**DEBTOR'S FIRST APPLICATION FOR EXTENSION OF DELAY TO FILE
PROPOSAL**

*(Bankruptcy and Insolvency Act (the "BIA"), RSC 1985, c. B-3, s.s. 50.4 (9)
relating to proceeding No. 1)*

**TO ONE OF THE HONOURABLE JUDGES OF THE SUPERIOR COURT, IN AND FOR
THE DISTRICT OF MONTREAL, SITTING IN COMMERCIAL DIVISION, OR TO THE
REGISTRAR THEREOF, THE DEBTOR/APPLICANT RESPECTFULLY SUBMITS:**

A. Background

1. The Debtor is a fintech corporation and possesses a sophisticated technology platform that conducts data analysis and transaction processing for existing networks, card issuers and payment systems (the "**Platform**").
2. The Platform, using proprietary AI-based predictive-analysis analyzes consumer experiences generating valuable incremental commercial opportunities for banks,

- fintech card issuers and merchants, thereby enabling them to increase their transaction revenues and improve the performance and profitability of their card portfolios through data monetization.
3. The innovations for the foregoing require a highly specialized workforce, including PHD's in AI, data science experts and secure hosting providers.
 4. For the reasons outlined in the Application to Approve Interim Financing and Interim Financing Charge and Administration Charge filed herein, the Debtor was obliged to file a Notice of Intention to file a Proposal under the BIA on April 22, 2025, the whole as appears from a certificate of Industry Canada communicated as **Exhibit R-1**.
 5. On May 1, 2025, an Order approving an Application to Approve Interim Financing, an Interim Financing Charge and an Administrative Charge was granted by Me Vincent-Michel Aubé, Registrar (the "**First Order**"), copy of same is communicated as **Exhibit R-2**.
 6. Since the above Order was issued, the Debtor, together with the Trustee, have commenced to prepare a solicitation and investment solicitation process ("**SISP**"), including the preparation of conditions of sale and a potential stalking horse bid.
 7. The SISP is scheduled to occur over the period of May and June, 2025, with a deadline to submit offers by June 4, 2025, and on May 14, 2025 the Trustee sent out a teaser to potential bidders, has prepared a non-disclosure agreement, and has accumulated the required documents from the Debtor to organize and open a data room for use by potential bidders.
 8. The SISP is the best possible manner of attracting potential bidders for the purchase and sale of the business and assets of the Debtor, and the Debtor and Trustee are using every possible means to put same in place as expeditiously as possible.
 9. The Trustee's Report of the state of the Debtor's Business and Financial Affairs as at April 30, 2025, pursuant to Sections 50.4 (7) (b) (ii) of the BIA, as to the state of Debtor's business and financial affairs since the filing of the First Report in respect of the First Order (the "**Second Report**") is communicated as **Exhibit R-3**.
 10. Given the foregoing, the Debtor requires a further period of 45 days to put in place the SISP and solicit bids in a reasonable time frame, and thereafter evaluate same.
 11. The Debtor is paying its current obligations and continues to operate its business.
 12. It is in the interest of the Debtor and its creditors that the present first extension of delay be granted in order for it to properly implement its SISP, evaluate bids received and, thereafter, determine whether it can file a proposal.

13. The Debtor has acted, and is acting in good faith and with due diligence.
14. The Debtor is hopeful that it will be able to make a viable proposal if the extension hereby sought is granted and sufficient sale proceeds are received, and significant tax losses remain available.
15. No creditor would be materially prejudiced if the extension herein sought is granted.
16. The Trustee is supportive of the present application and consents to same.

WHEREFORE, BY JUDGMENT TO BE RENDERED HEREIN, THE DEBTOR REQUESTS THIS HONORABLE COURT TO:

1. **GRANT** the Debtor's First (1st) Application for Extension of Delay to File a Proposal.
2. **SHORTEN** the delays for service and presentation of the Debtor's First Application for Extension of the Delay to File a Proposal, if necessary.
3. **EXTEND** the delay for the Debtor's filing of a Proposal, for a further delay of 45 days, namely to July 7, 2025 at 5:00pm.
4. **ORDER** provisional execution of the present Order, notwithstanding any appeal.
5. **THE WHOLE** without costs, save in the event of contestation, then with costs against any contesting party.

