptabilisés comme un actif et qui sont amortis sur la période à laquelle ils se rattachent. Les frais de financement liés aux instruments à long terme sont amortis selon la méthode linéaire sur la période pour laquelle ils sont engagés.

NOTES COMPLÉMENTAIRES NON CONSOLIDÉES

de l'exercice terminé le 30 septembre 2015

2. PRINCIPALES MÉTHODES COMPTABLES (suite)

S'il y a des indications d'une possible moins-value découlant de motifs propres aux émetteurs, les changements défavorables importants dans le calendrier ou le solde des flux de trésorerie que l'on prévoit tirer des actifs financiers évalués au coût après amortissement entraînent une réduction de leur valeur comptable passée en charge. Dans la mesure où une amélioration subséquente se produit, une moins-value antérieurement comptabilisée fait l'objet d'une reprise jusqu'à concurrence de ce qu'aurait été la valeur comptable ajustée de l'actif financier à la date de la reprise si la moins-value n'avait jamais été comptabilisée. Cette reprise est comptabilisée aux résultats.

Les instruments financiers évalués au coût après amortissement comprennent les comptes clients, le solde de prix de vente à recevoir, les avances à recevoir, les emprunts et le découvert bancaires, les comptes fournisseurs, les salaires à payer, les avances à payer, la dette à long terme et les actions rachetables au gré du porteur.

Trésorerie et équivalents de trésorerie

La trésorerie et les équivalents de trésorerie comprennent les soldes d'encaisse.

Stocks

Les stocks sont évalués au moindre du coût, établi selon les méthodes suivantes, et de la valeur nette de réalisation :

Matières premières - carpettes et tapis	coût moyen pondéré
Produits finis - carpettes et tapis	coût moyen pondéré
Produits finis - accessoires de décoration	coût spécifique

La valeur nette de réalisation correspond au produit estimé de la vente dans le cours normal des activités, diminué des coûts d'achèvement et des charges nécessaires pour réaliser la vente.

2. PRINCIPALES MÉTHODES COMPTABLES (suite)**Immobilisations corporelles**

Les immobilisations corporelles sont comptabilisées au coût et sont amorties en fonction de leur durée de vie utile selon les méthodes, la période ou les taux suivants :

Équipement de bureau	solde dégressif	10 %
Équipement promotionnel	solde dégressif	10 % et 20 %
Enseigne	solde dégressif	20 %
Matériel informatique	solde dégressif	30 %
Matériel roulant	solde dégressif	30 %
Machinerie et équipement	selon le niveau de production	
Améliorations locatives	linéaire	durée du bail

Les immobilisations corporelles louées sont comptabilisées comme si les biens avaient été acquis en contrepartie d'obligations découlant de contrats de location-acquisition. Les immobilisations corporelles louées sont amorties en fonction de leur durée de vie utile selon les méthodes, la période ou les taux suivants :

Équipement de bureau	solde dégressif	10 %
Matériel informatique	solde dégressif	30 %
Matériel roulant	solde dégressif	30 %
Machinerie et équipement	selon le niveau de production	
Améliorations locatives	linéaire	durée du bail

Les immobilisations corporelles sont soumises à un test de recouvrabilité lorsque des événements ou des changements de situation indiquent que leur valeur comptable pourrait excéder le total des flux de trésorerie non actualisés qui résulteront de leur utilisation et de leur sortie éventuelle. Une perte de valeur correspondant à l'excédent de leur valeur comptable sur leur juste valeur est constatée lorsqu'il est établi que la valeur comptable n'est pas recouvrable.

2. PRINCIPALES MÉTHODES COMPTABLES (suite)

Actifs incorporels

Les logiciels sont comptabilisés au coût et sont amortis en fonction de leur durée de vie utile selon la méthode du solde dégressif au taux de 30 %.

Le logiciel en cours de développement qui satisfait aux critères de comptabilisation en tant qu'actif incorporel est inscrit à l'actif. Il sera amorti en fonction de sa durée de vie utile prévue au moment de son entrée en fonction.

Les logiciels et le logiciel en cours de développement sont soumis à un test de recouvrabilité lorsque des événements ou des changements de situation indiquent que leur valeur comptable pourrait excéder le total des flux de trésorerie non actualisés qui résulteront de leur utilisation et de leur sortie éventuelle. Une perte de valeur correspondant à l'excédent de leur valeur comptable sur leur juste valeur est constatée lorsqu'il est établi que la valeur comptable n'est pas recouvrable.

