**Importance:** High

The Debtor's motion for an extension to file a proposal and for approval of the PT's third report proceeded before me today by Zoom. Counsel slip is attached. The motion is unopposed. The PT recommends the extension.

The Debtor is close to filing a proposal (expected this week). I am satisfied that it is acting in good faith, with due diligence, and that no creditor will be prejudiced by the extension. There is sufficient liquidity to take the Debtor through the extension period.

Order to go as signed by me and attached to this email. This order is effective from today's date and is enforceable without the need for entry and filing.

A handwritten signature in blue ink, appearing to read "Conway J.", with a stylized flourish at the end.