1. On April 22, 2025, the Company sought protection under the BIA by filing a NOI with the Proposal Trustee. A copy of the Certificate of Filing issued by the Superintendent of Bankruptcy was annexed as Exhibit A of the First Report of the Proposal Trustee (the "**First Report**")
2. On April 25, 2025, the Company filed a motion entitled *Application for an Order (1) Approving Interim Financing and Interim Financing Charge, and (2) Approving an Administration Charge* (the "**Financing and Charge Motion**").

3. On April 29, 2025, the Trustee sent documents by email or regular mail to all creditors of the Debtors, as identified by the Debtors, which included a Notice to Creditors of Intention to Make a Proposal as well as other statutory documents annexed hereto as **Exhibit "A"**.
4. On May 1, 2025, the Financing and Charge Motion was granted by the Court.
5. On May 1, 2025, the Debtor filed with the Official Receiver a Statement of Projected Cash Flow ("**Projections**") together with its report pursuant to Section 50.4(2)(c) of the BIA, covering the period from April 22, 2025 to May 30, 2025, which included the major assumptions used in the preparation of the Projections. Concurrently therewith, the Proposal Trustee filed its report on the reasonableness of the Projections in accordance with Section 50.4(2)(b) of the BIA, all of which are annexed hereto as **Exhibit "B"**.
6. On May 16, 2025, the Debtor filed a motion entitled *Debtor's First Application for Extension of Delay to File Proposal* (the "**Stay Extension Motion**") which has been scheduled for a hearing on May 22, 2025.
7. In order to monitor the affairs and finances of the Debtor, the Proposal Trustee has been provided with access to certain books, records and other important documents of the Debtor.

PURPOSE OF THIS REPORT

8. The purpose of this second report of the Proposal Trustee (the "**Second Report**") is to provide this Court with information pertaining to:
 - (i) Activities of the Proposal Trustee since the issuance of the First Report;
 - (ii) Post-filing operations and cash flow projections;
 - (iii) The sale and investment solicitation process (the "**SISP**") and stalking horse bid;
 - (iv) The Debtor's request for a first extension of the statutory delay to file a proposal to July 7, 2025; and
 - (v) The Proposal Trustee's recommendation.

TERMS OF REFERENCE

9. Unless otherwise noted, all monetary amounts contained in this Second Report are expressed in Canadian dollars.
10. In preparing this Second Report, the Proposal Trustee has relied upon certain unaudited financial information prepared by the Debtor's representatives, the Debtor's books and records, and discussions with the Debtor's representatives and legal counsel (the "**Information**").
11. Except as otherwise described in this Second Report, the Proposal Trustee has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Generally Accepted Assurance Standards ("**GAAS**") pursuant to the Chartered Professional Accountant of Canada Handbook and, as such, the Proposal Trustee expresses no opinion or

other form of assurance contemplated under GAAS in respect of the Information. The Information has been provided by the management of the Company and only the Company is responsible for the accuracy of such Information.

12. Future oriented financial information relied upon in this Second Report is based on the Debtor's representatives' assumptions regarding future events; actual results achieved may vary from the Information presented even if the hypothetical assumptions occur and these variations may be material. Accordingly, the Proposal Trustee expresses no assurance as to whether projections will be achieved.

ACTIVITIES OF THE PROPOSAL TRUSTEE

13. Since the filing of the Debtor's NOI, the Proposal Trustee, in addition to completing the notice to creditors and statutory service requirements noted above, has, *inter alia*:
- (i) Monitored the disbursements and the Company's current operations;
 - (ii) Reviewed weekly variances between the actual cash flow results and the Projections;
 - (iii) Initiated the SISP, as further detailed below;
 - (iv) Sent out stay of proceedings notices to entities in litigation with the Company;
 - (v) Assisted the Company with the NOI process and planning for next steps; and
 - (vi) Prepared this Second Report.

POST-FILING OPERATIONS AND CASH FLOW PROJECTIONS

14. The Company is a fintech corporation which has developed a sophisticated platform that conducts data analysis and transaction processing for existing networks, card issuers and payment systems. We refer to the First Report and the Financing and Charge Motion for further details.
15. Subsequent to the filing of the NOI, the Company has continued its operations in the ordinary course.
16. We refer to **Exhibit "C"** which reflects the reported results of the Debtor's cash versus the Projections, for the period April 22, 2025 to May 9, 2025 (the "**Period**"). Overall, the net cash flow for the Period is better than projected, due mainly to timing differences.

