MEANS FOR IMPLEMENTATION OF THE PLAN**

A. Overview of Settlements in Connection with the Plan

Pursuant to section 1123(b) of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration of the distributions and other benefits provided under the Plan, the Plan constitutes a request for the Bankruptcy Court to authorize and approve, among other things, the Creditors' Committee Settlement as implemented herein. The Creditors' Committee Settlement also includes, among other things, the First American Payment, which payment shall be used to fund, in part, the Cash payment being made to Holders of Other General Unsecured Claims pursuant to this Plan. Entry of the Confirmation order shall confirm (a) the Bankruptcy Court's approval, as of the Effective Date, of the Plan and all components of the Creditors' Committee Settlement and (b) the Bankruptcy Court's finding that the Creditors' Committee Settlement is (x) in the best interest of the Debtors, their respective Estates and the Holders of Claims and (y) fair, equitable and reasonable.

B. No Substantive Consolidation

The Plan is being proposed as a joint plan of reorganization of the Debtors for administrative purposes only and constitutes a separate chapter 11 plan of reorganization for each Debtor. The Plan is not premised upon the substantive consolidation of the Debtors with respect to the Classes of Claims or Interests set forth in the Plan.

C. Restructuring Transactions

On the Effective Date or as soon as reasonably practicable thereafter, the Debtors, with the consent of the Requisite Plan Sponsors, may take all actions as may be necessary or appropriate to effectuate any transaction described in, approved by, contemplated by, or necessary to effectuate the Restructuring Transactions under and in connection with the Plan. Such actions shall include:

- All Existing Interests in Horsehead Holding shall be cancelled as of the Effective Date.
- On the Effective Date, Horsehead Holding shall be converted from a Delaware corporation to a Delaware limited liability company that will elect to be taxed as a corporation for U.S. federal income tax purposes. For U.S. federal income tax purposes, the conversion of Horsehead Holding is intended to be treated as a reorganization under Section 368(a)(1)(F) of the Internal Revenue Code.
- Following such conversion of Horsehead Holding to a Delaware limited liability company on the Effective Date, Horsehead Holding shall issue the New Common Equity in accordance with the terms of the Plan directly to those holders of Claims entitled to receive New Common Equity, and Horsehead Holding shall become the Reorganized Horsehead, each other Debtor's ultimate parent company, upon Consummation.
- On the Effective Date, Reorganized Horsehead shall issue New Common Equity (1) Holders of Secured Notes Claims and Unsecured Notes Claims; and (2) to the applicable Plan Sponsors pursuant to the Plan and the UPA.
- On the Effective Date, the Additional Capital Commitment Participants and Reorganized Horsehead shall be bound by the purchase obligation and issuance obligations, respectively, with respect to the Additional Capital Commitment Units, in each case, pursuant to the terms of the UPA.
- On the Effective Date, the New Limited Liability Company Agreement shall be adopted by Reorganized Horsehead and shall be deemed to be valid, binding and enforceable in accordance with its terms, and each holder of New Common Equity shall be fully bound thereby in all respects. Each party receiving New Common Equity shall not be required to execute the New Limited Liability Company Agreement before receiving its respective distributions of New Common Equity under the Plan, including any New Common Equity issued pursuant to the UPA. Any such party who does not execute the New Limited Liability Company Agreement shall be automatically deemed to have accepted the terms of the New Limited Liability Company Agreement (in its capacity as a member of Reorganized Horsehead) and to be a party thereto without further action.

The Restructuring Transactions may include one or more additional actions, including one or more inter-company mergers, consolidations, amalgamations, arrangements, continuances, restructurings, conversions, dissolutions, transfers, assignments, liquidations, or other corporate transactions as may be determined by the Debtors to be necessary. The actions to implement the Restructuring Transactions may include: (1) the execution and delivery of appropriate agreements or other documents of merger, amalgamation, consolidation, restructuring, conversion, disposition, transfer, arrangement, continuance, dissolution, sale, purchase, or liquidation containing terms that are consistent with the terms of the Plan and that satisfy the applicable requirements of applicable law and any other terms to which the applicable Entities may agree; (2) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan and having other terms for which the applicable Entities agree; (3) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, conversion, amalgamation, arrangement, continuance, or dissolution pursuant to applicable state or provincial law; and (4) all other actions that the applicable Entities, with the consent of the Requisite Plan Sponsors, determine to be necessary, including making filings or recordings that may be required by applicable law in connection with the Plan.

D. Sources of Consideration

The Reorganized Debtors shall fund distributions and satisfy applicable Allowed Claims under the Plan with (i) Cash on hand, including Cash from operations, (ii) the New Common Equity, (iii) Cash proceeds from the purchase of New Common Equity pursuant to the UPA, (iv) the Warrants, and (v) the First American Payment.

E. UPA and the Additional Capital Commitment

Prior to the Effective Date, pursuant to the terms of the UPA, the Eligible Holders shall have the right to elect to commit to purchase Additional Capital Commitment Units and consequently participate in the Additional Capital Commitment. Such Additional Capital Commitment Units, an Eligible Holder's right to elect to purchase such Additional Capital Commitment Units and consequently participate in the Additional Capital Commitment, and Reorganized Horsehead's obligations to elect to exercise such Additional Capital Commitment and issue such Additional Capital Commitment Units are, in each case, subject to the terms and conditions of the UPA.

F. Issuance of New Common Equity

Upon the Effective Date, all equity interests of Horsehead shall be cancelled and Reorganized Horsehead shall issue the New Common Equity, as set forth under the Plan (including the UPA Units to the Plan Sponsors). Reorganized Horsehead shall ensure it has sufficient available New Common Equity in order to issue the Additional Capital Commitment Units to the Additional Capital Commitment Participants pursuant to the terms of the UPA. On the Effective Date, the Reorganized Debtors shall issue all securities, notes, instruments, certificates, and other documents required to be issued pursuant to the Plan.

Each unit of the New Common Equity issued pursuant to the Plan shall be validly issued, fully paid, and non-assessable. The New Limited Liability Company Agreement and any other New Organizational Documents shall be adopted on the Effective Date and shall be deemed to be valid, binding and enforceable in accordance with its terms, and each holder of New Common Equity shall be fully bound thereby in all respects.

G. Funding of General Unsecured Creditor Cash Account

The General Unsecured Creditor Cash Pool shall be transferred by the Reorganized Debtors on or before the Effective Date into the General Unsecured Creditor Cash Account and, subject to Article VI.H hereof, utilized by the Reorganized Debtors solely for distributions to Holders of Allowed Claims in Class 8B in accordance with the Plan. No costs incurred by the Reorganized Debtors shall be paid from the General Unsecured Creditor Cash Account, whether such costs relate to implementation of the Plan or otherwise, and the Reorganized Debtors shall not grant control over, or a security interest in, the General Unsecured Creditor Cash Account to any party.

H. Continued Corporate Existence.

The Reorganized Debtors shall adopt the New Organizational Documents. The Reorganized Debtors shall be authorized to adopt any other agreements, documents, and instruments and to take any other actions contemplated under the Plan as necessary or appropriate to consummate the Plan.

I. Vesting of Assets in the Reorganized Debtors.

Except as otherwise provided in the Plan or any agreement, instrument, or other document incorporated in the Plan, on the Effective Date, all property in each Estate, all Causes of Action (unless otherwise released or discharged pursuant to the Plan), and any property acquired by any of the Debtors pursuant to the Plan shall vest in each respective Reorganized Debtor, free and clear of all Liens, Claims, charges, or other encumbrances. On and after the Effective Date, except as otherwise provided in the Plan, the Reorganized Debtors may operate their business and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court or the Canadian Court and free of any restrictions of the Bankruptcy Code, the Bankruptcy Rules or the CCAA.

J. New Organizational Documents.

Each of the Reorganized Debtors will file its applicable New Organizational Documents, including the certificate of conversion and certificate of formation for Reorganized Holding, with the applicable Secretaries of State and/or other applicable authorities in its respective state, province, or country of incorporation or formation in accordance with the corporate laws of the respective state, province, or country of incorporation. Pursuant to section 1123(a)(6) of the Bankruptcy Code, the New Organizational Documents will prohibit the issuance of nonvoting equity securities. After the Effective Date, the Reorganized Debtors may amend and restate their respective New Organizational Documents and other constituent documents as permitted by the laws of their respective state, province, or country of incorporation and their respective New Organizational Documents.

K. Directors, Managers, and Officers of the Reorganized Debtors.

As of the Effective Date, the officers and members of the board of directors and board of managers of the Reorganized Debtors shall be appointed in accordance with the respective New Organizational Documents. To the extent any such director, manager, or officer of the Reorganized Debtors is an "insider" under the Bankruptcy Code, the Debtors also will disclose the nature of any compensation to be paid to such director or officer in the Plan Supplement. Each such director, manager, and officer shall serve from and after the Effective Date pursuant to the terms of the New Organizational Documents and other constituent documents of the Reorganized Debtors.

L. Registration Exemptions.

Subject to the below, pursuant to section 1145 of the Bankruptcy Code, the offering, issuance, and distribution of (1) the New Common Equity issued to Holders of Secured Notes Claims and Unsecured Notes Claims, (2) the Warrants issued to Holders of Convertible Notes Claims, (3) the New Common Equity issued upon exercise of the Warrants or any other security obtainable upon exercise of the Warrants pursuant to their terms, and (4) the Banco Bilbao Note to Holders of Banco Bilbao Credit Agreement Claims (collectively, the "Section 1145 Securities"), as contemplated by the Plan shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act, and any other applicable United States, state, or local law requiring registration prior to the offering, issuance, distribution, or sale of securities and shall be exempt from the registration and prospectus requirements of applicable Canadian securities laws and regulations. Such Section 1145 Securities will not be "restricted securities" (as defined in Rule 144(a)(3) under the Securities Act) and will be freely tradable and transferable by any initial recipient thereof that (x) is not an "affiliate" of the Reorganized Debtors (as defined in Rule 144(a)(1) under the Securities Act), (y) has not been such an "affiliate" within 90 days of such transfer, and (z) is not an entity that is an "underwriter" as defined in section 1145(b) of the Bankruptcy Code. Under Canadian securities laws and regulations, the Section 1145 Securities will be subject to statutory restrictions upon resale in Canada and may only be resold pursuant to an applicable statutory exemption or discretionary order.

Should the Reorganized Debtors elect on or after the Effective Date to reflect any ownership of the Section 1145 Securities through the facilities of The Depository Trust Company ("DTC"), the Reorganized Debtors need not provide any further evidence other than the Plan or the Confirmation Order with respect to the treatment of such New Common Equity under applicable securities laws. If applicable, the DTC shall be required to accept and conclusively rely upon the Plan and Confirmation Order in lieu of a legal opinion regarding whether such Section 1145 Securities are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. Notwithstanding anything to the contrary in the Plan, no Entity (including, for the avoidance of doubt, the DTC) may require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether such Section 1145 Securities are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services.

Pursuant to Section 4(a)(2) of the Securities Act or Regulation D promulgated thereunder, the offering, issuance, and distribution of the New Common Equity issued to the Plan Sponsors and the Additional Capital Commitment Units issued to the Additional Capital Commitment Participants, in each case, pursuant to the terms of the UPA, shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable United States, state, or local law requiring registration prior to the offering, issuance, distribution, or sale of Securities and shall be exempt from the registration and prospectus requirements of applicable Canadian securities laws and regulations. Such Securities will be "restricted securities" (as defined in

Rule 144(a)(3) under the Securities Act) subject to resale restrictions and may be resold, exchanged, assigned or otherwise transferred only pursuant to registration, or an applicable exemption from registration under the Securities Act and other applicable law. Under Canadian securities laws and regulations, these securities will be subject to statutory restrictions upon resale in Canada and may only be resold pursuant to an applicable statutory exemption or discretionary order.

M. General Settlement of Claims

As discussed in detail in the Disclosure Statement and as otherwise provided herein, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, upon the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims, Interests, Causes of Action, and controversies resolved pursuant to the Plan, including the controversies resolved by the global settlement between the Debtors, the Creditors' Committee and the Ad Hoc Group of Noteholders as described in the Disclosure Statement and pursuant to Article IV.A hereof. All distributions made to Holders of Allowed Claims in any Class are intended to be and shall be final.

N. Intercompany Account Settlement

The Reorganized Debtors will be entitled to transfer funds between and among themselves as they determine to be necessary to enable the Reorganized Debtors to satisfy their obligations under the Plan. Except as set forth herein, any changes in intercompany account balances resulting from such transfers will be accounted for and settled in accordance with the Debtors' historical intercompany account settlement practices and will not violate the terms of the Plan.

O. Cancellation of Existing Securities and Agreements

On the Effective Date, except to the extent otherwise provided in the Plan, and except with respect to the indemnification obligations set forth in Section 9.05 of the DIP Credit Agreement, all notes, instruments, certificates, and other documents evidencing Claims or Interests, and the Secured Notes Indenture, the Unsecured Notes Indenture, and the Convertible Notes Indenture shall be deemed cancelled and surrendered without any need for a Holder to take further action with respect to any note(s) or security, the obligations of the Debtors thereunder or in any way related thereto shall be deemed satisfied in full and discharged, and the Secured Notes Indenture Trustee, the Secured Notes Collateral Agent, the Unsecured Notes Indenture Trustee, and the Convertible Notes Indenture Trustee shall have no further obligations or duties thereunder; provided, however, that notwithstanding Confirmation or Consummation, any such agreement that governs the rights of the Holder of a Claim shall continue in effect solely for purposes of (1) allowing Holders to receive distributions under the Plan and (2) allowing Holders of Claims to retain their respective rights and obligations vis-à-vis other Holders of Claims pursuant to the applicable loan documents; provided, further, however, that the preceding proviso shall not affect the discharge of Claims pursuant to the Bankruptcy Code, the Confirmation Order, the Confirmation Recognition Order, or the Plan or affect any of the release, third-party release, Exculpation or injunction provisions contained in Article VIII of this Plan, or result in any expense or liability to the Reorganized Debtors, as applicable; provided, further, that the foregoing shall not affect the issuance of units issued pursuant to the Restructuring Transactions nor any other units held by one Debtor in the capital of another Debtor; provided, further, that each of the Unsecured Notes Indenture and the Convertible Notes Indenture shall continue in effect against the Debtors solely for the purposes of (a) preserving any rights of the Unsecured Notes Indenture Trustee and the Convertible Notes Indenture Trustee, as applicable, to indemnification or contribution from, respectively, Holders of Unsecured Notes or Convertible Notes under the Unsecured Notes Indenture or the Convertible Notes Indenture or any direction provided by Holders of the Unsecured Notes or Convertible Notes under the Unsecured Notes Indenture of the Convertible Notes Indenture, as applicable, (b) permitting the Unsecured Notes Indenture Trustee and the Convertible Notes Indenture Trustee to maintain or assert any right or Charging Lien each may have against distributions pursuant to the terms of the Unsecured Notes Indenture or the Convertible Notes Indenture, as applicable, to recover unpaid fees and expenses (including the fees and expenses of its counsel, agents, and advisors) of the Unsecured Notes Indenture Trustee and the Convertible Notes Indenture Trustee to the extent payable pursuant to Article XII.D hereof, unless paid pursuant to Article XII.D hereof; (c) enforcing any rights and remedies as between Holders of Unsecured Notes or Convertible Notes thereunder or as between any Holder of Unsecured Notes and the Unsecured Notes Indenture Trustee or as between any Holder of Convertible Notes and the Convertible Notes Indenture Trustee; and (d) the

payment of reasonable and documented fees and expenses incurred by the Unsecured Notes Indenture Trustee and the Convertible Notes Indenture Trustee to the extent payable pursuant to Article XII.D hereof, unless paid pursuant to Article XII.D hereof.

P. Corporate Action

Upon the Effective Date, all actions contemplated under the Plan shall be deemed authorized and approved in all respects, and, to the extent taken prior to the Effective Date, ratified without any requirement for further action by Holders of Claims or Interests, directors, managers, or officers of the Debtors, or any other Entity or Person, including, without limitation: (1) adoption or assumption, as applicable, of the agreements with existing management; (2) rejection or assumption, as applicable, of Executory Contracts and Unexpired Leases; (3) selection of the managers and officers for the Debtors; (4) the distribution of the New Common Equity as provided herein; (5) implementation of the Restructuring Transactions; and (6) all other acts or actions contemplated, or reasonably necessary or appropriate to properly consummate the transactions contemplated by the Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the corporate structure of the Debtors, and any corporate action required by the Debtors in connection with the Plan shall be deemed to have occurred and shall be in effect, without any requirement of further action by the security holders, directors, managers, authorized persons, or officers of the Debtors.

On or (as applicable) prior to the Effective Date, the appropriate officers, managers, or authorized persons of the Debtors (including any president, vice-president, chief executive officer, treasurer, general counsel, or chief financial officer thereof), shall be authorized and (as applicable) directed to issue, execute, and deliver the agreements, documents, securities, certificates of formation, bylaws, operating agreements, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Debtors, including the New Common Equity, and any and all other agreements, documents, securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by this Article IV.P shall be effective notwithstanding any requirements under non-bankruptcy law.

Q. Effectuating Documents; Further Transactions

On and after the Effective Date, the Debtors and the managers, officers, authorized persons, and members of the boards of managers thereof, are authorized to and may issue, execute, deliver, file, or record such contracts, securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan, the New Organizational Documents, and any securities issued pursuant to the Plan in the name of and on behalf of the Debtors, without the need for any approvals, authorization, or consents except for those expressly required pursuant to the Plan.

R. Section 1146 Exemption

Pursuant to, and to the fullest extent permitted by, section 1146 of the Bankruptcy Code, any transfers of property pursuant hereto or pursuant to the Plan shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, sales and use tax, mortgage recording tax, or other similar tax or governmental assessment, and the Confirmation Order shall direct and shall be deemed to direct the appropriate state or local governmental officials or agents to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation any instruments or other documents pursuant to such transfers of property without the payment of any such tax, recordation fee, or governmental assessment.

S. MEIP

The MEIP shall either be: (a) determined by the New Boards after the Effective Date; or (b) adopted by the New Boards on the Effective Date.

T. Director and Officer Liability Insurance

Notwithstanding anything contained in the Plan to the contrary, the D&O Liability Insurance Policies, in effect on the Effective Date, shall be continued. To the extent that the D&O Liability Insurance Policies are deemed to be Executory Contracts, then, notwithstanding anything in the Plan to the contrary, the Debtors shall be deemed to have assumed all of the Debtors' unexpired D&O Liability Insurance Policies pursuant to sections 365(a) and 1123 of the Bankruptcy Code effective as of the Effective Date. Entry of the Confirmation Order will constitute the Bankruptcy Court's approval of the Debtors' foregoing assumption of each of the unexpired D&O Liability Insurance Policies. Notwithstanding anything to the contrary contained in the Plan, confirmation of the Plan shall not discharge, impair, or otherwise modify any indemnity or other obligations of the insurers under any of the D&O Liability Insurance Policies.

In addition, after the Effective Date, none of the Debtors shall terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies (including any "tail policy") in effect on the Petition Date, with respect to conduct occurring prior thereto, and all directors and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy regardless of whether such directors and officers remain in such positions after the Effective Date.

U. Preservation of Causes of Action

In accordance with section 1123(b) of the Bankruptcy Code, and except where such Causes of Action have been expressly released (including pursuant to the Debtor Release and the Third Party Release), the Debtors and the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the Plan Supplement, and the Debtors' and the Reorganized Debtors' rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date.

No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against such Entity as any indication that the Debtors and the Reorganized Debtors will not pursue any and all available Causes of Action against such Entity. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action, including with respect to rejected Executory Contracts and Unexpired Leases, against any Entity, except as otherwise expressly provided in the Plan. Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Bankruptcy Court Final Order, the Debtors and the Reorganized Debtors expressly reserve all Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

V. Release of Avoidance Actions

On the Effective Date, the Debtors, on behalf of themselves and their estates, shall release any and all Avoidance Actions that may be assertable against (1) a trade creditor of any Debtor and/or Reorganized Debtor; (2) Holders of Unsecured Notes; (3) Holders of Convertible Notes; (4) members of the Creditors' Committee, and (5) any one or more of the successors or assigns of the foregoing, and any Entity acting on behalf of the Debtors or the Reorganized Debtors shall be deemed to have waived the right to pursue such Avoidance Actions; provided, that the foregoing waiver shall not limit the rights of the Debtors or the Reorganized Debtors or any Entity acting on behalf of the Debtors or the Reorganized Debtors to assert any defenses based on Avoidance Actions to Other Secured Claims or Other Priority Claims asserted by the Entities listed in clauses (1) – (5) hereof. No Avoidance Actions shall revert to creditors of the Debtors.

Notwithstanding the foregoing paragraph or anything to the contrary in this Plan (including pursuant to the Debtor Release), the Debtors and the Reorganized Debtors, their Estates, and their successors expressly reserve all Claims and Causes of Action against Técnicas Reunidas, S.A., including with respect to any Claims or Proofs of Claim asserted by Técnicas Reunidas, S.A. against any Debtor.

W. Assumption of Collective Bargaining Agreements

All collective bargaining agreements between the applicable labor union and the Debtors (collectively, the "CBAs") in place as of the Effective Date, shall be assumed by the Reorganized Debtors as of the Effective Date.

**ARTICLE V.
TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

A. Assumption and Rejection of Executory Contracts and Unexpired Leases

On the Effective Date, except as otherwise provided herein, all Executory Contracts or Unexpired Leases will be deemed rejected as of the Effective Date, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those Executory Contracts or Unexpired Leases that: (1) previously were assumed or rejected by the Debtors; (2) are identified on the Assumed Executory Contract and Unexpired Lease Schedule; (3) are the subject of a motion to assume such Executory Contracts or Unexpired Leases, as applicable, that is pending on the Effective Date, regardless of whether the requested effective date of such assumption is on or after the Effective Date; or (4) are a CBA. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such rejections and the assumption of the Executory Contracts or Unexpired Leases listed on the Assumed Executory Contract and Unexpired Lease Schedule pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Any motions to assume Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by the Bankruptcy Court on or after the Effective Date by a Final Order. Each Executory Contract and Unexpired Lease assumed pursuant to this Article V.A or by any order of the Bankruptcy Court, which has not been assigned to a third party prior to the Confirmation Date, shall revert in and be fully enforceable by the Debtors in accordance with such Executory Contract and/or Unexpired Lease's terms, except as such terms are modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption under applicable federal law. To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including, without limitation, any "change of control" provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in the Plan, the Debtors, with the consent of the Requisite Plan Sponsors, or the Reorganized Debtors, as applicable, reserve the right to alter, amend, modify, or supplement the Assumed Executory Contract and Unexpired Lease Schedule at any time through and including forty-five (45) days after the Effective Date.

B. Claims Based on Rejection of Executory Contracts or Unexpired Leases

Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Bankruptcy Court no later than twenty-one (21) days after notice of such rejection.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not filed with the Bankruptcy Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Estates, or their property, without the need for any objection by the Debtors or further notice to, action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, and be subject to the permanent injunction set forth in Article VIII.F hereof, notwithstanding anything in the Schedules or a Proof of Claim to the contrary. All Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as Zochem General Unsecured Claims or Other General Unsecured Claims, as applicable, and shall be treated in accordance with Article III.B hereof.

C. Cure of Defaults for Executory Contracts and Unexpired Leases Assumed

Any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash on the Effective Date, subject to the limitation described below, or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. In the event of a dispute regarding: (1) the amount of any payments to cure such a default; (2) the ability of the Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed; or (3) any other matter pertaining to assumption, the cure amount required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order or orders resolving the dispute and approving the assumption; provided, that the Reorganized Debtors may settle any dispute regarding the amount of any such cure amount without any further notice to any other party or any action, order, or approval of the Bankruptcy Court; provided, further, that, notwithstanding anything to the contrary herein, prior to the entry of a Final Order resolving any dispute and approving the assumption and assignment of such Executory Contract or Unexpired Lease, the Debtors, with the consent of the Requisite Plan Sponsors, or the Reorganized Debtors, as applicable, reserve the right to reject any Executory Contract or Unexpired Lease which is subject to dispute, whether by amending the Assumed Executory Contract and Unexpired Lease Schedule in accordance with Article V.A hereof or otherwise.

As soon as reasonably practicable, the Debtors shall provide for notices of proposed assumption and proposed cure amounts to be sent to applicable third parties and for procedures for objecting thereto and resolution of disputes by the Bankruptcy Court; provided, that, the Debtors reserve all rights with respect to any such proposed assumption and proposed cure amount in the event of an objection or dispute. Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption or related cure amount must be filed, served, and actually received by the Debtors and the DIP Lenders no later than thirty (30) days after service of the notice providing for such assumption and related cure amount. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption or cure amount will be deemed to have assented to such assumption or cure amount.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall constitute and be deemed to constitute the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. **Any Proofs of Claim filed with respect to an Executory Contract or Unexpired Lease that has been assumed shall be deemed disallowed and expunged, without further notice to, action, order, or approval of the Bankruptcy Court or the Canadian Court.**

D. Preexisting Obligations to the Debtors under Executory Contracts and Unexpired Leases

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors under such Executory Contract or Unexpired Lease.

E. Indemnification Obligations

The Debtors and the Reorganized Debtors shall honor any indemnification obligations in place immediately prior to the Effective Date (whether in by-laws, board resolutions, corporate charters, indemnification agreements, or employment contracts) solely for the Covered Persons and solely to the extent that the D&O Liability Insurance Policies provide coverage for such obligations; provided, however, that any such Covered Persons shall solely have recourse on account of any such obligations to the D&O Liability Insurance Policies and shall have no recourse to the Reorganized Debtors on account of any such obligations.

F. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Unless otherwise provided in the Plan, each Executory Contract or Unexpired Lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect

such Executory Contract or Unexpired Lease, and all Executory Contracts and Unexpired Leases related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements have been previously rejected or repudiated or are rejected or repudiated under the Plan.

Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims that may arise in connection therewith.

G. Reservation of Rights

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Assumed Executory Contract and Unexpired Lease Schedule, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any of the Debtors has any liability thereunder. In the event of a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors shall have ninety (90) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease, including by rejecting such contract or lease nunc pro tunc to the Confirmation Date, in each case with the consent of the Requisite Plan Sponsors.

H. Nonoccurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code, unless such deadline(s) have expired.

I. Contracts and Leases Entered Into After the Petition Date

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtor liable thereunder in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order or the Confirmation Recognition Order.

**ARTICLE VI.
PROVISIONS GOVERNING DISTRIBUTIONS**

A. Timing and Calculation of Amounts to Be Distributed

On the Initial Distribution Date (or if a Claim is not an Allowed Claim on the Initial Distribution Date or as soon as reasonably practicable thereafter, on the date that such Claim becomes an Allowed Claim, or as soon as reasonably practicable thereafter), and except as otherwise set forth herein, each Holder of an Allowed Claim shall receive the full amount of the distributions that the Plan provides for Allowed Claims in the applicable Class from the Disbursing Agent. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Article VII hereof. Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Initial Distribution Date. The New Common Equity shall be deemed to be issued as of the Effective Date to the Holders of Claims entitled to receive the New Common Equity hereunder without the need for further action by the Disbursing Agent, the Debtors, the Reorganized Debtors (including Reorganized Horsehead), or any other Debtor or Reorganized Debtor, including, without limitation, the issuance and/or delivery of any certificate evidencing any such units, units, or interests, as applicable.

B. *[Reserved]*

C. *Distributions Generally; Disbursing Agent*

Except as otherwise provided herein, all distributions made under the Plan, on or after the Effective Date, shall be made by the Disbursing Agent that may include the Reorganized Debtors or an entity designated by the Reorganized Debtors. Distribution on account of: (1) Macquarie Credit Agreement Claims shall be made to the Macquarie Credit Agreement Administrative Agent, at which time such distribution shall be deemed completed by the Debtors, and the Macquarie Credit Agreement Agent shall deliver such distribution in accordance with the Plan and the Macquarie Credit Agreement; (2) Banco Bilbao Credit Agreement Claims shall be made to Banco Bilbao Vizcaya Argentaria, S.A., at which time such distribution shall be deemed completed by the Debtors, and Banco Bilbao Vizcaya Argentaria, S.A. shall deliver such distribution in accordance with the Plan and the Banco Bilbao Credit Agreement; (3) Secured Notes Claims, Unsecured Notes Claims, and Convertible Notes Claims, shall be made to the Secured Notes Indenture Trustee, the Unsecured Notes Indenture Trustee, or the Convertible Notes Indenture Trustee or any respective designee thereof, as applicable, at which time such distributions shall be deemed completed by the Debtors, and the Secured Notes Indenture Trustee, the Unsecured Notes Indenture Trustee, and the Convertible Notes Indenture Trustee shall deliver such distributions in accordance with the Plan and the Secured Notes Indenture, the Unsecured Notes Indenture, and the Convertible Notes Indenture, as applicable, in each case subject to the right of any Prepetition Indenture Trustee to exercise any Charging Lien to the extent such fees or expenses are not paid to the Secured Notes Indenture Trustee, the Unsecured Notes Indenture Trustee, or Convertible Notes Indenture Trustee, as applicable, pursuant to Article XII.D hereof. For the avoidance of doubt, distributions made by the Macquarie Credit Agreement Administrative Agent, Banco Bilbao Vizcaya Argentaria, S.A., the Secured Notes Indenture Trustee, the Unsecured Notes Indenture Trustee, and the Convertible Notes Indenture Trustee shall be made, as it relates to the identity of the recipients, in accordance with the applicable indenture or credit agreement and the policies of the Depository Trust Company, as applicable.

D. *Rights and Powers of Disbursing Agent*

1. Powers of the Disbursing Agent

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated under the Plan; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred On or After the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable, actual, and documented fees and expenses incurred by any Disbursing Agent on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement claims (including reasonable, actual, and documented attorney fees and expenses) made by such Disbursing Agent shall be paid in Cash by the Reorganized Debtors.

E. *Distributions on Account of Claims Allowed After the Effective Date*

1. Payments and Distributions on Account of Disputed Claims

Distributions made after the Effective Date to Holders of Disputed Claims that are not Allowed Claims as of the Effective Date, but which later become Allowed Claims, shall be made no later than the next applicable Quarterly Distribution Date, unless the Reorganized Debtors and the applicable Holder of such Claim agree otherwise.

2. Special Rules for Distributions to Holders of Disputed Claims

Notwithstanding any provision otherwise in the Plan and except as may be agreed to by the Reorganized Debtors, on the one hand, and the Holder of a Disputed Claim, on the other hand, no partial payments and no partial

distributions shall be made with respect to any Disputed Claim until the Disputed Claim has become an Allowed Claim or has otherwise been resolved by settlement or Final Order; provided, that, if the Debtors do not dispute a portion of an amount asserted pursuant to an otherwise Disputed Claim, the Holder of such Disputed Claim shall be entitled to a distribution on account of that portion of such Claim, if any, that is not disputed at the time and in the manner that the Disbursing Agent makes distributions to similarly-situated Holders of Allowed Claims pursuant to the Plan.

F. Delivery of Distributions and Undeliverable or Unclaimed Distributions

1. Record Date for Distribution

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record Holders listed on the Claims Register as of the close of business on the Distribution Record Date. Notwithstanding the foregoing, with respect to Holders of Macquarie Credit Agreement Claims, Secured Notes Claims, Unsecured Notes Claims, and Convertible Notes Claims, distributions shall be made to such Holders that are listed on the register or related document maintained by, as applicable, the Macquarie Credit Agreement Administrative Agent, the Secured Notes Indenture Trustee, the Unsecured Notes Indenture Trustee, or the Convertible Notes Indenture Trustee as of the Distribution Record Date.

2. Delivery of Distributions in General

(a) Initial Distribution Date

Except as otherwise provided herein, on the Initial Distribution Date, the Disbursing Agent shall make distributions to Holders of Allowed Claims as of the Distribution Record Date at the address for each such Holder as indicated on the Debtors' books and records as of the date of any such distribution; provided, that, the manner of such distributions shall be determined at the discretion of the Disbursing Agent; provided, further, that, the address for each Holder of an Allowed Claim shall be deemed to be the address set forth in any Proof of Claim Filed by that Holder, or, if no Proof of Claim has been Filed, the address set forth in the Schedules. If a Holder holds more than one Claim in any one Class, all Claims of the Holder will be aggregated into one Claim and one distribution will be made with respect to the aggregated Claim.

(b) Quarterly Distribution Date

On each Quarterly Distribution Date or as soon thereafter as is reasonably practicable but in any event no later than thirty (30) days after each Quarterly Distribution Date, the Disbursing Agent shall make the distributions required to be made on account of Allowed Claims under the Plan on such date. Any distribution that is not made on the Initial Distribution Date or on any other date specified herein because the Claim that would have been entitled to receive that distribution is not an Allowed Claim on such date, shall be distributed on the first Quarterly Distribution Date after such Claim is Allowed. No interest shall accrue or be paid on the unpaid amount of any distribution paid on a Quarterly Distribution Date in accordance with Article VI.A hereof.

3. De Minimis Distributions; Minimum Distributions

No fractional units of New Common Equity shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Plan on account of an Allowed Claim would otherwise result in the issuance of a number of units of New Common Equity that is not a whole number, the actual distribution of units of New Common Equity shall be rounded as follows: (a) fractions of one-half ($\frac{1}{2}$) or greater shall be rounded to the next higher whole number; and (b) fractions of less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number with no further payment thereto. The total number of authorized units of New Common Equity to be distributed to holders of Allowed Claims shall be adjusted as necessary to account for the foregoing rounding.

No Cash payment valued at less than \$100.00, in the reasonable discretion of the Disbursing Agent, shall be made to a Holder of an Allowed Claim on account of such Allowed Claim.

4. Undeliverable Distributions and Unclaimed Property

In the event that any distribution to any Holder is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; provided, that, such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of six (6) months after the applicable distribution is returned as undeliverable. After such date, all unclaimed property or interests in property shall revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any Holder to such property or interest in property shall be discharged and forever barred.

G. *Manner of Payment*

At the option of the Disbursing Agent, any Cash payment to be made hereunder may be made by check or wire transfer or as otherwise required or provided in applicable agreements.

H. *Compliance with Tax Requirements*

In connection with the Plan, to the extent applicable, the Disbursing Agent shall comply with all tax withholding and reporting requirements imposed on it by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Disbursing Agent shall be authorized to take all actions necessary to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanism it believes is reasonable and appropriate. The Disbursing Agent reserves the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, liens, and encumbrances.

I. *No Postpetition Interest on Claims*

Unless otherwise specifically provided for in the Plan or the Confirmation Order, postpetition interest shall not accrue or be paid on any Claims against the Debtors, and no Holder of a Claim against the Debtors shall be entitled to interest accruing on or after the Petition Date on any such Claim.

J. *[Reserved]*

K. *Claims Paid or Payable by Third Parties*

1. Claims Paid by Third Parties

The Debtors, after the Effective Date, shall reduce in full a Claim, and such Claim shall be disallowed without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court or the Canadian Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor. To the extent a Holder of a Claim receives a distribution from the Debtors on account of such Claim and also receives payment from a party that is not a Debtor on account of such Claim, such Holder of the Claim shall, within fourteen (14) days of receipt thereof, repay or return the distribution to the applicable Debtor, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the total amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the applicable Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen (14)-day grace period specified above until the amount is repaid. For the avoidance of doubt, as set forth in Article III.B.4 hereof, the First American Payment shall not reduce or otherwise impact the distribution provided to Holders of Allowed Secured Notes Claims.

2. Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' Insurance Contracts until the Holder of such Allowed Claim has exhausted all remedies with respect to such Insurance Contract. To the extent that one or more of the Debtors' Insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such Insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court or the Canadian Court.

3. Applicability of Insurance Contracts

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable Insurance Contract(s). Notwithstanding anything herein to the contrary (including, without limitation, Article VIII), nothing shall constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any Cause of Action that the Debtors or any other Entity may hold against any Insurer under any Insurance Contracts, nor shall anything contained herein constitute or be deemed a waiver by such Insurers of any rights or defenses, including coverage defenses, held by such Insurers under the Insurance Contracts; provided, however, that the Title Policy shall be terminated upon the Effective Date.

L. Allocation

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

**ARTICLE VII.
PROCEDURES FOR RESOLVING CONTINGENT,
UNLIQUIDATED, AND DISPUTED CLAIMS**

A. Allowance of Claims

On or after the Effective Date, each of the Debtors or the Reorganized Debtors, as applicable, shall have and shall retain any and all rights and defenses such Debtor had with respect to any Claim immediately prior to the Effective Date.

B. Claims Objections, Settlements, Claims Allowance

The Reorganized Debtors shall have the authority to: (1) File objections to Claims, settle, compromise, withdraw, or litigate to judgment objections to any and all Claims, regardless of whether such Claims are in a Class or otherwise; (2) settle, liquidate, allow, or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court or the Canadian Court; and (3) administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court or the Canadian Court. The Reorganized Debtors shall use commercially reasonable efforts to object to any Claim (a) that is asserted in an amount that exceeds the amount owed to the Holder of the Claim according to the Debtors' books and records or (b) as to which no liability appears in the Debtors' books and records.

The Reorganized Debtors shall further use commercially reasonable efforts to file one or more Allowed Claims Notices with respect to non-contingent, liquidated Proofs of Claim that are not Allowed as of the Effective Date and as to which the Reorganized Debtors have determined not to file an objection.

C. Claims Estimation

On or after the Effective Date, the Reorganized Debtors may (but are not required to), at any time, request that the Bankruptcy Court estimate any Claim pursuant to applicable law, including, without limitation, pursuant to

section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction under 28 U.S.C. §§ 157 and 1334 to estimate any such Claim, including during the litigation of any objection to any Claim or during the pendency of any appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Claim that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions and discharge) and may be used as evidence in any supplemental proceedings, and the Debtors may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before seven (7) days after the date on which such Claim is estimated. Each of the foregoing Claims and objection, estimation, and resolution procedures are cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

D. Disputed Claims Reserve

On or prior to the Effective Date, the Reorganized Debtors or the Disbursing Agent shall be authorized, but not directed, to establish one or more Disputed Claims Reserves, which Disputed Claims Reserve shall be administered by the Reorganized Debtors or the Disbursing Agent, as applicable.

