<p>REPORT OF THE MONITOR FOR THE PURPOSE OF THE SANCTION OF THE AMENDED PLAN OF COMPROMISE AUGUST 4, 2016</p>

A) INTRODUCTION

1. On March 24, 2016, the Honourable Justice Martin Castonguay, J.S.C., issued an initial order (the "**Initial Order**") pursuant to the *Companies' Creditors Arrangement Act* (the "**CCAA**") in respect of 7098961 Canada Inc. (formerly known as Beyond the Rack Enterprises Inc., the "**Debtor**") as appears from the Court record.
2. Pursuant to the Initial Order, Richter Advisory Group Inc. ("**Richter**" or the "**Monitor**") was appointed as Monitor to the Debtor and a stay of proceedings (the "**Stay of Proceedings**") was issued from the date of the Initial Order until April 22, 2016 (the "**Stay Period**"). Thereafter, the Stay Period was extended a number of times and most recently until August 5, 2016.
3. The Debtor obtained the Initial Order with the necessary reliefs to allow the continuation of the activities while a sale process was implemented under Court supervision, the whole with a view to execute a going concern sale providing transition employment to a number of employees and maximize the underlying value of the business for the benefit of all stakeholders (including the employees, the trade creditors, the suppliers and the customers).

4. On May 24, 2016, the following orders were issued, the whole with a view to proceed to the sale of substantially all the operating assets of the Debtor to 9721444 Canada Inc. (the "**Purchaser**") and implement the Plan of Arrangement filed by the Debtor on the same day which funding was to be made by 9721444 Canada Inc. (the "**Plan Sponsor**"):
 - Approval and Vesting Order; and
 - Claims and Meeting Procedure Order.
5. On May 25, 2016, the Monitor issued the Monitor's Certificate confirming the following:
 - (a) the Purchase Agreement has been executed and delivered;
 - (b) the Purchase Price (as defined in the Purchase Agreement) payable upon the closing of the Transaction and all applicable taxes have been paid; and
 - (c) all conditions to the closing of the Transaction have been satisfied or waived by the parties thereto.
6. The Plan of Arrangement filed with the Court on May 24, 2016, the Claims and Meeting Procedure Order issued that day including the ancillary agreement between the Debtor, the Purchaser, Paysafe Merchant Services Inc. and Paysafe Merchant Service Corp. (collectively referred to, with Paysafe Merchant Services Inc., as "**Paysafe**"), required certain amendments so that the Plan of Arrangement could be implemented.
7. On June 13, 2016, the Debtor filed an Amended Plan of Compromise (the "**Amended Plan**") . Pursuant to the Amended Plan, the Basket Amount of \$310,000 will be distributed as follows:

Affected Non-Customer Creditors

- (i) First to pay \$68,000 of the Monitor and the Debtor's outstanding professional fees and disbursements;
- (ii) Second to pay Employee Pre-Filing Priority Claims and Government Priority Claims in full;
- (iii) Third, the remaining balance (if any) to pay amounts payable in respect of Customer Claims as explained further below; and

- (iv) Finally, the remaining balance (if any), shall be distributed to and shared by the Affected Non-Customer Claims on a pro-rata basis. Notwithstanding the foregoing, the Monitor shall not be obliged to effect payment of any distribution to Affected Non-Customer Creditors entitled to receive less than \$5.00.

Affected Customer Creditors

- (i) Customers having an unfulfilled order or a store credit dated prior to March 24, 2016 (“**Affected Customers**”) for which an amount is owing (“**Customer Claims**”) have the option of either receiving payment of \$5.00 by cheque or store credits of \$15.00 to be issued by the Purchaser.
8. On June 13, 2016, the Court issued the Amended Claims and Meetings Procedure Order, providing for a Claims Bar Date of July 18, 2016 at 5:00 pm (Montréal time) or, for a Creditor with a Restructuring Claim, the latest of (a) 5:00 pm (Montréal time) on July 18, 2016 and (b) 10 days after the date of receipt of the notice giving rise to the Restructuring Claim.
 9. On June 15, 2016, the Monitor sent the Notices provided for in the Amended Claims and Meeting Procedure Order as more fully described further in this report.
 10. On June 15, 2016, the Monitor made available on its website its Report on the State of the Debtors’ Affairs and the Amended Plan of Compromise and on June 16, 2016 made available an updated version of said report in order to provide information on the Debtor and to assist the Creditors and the Court in their review and assessment of the Amended Plan.
 11. A duly constituted Meeting of Creditors of the Debtor was held on August 3, 2016 during which the Amended Plan was submitted to the Creditors (or their proxies) physically present at this meeting.
 12. The Amended Plan was approved by the Required Majority (as defined in the Amended Plan).
 13. The Debtor will be filing with the Court a Motion to Sanction the Amended Plan of the Debtor.