Aide gouvernementale

Les subventions ayant trait à l'acquisition d'immobilisations corporelles sont comptabilisées en réduction du coût des immobilisations auxquelles elles se rapportent.

Les crédits d'impôt ayant trait aux activités de recherche et de développement et aux activités de design à l'interne sont comptabilisés en réduction des charges auxquelles ils se rapportent.

Les crédits d'impôt réclamés sont établis par la direction selon son interprétation des dispositions de la Loi de l'impôt sur le revenu du Canada, de la Loi sur les impôts du Québec et des pratiques administratives publiées par les autorités fiscales. Ces réclamations sont sujettes à une révision par l'Agence du revenu du Canada et par Revenu Québec. Les écarts entre les crédits d'impôt comptabilisés et les crédits d'impôt accordés, le cas échéant, sont comptabilisés aux résultats dans l'exercice au cours duquel ils sont connus.

Impôts sur les bénéfices

Les impôts sur les bénéfices sont comptabilisés selon la méthode des impôts exigibles.

Constatation des produits

Les produits de la vente de marchandises sont constatés au moment de leur livraison et du transfert des risques inhérents à la propriété au client, lorsqu'il y a une preuve convaincante de l'existence d'un accord, que le prix de vente est déterminé ou déterminable et que le recouvrement de la contrepartie est raisonnablement sûr.

Les produits de commissions sont constatés au fur et à mesure que les services sont fournis, pourvu qu'au moment de la prestation, le recouvrement final soit raisonnablement sûr.

Les produits d'intérêts sont constatés en fonction du temps écoulé.

Conversion des opérations conclues en devises

Tout actif ou passif et tout produit ou charge résultant d'une opération conclue en devises sont convertis en dollars canadiens au cours du change en vigueur à la date de l'opération. Par la suite, les actifs et les passifs monétaires libellés en devises sont convertis en dollars canadiens au taux en vigueur à la fin de l'exercice. Les gains ou les pertes de change qui en découlent sont constatés aux résultats.

21. RISQUES ASSOCIÉS AUX INSTRUMENTS FINANCIERS

La société est exposée aux risques suivants, qui découlent des instruments financiers auxquels elle est partie.

Risque de crédit

Le risque de crédit est le risque que la société subisse une perte financière en raison du manquement d'un débiteur à ses obligations. La société consent du crédit à ses clients dans le cours normal de ses activités, et à d'autres parties dans le cadre d'opérations entre apparentés.

Au 30 septembre 2015, 73 % des comptes clients étaient à recevoir de trois clients, dont une filiale (64 % en 2014 de trois clients, dont un des clients présent au 30 septembre 2015, et de deux autres clients). La société a également modifié son exposition au risque de crédit par rapport à l'exercice 2014 du fait de l'augmentation des avances remboursables sur demande.

Le recouvrement de 12 % des comptes clients canadiens est assuré par Atradius Credit Insurance N.V., tandis que le recouvrement de 41 % des comptes clients américains est assuré par Exportation et développement Canada.

Risque de taux d'intérêt

Le risque de taux d'intérêt est le risque que la juste valeur ou les flux de trésorerie futurs d'un instrument financier fluctuent en raison des variations des taux d'intérêt du marché. Les instruments financiers qui portent intérêt à taux fixe présentent ainsi un risque de juste valeur, tandis que les instruments financiers à taux variable engendrent un risque de trésorerie. La société a modifié son exposition au risque de taux d'intérêt par rapport à l'exercice 2014 du fait de l'augmentation des emprunts et du découvert bancaires.

NOTES COMPLÉMENTAIRES NON CONSOLIDÉES

de l'exercice terminé le 30 septembre 2015

21. RISQUES ASSOCIÉS AUX INSTRUMENTS FINANCIERS (suite)

Risque de change

Le risque de change est le risque que la juste valeur ou les flux de trésorerie futurs d'un instrument financier fluctuent en raison des variations des cours des devises. La société réalise approximativement 42 % de son chiffre d'affaires en dollars US et 97 % de ses achats de marchandises en devises, soit 79 % en dollars US et 18 % en euros. Par conséquent, certains éléments d'actifs et de passifs sont exposés aux fluctuations des cours du change.