The Reorganized Debtors or the Disbursing Agent may, in their sole discretion, hold Cash in the Disputed Claims Reserve in trust for the benefit of the Holders of Claims ultimately determined to be Allowed after the Effective Date. The Reorganized Debtors shall distribute such amounts (net of any expenses, including any taxes relating thereto), as provided herein, as such Disputed Claims or Interests are resolved by a Final Order or agreed to by settlement, and such amounts will be distributable on account of such Disputed Claims as such amounts would have been distributable had such Disputed Claims been Allowed Claims as of the Effective Date.

Notwithstanding anything to the contrary herein, to the extent the Reorganized Debtors or the Disbursing Agent establish one or more Disputed Claims Reserve(s) with respect to the Claims in Class 8B, such reserve(s) must be held and maintained in the General Unsecured Creditor Cash Account in trust solely for the benefit of Holders of Allowed Claims in Class 8B and pursuant to the terms of Article IV.G hereof.

E. Adjustment to Claims Without Objection

Any Claim that has been paid or satisfied, or any Claim that has been amended or superseded, may be adjusted or expunged on the Claims Register by the Debtors to the maximum extent provided by applicable law without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court or the Canadian Court.

F. Time to File Objections to Claims

Any objections to Claims shall be Filed no later than the Claims Objection Bar Date.

G. Disallowance of Late Claims

EXCEPT AS OTHERWISE PROVIDED HEREIN OR AS AGREED TO BY THE REORGANIZED DEBTORS, ANY AND ALL PROOFS OF CLAIM FILED AFTER THE CLAIMS BAR DATE SHALL BE DEEMED DISALLOWED AND EXPUNGED AS OF THE EFFECTIVE DATE WITHOUT ANY FURTHER NOTICE TO OR ACTION, ORDER, OR APPROVAL OF THE BANKRUPTCY COURT OR THE CANADIAN COURT, AND HOLDERS OF SUCH CLAIMS MAY NOT RECEIVE ANY DISTRIBUTIONS ON ACCOUNT OF SUCH CLAIMS, UNLESS SUCH LATE PROOF OF CLAIM HAS BEEN DEEMED TIMELY FILED BY A FINAL ORDER.

H. Amendments to Claims

Except for the Filing of Proofs of Claim on account of Claims arising from the rejection of Executory Contracts or Unexpired Leases pursuant to the Plan, on or after the Effective Date, a Claim may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Reorganized Debtors, and any such new or amended Claim Filed shall be deemed disallowed in full and expunged without any further notice to or action, order, or approval of the Bankruptcy Court or the Canadian Court to the maximum extent provided by applicable law.

I. No Distributions Pending Allowance

If an objection to a Claim or portion thereof is Filed, no payment or distribution provided under the Plan shall be made on account of such Claim or portion thereof unless and until such Disputed Claim becomes an Allowed Claim, unless otherwise agreed to by the Reorganized Debtors.

J. Distributions After Allowance

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of the Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Claim the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, less any previous distribution (if any) that was made on account of the undisputed portion of such Claim, without any interest, dividends, or accruals to be paid on account of such Claim unless required under applicable bankruptcy law.

**ARTICLE VIII.
SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS**

A. Discharge of Claims and Termination of Interests

To the maximum extent provided by section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or in any contract, instrument, or other agreement or document created pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Reorganized Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors prior to the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim or Proof of Interest based upon such debt, right, or Interest is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted the Plan. Any default by the Debtors or Affiliates with respect to any Claim or Interest that existed immediately prior to or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date. The Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests subject to the Effective Date occurring.

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith compromise of all Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests, and controversies, as well as a finding by the Bankruptcy

Court that such compromise or settlement is in the best interests of the Debtors, their Estates, and Holders of Claims and Interests, and is fair, equitable, and reasonable. In accordance with the provisions of the Plan, pursuant to Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court or the Canadian Court, after the Effective Date, the Reorganized Debtors may compromise and settle Claims against the Debtors and their Estates and Causes of Action against other Entities.

B. Release of Liens

Except as otherwise provided in the Plan or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, except for any Secured Claims that the Debtors elect to Reinstate in accordance with Article III.B hereof, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates and any property of Chestnut Ridge shall be fully released and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the applicable Debtor and its successors and assigns or in the case of property owned by Chestnut Ridge, such property shall revert to Chestnut Ridge free and clear of all mortgages, deeds of trust, Liens, pledges, or other security interests.

G. Additional Provisions

For the avoidance of doubt, nothing in Article VIII.D or Article VIII.F hereof shall be construed as impairing, discharging, releasing, or enjoining the prosecution of direct, non-derivative claims against the Debtors' officers and directors held by the Greywolf Entities, solely in their capacities as holders or former holders of Existing Interests in Horsehead Holding and in no other capacity, arising out of or relating to any act, omission, transaction, agreement, event or other occurrence taking place prior to the Petition Date, including but not limited to that certain lawsuit before the United States District Court for the District of Delaware titled *Soto v. The Bankruptcy Court retains jurisdiction to determine whether environmental liabilities that have been asserted by a Governmental Unit are discharged or otherwise barred by this Plan or the Bankruptcy Code.

Notwithstanding any provision to the contrary in this Plan, the United States shall retain all of its rights to set-off as provided by law.

I. Protections Against Discriminatory Treatment

To the maximum extent provided by section 525 of the Bankruptcy Code, the Supremacy Clause of the United States Constitution and the CCAA, all Entities, including Governmental Units, shall not discriminate against the Debtors or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Debtors, or another Entity with whom the Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the

Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

J. Setoffs

Except as otherwise expressly provided for in the Plan (including pursuant to Article IV.V hereof) or in any court order, each Debtor, pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable non-bankruptcy law, or as may be agreed to by the Holder of a Claim, may set off against any Allowed Claim, other than any (1) DIP Claims; (2) Secured Notes Claims; (3) Class 8B Other General Unsecured Claims; (4) Convertible Notes Claims; (5) Unsecured Notes Claims; (6) General Unsecured Claims filed by members of the Creditors' Committee; or (7) Claims asserting priority pursuant to section 503(b)(9) of the Bankruptcy Code (before any distribution is made on account of such Allowed Claim), any claims, rights, and Causes of Action of any nature that such Debtor may hold against the Holder of such Allowed Claim other than any (1) DIP Claims; (2) Secured Notes Claims; (3) Class 8B Other General Unsecured Claims; (4) Convertible Notes Claims; (5) Unsecured Notes Claims; (6) General Unsecured Claims filed by members of the Creditors' Committee; or (7) Claims asserting priority pursuant to section 503(b)(9) of the Bankruptcy Code, to the extent such claims, rights, or Causes of Action against such Holder have not been otherwise compromised or settled on or prior to the Effective Date (whether pursuant to the Plan or otherwise); provided, that, neither the failure to effect such a setoff nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by such Debtor of any such claims, rights, and Causes of Action that such Debtor may possess against such Holder. In no event shall any Holder of Claims be entitled to setoff any Claim against any claim, right, or Cause of Action of any of the Debtors unless such Holder has timely Filed a Proof of Claim with the Bankruptcy Court preserving such setoff.

K. Recoupment

In no event shall any Holder of a Claim be entitled to recoup any Claim against any claim, right, or Cause of Action of any of the Debtors unless such Holder has timely Filed a Proof of Claim with the Bankruptcy Court asserting or preserving such right of recoupment on or before the Confirmation Date.

THE DEBTORS CAUTION THAT NO REPRESENTATIONS CAN BE MADE AS TO THE ACCURACY OF THE FINANCIAL PROJECTIONS OR THE LIKELIHOOD THAT THE DEBTORS WILL ACHIEVE THE PROJECTED RESULTS. SOME ASSUMPTIONS INEVITABLY WILL NOT MATERIALIZE. FURTHER, EVENTS AND CIRCUMSTANCES OCCURRING SUBSEQUENT TO THE DATE ON WHICH THE FINANCIAL PROJECTIONS WERE PREPARED MAY BE DIFFERENT FROM THOSE ASSUMED OR, ALTERNATIVELY, MAY HAVE BEEN UNANTICIPATED, AND, THUS, THE OCCURRENCE OF THESE EVENTS MAY AFFECT FINANCIAL RESULTS IN A MATERIALLY ADVERSE OR MATERIALLY BENEFICIAL MANNER. ARTICLE I. INTRODUCTION

This disclosure statement (this "Disclosure Statement") provides information regarding the Debtors' *Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* (the "Plan"), which the Debtors are seeking to have confirmed by the Bankruptcy Court. A copy of the Plan is attached hereto as Exhibit A. All capitalized terms used but not otherwise defined in this Disclosure Statement shall have the meaning ascribed to them in the Plan. The rules of interpretation set forth in Article I.B of the Plan shall govern the interpretation of this Disclosure Statement.

The Debtors operate in three distinct, but related, lines of business: (a) the recycling and processing of electric arc furnace ("EAF") dust and other zinc-bearing material to produce and sell zinc and other metals; (b) the production and sale of zinc oxide; and (c) the recycling and processing of a variety of metal-bearing waste material, and the production of nickel-based alloys. Due to events more fully described below, including, but not limited to, stressed commodity pricing environment, operational issues at the Debtors' primary zinc-processing facility, and a deteriorating liquidity situation, the Debtors filed for bankruptcy protection under chapter 11 on February 2, 2016. The Canadian Court recognized the Chapter 11 Cases as foreign main proceedings under Part IV of the CCAA on February 5, 2016. The Debtors entered chapter 11 to protect their assets and to formulate a balance sheet restructuring and deleveraging of the Debtors' current capital structure.

If confirmed and consummated, the Plan will eliminate more than \$400.0 million in debt from the Debtors' balance sheet and will provide the Debtors with the capital necessary to fund distributions to the Debtors' creditors pursuant to the Plan and provide the Debtors with working capital necessary to fund ongoing operations. To effectuate the Plan, the Debtors will, among other things, pursuant to the UPA, receive \$160.0 million and permit Eligible Holders to commit to purchase up to an additional \$100.0 million on a post-Effective Date basis and consequently participate in the Additional Capital Commitment.⁴ The proceeds received pursuant to the UPA, together with cash on hand and cash from operations, will be used to pay administrative and priority claims in full. The Plan eliminates substantially all of the Debtors' current debt load, provides full recoveries for creditors of Zochem, and provides meaningful recoveries for non-Zochem unsecured creditors. The Debtors respectfully submit that the Plan maximizes recoveries for the Debtors' stakeholders, right-sizes the Debtors' balance sheet, and preserves the Debtors' ongoing operations, including the jobs for the Debtors' approximately 700 employees.

The Debtors seek Bankruptcy Court approval of the Plan. Before soliciting acceptances of a proposed plan of reorganization, section 1125 of the Bankruptcy Code requires a plan proponent to prepare a disclosure statement containing information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment regarding acceptance of a chapter 11 plan. This Disclosure Statement is being submitted in accordance with such requirements. This Disclosure Statement includes, without limitation, information about:

- the Debtors' corporate history and corporate structure, business operations, and prepetition capital structure and indebtedness (Article IV hereof);
- events leading to the Chapter 11 Cases, including the Debtors' restructuring negotiations (Article IV hereof);
- significant events in the Chapter 11 Cases and the Canadian Proceedings (Article V hereof);
- the classification and treatment of Claims and Interests under the Plan, including who is entitled to vote and how to vote on the Plan (Article VI hereof);
- certain important effects of Confirmation of the Plan (Article VI hereof);
- releases contemplated by the Plan that are integral to the overall settlement of Claims and Interests pursuant to the Plan (Article VI hereof);

⁴ The UPA is attached hereto as Exhibit F.

- the statutory requirements for confirming the Plan (Article VII hereof);
- certain risk factors Holders of Claims should consider before voting to accept or reject the Plan and information regarding alternatives to Confirmation of the Plan (Article VIII hereof); and
- certain United States federal income tax consequences of the Plan (Article X hereof).

In light of the foregoing, the Debtors believe this Disclosure Statement contains "adequate information" to enable a hypothetical reasonable investor to make an informed judgment about the Plan and complies with all aspects of section 1125 of the Bankruptcy Code.

The Debtors' boards of directors, board of managers, and managing members (collectively, the "Authorizing Bodies"), as applicable, have approved the Plan and the transactions contemplated therein and believe the Plan is in the best interests of the Debtors, the Debtors' Estates, and the Debtors' creditors. As such, the Authorizing Bodies recommend that all Holders entitled to vote, accept the Plan by returning their ballots, so as to be **actually received** by the Debtors' Notice and Claims Agent no later than **[•], 2016, at 5:00 p.m. prevailing Eastern Time**. Assuming the requisite acceptances to the Plan are obtained, the Debtors will seek the Bankruptcy Court's approval of the Plan at the Confirmation Hearing and thereafter recognition of such approval order by the Canadian Court.

The Plan and all documents to be executed, delivered, assured, and/or performed in connection with the Consummation of the Plan, including the documents to be included in the Plan Supplement, are subject to revision and modification from time to time prior to the Effective Date (subject to the terms of the Plan).

ARTICLE II. TREATMENT OF CLAIMS AND INTERESTS

As set forth in Article III of the Plan, and in accordance with sections 1122 and 1123(a)(1) of the Bankruptcy Code, all Claims and Interests (other than Administrative Claims, Professional Fee Claims, DIP Facility Claims, and Priority Tax Claims) are classified into Classes for all purposes, including voting, Confirmation, and distributions pursuant hereto. A Claim or Interest is classified in a particular Class only to the extent that the Claim or Interest qualifies within the description of that Class. A Claim is also classified in a particular Class for the purpose of receiving distributions pursuant to the Plan only to the extent that such Claim is an Allowed Claim in that Class and has not been paid, released, or otherwise satisfied prior to the Effective Date.

The table below summarizes the treatment of all unclassified Claims under the Plan. The treatment and the projected recoveries of unclassified Claims are described in summary form below for illustrative purposes only. Risk factors addressing the effects of the actual amount of Allowed classified Claims exceeding the Debtors' estimates, and the effect of such variation on creditor recoveries, and other risks related to Confirmation and the Effective Date of the Plan are addressed in Article VIII hereof. To the extent that any inconsistency exists between the summary contained in this Disclosure Statement and the Plan, the terms of the Plan shall govern.

Estimated Allowed Claims identified in this Article II are based on the Debtors' books and records after reasonable inquiry, and are presented assuming a hypothetical Effective Date of September 30, 2016. Actual amounts of Allowed Claims could differ materially from the estimates set forth herein, and actual recoveries could differ materially from such estimates, on account of, among other things, any rejection damages that may occur as a result of the Debtors' rejection of Executory Contracts, including those deemed rejected pursuant to Article V of the Plan.

Classified Claim	Plan Treatment	Estimated Allowed Claims	Estimated Range of % Recovery Under the Plan	Estimated Range of % Recovery Under Chapter 7 ⁵
Administrative Claims	Unimpaired	\$36,692,000	100.0%	0.0% to 100.0% ⁶
Professional Fee Claims	Unimpaired	\$16,480,000	100.0%	100.0%
DIP Facility Claims	Unimpaired	\$92,250,000	100.0%	98.0% to 100.0%
Priority Tax Claims	Unimpaired	\$3,002,000	100.0%	0.0% to 100.0% ⁷

The tables below summarize the classification and treatment of all classified Claims and Interests against each Debtor (as applicable) under the Plan. The Plan shall apply as a separate Plan for each of the Debtors, and the classification of Claims and Interests set forth herein shall apply separately to each of the Debtors. All of the potential Classes for the Debtors are set forth herein. Certain of the Debtors may not have Holders of Claims or Interests in a particular Class or Classes, and such Claims or Interests shall be treated as set forth in Article III.B of the Plan. For all purposes under the Plan, each Class will apply for each of the Debtors (i.e., there will be thirteen (13) Classes for each Debtor);⁸ provided, that, certain Classes, as outlined in the Debtor-specific Claims classification tables below, shall be vacant with regard to certain Debtors.

The classification, treatment, and the projected recoveries of classified Claims are described in summary form below for illustrative purposes only and are subject to material change. In particular, recoveries available to the Holders of General Unsecured Claims are estimates based on information known to the Debtors as of the date hereof and actual recoveries could differ materially based on, among other things, whether the amount of Claims actually Allowed against the applicable Debtor exceed the estimates provided below. In such an instance, the recoveries available to the Holders of General Unsecured Claims could be materially lower when compared to the estimates provided below.⁹ Additionally, Holders of General Unsecured Claims in Class 8B will receive their Pro Rata share of the General Unsecured Creditor Cash Pool, which has been allocated to each of the Debtors other than Zochem as agreed to among by each of the Ad Hoc Group of Noteholders, the Debtors, and the Creditors' Committee, and subject to reallocation, as set forth in Exhibit A attached to the Plan. To the extent that any inconsistency exists between the summaries contained in this Disclosure Statement and the Plan, the terms of the Plan shall govern.

⁵ The estimated chapter 7 recovery ranges are set forth in the Debtors' liquidation analysis, attached hereto as Exhibit C (the "Liquidation Analysis").

⁶ As set forth in the Liquidation Analysis, each Debtor other than Zochem is projected to be administratively insolvent in a hypothetical liquidation undertaken pursuant to chapter 7 of the Bankruptcy Code.

⁷ As set forth in the Liquidation Analysis, each Debtor other than Zochem is projected to be administratively insolvent in a hypothetical liquidation undertaken pursuant to chapter 7 of the Bankruptcy Code.

⁸ For the avoidance of doubt, though estimated Allowed Claim amounts and recoveries in the tables below are aggregate Claim amounts and recoveries for all obligated Debtors, the recoveries against each Debtor with regard to the Macquarie Credit Agreement Claims, Secured Notes Claims, Unsecured Notes Claims, Convertible Notes Claims, and Banco Bilbao Credit Agreement Claims are not duplicative.

⁹ Additionally, estimated recovery percentages for Class 4 and Class 5 are based on the valuation of the New Common Equity set forth in the Debtors' valuation analysis, attached hereto as Exhibit D (the "Valuation Analysis"). The estimated value of the New Common Equity is based on and corresponds to the estimated enterprise value of the Reorganized Debtors in the Valuation Analysis, which falls within a range from approximately \$255.0 million to \$305.0 million, with a midpoint estimate of approximately \$280.0 million. Accordingly, actual recoveries available to Holders of Claims in Class 4 and Class 5 could materially differ based on, among other things, the underlying assumptions set forth in the Valuation Analysis.

Canadian Holders of Claims or Interests may consult the Information Officer's website at <http://www.richter.ca/en/folder/insolvency-cases/h/horsehead-holdings> for additional information regarding the Canadian Proceedings.

B. *Voting Deadline.*

The deadline to vote on the Plan is **[•], 2016, at 5:00 p.m., prevailing Eastern Time** (the "**Voting Deadline**"). All votes to accept or reject the Plan must be received by the Notice and Claims Agent by the Voting Deadline.

C. *Voting Procedures.*

The Debtors are distributing this Disclosure Statement, accompanied by a ballot to be used for voting to accept or reject the Plan, to the Holders of Claims entitled to vote to accept or reject the Plan. The Debtors have retained Epiq Bankruptcy Solutions, LLC to serve as the Notice and Claims Agent. The Notice and Claims Agent is available to answer questions concerning the procedures for voting on the Plan, provide additional copies of all materials, oversee the voting process, and process and tabulate ballots for each class entitled to vote to accept or reject the Plan. Canadian Creditors may also contact the Information Officer with questions regarding the Plan.

More detailed instructions regarding how to vote on the Plan are contained on the ballots distributed to Holders of Claims that are entitled to vote to accept or reject the Plan. All votes to accept or reject the Plan must be cast by using the appropriate ballot. All ballots must be properly executed, completed, and delivered according to their applicable voting instructions by: (a) first class mail, in the return envelope provided with each ballot; (b) overnight delivery; or (c) personal delivery, so that the ballots are actually received by the Notice and Claims Agent no later than the Voting Deadline at the return address set forth in the applicable ballot. Any ballot that is properly executed by the Holder of a Claim entitled to vote that does not clearly indicate an acceptance or rejection of the Plan or that indicates both an acceptance and a rejection of the Plan will not be counted. Ballots received by facsimile or by electronic means will not be counted.

Each Holder of a Claim entitled to vote to accept or reject the Plan may cast only one ballot for each Claim held by such Holder. By signing and returning a ballot, each Holder of a Claim entitled to vote will certify to the Bankruptcy Court and the Debtors that no other ballots with respect to such Claim has been cast or, if any other ballots have been cast with respect to such Claim, such earlier ballots are superseded and revoked.

All ballots will be accompanied by return envelopes. It is important to follow the specific instructions provided on each ballot, as failing to do so may result in your ballot not being counted.

D. *Additional Capital Commitment.*¹²

The provides all Plan Sponsors that are Holders of Secured Notes Claims and "accredited investors," as such term is defined by Rule 501 of Regulation D, promulgated under the Securities Act (each, an "Accredited Investor"), with the ability to elect to commit to purchase Additional Capital Commitment Units, in each case, subject to the terms and conditions set forth in the UPA.

E. *Plan Objection Deadline.*

The Bankruptcy Court has established [●], 2016, at 5:00 p.m., prevailing Eastern Time, as the deadline to object to confirmation of the Plan (the "Plan Objection Deadline"). All such objections must be Filed with the Bankruptcy Court and served on the Debtors and certain other parties in interest, in accordance with the Disclosure Statement Order, so that they are actually received on or before the Plan Objection Deadline. The Debtors believe that the Plan Objection Deadline, as established by the Bankruptcy Court, affords the Bankruptcy Court, the Debtors, and other parties in interest reasonable time to consider the objections to the Plan before the Confirmation Hearing.

F. *Confirmation Hearing.*

Assuming the requisite acceptances are obtained for the Plan, the Debtors intend to seek confirmation of the Plan at the Confirmation Hearing scheduled on **August 30, 2016, 10:00 a.m., prevailing Eastern Time**, before the Honorable Christopher S. Sontchi, United States Bankruptcy Judge, in Courtroom No. 6 of the United States Court for the District of Delaware, 824 North Market Street, 5th Floor, Wilmington, Delaware 19801. The Confirmation Hearing may be continued from time to time in consultation with the Plan Sponsors, without further notice other than an adjournment announced in open court, or a notice of adjournment Filed with the Bankruptcy Court and served on any entities who have Filed objections to the Plan. The Bankruptcy Court, in its discretion and before the Confirmation Hearing, may put in place additional procedures governing such hearing. The Plan may be modified, if necessary, before, during, or as a result of the Confirmation Hearing without further notice to parties in interest, subject to the terms of the Plan and the consent of the Requisite Plan Sponsors.

The Debtors anticipate seeking recognition of the Confirmation Order from the Canadian Court as promptly as practical after entry of the Confirmation Order.

**ARTICLE IV.
THE DEBTORS' BACKGROUND**

A. *The Debtors' Businesses.*

1. *The Debtors' Businesses and Corporate History.*

Based in Pittsburgh, Pennsylvania, Horsehead Corporation was incorporated in Delaware in May 2003, and its parent, Horsehead Holding Corp ("Horsehead Holding"), was incorporated in Delaware in December 2003, although the companies from which the Debtors acquired their zinc operations date to the mid-1800s. In 2002, one of these companies, Horsehead Industries, Inc., and certain of its affiliates, from which the Debtors' acquired most of their zinc producing assets, filed for chapter 11 protection in the Southern District of New York (collectively, the "Previous Chapter 11 Cases")¹³ as a result of then-current low zinc prices, production inefficiencies, high operational costs, and legacy environmental costs. In the Previous Chapter 11 Cases, Horsehead Industries, Inc. and certain of its affiliates sold substantially all of their operating assets to a private equity investor, which subsequently

exited that investment through two Rule 144A private equity offerings in 2006 and 2007. Currently, Horsehead Holding's equity owners are a diversified group of public investors, without a single entity owning or beneficially controlling more than 11 percent of Horsehead Holding's outstanding equity as of September 30, 2015. The Debtors produce zinc and nickel-based products for sale primarily to customers throughout the United States and Canada. Additionally, the Debtors are the largest recycler of EAF dust and a leading recycler of hazardous and non-hazardous waste for the steel industry in the United States. The Debtors and their non-Debtor affiliates have production and/or recycling operations at seven facilities located in five states and Canada. In addition, the Debtors own the site of a permanently shuttered facility in Bartlesville, OK.

As noted above, the Debtors operate in three distinct, but related, lines of business: (a) the processing of EAF dust and other zinc-bearing material to produce and sell zinc and other metals, undertaken by Horsehead Corporation; (b) the production and sale of zinc oxide, undertaken by Zochem; and (c) the processing of a variety of metal-bearing waste materials, and the production of nickel-bearing alloys, undertaken by INMETCO. These operations are detailed below.

(a) Horsehead Corporation.

(i) EAF Dust Recycling.

Through Horsehead Corporation, the Debtors are North America's largest recycler of EAF dust. Steel mini-mills melt and refine scrap metal in EAFs, and such process produces metal dust—the "EAF dust"—which is designated as a hazardous waste by and subject to disposal restrictions from the Environmental Protection Agency.¹⁴ Mini-mills or third party carriers then transport EAF dust to one of Horsehead Corporation's four EAF dust recycling facilities.¹⁵ There, Horsehead Corporation collects and recycles the zinc-bearing EAF dust by using a proprietary "Waelz Kiln" process, which allows Horsehead Corporation to extract zinc from EAF dust in the form of Waelz oxide ("WOX"),¹⁶ and recycle the remaining components of the dust in the form of an iron-rich co-product that is sold primarily as an aggregate.

Horsehead Corporation's multiple EAF dust recycling facilities are strategically located near major EAF operators, which reduces transportation costs and enhances the Debtors' ability to compete effectively with other means of EAF dust disposal. Additionally, a competitive cost position, an extensive zinc distribution network, and proprietary market knowledge, allow the Debtors to maintain their market-leading position. The Debtors are one of the leading environmental service providers to the U.S. steel industry, having recycled, together with their predecessors, 11.2 million tons of EAF dust since 1990, which is equivalent to approximately 2.2 million tons of zinc, and represents the dust generated in the production of over 650 million tons of steel. Horsehead Corporation's recycling and conversion of EAF dust reduces a steel mini-mill's exposure to environmental liabilities that may arise if EAF dust is sent to a landfill and not recycled.

(ii) Zinc Production.

Horsehead Corporation is a producer of zinc products, including zinc metal, used in the galvanizing¹⁷ of steel, in zinc die castings, and zinc-bearing alloys in the U.S. Horsehead Corporation also produces WOX and zinc

¹⁴ See, e.g., 40 C.F.R. §§ 261, 268, 271.

¹⁵ These facilities are located in: (a) Barnwell, South Carolina; (b) Chicago, Illinois (Calumet); (c) Palmerton, Pennsylvania; and (d) Rockwood, Tennessee. As described more fully below, the Barnwell, South Carolina recycling facility is operated by the Debtors and is located on real property owned by Horsehead Zinc Recycling, LLC, a non-Debtor subsidiary of Debtor Horsehead Corporation.

¹⁶ WOX, known also as crude zinc oxide, contains approximately 55–60% zinc.

¹⁷ Galvanization refers to the process of applying a protective zinc coating to steel or iron to prevent rusting.

calcine for sale to other zinc producers. Horsehead Corporation uses WOX, the primary product of its recycling operations, as a low-cost, raw material feedstock in the production of zinc metal and value-added zinc products, which yields a competitive cost advantage. The Debtors' EAF dust recycling operations provide them with a reliable, cost-effective source of recycled feedstock without relying on third-party sellers.

Prior to the Petition Date, Horsehead Corporation conducted its zinc production (as opposed to recycling) operations from its facility located in Mooresboro, North Carolina (the "Mooresboro Facility"), which the Debtors began constructing in September 2011 to replace their former zinc smelter located in Monaca, Pennsylvania (the "Monaca Facility").¹⁸ The Mooresboro Facility, which began production in May 2014 and is currently in an idled state, was intended to allow the Debtors to produce special high grade zinc, continuous galvanizing grade zinc, and high grade zinc, in addition to the prime western zinc the Debtors produced at the Monaca Facility.

The Mooresboro Facility's design is intended to use sustainable manufacturing practices to produce zinc solely from recycled materials. The Mooresboro Facility is designed to use significantly less fossil fuel, primarily in the form of metallurgical coke, than the Monaca Facility, which allows the Debtors to reduce greenhouse gas emissions and particulates into the atmosphere. The Mooresboro facility is designed to process a wide range of recycled oxidic zinc materials. To illustrate, before WOX can be used to produce zinc metal in a traditional zinc smelting facility, it has to first generally be "calcined" into a product called zinc calcine. The calcining process further refines WOX and involves heating WOX to eliminate impurities, which increases the zinc content of WOX from approximately 55–60% to approximately 65–70%. The Debtors use rotary kiln-based operations at its recycling facilities to calcine WOX to then create zinc calcine.

Once fully operational, the Debtors believe the Mooresboro Facility will eliminate the need to calcine the majority of WOX prior to its use, thereby reducing the Debtors' manufacturing conversion and logistics costs in its recycling facilities. In addition, the Debtors expect that the Mooresboro facility, once fully operational, will have lower conversion costs than the Monaca facility, allow Horsehead to realize a higher premium on the sale of Special High Grade and Continuous Galvanizing Grade zinc and recover value from the lead and silver contained in WOX in addition to increasing the total output of zinc metal from the same. However, the Mooresboro Facility was operating at approximately 25% of capacity during the fourth quarter of 2015. On January 22, 2016, due to financial constraints, the Debtors issued notices to their employees at the Mooresboro Facility under the Worker Adjustment and Retraining Notification Act and publicly announced their intention to transition the Mooresboro Facility from fully-operational status to operating on a "care and maintenance level" only by February 8, 2016.¹⁹

(b) Zochem.

The Debtors acquired Zochem in November 2011, which produces zinc oxide at a dedicated facility in Brampton, Ontario, Canada. Zochem is one of the largest single-site producers of zinc oxide in North America. Zinc oxide is used as an additive in various materials and products, including plastics, ceramics, glass, rubbers, cement, lubricants, pigments, sealants, ointments, fire retardants, and batteries. The Debtors sell zinc oxide to over 250 producers of tire and rubber products, chemicals, paints, plastics, and pharmaceuticals, and have supplied zinc oxide to the majority of their largest customers for over 10 years. Zochem's Brampton, Ontario facility has the capacity to produce approximately 72,000 tons of zinc oxide a year.

(c) INMETCO.

The Debtors acquired INMETCO in November 2009. INMETCO is a leading recycler of nickel-bearing waste generated by the stainless and specialty steel producers, and a leading recycler of nickel-cadmium and other types of batteries in North America. INMETCO operates out of a facility located in Ellwood City, Pennsylvania, which produces nickel-bearing products by using 100% recycled materials. Additionally, INMETCO collects and

¹⁸ The Debtors permanently shut down the Monaca Facility in April 2014 and subsequently demolished it, and sold the land in June 2015, although the Debtors retain ownership of a non-hazardous captive landfill located at that site.

¹⁹ See Horsehead Holding Corp., Current Report (Form 8-K), at Ex. 99.1 (Jan. 22, 2016).

recycles batteries through its own collection programs and Call2Recycle, which was founded in 1994 by five major rechargeable battery makers. INMETCO also provides environmental services to over 200 customers that generate nickel-containing waste products, such as filter cake, spent pickle liquor, grinding swarf, and mill scale.

(d) The Debtors' Non-Debtor Affiliates.

(i) ThirtyOx, LLC.

In December 2013, Horsehead Metal Products, LLC ("HMP") entered into a joint venture known as ThirtyOx, LLC ("ThirtyOx") with Imperial Acquisitions LLC for the acquisition and processing of zinc-bearing secondary materials. ThirtyOx's processing operation is located in North Carolina near the Mooresboro Facility and began operations in 2014. Horsehead Corporation's EAF dust recycling operations supply the majority of feedstock used by ThirtyOx. In turn, ThirtyOx historically supplied a portion of the incremental zinc feed required by the Mooresboro Facility by recovering secondary zinc oxides from the residues generated by galvanizers, die-casters, and other users of zinc metals.

(ii) Horsehead Zinc Recycling, LLC.

Horsehead Corporation owns or controls 99.99% of Horsehead Zinc Recycling, LLC ("HZR").²⁰ HZR was formed in 2009 as part of the financing arrangement related to the NMTC Loans (as defined below). The NMTC Loans were used to fund the development of an EAF dust-recycling facility located in Barnwell, South Carolina (the "Barnwell Facility"). The real property on which the Barnwell Facility is located is owned by HZR and is encumbered by a mortgage securing the NMTC Loans. Horsehead Corporation operates the Barnwell Facility, which is subject to a lease and non-disturbance agreement in favor of Horsehead Corporation.

(iii) Chestnut Ridge Railroad Corp.

Chestnut Ridge Railroad Corp. ("Chestnut Ridge") was incorporated in 2004 and is a direct, wholly-owned subsidiary of Horsehead Corporation. Chestnut Ridge provides short-line railroad service in Palmerton, Pennsylvania, for the transportation of materials for both intercompany and outside-customer use, and is an obligor on certain prepetition debt of the Debtors. Chestnut Ridge is also an obligor or guarantor of the Debtors' obligations with respect to the Macquarie Credit Facility, the Secured Notes, and the Unsecured Notes. Pursuant to the Plan's release, discharge, and injunction provisions, Chestnut Ridge's obligations with respect to the Macquarie Credit Facility, the Secured Notes, and the Unsecured Notes will be released pursuant to the Plan.

2. The Debtors' Organizational Structure.

A diagram presenting the Debtors' organizational structure as of the Petition Date is attached hereto as Exhibit E. As set forth on Exhibit E, Horsehead Corporation, Zochem, and INMETCO are each wholly owned by Horsehead Holding. In addition, and as noted above, Horsehead Corporation owns HMP,²¹ non-Debtor Chestnut, and owns or controls 99.99% of non-Debtor HZR.

²⁰ The other .01% of HZR is owned by Banc of America CDE III, LLC and CCM Community Development IV LLC.

²¹ As discussed above, HMP has a 50% interest in non-Debtor ThirtyOx through a joint venture it entered into in 2013.

B. *Summary of Prepetition Capital Structure.*

As of the Petition Date, the Debtors' consolidated long-term debt obligations totaled approximately \$427.8 million. The primary components of the Debtors' consolidated funded debt obligations outstanding as of the Petition Date are described below.

Indebtedness	Principal Outstanding (\$ millions)
Macquarie Credit Facility ²²	\$ 32.7
10.50% Secured Notes	205.0
Zochem Secured Credit Facility	18.5
9.00% Unsecured Notes	40.0
3.80% Convertible Notes	100.0
Banco Bilbao Credit Facility	17.4
NMTC Loans	14.2
Total	\$ 427.8

1. *The Macquarie Credit Facility.*

On June 30, 2015, each of the Debtors other than Zochem entered into an \$80.0 million secured revolving credit facility (the "Macquarie Credit Facility") as borrowers or guarantors with Macquarie Bank Limited ("Macquarie"). The Macquarie Credit Facility became effective on July 6, 2015, and was scheduled to mature on May 15, 2017. This facility replaced the maximum aggregate \$80.0 million principal amount of two prior facilities. Obligations arising under the Macquarie Credit Facility are secured by liens on substantially all of the Debtors' assets, other than assets of, and equity issued by, Zochem. Certain of these assets securing the Debtors' obligations under the Macquarie Credit Facility also secure the Debtors' obligations under the Secured Notes (as defined below). On March 31, 2016, Macquarie assigned all of its interests under the Macquarie Credit Facility to a third party, and resigned as administrative and collateral agent under the Macquarie Credit Facility.

In connection with the applicable Debtors' entry into the Macquarie Credit Facility, the collateral agents for the Secured Notes and the Macquarie Credit Facility also entered into an intercreditor agreement dated June 30, 2015 (the "Intercreditor Agreement"), which, among other things, assigns relative priority between Macquarie and holders of the Secured Notes with regard to certain shared collateral. Pursuant to the Intercreditor Agreement, liens granted by the Debtors to secure the Macquarie Credit Facility: (a) are senior to any liens granted by the Debtors to secure the Secured Notes with respect to Facilities Priority Shared Collateral (as defined in the Intercreditor Agreement), including (i) assets of, and equity interests issued by, INMETCO, and (ii) certain personal property of Horsehead Corporation and its subsidiaries, including accounts receivables, inventory, cash, and deposit accounts (excluding any cash or amounts deposited in deposit accounts representing proceeds of Notes Priority Shared Collateral (as defined in the Intercreditor Agreement)); and (b) are junior to liens granted by the Debtors to secure the Secured Notes with respect to Notes Priority Shared Collateral (as defined in the Intercreditor Agreement), including (i) any liens granted to secure the Secured Notes with respect to real property, fixtures, and equipment of Horsehead Corporation and its subsidiaries, and (ii) with respect to liens granted on the equity interests of Horsehead Corporation.

On May 27, 2016, the Debtors Filed with the Bankruptcy Court a stipulation (the "Macquarie Stipulation") entered into among the Debtors, the Ad Hoc Group of Noteholders, the Creditors' Committee, and Cetus Capital, LLC on behalf of certain of its funds and affiliates (collectively, "Cetus"), successor in interest to the obligations

²² As set forth below, the stipulated balance of the Macquarie Credit Agreement Claims is \$32,850,000, pursuant to the Macquarie Stipulation (as defined below).

outstanding under the Macquarie Credit Facility [Docket No. 980]. The Macquarie Stipulation provides for, among other things, a liquidated balance for the obligations under the Macquarie Credit Facility of \$32,850,000. The Bankruptcy Court approved the Macquarie Stipulation on May 31, 2016 [Docket No. 998].

2. The Secured Notes.

In July 2012, the Debtors completed a private placement of \$175.0 million in principal amount of 10.50% senior secured notes due 2017 (the "Secured Notes") at an issue price of 98.188% of par. The Debtors used the proceeds from the Secured Notes primarily for construction costs of the Mooresboro Facility. On June 3, 2013, the Debtors issued \$20.0 million of additional Secured Notes at an issue price of 106.50% of par, and completed the sale of an additional \$10.0 million of Secured Notes at an issue price of 113.00% of par on July 29, 2014. As of the Petition Date, approximately \$205.0 million of Secured Notes were outstanding.

The Secured Notes are guaranteed by each of the Debtors other than Zochem, and obligations arising under the Secured Notes are secured by such Debtors' existing and future property and assets, including a first-priority pledge from Horsehead Holding of 65% of Horsehead Holding's equity interest in Zochem. The relative priority of liens securing the Secured Notes and the liens securing the Macquarie Credit Facility with respect to certain shared collateral is set forth in the Intercreditor Agreement, as described further above.