14. The purpose of this Report is to provide the Court with an overview of the compromise and arrangement pursuant to the Amended Plan. This report is subdivided as follows:
 - Notices and Meeting Documents;
 - Meeting of Creditors and Vote on the Amended Plan; and
 - Monitor's Recommendation to the Court.
15. As indicated above, substantially all the assets of the Debtor have been sold to the Purchaser on May 25, 2016 and the Debtor no longer has any employees or management. The Purchaser, who is also the Plan Sponsor, has retained some of the former employees of the Debtor and they have been providing information to the Monitor as needed.
16. We inform the Court that the Monitor has not conducted an audit or investigation of the information provided by the Debtor and that accordingly, no opinion is expressed regarding the accuracy, reliability or completeness of the information contained within this report. The present information emanates from the Debtor's books and records that have been made available to the Monitor, as well as from discussions with its former employees and management who are now employed by the Purchaser.
17. All amounts are stated in Canadian dollars unless otherwise noted. Capitalized terms used herein and not defined herein shall have the meaning ascribed to them in the Amended Plan.

Since June 15, 2016, the Monitor's website provided a link to be used by Affected Customers to file a proof of claim using an online survey software capable to gather the relevant information from Affected Customers and produce reports in order to process Customers' Claims in a very efficient and cost effective manner.
23. The online survey software also allowed Affected Customers to select between Option A and Option B for the distribution provided in the Amended Plan and to vote on the Amended Plan.

D) MONITOR'S RECOMMENDATION TO THE COURT

32. The Debtor is asking this Court to sanction the Amended Plan.
33. The Amended Plan was accepted by the statutory majority of each class of Creditors.
34. The Monitor believes that the Amended Plan is fair and reasonable to the Creditors.
35. The Monitor is of the opinion that the Amended Plan was prepared in a serious and diligent manner.
36. The Monitor is of the opinion that if the Amended Plan is not sanctioned by the Court, there will be no recovery for the Creditors.
37. Consequently, the Monitor is of the opinion that it is in the interest of all the Affected Creditors as well as the Debtor and the other stakeholders that the Amended Plan be sanctioned and approved by the Court and therefore respectfully recommends that the Motion for the Sanction of an Amended Plan of Compromise and Arrangement, which is to be filed by the Debtor, be granted.
38. The Monitor understands that the Debtor will postpone the hearing for the Sanction Order to a date in September 2016 agreeable to all parties and the Court.
39. The Monitor believes that the issuance of an Order extending the Stay Period until September 30, 2016 is justifiable under the circumstances.

Me Simard also mentioned that pursuant to an agreement with Paysafe, the Debtor and the Monitor, the Sanction hearing will be postponed to mid-September 2016 to allow the time for Paysafe and the Purchaser to resolve any issue relating to certain post-filing obligations.

**UPDATED REPORT OF THE MONITOR
ON THE STATE OF THE DEBTOR'S AFFAIRS AND THE PLAN OF ARRANGEMENT
August 3, 2016**

INTRODUCTION

1. On June 15, 2016, Richter Advisory Group Inc. ("Richter"), the Court-appointed monitor (the "Monitor"), made available on its website its Report on the State of the Debtors' Affairs and the Amended Plan of Compromise and on June 16, 2016 made available an updated version of said report in order to provide information on Beyond the Rack Enterprises Inc. (the "Debtor") and to assist the Creditors and the Court in their review and assessment of the Amended Plan of compromise (the "Amended Plan").
2. The present Report of the Monitor provides an update on the following:
 - Amended Claims Process;
 - Estimated distribution to Creditors under the Amended Plan; and
 - Analysis of transactions prior to the issuance of the Initial Order.

3. **We refer the Creditors to the Monitor's Report dated June 16, 2016 for a comprehensive review of the Debtor's financial affairs and of the Amended Plan as this Report deals only with the above-mentioned specific matters.**
4. **Please note that substantially all the assets of the Debtor have been sold to the 9721444 Canada Inc. (the "Purchaser") on May 25, 2016 and that the Debtor no longer has any employees or management. The Purchaser, who is also the Plan Sponsor, has retained some of the former employees of the Debtor and they have been providing information to the Monitor as needed.**
5. **It should be noted that the Monitor has not conducted an audit or investigation of the books and records of the Debtor and that accordingly, no opinion is expressed regarding the accuracy or completeness of the information contained herein. The present information emanates from the Debtor's books and records that have been made available to the Monitor, as well as from discussions with its former employees and management who are now employed by the Purchaser.**
6. **All amounts are stated in Canadian dollars unless otherwise noted. Capitalized terms used herein and not defined herein shall have the meaning ascribed to them in the Amended Plan.**

UPDATE ON CLAIMS PROCESS

7. **On June 13, 2016, the Court issued the Amended Claims and Meetings Procedure Order, providing for a Claims Bar Date of July 18, 2016 at 5:00 pm (Montréal time) or, for a Creditor with a Restructuring Claim, the latest of (a) 5:00 pm (Montréal time) on July 18, 2016 and (b) 10 days after the date of receipt of the notice giving rise to the Restructuring Claim.**
8. **With the assistance of former employees of the Debtor and the Plan Sponsor, the Monitor has reviewed the major claims filed by the Creditors and communicated with same in order to:**
 - **Have the Creditors amend their claims when major discrepancies existed as compared to the Debtor's books and records, or alternatively;**
 - **Transmit Notices of Revision or Disallowance or value the claims for voting purposes and notify the Creditors accordingly.**