Les actifs et les passifs financiers suivants sont libellés en devises et sont convertis en dollars canadiens au taux en vigueur à la date du bilan :

	2015	2014
Comptes clients - dollars US	6 969 958 \$	3 421 743 \$
Comptes clients - euros	14 454 \$	- \$
Emprunts et découvert bancaires - dollars US	13 807 583 \$	13 221 163 \$
Comptes fournisseurs - dollars US	9 420 788 \$	6 176 459 \$
Comptes fournisseurs - euros	814 136 \$	399 738 \$

Risque de liquidité

Le risque de liquidité est le risque que la société éprouve des difficultés à honorer les engagements liés à ses passifs financiers. La société est exposée à ce risque au regard des passifs financiers comptabilisés au bilan. La société a modifié son exposition au risque de liquidité par rapport à l'exercice 2014 du fait de l'augmentation des passifs financiers comptabilisés au bilan.

22. CHIFFRES COMPARATIFS

NOTES COMPLÉMENTAIRES

de l'exercice terminé le 30 septembre 2016

1. PRINCIPALES MÉTHODES COMPTABLES

La société, constituée le 16 novembre 1992, est assujettie à la Loi sur les sociétés par actions. Elle fabrique et importe des tapis sous la raison sociale de « Carpettes art-déco international ».

Ces états financiers ont été préparés selon les Normes comptables canadiennes pour les entreprises à capital fermé en appliquant les méthodes comptables décrites ci-dessous. La préparation des états financiers exige que la direction procède à des estimations et pose des hypothèses qui ont une incidence sur les montants présentés dans les états financiers, les notes complémentaires et les relevés. Les principales estimations se rapportent à la dépréciation des actifs financiers évalués au coût après amortissement, aux crédits d'impôt à recevoir, à la valeur nette de réalisation des stocks et à la durée de vie utile des immobilisations corporelles et des actifs incorporels. Les résultats réels peuvent différer de ces estimations.

États financiers non consolidés

La société a choisi de ne pas consolider la participation dans sa filiale à capital fermé Copropriétés Myst inc., une société active dans le développement immobilier, qui est comptabilisée à la valeur d'acquisition en 2015.

Instruments financiers

Les actifs et les passifs financiers sont constatés initialement à leur juste valeur, sauf s'il s'agit d'actifs financiers créés ou acquis, ou de passifs financiers émis ou pris en charge lors d'opérations entre apparentés comptabilisées à la valeur comptable ou à la valeur d'échange.

Par la suite, les actifs et les passifs financiers sont évalués au coût après amortissement, à l'exception des instruments dérivés, qui sont évalués à la juste valeur. Les variations de la juste valeur sont comptabilisées aux résultats de la période où elles se produisent.

Les frais de financement et les coûts de transaction liés aux actifs et aux passifs financiers évalués à la juste valeur sont passés en charge lorsqu'ils sont engagés. Ceux liés aux instruments financiers évalués au coût après amortissement sont présentés en augmentation ou en diminution de ces instruments, à l'exception des frais de financement associés à une ligne de crédit qui sont comptabilisés comme un actif et qui sont amortis sur la période à laquelle ils se rattachent. Les frais de financement liés aux instruments à long terme sont amortis selon la méthode linéaire sur la période pour laquelle ils sont engagés. L'amortissement est comptabilisé aux résultats à titre de frais financiers.

NOTES COMPLÉMENTAIRES

de l'exercice terminé le 30 septembre 2016

1. PRINCIPALES MÉTHODES COMPTABLES (suite)

Instruments financiers (suite)

S'il y a des indications d'une possible moins-value découlant de motifs propres aux émetteurs, les changements défavorables importants dans le calendrier ou le solde des flux de trésorerie que l'on prévoit tirer des actifs financiers évalués au coût après amortissement entraînent une réduction de leur valeur comptable passée en charge. Dans la mesure où une amélioration subséquente se produit, une moins-value antérieurement comptabilisée fait l'objet d'une reprise jusqu'à concurrence de ce qu'aurait été la valeur comptable ajustée de l'actif financier à la date de la reprise si la moins-value n'avait jamais été comptabilisée. Cette reprise est comptabilisée aux résultats.

Les instruments financiers évalués au coût après amortissement comprennent l'encaisse, les comptes clients, les avances à recevoir, les emprunts bancaires, les comptes fournisseurs, les salaires à payer, les avances à payer, la dette à long terme et les actions rachetables au gré du porteur.