3. The Zochem Senior Secured Revolver.

On April 29, 2014, Zochem, as borrower, and Horsehead Holding, as guarantor, entered into a \$20.0 million secured revolving credit facility (the "Zochem Facility") with PNC Bank, N.A. ("PNC") as agent. The Zochem Facility was secured by a first priority lien (subject to certain permitted liens) on substantially all of Zochem's tangible and intangible personal property, and, pursuant to the Zochem Forbearance, a lien on Zochem's processing facility located in Brampton, Ontario, Canada. Horsehead Holding unconditionally guaranteed Zochem's obligations under the Zochem Facility, and pursuant to that certain Pledge Agreement dated as of April 29, 2014, Horsehead Holding pledged 65% of its equity interests in Zochem as additional collateral in favor of PNC as agent. The Debtors paid an unused line fee of 0.75% per annum, based on average undrawn availability multiplied by the amount that the maximum revolving advance amount exceeds the average daily unpaid balance of the Zochem Facility's loans and undrawn amount of any outstanding letters of credit during any calendar quarter. As of the Petition Date, approximately \$18.5 million remained outstanding under the Zochem Facility. The Zochem Facility was paid in full with proceeds from the DIP Facility on February 8, 2016.

4. The Banco Bilbao Credit Facility.

Horsehead Corporation, as borrower, and Horsehead Holding, as guarantor, entered into a credit agreement with Banco Bilbao Vizcaya Argentaria, S.A. on August 28, 2012 (the "Banco Bilbao Credit Facility"), which became effective on November 14, 2012. The Banco Bilbao Credit Facility provides financing up to approximately €18.8 million (approximately \$25.8 million) in addition to \$968,090.25 for purchases under certain contracts related to the Mooresboro Facility between Horsehead and Técnicas Reunidas, S.A. The obligations under the Banco Bilbao Credit Facility are supported by an unconditional guarantee from Horsehead Holding, but are not otherwise secured by any of the Debtors' property. As of the Petition Date, approximately \$17.4 million remained outstanding under the Banco Bilbao Credit Facility.

5. The Unsecured Notes.

The Debtors issued \$40.0 million aggregate principal amount of 9.00% senior notes due 2017 (the "Unsecured Notes") on July 29, 2014 at an issue price of 100.00% of par, pursuant to an indenture among certain Debtors and Wilmington Trust, N.A., in its capacity as successor trustee. The Unsecured Notes are guaranteed by each of the Debtors, other than Zochem. The Unsecured Notes and the related guarantees were offered to investors in a private placement, and mature on June 1, 2017. As of the Petition Date, approximately \$40.0 million of Unsecured Notes were outstanding.

6. The Convertible Notes.

On July 27, 2011, the Debtors issued \$100.0 million of 3.80% convertible senior notes due 2017 (the "Convertible Notes") in a private placement, the proceeds of which were primarily used for the initial construction stages of the Mooresboro Facility. The Convertible Notes mature on July 1, 2017. The Convertible Notes are unsecured obligations of Horsehead Holding and are not guaranteed by any other Debtor. As of the Petition Date, approximately \$100.0 million of Convertible Notes were outstanding.

7. The New Markets Tax Credit Program Financing Arrangement.

On May 29, 2009, non-Debtor HZR entered into two construction loan agreements with Banc of America CDE III, LLC and CCM Community Development IV LLC (collectively, the "NMTC Lenders") for approximately \$6.9 million and approximately \$7.3 million, respectively (collectively, the "NMTC Loans"). A portion of the funding provided in connection with the NMTC Loans included an equity investment in HZR by the NMTC Lenders, pursuant to which the NMTC Lenders own 0.01% of HZR. HZR entered into the NMTC Loans to fund the development and completion of the Barnwell Facility through a tax-advantaged structure that permitted the monetization of certain tax credits through the New Markets Tax Credit program enacted through the Community Renewal Tax Relief Act of 2000.²³

Horsehead Holding guarantees HZR's obligations under the NMTC Loans. As of the Petition Date, approximately \$14.2 million of the NMTC Loans remained outstanding. The NMTC Loans were originally scheduled to mature on June 17, 2016. Additionally, CCML New York Investment Fund III LLC and BOA Investment Fund III, the indirect parents of the NMTC Lenders, are obligated to pay Horsehead Holding approximately \$15.3 million in the aggregate, which loans also mature on June 17, 2016 (collectively, the "NMTC Payables").

The Debtors have negotiated and entered into two separate forbearance agreements with the NMTC Lenders (the "NMTC Forbearance Agreements"). Pursuant to the NMTC Forbearance Agreements, the NMTC Lenders agree to forbear from exercising their remedies related to certain specified defaults under the NMTC Loans, in exchange for a \$100,000 forbearance fee. On June 1, 2016, the Debtors filed a motion seeking approval from the Bankruptcy Court to enter into the NMTC Forbearance Agreements and cause the related obligations to be repaid at maturity in accordance with their terms [Docket No. 1010]. The Debtors estimate the total payoff balance required at that time to be approximately \$16.3 million, and expect their estates to receive approximately \$15.3 million on account of the NMTC Payables. On June 15, 2016, the Bankruptcy Court entered an order authorizing the Debtors to enter into the NMTC Forbearance Agreements [Docket No. 1080]. On June 24, 2016, HZR repaid in full the NMTC Loans, which terminated by their terms upon repayment.

8. Horsehead Holding Equity.

On August 15, 2007, Horsehead Holding completed an initial public offering and began trading its common stock on the NASDAQ Stock Market, listed under the ticker symbol ZINC. Following the filing of the Chapter 11 Cases, the common stock was delisted from the NASDAQ Stock Market on February 23, 2016. The common stock currently trades in the over-the-counter markets under the ticker symbol ZINCQ.

9. The Debtors' Other Obligations.

(a) Hedging Obligations.

The Debtors' marketing strategy includes a metal hedging program that allows its customers to secure a firm price for future deliveries under a sales contract. The Debtors enter into hedges based on firm sales contracts to deliver specified quantities of product on a monthly basis for terms generally not exceeding one (1) year. As of the

²³ Generally, the New Markets Tax Credit Program is intended to provide tax credit incentives for qualifying investments in certain low-income communities.

Petition Date, two such agreements remained outstanding in addition to the Debtors' obligations with regard to contracts entered into with Traxys North America, LLC ("Traxys"), described below.

(b) Surety Bonds.

The Debtors maintain three surety bonds to address financial assurance requirements for potential future remediation costs and permit termination under the Resource Conservation and Recovery Act (the "RCRA") for three facilities located in Pennsylvania. The RCRA permit requires financial assurance for the Ellwood City and Palmerton facilities, and financial assurance is required for the eventual closure of the Debtors' residual landfill located at the site of the Monaca Facility. As of the Petition Date, the Debtors had approximately \$11.2 million in outstanding surety bonds.

Lexon Insurance Company (the "Surety") asserts that the surety bonds and the general agreements of indemnity between the Surety and the Debtors in place as of the Effective Date may not be assumed by the Debtors pursuant to the Plan unless the Surety consents to such assumption. The Surety asserts that if such consents are required, and the Debtors are unable to obtain such consents or replace such surety bonds, the Debtors may not be able to consummate the Plan.

(c) Other Secured Claims.

In the ordinary course of business, the Debtors routinely transact business with a number of third-party contractors, vendors, and other suppliers who have and may be able to assert liens against the Debtors and their property if the Debtors fail to pay for the goods delivered or services rendered, as well as cash collateralizing certain letters of credit. Specifically, certain parties have asserted mechanic's liens, contractor's liens, and other similar liens under various state laws against the Debtors. Additionally, in the ordinary course of business, the Debtors enter into equipment leases with various parties who hold security interests in such equipment pursuant to those leases. Other asserted secured claims against the Debtors include claims and security interests against goods held by the Debtors on consignment. The Information Officer was also granted a charge, pursuant to an order entered by the Canadian Court in the Canadian Proceedings, over all property of the Debtors in Canada in an amount not to exceed CND\$100,000 to secure amounts owing to the Information Officer by the Debtors.

D. *Events Leading to the Chapter 11 Cases and the Canadian Proceedings.*

A number of factors contributed to the Debtors' decision to commence the Chapter 11 Cases and the Canadian Proceedings, including, among other issues, the current economic environment surrounding the zinc industry and operational issues related to the construction and ramp up of the Mooresboro Facility. Each of these issues will be addressed in turn.

1. *Economic Environment.*

The Debtors' operating performance has been negatively impacted by challenges arising from the delay in the ramp-up of the Mooresboro Facility and the current economic environment, including material fluctuations in zinc prices. Base metals prices, including zinc and nickel prices, have fallen significantly over the past year, as demonstrated in the charts below. The spot London Metals Exchange ("LME") zinc price in December 2015 averaged \$0.69/lb, which represents a decrease of approximately 30% since 2014, while nickel prices declined roughly 41% over the same period, and averaged \$3.94/lb in December 2015.

Material decreases in commodity prices significantly and directly affect the Debtors' revenue. The Debtors' metals pricing is based primarily on prevailing LME prices, which declined materially in 2015. These declines had a corresponding impact on the price of Horsehead Holding's publicly traded common stock, as illustrated below.

Additionally, increased competition in the Debtors' industry and decreased customer demand further exacerbated the Debtors' prepetition challenges. On a national level, steel industry output has declined due primarily to the increase in imported steel. As a result, demand for the Debtors' EAF dust recycling services has declined, as has the quantity of zinc recovered from those recycling operations. Because the Debtors use WOX—a primary by-product of their EAF dust recycling services—as a low-cost, raw material feedstock in the production of zinc metal and value-added zinc products, the Debtors lose their competitive cost advantage when recycling demand declines, thereby impairing the Debtors' operating margins and increasing their overall sensitivity to market fluctuations in zinc pricing. And, steel industry output declined in 2015 due to, among other things, softening demand in the oil, gas and auto manufacturing sectors. As a result, the Debtors continued to experience significant pressure on operating performance.

Also, while the Debtors' nickel-bearing products are used in the stainless steel industry, demand for such products faces competition from use of stainless steel containing a lower level of nickel, or no nickel. Moreover, the strong U.S. dollar makes it cheaper for companies in the United States to import stainless steel, further driving down demand for nickel-iron remelt alloy, as well as the generation of EAF dust by stainless steel producers. These challenges exacerbated continued declines in nickel pricing experienced during 2015.

2. Mooresboro Facility Challenges.

Since operations began in May 2014, the Debtors have experienced a number of significant operational, production, and equipment issues associated with the ramp-up of the Mooresboro Facility. For example, it was discovered that the bleed treatment section of the facility was undersized causing a bottleneck to production, electrolyte quality deteriorated causing significant corrosion to electrodes in the cell house due, in part, to poor control of solids carryover into the solvent extraction units combined with equipment issues related to faulty organic filters and the HCl regeneration units, and several pumps and lines were improperly designed for the intended application.

While the Debtors ultimately expected to realize substantial operating efficiencies from the Mooresboro Facility once it became fully operational, since operations began in May 2014, the Debtors publicly identified ongoing challenges with respect to the Mooresboro Facility on numerous occasions. On July 8, 2014, for example, the Debtors announced that the Mooresboro Facility would be undergoing a temporary outage due to the need to repair, upgrade and replace some of the mixing components in a series of tanks. Following that outage, operations at the Mooresboro Facility resumed in August 2014. On October 1, 2014, the Debtors reported that while numerous improvements were made to several unit operations at the facility during the second quarter of 2014, production

during the quarter was impeded by operational issues associated with controlling the removal of solids in the clarifier unit downstream of the leaching process.

Additionally, on March 2, 2015, the Debtors reported that they had experienced intermittent equipment reliability issues, particularly with some key pumps, which were further exacerbated by extreme cold weather conditions at the end of year 2014 and beginning of 2015 pursuant to their annual report on Form 10-K for fiscal 2014 filed at that time. That report further disclosed that the Debtors could not predict with any certainty when the Mooresboro Facility would begin operating at full design capacity and disclosed that (a) lower than anticipated production levels at the Mooresboro Facility had negatively impacted the Debtors' results of operations and deferred realization of expected benefits from the facility and (b) that the Debtors' ability to achieve higher production levels depended on the absence of further unplanned equipment issues at the Mooresboro Facility. At the same time, the Debtors stated that they had not identified any insurmountable technical or operational obstacles that materially challenged the "value proposition" of the Mooresboro Facility. The report also set out the Debtors' belief that the Mooresboro Facility would provide substantial benefits once fully operational, including reduced manufacturing conversion costs, reduced maintenance costs, and lower operating costs in the Debtors' EAF dust recycling plants by eliminating the need to calcine the majority of the WOx prior to its use.

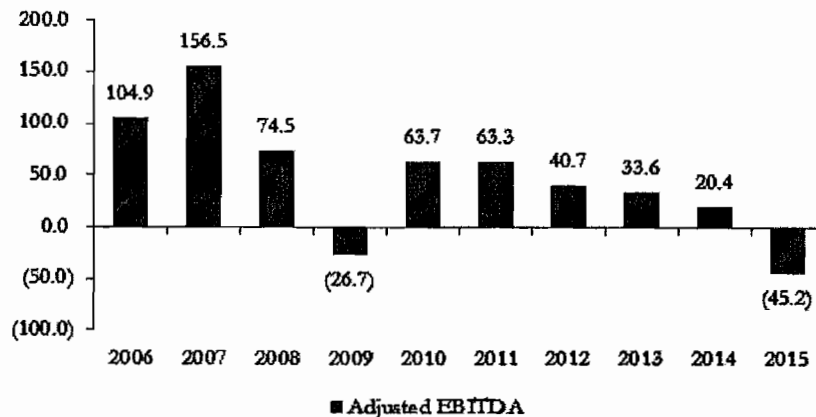

On May 8, 2015, the Debtors disclosed in a quarterly report on Form 10-Q for the quarter ended March 31, 2015 that recent production at the Mooresboro Facility was lower than expected primarily due to an extended period of exceptionally heavy rains, which filled the containments and holding ponds, requiring the Debtors to process the excess water rather than produce zinc. In that same report, the Debtors reaffirmed their belief that the Mooresboro Facility would provide substantial benefits once fully operational, reiterating the expected cost savings noted above. On August 7, 2015, the Debtors disclosed that, although certain engineering treatments had added incremental processing capacity at the Mooresboro Facility, the Debtors had not developed a complete solution to address the continuing challenges experienced by the Mooresboro Facility. That report further cautioned that the Debtors could not predict the ultimate impact of any incremental improvements on the rate of go-forward zinc production, and they expected intermittent disruptions to the production rate as they continued to implement solutions. That report further disclosed that the Mooresboro Facility had produced 4,100 tons of zinc in the quarter ended June 30, 2015, versus total nameplate capacity of 155,000 tons of zinc per year. The Debtors' quarterly report on Form 10-Q for the quarter ended September 30, 2015, which was publicly filed on November 11, 2015, disclosed that the Mooresboro Facility had produced 9,700 tons of zinc that quarter and further noted that the completion of ramp-up to full zinc production at the Mooresboro Facility could not be predicted with any degree of certainty.

In total, the Debtors had invested approximately \$550.0 million in the construction, development, and operation of the Mooresboro Facility as of the Petition Date. The Mooresboro Facility's production failed to even approach nameplate capacity before the Debtors elected to idle the Mooresboro Facility in late January 2016. The Debtors continue to believe that, at full capacity, the Mooresboro Facility will be capable of producing over 155,000 tons of zinc per year, and up to 170,000 tons per year with certain modifications. After further review and analysis, the Debtors presently anticipate that approximately 36 months may be required to implement engineering and operational repairs or modifications necessary to bring the Mooresboro Facility up to full capacity. However, the valuation on which the Plan is based attributes no value to the Mooresboro Facility, assuming instead that it will be idled.

3. Liquidity Challenges and Prepetition Defaults.

The combination of declining LME zinc and nickel prices, softening customer demand, and continued challenges associated with the Mooresboro Facility had a corresponding impact on the Debtors' cash flow. As set forth below, the Debtors have experienced EBITDA declines each year since 2011.

Adjusted EBITDA

Prior to the Petition Date, the Debtors' cash flow position was further exacerbated by reductions in the net asset liquidation value component of their borrowing base imposed by Macquarie, in its discretion, first on September 1, 2015 and again on November 19, 2015. These borrowing base component reductions eventually reduced total availability by approximately \$20.0 million in the aggregate. Credit agencies also recognized the Debtors' operating performance, challenged liquidity position, and leveraged capital structure, and downgraded the Debtors' rating throughout the months leading to the Petition Date as a result. On December 24, 2015, Standard & Poor's Rating Services downgraded the Debtors' credit rating to "CCC" from "B-."

Further, on January 5, 2016, Macquarie, as administrative agent under the Macquarie Credit Facility, notified the Debtors of an event of default arising from an over-advance position under the Macquarie Credit Facility with respect to a borrowing base certificate submitted by the Debtors on December 31, 2015. Macquarie then froze certain of the Debtors' key bank accounts, including the Debtors' main operating account. As a result, the Debtors were unable to access a material portion of their liquidity. During that time, the Debtors' operations were severely curtailed as they lacked access to a significant portion of their liquidity, as Macquarie collected approximately \$17.0 million of cash in that time period while the Debtors' accounts remained frozen.

On January 6, 2016, PNC, as administrative agent under the Zochem Facility, also asserted an event of default arising under that facility on account of, among other things, the Debtors' failure to comply with a fixed charge covenant test as of November 30, 2015. PNC also froze certain of the Debtors' bank accounts associated with their Zochem operations, and demanded payment of all outstanding obligations on January 13, 2016.

Following the defaults declared by Macquarie and PNC, the Debtors, with the assistance of their advisors, undertook negotiations to obtain incremental access to liquidity. The Debtors entered into a forbearance agreement on January 14, 2016 with PNC with respect to the Zochem Facility (the "Zochem Forbearance"), pursuant to which PNC agreed to temporarily forbear from exercising rights and remedies related to certain defaults noted above. In consideration for the Zochem Forbearance, the Debtors agreed to, among other things, pay a forbearance fee to PNC of \$1.0 million, due and payable at the termination of the forbearance period, and provide a mortgage on Zochem's unencumbered real property in Ontario, Canada.

Thereafter, the Debtors entered into a separate forbearance agreement with Macquarie (the "Macquarie Forbearance") with respect to the Macquarie Credit Facility on January 15, 2016. Pursuant to the Macquarie Forbearance, Macquarie agreed to temporarily forbear from exercising rights and remedies related to certain events of default related to insufficient availability under the Macquarie Credit Facility. In exchange, the Debtors agreed to, among other things, pay down borrowings under the Macquarie Credit Facility, and pay a restructuring fee of \$1.0 million in the event that obligations under the Macquarie Credit Facility are not paid in full by February 1,

2016, with that fee increasing over time. As noted above, the restructuring fee contemplated by the Macquarie Forbearance was resolved pursuant to the Macquarie Stipulation.

Over this time, credit agencies continued to focus on the Debtors' strained operating position. Standard & Poor's Rating Services further lowered the Debtors' corporate credit rating to "SD" from "CCC" on January 21, 2016. On January 25, 2016, Moody's Investors Service, Inc. downgraded the Debtors' corporate credit rating to "Ca" from "Caa2."

**ARTICLE V.
EVENTS OF THE CHAPTER 11 CASES AND THE CANADIAN PROCEEDINGS**

A. *First Day Pleadings and Administrative Matters.*

1. First and Second Day Pleadings.

To facilitate the administration of the Chapter 11 Cases and minimize disruption to the Debtors' operations, the Debtors Filed certain motions and applications with the Bankruptcy Court on the Petition Date or immediately thereafter seeking certain relief summarized below. The relief sought in the "first day" and "second day" pleadings facilitated the Debtors' seamless transition into chapter 11 and aided in the preservation of the Debtors' going-concern value. The first and second day pleadings included the following:

- DIP and Cash Collateral. On February 4, 2016, the Bankruptcy Court entered an interim order, consensually reached between the Debtors and the DIP Lenders approving the use of cash collateral to fund operations and restructuring costs [Docket No. 81] (the "Interim DIP Order"). The Interim DIP Order, among other things, describes the terms and conditions for the use of Secured Notes holders' and Macquarie's cash collateral and provides adequate protection to such parties for such use of cash collateral. This relief was necessary to ensure that the Debtors could continue to operate in the ordinary course during the Chapter 11 Cases. The Bankruptcy Court entered a final order approving the Debtors' use of cash collateral and access to postpetition financing on March 3, 2016 [Docket No. 252] (the "Final DIP Order"). Proceedings related to the Debtors' use of cash collateral and the Debtors' request for authority to obtain postpetition financing are discussed in greater detail below in Article V.D of this Disclosure Statement.
- Cash Management. On February 4, 2016, the Bankruptcy Court entered an interim order authorizing the Debtors to continue using their existing cash management system, existing bank accounts, and existing business forms [Docket No. 78]. The Debtors continue to negotiate with the Creditors' Committee and other parties in interest regarding their cash management system, and expect to reach a consensual resolution on the use of the Debtors' cash management system on a final basis. A final hearing is currently scheduled for July 7, 2016.
- Critical Vendors. On February 3, 2016, the Bankruptcy Court entered an interim order authorizing, but not directing, the Debtors to satisfy the prepetition claims of certain critical vendors and suppliers of goods and services that are essential to the Debtors' day-to-day business operations up to an aggregate limit of \$2.0 million [Docket No. 56]. On March 1, 2016, the Bankruptcy Court entered a final order granting such relief on a final basis, and increased the aggregate limit to \$4.5 million [Docket No. 236].
- Insurance. On February 3, 2016, the Bankruptcy Court entered an interim order authorizing the Debtors to continue operating under insurance coverage for their business entered into prepetition, honor prepetition insurance premium financing agreements, and renew their premium financing agreements in the ordinary course of business [Docket No. 52]. On March 1, 2016, the Bankruptcy Court entered a final order granting such relief on a final basis [Docket No. 235].
- Section 503(b)(9) Claims and Shippers and Lien Claims. On February 3, 2016, the Bankruptcy Court entered an interim order authorizing but not directing the Debtors to pay certain

prepetition claims of shippers, lien claimants, and claims entitled to administrative priority under section 503(b)(9) of the Bankruptcy Code in the ordinary course of business [Docket No. 54]. On March 8, 2016, the Bankruptcy Court entered an amended order granting such relief on a final basis, allowing the Debtors to make payments not to exceed \$5.7 million in the aggregate on account of shipping claims, \$2.0 million in the aggregate on account of lien claims, and \$5.5 million in the aggregate on account of section 503(b)(9) claims [Docket No. 272].

- Taxes. On February 3, 2016, the Bankruptcy Court entered a final order authorizing the Debtors to pay certain prepetition sales, use, franchise, and other taxes in the ordinary course of business [Docket No. 53].
- Utilities. On February 3, 2016, the Bankruptcy Court entered an interim order authorizing the Debtors to establish procedures for, among other things, determining adequate assurance for utility providers, prohibiting utility providers from altering, refusing, or discontinuing services, and determining that the Debtors are not required to provide any additional adequate assurance [Docket No. 55]. On March 1, 2016, the Bankruptcy Court entered a final order granting such relief on a final basis [Docket No. 239].
- Wages. On February 3, 2016, the Bankruptcy Court entered an interim order authorizing the Debtors to: (a) pay prepetition wages, salaries, other compensation, reimbursable expenses, and payroll processing fees; (b) on an interim basis, pay prepetition withholding obligations; (c) on an interim basis, continue employee benefits programs, including payment of certain prepetition obligations related thereto; and (d) on a final basis, continue ordinary course incentive programs for non-insiders [Docket No. 59]. On March 1, 2016, the Bankruptcy Court entered a final order granting such relief on a final basis [Docket No. 237].

2. Procedural and Administrative Motions.

To facilitate the efficient administration of the Chapter 11 Cases and to reduce the administrative burden associated therewith, the Debtors also Filed and received authorization to implement several procedural and administrative motions:

- authorizing the joint administration of the Chapter 11 Cases [Docket Nos. 2, 49];
- extending the time during which the Debtors may File certain schedules of assets and liabilities, schedules of executory contracts and unexpired leases, and statements of financial affairs, the filing of which are required under section 521 of the Bankruptcy Code [Docket Nos. 4, 234];
- allowing the Debtors to prepare a list of creditors in lieu of submitting a formatted mailing matrix and to File a consolidated list of the Debtors' 50 largest creditors [Docket Nos. 3, 50];
- allowing the Debtors to retain and compensate certain Professionals utilized in the ordinary course of business [Docket Nos. 132, 326]; and
- approving the procedures for the interim compensation and reimbursement of retained Professionals in the Chapter 11 Cases [Docket Nos. 299, 415].

3. Key Employee Retention Program.

On April 29, 2016, the Debtors Filed a motion seeking authorization and approval of their key employee retention program [Docket No. 849] (the "KERP Motion"), and related motion to File certain information and exhibits thereto under seal [Docket No. 850]. The retention program proposed in the KERP Motion seeks to preserve and maintain the Debtors' operational and workforce stability, and would provide 30 of the Debtors' key, non-insider employees with aggregate award opportunities of up to \$927,000. The Bankruptcy Court entered an order approving the KERP Motion, which reflects modifications agreed upon by the Debtors, the U.S. Trustee, and

the Creditors' Committee, on June 8, 2016 [Docket No. 1036], and reduced the aggregate award opportunities available to certain of the Debtors' key, non-insider employees to \$652,000.

4. Canadian Recognition Proceedings.

As with chapter 15 of the Bankruptcy Code, Part IV of the Companies' Creditors Arrangement Act (the "CCAA") includes provisions for the coordination of international insolvency proceedings. Under these provisions, Canadian courts may, among other things, formally recognize insolvency proceedings commenced in a foreign court. An application to a Canadian court for the recognition of a foreign insolvency proceeding may be brought by a "foreign representative" of the debtor. The application must also be accompanied by an order or other document evidencing the commencement of the foreign proceeding and the authority of the foreign representative to bring the application.

On February 2, 2016, the Canadian Court granted the Debtors an interim stay in Canada, pending the hearing on the Debtors' motion before the Bankruptcy Court for the appointment of a foreign representative.

On February 4, 2016, the Bankruptcy Court entered an order appointing Zochem as the Debtors' representative for purposes of commencing recognition proceedings in Canada [Docket No. 79]. On February 5, 2016 the Canadian Court issued an order recognizing the Debtors' Chapter 11 Cases as foreign main proceedings and also recognized certain of the First Day Orders entered by the Bankruptcy Court.

On March 3, 2016, the Canadian Court entered an order recognizing certain of the orders granted at the Debtors' second day hearing, including the Final DIP Order. The Final DIP Order further requires recognition of the Disclosure Statement Order and Confirmation Order, which the Debtors expect to obtain on a timely basis. See Final DIP Order ¶ 20(b)(iv).

5. Zochem Board of Directors.

As of the Petition Date, the Zochem board of directors (the "Zochem Board") had four directors, three of whom were also officers and directors of other Debtors. Zochem's fourth director, Jeffrey K. Merk, a partner at Aird & Berlis, LLP, was originally appointed to the Zochem Board to satisfy statutory requirements that Canadian residents account for 25% of a corporation organized under the Canada Business Corporations Act.

On February 18, 2016, Jeffrey Merk and one other director, Gary Whitaker, were replaced as directors of the Zochem Board by: (a) Mohit Sharma, a Canadian citizen and Zochem executive, who also satisfies the board's Canadian residency requirement; and (b) Harvey L. Tepner, an independent director with extensive restructuring experience. Pursuant to his appointment, Mr. Tepner was delegated authority to consider and, if appropriate, make recommendations to the Zochem Board with respect to certain material transactions for Zochem, including financing, chapter 11 plan or plans of reorganization, and other activities consistent with Zochem's bylaws. Mr. Tepner has retained independent legal counsel to advise him in this capacity.

6. Retention of Chapter 11 Professionals.

The Debtors also Filed several applications and obtained authority to retain various professionals to assist the Debtors in carrying out their duties under the Bankruptcy Code during the Chapter 11 Cases. These professionals include: (a) Kirkland & Ellis LLP, as co-counsel to the Debtors [Docket Nos. 184, 373]; (b) Pachulski Stang Ziehl & Jones LLP ("Pachulski"), as local counsel to the Debtors [Docket Nos. 187, 414]; (c) Aird & Berlis LLP, as Canadian counsel to the Debtors [Docket Nos. 186, 296]; (d) Lazard Middle Market LLC ("Lazard"), as investment banker to the Debtors [Docket Nos. 188, 282]; (e) Epiq Bankruptcy Solutions, LLC, as the Notice and Claims Agent and Administrative Advisor to the Debtors [Docket Nos. 15, 51, 185, 278]; (f) RAS Management Advisors, LLC ("RAS"), as financial advisor to the Debtors [Docket Nos. 189, 295]; (g) Timothy D. Boates of RAS, as Chief Restructuring Officer to the Debtors [Docket Nos. 189, 295]; (h) Klehr Harrison Harvey Branzburg LLP as counsel to the independent director of Zochem [Docket Nos. 315, 797]; (i) BDO USA, LLP, as primary accountant and auditor to the Debtors [Docket Nos. 494, 843]; (j) Global Tax Management, Inc., as tax advisor to the Debtors

[Docket Nos. 545, 847]; and (k) Thornton Grout Finnigan LLP, as Canadian counsel for the independent director of Zochem [Docket Nos. 546, 887].

7. Appointment of the Statutory Committee of Unsecured Creditors.

On February 16, 2016, the U.S. Trustee appointed an official committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code (the "Creditors' Committee") [Docket No. 129], consisting of: (a) Chemicals Inc.; (b) Dhandho Holdings Corp.; (c) Delaware Trust Company, as indenture trustee for the Convertible Notes; (d) Hudbay Marketing & Sales, Inc.; (e) Powers Coal & Coke; (f) United Steelworkers; and (g) Wilmington Trust, N.A., as indenture trustee for the Unsecured Notes.

The Creditors' Committee Filed applications to retain Lowenstein Sandler LLP as lead counsel [Docket No. 273], Drinker Biddle & Reath LLP as local counsel [Docket No. 298], and FTI Consulting, Inc. as financial advisor [Docket No. 274]. On April 4, 2016, the Bankruptcy Court entered orders approving the retention of the Creditors' Committee's professionals [Docket Nos. 371, 375, 376].

8. Appointment of the Official Committee of Equity Holders.

On February 16, 2016, Aquamarine Capital Management LLC ("Aquamarine") sent a letter to the U.S. Trustee requesting the appointment of an official committee of equity security holders. The Debtors and the Creditors' Committee both opposed Aquamarine's request for appointment of an equity committee, and each submitted objections to the U.S. Trustee based on, among other things, Aquamarine's failure to meet the legal standard for appointment of an equity committee under applicable law. On March 7, 2016, the U.S. Trustee denied Aquamarine's request for appointment of an equity committee.

On March 23, 2016, the manager of Aquamarine Filed a *Pro Se Motion for the Entry of an Order Appointing an Equity Committee* [Docket No. 334], and on March 31, 2016, Phillip Town Filed a *Pro Se Motion for the Entry of an Order Appointing an Equity Committee* [Docket No. 355]. On May 2, 2016, the Bankruptcy Court entered an order appointing an official equity committee (the "Equity Committee") [Docket No. 857]. The U.S. Trustee appointed the following members to the Equity Committee on May 13, 2016: (a) Aquamarine Capital; (b) Mr. Samuel J. Burrow III; (c) Cinco Ventures; (d) Mr. Gense (George) Hu; (e) Mr. Paul L. Lavergne; (f) Legoix Sil/Rolnik Capital Sil; and (g) Rule One Capital [Docket No. 918].

On May 31, 2016, the Equity Committee Filed applications to retain Nastasi Partners and Richards, Layton & Finger, P.A. as co-counsel [Docket Nos. 1004, 1005], and SSG Capital Advisors, LLC as financial advisor [Docket No. 1006]. On June 24, 2016 the Bankruptcy Court entered orders approving the retention of the Equity Committee's professionals, which orders provide for, among other thing, an aggregate fee cap for such professional totaling \$1.75 million through August 31, 2016, subject to further adjustment by the Bankruptcy Court [Docket Nos. 1163, 1164, 1165]. On June 13, 2016, the Equity Committee Filed an application to retain Mr. S.F. Burks of Mac Consulting International (Pty) Ltd. as technical consultant, nunc pro tunc to June 10, 2016, to assist the Equity Committee in assessing the current condition of the Mooresboro Facility [Docket No. 1051]. The Bankruptcy Court is scheduled to hear this retention application on July 7, 2016.

B. *Statements and Schedules and Claims Bar Date.*

On March 17, 2016, the Debtors Filed their schedules of assets and liabilities and statements of financial affairs with the Bankruptcy Court pursuant to section 521 of the Bankruptcy Code (collectively, the "Schedules"). The Bankruptcy Code allows a bankruptcy court to fix the time within which proofs of claim must be filed in a chapter 11 case. Any creditor whose Claim is not scheduled in the Schedules or whose Claim is scheduled as disputed, contingent, or unliquidated must File a proof of claim.

On March 22, 2016, the Bankruptcy Court entered an order approving: (1) April 25, 2016 at 5:00 p.m., prevailing Eastern Time, as the deadline for all non-governmental units (as defined in section 101(27) of the Bankruptcy Code) to File Claims in the Chapter 11 Cases; (2) August 1, 2016 at 5:00 p.m., prevailing Eastern Time, as the deadline for all governmental units (as defined in section 101(27) of the Bankruptcy Code) to File Claims in

the Chapter 11 Cases; (3) April 25, 2016 at 5:00 p.m., prevailing Eastern Time, as the deadline for all non-governmental units (as defined in section 101(27) of the Bankruptcy Code) to File certain Claims pursuant to section 503(b)(9) of the Bankruptcy Code (the "Administrative Claims") in the Chapter 11 Cases; (4) August 1, 2016 at 5:00 p.m., prevailing Eastern Time, as the deadline for all governmental units (as defined in section 101(27) of the Bankruptcy Code) to File Administrative Claims in the Chapter 11 Cases; (5) procedures for filing proofs of Claim; and (6) the form and manner of notice of the applicable bar dates [Docket No. 321] (the "Bar Date Order"). On April 13, 2016, the Canadian Court recognized the Bar Date Order and gave effect to such order in Canada. The Debtors are currently reviewing and analyzing Claims Filed in response to the Bar Date Order, and will File objections to Claims with the Bankruptcy Court as necessary and appropriate in compliance with the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, and the terms of the Debtors' proposed Plan.

Because the resolution process for the Claims is currently ongoing, the Claims figures identified in this Disclosure Statement represent estimates only and, in particular, the estimated recoveries set forth in this Disclosure Statement for Holders of General Unsecured Claims could be materially lower if the actual Allowed General Unsecured Claims are higher than the current estimates.

C. Pending Litigation Proceedings and Claims.

In the ordinary course of business, the Debtors are party to various lawsuits, legal proceedings, and claims arising out of their businesses, including relating to environmental matters. The Debtors cannot predict with certainty the outcome or disposition of these lawsuits, legal proceedings, and claims, although the Debtors do not believe the outcome of any currently existing proceeding, even if determined adversely, would have a material adverse effect on their businesses, financial condition, or results of operations.

With certain exceptions, the filing of the Chapter 11 Cases and the orders made in the Canadian Proceedings operate as a stay with respect to the commencement or continuation of litigation against the Debtors that was or could have been commenced before the commencement of the Chapter 11 Cases. The Debtors' liability with respect to litigation stayed by the commencement of the Chapter 11 Cases and by the orders made in the Canadian Proceedings is subject to discharge, settlement, and release upon confirmation of a plan under chapter 11, with certain exceptions. Therefore, certain litigation claims against the Debtors may be subject to discharge in connection with the Chapter 11 Cases. This may reduce the Debtors' exposure to losses in connection with the adverse determination of such litigation.

By letter dated April 28, 2016, the Creditors' Committee provided notice to the carriers of the Debtors' D&O Liability Insurance Policies of potential claims against the Debtors' current and former directors and officers for, *inter alia*, breach of fiduciary duty and/or gross mismanagement relating to the design, construction, and operational failure of the Mooresboro Facility (collectively, the "Creditors' Committee D&O Claims"). Subject to Confirmation and Consummation of the Plan, the Creditors' Committee D&O Claims will be released and extinguished pursuant to the settlement provisions of the Plan, section 1123(b)(3) of the Bankruptcy Code, Bankruptcy Rule 9019, and the Debtor Release provided by Article VIII.D of the Plan.

On April 22, 2016, Javier Soto, an individual investor of Horsehead Holding, filed a complaint (the "Soto Securities Complaint") on behalf of himself and all other purchasers of Horsehead Holding securities between May 21, 2014 and February 2, 2016 in the United States District Court for the District of Delaware, No. 16-00292, (the "Soto Securities Action") against three members of the Debtors' management team (collectively, the "Securities Defendants"). The Soto Securities Complaint alleges, among other things, violations under the Securities Act in connection with certain allegedly false and misleading statements made by the Soto Securities Defendants between May 21, 2014 and February 2, 2016.

On May 18, 2016, Umesh Jani, another investor of Horsehead Holding, filed a complaint (together with the Soto Securities Complaint, the "Securities Complaints") in the United States District Court for the District of Delaware, No. 16-00369, (together with the Soto Securities Action, the "Securities Actions"), substantively similar to allegations raised by the Soto Securities Complaint with respect to the Securities Defendants.

The Securities Actions remain pending at this time. In each of the Securities Actions, the district court approved stipulations entered into between the Securities Defendants and the respective plaintiffs, whereby, among other things, the Securities Defendants would not be required to respond to the Securities Complaints, each plaintiff would file an amended complaint within 45 days of the district court entering an order appointing a lead plaintiff in their case, and the Securities Defendants would then have 45 days from each amended complaint's filing to respond [No. 16-00292, Docket No. 9; No. 16-00369, Docket No. 9]. The releases provided for in the Plan do not release the Securities Defendants from the claims asserted in the Securities Actions.

D. *The Creditors' Committee's Standing Motion.*

On May 6, 2016, the Creditors' Committee Filed a motion [Docket No. 882] (the "Creditors' Committee Standing Motion") seeking standing to commence, prosecute, and/or settle an adversary proceeding or action on behalf of the Debtors' estates against the Secured Notes Collateral Agent to challenge the extent, validity, priority, and perfection of certain security interests asserted by holders of Secured Notes in certain assets of the Debtors with respect to: (a) the pledge in favor of the Secured Notes Collateral Agent with respect to the 100% equity interest in INMETCO held by Horsehead Holding; (b) the mortgage perfecting the Secured Notes Collateral Agent's security interest with respect to 34.07 acres of land connected with the Debtors' Palmerton, Pennsylvania EAF dust recycling facility, commonly known as "Premises B"; and (c) the Secured Notes Collateral Agent's deeds of trust on the Mooresboro Facility (collectively, the "Creditors' Committee Standing Motion Claims").