SALE AND INVESTMENT SOLICIATION PROCESS ("SISP") AND STALKING HORSE BID

17. As noted in the First Report, the primary objective of the restructuring is to provide time to focus on a sale of the Company on a going concern basis through the implementation of a SISP. The Company engaged the Proposal Trustee to initiate the SISP.
18. On May 14, 2025, the Proposal Trustee launched the SISP with a deadline to submit offers by no later than June 4, 2025, at 2:00 p.m. (prevailing Eastern Time). This is an accelerated sales process taking into

account the limited liquidity of the Debtor and thus the need to conclude a transaction, if possible, in the shortest time possible.

19. The Proposal Trustee performed a search of potential purchasers and as well, received a list of potential interested parties from the Debtor who were contacted in a prior sales effort conducted by an investment firm in 2023. A total of ninety (90) entities, both strategic (transaction and payment processing entities) and private equity companies, were identified as potential purchasers and were provided with a Teaser document.
20. Certain management personnel are in the process of preparing a stalking horse bid to purchase the assets of and assume various liabilities of the Company. As such, because it will be a related party bid, the Trustee is putting in place appropriate safeguards to ensure that all interested parties have an equal opportunity in submitting a bid.
21. The stalking horse bid, once finalized, will be included in the data room and the bidding procedures will be reflected in the terms and conditions of the SISP.
22. Any accepted offer will be subject to the approval of the secured lenders and this Court.

REQUEST TO EXTEND THE PROPOSAL PERIOD

23. The Debtor is requesting the extension of the NOI period to July 7, 2025 (the "**Extension**").
24. In support of the extension sought, the Debtors have prepared a statement of projected cash flow (**Exhibit "D"**) covering the period of May 12, 2025 to July 11, 2025, which we summarize as follow:

Mobi 724 Global Solutions Inc. Statement of Projected Cash Flow For the Period from May 12 to July 11, 2025		Total 61 days
Receipts		
Customers		\$ 168
		168
Disbursements		
Payroll		160
Consultants/Contracted Services		195

		647
Projected Cash Flow		\$ (479)
Opening bank		389
Interim Financing		125
Net cash flow		(479)
Ending Bank		\$ 35

25. The Proposal Trustee supports the Debtor's request for the Extension for the following reasons:
- (i) The Debtor is acting in good faith and with due diligence in taking steps to maximize the value of its assets for the benefit of its creditors;
 - (ii) The Company requires additional time to complete the sale process;
 - (iii) The Company intends to make a proposal to its creditors; and
 - (iv) It is the Proposal Trustee's view that the Extension will not prejudice or adversely affect any group of creditors.
26. The secured creditors, the Business Development Bank of Canada, Investissement Québec and R&D Capital have been served the Stay Extension Motion.

RECOMMENDATION

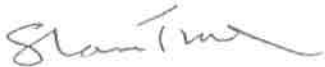

27. The Proposal Trustee recommends that this Court grant the relief sought in the Stay Extension Motion.

Respectfully submitted at Montreal, this 16th day of May 2025.

Trustee's Report on Cash-Flow Statement
(Paragraphs 50(6)(b) and 50.4(2)(b) of the Act)

In the Matter of the Notice of Intention to Make a Proposal of
Mobi724 Global Solutions Inc.
of the City of Montréal
in the Province of Québec

The attached statement of projected cash flow of Mobi724 Global Solutions Inc., as of the 30th day of April 2025, consisting of April 22 to May 30, 2025, has been prepared by the management of the insolvent person (or the insolvent debtor) for the purpose described in the notes attached, using the probable and hypothetical assumptions set out in the notes attached.

Our review consisted of inquiries, analytical procedures and discussion related to information supplied to us by: ☒ the management and employees of the insolvent person or ☐ the insolvent person. Since hypothetical assumptions need not be supported, our procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the projection. We have also reviewed the support provided by: ☒ management or ☐ the insolvent person for the probable assumptions and preparation and presentation of the projection.

Based on our review, nothing has come to our attention that causes us to believe that, in all material respects,

- (a) the hypothetical assumptions are not consistent with the purpose of the projection;
- (b) as at the date of this report, the probable assumptions developed are not suitably supported and consistent with the plans of the insolvent person or do not provide a reasonable basis for the projection, given the hypothetical assumptions; or
- (c) the projection does not reflect the probable and hypothetical assumptions.

Since the projection is based on assumptions regarding future events, actual results will vary from the information presented even if the hypothetical assumptions occur, and the variations may be material. Accordingly, we express no assurance as to whether the projection will be achieved.

The projection has been prepared solely for the purpose described in the notes attached, and readers are cautioned that it may not be appropriate for other purposes.