Les instruments financiers évalués à la juste valeur comprennent les contrats de change et les options sur devises dont le cours est fourni par un courtier en produits dérivés.

Trésorerie et équivalents de trésorerie

La trésorerie et les équivalents de trésorerie comprennent les soldes d'encaisse.

Stocks

Les stocks sont évalués au moindre du coût, établi selon les méthodes suivantes, et de la valeur nette de réalisation :

Matières premières - carpettes et tapis	coût moyen pondéré
Produits finis - carpettes et tapis	coût moyen pondéré
Produits finis - accessoires de décoration	coût spécifique

La valeur nette de réalisation correspond au produit estimé de la vente dans le cours normal des activités, diminué des coûts d'achèvement et des charges nécessaires pour réaliser la vente.

8. EMPRUNTS BANCAIRES

Les emprunts bancaires sont consentis sous forme d'avances bancaires, d'acceptations bancaires ou d'avances LIBOR, au choix de la société. Ils portent respectivement intérêt au taux préférentiel majoré de 0,50 %, au taux des acceptations bancaires majoré de 2 % et au taux LIBOR majoré de 2 %. Ils sont renégociables en juin 2018, sont autorisés pour 30 000 000 \$ et des intérêts de 0,25 % sont payables sur la portion inutilisée. Ils comprennent des lettres de crédit pour un maximum de 8 000 000 \$, pour lesquelles des frais de 1 % sont payables sur le montant garanti. Au 30 septembre 2016, aucune lettre de crédit n'avait été contractée par la société.

Les emprunts bancaires sont garantis par l'universalité des biens meubles de la société, par une convention de subordination des avances des actionnaires, de sociétés contrôlées par une fiducie sous direction commune, d'une société en commandite contrôlée par l'administrateur et d'une société privée, ainsi que par les actions rachetables au gré du porteur.

La société dispose de facilités de crédit non utilisées, dont les garanties et les clauses restrictives sont les mêmes que celles mentionnées ci-dessus, relativement à des contrats de change d'un maximum de 2 000 000 \$ pour contrer les fluctuations des cours du change.

Les emprunts bancaires sont assortis d'une clause restrictive prévoyant le maintien d'un ratio de couverture des charges fixes de 1,10. Au 30 septembre 2016, ce ratio n'est pas respecté. Sur la base des états financiers internes qu'elle a fournis à la banque au cours de l'exercice, la société a aussi été en défaut quant à cette clause. En décembre 2016, une tolérance de la banque a été obtenue à l'égard de ce défaut, de même que pour le mois d'octobre 2016.

20. RISQUES ASSOCIÉS AUX INSTRUMENTS FINANCIERS

La société est exposée aux risques suivants, qui découlent des instruments financiers auxquels elle est partie :

Risque de crédit

Le risque de crédit est le risque que la société subisse une perte financière en raison du manquement d'un débiteur à ses obligations. La société consent du crédit à ses clients dans le cours normal de ses activités, et à d'autres parties dans le cadre d'opérations entre apparentés.

Au 30 septembre 2016, 63 % des comptes clients étaient à recevoir de trois clients, dont une société contrôlée par une fiducie sous direction commune (73 % en 2015). La société a modifié son exposition au risque de crédit par rapport à l'exercice 2015 du fait de l'augmentation de ses comptes clients.

Le recouvrement de 19 % des comptes clients canadiens est assuré par Atradius Credit Insurance N.V., tandis que le recouvrement de 64 % des comptes clients américains est assuré par Exportation et développement Canada.

Risque de taux d'intérêt

Le risque de taux d'intérêt est le risque que la juste valeur ou les flux de trésorerie futurs d'un instrument financier fluctuent en raison des variations des taux d'intérêt du marché. Les instruments financiers qui portent intérêt à taux fixe présentent ainsi un risque de juste valeur, tandis que les instruments financiers à taux variable engendrent un risque de trésorerie. La société a modifié son exposition au risque de taux d'intérêt par rapport à l'exercice 2015 du fait de l'augmentation des emprunts bancaires.

Risque de change

Le risque de change est le risque que la juste valeur ou les flux de trésorerie futurs d'un instrument financier fluctuent en raison des variations des cours des devises. La société réalise approximativement 52 % de son chiffre d'affaires en dollars américains (43 % en 2015) et 98 % de ses achats de marchandises en devises (97 % en 2015), soit 81 % en dollars américains (79 % en 2015) et 17 % en euros (18 % en 2015). Par conséquent, certains éléments d'actifs et de passifs sont exposés aux fluctuations des cours du change.