In particular, the Creditors' Committee asserted that the mortgage filed and recorded on October 31, 2014 by the Secured Notes Collateral Agent with regard to the Mooresboro Facility was deficient because it allegedly listed the incorrect beneficiary, loan, and loan amount, and that a corrected mortgage filed on January 7, 2016 on the Mooresboro Facility is subject to avoidance. Pursuant to the Creditors' Committee Standing Motion Filed on May 6, 2016, the Creditors' Committee alleged that the invalidation of the deeds of trust in favor of the Secured Notes Collateral Agent on the Mooresboro Facility would result in a significant recovery to unsecured creditors of HMP.

After filing of its Creditors' Committee Standing Motion on May 6, 2016, on May 20, 2016, the Creditors' Committee Filed an application with the Bankruptcy Court seeking authority to retain Suncorp Valuations ("Suncorp"), *nunc pro tunc* to May 9, 2016, to prepare a valuation report on the Mooresboro Facility [Docket No. 941]. The Bankruptcy Court approved Suncorp's retention on June 7, 2016 [Docket No. 1029].

On June 9, 2016, the Debtors filed a motion to expand the scope of Pachulski's retention, as to allow Pachulski to retain experts in connection with the Creditors' Committee Standing Motion [Docket No. 1046]. This motion is scheduled for hearing by the Bankruptcy Court on July 7, 2016. On June 10, 2016, the Creditors' Committee filed an application with the Bankruptcy Court seeking authority to retain The Law Office of Curtis A. Hehn as Delaware special conflicts counsel in connection with the Creditors' Committee Standing Motion [Docket No. 1047], which is scheduled for hearing on July 7, 2016. The Debtors, the Secured Notes Indenture Trustee, the Secured Notes Collateral Agent, and Holders of the Secured Notes, reserve all rights with regard to the Creditors' Committee Standing Motion, which is scheduled to be heard by the Bankruptcy Court on July 7, 2016.

As set forth in further detail in Article V.I herein, the Creditors' Committee Standing Motion Claims underlying the Creditors' Committee Standing Motion have been settled pursuant to the Plan (the "Creditors' Committee Settlement"). Pursuant to the terms set forth in the Plan, the Creditors' Committee has agreed to hold the Creditors' Committee Standing Motion in abeyance pending Confirmation of the Plan, and upon the Effective Date of the Plan, the Creditors' Committee Standing Motion will be deemed moot and dismissed with prejudice.

E. *The Debtors' DIP Financing and Cash Collateral Motion and the Interim DIP Relief.*

After a significant marketing process and vigorous negotiations, on the Petition Date, the Debtors Filed the *Debtors' Motion for Interim and Final Orders (I) Authorizing the Debtors to Obtain Postpetition Secured Financing Pursuant to 11 U.S.C. §§ 105, 362, 363, and 364, (II) Authorizing the Postpetition Use of Cash Collateral, (III) Granting Adequate Protection to the Prepetition Secured Parties, (IV) Scheduling a Final Hearing Pursuant to Bankruptcy Rule 4001(b), and (V) Granting Related Relief* [Docket No. 17] (the "DIP Motion"). The Bankruptcy Court entered the Final DIP Order on March 3, 2016, which, among other things: (a) approved the DIP Facility;

(b) approved the Debtors' use of cash collateral; (c) approved the adequate protection packages contained therein, with certain modifications; and (d) overruled any objections to the DIP Motion not otherwise resolved [Docket No. 252].

As of the Petition Date, the DIP Facility contemplated that Zochem would be jointly and severally liable with the other Debtors for the full amount of the obligations under the DIP Facility. Following the Bankruptcy Court's statements at the First Day Hearing, the Debtors reached a compromise with the DIP Lenders and other parties in interest to limit Zochem's liability under the Interim DIP Order to \$25.0 million pending entry of the Final DIP Order. That modification was reflected in the Interim DIP Order that the Bankruptcy Court entered on February 4, 2016. [Docket No. 81, ¶ 44].

On March 3, 2016, the Bankruptcy Court entered the Final DIP Order, which amended the DIP Facility to, among other things, to provide for a "carve out" of any proceeds with respect to the disposition of Zochem's assets in an amount equal of up to \$12.0 million after payment of up to \$25.0 million of obligations outstanding under the DIP Facility (the "Zochem Carve-Out"). Such funds would then be held in trust for payment of pre- and postpetition Claims against Zochem. The Debtors believe that the Zochem Carve-Out is appropriately sized to pay, in full, all Claims against Zochem. Additionally, the Plan provides that all Claims against Zochem shall be Unimpaired and Reinstated.

The Debtors subsequently entered into three amendments to the DIP Facility on March 3, 2016 ("DIP Amendment No. 1"), May 16, 2016 ("DIP Amendment No. 2"), and June 23, 2016 ("DIP Amendment No. 3") that, among other things, modified certain financial covenants applicable to the DIP Facility, including modifications related to the NMTC Forbearance Agreements, and milestones related to the Confirmation and Consummation of the Plan. Pursuant to DIP Amendment No. 3, the DIP Facility provides for events of default in the event the Debtors fail to, among other things: (1) obtain approval from the Bankruptcy Court of a disclosure statement by July 7, 2016; (2) obtain entry of an order approving an Acceptable Plan (as defined in the DIP Credit Agreement) by August 31, 2016; and (3) Consummate an Acceptable Plan by September 19, 2016. The DIP Credit Agreement defines "Acceptable Plan" as a chapter 11 plan that "that is in form and substance acceptable to the Required Lenders, the ad hoc committee of Senior Secured Noteholders and the Debtors." See DIP Credit Agreement § 5.15(e).

F. *Traxys Settlement.*

On February 19, 2016, Traxys Filed a motion (the "Traxys Motion") to compel the Debtors to assume or reject approximately 41 executory contracts between Traxys and Zochem (collectively, the "Traxys Contracts") [Docket No. 169]. Under the Traxys Contracts, Traxys sold special high grade zinc to Zochem and, in turn, agreed to repurchase such zinc from Zochem at designated intervals at defined amounts based upon future average prices established by the LME. Horsehead Holding guaranteed Zochem's performance under the Traxys Contracts.

Following negotiations between Traxys and the Debtors, the parties were able to resolve the Traxys Motion, and the Debtors Filed an agreed order reflecting the settlement on March 28, 2016 [Docket No. 344]. Pursuant to the settlement with Traxys, the Debtors agreed to assume the Traxys Contracts and pay, through set off, \$13,817.80 to Traxys to cure defaults under the Traxys Contracts and as adequate assurance of future performance with respect to the Traxys Contracts. On March 30, 2016, the Bankruptcy Court entered the agreed order resolving the Traxys Motion. [Docket No. 347]. On April 13, 2016, the Canadian Court granted an order recognizing and enforcing the agreed order resolving the Traxys Motion in Canada.

G. *The Mooresboro Facility Repairs and Upgrades.*

As noted above, the Debtors expect that the Mooresboro Facility, which is currently in an idled state, will require significant time, funding, repairs, and upgrades to bring the facility to fully-operational. The Debtors anticipate that the ramp-up of the Mooresboro Facility will take approximately 36 months in order to bring the Mooresboro Facility up to full operational capacity, and require capital expenditures of approximately \$117.0 million for various costs, including debottlenecking, electrodes, electrolyte quality, engineering, reliability, safety, and environmental expenses.

On May 31, 2016, the Debtors filed a motion seeking authority, among other things, to enter into an agreement to engage Hatch Associates Consultants, Inc. ("Hatch"), to prepare a report (the "Mooresboro Report") that will estimate the costs of a select set of projects identified by the Debtors' in-house engineering team as necessary to bring the Mooresboro Facility back online and fully operational [Docket No. 1007]. The Mooresboro Report will also provide: (a) greater scope definition and preliminary engineering of certain projects; (b) an implementation schedule that will assist the Debtors in prioritizing projects needed for the restart of the Mooresboro Facility; and (c) an assessment of the methodology adopted by the Debtors' engineering team in determining the capital costs for projects not otherwise reviewed by Hatch. On June 21, 2016, the Bankruptcy Court entered an order authorizing the Debtors' engagement of Hatch and related relief [Docket No. 1139]. The study being conducted by Hatch commenced on or about May 30, 2016 and is expected to take approximately eight (8) weeks at an estimated cost of \$220,000.

H. *Plan Exclusivity.*

On May 27, 2016, the Debtors filed a motion seeking to extend their exclusive right to file a chapter 11 plan through and including October 29, 2016, and to solicit votes thereon through and including December 28, 2016 (the "Exclusivity Motion") [Docket No. 994]. The Creditors' Committee and the Equity Committee each filed an objection to the Exclusivity Motion [Docket Nos. 1048, 1056], which the Debtors responded to on June 16, 2016. A hearing is scheduled before the Bankruptcy Court on the Exclusivity Motion on July 7, 2016.

I. *The Debtors' Plan Process; Resolution with the Creditors' Committee.*

The Debtors filed their initial plan of reorganization on April 13, 2016 [Docket No. 604] (the "April 13 Plan") with the support of the Ad Hoc Group of Noteholders. As reflected in its most recent Bankruptcy Rule 2019 statement filed on April 4, 2016 [Docket No. 464], the Ad Hoc Group of Noteholders beneficially owns or controls: (1) 96.8 percent, or \$198.4 million in notional value of the Secured Notes Claims; (2) 80.5 percent, or \$32.2 million in notional value of the Unsecured Notes Claims; (3) 16.1 percent, or [\$16.1] million in notional value of the Convertible Notes Claims; (4) 6.2 percent, or 3.6 million of the outstanding shares of stock in Horsehead Holding; and (5) 100 percent of the DIP Facility Claims.

Since both before and after the Filing of the April 13 Plan, the Debtors, the Creditors' Committee, and the Ad Hoc Group of Noteholders (collectively, the "Settlement Parties") have engaged in arm's length, good faith negotiations regarding the Debtors' restructuring, including, but not limited to, issues raised by the Creditors' Committee regarding the Debtors' enterprise value, the validity and allowability of certain Intercompany Claims, including those held by Horsehead Holding, and the Creditors' Committee Standing Motion Claims. These negotiations also included efforts to address other concerns raised, and alleged deficiencies asserted, by the Creditors' Committee with respect to the April 13 Plan and the Creditors' Committee Standing Motion Claims. These negotiations were a success and have now been memorialized in and are implemented through the Plan Filed with the Bankruptcy Court and described herein, which amends and restates the April 13 Plan in its entirety. Among other things, these negotiations have resulted in an agreed upon global settlement (the "Global Settlement") reached between the Settlement Parties providing for significant improvements to the treatment of Holders of Unsecured Claims under the Plan, versus the treatment provided to such Holders under the April 13 Plan, including: (1) an increase in total Cash available for recovery to Holders of Other General Unsecured Claims to \$11.875 million, versus the \$2.5 million cash pool available to such Holders under the April 13 Plan; (2) providing for improved recoveries on account of Unsecured Notes Claims in the form of 6.71 percent of the New Common Equity subject to dilution as provided in the Plan, as well as payment of the Unsecured Notes Indenture Trustee Fees; (3) providing for improved recoveries on account of Convertible Notes Claims in the form of the Warrants to New Common Equity equal to, as of the Effective Date, 6 percent of 1,170,213 subject to dilution for any New Common Equity to be issued in connection with the Additional Capital Commitment, as well as payment of the Convertible Notes Indenture Trustee Fees, where, previously, Convertible Notes Claims were to receive no recovery under the April 13 Plan; (4) providing that Allowed Zochem General Unsecured Claims will be paid within 45 days of the Effective Date; (5) providing for improved recoveries to Holders of Banco Bilbao Credit Agreement Claims in the form of a \$3.0 million unsecured note on the terms set forth in the Plan; (6) providing for a waiver of certain Avoidance Actions held by the Debtors as set forth in the Plan; and (7) providing for the assumption of all collective bargaining agreements by the Reorganized Debtors.

Based on the modifications to the April 13 Plan set forth herein to incorporate the terms of the Global Settlement, the Creditors' Committee supports Confirmation and Consummation of the Plan, subject to the terms and conditions set forth in the Plan. The Plan is also supported by the Ad Hoc Group of Noteholders. The terms of the Global Settlement have been embodied in the Plan and will be approved pursuant to Bankruptcy Rule 9019 and section 1123 of the Bankruptcy Code via entry of the Confirmation Order, which will include findings that, among other things, the compromises and settlements under the Plan, including, but not limited to, the Global Settlement, are in the best interests of the Debtors, their Estates, their creditors, and other parties in interest, and are fair, equitable, and well within the range of reasonableness.

The Debtors believe the Plan, as modified to implement the Global Settlement, represents the best available path for the Debtors to reorganize and maximize value for their stakeholders' benefit. The Debtors therefore seek Confirmation of the value-maximizing Restructuring Transactions encompassed in the Plan and described herein.

ARTICLE VI. SUMMARY OF THE PLAN

This section provides a summary of the structure and means for implementation of the Plan and the classification and treatment of Claims and Interests under the Plan, and is qualified in its entirety by reference to the Plan (as well as the exhibits thereto and definitions therein).

The statements contained in this Disclosure Statement include summaries of the provisions contained in the Plan and in the documents referred to therein. The statements contained in this Disclosure Statement do not purport to be precise or complete statements of all the terms and provisions of the Plan or documents referred to therein, and reference is made to the Plan and to such documents for the full and complete statement of such terms and provisions of the Plan or documents referred to therein.

The Plan controls the actual treatment of Claims against, and Interests in, the Debtors under the Plan and will, upon the occurrence of the Effective Date, be binding upon all Holders of Claims against and Interests in the Debtors, the Debtors' Estates, the Reorganized Debtors, all parties receiving property under the Plan, and other parties in interest. In the event of any conflict between this Disclosure Statement and the Plan or any other operative document, the terms of the Plan and/or such other operative document shall control.

A. *Administrative Claims and Professional Fee Claims.*

1. Administrative Claims.

Other than with respect to the DIP Facility Claims, and unless otherwise agreed to by the Holder of an Allowed Administrative Claim or an Allowed Professional Fee Claim, and the Debtors or the Reorganized Debtors, as applicable, to the extent an Allowed Administrative Claim or an Allowed Professional Fee Claim has not already been paid in full or otherwise satisfied during the Chapter 11 Cases, each Holder of an Allowed Administrative Claim and/or an Allowed Professional Fee Claim will receive, in full and final satisfaction of its Allowed Administrative Claim and/or Allowed Professional Fee Claim, Cash equal to the amount of the unpaid portion of such Allowed Administrative Claim and/or Allowed Professional Fee Claim either: (a) if such Administrative Claim and/or Allowed Professional Fee Claim is Allowed as of the Effective Date, no later than thirty (30) days after the Effective Date or as soon as reasonably practicable thereafter; (b) if the Administrative Claim and/or Professional Fee Claim is not Allowed as of the Effective Date, no later than thirty (30) days after the date on which an order of the Bankruptcy Court Allowing such Administrative Claim and/or Professional Fee Claim becomes a Final Order, or as soon thereafter as reasonably practicable thereafter; or (c) if the Allowed Administrative Claim and/or Allowed Professional Fee Claim is based on liabilities incurred by the Debtors' Estates in the ordinary course of their business after the Petition Date, pursuant to the terms and conditions of the particular transaction giving rise to such Allowed Administrative Claim and/or Allowed Professional Fee Claim, without any further action by the Holder of such Allowed Administrative Claim and/or Allowed Professional Fee Claim.

Except as otherwise provided by a Final Order previously entered by the Bankruptcy Court (including the OCP Order) or as provided by Article II.B or Article II.C of the Plan, unless previously Filed, requests for payment

of Administrative Claims must be Filed and served on the Debtors no later than the Administrative Claims Bar Date pursuant to the procedures specified in the Claims Bar Date Order. Holders of Administrative Claims that are required to File and serve a request for payment of such Administrative Claims that do not File and serve such a request by the Administrative Claims Bar Date shall be forever barred, estopped, and enjoined from asserting such Administrative Claims against the Debtors or their property, and such Administrative Claims shall be deemed discharged as of the Effective Date. Objections to such requests must be Filed and served on the requesting party by the Administrative Claims Objection Bar Date.

2. Professional Compensation.

(a) Final Fee Applications.

All final requests for payment of Professional Fee Claims must be Filed with the Bankruptcy Court and served on the Debtors (or the Reorganized Debtors) no later than the first Business Day that is sixty (60) days after the Effective Date. After notice and a hearing in accordance with the procedures established by the Bankruptcy Code and any prior orders of the Bankruptcy Court in the Chapter 11 Cases, the Allowed amounts of such Professional Fee Claims shall be determined by the Bankruptcy Court.

(b) Professional Fee Escrow.

If the Professional Fee Claims Estimate is greater than zero, as soon as reasonably practicable after the Confirmation Date and no later than the Effective Date, the Debtors shall establish and fund the Professional Fee Escrow. The Debtors shall fund the Professional Fee Escrow with Cash equal to the Professional Fee Claims Estimate. Funds held in the Professional Fee Escrow shall not be considered property of the Debtors' Estates or property of the Reorganized Debtors, but shall revert to the Reorganized Debtors only after all Professional Fee Claims allowed by the Bankruptcy Court have been irrevocably paid in full. The Professional Fee Escrow shall be held in trust for Professionals retained by the Creditors' Committee or the Debtors and for no other parties until all Professional Fee Claims Allowed by the Bankruptcy Court have been paid in full. Professional Fees owing to the applicable Professionals shall be paid in Cash to such Professionals from funds held in the Professional Fee Escrow when such Claims are Allowed by an order of the Bankruptcy Court; provided, that obligations with respect to Professional Fee Claims shall not be limited nor deemed limited to the balance of funds held in the Professional Fee Escrow. No Liens, claims, or interests shall encumber the Professional Fee Escrow in any way.

(c) Post-Effective Date Fees and Expenses.

Except as otherwise specifically provided in the Plan, on and after the Effective Date, the Debtors or the Reorganized Debtors, as applicable, shall, in the ordinary course of business and without any further notice to or action, order, or approval of the Bankruptcy Court or the Canadian Court, pay in Cash the reasonable legal, professional, or other fees and expenses related to implementation of the Plan and Consummation incurred by the Debtors or the Reorganized Debtors, as applicable. Upon the Effective Date, any requirement that Professionals comply with sections 327 through 331, 363, and 1103 of the Bankruptcy Code or the Interim Compensation Order in seeking retention for services rendered after such date shall terminate, and the Debtors or the Reorganized Debtors, as applicable, may employ any Professional in the ordinary course of business without any further notice to or action, order, or approval of the Bankruptcy Court or the Canadian Court.

3. DIP Facility Claims.

Except to the extent that a Holder of an Allowed DIP Facility Claim agrees to a less favorable treatment, in full and final satisfaction, settlement, release, and discharge of, and in exchange for, each Allowed DIP Facility Claim, each such Allowed DIP Facility Claim shall be paid in full, in Cash, by the Debtors on the Effective Date.

4. Priority Tax Claims.

Claim, each Holder of such Allowed Priority Tax Claim shall be treated in accordance with the terms set forth in section 1129(a)(9)(C) of the Bankruptcy Code.

5. Reclamation Claims.

Pursuant to section 546(c) of the Bankruptcy Code, a seller of goods that sold good to a debtor in the ordinary course of such seller's business may reclaim such goods if the debtors received the goods while insolvent within 45 days of commencement of a bankruptcy case (each such claim, a "Reclamation Claim"). Section 546(c) of the Bankruptcy Code requires that the seller demand, in writing, reclamation of such goods not later than 45 days after the date of receipt of such goods by the debtor or not later than 20 days after the date of commencement of the case, if the 45-day period expires after the commencement of a case. The Plan does not include any recovery for Reclamation Claims. Rather, pursuant to section 546(c) of the Bankruptcy Code, Reclamation Claims are subject to the prior perfected liens held by other parties on the Debtors' inventory, including claims arising under the Secured Notes and the Macquarie Credit Facility. Accordingly, the Debtors do not believe that any valid Reclamation Claims exist, and any losses on account of such claims would be a General Unsecured Claim.

B. *Classification and Treatment of Claims and Interests.*

1. Classification of Claims and Interests.

Each party receiving New Common Equity shall not be required to execute the New Limited Liability Company Agreement before receiving its respective distributions of New Common Equity under the Plan, including any New Common Equity issued pursuant to the UPA. Any such party who does not execute the New Limited Liability Company Agreement shall be automatically deemed to have accepted the terms of the New Limited Liability Company

Except as otherwise provided in the Plan or any agreement, instrument, or other document incorporated in the Plan, on the Effective Date, all property in each Estate, all Causes of Action (unless otherwise released or discharged pursuant to the Plan), and any property acquired by any of the Debtors pursuant to the Plan shall vest in each respective Reorganized Debtor, free and clear of all Liens, Claims, charges, or other encumbrances. On and after the Effective Date, except as otherwise provided in the Plan, the Reorganized Debtors may operate their business and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court or the Canadian Court and free of any restrictions of the Bankruptcy Code, the Bankruptcy Rules or the CCAA.

If applicable, the DTC shall be required to accept and conclusively rely upon the Plan and Confirmation Order in lieu of a legal opinion regarding whether such Section 1145 Securities are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. Notwithstanding anything to the contrary in the Plan, no Entity (including, for the avoidance of doubt, the DTC) may require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether such Section 1145 Securities are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services.

Under Canadian securities laws and regulations, these securities will be subject to statutory restrictions upon resale in Canada and may only be resold pursuant to an applicable statutory exemption or discretionary order.

13. General Settlement of Claims.

As discussed in detail in the Disclosure Statement and as otherwise provided herein, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, upon the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims, Interests, Causes of Action, and controversies resolved pursuant to the Plan, including the controversies resolved by the global settlement between the Debtors, the Creditors' Committee and the Ad Hoc Group of Noteholders as described in this Disclosure Statement and pursuant to Article IV.A of the Plan. All distributions made to Holders of Allowed Claims in any Class are intended to be and shall be final.

14. Intercompany Account Settlement.

The Reorganized Debtors will be entitled to transfer funds between and among themselves as they determine to be necessary to enable the Reorganized Debtors to satisfy their obligations under the Plan. Except as set forth herein, any changes in intercompany account balances resulting from such transfers will be accounted for and settled in accordance with the Debtors' historical intercompany account settlement practices and will not violate the terms of the Plan.

15. Cancellation of Existing Securities and Agreements.

On the Effective Date, except to the extent otherwise provided in the Plan, and except with respect to the indemnification obligations set forth in Section 9.05 of the DIP Credit Agreement, all notes, instruments, certificates, and other documents evidencing Claims or Interests, and the Secured Notes Indenture, the Unsecured Notes Indenture, and the Convertible Notes Indenture shall be deemed cancelled and surrendered without any need for a Holder to take further action with respect to any note(s) or security, the obligations of the Debtors thereunder or in any way related thereto shall be deemed satisfied in full and discharged, and the Secured Notes Indenture Trustee, the Secured Notes Collateral Agent, the Unsecured Notes Indenture Trustee, and the Convertible Notes Indenture Trustee shall have no further obligations or duties thereunder; provided, however, that notwithstanding Confirmation or Consummation, any such agreement that governs the rights of the Holder of a Claim shall continue in effect solely for purposes of (a) allowing Holders to receive distributions under the Plan, and (b) allowing Holders

of Claims to retain their respective rights and obligations vis-à-vis other Holders of Claims pursuant to the applicable loan documents; provided, further, however, that the preceding proviso shall not affect the discharge of Claims pursuant to the Bankruptcy Code, the Confirmation Order, the Confirmation Recognition Order, or the Plan or affect any of the release, third-party release, Exculpation or injunction provisions contained in Article VIII of the Plan, or result in any expense or liability to the Reorganized Debtors, as applicable; provided, further, that the foregoing shall not affect the issuance of units issued pursuant to the Restructuring Transactions nor any other units held by one Debtor in the capital of another Debtor; provided, further, that each of the Unsecured Notes Indenture and the Convertible Notes Indenture shall continue in effect against the Debtors solely for the purposes of: (i) preserving any rights of the Unsecured Notes Indenture Trustee and the Convertible Notes Indenture Trustee, as applicable, to indemnification or contribution from, respectively, Holders of Unsecured Notes or Convertible Notes under the Unsecured Notes Indenture or the Convertible Notes Indenture or any direction provided by Holders of the Unsecured Notes or Convertible Notes under the Unsecured Notes Indenture of the Convertible Notes Indenture, as applicable; (ii) permitting the Unsecured Notes Indenture Trustee and the Convertible Notes Indenture Trustee to maintain or assert any right or Charging Lien each may have against distributions pursuant to the terms of the Unsecured Notes Indenture or the Convertible Notes Indenture, as applicable, to recover unpaid fees and expenses (including the fees and expenses of its counsel, agents, and advisors) of the Unsecured Notes Indenture Trustee and the Convertible Notes Indenture Trustee to the extent payable pursuant to Article XII.D of the Plan, unless paid pursuant to Article XII.D of the Plan; (iii) enforcing any rights and remedies as between Holders of Unsecured Notes or Convertible Notes thereunder or as between any Holder of Unsecured Notes and the Unsecured Notes Indenture Trustee or as between any Holder of Convertible Notes and the Convertible Notes Indenture Trustee; and (iv) the payment of reasonable and documented fees and expenses incurred by the Unsecured Notes Indenture Trustee and the Convertible Notes Indenture Trustee to the extent payable pursuant to Article XII.D of the Plan, unless paid pursuant to Article XII.D of the Plan.

16. Corporate Action.

Upon the Effective Date, all actions contemplated under the Plan shall be deemed authorized and approved in all respects, and, to the extent taken prior to the Effective Date, ratified without any requirement for further action by Holders of Claims or Interests, directors, managers, or officers of the Debtors, or any other Entity or Person, including, without limitation: (a) adoption or assumption, as applicable, of the agreements with existing management; (b) rejection or assumption, as applicable, of Executory Contracts and Unexpired Leases; (c) selection of the managers and officers for the Debtors; (d) the distribution of the New Common Equity as provided herein; (e) implementation of the Restructuring Transactions; and (f) all other acts or actions contemplated, or reasonably necessary or appropriate to properly consummate the transactions contemplated by the Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the corporate structure of the Debtors, and any corporate action required by the Debtors in connection with the Plan shall be deemed to have occurred and shall be in effect, without any requirement of further action by the security holders, directors, managers, authorized persons, or officers of the Debtors.

On or (as applicable) prior to the Effective Date, the appropriate officers, managers, or authorized persons of the Debtors (including any president, vice-president, chief executive officer, treasurer, general counsel, or chief financial officer thereof), shall be authorized and (as applicable) directed to issue, execute, and deliver the agreements, documents, securities, certificates of formation, bylaws, operating agreements, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Debtors, including the New Common Equity, and any and all other agreements, documents, securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by Article IV.P of the Plan shall be effective notwithstanding any requirements under non-bankruptcy law.

17. The Bartlesville Facility and Monaca Landfill.

The Debtors do not presently intend to alter current operating agreements with regard to their facility in Bartlesville, Oklahoma or their landfill in Monaca, Pennsylvania. Should that change, such operating agreements will not appear on the Assumed Executory Contract and Unexpired Lease Schedule, included in the Plan Supplement.

18. Effectuating Documents; Further Transactions.

On and after the Effective Date, the Debtors and the managers, officers, authorized persons, and members of the boards of managers thereof, are authorized to and may issue, execute, deliver, file, or record such contracts, securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan, the New Organizational Documents, and any securities issued pursuant to the Plan in the name of and on behalf of the Debtors, without the need for any approvals, authorization, or consents except for those expressly required pursuant to the Plan.

19. Section 1146 Exemption.

Pursuant to, and to the fullest extent permitted by, section 1146 of the Bankruptcy Code, any transfers of property pursuant hereto or pursuant to the Plan shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, sales and use tax, mortgage recording tax, or other similar tax or governmental assessment, and the Confirmation Order shall direct and shall be deemed to direct the appropriate state or local governmental officials or agents to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation any instruments or other documents pursuant to such transfers of property without the payment of any such tax, recordation fee, or governmental assessment.

20. MEIP.

The MEIP shall either be: (a) determined by the New Boards after the Effective Date; or (b) adopted by the New Boards on the Effective Date.

21. Director and Officer Liability Insurance.

Notwithstanding anything contained in the Plan to the contrary, the D&O Liability Insurance Policies, in effect on the Effective Date, shall be continued. To the extent that the D&O Liability Insurance Policies are deemed to be Executory Contracts, then, notwithstanding anything in the Plan to the contrary, the Debtors shall be deemed to have assumed all of the Debtors' unexpired D&O Liability Insurance Policies pursuant to sections 365(a) and 1123 of the Bankruptcy Code effective as of the Effective Date. Entry of the Confirmation Order will constitute the Bankruptcy Court's approval of the Debtors' foregoing assumption of each of the unexpired D&O Liability Insurance Policies. Notwithstanding anything to the contrary contained in the Plan, confirmation of the Plan shall not discharge, impair, or otherwise modify any indemnity or other obligations of the insurers under any of the D&O Liability Insurance Policies.

In addition, after the Effective Date, none of the Debtors shall terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies (including any "tail policy") in effect on the Petition Date, with respect to conduct occurring prior thereto, and all directors and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy regardless of whether such directors and officers remain in such positions after the Effective Date.

ACE American Insurance Company and its affiliates (collectively, "Chubb") believes that the Plan is not confirmable because, among other reasons, the Debtors do not explicitly assume insurance policies that the Debtors have with Chubb.

22. Preservation of Causes of Action.

In accordance with section 1123(b) of the Bankruptcy Code, and except where such Causes of Action have been expressly released (including pursuant to the Debtor Release and the Third Party Release), the Debtors and the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in

the Plan Supplement, and the Debtors' and the Reorganized Debtors' rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date.

No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against such Entity as any indication that the Debtors and the Reorganized Debtors will not pursue any and all available Causes of Action against such Entity. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action, including with respect to rejected Executory Contracts and Unexpired Leases, against any Entity, except as otherwise expressly provided in the Plan. Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Bankruptcy Court Final Order, the Debtors and the Reorganized Debtors expressly reserve all Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

23. Release of Avoidance Actions.

On the Effective Date, the Debtors, on behalf of themselves and their estates, shall release any and all Avoidance Actions that may be assertable against: (a) a trade creditor of any Debtor and/or Reorganized Debtor; (b) Holders of Unsecured Notes; (c) Holders of Convertible Notes; (d) members of the Creditors' Committee; and (e) any one or more of the successors or assigns of the foregoing, and any Entity acting on behalf of the Debtors or the Reorganized Debtors shall be deemed to have waived the right to pursue such Avoidance Actions; provided, that the foregoing waiver shall not limit the rights of the Debtors or the Reorganized Debtors or any Entity acting on behalf of the Debtors or the Reorganized Debtors to assert any defenses based on the Avoidance Actions to Other Secured Claims or Other Priority Claims asserted by the Entities listed in clauses (a) – (e) hereof. No Avoidance Actions shall revert to creditors of the Debtors.

Notwithstanding the foregoing paragraph or anything to the contrary in the Plan (including pursuant to the Debtor Release), the Debtors and the Reorganized Debtors, their Estates, and their successors expressly reserve all Claims and Causes of Action against Técnicas Reunidas, S.A., including with respect to any Claims or Proofs of Claim asserted by Técnicas Reunidas, S.A. against any Debtor.

24. Assumption of Collective Bargaining Agreements.

All collective bargaining agreements between the applicable labor union and the Debtors (collectively, the "CBAs") in place as of the Effective Date, shall be assumed by the Reorganized Debtors as of the Effective Date.

D. *Treatment of Executory Contracts and Unexpired Leases.*

1. Assumption and Rejection of Executory Contracts and Unexpired Leases.

On the Effective Date, except as otherwise provided herein, all Executory Contracts or Unexpired Leases will be deemed rejected as of the Effective Date, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those Executory Contracts or Unexpired Leases that: (a) previously were assumed or rejected by the Debtors; (b) are identified on the Assumed Executory Contract and Unexpired Lease Schedule; (c) are the subject of a motion to assume such Executory Contracts or Unexpired Leases, as applicable, that is pending on the Effective Date, regardless of whether the requested effective date of such assumption is on or after the Effective Date; or (d) are a CBA. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such rejections and the assumption of the Executory Contracts or Unexpired Leases listed on the Assumed Executory Contract and Unexpired Lease Schedule pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Any motions to assume Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by the Bankruptcy Court on or after the Effective Date by a Final Order. Each Executory Contract and Unexpired Lease assumed pursuant to Article V.A of the Plan or by any order of the Bankruptcy Court, which has not been assigned to a third party prior to the Confirmation Date, shall revert in and be

fully enforceable by the Debtors in accordance with such Executory Contract and/or Unexpired Lease's terms, except as such terms are modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption under applicable federal law. To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including, without limitation, any "change of control" provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in the Plan, the Debtors, with the consent of the Requisite Plan Sponsors, or the Reorganized Debtors, as applicable, reserve the right to alter, amend, modify, or supplement the Assumed Executory Contract and Unexpired Lease Schedule at any time through and including forty-five (45) days after the Effective Date.

2. Claims Based on Rejection of Executory Contracts or Unexpired Leases.

Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Bankruptcy Court no later than twenty-one (21) days after notice of such rejection.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not filed with the Bankruptcy Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Estates, or their property, without the need for any objection by the Debtors or further notice to, action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, and be subject to the permanent injunction set forth in Article VIII.F of the Plan, notwithstanding anything in the Schedules or a Proof of Claim to the contrary. All Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as Zochem General Unsecured Claims or Other General Unsecured Claims, as applicable, and shall be treated in accordance with Article III.B of the Plan.

3. Cure of Defaults for Executory Contracts and Unexpired Leases Assumed.

Any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash on the Effective Date, subject to the limitation described below, or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. In the event of a dispute regarding: (a) the amount of any payments to cure such a default; (b) the ability of the Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed; or (c) any other matter pertaining to assumption, the cure amount required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order or orders resolving the dispute and approving the assumption; provided, that the Reorganized Debtors may settle any dispute regarding the amount of any such cure amount without any further notice to any other party or any action, order, or approval of the Bankruptcy Court; provided, further, that, notwithstanding anything to the contrary herein, prior to the entry of a Final Order resolving any dispute and approving the assumption and assignment of such Executory Contract or Unexpired Lease, the Debtors, with the consent of the Requisite Plan Sponsors, or the Reorganized Debtors, as applicable, reserve the right to reject any Executory Contract or Unexpired Lease which is subject to dispute, whether by amending the Assumed Executory Contract and Unexpired Lease Schedule in accordance with Article V.A of the Plan or otherwise.

As soon as reasonably practicable, the Debtors shall provide for notices of proposed assumption and proposed cure amounts to be sent to applicable third parties and for procedures for objecting thereto and resolution of disputes by the Bankruptcy Court; provided, that, the Debtors reserve all rights with respect to any such proposed assumption and proposed cure amount in the event of an objection or dispute. Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption or related cure amount must be filed, served, and

actually received by the Debtors and the DIP Lenders no later than thirty (30) days after service of the notice providing for such assumption and related cure amount. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption or cure amount will be deemed to have assented to such assumption or cure amount.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall constitute and be deemed to constitute the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. **Any Proofs of Claim filed with respect to an Executory Contract or Unexpired Lease that has been assumed shall be deemed disallowed and expunged, without further notice to, action, order, or approval of the Bankruptcy Court or the Canadian Court.**

4. Preexisting Obligations to the Debtors under Executory Contracts and Unexpired Leases.

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors under such Executory Contract or Unexpired Lease.

5. Indemnification Obligations.

The Debtors and the Reorganized Debtors shall honor any indemnification obligations in place immediately prior to the Effective Date (whether in by-laws, board resolutions, corporate charters, indemnification agreements, or employment contracts) solely for the Covered Persons and solely to the extent that the D&O Liability Insurance Policies provide coverage for such obligations; provided, however, that any such Covered Persons shall solely have recourse on account of any such obligations to the D&O Liability Insurance Policies and shall have no recourse to the Reorganized Debtors on account of any such obligations.

6. Modifications, Amendments, Supplements, Restatements, or Other Agreements.

Unless otherwise provided in the Plan, each Executory Contract or Unexpired Lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and all Executory Contracts and Unexpired Leases related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests, unless any of the foregoing agreements have been previously rejected or repudiated, or are rejected or repudiated pursuant to the Plan.

Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims that may arise in connection therewith.