9. As of the Bar Date, 612 Affected Customers completed the on-line form to file a Claim. The Monitor conducted a comparison of the amounts claimed with the information per the books and records of the Debtor provided by the Plan Sponsor, and noted that certain Customers had multiple entries for the same transaction. The Monitor adjusted the amount of those Claims accordingly but did not notify the Affected Customers for the following reasons:

- The amount of each Customer Claim does not impact the amount that will be distributed to each Affected Customer;
- These adjustments did not have any impact on the result of the votes received from the Affected Customers; and
- There were too many adjustments and notifying each Affected Customer for which an adjustment was made would have been too cumbersome.

10. Amended Claims, Notices of Revision or Disallowance issued by the Monitor before the Meeting of Creditors and the valuation adjustments of certain claims for voting purposes are summarized as follows:

7098961 Canada Inc. Claims	Creditors			
	Affected Customers		Affected Non-Customers	
	Nb.	\$	Nb.	\$
Claims as filed or amended			324	53,307,223
- Customers	677	143,790		
- By subrogation	4	7,350,819		
Notice of Revision or Disallowance		-	(1)	(19,807,500)
Adjustments (Multiple entries) Customers	(65)	(51,653)		-
	<u>616</u>	<u>7,442,956</u>	<u>323</u>	<u>33,899,723</u>
Valuation adjustments for voting purposes			(7)	(9,866,980)
by subrogation	(3)	(7,160,545)		
Claims for voting purposes	<u>613</u>	<u>282,411</u>	<u>316</u>	<u>23,832,762</u>
<i>Customers</i>	<i>612</i>	<i>92,137</i>		
<i>By subrogation</i>	<i>1</i>	<i>190,273</i>		
	<u>613</u>	<u>282,411</u>		

11. It is important to note that the Creditors for which Notices of Revision or Disallowance have been issued by the Monitor or for which their Claims have been adjusted for voting purposes can contest the Monitor's position for purpose of distribution.

12. The Plan Sponsor and the Monitor have not completed the review and reconciliation of all Claims filed. Therefore, the quantum of the Proven Claims will vary depending on the final results of the Claims Process.

UPDATE ON ESTIMATED DISTRIBUTION TO CREDITORS

13. In the event the Creditors reject the Amended Plan, the only realistic alternative is bankruptcy, which would result in no recovery to the Affected Creditors.
14. The following table illustrates the revised estimated recovery under the Amended Plan which may be realized by the Creditors based on the information available as of the date of this Updated Report in comparison to the initial estimate as per the Report dated June 16, 2016:

7098961 Canada Inc.			
Estimated Distribution per the Amended Plan			
	Initial estimate	Low	High
Basket Amount	\$ 310,000	\$ 310,000	\$ 310,000
Less:			
Professional fees	(68,000)	(68,000)	(68,000)
Government Priority Claims	-	-	-
Available for Affected Claims	A 242,000	242,000	242,000
Estimated Affected Customer Claims		7,442,956	282,411
Estimated Affected Non-Customer Claims		33,699,723	23,832,762
Estimated Affected Claims	B \$ 41,368,365	\$ 41,142,679	\$ 24,115,173
Estimated recovery	A/B 0.58%	0.59%	1.00%

15. As shown in the above table, the revised estimated recovery under the Amended Plan is estimated to range between 0.59% and 1.00% of the total Proven Claims, which compares favorably to the initial estimate. It is important to note that the final distribution under the Amended Plan will vary depending on the final results of the Claims Process.

ANALYSIS OF PREFERENTIAL PAYMENTS

16. In the event the Amended Plan is approved, Creditors are deemed to have waived the recourses provided for in section 36.1 of the *Companies' Creditors Arrangement Act*. These recourses deal with the possibility of recovering certain amounts in the event there are reviewable transactions, preferential payments and/or dispositions of assets by the Debtor.

17. **The Monitor has conducted a cursory review of the main transactions which have taken place over the three (3) month period (with parties at arm's length) and the 12-month period (for major transactions with parties not at arm's length) preceding the issuance of the Initial Order (March 24, 2016). Following our review of these transactions, it appears that they were entered into in the normal course of business according to the terms of payment offered by the Creditors to the Debtor and/or according to the historical payment trend observed.**

CONCLUSION AND RECOMMENDATION

18. **The Monitor is still of the opinion that if the Amended Plan is not approved by the Creditors, there would not be any recovery to the Creditors.**
19. **The Monitor therefore maintains its recommendation to vote in favor of the Amended Plan.**

Dated at Montreal, this 3rd day of August 2016.