NOTES COMPLÉMENTAIRES

de l'exercice terminé le 30 septembre 2017

1. PRINCIPALES MÉTHODES COMPTABLES

La société, constituée le 16 novembre 1992, est assujettie à la Loi sur les sociétés par actions. Elle fabrique et importe des tapis sous la raison sociale de « Carpettes art-déco international ».

Ces états financiers ont été préparés selon les Normes comptables canadiennes pour les entreprises à capital fermé en appliquant les méthodes comptables décrites ci-dessous. La préparation des états financiers exige que la direction procède à des estimations et pose des hypothèses qui ont une incidence sur les montants présentés dans les états financiers, les notes complémentaires et les relevés. Les principales estimations se rapportent à la dépréciation des actifs financiers évalués au coût après amortissement, aux crédits d'impôt à recevoir, à la valeur nette de réalisation des stocks et à la durée de vie utile des immobilisations corporelles et des actifs incorporels. Les résultats réels peuvent différer de ces estimations.

Instruments financiers

Les actifs et les passifs financiers sont constatés initialement à leur juste valeur, sauf s'il s'agit d'actifs financiers créés ou acquis, ou de passifs financiers émis ou pris en charge lors d'opérations entre apparentés comptabilisées à la valeur comptable ou à la valeur d'échange.

Par la suite, les actifs et les passifs financiers sont évalués au coût après amortissement, à l'exception des instruments dérivés, qui sont évalués à la juste valeur. Les variations de la juste valeur sont comptabilisées aux résultats de la période où elles se produisent.

Les frais de financement et les coûts de transaction liés aux actifs financiers évalués à la juste valeur sont passés en charge lorsqu'ils sont engagés. Ceux liés aux instruments financiers évalués au coût après amortissement sont présentés en augmentation ou en diminution de ces instruments, à l'exception des frais de financement associés à une ligne de crédit, qui sont comptabilisés comme un actif et qui sont amortis sur la période à laquelle ils se rattachent. Les frais de financement liés aux instruments à long terme sont amortis selon la méthode linéaire sur la période pour laquelle ils sont engagés. L'amortissement est comptabilisé aux résultats à titre de frais financiers.

S'il y a des indications d'une possible moins-value, les changements défavorables importants dans le calendrier ou le solde des flux de trésorerie que l'on prévoit tirer des actifs financiers évalués au coût après amortissement entraînent une réduction de leur valeur comptable passée en charge. Dans la mesure où une amélioration subséquente se produit, une moins-value antérieurement comptabilisée fait l'objet d'une reprise jusqu'à concurrence de ce qu'aurait été la valeur comptable ajustée de l'actif financier à la date de la reprise si la moins-value n'avait jamais été comptabilisée. Cette reprise est comptabilisée aux résultats.

NOTES COMPLÉMENTAIRES

de l'exercice terminé le 30 septembre 2017

1. PRINCIPALES MÉTHODES COMPTABLES (suite)**Instruments financiers (suite)**

Les instruments financiers évalués au coût après amortissement comprennent l'encaisse, les comptes clients, les avances à recevoir, les emprunts bancaires, les comptes fournisseurs, les salaires à payer, les avances à payer, la dette à long terme et les actions rachetables au gré du porteur présentées à titre de passifs financiers.

Les instruments financiers évalués à la juste valeur comprennent les contrats de change et les options sur devises dont le cours est fourni par un courtier en produits dérivés

Trésorerie et équivalents de trésorerie

La trésorerie et les équivalents de trésorerie comprennent les soldes d'encaisse, déduction faite des facilités de crédit dont le solde fluctue souvent entre le positif et le négatif.

Stocks

Les stocks sont évalués au moindre du coût, établi selon la méthode du coût moyen pondéré, et de la valeur nette de réalisation qui correspond au produit estimé de la vente dans le cours normal des activités, diminué des coûts d'achèvement et des charges nécessaires pour réaliser la vente.