7. Chubb Insurance Obligations.

Chubb believes that the Plan and this Disclosure Statement should clarify that, notwithstanding anything to the contrary in this Disclosure Statement, the Plan, the Plan Supplement, the Confirmation Order, any other document related to any of the foregoing or any other order of the Bankruptcy Court (including, without limitation, any other provision that purports to be preemptory or supervening, grants an injunction or release or confers Bankruptcy Court jurisdiction): (a) on the Effective Date, the Reorganized Debtors jointly and severally shall assume the Insurance Contracts in their entirety pursuant to sections 105 and 365 of the Bankruptcy Code; (b) all Insurance Contracts (and any and all letters of credit and other collateral and security provided pursuant or in relation thereto) and all debts, obligations, and liabilities of Debtors (and, after the Effective Date, of the Reorganized Debtors) thereunder, whether arising before or after the Effective Date, shall survive and shall not be amended, modified, waived, released, discharged or impaired in any respect and the Reorganized Debtors will continue to be bound by the Insurance Contracts as if the Chapter 11 Cases had not occurred; (c) nothing in the

Disclosure Statement, the Plan, the Plan Supplement, or the Confirmation Order shall affect, impair or prejudice the rights and defenses of the Insurers or the Reorganized Debtors under the Insurance Contracts in any manner (including, but not limited to, (i) any agreement to arbitrate disputes, (ii) any provisions regarding the provision, maintenance, use, nature and priority of collateral/security, and (iii) any provisions regarding the payment of amounts within any deductible by the Insurers and the obligation of the Debtors to pay or reimburse the applicable Insurer therefor), and such Insurers and Reorganized Debtors shall retain all rights and defenses under the Insurance Contracts, and the Insurance Contracts shall apply to, and be enforceable by and against, the Reorganized Debtors and the applicable Insurer(s) as if the Chapter 11 Cases had not occurred; (d) nothing in the Disclosure Statement, the Plan, or the Confirmation Order (including any other provision that purports to be preemptory or supervening), shall in any way operate to, or have the effect of, impairing any party's legal, equitable or contractual rights and/or obligations under any Insurance Contract, if any, in any respect; any such rights and obligations shall be determined under the Insurance Contracts and applicable non-bankruptcy law; (e) the claims of the Insurers arising (whether before or after the Effective Date) under the Insurance Contracts (i) are actual and necessary expenses of the Debtors' estates (or the Reorganized Debtors, as applicable), (ii) shall be paid in full in the ordinary course of businesses, whether as an Allowed Administrative Claim under section 503(b)(1)(A) of the Bankruptcy Code or otherwise, regardless of when such amounts are or shall become liquidated, due or paid, and (iii) shall not be discharged or released by the Plan or the Confirmation Order or any other order of the Bankruptcy Court; (f) the Insurers shall not need to or be required to file or serve any objection to a proposed cure amount or a request, application, claim, proof or motion for payment or allowance of any Administrative Claim and shall not be subject to the any bar date or similar deadline governing cure amounts or Administrative Claims; and (g) the automatic stay of Bankruptcy Code section 362(a) and the injunctions set forth in Article III of the Plan, if and to the extent applicable, shall be deemed lifted without further order of this Court, solely to permit: (I) claimants with valid workers' compensation claims or direct action claims covered by the Insurance Contracts to proceed with their claims; (II) the Insurers to administer, handle, defend, settle, and/or pay, in the ordinary course of business and without further order of this Bankruptcy Court, (A) all valid workers' compensation claims arising under the workers' compensation policies issued by any Insurer, (B) all claims where a claimant asserts a direct claim against any Insurer under applicable non-bankruptcy law, or an order has been entered by this Court granting a claimant relief from the automatic stay to proceed with its claim, and (C) all costs in relation to each of the foregoing; (III) the Insurers to draw against any or all of the collateral or security provided by or on behalf of the Debtors (or the Reorganized Debtors, as applicable) at any time and to hold the proceeds thereof as security for the obligations of the Debtors (and the Reorganized Debtors, as applicable) and/or apply such proceeds to the obligations of the Debtors (and the Reorganized Debtors, as applicable) under the applicable Insurance Contracts, in such order as the applicable Insurer may determine; and (IV) the Insurers to cancel any Insurance Contracts, and take other actions relating thereto, to the extent permissible under applicable non-bankruptcy law, and in accordance with the terms of the Insurance Contracts.

8. Reservation of Rights.

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Assumed Executory Contract and Unexpired Lease Schedule, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any of the Debtors has any liability thereunder. In the event of a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors shall have ninety (90) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease, including by rejecting such contract or lease nunc pro tunc to the Confirmation Date, in each case with the consent of the Requisite Plan Sponsors.

9. Nonoccurrence of Effective Date.

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code, unless such deadline(s) have expired.

10. Contracts and Leases Entered Into After the Petition Date.

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtor liable thereunder in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order or the Confirmation Recognition Order.

E. *Provisions Governing Distributions.*

1. Timing and Calculation of Amounts to Be Distributed.

On the Initial Distribution Date (or if a Claim is not an Allowed Claim on the Initial Distribution Date or as soon as reasonably practicable thereafter, on the date that such Claim becomes an Allowed Claim, or as soon as reasonably practicable thereafter), and except as otherwise set forth herein, each Holder of an Allowed Claim shall receive the full amount of the distributions that the Plan provides for Allowed Claims in the applicable Class from the Disbursing Agent. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims shall be made pursuant to the provisions set forth in Article VII of the Plan. Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Initial Distribution Date. The New Common Equity shall be deemed to be issued as of the Effective Date to the Holders of Claims entitled to receive the New Common Equity hereunder without the need for further action by the Disbursing Agent, the Debtors, the Reorganized Debtors (including Reorganized Horsehead), or any other Debtor or Reorganized Debtor, including, without limitation, the issuance and/or delivery of any certificate evidencing any such units, units, or interests, as applicable.

2. [Reserved].

3. Distributions Generally; Disbursing Agent.

Except as otherwise provided herein, all distributions made under the Plan, on or after the Effective Date, shall be made by the Disbursing Agent that may include the Reorganized Debtors or an entity designated by the Reorganized Debtors. Distribution on account of: (a) Macquarie Credit Agreement Claims shall be made to the Macquarie Credit Agreement Administrative Agent, at which time such distribution shall be deemed completed by the Debtors, and the Macquarie Credit Agreement Agent shall deliver such distribution in accordance with the Plan and the Macquarie Credit Agreement; (b) Banco Bilbao Credit Agreement Claims shall be made to Banco Bilbao Vizcaya Argentaria, S.A., at which time such distribution shall be deemed completed by the Debtors, and Banco Bilbao Vizcaya Argentaria, S.A. shall deliver such distribution in accordance with the Plan and the Banco Bilbao Credit Agreement; (c) Secured Notes Claims, Unsecured Notes Claims, and Convertible Notes Claims, shall be made to the Secured Notes Indenture Trustee, the Unsecured Notes Indenture Trustee, or the Convertible Notes Indenture Trustee or any respective designee thereof, as applicable, at which time such distributions shall be deemed completed by the Debtors, and the Secured Notes Indenture Trustee, the Unsecured Notes Indenture Trustee, and the Convertible Notes Indenture Trustee shall deliver such distributions in accordance with the Plan and the Secured Notes Indenture, the Unsecured Notes Indenture, and the Convertible Notes Indenture, as applicable, in each case subject to the right of any Prepetition Indenture Trustee to exercise any Charging Lien to the extent such fees or expenses are not paid to the Secured Notes Indenture Trustee, the Unsecured Notes Indenture Trustee, or Convertible Notes Indenture Trustee, as applicable, pursuant to Article XII.D of the Plan. For the avoidance of doubt, distributions made by the Macquarie Credit Agreement Administrative Agent, Banco Bilbao Vizcaya Argentaria, S.A., the Secured Notes Indenture Trustee, the Unsecured Notes Indenture Trustee, and the Convertible Notes Indenture Trustee shall be made, as it relates to the identity of the recipients, in accordance with the applicable indenture or credit agreement and the policies of the Depository Trust Company, as applicable.

4. Rights and Powers of Disbursing Agent.

(a) Powers of the Disbursing Agent.

The Disbursing Agent shall be empowered to: (i) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (ii) make all distributions contemplated under the Plan; (iii) employ professionals to represent it with respect to its responsibilities; and (iv) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of the Plan.

(b) Expenses Incurred On or After the Effective Date.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable, actual, and documented fees and expenses incurred by any Disbursing Agent on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement claims (including reasonable, actual, and documented attorney fees and expenses) made by such Disbursing Agent shall be paid in Cash by the Reorganized Debtors.

5. Distributions on Account of Claims Allowed After the Effective Date.

(a) Payments and Distributions on Account of Disputed Claims.

Distributions made after the Effective Date to Holders of Disputed Claims that are not Allowed Claims as of the Effective Date, but which later become Allowed Claims, shall be made no later than the next applicable Quarterly Distribution Date, unless the Reorganized Debtors and the applicable Holder of such Claim agree otherwise.

(b) Special Rules for Distributions to Holders of Disputed Claims.

Notwithstanding any provision otherwise in the Plan and except as may be agreed to by the Reorganized Debtors, on the one hand, and the Holder of a Disputed Claim, on the other hand, no partial payments and no partial distributions shall be made with respect to any Disputed Claim until the Disputed Claim has become an Allowed Claim or has otherwise been resolved by settlement or Final Order; provided, that, if the Debtors do not dispute a portion of an amount asserted pursuant to an otherwise Disputed Claim, the Holder of such Disputed Claim shall be entitled to a distribution on account of that portion of such Claim, if any, that is not disputed at the time and in the manner that the Disbursing Agent makes distributions to similarly-situated Holders of Allowed Claims pursuant to the Plan.

6. Delivery of Distributions and Undeliverable or Unclaimed Distributions.

(a) Record Date for Distribution.

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record Holders listed on the Claims Register as of the close of business on the Distribution Record Date. Notwithstanding the foregoing, with respect to Holders of Macquarie Credit Agreement Claims, Secured Notes Claims, Unsecured Notes Claims, and Convertible Notes Claims, distributions shall be made to such Holders that are listed on the register or related document maintained by, as applicable, the Macquarie Credit Agreement Administrative Agent, the Secured Notes Indenture Trustee, the Unsecured Notes Indenture Trustee, or the Convertible Notes Indenture Trustee as of the Distribution Record Date.

(b) Delivery of Distributions in General.

(i) Initial Distribution Date.

Except as otherwise provided herein, on the Initial Distribution Date, the Disbursing Agent shall make distributions to Holders of Allowed Claims as of the Distribution Record Date at the address for each such Holder as indicated on the Debtors' books and records as of the date of any such distribution; provided, that, the manner of such distributions shall be determined at the discretion of the Disbursing Agent; provided, further, that, the address for each Holder of an Allowed Claim shall be deemed to be the address set forth in any Proof of Claim Filed by that Holder, or, if no Proof of Claim has been Filed, the address set forth in the Schedules. If a Holder holds more than one Claim in any one Class, all Claims of the Holder will be aggregated into one Claim and one distribution will be made with respect to the aggregated Claim.

(ii) Quarterly Distribution Date.

On each Quarterly Distribution Date or as soon thereafter as is reasonably practicable but in any event no later than thirty (30) days after each Quarterly Distribution Date, the Disbursing Agent shall make the distributions required to be made on account of Allowed Claims under the Plan on such date. Any distribution that is not made on the Initial Distribution Date or on any other date specified herein because the Claim that would have been entitled to receive that distribution is not an Allowed Claim on such date, shall be distributed on the first Quarterly Distribution Date after such Claim is Allowed. No interest shall accrue or be paid on the unpaid amount of any distribution paid on a Quarterly Distribution Date in accordance with Article VI.A of the Plan.

(c) *De Minimis* Distributions; Minimum Distributions.

No fractional units of New Common Equity shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Plan on account of an Allowed Claim would otherwise result in the issuance of a number of units of New Common Equity that is not a whole number, the actual distribution of units of New Common Equity shall be rounded as follows: (i) fractions of one-half ($\frac{1}{2}$) or greater shall be rounded to the next higher whole number; and (ii) fractions of less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number with no further payment thereto. The total number of authorized units of New Common Equity to be distributed to holders of Allowed Claims shall be adjusted as necessary to account for the foregoing rounding.

No Cash payment valued at less than \$100.00, in the reasonable discretion of the Disbursing Agent, shall be made to a Holder of an Allowed Claim on account of such Allowed Claim.

(d) Undeliverable Distributions and Unclaimed Property.

In the event that any distribution to any Holder is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; provided, that, such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of six (6) months after the applicable distribution is returned as undeliverable. After such date, all unclaimed property or interests in property shall revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any Holder to such property or interest in property shall be discharged and forever barred.

7. Manner of Payment.

At the option of the Disbursing Agent, any Cash payment to be made hereunder may be made by check or wire transfer or as otherwise required or provided in applicable agreements.

8. Compliance with Tax Requirements.

In connection with the Plan, to the extent applicable, the Disbursing Agent shall comply with all tax withholding and reporting requirements imposed on it by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Disbursing Agent shall be authorized to take all actions necessary to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanism it believes is reasonable and appropriate. The Disbursing Agent reserves the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, liens, and encumbrances.

9. No Postpetition Interest on Claims.

Unless otherwise specifically provided for in the Plan or the Confirmation Order, postpetition interest shall not accrue or be paid on any Claims against the Debtors, and no Holder of a Claim against the Debtors shall be entitled to interest accruing on or after the Petition Date on any such Claim.

10. [Reserved].

11. Claims Paid by Third Parties.

(a) Claims Paid by Third Parties.

The Debtors, after the Effective Date, shall reduce in full a Claim, and such Claim shall be disallowed without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court or the Canadian Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor. To the extent a Holder of a Claim receives a distribution from the Debtors on account of such Claim and also receives payment from a party that is not a Debtor on account of such Claim, such Holder of the Claim shall, within fourteen (14) days of receipt thereof, repay or return the distribution to the applicable Debtor, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the total amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the applicable Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen (14)-day grace period specified above until the amount is repaid. For the avoidance of doubt, as set forth in Article III.B.4 of the Plan, the First American Payment shall not reduce or otherwise impact the distribution provided to Holders of Allowed Secured Notes Claims.

(b) Claims Payable by Third Parties.

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' Insurance Contracts until the Holder of such Allowed Claim has exhausted all remedies with respect to such Insurance Contract. To the extent that one or more of the Debtors' Insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such Insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court or the Canadian Court.

(c) Applicability of Insurance Contracts.

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable Insurance Contract(s). Notwithstanding anything in the Plan to the contrary (including, without limitation, Article VIII of the Plan), nothing shall constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any Cause of Action that the Debtors or any other Entity may hold against any Insurer under any Insurance Contracts, nor shall anything contained herein constitute or be deemed

a waiver by such Insurers of any rights or defenses, including coverage defenses, held by such Insurers under the Insurance Contracts; provided, however, that the Title Policy shall be terminated upon the Effective Date.

12. Allocation.

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

F. *Procedures for Resolving Contingent, Unliquidated, and Disputed Claims.*

1. Allowance of Claims.

On or after the Effective Date, each of the Debtors or the Reorganized Debtors, as applicable, shall have and shall retain any and all rights and defenses such Debtor had with respect to any Claim immediately prior to the Effective Date.

2. Claims Objections, Settlements, Claims Allowance.

The Reorganized Debtors shall have the authority to: (a) File objections to Claims, settle, compromise, withdraw, or litigate to judgment objections to any and all Claims, regardless of whether such Claims are in a Class or otherwise; (b) settle, liquidate, allow, or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court or the Canadian Court; and (c) administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court or the Canadian Court. The Reorganized Debtors shall use commercially reasonable efforts to object to any Claim (i) that is asserted in an amount that exceeds the amount owed to the Holder of the Claim according to the Debtors' books and records, or (ii) as to which no liability appears in the Debtors' books and records.

The Reorganized Debtors shall further use commercially reasonable efforts to file one or more Allowed Claims Notices with respect to non-contingent, liquidated Proofs of Claim that are not Allowed as of the Effective Date and as to which the Reorganized Debtors have determined not to file an objection.

3. Claims Estimation.

On or after the Effective Date, the Reorganized Debtors may (but are not required to), at any time, request that the Bankruptcy Court estimate any Claim pursuant to applicable law, including, without limitation, pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction under 28 U.S.C. §§ 157 and 1334 to estimate any such Claim, including during the litigation of any objection to any Claim or during the pendency of any appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Claim that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions and discharge) and may be used as evidence in any supplemental proceedings, and the Debtors may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before seven (7) days after the date on which such Claim is estimated. Each of the foregoing Claims and objection, estimation, and resolution procedures are cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

4. Disputed Claims Reserve.

On or prior to the Effective Date, the Reorganized Debtors or the Disbursing Agent shall be authorized, but not directed, to establish one or more Disputed Claims Reserves, which Disputed Claims Reserve shall be administered by the Reorganized Debtors or the Disbursing Agent, as applicable.

The Reorganized Debtors or the Disbursing Agent may, in their sole discretion, hold Cash in the Disputed Claims Reserve in trust for the benefit of the Holders of Claims ultimately determined to be Allowed after the Effective Date. The Reorganized Debtors shall distribute such amounts (net of any expenses, including any taxes relating thereto), as provided in the Plan, as such Disputed Claims or Interests are resolved by a Final Order or agreed to by settlement, and such amounts will be distributable on account of such Disputed Claims as such amounts would have been distributable had such Disputed Claims been Allowed Claims as of the Effective Date.

Notwithstanding anything to the contrary herein, to the extent the Reorganized Debtors or the Disbursing Agent establish one or more Disputed Claims Reserve(s) with respect to the Claims in Class 8B, such reserve(s) must be held and maintained in the General Unsecured Creditor Cash Account in trust solely for the benefit of Holders of Allowed Claims in Class 8B and pursuant to the terms of Article IV.G of the Plan.

5. Adjustment to Claims Without Objection.

Any Claim that has been paid or satisfied, or any Claim that has been amended or superseded, may be adjusted or expunged on the Claims Register by the Debtors to the maximum extent provided by applicable law without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court or the Canadian Court.

6. Time to File Objections to Claims.

Any objections to Claims shall be Filed no later than the Claims Objection Bar Date.

7. Disallowance of Claims.

EXCEPT AS OTHERWISE PROVIDED HEREIN OR AS AGREED TO BY THE REORGANIZED DEBTORS, ANY AND ALL PROOFS OF CLAIM FILED AFTER THE CLAIMS BAR DATE SHALL BE DEEMED DISALLOWED AND EXPUNGED AS OF THE EFFECTIVE DATE WITHOUT ANY FURTHER NOTICE TO OR ACTION, ORDER, OR APPROVAL OF THE BANKRUPTCY COURT OR THE CANADIAN COURT, AND HOLDERS OF SUCH CLAIMS MAY NOT RECEIVE ANY DISTRIBUTIONS ON ACCOUNT OF SUCH CLAIMS, UNLESS SUCH LATE PROOF OF CLAIM HAS BEEN DEEMED TIMELY FILED BY A FINAL ORDER.

8. Amendments to Claims.

Except for the Filing of Proofs of Claim on account of Claims arising from the rejection of Executory Contracts or Unexpired Leases pursuant to the Plan, on or after the Effective Date, a Claim may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Reorganized Debtors, and any such new or amended Claim Filed shall be deemed disallowed in full and expunged without any further notice to or action, order, or approval of the Bankruptcy Court or the Canadian Court to the maximum extent provided by applicable law.

9. No Distributions Pending Allowance.

If an objection to a Claim or portion thereof is Filed, no payment or distribution provided under the Plan shall be made on account of such Claim or portion thereof unless and until such Disputed Claim becomes an Allowed Claim, unless otherwise agreed to by the Reorganized Debtors.

10. Distributions After Allowance.

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of the Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Claim the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, less any previous distribution (if any) that was made on account of the undisputed portion of such Claim, without any interest, dividends, or accruals to be paid on account of such Claim unless required under applicable bankruptcy law.

G. *Settlement, Release, Injunction, and Related Provisions.*

1. Discharge of Claims and Termination of Interests.

To the maximum extent provided by section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or in any contract, instrument, or other agreement or document created pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Reorganized Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors prior to the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (a) a Proof of Claim or Proof of Interest based upon such debt, right, or Interest is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (b) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (c) the Holder of such a Claim or Interest has accepted the Plan. Any default by the Debtors or Affiliates with respect to any Claim or Interest that existed immediately prior to or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date. The Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests subject to the Effective Date occurring.

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith compromise of all Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that a Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Interest. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests, and controversies, as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtors, their Estates, and Holders of Claims and Interests, and is fair, equitable, and reasonable. In accordance with the provisions of the Plan, pursuant to Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court or the Canadian Court, after the Effective Date, the Reorganized Debtors may compromise and settle Claims against the Debtors and their Estates and Causes of Action against other Entities.

2. Release of Liens.

Except as otherwise provided in the Plan or in any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, except for any Secured Claims that the Debtors elect to Reinstate in accordance with Article III.B of the Plan, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates and any property of Chestnut Ridge shall be fully

released and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the applicable Debtor and its successors and assigns or in the case of property owned by Chestnut Ridge, such property shall revert to Chestnut Ridge free and clear of all mortgages, deeds of trust, Liens, pledges, or other security interests.

3. Debtor Release.

PURSUANT TO SECTION 1123(B) OF THE BANKRUPTCY CODE, FOR GOOD AND VALUABLE CONSIDERATION, ON AND AFTER AND SUBJECT TO THE OCCURRENCE OF THE EFFECTIVE DATE, THE DEBTORS AND THEIR ESTATES SHALL RELEASE EACH RELEASED PARTY, AND EACH RELEASED PARTY IS DEEMED RELEASED BY THE DEBTORS, THE ESTATES, AND THE REORGANIZED DEBTORS FROM ANY AND ALL CLAIMS, OBLIGATIONS, RIGHTS, SUITS, DAMAGES, CAUSES OF ACTION, REMEDIES, AND LIABILITIES WHATSOEVER, INCLUDING ANY DERIVATIVE CLAIMS, ASSERTED OR ASSERTABLE ON BEHALF OF ANY OF THE DEBTORS, THEIR ESTATES OR THE REORGANIZED DEBTORS, AS APPLICABLE, WHETHER KNOWN OR UNKNOWN, FORESEEN OR UNFORESEEN, ASSERTED OR UNASSERTED, ACCRUED OR UNACCRUED, MATURED OR UNMATURED, DETERMINED OR DETERMINABLE, DISPUTED OR UNDISPUTED, LIQUIDATED OR UNLIQUIDATED, OR DUE OR TO BECOME DUE, EXISTING OR HEREINAFTER ARISING, IN LAW, EQUITY, OR OTHERWISE, THAT THE DEBTORS, THE ESTATES, OR THE REORGANIZED DEBTORS WOULD HAVE BEEN LEGALLY ENTITLED TO ASSERT IN THEIR OWN RIGHT (WHETHER INDIVIDUALLY OR COLLECTIVELY), OR ON BEHALF OF THE HOLDER OF ANY CLAIM OR INTEREST OR OTHER ENTITY, BASED ON OR RELATING TO, OR IN ANY MANNER ARISING FROM, IN WHOLE OR IN PART, THE DEBTORS, THE DEBTORS' RESTRUCTURING, THE DIP FACILITY, THE CHAPTER 11 CASES, THE CANADIAN PROCEEDINGS, THE PURCHASE, SALE, TRANSFER, OR RESCISSION OF THE PURCHASE, SALE, OR TRANSFER OF ANY SECURITY, ASSET, RIGHT, OR INTEREST OF THE DEBTORS OR THE REORGANIZED DEBTORS, THE SUBJECT MATTER OF, OR THE TRANSACTIONS OR EVENTS GIVING RISE TO, ANY CLAIM OR INTEREST THAT IS TREATED IN THE PLAN, THE BUSINESS OR CONTRACTUAL ARRANGEMENTS BETWEEN ANY DEBTOR AND ANY RELEASED PARTY, THE RESTRUCTURING OF CLAIMS AND INTERESTS PRIOR TO OR IN THE CHAPTER 11 CASES, THE CANADIAN PROCEEDINGS, THE NEGOTIATION, FORMULATION, OR PREPARATION OF THE RESTRUCTURING DOCUMENTS OR RELATED AGREEMENTS, INSTRUMENTS, OR OTHER DOCUMENTS, ANY OTHER ACT OR OMISSION, TRANSACTION, AGREEMENT, EVENT, OR OTHER OCCURRENCE TAKING PLACE ON AND BEFORE THE PETITION DATE, OTHER THAN CLAIMS OR LIABILITIES ARISING OUT OF OR RELATING TO ANY ACT OR OMISSION OF A RELEASED PARTY THAT CONSTITUTES FRAUD, WILLFUL MISCONDUCT, OR GROSS NEGLIGENCE; PROVIDED, THAT THE FOREGOING DEBTOR RELEASE SHALL NOT OPERATE TO WAIVE OR RELEASE ANY OBLIGATIONS OF ANY PARTY UNDER THE PLAN, THE UPA OR ANY OTHER DOCUMENT, INSTRUMENT, OR AGREEMENT (INCLUDING THOSE SET FORTH IN THE PLAN SUPPLEMENT) EXECUTED TO IMPLEMENT THE PLAN; PROVIDED, FURTHER, THAT (X) THE SECURED NOTES INDENTURE TRUSTEE AND THE SECURED NOTES COLLATERAL AGENT SHALL ONLY BECOME RELEASED PARTIES PURSUANT TO ARTICLE VII.C OF THE PLAN UPON EXECUTION OF THE FIRST AMERICAN SETTLEMENT AGREEMENT, AND (Y) FIRST AMERICAN SHALL ONLY BECOME A RELEASED PARTY PURSUANT TO ARTICLE VII.C OF THE PLAN UPON THE LATER OF THE EFFECTIVE DATE AND RECEIPT OF PAYMENT FROM FIRST AMERICAN OF THE FIRST AMERICAN PAYMENT. FOR THE AVOIDANCE OF DOUBT, CHESTNUT RIDGE SHALL BE A RELEASED PARTY PURSUANT TO ARTICLE VIII.C OF THE PLAN AND CHESTNUT RIDGE SHALL HAVE NO LIABILITY AS A GUARANTOR UNDER THE SECURED NOTES INDENTURE, THE UNSECURED NOTES INDENTURE, OR THE MACQUARIE CREDIT AGREEMENT AFTER THE EFFECTIVE DATE.

NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE FOREGOING, THE THIRD-PARTY RELEASE SHALL NOT RELEASE ANY OBLIGATIONS OF ANY PARTY UNDER THE PLAN, THE UPA, OR ANY OTHER DOCUMENT, INSTRUMENT, OR AGREEMENT (INCLUDING THOSE SET FORTH IN THE PLAN SUPPLEMENT) EXECUTED TO IMPLEMENT THE PLAN. FOR THE AVOIDANCE OF DOUBT, CHESTNUT RIDGE SHALL BE A RELEASED PARTY PURSUANT TO ARTICLE VIII.D OF THE PLAN AND CHESTNUT RIDGE SHALL HAVE NO LIABILITY AS A GUARANTOR UNDER THE SECURED NOTES INDENTURE, THE UNSECURED NOTES INDENTURE, OR THE MACQUARIE CREDIT AGREEMENT AFTER THE EFFECTIVE DATE.

On and after and subject to the occurrence of the Effective Date, except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur any liability to any Entity for any postpetition act taken or omitted to be taken in connection with, or related to formulating, negotiating, soliciting, preparing, disseminating, confirming, or implementing the Plan, or consummating the Plan, the Disclosure Statement, the New Organizational Documents, the Restructuring Transactions, the DIP Facility, the issuance, distribution, and/or sale of any units of the New Common Equity or any other security offered, issued, or distributed in connection with the Plan, the Chapter 11 Cases, the Canadian Proceedings, or any contract, instrument, release or other agreement, or document created or entered into in connection with the Plan or any other postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of the Debtors; provided, that each Exculpated Party shall be entitled to rely upon the advice of counsel concerning his, her or its duties pursuant to, or in connection with, the Plan or any other related document, instrument, or agreement; provided, further, that the foregoing Exculpation shall have no effect on (a) the liability of any Entity that results from any such act or omission that is determined in a Final Order to have constituted gross negligence, fraud, or willful misconduct, or (b) any contractual liability for any breach of the Plan, the UPA, or any other document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan.

6. Injunction.

EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THE PLAN OR FOR OBLIGATIONS ISSUED OR REQUIRED TO BE PAID PURSUANT TO THE PLAN (INCLUDING THE NEW COMMON EQUITY, AND DOCUMENTS AND INSTRUMENTS RELATED THERETO), CONFIRMATION ORDER OR THE CONFIRMATION RECOGNITION ORDER, ALL ENTITIES WHO HAVE HELD, HOLD, OR MAY HOLD CLAIMS, INTERESTS, OR LIENS THAT HAVE BEEN DISCHARGED PURSUANT TO ARTICLE VIII.A OF THE PLAN, RELEASED PURSUANT TO ARTICLE VIII.B OF THE PLAN, ARTICLE VIII.C OF THE PLAN, OR ARTICLE VIII.D OF THE PLAN, OR ARE SUBJECT TO EXCULPATION PURSUANT TO ARTICLE VIII.E OF THE PLAN ARE PERMANENTLY ENJOINED, FROM AND AFTER THE EFFECTIVE DATE, FROM TAKING ANY OF THE FOLLOWING ACTIONS AGAINST, AS APPLICABLE, THE DEBTORS, THE REORGANIZED DEBTORS, OR THE RELEASED PARTIES: (a) COMMENCING OR CONTINUING IN ANY MANNER ANY ACTION OR OTHER PROCEEDING OF ANY KIND ON ACCOUNT OF OR IN CONNECTION WITH OR WITH RESPECT TO ANY SUCH CLAIMS OR INTERESTS; (b) ENFORCING, ATTACHING, COLLECTING, OR RECOVERING BY ANY MANNER OR MEANS ANY JUDGMENT, AWARD, DECREE, OR ORDER AGAINST SUCH ENTITIES ON ACCOUNT OF OR IN CONNECTION WITH OR WITH RESPECT TO ANY SUCH CLAIMS OR INTERESTS; (c) CREATING, PERFECTING, OR ENFORCING ANY ENCUMBRANCE OF ANY KIND AGAINST SUCH ENTITIES OR THE PROPERTY OR THE ESTATES OF SUCH ENTITIES ON ACCOUNT OF OR IN CONNECTION WITH OR WITH RESPECT TO ANY SUCH CLAIMS OR INTERESTS; (d) ASSERTING ANY RIGHT OF SETOFF, SUBROGATION, OR RECOUPMENT OF ANY KIND AGAINST ANY OBLIGATION DUE FROM SUCH ENTITIES OR

7. Additional Provisions.

For the avoidance of doubt, nothing in Article VIII.D or Article VIII.F of the Plan shall be construed as impairing, discharging, releasing, or enjoining the prosecution of direct, non-derivative claims against the Debtors' officers and directors held by the Greywolf Entities, solely in their capacities as holders or former holders of Existing Interests in Horsehead Holding and in no other capacity, arising out of or relating to any act, omission, transaction, agreement, event or other occurrence taking place prior to the Petition Date, including but not limited to that certain lawsuit before the United States District Court for the District of Delaware titled *Soto v. Hensler*, Civil Action No. 16-CV 292; provided that the Greywolf Entities may not commence, or be a named plaintiff in, any such litigation or comparable dispute resolution mechanism against the Debtors' officers and directors arising out of or relating to any act, omission, transaction, agreement, event or other occurrence taking place prior to the Petition Date or otherwise voluntarily participate in any such action, except as required by lawful process, other than taking such actions that are necessary to receive a distribution, if any, on account of such litigation.

8. Environmental Claims.

Nothing in the Plan releases, discharges, precludes, exculpates, or enjoins the enforcement of: (a) any liability to a Governmental Unit under applicable Environmental Law to which any Entity is subject as the owner or operator of property after the Effective Date; (b) any liability to a Governmental Unit to which any Entity is subject under applicable Environmental Law that is not a Claim; (c) any Claim of a Governmental Unit to which any Entity is subject under applicable Environmental Law arising on or after the Effective Date; (d) any liability to a Governmental Unit on the part of any Person or Entity other than the Debtor/s or Reorganized Debtors; or (e) any valid right of setoff under Environmental Law by any Governmental Unit. The Bankruptcy Court retains jurisdiction to determine whether environmental liabilities that have been asserted by a Governmental Unit are discharged or otherwise barred by this Plan or the Bankruptcy Code.

Notwithstanding any provision to the contrary in the Plan, the United States shall retain all of its rights to setoff as provided by law.

9. Protections Against Discriminatory Treatment.

To the maximum extent provided by section 525 of the Bankruptcy Code, the Supremacy Clause of the United States Constitution and the CCAA, all Entities, including Governmental Units, shall not discriminate against the Debtors or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Debtors, or another Entity with whom the Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

10. Setoffs.

Except as otherwise expressly provided for in the Plan (including pursuant to Article IV.V of the Plan) or in any court order, each Debtor, pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code), applicable non-bankruptcy law, or as may be agreed to by the Holder of a Claim, may set off against any Allowed Claim, other than any: (a) DIP Claims; (b) Secured Notes Claims; (c) Class 8B Other General Unsecured Claims; (d) Convertible Notes Claims; (e) Unsecured Notes Claims; (f) General Unsecured Claims filed by members of the Creditors' Committee; or (g) Claims asserting priority pursuant to section 503(b)(9) of the Bankruptcy Code (before any distribution is made on account of such Allowed Claim), to the extent such claims, rights, or Causes of Action against such Holder have not been otherwise compromised or settled on or prior to the Effective Date (whether pursuant to the Plan or otherwise); provided, that, neither the failure to effect such a setoff nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by such Debtor of any such claims, rights, and Causes of Action that such Debtor may possess against such Holder. In no event shall any Holder of Claims be entitled to setoff any Claim against any claim, right, or Cause of Action of any of the Debtors unless such Holder has timely Filed a Proof of Claim with the Bankruptcy Court preserving such setoff.

11. Recoupment.

In no event shall any Holder of a Claim be entitled to recoup any Claim against any claim, right, or Cause of Action of any of the Debtors unless such Holder has timely Filed a Proof of Claim with the Bankruptcy Court asserting or preserving such right of recoupment on or before the Confirmation Date.

12. Subordination Rights.

The classification and treatment of all Claims under the Plan shall conform to and with the respective contractual, legal, and equitable subordination rights of such Claims, and any such rights shall be settled, compromised, and released pursuant to the Plan.

13. Document Retention.

On and after the Effective Date, the Debtors (or the Reorganized Debtors, as the case may be) may maintain documents in accordance with their standard document retention policy, as may be altered, amended, modified, or supplemented by the Debtors (or the Reorganized Debtors, as the case may be).

14. Reimbursement or Contribution.

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed and expunged notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Confirmation Date: (a) such Claim has been adjudicated as non-contingent; or (b) the relevant Holder of a Claim has Filed a non-contingent Proof of Claim on account of such Claim and a Final Order has been entered prior to the Confirmation Date determining such Claim as no longer contingent.

H. *Conditions Precedent to Confirmation and Consummation of the Plan.*

Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 and those restrictions on modifications set forth in the Plan, the Debtors expressly reserve their rights, in each case with the consent of the Requisite Plan Sponsors, to alter, amend, or modify the Plan with respect to the Debtors, one or more times, after Confirmation, and, to the extent necessary may initiate proceedings in the Bankruptcy Court to so alter, amend, or modify the Plan, or remedy any defect or omission, or reconcile any inconsistencies in the Plan, the Disclosure Statement, the Confirmation Order or the Confirmation Recognition Order, in such matters as may be necessary to carry out the purposes and intent of the Plan. Any such modification or supplement shall be considered a modification of the Plan and shall be made in accordance with Article X of the Plan.

2. Effect of Confirmation on Modifications.

Notwithstanding Bankruptcy Rules 3020(e), 6004(h), or 7062 or otherwise, upon the occurrence of the Effective Date, the terms of the Plan and the Plan Supplement shall be immediately effective and enforceable and deemed binding upon the Debtors and any and all Holders of Claims or Interests (irrespective of whether such Claims or Interests are deemed to have accepted the Plan), all Entities that are parties to or are subject to the settlements, compromises, releases, discharges, and injunctions described in the Plan, each Entity acquiring property under the Plan, the Confirmation Order, or the Confirmation Recognition Order, and any and all non-Debtor parties to Executory Contracts and Unexpired Leases with the Debtors. All Claims and debts shall be as fixed, adjusted, or compromised, as applicable, pursuant to the Plan regardless of whether any Holder of a Claim or debt has voted on the Plan.

2. Additional Documents.

On or before the Effective Date, the Debtors may File with the Bankruptcy Court such agreements and other documents as may be necessary to effectuate and further evidence the terms and conditions of the Plan, which agreements or other documents shall be in form and substance acceptable to the Requisite Plan Sponsors and the Debtors. The Reorganized Debtors and all Holders of Claims receiving distributions pursuant to the Plan and all other parties in interest shall, from time to time, prepare, execute, and deliver any agreements or documents and take any other actions as may be necessary or advisable to effectuate the provisions and intent of the Plan.

3. Payment of Statutory Fees.

All fees due and payable pursuant to section 1930(a) of the Judicial Code prior to the Effective Date shall be paid by the Debtors. On and after the Effective Date, the Reorganized Debtors shall pay any and all such fees when due and payable, and shall File with the Bankruptcy Court quarterly reports in a form reasonably acceptable to the U.S. Trustee and the Reorganized Debtors.

4. Payment of Fees and Expenses of the Plan Sponsors, the DIP Agent, the Secured Notes Indenture Trustee, the Secured Notes Collateral Agent, the Unsecured Notes Indenture Trustee, and the Convertible Notes Indenture Trustee, Pursuant to the Creditors' Committee Settlement.

Notwithstanding any provision in the Plan to the contrary, and in connection with the Creditors' Committee Settlement (with respect to the Unsecured Notes Indenture Trustee Fees and the Convertible Notes Indenture Trustee Fees payable pursuant to subsections (iv) and (v) of Article XII.D of the Plan), the Debtors or Reorganized Debtors (as applicable) shall promptly pay in full in Cash: (a) any outstanding Plan Sponsor Fees incurred by the Plan Sponsors; (b) the Secured Notes Indenture Trustee Fees of the Secured Notes Indenture Trustee and its professionals; (c) the Secured Notes Collateral Agent Fees of the Secured Notes Collateral Agent and its professionals; (d) the Unsecured Notes Indenture Trustee Fees incurred by the Unsecured Notes Indenture Trustee; (e) the Convertible Notes Indenture Trustee Fees incurred by the Convertible Notes Indenture Trustee, and (f) the

5. Reservation of Rights.

Except as expressly set forth in the Plan, the Plan shall have no force or effect unless the Bankruptcy Court shall enter the Confirmation Order and the Canadian Court shall issue the Confirmation Recognition Order. Neither the Plan, filing of the Plan, any statement or provision contained in the Plan, or the taking of any action by any Debtor with respect to the Plan, the Disclosure Statement, the Confirmation Order, the Confirmation Recognition Order or the Plan Supplement shall be or shall be deemed to be an admission or waiver of any rights of any Debtor with respect to the Holders of Claims prior to the Effective Date. For the avoidance of doubt, if the First American Settlement Agreement is not consummated or First American does not make the First American Payment, all parties' rights and claims are fully reserved as if the First American Settlement Agreement had not been entered into; provided, however, that to the extent the First American Payment is not made, the General Unsecured Creditor Cash Pool shall not be reduced.

6. Successors and Assigns.

Unless otherwise provided herein, the rights, benefits, and obligations of any Entity named or referred to in the Plan or the Confirmation Order shall be binding on, and shall inure to the benefit of any heir, executor, administrator, successor or assign, Affiliate, and former or current officer, director, agent, representative, attorney, advisor, beneficiaries, or guardian, if any, of each Entity. For the avoidance of doubt, nothing in Article XII.F of the Plan shall be construed as impairing, discharging, releasing, or enjoining the prosecution of direct, non-derivative claims against the Debtors' officers and directors held by any party, including, for the avoidance of doubt, any Releasing Party, as such claims are alleged in that certain lawsuit before the United States District Court for the District of Delaware titled *Soto v. Hensler*, Civil Action No. 16-CV 292.

7. Notices.

All notices, requests, pleadings, and demands to or upon the Debtors to be effective shall be in writing (including by facsimile transmission) and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when actually delivered or, in the case of notice by facsimile transmission, when received and telephonically confirmed, addressed as follows:

All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms. All stays provided for in the Canadian Proceedings pursuant to the orders of the Canadian Court shall remain in full force and effect until the Effective Date unless otherwise ordered by the Canadian Court.

9. Entire Agreement.

Except as otherwise indicated, the Plan and the Plan Supplement supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan on the Effective Date.

10. Exhibits.

All exhibits and documents included in the Plan Supplement are incorporated into and are a part of the Plan as if set forth in full in the Plan.

11. Nonseverability of Plan Provisions.

If, prior to Confirmation, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (a) valid and enforceable pursuant to its terms; (b) integral to the Plan and may not be deleted or modified without the Debtors' and the Requisite Plan Sponsors' consent; and (c) nonseverable and mutually dependent.

12. Votes Solicited in Good Faith.

Upon entry of the Confirmation Order, the Debtors will be deemed to have solicited votes on the Plan in good faith and in compliance with the Bankruptcy Code, and pursuant to section 1125(e) of the Bankruptcy Code, the Debtors and each of their respective Affiliates, agents, representatives, members, principals, shareholders, officers, directors, employees, advisors, and attorneys will be deemed to have participated in good faith and in

compliance with the Bankruptcy Code in the offer, issuance, sale, and purchase of Securities offered and sold under the Plan and any previous plan, and, therefore, neither any of such parties or individuals or the Reorganized Debtors will have any liability for the violation of any applicable law, rule, or regulation governing the solicitation of votes on the Plan or the offer, issuance, sale, or purchase of the Securities offered and sold under the Plan and any previous plan.

13. Closing of Chapter 11 Cases.

The Debtors shall, promptly after the full administration of the Chapter 11 Cases, File with the Bankruptcy Court all documents required by Bankruptcy Rule 3022 and any applicable order of the Bankruptcy Court to close the Chapter 11 Cases. The Confirmation Recognition Order shall provide for the termination of the Canadian Proceedings upon the delivery of an Information officer's certificate on the Effective Date.

14. Waiver or Estoppel.

Each Holder of a Claim shall be deemed to have waived any right to assert any argument, including the right to argue that its Claim should be Allowed in a certain amount, in a certain priority, Secured or not subordinated by virtue of an agreement made with the Debtors or their counsel, or any other Entity, if such agreement was not disclosed in the Plan, the Disclosure Statement, or papers Filed with the Bankruptcy Court prior to the Confirmation Date.

15. Dissolution of the Committees.

On the Effective Date, each of the Creditors' Committee and the Equity Committee shall be dissolved and their respective members shall be deemed released of all their duties, responsibilities, and obligations in connection with the Chapter 11 Cases or this Plan and its implementation, and the retention of the Creditors' Committee's and Equity Committee's Professionals shall be terminated as of the Effective Date, except that the Professionals for the Creditors' Committee and Equity Committee shall be authorized to file and seek allowance of their final fee applications and reimbursement of their respective Committee member expenses.

16. Conflicts.

Except as set forth in the Plan, to the extent that any provision of the Disclosure Statement, the Plan Supplement, or any other order (other than the Confirmation Order or the Confirmation Recognition Order) referenced in the Plan (or any exhibits, schedules, appendices, supplements, or amendments to any of the foregoing), conflict with or are in any way inconsistent with any provision of the Plan, the Plan shall govern and control in all respects.

**ARTICLE VII.
STATUTORY REQUIREMENTS FOR CONFIRMATION OF THE PLAN**

The following is a brief summary of the Confirmation process of the Plan. Holders of Claims and Interests are encouraged to review the relevant provisions of the Bankruptcy Code and to consult their own advisors with respect to the summary provided in this Disclosure Statement.

A. Confirmation Hearing.

Section 1128(a) of the Bankruptcy Code requires a bankruptcy court, after notice, to conduct a hearing to consider confirmation of a chapter 11 plan. Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to Confirmation of the Plan. **The Bankruptcy Court has scheduled the Confirmation Hearing for August 30, 2016, at 10:00 a.m., prevailing Eastern Time.** The Confirmation Hearing may be adjourned from time to time by the Bankruptcy Court without further notice except for an announcement of the adjourned date made at the Confirmation Hearing or the filing of a notice of such adjournment served in accordance with the order approving the Disclosure Statement and Solicitation Procedures. Any objection to the Plan must: (1) be in writing; (2) conform to the Bankruptcy Rules and the Local Rules for the United States

Bankruptcy Court for the District of Delaware; (3) state the name, address, phone number, and e-mail address of the objecting party and the amount and nature of the Claim or Interest of such entity, if any; (4) state with particularity the basis and nature of any objection to the Plan and, if practicable, a proposed modification to the Plan that would resolve such objection; and (5) be Filed, contemporaneously with a proof of service, with the Bankruptcy Court and served so that it is actually received by the following notice parties set forth below no later than the Plan Objection Deadline. **Unless an objection to the Plan is timely served and Filed, it may not be considered by the Bankruptcy Court.**

The Debtors anticipate seeking recognition of the Confirmation Order from the Canadian Court as promptly as practical after entry of the Confirmation Order.

B. Confirmation Standards.

At the Confirmation Hearing, the Bankruptcy Court will determine whether the Plan satisfies the requirements of section 1129 of the Bankruptcy Code with respect to each of the Debtors. Because each of the Debtors must satisfy these requirements, it is possible that the Bankruptcy Court will enter a Confirmation Order with respect to certain Debtors and not others.²⁵ The Debtors believe that the Plan satisfies or will satisfy all of the statutory requirements of chapter 11 of the Bankruptcy Code and that they have complied or will have complied with all of the requirements of chapter 11 of the Bankruptcy Code. Specifically, the Debtors believe that the Plan

²⁵ For example, the Bankruptcy Court may deny Confirmation for one or more of the Debtors if such Debtor fails to obtain the requisite acceptance of the Plan from its Classes, while still confirming the Plan with respect to the other Debtors.

satisfies or will satisfy the applicable confirmation requirements of section 1129 of the Bankruptcy Code, including those set forth below.

- The Plan complies with the applicable provisions of the Bankruptcy Code.
- The Debtors, as the Plan proponents, have complied with the applicable provisions of the Bankruptcy Code.
- The Plan has been proposed in good faith and not by any means forbidden by law.
- Any payment made or to be made under the Plan for services or for costs and expenses in, or in connection with, the Chapter 11 Cases, or in connection with the Plan and incident to the Chapter 11 Cases, has been or will be disclosed to the Bankruptcy Court, and any such payment: (1) made before the confirmation of the Plan is reasonable; or (2) is subject to the approval of the Bankruptcy Court as reasonable, if it is to be fixed after confirmation of the Plan.
- With respect to each Class of Claims, each Holder of an Impaired Claim has accepted the Plan or will receive or retain under the Plan on account of such Claim property of a value as of the Effective Date of the Plan that is not less than the amount that such Holder would receive or retain if the Debtors were liquidated on that date under chapter 7 of the Bankruptcy Code. With respect to each Class of Interests, each Holder of an Impaired Interest has accepted the Plan or will receive or retain under the Plan on account of such Interest property of a value as of the Effective Date of the Plan that is not less than the amount that such Holder would receive or retain if the Debtors were liquidated on that date under chapter 7 of the Bankruptcy Code.
- Each Class of Claims that is entitled to vote on the Plan has either accepted the Plan or is not Impaired under the Plan, or the Plan can be confirmed without the approval of such voting Class of Claims pursuant to section 1129(b) of the Bankruptcy Code.
- Except to the extent that the Holder of a particular Claim will agree to a different treatment of its Claim, the Plan provides that: (1) Holders of Claims specified in sections 507(a)(2) and 507(a)(3) will receive, under different circumstances, Cash equal to the amount of such Claim either on the Effective Date (or as soon as practicable thereafter), no later than thirty (30) days after the Claim becomes Allowed, or pursuant to the terms and conditions of the transaction giving rise to the Claim; (2) Holders of Claims specified in sections 507(a)(1), 507(a)(4), 507(a)(5), 507(a)(6), or 507(a)(7) of the Bankruptcy Code will receive on account of such Claims Cash equal to the Allowed amount of such Claim on the Effective Date of the Plan (or as soon thereafter as is reasonably practicable) or Cash payable over no more than six (6) months after the Petition Date; and (3) Holders of Claims specified in section 507(a)(8) of the Bankruptcy Code will receive on account of such Claim regular installment payments of Cash of a total value, as of the Effective Date of the Plan, equal to the Allowed amount of such Claim over a period ending not later than five years after the Petition Date.
- At least one Class of Impaired Claims has accepted the Plan, determined without including any acceptance of the Plan by any "insider," as that term is defined by section 101(31) of the Bankruptcy Code, holding a Claim in that Class.
- Confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of the Debtors or any successors thereto under the Plan, unless the Plan contemplates such liquidation or reorganization.
- The Debtors have paid or the Plan provides for the payment of the required filing fees pursuant to 28 U.S.C. § 1930 to the clerk of the Bankruptcy Court.

1. The Debtor Release, Third-Party Release, Exculpation, and Injunction Provisions.

Article VIII.C of the Plan provides for releases of certain claims and Causes of Action the Debtors may hold against the Released Parties. The Released Parties are, in each case solely in their capacity as such: (a) each Debtor, the Debtors' Estates, and Reorganized Debtor; (b) each of the Debtors' current and former officers, directors, and managers; (c) the DIP Lenders; (d) the DIP Agent; (e) the Convertible Notes Indenture Trustee; (f) the Plan Sponsors; (g) the Secured Notes Indenture Trustee; (h) the Secured Notes Collateral Agent; (i) the Unsecured Notes Indenture Trustee; (j) the Ad Hoc Group of Noteholders; (k) the Creditors' Committee; (l) the Information Officer; (m) solely with respect to the Entities identified in subsections (a) and (b) herein, each of such Entities' respective predecessors, successors, and assigns, and respective current and former shareholders, affiliates, subsidiaries, principals, employees, agents, officers, directors, managers, trustees, partners, members, professionals, representatives, advisors, attorneys, financial advisors, accountants, investment bankers, and consultants; and (n) solely with respect to the Entities identified in subsections (c) through (l) herein, each of such Entities' respective agents, attorneys, representatives, principals, employees, officers, directors, managers, and advisors.

Article VIII.D of the Plan provides for releases of certain claims and Causes of Action against the Released Parties in exchange for the good and valuable consideration and the valuable compromises made by the Released Parties (the "Third-Party Release"). The Holders of Claims and Interests who are releasing certain claims and Causes of Action against non-Debtors under the Third-Party Release include: (a) all Holders of Claims who are deemed to accept the Plan; (b) each Debtor and Reorganized Debtor; (c) the Debtors' current and former officers, directors, and managers; (d) the DIP Lenders; (e) the DIP Agent; (f) the Plan Sponsors; (g) the Secured Notes Indenture Trustee; (h) the Secured Notes Collateral Agent; (i) the Unsecured Notes Indenture Trustee; (j) the Ad Hoc Group of Noteholders; (k) the Creditors' Committee; (l) the Information Officer; and (m) all other Holders of Claims who vote to accept the Plan and who do not opt out of the release provided by the Plan pursuant to a duly completed ballot submitted prior to the Voting Deadline.

Article VIII.E of the Plan provides for the exculpation of each Exculpated Party for certain acts or omissions taken in connection with the Chapter 11 Cases. The Exculpated Parties are, in each case solely in their capacity as such: (a) each Debtor and Reorganized Debtor; (b) the Creditors' Committee; (c) each of the Debtors' officers and directors employed or serving, as applicable, as of the Petition Date; (d) the Plan Sponsors; (e) the DIP Lenders; (f) the DIP Agent; (g) the Ad Hoc Group of Noteholders; and (h) solely with respect to the Entities identified in sections (a) through (g), such Entity and its current and former Affiliates, and such Entities' and its current and former Affiliates' current and former shareholders, affiliates, attorneys, subsidiaries, principals, employees, agents, officers, directors, managers, trustees, partners, members, professionals, representatives, advisors, financial advisors, accountants, investment bankers, and consultants, each in their capacity as such. The released and exculpated claims are limited to those claims or Causes of Action that may have arisen in connection with, related to, or arising out of the Plan, this Disclosure Statement, or the Chapter 11 Cases.

Article VIII.F of the Plan permanently enjoins Entities who have held, hold, or may hold claims, interests, or Liens that have been discharged or released pursuant to the Plan, or are subject to exculpation pursuant to the Plan, from asserting such claims, interests, or Liens against each Debtor, the Reorganized Debtors, and the Released Parties.

The Plan provides that all Holders of Claims who are entitled to vote on the Plan who vote to accept the Plan and who do not expressly so indicate on the ballot they execute will be granting a release of any claims or rights they have or may have as against many individuals and Entities. The release that these Holders of Claims will be giving is broad and it includes any and all claims that such Holders may have against the Released Parties, which in any way relate to the Debtors, their operations either before or after the Chapter 11 Cases began, any securities of the Debtors, whether purchased or sold, including sales or purchases which have been rescinded, and any transaction that these Released Parties had with the Debtors. Various Holders of Claims who are entitled to vote on the Plan may have claims against a Released Party and the Debtors express no opinion on whether a Holder has a claim or the value of the claim nor do the Debtors take a position as to whether a Holder should consent to grant this release.

Holders of Claims may vote to accept the Plan and receive a distribution under the Plan without granting a release of any claims against the Released Parties. If a Holder does not want to grant a release, the

Holder must execute the section of the Ballot it receives which states: "I do not agree to grant a third party release."

Under applicable law, a debtor's release of certain parties, such as the Debtors' release of the Released Parties, is appropriate where: (a) there is an identity of interest between the debtor and the third party, such that a suit against the released non-debtor party is, at core, a suit against the debtor or will deplete assets of the estate; (b) there is a substantial contribution by the non-debtor of assets to the reorganization; (c) the injunction is essential to the reorganization; (d) there is overwhelming creditor support for the injunction; and (e) the chapter 11 plan will pay all or substantially all of the claims affected by the injunction. See, e.g., In re Indianapolis Downs, LLC, 486 B.R. 286, 303 (Bankr. D. Del. 2013) (citation omitted). Importantly, these factors are "neither exclusive nor are they a list of conjunctive requirements," but "[i]nstead, they are helpful in weighing the equities of the particular case after a fact-specific review." Id. (citations omitted). Further, a chapter 11 plan may provide for a release of third party claims against non-debtors, such as the Third-Party Release, where such releases are consensual. Id. at 304-06. In addition, exculpation is appropriate where it applies to estate fiduciaries. Id. at 306. Finally, an injunction is appropriate where it is necessary to the reorganization and fair pursuant to section 105(a) of the Bankruptcy Code. In re W.R. Grace & Co., 475 B.R. 34, 107 (D. Del. 2012) (citing In re Global Indus. Techs., Inc., 645 F.3d 201, 206 (3d Cir. 2011)).

The Debtors believe that the releases, exculpations, and injunctions set forth in the Plan are appropriate because, among other things, the releases are narrowly tailored to the Debtors' restructuring proceedings, and each of the Released Parties has afforded value to the Debtors and aided in the reorganization process, which facilitated the Debtors' ability to propose and pursue confirmation of the Plan. The Debtors believe that each of the Released Parties has played an integral role in formulating the Plan and has expended significant time and resources analyzing and negotiating the issues presented by the Debtors' prepetition capital structure. The Debtors further believe that such releases, exculpations, and injunctions are a necessary part of the Plan. In addition, the Debtors believe the Third-Party Release is entirely consensual under the established case law in the United States Bankruptcy Court for the District of Delaware. See, e.g., Indianapolis Downs, 486 B.R. at 304-06; In re Washington Mut. Inc., 442 B.R. 314, 352 (Bankr. D. Del. 2011). The Debtors will be prepared to meet their burden to establish the basis for the releases, exculpations, and injunctions for each Released Party and Exculpated Party as part of Confirmation of the Plan.

(a) Notice of Proposed Released Claims and Causes of Action.

Claims and Causes of Action alleged by certain Releasing Parties include the Creditors' Committee D&O Claims, the Securities Actions, and the Creditors' Committee Standing Motion Claims; the Plan proposes to release these claims and Causes of Action. With regard to the Creditors' Committee D&O Claims, the Creditors' Committee alleges that it may have potential claims against, and a demand for monetary relief from, the Debtors' current and former directors and officers for, among other things, breach of fiduciary duties, misrepresentations, mismanagement, failure to exercise reasonable care and competence, and failure to act in good faith, regarding actions, decisions, and failure to act in connection with the construction and operation of the Mooresboro Facility. The Creditors' Committee also asserted the Creditors' Committee Standing Motion Claims, which seek to invalidate certain liens and security interests held by U.S. Bank, N.A. against the Mooresboro Facility. The Securities Actions alleged, among other things, violations under the Securities Act in connection with certain allegedly false and misleading statements made by the Securities Defendants.

2. Best Interests of Creditors Test—Liquidation Analysis.

Often called the "best interests" test, section 1129(a)(7) of the Bankruptcy Code requires that a bankruptcy court find, as a condition to confirmation, that a chapter 11 plan provides, with respect to each class, that each holder of a claim or an interest in such class either (a) has accepted the plan, or (b) will receive or retain under the plan property of a value, as of the effective date of the plan, that is not less than the amount that such holder would receive or retain if the debtors liquidated under chapter 7 of the Bankruptcy Code.

3. Creditor Recoveries.

The Plan provides recoveries to, among others, the Holders of Claims in Class 1, Class 2, Class 3, Class 4, Class 5, Class 6, Class 7, Class 8A, and Class 8B. As shown in the Liquidation Analysis attached hereto as Exhibit C, and as further discussed in Article II above, the Holders of General Unsecured Claims may not be entitled to any recovery if the Debtors were liquidated under chapter 7 of the Bankruptcy Code.

The recoveries described in this Disclosure Statement that are available to the Holders of Claims are estimates and actual recoveries could differ materially based on, among other things, whether the amount of Claims actually Allowed against the applicable Debtor exceeds the estimates provided herein. The Debtors reserve, as applicable, the Debtors' or the Reorganized Debtors' right to recalibrate, as applicable, the recoveries based on, as applicable, the Debtors' or Reorganized Debtors' reasonable business judgment to account for, among other things, the Claims asserted against the Debtors' Estates after the occurrence of the Claims Bar Date.

The Debtors believe that the treatment of Claims in Classes 9, 10, 11, and 12 complies with the established case law in the United States Bankruptcy Court for the District of Delaware because the Debtors do not believe the Holders of such Claims would be entitled to a recovery in a liquidation scenario, as shown in the Liquidation Analysis, attached hereto as Exhibit C.

4. Valuation.

THE VALUATION INFORMATION CONTAINED IN THIS DISCLOSURE STATEMENT WITH REGARD TO THE REORGANIZED DEBTORS IS NOT A PREDICTION OR GUARANTEE OF THE ACTUAL MARKET VALUE THAT MAY BE REALIZED THROUGH THE SALE OF ANY SECURITIES TO BE ISSUED PURSUANT TO THE PLAN.

The Debtors' advisors have undertaken the Valuation Analysis, attached hereto as Exhibit D, to determine the value available for distribution to Holders of Allowed Claims pursuant to the Plan, and to analyze and estimate the recoveries to such Holders thereunder. Additionally, the estimated valuation of the New Common Equity in this Disclosure Statement is based on the Valuation Analysis, and is used to estimate range of recovery percentages under the Plan for Holders of Secured Notes Claims and Unsecured Notes Claims. Accordingly, if the actual enterprise value of the Reorganized Debtors differs from the estimated enterprise value in the Valuation Analysis, the actual value of the New Common Equity and actual distributions to Holders of Secured Notes Claims and Unsecured Notes Claims may be materially different than the estimations set forth herein.

As noted in Article V.I. hereof, the Creditors' Committee raised concerns with respect to the April 13 Plan, including its belief that the enterprise value of the Reorganized Debtors significantly exceeds the estimate set forth in the Debtors' Valuation Analysis. Through good faith discussions with the Debtors and the Ad Hoc Group of Noteholders, the Creditors' Committee has negotiated significantly improved treatment of Holders of Unsecured Claims under the Plan as part of the Global Settlement that is more consistent with the Committee's belief regarding the enterprise value of the Reorganized Debtors.

The Equity Committee believes that the Debtors' Valuation Analysis materially underestimates the Debtors' value. The Equity Committee has raised two primary issues regarding the Valuation Analysis, and reserves its right to raise other objections, asserting that the Debtors have not disclosed key elements of their Valuation Analysis. The Equity Committee's two primary issues are (a) the value ascribed to the Mooresboro Facility, and (b) the zinc prices used in the Debtors' projections.

The Equity Committee notes that the Debtors have presented two sets of projections, one in which the Mooresboro Facility is kept idled (the "Idled Scenario"), and one in which it is brought back into production (the "Ramp-Up Scenario"). The Equity Committee asserts that the Debtors' valuation, however, is premised solely on the Idled Scenario, and does not take into account any of the value that would be created under the Ramp-Up Scenario. The Equity Committee notes that under the Ramp-Up Scenario, the Debtors project that an investment of approximately \$117.0 million over 36 months would ultimately increase the Debtors' EBITDA by more than \$50.0 million per year, although in their prepetition statements, the Debtors repeatedly estimated that the

Mooresboro Facility would generate incremental EBITDA of \$90.0 million to \$110.0 million over earnings, compared to the now-closed Monaca Facility.

The Equity Committee believes that the Debtors' revenue and earnings projections, and therefore the Debtors' valuation, are materially depressed by the use of low projected zinc prices. The Debtors' projections are based on a price of \$0.80 per pound for zinc for the second half of 2016, \$0.89 per pound for 2017, and \$1.00 pound thereafter. As of June 10, 2016, zinc traded at approximately \$0.94 per pound and, while there are no assurances, the Equity Committee believes the price is likely to increase due to the recent closing of several major zinc mines.

For the avoidance of doubt and notwithstanding anything to the contrary contained herein or in the Plan, the Debtors and the Ad Hoc Group of Noteholders reserve all rights as to these assertions.

5. Financial Feasibility.

Section 1129(a)(11) of the Bankruptcy Code requires that the Bankruptcy Court find that Confirmation is not likely to be followed by the liquidation of the Reorganized Debtors or the need for further financial reorganization, unless the Plan contemplates such liquidation or reorganization. For purposes of determining whether the Plan meets this requirement, the Debtors have analyzed their ability to meet their obligations under the Plan. As part of this analysis, the Debtors have prepared certain financial projections, which projections and the assumptions upon which they are based are attached hereto as Exhibit B (the "Financial Projections"). Based on these Financial Projections, the Debtors believe the deleveraging contemplated by the Plan meets the financial feasibility requirement. Moreover, the Debtors believe that sufficient funds will exist to make all payments required by the Plan. Accordingly, the Debtors believe that the Plan satisfies the feasibility requirement of section 1129(a)(11) of the Bankruptcy Code.

C. Acceptance by Impaired Classes.

The Bankruptcy Code requires, as a condition to confirmation, that, except as described in the following section, each class of claims or interests that is impaired under a plan, accept the plan. A class that is not impaired under a plan is presumed to have accepted the plan and, therefore, solicitation of acceptances with respect to such class is not required. Pursuant to section 1124 of the Bankruptcy Code, a class is impaired unless the plan: (1) leaves unaltered the legal, equitable, and contractual rights to which the claim or the equity interest entitles the holder of such claim or equity interest; (2) cures any default, reinstates the original terms of such obligation, and compensates the applicable party in question; or (3) provides that, on the consummation date, the holder of such claim or equity interest receives cash equal to the allowed amount of that claim or, with respect to any equity interest, any fixed liquidation preference to which the holder of such equity interest is entitled to any fixed price at which the debtor may redeem the security.

Section 1126(c) of the Bankruptcy Code defines acceptance of a plan by a class of impaired creditors as acceptance by holders of at least two-thirds in dollar amount and more than one-half in number of claims in that class, but for that purpose counts only those who actually vote to accept or to reject a plan. Thus, a Class of Claims will have voted to accept the Plan only if two-thirds in amount and more than one-half in number actually voting cast their ballots in favor of acceptance of the Plan, subject to Article III of the Plan. Section 1126(d) of the Bankruptcy Code similarly defines acceptance of a plan by a class of impaired interests, however, Holders of Interests are not entitled to vote on the Plan on account of such Interests.

Article III.E of the Plan provides in full: "If a Class contains Holders of Claims eligible to vote and no Holders of Claims eligible to vote in such Class vote to accept or reject the Plan, the Plan shall be presumed accepted by the Holders of such Claims in such Class." Such "deemed acceptance" by an impaired class in which no class members submit ballots satisfies section 1129(a)(10) of the Bankruptcy Code. In re Tribune Co., 464 B.R. 126, 183 (Bankr. D. Del. 2011) ("Would 'deemed acceptance' by a non-voting impaired class, in the absence of objection, constitute the necessary 'consent' to a proposed 'per plan' scheme? I conclude that it may." (footnote omitted)); see also In re Adelphia Commc'ns Corp., 368 B.R. 140, 259-63 (Bankr. S.D.N.Y. 2007).

D. *Confirmation without Acceptance by All Impaired Classes.*

Section 1129(b) of the Bankruptcy Code allows a bankruptcy court to confirm a plan even if impaired classes entitled to vote on the plan have not accepted it or if an impaired class is deemed to reject the plan; provided, however, the plan is accepted by at least one impaired class (without regard to the votes of insiders). Pursuant to section 1129(b) of the Bankruptcy Code, notwithstanding an impaired class's rejection or deemed rejection of the plan, such plan will be confirmed, at the plan proponent's request, in a procedure commonly known as "cram down," so long as the plan does not "discriminate unfairly" and is "fair and equitable" with respect to each class of claims or interests that is impaired under, and has not accepted, the plan.

1. No Unfair Discrimination.

The test for unfair discrimination applies to classes of claims or interests that are of equal priority and are receiving different treatment under the Plan. The test does not require that the treatment be the same or equivalent but that such treatment be "fair." In general, courts consider whether a plan discriminates unfairly in its treatment of classes of claims of equal rank (e.g., classes of the same legal character). The Debtors do not believe the Plan discriminates unfairly against any Impaired Class of Claims or Interests, and have set forth the basis for the disparate treatment of certain Classes of Claims in Article VII.B.3 hereof. Accordingly, the Debtors believe that the Plan and the treatment of all Classes of Claims and Interests satisfy the foregoing requirements for non-consensual Confirmation.

2. Fair and Equitable Test.

The fair and equitable test applies to classes of different priority and status (e.g., secured versus unsecured) and includes the general requirement that no class of claims receive more than 100% of the amount of the allowed claims in such class. As to each non-accepting class, the test sets different standards depending on the type of claims or interests in such class. As set forth below, the Debtors believe that the Plan satisfies the "fair and equitable" requirement, notwithstanding the fact that certain Classes are deemed to reject the Plan. There is no Class receiving more than a 100% recovery and no junior Class is receiving a distribution under the Plan until all senior Classes have received a 100% recovery.

(a) Secured Claims.

The condition that a plan be "fair and equitable" to a non-accepting class of secured claims may be satisfied, among other things, if a debtor demonstrates that: (i) (x) the holders of such secured claims retain the liens securing such claims to the extent of the allowed amount of the claims, whether the property subject to the liens is retained by the debtor or transferred to another entity under the plan, and (y) each holder of a secured claim in the class receives deferred cash payments totaling at least the allowed amount of such claim with a present value, as of the effective date of the plan, at least equivalent to the value of the secured claimant's interest in the debtor's property subject to the liens; or (ii) the holders of such secured claims realize the indubitable equivalent of such claims. 11 U.S.C. § 1129(b)(2)(A).

(b) Unsecured Claims.

The condition that a plan be "fair and equitable" to a non-accepting class of unsecured claims includes the requirement that either: (i) the plan provides that each holder of a claim of such class receive or retain on account of such claim property of a value, as of the effective date of the plan, equal to the allowed amount of such claim; or (ii) the holder of any claim or any interest that is junior to the claims of such class will not receive or retain under the plan on account of such junior claim or junior interest any property. 11 U.S.C. § 1129(b)(2)(B).

(c) Interests.

The condition that a plan be "fair and equitable" to a non-accepting class of interests includes the requirements that either: (i) the plan provides that each holder of an interest in that class receives or retains under the plan on account of that interest property of a value, as of the effective date of the plan, equal to the greater of

(x) the allowed amount of any fixed liquidation preference to which such holder is entitled, and (y) any fixed redemption price to which such holder is entitled; (ii) the value of such interest; or (iii) if the class does not receive the amount as required under clause (i) above, no class of interests junior to the non-accepting class may receive a distribution under the plan. 11 U.S.C. § 1129(b)(2)(C).

**ARTICLE VIII.
CERTAIN RISK FACTORS TO BE CONSIDERED BEFORE VOTING**

Holders of Claims entitled to vote should read and consider carefully the risk factors set forth below, as well as the other information set forth in this Disclosure Statement, the Plan, the Plan Supplement, and the documents delivered together with this Disclosure Statement, referred to or incorporated by reference in this Disclosure Statement, before voting to accept or reject the Plan. These factors should not be regarded as constituting the only risks present in connection with the Debtors' business or the Plan and its implementation.

A. *Risk Factors that May Affect Recovery Available to Holders of Allowed Claims Under the Plan.*

1. The Debtors May Not Be Able to Secure Plan Confirmation Within the Milestones Currently Required by the DIP Credit Agreement.

The Debtors may not be able to secure confirmation of the Plan within the milestones currently contemplated by the DIP Credit Agreement, which require, among other things, for the Bankruptcy Court to enter an order confirming the Plan by August 31, 2016, unless extended, and for the Canadian Court to issue the Confirmation Recognition Order by September 2, 2016, unless extended. The Debtors cannot guarantee that the DIP Lenders would agree to amend the DIP Credit Agreement to extend the confirmation milestones beyond August 31, 2016 and September 2, 2016, respectively. To the extent that the terms or conditions of the DIP Credit Agreement are not satisfied, or to the extent events giving rise to termination of the DIP Credit Agreement occur, the DIP Credit Agreement may terminate prior to the Confirmation of the Plan, which could result in the loss of financing and/or support for the Plan by important creditor constituents. Any such loss of financing and/or support could adversely affect the Debtors' ability to reorganize and confirm and consummate the Plan.

2. The Debtors May Not Be Able to Satisfy the Conditions Precedent to Consummation of the Plan.

To the extent that the Debtors are unable to satisfy the conditions precedent to consummation of the Plan, the Debtors may be unable to consummate the Plan and the DIP Lenders may terminate their support for the Plan prior to the Confirmation or Consummation of the Plan. This loss would result in the loss of support for the Plan by important creditor constituents. Any such loss of support could adversely affect the Debtors' ability to confirm and consummate the Plan.

3. Actual Amounts of Allowed Claims May Differ from Estimated Amounts of Allowed Claims, Thereby Adversely Affecting the Recovery of Some Holders of Allowed Claims.

The estimate of Allowed Claims and recoveries for Holders of Allowed Claims set forth in this Disclosure Statement are based on various assumptions. Should one or more of the underlying assumptions ultimately prove to be incorrect, the actual Allowed amounts of Claims may vary significantly from the estimated Claims contained in this Disclosure Statement. Moreover, the Debtors cannot determine with any certainty at this time, the number or amount of Claims that will ultimately be Allowed. Such differences may materially and adversely affect, among other things, the recoveries to Holders of Allowed Claims under the Plan and the Reorganized Debtors' ability to meet their Financial Projections.

4. The Reorganized Debtors May Not Be Able to Meet the Projected Financial Results.

The Reorganized Debtors may not be able to meet their current projected financial results or achieve projected revenues and cash flows that they have assumed in projecting future business prospects. To the extent the Reorganized Debtors do not meet their projected financial results, the Reorganized Debtors may lack sufficient liquidity to continue operating as planned, may be unable to service their debt obligations, and may not be able to

meet their working capital and operational needs. Any one of these failures may preclude the Reorganized Debtors from, among other things: (a) achieving positive EBITDA and ultimately, profitability; (b) restarting the idled Mooresboro Facility; (c) making the necessary capital expenditures to the Debtors' Mooresboro Facility and other facilities and related operations; (d) taking advantage of future business opportunities; and (e) responding to competitive pressures.

B. Risks Related to the UPA and the Additional Capital Commitment.

1. The Debtors May Not Be Able to Consummate the Transactions Contemplated by the UPA.

The occurrence of the Effective Date is predicated on, among other things, the approval and consummation of the transactions contemplated by the UPA. The Debtors may not be able to obtain approval of the UPA if, among other things, the Debtors do not reach a definitive agreement as to the terms of the UPA with the Plan Sponsors, including its respective exhibits and schedules, or, once agreed and executed, the Plan Sponsors exercise their contractual right to terminate the UPA if, among other reasons, the deadlines set forth in the UPA or the various conditions precedent therein are not satisfied. Failure to enter into and then subsequently consummate the transactions contemplated by the UPA may result in the inability of the Debtors to effectuate the transactions scheduled for consummation on the Effective Date.

2. Holders Who Are Not Permitted, or Who Do Not Elect to Commit to Purchase Additional Capital Commitment Units May Hold Substantially Diluted New Common Equity.

Under the Plan, prior to the Effective Date, each Holder of a Secured Notes Claim (including each Plan Sponsor) is entitled to receive its Pro Rata share of 93.29% of the New Common Equity. However, under the terms of the Plan, the distribution of New Common Equity to Holders of Secured Notes Claims is expressly subject to dilution on account of the UPA Units and any New Common Equity to be issued (a) pursuant to the Warrants, (b) pursuant to the MEIP, and (c) on account of the Additional Capital Commitment Units, at any time on or after the Effective Date.

Further, with respect to the Additional Capital Commitment, the extent of the dilution is not known at this time, and will vary depending on, among other things, the portion of the Additional Capital Commitment Amount that is called by Reorganized Horsehead and the fair market value of the Additional Capital Commitment Units at the time the Additional Capital Commitment Amount is called by the Reorganized Debtors, in accordance with the procedures set forth in the UPA.

As a result, if the Additional Capital Commitment is consummated and subsequently called by Reorganized Horsehead, each Plan Sponsor that is an Eligible Holder who is unable to or does not elect to commit to purchase its respective Additional Capital Commitment in full, will have diluted equity ownership of Reorganized Horsehead as compared to full participation, the full extent of which dilution is not known and may vary depending on the decisions of the Reorganized Debtors.

3. Holders of Unsecured Notes Claims Receiving New Common Equity May Be Substantially Diluted.

Under the Plan, prior to the Effective Date, each Holder of an Unsecured Notes Claim is entitled to receive its Pro Rata share of 6.71% of the New Common Equity; provided, however, that under the terms of the Plan, the distribution of New Common Equity to Holders of Unsecured Notes Claims is expressly subject to dilution (a) for the UPA Units, (b) pursuant to the Warrants, (c) pursuant to the MEIP, and (d) on account of the Additional Capital Commitment Units, at any time on or after the Effective Date.

4. The Additional Capital Commitment is Not Transferrable and There is No Market for the Additional Capital Commitment.

Following the Effective Date, the Additional Capital Commitment Participants may not sell, transfer, or assign their Additional Capital Commitment. The Additional Capital Commitments are only transferable by operation of law. Because the Additional Capital Commitments are non-transferable, there is no market or other

means for Holders of Additional Capital Commitments to directly realize any value associated with the Additional Capital Commitments prior to Reorganized Horsehead calling such Additional Capital Commitment. To realize any value that may be embedded in the Additional Capital Commitments, Additional Capital Commitment Participants must actually purchase their Additional Capital Commitment Units in accordance with the terms of the UPA.

5. Once an Eligible Holder has Elected to Commit to Purchase Additional Capital Commitment Units Pursuant to the Additional Capital Commitment, such Election May Not be Revoked.

Once an Eligible Holder has elected to commit to purchase its Additional Capital Commitment Units pursuant to the Additional Capital Commitment, such election may not be revoked in whole or in part for any reason. If an Eligible Holder elects to commit to purchase its portion of Additional Capital Commitment Units pursuant to the Additional Capital Commitment and purchases Additional Capital Commitment Units pursuant thereto, such Eligible Holder may not be able to sell the Additional Capital Commitment Units purchased under the Additional Capital Commitment at a price equal to or greater than the purchase price for the Additional Capital Commitment Units, or at all, and such Eligible Holder may lose all or part of its investment in the Additional Capital Commitment Units.

6. The Purchase Price of the Additional Capital Commitment Units is Not Necessarily an Indication of Value.

Reorganized Horsehead is entering into the Additional Capital Commitment to ensure sufficient capital is readily available to call for purposes, among other things, of funding and operating the Mooresboro Facility, and for general corporate purposes. The terms of the Additional Capital Commitment, including the purchase price of the Additional Capital Commitment Units, are determined based on many factors, including, without limitation, prevailing market conditions and difficulties currently facing the zinc industry business, the Debtors' historical performance, the Reorganized Debtors' ability to raise alternative debt and/or equity financing, estimates of the Reorganized Debtors' business potential and earnings prospects, and an assessment of the fair market value of the Reorganized Debtors. Although the Debtors intended to capture a fair market value of the Additional Capital Commitment Units, there is no public market for the Additional Capital Commitment Units to confirm such value, and as such, the purchase price of the Additional Capital Commitment Units does not necessarily bear any relationship to the fair market value of the Reorganized Debtors or the Reorganized Debtors' net worth, liquidation value, past operations, cash flows, losses, financial condition, or any other established criteria for valuing the Reorganized Debtors. There can be no assurance that any Holder may be able to sell the Additional Capital Commitment Units at a price equal to or greater than the purchase price of the Additional Capital Commitment Units. Furthermore, because the Reorganized Debtors' liquidation value is less than their value as a going concern, a Holder may suffer a loss in the value of the Additional Capital Commitment Units if the Reorganized Debtors are required to sell any assets.

7. The Debtors May Not Call the Additional Capital Commitment.

Subject to the terms and conditions of the UPA, the Debtors may not call the Additional Capital Commitment at any time, and any portion of the Additional Capital Commitment not called will immediately terminate upon the six (6) month anniversary of the Effective Date.