Immobilisations corporelles

Les immobilisations corporelles sont comptabilisées au coût et sont amorties en fonction de leur durée de vie utile selon les méthodes, la période ou les taux suivants :

Équipement de bureau	solde dégressif	10 %
Équipement promotionnel	solde dégressif	10 % et 20 %
Enseigne	solde dégressif	20 %
Matériel informatique	solde dégressif	30 %
Matériel roulant	solde dégressif	30 %
Machinerie et équipement	selon le niveau de production	
Améliorations locatives	linéaire	durée du bail

NOTES COMPLÉMENTAIRES

de l'exercice terminé le 30 septembre 2017

1. PRINCIPALES MÉTHODES COMPTABLES (suite)**Immobilisations corporelles (suite)**

Les immobilisations corporelles louées sont comptabilisées comme si les biens avaient été acquis en contrepartie d'obligations découlant de contrats de location-acquisition. Les immobilisations corporelles louées sont amorties en fonction de leur durée de vie utile selon les méthodes et les taux suivants :

Matériel informatique	solde dégressif	30 %
Matériel roulant	solde dégressif	30 %
Machinerie et équipement	selon le niveau de production	

Les immobilisations corporelles sont soumises à un test de recouvrabilité lorsque des événements ou des changements de situation indiquent que leur valeur comptable pourrait excéder le total des flux de trésorerie non actualisés qui résulteront de leur utilisation et de leur sortie éventuelle. Une perte de valeur correspondant à l'excédent de leur valeur comptable sur leur juste valeur est constatée lorsqu'il est établi que la valeur comptable n'est pas recouvrable.

Actifs incorporels

Les logiciels sont comptabilisés au coût et sont amortis en fonction de leur durée de vie utile selon la méthode du solde dégressif au taux de 30 % et selon la méthode linéaire sur une période de 20 ans.

Les coûts liés aux logiciels développés à l'interne qui satisfont aux critères de comptabilisation en tant qu'actifs incorporels sont inscrits à l'actif.

Les logiciels sont soumis à un test de recouvrabilité lorsque des événements ou des changements de situation indiquent que leur valeur comptable pourrait excéder le total des flux de trésorerie non actualisés qui résulteront de leur utilisation et de leur sortie éventuelle. Une perte de valeur correspondant à l'excédent de leur valeur comptable sur leur juste valeur est constatée lorsqu'il est établi que la valeur comptable n'est pas recouvrable.

Aide gouvernementale

Les crédits d'impôt ayant trait aux activités de recherche et de développement et aux activités de design à l'interne sont comptabilisés en réduction des charges auxquelles ils se rapportent.

NOTES COMPLÉMENTAIRES

de l'exercice terminé le 30 septembre 2017

Aide gouvernementale (suite)

Les crédits d'impôt réclamés sont établis par la direction selon son interprétation des dispositions de la Loi de l'impôt sur le revenu du Canada, de la Loi sur les impôts du Québec et des pratiques administratives publiées par les autorités fiscales. Ces réclamations sont sujettes à une révision par l'Agence du revenu du Canada et par Revenu Québec. Les écarts entre les crédits d'impôt comptabilisés et les crédits d'impôt accordés, le cas échéant, sont comptabilisés aux résultats dans l'exercice au cours duquel ils sont connus.

Impôts sur les bénéfices

Les impôts sur les bénéfices sont comptabilisés selon la méthode des impôts exigibles.

Constatation des produits

Les produits de la vente de marchandises sont constatés au moment de leur livraison et du transfert des risques inhérents à la propriété au client, lorsqu'il y a une preuve convaincante de l'existence d'un accord, que le prix de vente est déterminé ou déterminable et que le recouvrement de la contrepartie est raisonnablement sûr.

Les produits de commissions sont constatés lorsque les services sont fournis pourvu qu'au moment de la prestation, le recouvrement final soit raisonnablement sûr.

Les produits d'intérêts sont constatés en fonction du temps écoulé.

Conversion des opérations conclues en devises

Tout actif ou passif et tout produit ou charge résultant d'une opération conclue en devises sont convertis en dollars canadiens au cours du change en vigueur à la date de l'opération. Par la suite, les actifs et les passifs monétaires libellés en devises sont convertis en dollars canadiens au taux en vigueur à la fin de l'exercice. Les gains ou les pertes de change qui en découlent sont constatés aux résultats.

18. RISQUES ASSOCIÉS AUX INSTRUMENTS FINANCIERS (suite)

Risque de taux d'intérêt

Le risque de taux d'intérêt est le risque que la juste valeur ou les flux de trésorerie futurs d'un instrument financier fluctuent en raison des variations des taux d'intérêt du marché. Les instruments financiers qui portent intérêt à taux fixe présentent ainsi un risque de juste valeur, tandis que les instruments financiers à taux variable engendrent un risque de trésorerie. La société a modifié son exposition au risque de taux d'intérêt par rapport à l'exercice précédent du fait de l'augmentation des emprunts bancaires et de la dette à long terme.