C. *Risk Factors that Could Negatively Affect the Debtors' Businesses.*

The Debtors are subject to a number of risks, including (1) bankruptcy-related risk factors, and (2) general business and financial risk factors. Any or all such factors, which are enumerated below, may have a materially adverse effect on the business, financial condition, or results of operations of the Debtors.

1. Certain Bankruptcy Law Considerations.

The occurrence or non-occurrence of any or all of the following contingencies, and any others, may affect distributions available to Holders of Allowed Claims under the Plan but will not necessarily affect the validity of the

vote of the Impaired Classes to accept or reject the Plan or necessarily require a re-solicitation of the votes of Holders of Claims in such Impaired Classes.

(a) Parties in Interest May Object to the Plan's Classification of Claims and Interests.

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an interest in a particular class only if such claim or interest is substantially similar to the other claims or interests in such class. The Debtors believe that the classification of the Claims and Interests under the Plan complies with the requirements set forth in the Bankruptcy Code because the Debtors created Classes of Claims and Interests, each encompassing Claims or Interests, as applicable, that are substantially similar to the other Claims and Interests in each such Class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

(b) Failure to Satisfy Vote Requirements.

In the event that votes are received in number and amount sufficient to enable the Bankruptcy Court to confirm the Plan, the Debtors intend to seek, as promptly as practicable thereafter, Confirmation of the Plan. There can be no assurance that the Debtors will receive the requisite votes from Holders of Claims in the requisite Classes to constitute acceptance of the Plan by such Classes, because Holders of at least two-thirds in dollar amount and more than one-half in number of Claims in such Classes must vote to accept the Plan. In the event that sufficient votes are not received, the Debtors may seek to confirm an alternative chapter 11 plan. There can be no assurance that the terms of any such alternative chapter 11 plan would be similar or as favorable to the Holders of Allowed Claims as those proposed in the Plan.

(c) The Debtors May Not Be Able to Secure Confirmation of the Plan.

The Debtors will need to satisfy section 1129 of the Bankruptcy Code, which sets forth the requirements for confirmation of a chapter 11 plan and requires, among other things, a finding by a bankruptcy court that: (i) such plan "does not unfairly discriminate" and is "fair and equitable" with respect to any non-accepting classes; (ii) confirmation of such plan is not likely to be followed by a liquidation or a need for further financial reorganization unless such liquidation or reorganization is contemplated by the plan; and (iii) the value of distributions to non-accepting holders of claims and interests within a particular class under such plan will not be less than the value of distributions such holders would receive if the debtors were liquidated under chapter 7 of the Bankruptcy Code.

There can be no assurance that the requisite acceptances to confirm the Plan will be received. Even if the requisite acceptances are received, there can be no assurance that the Bankruptcy Court will confirm the Plan. A non-accepting Holder of an Allowed Claim or an Allowed Interest might challenge either the adequacy of this Disclosure Statement or whether the balloting procedures and voting results satisfy the requirements of the Bankruptcy Code or Bankruptcy Rules. Even if the Bankruptcy Court determines that this Disclosure Statement, the Solicitation Procedures, and the voting results are appropriate, the Bankruptcy Court can still decline to confirm the Plan if it finds that any of the statutory requirements for Confirmation have not been met, including the requirement that the terms of the Plan do not "unfairly discriminate" and are "fair and equitable" to non-accepting Classes. If the Plan is not confirmed, it is unclear whether a restructuring of the Debtors could be implemented and what distributions, if any, Holders of Allowed Claims would receive with respect to their Allowed Claims.

The Debtors, subject to the terms and conditions of the Plan and approval by the Requisite Plan Sponsors, reserve the right to modify the terms and conditions of the Plan as necessary for Confirmation. Any such modifications may result in a less favorable treatment of any Class than the treatment currently provided in the Plan. Such a less favorable treatment may include a distribution of property to the Class affected by the modification of a lesser value than currently provided in the Plan or no distribution of property whatsoever under the Plan.

(d) Parties in Interest May Object to the Releases Provided by the Plan.

Certain creditors may assert that the Debtors cannot demonstrate that they meet the standards for approval of releases from third parties established by the United States Court of Appeals for the Third Circuit.

(e) Nonconsensual Confirmation.

In the event that any impaired class of claims or interests does not accept a chapter 11 plan, a bankruptcy court may nevertheless confirm a plan at the proponents' request if at least one impaired class has accepted the plan (with such acceptance being determined without including the vote of any "insider" in such class), and, as to each impaired class that has not accepted the plan, the Bankruptcy Court determines that the plan "does not discriminate unfairly" and is "fair and equitable" with respect to the dissenting classes. The Debtors believe that the Plan satisfies these requirements and the Debtors may request such nonconsensual Confirmation in accordance with section 1129(b) of the Bankruptcy Code. Nevertheless, there can be no assurance that the Bankruptcy Court will reach this conclusion. In addition, the pursuit of nonconsensual Confirmation of the Plan may result in, among other things, increased expenses and the expiration of any commitment to provide support for the Plan, financially or otherwise.

(f) The Debtors May Object to the Amount or Classification of a Claim.

Except as provided in the Plan, the Debtors reserve the right, under the Plan, to object to the amount or classification of any Claim. The estimates set forth in this Disclosure Statement cannot be relied upon by any Holder of a Claim where such Claim is or may be subject to an objection. Any Holder of a Claim that is or may be subject to an objection, thus, may not receive its expected share of the estimated distributions described in this Disclosure Statement.

(g) Risk of Non-Occurrence of the Effective Date.

Although the Debtors believe that the Effective Date will occur promptly after the Confirmation Date, there can be no assurance as to such timing or as to whether such an Effective Date will, in fact, occur.

(h) Contingencies May Affect Votes of Impaired Classes to Accept or Reject the Plan.

The distributions available to Holders of Allowed Claims under the Plan can be affected by a variety of contingencies, including, without limitation, whether the Bankruptcy Court orders certain Allowed Claims to be subordinated to other Allowed Claims. The occurrence of any and all such contingencies, which may affect distributions available to Holders of Allowed Claims under the Plan, will not affect the validity of the vote taken by the Impaired Classes to accept or reject the Plan or require any sort of revote by the Impaired Classes.

(i) The Debtors May Not Obtain Recognition from the Canadian Court.

As a condition precedent to the Effective Date, the Plan requires that the Canadian Court shall have entered the Confirmation Recognition Order. The Debtors believe that such order will be granted by the Canadian Court, however, there can be no guaranty as to such outcome.

2. General Bankruptcy-Related Risk Factors.

For the duration of the Chapter 11 Cases and the Canadian Proceedings, the Debtors' operations and their ability to execute their business strategy will be subject to the risks and uncertainties associated with bankruptcy. These risks include:

- The Chapter 11 Cases may adversely affect the Debtors' business prospects and their ability to operate.
- The Chapter 11 Cases and the attendant difficulties of operating the Debtors' businesses while attempting to reorganize the business in bankruptcy may make it more difficult to maintain and promote the Debtors' services and attract customers to their businesses.
- The Chapter 11 Cases will cause the Debtors to incur substantial costs for fees and other expenses associated with the Chapter 11 Cases and the Canadian Proceedings.

- The Chapter 11 Cases may prevent the Debtors from investing in the currently-idled Mooresboro Facility and may restrict their ability to pursue other business strategies. Among other things, the Bankruptcy Code, the Canadian Proceedings, and the DIP Credit Agreement limit the Debtors' ability to incur additional indebtedness, make investments, sell assets, consolidate, merge or sell, or otherwise dispose of assets or grant liens. These restrictions may place the Debtors at a significant competitive disadvantage.
- Transactions by the Debtors outside the ordinary course of business are subject to the prior approval of the Bankruptcy Court and with respect to property located in Canada, the Canadian Court, which may limit their ability to respond timely to certain events or take advantage of certain opportunities. The Debtors may not be able to obtain Bankruptcy Court approval or such approval may be delayed with respect to actions they seek to undertake during the pendency of the Chapter 11 Cases or Canadian Proceedings.
- The Debtors may be unable to retain and motivate key executives and employees through the process of reorganization, and the Debtors may have difficulty attracting new employees. In addition, so long as the Chapter 11 Cases continue, the Debtors' senior management will be required to spend a significant amount of time and effort dealing with the reorganization instead of focusing exclusively on business operations.
- There can be no assurance as to the Debtors' ability to maintain sufficient financing sources to fund their business and meet future obligations. The Debtors intend to finance their operations during their reorganization using funds from operations and the DIP Facility. There can be no assurance that the Debtors will be able to operate pursuant to the terms of the DIP Facility, including the financial covenants and restrictions contained therein, or to negotiate and obtain necessary approvals, amendments, waivers, or other types of modifications, and to otherwise fund and execute the Debtors' business plans throughout the duration of the Chapter 11 Cases and Canadian Proceedings.
- There can be no assurance that the Debtors will be able to successfully develop, prosecute, confirm, and consummate the Plan with respect to the Chapter 11 Cases that are acceptable to the Bankruptcy Court, the Canadian Court, and the Debtors' creditors, equity holders, and other parties in interest.
- Additionally, third parties may seek and obtain Bankruptcy Court approval to terminate or shorten the exclusivity period for the Debtors to propose and confirm the Plan, to appoint a chapter 11 trustee, or to convert the cases to chapter 7 cases.
- In addition, the uncertainty regarding the eventual outcome of the Debtors' restructuring, and the effect of other unknown adverse factors could threaten the Debtors' existence as a going-concern. Continuing on a going-concern basis of the Debtors' business is dependent upon, among other things, obtaining Bankruptcy Court approval of a chapter 11 plan and Canadian Court recognition of the same, maintaining the support of key vendors and customers, and retaining key personnel, along with financial, business, and other factors, many of which are beyond the Debtors' control. Under the priority scheme established by the Bankruptcy Code, unless creditors agree otherwise in accordance with the Bankruptcy Code, distributions from the estate for prepetition liabilities and postpetition liabilities must comply with section 1129 of the Bankruptcy Code. The ultimate recovery to Holders of Claims will not be determined until Confirmation of the Plan or an alternative chapter 11 plan. No assurance can be given as to what values, if any, will be ascribed in the Chapter 11 Cases to each of these constituencies or what types or amounts of distributions, if any, they will receive.

3. General Business and Financial Risk Factors.

(a) Recent Declines in Zinc and Nickel Prices.

Recent declines in the LME base metals pricing, particularly with regard to zinc and nickel, may continue to have a significant impact on the Debtors' liquidity, operating results, and financial condition. The Debtors derive most of their revenue from the sale of zinc and a portion of their revenue from the sale of nickel-containing products. Changes in the market prices of zinc and nickel impact the selling prices of the Debtors' products. Therefore, the Debtors' liquidity and profitability are significantly affected by decreased zinc and nickel prices. Since May 2015, the price of zinc has fallen approximately 34%, reaching a five-year low in September 2015. The price of nickel has fallen approximately 50% from May 2014 to September 2015. If the prices of zinc and nickel continue to decline and the Debtors are unable to restart and improve the production rates and operational capabilities at the Mooresboro Facility, the Debtors' liquidity, financial condition, and operating results will be materially and adversely affected.

Market prices of zinc and nickel are dependent upon a variety of factors over which the Debtors have no control, including:

- the balance between supply and demand;
- availability and relative pricing of metal substitutes;
- labor costs;
- import and export restrictions;
- energy prices;
- economic conditions in the United States, China, and elsewhere in the world;
- environmental laws and regulations;
- weather; and
- the effect of financial commodity speculations.

Declines in the price of zinc have had a negative impact on the Debtors' operations in the past and in the months leading up to the Petition Date, and future declines could further negatively impact the Debtors' future financial conditions and/or operational results. Market conditions beyond the Debtors' control determine the prices for their products, and the price for any one or more of their products may fall below their production costs, requiring the Debtors to either incur short-term losses and/or idle or permanently shut down production capacity.

(b) General Economic Conditions.

The Debtors' business is adversely affected by decreases in the general level of economic activity, including the levels of purchasing and investment in general. Strengthening of the rate of exchange for the U.S. dollar against certain major currencies may adversely affect the Debtors' financial results or domestic customers' ability to export their product. The Debtors are unable to predict the likely duration and severity of disruptions in financial markets and sluggish economic conditions in the United States and other countries, and any resulting effects or changes, including those described above, may have a material and adverse effect on the Debtors' businesses, operational results, and financial condition. In their Financial Projections, the Debtors have assumed that the general economic conditions of the United States economy will improve over the next several years. The stability of economic conditions is subject to many factors outside the Debtors' control, including interest rates, inflation, unemployment rates, the housing market, consumer spending, war, terrorism, natural disasters, and other such factors. Any one of these or other economic factors could have a significant effect on the operating performance of the Debtors.

(c) Implementation of Business Plan.

The Debtors may not achieve their business plan and financial restructuring strategy. For example, the restart and remediation of the issues existing at the Mooresboro Facility may take longer and prove to be substantially more expensive than the Debtors currently estimate. In such event, the Reorganized Debtors may be

unable to restructure their funded debt or be forced to sell all or parts of their business, develop and implement further restructuring plans not contemplated in this Disclosure Statement, or become subject to further insolvency proceedings.

(d) Ramp Up of the Mooresboro Facility.

The Mooresboro Facility experienced significant operational difficulties prior to its idling that resulted in low production and several interruptions, and prevented it from ever achieving its design capacity. Some of the difficulties the Debtors have faced are a bleed treatment system with insufficient capacity, inadequate removal of solids from the leach clarifier overflow, poor current efficiency caused by occasional excursions in electrolyte chemistry, and intermittent equipment reliability issues related to plugging and failure of process lines, pumps, and filters. Although the Debtors believe that the Reorganized Debtors will ultimately succeed in making the necessary repairs and upgrades to the Mooresboro Facility, which will enable it to operate at or near full capacity, there are significant risks that such efforts will be unsuccessful and that the Reorganized Debtors will continue to suffer a loss of cash flow due to operational issues at the Mooresboro Facility. The Reorganized Debtors cannot foresee the severity of known issues, guarantee that their efforts to remediate known issues will be sufficient, or guarantee that they will be able to remediate such issues in a timely or cost-effective manner. In addition, the Reorganized Debtors cannot guarantee that they will not encounter additional issues that result in further delays and unexpected costs. In that event, the Reorganized Debtors may be unable to restructure their funded debt or be forced to sell all or parts of their business, develop and implement further restructuring plans not contemplated in this Disclosure Statement, or become subject to further insolvency proceedings.

(e) Projected Benefits from the Mooresboro Facility.

Even if the Reorganized Debtors are able to restart the Mooresboro Facility and resume operations, the benefits that the Reorganized Debtors are projected to receive from the Mooresboro Facility are based on numerous assumptions that, if incorrect, could negatively impact such projected benefits. Specifically, the technology used at the Mooresboro Facility has only been implemented in a limited number of production environments, and the Debtors' assumptions with regard to this technology have proved incorrect in certain instances in the past. Some aspects of this technology have not been tested in exactly the same manner or on a similar scale as compared to the Mooresboro Facility. In addition, the equipment in the Mooresboro Facility may not be operated in exactly the same manner as in other production environments. For example, when the Mooresboro Facility began operations in May 2014, it had intermittent success with producing more lucrative grades of zinc metal. The Reorganized Debtors may also not be able to realize the reduced recycling costs or the logistical benefits originally anticipated from the Mooresboro Facility operations, and may also be unable to penetrate the markets for certain grades of zinc metal that the Mooresboro Facility was designed to produce.

(f) Fluctuations in the Metals Industry.

The metals industry is highly cyclical. The length and magnitude of industry cycles have varied over time and by product but generally reflect changes in macroeconomic conditions, levels of industry capacity and availability of usable raw materials. The overall levels of demand for the Debtors' products containing zinc or nickel reflect fluctuations in levels of end-user demand, which depend in large part on general macroeconomic conditions in North America and regional economic conditions in the Debtors' markets. For example, many of the principal end consumers of zinc metal and zinc-related products operate in industries such as transportation, construction, or general manufacturing, which themselves are heavily dependent on general economic conditions, including the availability of affordable energy sources, employment levels, interest rates, consumer confidence, and housing demand. These cyclical shifts in the Debtors' customers' industries tend to result in significant fluctuations in demand and pricing for the Debtors' products and services. As a result, in periods of recession or low economic growth, metals companies, including the Debtors, have generally tended to under-perform compared to other industries. The Debtors generally have high fixed costs, so changes in industry demand that impact their production volume also can significantly impact profit margins and the Debtors' overall financial condition. Economic downturns in the national and international economies and prolonged recessions in the Debtors' principal industry segments have had a negative impact on the Debtors' operations, and a continuation or further deterioration of

current economic conditions could have a negative impact on the Reorganized Debtors' future financial condition and/or operational results.

(g) Long Term Demand and Competing Technologies.

The Debtors' zinc and nickel-based products compete with other materials in many of their applications. For example, zinc is used by steel fabricators in the hot dip galvanizing process, in which steel is coated with zinc to protect it from corrosion. Steel fabricators can also use paint, which the Debtors do not sell, for corrosion protection. Demand for the Debtors' zinc as a galvanizing material may shift depending on how customers view the respective merits of hot dip galvanizing and paint. In addition, zinc is also used by continuous galvanizers to produce galvanized flat-rolled sheet steel for the automotive market. Some automotive companies have begun to use lighter weight aluminum to replace galvanized steel to meet fuel efficiency standards by reducing vehicle weight, and to meet recycling standards. Any such shifts in industry uses could affect the Debtors' sales.

The Debtors' nickel-bearing products are used in the stainless steel industry, and demand for their products and services may decline if demand for stainless steel lessens. Nickel-bearing stainless steel faces competition from stainless steels containing a lower level of nickel or no nickel. Domestic production of stainless steel may be negatively impacted by imports.

In addition, in periods of high zinc and nickel prices, consumers of these metals may have additional incentives to invest in the development of technologically viable substitutes for zinc and nickel-based products. Similarly, customers may develop ways to manufacture their products by using less zinc and nickel-bearing material than they do currently. If one or more of the Debtors' customers successfully identifies alternative products that can be substituted for the Debtors' zinc or nickel-based products, or find ways to reduce their zinc or nickel consumption, the Debtors' sales to those and other customers would likely decline.

Demand for the Debtors' EAF dust or nickel-bearing waste recycling operations may decline to the extent that steel mini-mill producers identify less expensive or more convenient alternatives for the disposal of their EAF dust or nickel-bearing waste, or if the EPA were to no longer classify EAF dust as a listed hazardous waste. The Reorganized Debtors may face increased competition from other EAF dust or nickel-bearing waste recyclers, including new entrants into those recycling markets, or from landfills implementing more effective disposal techniques. Furthermore, the Debtors' current recycling customers may seek to capitalize on the value of the EAF dust or nickel-bearing waste produced by their operations, or may seek to recycle their material themselves, or reduce the price they pay to the Debtors for the material they deliver.

In their zinc oxide business, the Debtors face competition from new capacity added to the market by U.S. Zinc and by Zinc Oxide LLC, a new zinc oxide manufacturer located in Tennessee, which started production in 2014. This additional capacity in the market may result in downward pressure on prices as these producers attempt to capture new business. Any of these developments would have an adverse effect on the Debtors' financial results.

(h) Market Share and Industry Competition.

The Debtors face intense competition from regional, national, and global companies in each of the markets they serve, and also face the potential for future entrants and competitors. The Debtors compete on the basis of product quality, on-time delivery performance and price, with price representing a more important factor for the Debtors' larger customers and for sales of standard zinc products than for smaller customers and customers to whom the Debtors sell value-added zinc-based products. The Debtors' competitors include other independent zinc producers as well as metal traders, vertically integrated zinc companies that mine and produce zinc. Some of their competitors have substantially greater resources, including financial resources, than the Debtors, and several of the Debtors' competitors have a greater market share than the Debtors. The Debtors' competitors may also foresee the course of market development more accurately than the Debtors, sell products at a lower price than the Debtors can, and/or adapt more quickly to new technologies or industry and customer requirements. The Debtors operate in a global marketplace, and zinc metal imports have historically represented approximately 75% of zinc metal consumption in the United States.

In the future, foreign zinc metal producers may develop new ways of packaging and transporting zinc metal that could mitigate the freight cost and other shipping limitations that the Debtors believe currently limit their ability to more fully penetrate the United States zinc market. If the Debtors' customers in any of the end-user markets they serve were to shift their production outside the United States and Canada, then those customers would likely source zinc overseas and, as a result, the Debtors' net sales and operational results would be adversely affected. If the Debtors cannot compete other than by reducing prices, they may lose market share and suffer reduced profit margins. If the Debtors' competitors lower their prices, it could inhibit the Debtors' ability to compete for customers with higher value-added sales and could lead to a reduction in sales volumes and profit. If the Debtors' product mix changed as a result of competitive pricing, it could have an adverse impact on their gross margins and profitability.

(i) Supplier Relationships.

The Debtors rely significantly on their suppliers. Adverse changes in any of the relationships with their suppliers, or the inability to enter into new relationships with suppliers, could negatively impact the Debtors' operations and performance. The Debtors' current arrangements with suppliers may not remain in effect on current or similar terms, and the impact of changes to those arrangements may adversely impact the Debtors' revenue.

(j) Equipment and Power Failures, Delivery Delays, and Catastrophic Loss.

An interruption in production or service capabilities at any of the Debtors' production facilities as a result of equipment or power failure, or for other reasons, could limit the Debtors' ability to deliver products to their customers, which would reduce net sales and net income, increase costs, and potentially damage relationships with customers. Any significant delay in deliveries to the Debtors' customers could lead to increased returns or cancellations, damage to the Debtors' reputation, and/or permanent loss of customers. Any such production stoppage or delay could also require the Debtors to make unplanned capital expenditures, which together with reduced sales and increased costs, could adversely affect the Debtors' financial and/or operational results.

Furthermore, because many of the Debtors' customers are, to varying degrees, dependent on deliveries from the Debtors' facilities, customers that have to reschedule their own production due to the Debtors' missed deliveries could pursue financial claims against the Debtors. The Debtors' facilities are also subject to the risk of catastrophic loss due to unanticipated events such as fires, adverse weather conditions, or other refinery incidents. The Debtors have experienced, and may experience in the future, periods of reduced production as a result of repairs that are necessary to their operations. If any of these events occur in the future, they could have a material adverse effect on the Debtors' businesses, financial condition, or operational results. The Debtors' insurance policies may not cover all of their losses and the Debtors could incur uninsured losses and liabilities arising from, among other things, loss of life, physical damage, business interruptions, and product liability.

(k) Operational Costs.

Many of the expenses associated with owning, repairing, upgrading, and operating the Mooresboro Facility and the Debtors' other operations, such as debt-service payments, property taxes, insurance, and utilities, are relatively inflexible and do not necessarily decrease in tandem with a reduction in the Debtors' revenue. The Reorganized Debtors' expenses also will be affected by inflationary increases and certain costs may exceed the rate of inflation in any given period. In the event of a significant decrease in demand for zinc and EAF dust processing services, the Reorganized Debtors may be unable to reduce the size of their workforces to decrease wages and benefits or to offset any such increased expenses with higher electricity, or decreases revenues due to decreased zinc prices. As a result, any of the Reorganized Debtors' efforts to reduce operating costs or failure to make scheduled capital expenditures also could adversely affect the future growth of their business and the value of the Reorganized Debtors' assets and it is possible that increased operational costs may decrease the Reorganized Debtors' net revenues.

(l) Current and Future Credit and Financial Market Conditions.

Financial markets in the United States, Europe, and Asia have experienced disruption, including, among other things, volatility in securities prices, diminished liquidity and credit availability, rating downgrades of certain investments, and declining valuations of others. There can be no assurance that there will not be further deterioration in these markets and confidence in economic conditions. These economic developments affect businesses, such as the Debtors', in a number of ways. Tightening credit in financial markets may delay or prevent the Debtors' customers from securing funding adequate to honor their existing contracts with us or to enter into new contracts to purchase the Debtors' products, and could result in a decrease in or cancellation of orders for the Debtors' products. The Debtors' customers may also seek to delay deliveries of the Debtors' products under existing contracts, which may postpone the Debtors' ability to recognize revenue on contracts in their order backlog.

(m) Potential Costs to Comply with Environmental Laws.

The Debtors' activities are subject to complex and stringent environmental, energy, and other governmental laws and regulations that have had and will continue to have an impact on the Reorganized Debtor's operations and investment decisions and which could adversely affect their operations. These laws include the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), the Superfund Amendment Reauthorization Act ("Superfund"), RCRA, the Clean Air Act, the Clean Water Act, and their state and provincial equivalents, among others. Regulatory compliance for the operation of the Reorganized Debtors' facilities can be a costly and time-consuming process. The operation of the Debtors' facilities requires numerous permits, approvals, and certificates from appropriate federal, state, and local governmental agencies, as well as compliance with environmental and energy laws and regulations. Although the Debtors believe that they have obtained or applied for the requisite approvals and permits for their existing operations and that their business is operated in substantial compliance with applicable laws and regulations, the Debtors remain subject to certain pending environmental enforcement actions and are subject to a varied and complex body of laws and regulations that both governmental authorities and third parties may seek to enforce in the future. In addition, accidental spills, releases, or other events may occur in the course of the Reorganized Debtors' operations, and the Debtors cannot give any assurance that they will not incur substantial costs and liabilities as a result of such spills or releases, instances of noncompliance, or other events, including those relating to claims for damage to property, persons, natural resources, or the environment.

In addition, existing laws and regulations may be revised or reinterpreted, or new laws and regulations that may be more stringent may become applicable to the Reorganized Debtors that may have a negative effect on their business and results of operations. Intricate and changing environmental, energy, and other regulatory requirements may necessitate substantial expenditures to attain compliance, including obtaining and maintaining permits. If operations are unable to function as planned due to changing requirements, loss of required permits or regulatory status, or local opposition, it may create expensive delays, extended periods of non-operation, or significant loss of value in such operations.

(n) Employee and Labor Relations Issues.

The Reorganized Debtors may be subject to many of the costs and risks generally associated with having a unionized workforce. Of the Reorganized Debtors' approximately 682 total employees, about 277 U.S. employees will be represented by unions (the "U.S. Union Employees"). The Reorganized Debtors will be subject to five different collective bargaining agreements governing the terms and conditions of the U.S. Union Employees in Pennsylvania, Illinois, and Tennessee. Two of these collective bargaining agreements are due to expire in 2016; the collective bargaining agreement with Teamsters Local Union No. 261 will expire on October 31, 2016, and the collective bargaining agreement with the United Transportation Union will expire on December 15, 2016. Because of some of the Reorganized Debtors' employees in the U.S. are represented by unions, from time to time, operations could be disrupted as a result of strikes, lockouts, or other concerted union activity. Further, the collective bargaining agreement applicable to the Zochem employees in Brampton, Ontario, Canada was set to expire on June 30, 2016, but the Debtors secured an extension until July 31, 2016 to renegotiate the terms of the collective bargaining agreement. The Reorganized Debtors may also incur increased legal costs and labor costs as a result of the collective bargaining agreements, contract disputes, negotiations, or other events. The resolution of labor

disputes or re-negotiated labor contracts could lead to increased labor costs, either by increases in wages or benefits or by changes in work rules that raise operating costs. The Reorganized Debtors may not have the ability to affect the outcome of these negotiations.

Additionally, the Reorganized Debtors will be subject to the requirements of the United States Occupational Safety and Health Administration ("OSHA"), and comparable state and provincial statutes that regulate the protection of the health and safety of workers. The OSHA hazard communication standard and the Canadian Workplace Hazardous Materials Information System standard requires that information be maintained about hazardous materials used or produced in operations and that this information be provided to employees, state, provincial, and local government authorities and customers. The Reorganized Debtors will also be subject to federal, state, and provincial laws regarding operational safety. Costs and liabilities related to worker safety may be incurred and any violation of health and safety laws or regulations could impose substantial costs on the Reorganized Debtors. Possible future developments, including stricter safety laws for workers or others, regulations and enforcement policies, and claims for personal injury or property damages resulting from the Reorganized Debtors' operations could result in substantial costs and liabilities that could impose significant costs on the Reorganized Debtors.

Moreover, the Reorganized Debtors' success will depend, in part, on the efforts of their executive officers and other key employees, none of whom are covered by key person insurance policies. These individuals possess sales, marketing, engineering, manufacturing, financial, and administrative skills that are critical to the operation of the Debtors' businesses. If the Reorganized Debtors lose or suffer an extended interruption in the services of one or more of their executive officers or other key employees, the Reorganized Debtors' businesses, operational results, and financial condition may be negatively impacted.

In addition, because of the nature of the Debtors' operations, and in particular, the technology associated with the Mooresboro Facility, they require highly specialized and skilled operators. If unable to attract and retain these individuals, the Reorganized Debtors' businesses may suffer. The market for qualified individuals is highly competitive and the Reorganized Debtors may not be able to attract and retain qualified personnel to succeed members of their management team, or other key employees and operators should the need arise.

(o) Capital Expenditures.

In addition to the substantial capital expenditures anticipated in connection with the restart and continued ramp up of the Mooresboro Facility, the Reorganized Debtors will have an ongoing need to make potentially significant capital expenditures generally to remain competitive in the relevant marketplaces or to comply with applicable laws or regulations. The timing and costs of such capital expenditures may result in reduced operating performance during construction and may not improve the return on these investments. These capital expenditures may also reduce the availability of cash for other purposes and are subject to cost overruns and delays.

(p) Intellectual Property.

The Debtors rely upon proprietary know-how, continuing technological and operating innovation, and other trade secrets to develop and maintain their competitive position. The Reorganized Debtors' competitors could gain knowledge of this know-how or these trade secrets, either directly or through one or more of the Reorganized Debtors' employees or other third parties. If one or more of the Reorganized Debtors' competitors can use or independently develop such know-how or trade secrets, the Reorganized Debtors' market share, sales volumes, and profit margins could be adversely affected.

(q) Pending and Future Litigation.

There is, or may be in the future, certain litigation that could result in a material judgment against the Debtors or the Reorganized Debtors. Such litigation and any judgment in connection therewith could have a material negative effect on the Debtors or the Reorganized Debtors.

D. *Risks Related to the New Common Equity.*

1. The Estimated Value of the New Common Equity in Connection with the Plan May Differ from the Actual Value of the New Common Equity.

The estimated value of the New Common Equity for purposes of estimating recovery percentages under the Plan is based on the Valuation Analysis, attached hereto as Exhibit D, which represents a hypothetical valuation of the Reorganized Debtors and assumes that, among other things, such Reorganized Debtors continue as an operating business. The Valuation Analysis does not purport to constitute an appraisal of the Reorganized Debtors or necessarily reflect the actual market value that might be realized through a sale or liquidation of the Reorganized Debtors or their assets, which may be materially different than the estimate set forth in the Valuation Analysis. Accordingly, the estimated value of the New Common Equity does not necessarily reflect the actual market value of the New Common Equity that might be realized after Confirmation and Consummation of the Plan, which may be materially lower than the estimated valuation of the New Common Equity as set forth in this Disclosure Statement and the exhibits hereto. Accordingly, such estimated value is not necessarily indicative of the prices at which the New Common Equity may trade after giving effect to the transactions set forth in the Plan.

2. An Active Trading Market May Not Develop for the New Common Equity.

The New Common Equity is a new issue of securities and, accordingly, there is currently no established public trading market for the New Common Equity. The Debtors do not currently intend to apply to list the New Common Equity on any national securities exchange and, as such, there can be no assurance that an active trading market for the New Common Equity will develop. If there is no active trading market in the New Common Equity, the market price and liquidity of the New Common Equity may be adversely affected. If a trading market does not develop or is not maintained, holders of New Common Equity may experience difficulty in reselling such securities at an acceptable price or may be unable to sell them at all. Even if a trading market were to exist, such market could have limited liquidity and the New Common Equity could trade at prices higher or lower than the value attributed to such securities in connection with their distribution under the Plan, depending upon many factors, including, without limitation, markets for similar securities, industry conditions, financial performance, prevailing interest rates, conditions in financial markets, or prospects and investor expectations thereof. As a result, there may be limited liquidity in any trading market that does develop for the New Common Equity. Finally, the New Organizational Documents may also contain restrictions on the transferability of the New Common Equity (such as rights of first refusal/offer, tag-along rights, and/or drag-along rights, among others), which may adversely affect the liquidity in the trading market for the New Common Equity.

3. A Small Number of Holders or Voting Blocks May Control the Reorganized Debtors.

Consummation of the Plan may result in a small number of holders owning a significant percentage of the outstanding the New Common Equity in the Reorganized Debtors. These holders may, among other things, exercise a controlling influence over the business and affairs of the Reorganized Debtors and have the power to elect directors or managers and approve significant mergers and other material corporate transactions.

4. The Issuance of New Common Equity under the Management Equity Incentive Plan will Dilute the New Common Equity.

On the Effective Date, a percentage of the New Common Equity will be reserved for issuance as grants of options in connection with the MEIP. If the Reorganized Debtors distribute such equity-based awards to management pursuant to the MEIP, it is contemplated that such distributions will dilute the New Common Equity issued on account of Claims under the Plan and the ownership percentage represented by the New Common Equity distributed under the Plan.

5. The New Common Equity is an Equity Interest and Therefore Subordinated to the Indebtedness of the Reorganized Debtors.

In any liquidation, dissolution, or winding up of the Reorganized Debtors, the New Common Equity would rank junior to all debt claims against the Reorganized Debtors. As a result, holders of New Common Equity will not be entitled to receive any payment or other distribution of assets upon the liquidation, dissolution, or winding up of the Reorganized Debtors until after all of their obligations to their debt holders have been satisfied.

6. Certain Holders of New Common Equity May Be Restricted in Their Ability to Transfer or Sell Their Securities.

To the extent that the New Common Equity is issued under the Plan pursuant to section 1145(a) of the Bankruptcy Code, it may be resold by the holders thereof without registration unless the holder is an "underwriter" with respect to such securities (other than securities issued to holders resident in Canada which shall be subject to statutory restrictions upon resale). Resales by Persons who receive New Common Equity pursuant to the Plan that are deemed to be "underwriters" as defined in section 1145(b) of the Bankruptcy Code would not be exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or other applicable law. Such Persons would only be permitted to sell such securities without registration if they are able to comply with the provisions of Rule 144 under the Securities Act or another applicable exemption.

Pursuant to the UPA, to the extent section 1145 of the Bankruptcy Code is unavailable, such as in the case of New Common Equity issued on the Effective Date pursuant to the UPA and the Additional Capital Commitment Units, if any, issued following the Effective Date when called by Reorganized Horsehead pursuant and subject to the terms and conditions of the UPA, the issuance of such securities shall be exempt from registration under the Securities Act pursuant to Section 4(a)(2) of the Securities Act, and/or the safe harbor of Regulation D promulgated thereunder, or such other exemption from registration requirements as may be available. Any New Common Equity issued pursuant to Section 4(a)(2) of the Securities Act will be deemed "restricted securities" (as defined by Rule 144 of the Securities Act) that may not be offered, sold, exchanged, assigned, or otherwise transferred unless they are registered under the Securities Act, or an exemption from registration under the Securities Act is available. In addition, such securities may only be resold by holders resident in Canada in accordance with a further statutory exemption or pursuant to a discretionary order obtained from the applicable Canadian securities administrator. Canadian holders are encouraged to consult with their Canadian legal advisors with respect to their ability to resell such securities.

E. *Liquidity Risks.*

1. Continuing Leverage.

The Reorganized Debtors' ability to carry out capital spending that is important to their growth and productivity will depend on a number of factors, including future operating performance and ability to achieve the business plan. These factors will be affected by general economic, financial, competitive, regulatory, business, and other factors that are beyond the Reorganized Debtors' control.

F. *Risks Associated with Forward Looking Statements.*

The financial information contained in this Disclosure Statement has not been audited. In preparing this Disclosure Statement, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have used their reasonable business judgment to ensure the accuracy of the financial information provided in this Disclosure Statement, and while the Debtors believe that such financial information fairly reflects the financial condition of the Debtors, the Debtors are unable to represent or warrant that the financial information contained in this Disclosure Statement and attached hereto is without inaccuracies.

5. Failure to Identify Litigation Claims or Projected Objections.

No reliance should be placed on the fact that a particular litigation claim or projected objection to a particular Claim or Interest is, or is not, identified in this Disclosure Statement. The Debtors or Reorganized Debtors, as applicable, may seek to investigate, file, and prosecute Claims and Interests and may object to Claims or Interests after the Confirmation or Effective Date of the Plan irrespective of whether this Disclosure Statement identifies such Claims or Interests or objections to such Claims or Interests.

6. No Waiver of Right to Object or Right to Recover Transfers and Assets.

The vote by a Holder of a Claim for or against the Plan does not constitute a waiver or release of any claims, causes of action, or rights of the Debtors (or any entity, as the case may be) to object to that Holder's Claim, or recover any preferential, fraudulent, or other voidable transfer of assets, regardless of whether any claims or causes of action of the Debtors or their respective Estates or the Reorganized Debtors are specifically or generally identified in this Disclosure Statement.

7. Information Was Provided by the Debtors and Was Relied Upon by the Debtors' Advisors.

The Debtors' advisors have relied upon information provided by the Debtors in connection with the preparation of this Disclosure Statement. Although the Debtors' advisors have performed certain limited due diligence in connection with the preparation of this Disclosure Statement, they have not verified independently the information contained in this Disclosure Statement.

8. Potential Exists for Inaccuracies, and the Debtors Have No Duty to Update.

The statements contained in this Disclosure Statement are made by the Debtors as of the date of this Disclosure Statement, unless otherwise specified in this Disclosure Statement, and the delivery of this Disclosure Statement after the date of this Disclosure Statement does not imply that there has not been a change in the information set forth in this Disclosure Statement since that date. While the Debtors have used their reasonable business judgment to ensure the accuracy of all of the information provided in this Disclosure Statement and in the Plan, the Debtors nonetheless cannot, and do not, confirm the current accuracy of all statements appearing in this Disclosure Statement. Further, although the Debtors may subsequently update the information in this Disclosure Statement, the Debtors have no affirmative duty to do so unless ordered to do so by the Bankruptcy Court.

9. No Representations Outside this Disclosure Statement Are Authorized.

No representations concerning or relating to the Debtors, the Chapter 11 Cases, or the Plan are authorized by the Bankruptcy Court or the Bankruptcy Code, other than as set forth in this Disclosure Statement. Any representations or inducements made to secure your acceptance or rejection of the Plan that are other than as contained in, or included with, this Disclosure Statement, should not be relied upon by you in arriving at your decision. You should promptly report unauthorized representations or inducements to the counsel to the Debtors and the U.S. Trustee.