Risque de change

Le risque de change est le risque que la juste valeur ou les flux de trésorerie futurs d'un instrument financier fluctuent en raison des variations des cours des devises. La société réalise approximativement 55 % de son chiffre d'affaires en dollars américains (52 % en 2016) et 71 % de ses achats en devises (98 % en 2016), soit 68 % en dollars américains (81 % en 2016) et 3 % en euros (17 % en 2016). Par conséquent, certains éléments d'actifs et de passifs sont exposés aux fluctuations des cours du change.

Les actifs et les passifs financiers suivants sont libellés en devises et sont convertis en dollars canadiens au taux en vigueur à la date du bilan :

	2017	2016
Encaisse - dollars américains	212 885 \$	923 178 \$
Comptes clients - dollars américains	11 326 628 \$	11 581 351 \$
Comptes clients - euros	- \$	45 405 \$

Comptes fournisseurs - dollars américains	22 140 363 \$	9 050 755 \$
Comptes fournisseurs - euros	2 304 937 \$	788 627 \$
Avances à payer - dollars américains	248 969 \$	248 969 \$

18. RISQUES ASSOCIÉS AUX INSTRUMENTS FINANCIERS (suite)

Risque de change (suite)

La société a modifié son exposition au risque de change par rapport à l'exercice précédent du fait de l'augmentation des opérations en devises.

Au 30 septembre 2017, la société est partie à différents contrats de change à terme et à différentes options sur devises. Les contrats totalisent 600 000 euros (610 000 en 2016), arrivent à échéance en octobre 2017 (octobre 2016 à mars 2017 en 2016) et ont des taux de conversion de 1,4650 à 1,4703 (1,4300 à 1,4815 en 2016). Ces instruments financiers sont libellés en dollars canadiens et en euros et ont une valeur comptable négligeable.

Risque de liquidité

Le risque de liquidité est le risque que la société éprouve des difficultés à honorer les engagements liés à ses passifs financiers. La société est exposée à ce risque au regard des passifs financiers comptabilisés au bilan. La société a modifié son exposition au risque de liquidité par rapport à l'exercice précédent du fait de l'augmentation des passifs financiers comptabilisés au bilan.

19. CHIFFRES COMPARATIFS

Dear Stéphane,

Further to our discussion of this afternoon and after consulting with my client, the CIBC does not intend to contest the priority of the KERP Charge provided for at paragraph 10 of the relevant draft order. That said, we take further act of the BDC's undertaking to pay any costs which are determined to have been incurred in connection with any realization on the Property subject to the BDC's first ranking security.

Noah Zucker

Noah,

I wish to clarify that the USD 48,000 of Racking Proceeds currently held in the debtor's account at CIBC will be subject to the same determination and will follow the same destiny as the rest of the Racking Proceeds held in trust by the debtor's counsel.

Objet : [**EXT**] RE: CADI: Comments on draft motions and draft orders

Good afternoon all,

Further to discussions with my client as well as with counsel for the BDC, please be advised that the CIBC and the BDC are in agreement that:

- the issue of the characterisation of the Debtor's racking (the "**Characterization Issue**") will be determined at a later date by agreement or, failing which, by the Court; and
- the proceeds of any sales of the Debtor's racking, already effected or to be effected ("**Racking Proceeds**"), except the USD 48,000 of alleged Racking Proceeds currently held in the Debtor's account at the CIBC, shall be remitted to the Debtor's counsel and held in trust pending a final determination of the Characterization Issue.

To avoid any uncertainty that could result from the wording of paragraph 14 of the proposed Approval and Vesting Order, the CIBC will ask the Court to take acte at the hearing on Wednesday of the agreement that the Racking Proceeds will be held in trust with the Debtor's counsel pending a final determination of the Characterization Issue and any validation of claims that may need to be conducted by the Trustee.

With respect to the sharing of the proposed payments under the KERP and the priority of the KERP Charge, we understand that counsel for the BDC will be receiving instructions from his client tomorrow and will be able to confirm the BDC's position prior to the filing of the KERP motion.

Best regards,

Noah Zucker