H. *Liquidation Under Chapter 7.*

If no plan can be confirmed, the Debtors' Chapter 11 Cases may be converted to cases under chapter 7 of the Bankruptcy Code or similar proceedings under Canadian law, pursuant to which a trustee would be elected or appointed to liquidate the assets of the Debtors for distribution in accordance with the priorities established by the Bankruptcy Code. A discussion of the effects that a chapter 7 liquidation would have on the recoveries of Holders of Claims and the Debtors' Liquidation Analysis is set forth in Article VII of this Disclosure Statement, "*Statutory Requirements for Confirmation of the Plan,*" and the Liquidation Analysis attached hereto as Exhibit C.

**ARTICLE IX.
SECURITIES LAW MATTERS**

Under the Plan, the Debtors will offer, issue and distribute New Common Equity, Warrants, and Additional Capital Commitment Units, to certain Holders of Allowed Claims. The Debtors believe that the New Common Equity, the Warrants, and the Additional Capital Commitment Units will be "securities," as defined in section 2(a)(1) of the Securities Act, section 101 of the Bankruptcy Code and any applicable state securities law.

A. *Section 1145 of the Bankruptcy Code.*

The Debtors will rely on section 1145 of the Bankruptcy Code to exempt from the registration requirements of the Securities Act the offer, issuance, and distribution of the Section 1145 Securities: (1) the New Common Equity to Holders of Secured Notes Claims and Unsecured Notes Claims; (2) the Warrants to Holders of Convertible Notes Claims; (3) the New Common Equity, or any other security obtainable, upon the exercise of Warrants pursuant to their terms to Holders of Convertible Notes Claims; and (4) the Banco Bilbao Note to Holders of Banco Bilbao Credit Agreement Claims. Section 1145(a)(1) of the Bankruptcy Code exempts the offer and sale of securities under a plan of reorganization from registration under section 5 of the Securities Act and state laws when the recipients of the securities hold a claim against the debtor and such securities are to be exchanged for claims or principally in exchange for claims and partly for cash. Similarly, under section 1145(a)(2) of the Bankruptcy Code, the offer of a security through any warrant that was sold in the manner specified in section 1145(a)(1) and the sale of any security upon exercise of a warrant are exempt from registration under section 5 of the Securities Act and state laws. The Warrants and the New Common Equity to be issued upon the exercise of the Warrants will satisfy the requirements of sections 1145(a)(1) and (a)(2) of the Bankruptcy Code.

In general, securities issued under section 1145 may be resold without registration unless the recipient is an "underwriter" with respect to those securities. Section 1145(b)(1) of the Bankruptcy Code defines an "underwriter" as any person who:

- purchases a claim against, an interest in, or a claim for an administrative expense against the debtor, if that purchase is with a view to distributing any security received in exchange for such a claim or interest;
- offers to sell securities offered under a plan of reorganization for the holders of those securities;
- offers to buy those securities from the holders of the securities, if the offer to buy is (A) with a view to distributing those securities, and (B) under an agreement made in connection with the plan of reorganization, the completion of the plan of reorganization, or with the offer or sale of securities under the plan of reorganization; or
- is an issuer with respect to the securities, as the term "issuer" is defined in section 2(a)(11) of the Securities Act.

To the extent that Holders of Claims who receive Section 1145 Securities are deemed to be "underwriters," resales by those Holders would not be exempted from registration under the Securities Act or other applicable law by section 1145 of the Bankruptcy Code. Those Holders would, however, be permitted to sell Section 1145 Securities without registration if they are able to comply with the provisions of Rule 144 under the Securities Act, as described further below.

You should confer with your own legal advisors to help determine whether or not you are an "underwriter."

Under certain circumstances, holders of Section 1145 Securities deemed to be "underwriters" may be entitled to resell their securities pursuant to the limited safe harbor resale provisions of Rule 144 of the Securities Act, to the extent available, and in compliance with applicable state securities laws. Generally, Rule 144 of the Securities Act provides that persons who are affiliates of an issuer who resell securities will not be deemed to be underwriters if certain conditions are met. These conditions include the requirement that current public information with respect to the issuer be available, a limitation as to the amount of securities that may be sold, the requirement that the securities be sold in a "brokers transaction" or in a transaction directly with a "market maker," and that notice of resale be filed with the Securities and Exchange Commission.

B. *Section 4(a)(2) of the Securities Act.*

The Debtors will rely on section 4(a)(2) of the Securities Act to exempt from the registration requirements of the Securities Act the offer, issuance, and distribution of the New Common Equity issued to the Plan Sponsors and the Additional Capital Commitment Units issued to the Additional Capital Commitment Participants, in each case, pursuant to the terms of the UPA (collectively, the "Section 4(a)(2) Securities").

Section 4(a)(2) of the Securities Act exempts transactions not involving a public offering, and Rule 506 of Regulation D of the Securities Act provides a safe harbor under section 4(a)(2) for transactions that meet certain requirements, including that the investors participating therein qualify as "accredited investors" as defined in Rule 501 of Regulation D (17 C.F.R. § 230.501). Holders of Claims receiving Section 4(a)(2) Securities, as applicable, are either an "institutional accredited investor" (accredited investors, as defined in Rule 501(a)(1), (2), (3) and (7) under the Securities Act) or a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act).

The Section 4(a)(2) Securities will be deemed "restricted securities" and may not be sold, exchanged, assigned, or otherwise transferred unless they are registered, or an exemption from registration applies, under the Securities Act. Rule 144 of the Securities Act permits the public resale of restricted securities if certain conditions are met, and these conditions vary depending on whether the holder of the restricted securities is an "affiliate" of the issuer, as defined in Rule 144. A non-affiliate who has not been an affiliate of the issuer during the preceding

90 days may resell restricted securities after a six-month holding period unless certain current public information regarding the issuer is not available at the time of sale, in which case the non-affiliate may resell after a one-year holding period. An affiliate may resell restricted securities after a six-month holding period; provided, that certain current public information regarding the issuer is available at the time of the sale, and the affiliate also complies with the volume, manner of sale, and notice requirements of Rule 144.

The Debtors express no view as to whether any person may freely resell the Section 4(a)(2) Securities. You should confer with your own legal advisors to help determine your ability to freely trade such securities without registration under the Securities Act and applicable state securities laws.

C. Management Equity Incentive Plan.

Ten percent (10%) of the New Common Equity will be set aside for the MEIP, subject to dilution for any New Common Equity to be issued (1) pursuant to the Warrants, and (2) in connection with the Additional Capital Commitment. The MEIP shall either be: (a) determined by the New Boards after the Effective Date; or (b) adopted by the New Boards on the Effective Date. The New Common Equity reserved under the MEIP will be issued pursuant to Rule 701 under the Securities Act or pursuant to the exemption provided by section 4(a)(2) of the Securities Act or Regulation D. Such New Common Equity will be deemed "restricted securities."

**ARTICLE X.
CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES**

The following discussion is a summary of certain U.S. federal income tax consequences of the consummation of the Plan to the Debtors and to certain U.S. Holders of Claims. The following discussion does not address the U.S. federal income tax consequences to non-Debtors, to Non-U.S. Holders (other than as specifically discussed below) or to Holders of Claims or Interests not entitled to vote to accept or reject the Plan. This summary is based on the Internal Revenue Code of 1986, as amended (the "IRC"), the Treasury Regulations promulgated thereunder, judicial authorities, published administrative positions of the Internal Revenue Service (the "IRS") and other applicable authorities, all as in effect on the date of this Disclosure Statement and all of which are subject to change or differing interpretations, possibly with retroactive effect. Due to the lack of definitive judicial and administrative authority in a number of areas, substantial uncertainty may exist with respect to some of the tax consequences described below. No opinion of counsel has been obtained and the Debtors do not intend to seek a ruling from the IRS as to any of the tax consequences of the Plan discussed below. The discussion below is not binding upon the IRS or the courts. No assurance can be given that the IRS would not assert, or that a court would not sustain, a different position than any position discussed in this Disclosure Statement.

This discussion does not purport to address all aspects of U.S. federal income taxation that may be relevant to the Debtors or to certain Holders in light of their individual circumstances, nor does it address tax issues with respect to Holders that are subject to special treatment under the U.S. federal income tax laws (including, for example, banks, governmental authorities or agencies, pass-through entities, partnerships, subchapter S corporations, brokers, dealers and traders in securities, insurance companies, financial institutions, tax-exempt organizations, controlled foreign corporations, passive foreign investment companies, small business investment companies, and regulated investment companies and those holding, or who will hold, Claims or Interests as part of a hedge, straddle, conversion, or constructive sale transaction). No aspect of state, local, estate, gift, non-U.S., or other tax law, other than Canadian income tax law with respect to Zochem, is addressed. Lastly, the following discussion assumes (i) each Holder of a Claim or Interest holds its Claim or Interest as "capital assets" (generally, property held for investment) within the meaning of section 1221 of the IRC, (ii) the debt obligations(s) underlying each Allowed Claim is properly treated as debt (rather than equity) of the Debtor(s) the Holder has the Allowed Claim against, and (iii) the debt obligation(s) underlying each Allowed Claim is recourse debt.

For purposes of this discussion, a "U.S. Holder" is a Holder that is: (1) an individual citizen or resident of the United States for U.S. federal income tax purposes; (2) a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized under the laws of the United States, any state thereof, or the District of Columbia; (3) an estate the income of which is subject to U.S. federal income taxation regardless of the source of such income; or (4) a trust (a) if a court within the United States is able to exercise primary jurisdiction

over the trust's administration and one or more United States persons have authority to control all substantial decisions of the trust or (b) that has a valid election in effect under applicable Treasury Regulations to be treated as a United States person. For purposes of this discussion, a "non-U.S. Holder" is any Holder that is not a U.S. Holder other than any partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes).

If a partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes) is a holder of a Claim, the tax treatment of a partner (or other beneficial owner) generally will depend upon the status of the partner (or other beneficial owner) and the activities of the entity. Partners (or other beneficial owners) of partnerships (or other pass-through entities) that are holders of Claims should consult their respective tax advisors regarding the U.S. federal income tax consequences of the Plan.

THE FOLLOWING SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND ADVICE BASED UPON THE INDIVIDUAL CIRCUMSTANCES PERTAINING TO A HOLDER OF A CLAIM. ALL HOLDERS OF CLAIMS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS FOR THE FEDERAL, STATE, LOCAL, NON-U.S., AND OTHER TAX CONSEQUENCES OF THE PLAN.

A. Certain U.S. Federal Income Tax Consequences of the Plan to the Debtors and Canadian Income Tax Consequences to Zochem.

For U.S. federal income tax purposes, the Debtors (and their non-Debtor affiliates, other than Zochem) are (1) members of an affiliated group of corporations (or entities disregarded for federal income tax purposes that are wholly owned by members of such group), of which Horsehead Holding is the common parent (collectively, the "HHC Group"), and (2) partnerships. Zochem is a "controlled foreign corporation" (a "CFC") of Horsehead Holding. As a result of Zochem's obligations under the DIP facility with respect to amounts owed by the HHC Group, the HHC Group is currently required to include substantially all of Zochem's "earnings and profits" (calculated for U.S. federal income tax purposes) in its taxable income.

As of December 31, 2015, the HHC Group estimates that it has net operating loss ("NOL") carryforwards of approximately \$350 million. The HHC Group is projected to generate additional NOLs before the Effective Date.

In general, absent an exception, a taxpayer will realize and recognize "cancellation of indebtedness income" ("CODI") upon satisfaction or cancellation of its outstanding indebtedness for total consideration less than the amount of such indebtedness. Under section 108 of the IRC, a taxpayer is not required to include CODI in gross income if the taxpayer is under the jurisdiction of a court in a case under chapter 11 of the Bankruptcy Code and the discharge of debt occurs pursuant to that case (the "Bankruptcy Exclusion"). Instead, as a consequence of such exclusion, a taxpayer-debtor must reduce its tax attributes by the amount of CODI that it excluded from gross income. In general, tax attributes will be reduced in the following order: (a) NOLs and NOL carryforwards; (b) most tax credits; (c) capital loss carryovers; (d) tax basis in assets (but not below the amount of liabilities to which the debtor remains subject (the "Liability Floor Rule")); (e) passive activity loss and credit carryovers; and (f) foreign tax credits. Alternatively, the taxpayer can elect first to reduce the basis of its depreciable assets pursuant to section 108(b)(5) of the IRC.

The Treasury Regulations address the method and order for applying tax attribute reduction to an affiliated group of corporations. Under these Treasury Regulations, the tax attributes of each member of an affiliated group of corporations that is excluding CODI is first subject to reduction. To the extent the debtor member's tax basis in stock of a lower-tier member of the affiliated group is reduced, a "look through rule" requires that a corresponding reduction be made to the tax attributes of the lower-tier member. If a debtor member's excluded CODI exceeds its tax attributes, the excess CODI is applied to reduce certain remaining consolidated tax attributes of the affiliated group.

The amount of CODI, in general, is the excess of: (a) the adjusted issue price of the indebtedness satisfied; over (b) the sum of (i) the amount of cash paid, (ii) the issue price of any new indebtedness of the taxpayer issued,

and (iii) the fair market value of any other consideration. The ultimate amount of CODI will depend on, among other things, the adjusted issue price of new indebtedness (if any), the final amount of cash, and the fair market value of the new equity distributed to Holders of Claims. Certain of these figures cannot be known with certainty until after the Effective Date. Accordingly, the amount of CODI the Debtors may incur is uncertain, but is expected to be significant.

It is unclear whether the amount of CODI generated by restructuring will exceed the HHC Group's NOL carryforwards. To the extent any NOL carryforwards remain following the restructuring, however, the transactions contemplated by the Plan would result in an "ownership change" under section 382 of the IRC. As a general matter, when an ownership change occurs, a taxpayer's ability to utilize certain tax attributes (including, among other things, NOLs and any "net unrealized built in losses" in the taxpayer's assets) following such ownership change is significantly limited. This annual limitation is based on the equity value of the loss corporation, multiplied by the long-term tax-exempt rate. When an ownership change occurs in a chapter 11 case in connection with a "G" reorganization under section 368 of the IRC or a debt-for-stock exchange, the equity value can be calculated after giving effect to the cancellation of debt in the case.²⁶ The Debtors anticipate that their ability to utilize any surviving NOL carryforwards will be significantly limited as a result of these rules. If the Plan gives rise to CODI in excess of the HHC Group's NOLs and NOL carryforwards, there may be a reduction in the tax basis of the HHC Group's assets because the tax basis in the Debtors' assets will exceed the Debtors' liabilities for purposes of the Liability Floor Rule.

In general, an alternative minimum tax ("AMT") is imposed on a corporation's alternative minimum taxable income ("AMTI") at a 20 percent rate to the extent such tax exceeds the corporation's regular federal income tax for the year. AMTI is generally equal to regular taxable income with certain adjustments. For purposes of computing AMTI, certain tax deductions and other beneficial allowances are modified or eliminated. For example, except for alternative tax NOLs generated in certain years, which can offset 100 percent of a corporation's AMTI, only 90 percent of a corporation's AMTI may be offset by available alternative tax NOL carryforwards. The effect of this rule could cause the Reorganized Debtors to owe some federal income tax on taxable income in future years even if NOL carryforwards are available to offset that taxable income.

The transactions contemplated by the Plan are not expected to have any material Canadian income tax consequences to Zochem.

B. Certain U.S. Federal Income Tax Consequences to the U.S. Holders of Allowed Claims Entitled to Vote.

As discussed below, the tax consequences of the Plan to U.S. Holders of Allowed Claims will depend upon a variety of factors. As an initial matter, whether the exchange is fully or partially taxable will depend on whether the debt instruments being surrendered constitute "securities" and whether a particular Holder receives stock or instruments that constitute "securities" the Debtors. Whether a Claim that is surrendered and debt instruments received pursuant to the Plan constitute "securities" is determined based on all the facts and circumstances. Most authorities have held that the length of the term of a debt instrument at initial issuance is an important factor in determining whether such instrument is a security for U.S. federal income tax purposes. These authorities have indicated that a term of less than five years is evidence that the instrument is not a security, whereas a term of ten years or more is evidence that it is a security. There are numerous other factors that could be taken into account in determining whether a debt instrument is a security, including the security for payment, the creditworthiness of the obligor, the subordination or lack thereof with respect to other creditors, the right to vote or otherwise participate in the management of the obligor, convertibility of the instrument into an equity interest in the obligor, whether payments of interest are fixed, variable, or contingent, and whether such payments are made on a current basis or accrued. Pursuant to guidance promulgated in U.S. Treasury Regulations, warrants generally constitute "securities" for these purposes.

²⁶ Another bankruptcy-specific provision, section 382(l)(5) of the IRC, can eliminate the annual limitation entirely if its requirements are satisfied, but the Debtors do not believe those requirements can be satisfied here (or in any other transaction involving the Debtors).

The character of any recognized gain as capital gain or ordinary income will be determined by a number of factors, including the tax status of the U.S. Holder, the nature of the Claim in such U.S. Holder's hands (including whether the Claim constitutes a capital asset), whether the Claim was purchased at a discount, whether and to what extent the U.S. Holder has previously claimed a bad debt deduction with respect to its Claim, and whether any part of the U.S. Holder's recovery is treated as being on account of accrued but unpaid interest. Accrued interest and market discount are discussed below.

1. Consequences to U.S. Holders of Secured Notes Claims.

Pursuant to the Plan, in full satisfaction and discharge of their Claims, the Holders of Allowed Class 4 Claims will exchange such Claims for their Pro Rata share of the New Common Equity.

(a) Treatment if Secured Notes Claims are "Securities."

If a Secured Notes Claim is determined to be a "security" of the Debtors, then the exchange of such Claim for the property described above should be treated as a reorganization under the IRC. Other than with respect to any amounts received that are attributable to accrued but untaxed interest (or original issue discount), a U.S. Holder of such Claim should not recognize gain or loss.

With respect to the New Common Equity received in exchange for a Secured Notes Claim, U.S. Holders should obtain an aggregate tax basis in such property, other than any such amounts treated as received in satisfaction of accrued but untaxed interest (or original issue discount), equal to the tax basis of the surrendered Claim. New Common Equity should include the holding period for the surrendered Claims.

The tax basis of any New Common Equity determined to be received in satisfaction of accrued but untaxed interest (or original issue discount) should equal the amount of such accrued but untaxed interest (or original issue discount), but in no event should such basis exceed the fair market value of the New Common Equity received in satisfaction of accrued but untaxed interest (or original issue discount). The holding period for any such New Common Equity should begin on the day following the Effective Date.

(b) Treatment if Secured Notes Claims are not "Securities."

If a Secured Notes Claim is determined not to be a "security," then a U.S. Holder of such Claim will be treated as receiving its distributions under the Plan in a taxable exchange under section 1001 of the IRC. Other than with respect to any amounts received that are attributable to accrued but untaxed interest (or original issue discount), each U.S. Holder of such Claim should recognize gain or loss equal to the difference between (i) the sum of the cash, the issue price of any debt instruments, and the fair market value of the New Common Equity received in exchange for the Claim, and (ii) such U.S. Holder's adjusted basis, if any, in such Claim.

U.S. Holders of such Claims should obtain a tax basis in the New Common Equity received, other than any such amounts treated as received in satisfaction of accrued but untaxed interest (or original issue discount), equal to such property's fair market value as of the date such property is distributed to the U.S. Holder. The holding period for any such New Common Equity should begin on the day following the Effective Date.

The tax basis of any New Common Equity determined to be received in satisfaction of accrued but untaxed interest (or original issue discount) should equal the amount of such accrued but untaxed interest (or original issue discount), but in no event should such basis exceed the fair market value of the New Common Equity received in satisfaction of accrued but untaxed interest (or original issue discount). The holding period for any such New Common Equity should begin on the day following the Effective Date.

2. Consequences to U.S. Holders of Unsecured Notes Claims.

Pursuant to the Plan, in full satisfaction and discharge of their Claims, the Holders of Allowed Class 5 Claims will exchange such Claims for their Pro Rata share of the New Common Equity.

(a) Treatment if Unsecured Notes Claims are "Securities."

If an Unsecured Notes Claim is determined to be a "security" of the Debtors, then the exchange of such Claim for the property described above should be treated as a reorganization under the IRC. Other than with respect to any amounts received that are attributable to accrued but untaxed interest (or original issue discount), a U.S. Holder of such Claim should not recognize gain or loss.

With respect to New Common Equity received in exchange for an Unsecured Notes Claim, U.S. Holders should obtain an aggregate tax basis in such property, other than any such amounts treated as received in satisfaction of accrued but untaxed interest (or original issue discount), equal to the tax basis of the surrendered Claim. New Common Equity should include the holding period for the surrendered Claims.

The tax basis of any New Common Equity determined to be received in satisfaction of accrued but untaxed interest (or original issue discount) should equal the amount of such accrued but untaxed interest (or original issue discount), but in no event should such basis exceed the fair market value of the New Common Equity received in satisfaction of accrued but untaxed interest (or original issue discount). The holding period for any such New Common Equity should begin on the day following the Effective Date.

(b) Treatment if Unsecured Notes Claims are not "Securities."

If an Unsecured Notes Claim is determined not to be a "security," then a U.S. Holder of such Claim will be treated as receiving its distributions under the Plan in a taxable exchange under section 1001 of the IRC. Other than with respect to any amounts received that are attributable to accrued but untaxed interest (or original issue discount), each U.S. Holder of such Claim should recognize gain or loss equal to the difference between (i) the fair market value of the New Common Equity received in exchange for the Claim, and (ii) such U.S. Holder's adjusted basis, if any, in such Claim.

U.S. Holders of such Claims should obtain a tax basis in the New Common Equity received, other than any such amounts treated as received in satisfaction of accrued but untaxed interest (or original issue discount), equal to such property's fair market value as of the date such property is distributed to the U.S. Holder. The holding period for any such New Common Equity should begin on the day following the Effective Date.

The tax basis of any n New Common Equity determined to be received in satisfaction of accrued but untaxed interest (or original issue discount) should equal the amount of such accrued but untaxed interest (or original issue discount), but in no event should such basis exceed the fair market value of the New Common Equity received in satisfaction of accrued but untaxed interest (or original issue discount). The holding period for any such New Common Equity should begin on the day following the Effective Date.

3. Consequences to U.S. Holders of Convertible Notes Claims.

Pursuant to the Plan, in full satisfaction and discharge of their Claims, the Holders of Allowed Class 6 Claims will exchange such Claims for their Pro Rata share of the Warrants.

(a) Treatment if Convertible Notes Claims are "Securities."

If a Convertible Notes Claim is determined to be "securities" of the Debtors, then the exchange of such Claim for the property described above should be treated as a reorganization under the IRC. Other than with respect to any amounts received that are attributable to accrued but untaxed interest (or original issue discount), a U.S. Holder of such Claim should recognize gain or loss.

With respect to the Warrants received in exchange for a Convertible Notes Claim, U.S. Holders should obtain an aggregate tax basis in such Warrants, other than any such amounts treated as received in satisfaction of accrued but untaxed interest (or original issue discount), equal to the tax basis of the surrendered Claim. The holding period for such Warrants should include the holding period for the surrendered Claims.

The tax basis of any Warrants determined to be received in satisfaction of accrued but untaxed interest (or original issue discount) should equal the amount of such accrued but untaxed interest (or original issue discount), but in no event should such basis exceed the fair market value of the Warrants received in satisfaction of accrued but untaxed interest (or original issue discount). The holding period for any such Warrants should begin on the day following the Effective Date.

(b) Treatment if Convertible Notes Claims are Not "Securities."

If a Convertible Notes Claim described above is determined not to be "securities" of the Debtors, then a U.S. Holder of such Claim will be treated as receiving its distributions under the Plan in a taxable exchange under section 1001 of the IRC. Other than with respect to any amounts received that are attributable to accrued but untaxed interest (or original issue discount), each U.S. Holder of such Claim should recognize gain or loss equal to the difference between: (i) the fair market value of the Warrants received in exchange for the Claim; and (ii) such U.S. Holder's adjusted basis, if any, in such Claim.

U.S. Holders of such Claims should obtain a tax basis in the Warrants received, other than any such amounts treated as received in satisfaction of accrued but untaxed interest (or original issue discount), equal to such property's fair market value as of the date such Warrants are distributed to the U.S. Holder. The holding period for any such Warrants should begin on the day following the Effective Date.

The tax basis of any Warrants determined to be received in satisfaction of accrued but untaxed interest (or original issue discount) should equal the amount of such accrued but untaxed interest (or original issue discount), but in no event should such basis exceed the fair market value of the Warrants received in satisfaction of accrued but untaxed interest (or original issue discount). The holding period for any such Warrants should begin on the day following the Effective Date.

(c) Exercise of Warrants.

A U.S. Holder that elects not to exercise the Warrants may be entitled to claim a loss equal to the amount of tax basis in the Warrants, subject to any limitations on such U.S. Holder's ability to utilize capital losses. Such U.S. Holders are urged to consult with their own tax advisors as to the tax consequences of electing not to exercise the Warrants.

A U.S. Holder that elects to exercise the Warrants should be treated as purchasing New Common Equity in exchange for its Warrants and the exercise price. Such a purchase should generally be treated as the exercise of an option under general tax principles. Accordingly, such a U.S. Holder should not recognize income, gain, or loss for U.S. federal income tax purposes when it exercises the Warrants. A U.S. Holder's aggregate tax basis in the New Common Equity should equal the sum of: (i) the amount of cash paid by the U.S. Holder to exercise its Warrants; *plus* (ii) such U.S. Holder's tax basis in its Warrants immediately before the option is exercised. A U.S. Holder's holding period for the New Common Equity received pursuant to the exercise of the Warrants should begin on the day following such exercise.

4. Consequences to U.S. Holders of Banco Bilbao Credit Agreement Claims.

Pursuant to the Plan, in full satisfaction and discharge of their Claims, the Holders of Allowed Class 7 Claims will exchange such Claims for their Pro Rata share of the Banco Bilbao Note.

The Debtors understand that none of the Banco Bilbao Credit Agreement Claims are held by U.S. Holders. Accordingly, the treatment of such Claims under the Plan is beyond the scope of this summary. However, to the extent any such Claims were held by U.S. Holders, the Debtors anticipate that U.S. Holders of Banco Bilbao Credit Agreement Claims will be treated as receiving distributions under the Plan in a taxable exchange under section 1001 of the IRC. Other than with respect to any amounts received that are attributable to accrued but untaxed interest (or original issue discount), each U.S. Holder of such Claim should recognize gain or loss equal to the difference between (a) the issue price of the Banco Bilbao Note, and (b) such U.S. Holder's adjusted basis, if any, in such Claim.

5. Consequences to U.S. Holders of Other General Unsecured Claims.

Pursuant to the Plan, in full satisfaction and discharge of their Claims, the Holders of Allowed Class 8B Claims will exchange such Claims for their Pro Rata share of the General Unsecured Creditor Cash Pool.

A U.S. Holder of an Other General Unsecured Claim will be treated as receiving their distributions under the Plan in a taxable exchange under section 1001 of the IRC. Other than with respect to any amounts received that are attributable to accrued but untaxed interest (or original issue discount), each U.S. Holder of such Claim should recognize gain or loss equal to the difference between (a) the sum of the cash received in exchange for the Claim, and (b) such U.S. Holder's adjusted basis, if any, in such Claim.

6. Accrued Interest.

To the extent that any amount received by a U.S. Holder of a surrendered Allowed Claim under the Plan is attributable to accrued but unpaid interest (or original issue discount) and such amount has not previously been included in the U.S. Holder's gross income, such amount should be taxable to the U.S. Holder as ordinary interest income. Conversely, a U.S. Holder of a surrendered Allowed Claim may be able to recognize a deductible loss to the extent that any accrued interest (or original issue discount) on the debt instruments constituting such Claim was previously included in the U.S. Holder's gross income, but was not paid in full by the Debtors.

The extent to which the consideration received by a U.S. Holder of a surrendered Allowed Claim will be attributable to accrued interest (or original issue discount) on the debts constituting the surrendered Allowed Claim is unclear. The Plan provides that distributions in respect of Allowed Claims will first be allocated to the principal amount of such Claims, and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest. Holders of Claims with accrued interest (or original issue discount) should consult with their tax advisors regarding the allocation of the consideration.

7. Market Discount.

Under the "market discount" provisions of sections 1276 through 1278 of the Internal Revenue Code, some or all of any gain realized by a U.S. Holder exchanging the debt instruments constituting its Allowed Claim may be treated as ordinary income (instead of capital gain), to the extent of the amount of accrued "market discount" on the debt constituting the surrendered Allowed Claim.

In general, a debt instrument is considered to have been acquired with "market discount" if it is acquired other than on original issue and if the U.S. Holder's adjusted tax basis in the debt instrument is less than (a) the sum of all remaining payments to be made on the debt instrument, excluding "qualified stated interest," or (b) in the case of a debt instrument issued with "original issue discount," its adjusted issue price, by at least a *de minimis* amount (equal to 0.25% of the sum of all remaining payments to be made on the debt instrument, excluding qualified stated interest, multiplied by the number of remaining whole years to maturity).

Any gain recognized by a U.S. Holder on the taxable disposition (determined as described above) of debts that it acquired with market discount should be treated as ordinary income to the extent of the market discount that accrued thereon while such debts were considered to be held by the U.S. Holder (unless the U.S. Holder elected to include market discount in income as it accrued). To the extent that the surrendered debts that had been acquired with market discount are exchanged in a tax-free or other reorganization transaction for other property (as may occur here), any market discount that accrued on such debts but was not recognized by the U.S. Holder may be required to be carried over to the property received therefor and any gain recognized on the subsequent sale, exchange, redemption or other disposition of such property may be treated as ordinary income to the extent of the accrued but unrecognized market discount with respect to the exchanged debt instrument. These rules are complex, their application is uncertain, and U.S. Holders of Allowed Claims should consult their own tax advisors regarding their application.

C. *Limitation on Use of Capital Losses.*

A U.S. Holder of a Claim who recognizes capital losses as a result of the distributions under the Plan will be subject to limits on the use of such capital losses. For a non-corporate U.S. Holder, capital losses may be used to offset any capital gains (without regard to holding periods), and also ordinary income to the extent of the lesser of (a) \$3,000 (\$1,500 for married individuals filing separate returns), and (b) the excess of the capital losses over the capital gains. A non-corporate U.S. Holder may carry over unused capital losses and apply them against future capital gains and a portion of their ordinary income for an unlimited number of years. For corporate U.S. Holders, capital losses may only be used to offset capital gains. A corporate U.S. holder that has more capital losses than may be used in a tax year may carry back unused capital losses to the three years preceding the capital loss year or may carry over unused capital losses for the five years following the capital loss year.

D. *Ownership and Disposition of New Common Equity.*

Any distributions made on account of the New Common Equity will constitute dividends for U.S. federal income tax purposes to the extent of the current or accumulated earnings and profits of Reorganized Horsehead as determined under U.S. federal income tax principles. To the extent that a U.S. Holder receives distributions that would otherwise constitute dividends for U.S. federal income tax purposes but that exceed such current and accumulated earnings and profits, such distributions will be treated first as a non-taxable return of capital reducing the U.S. Holder's basis in its shares. Any such distributions in excess of the U.S. Holder's basis in its shares (determined on a share-by-share basis) generally will be treated as capital gain.

Dividends paid to U.S. Holders that are corporations generally will be eligible for the dividends-received deduction so long as there are sufficient earnings and profits. However, the dividends-received deduction is only available if certain holding period requirements are satisfied. The length of time that a shareholder has held its stock is reduced for any period during which the shareholder's risk of loss with respect to the stock is diminished by reason of the existence of certain options, contracts to sell, short sales, or similar transactions. In addition, to the extent that a corporation incurs indebtedness that is directly attributable to an investment in the stock on which the dividend is paid, all or a portion of the dividends received deduction may be disallowed.

Unless a non-recognition provision applies, U.S. Holders generally will recognize capital gain or loss upon the sale, redemption, or other disposition of New Common Equity. Such capital gain will be long-term capital gain if at the time of the sale, exchange, retirement, or other taxable disposition, the U.S. Holder held the New Common Equity for more than one year. Long-term capital gains of an individual taxpayer generally are taxed at preferential rates, and the ability to utilize capitalized losses may be limited.

Certain U.S. Holders that are individuals, estates, or trusts are required to pay an additional 3.8% tax on, among other things, dividends and gains from the sale or other disposition of capital assets. U.S. Holders that are individuals, estates, or trusts should consult their tax advisors regarding the effect, if any, of this tax provision on their ownership and disposition of New Common Equity. U.S. Holders of New Common Equity should consult their tax advisors regarding such taxes.

E. *Certain U.S. Federal Income Tax Consequences to Certain Non-U.S. Holders of Claims.*

1. *Consequences to Non-U.S. Holders of Certain Allowed Claims Entitled to Vote.*

The following discussion includes only certain U.S. federal income tax consequences of the Restructuring Transactions to non-U.S. Holders of certain Allowed Claims Entitled to Vote. The discussion does not include (a) any tax consideration for non-U.S. Holders of Banco Bilbao Credit Agreement Claims, or (b) any non-U.S. tax considerations. The rules governing the U.S. federal income tax consequences to non-U.S. Holders are complex. Each non-U.S. Holders should consult its own tax advisor regarding the U.S. federal, state, local, and the foreign tax consequences of the consummation of the Plan to such non-U.S. Holders and the ownership and disposition of the New Common Equity, as applicable.

Whether a non-U.S. Holder realizes gain or loss on the exchange and the amount of such gain or loss is generally determined in the same manner as set forth above in connection with U.S. Holders.

(a) Gain Recognition.

Any gain realized by a non-U.S. Holder on the exchange of its Claim generally will not be subject to U.S. federal income taxation unless (i) the non-U.S. Holder is an individual who was present in the United States for 183 days or more during the taxable year in which the Restructuring Transactions occur and certain other conditions are met, or (ii) such gain is effectively connected with the conduct by such non-U.S. Holder of a trade or business in the United States (and if an income tax treaty applies, such gain is attributable to a permanent establishment maintained by such non-U.S. Holder in the United States).

If the first exception applies, to the extent that any gain is taxable and does not qualify for deferral pursuant to a reorganization under the IRC as described above, the non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30% (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such non-U.S. Holder's capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of the exchange. If the second exception applies, the non-U.S. Holder generally will be subject to U.S. federal income tax with respect to any gain realized on the exchange if such gain is effectively connected with the non-U.S. Holder's conduct of a trade or business in the United States in the same manner as a U.S. Holder. In order to claim an exemption from withholding tax, such non-U.S. Holder will be required to provide a properly executed IRS Form W-8ECI (or such successor form as the IRS designates). In addition, if such a non-U.S. Holder is a corporation, it may be subject to a branch profits tax equal to 30% (or such lower rate provided by an applicable treaty) of its effectively connected earnings and profits for the taxable year, subject to certain adjustments.

(b) Accrued Interest.

Payments to a non-U.S. Holder that are attributable to accrued but untaxed interest generally will not be subject to U.S. federal income or withholding tax, provided that the withholding agent has received or receives, prior to payment, appropriate documentation (generally, IRS Form W-8BEN or W-8BEN-E) establishing that the non-U.S. Holder is not a U.S. person, unless:

- the non-U.S. Holder actually or constructively owns 10% or more of the total combined voting power of all classes of Reorganized Horsehead's stock entitled to vote;
- the non-U.S. Holder is a "controlled foreign corporation" that is a "related person" with respect to Reorganized Horsehead (each, within the meaning of the IRC);
- the non-U.S. Holder is not a bank receiving interest described in Section 881(c)(3)(A) of the IRC; or
- such interest is effectively connected with the conduct by the non-U.S. Holder of a trade or business within the United States (in which case, provided the non-U.S. Holder provides a properly executed IRS Form W-8ECI (or successor form) to the withholding agent, the non-U.S. Holder (x) generally will not be subject to withholding tax, but (y) will be subject to U.S. federal income tax in the same manner as a U.S. Holder (unless an applicable income tax treaty provides otherwise), and a non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to such non-U.S. Holder's effectively connected earnings and profits that are attributable to the accrued but untaxed interest at a rate of 30% (or at a reduced rate or exemption from tax under an applicable income tax treaty).

A non-U.S. Holder that does not qualify for exemption from withholding tax with respect to accrued but untaxed interest that is not effectively connected income generally will be subject to withholding of U.S. federal income tax at a 30% rate (or at a reduced rate or exemption from tax under an applicable income tax treaty) on payments that are attributable to accrued but untaxed interest. For purposes of providing a properly executed IRS

Form W-8BEN or W-BEN-E, special procedures are provided under applicable Treasury Regulations for payments through qualified foreign intermediaries or certain financial institutions that hold customers' securities in the ordinary course of their trade or business.

2. U.S. Federal Income Tax Consequences to Non-U.S. Holders of Owning and Disposing of Shares of New Common Equity.

(a) Dividends on New Common Equity.

Any distributions made with respect to New Common Equity will constitute dividends for U.S. federal income tax purposes to the extent of Reorganized Horsehead's current or accumulated earnings and profits as determined under U.S. federal income tax principles. To the extent that a non-U.S. Holder receives distributions that would otherwise constitute dividends for U.S. federal income tax purposes but that exceed such current and accumulated earnings and profits, such distributions will be treated first as a non-taxable return of capital reducing the holder's basis in its shares. Any such distributions in excess of a non-U.S. Holder's basis in its shares (determined on a share-by-share basis) generally will be treated as capital gain from a sale or exchange. Dividends paid with respect to New Common Equity held by a non-U.S. Holder that are not effectively connected with a non-U.S. Holder's conduct of a U.S. trade or business (or if an income tax treaty applies, are not attributable to a permanent establishment maintained by such non-U.S. Holder in the United States) will be subject to U.S. federal withholding tax at a rate of 30% (or lower treaty rate or exemption from tax, if applicable). A non-U.S. Holder generally will be required to satisfy certain IRS certification requirements in order to claim a reduction of or exemption from withholding under a tax treaty by filing IRS Form W-8BEN or W-BEN-E (or a successor form) upon which the non-U.S. Holder certifies, under penalties of perjury, its status as a non-U.S. person and its entitlement to the lower treaty rate or exemption from tax with respect to such payments. Dividends paid with respect to New Common Equity held by a non-U.S. Holder that are effectively connected with a non-U.S. Holder's conduct of a U.S. trade or business (and if an income tax treaty applies, are attributable to a permanent establishment maintained by such non-U.S. Holder in the United States) generally will be subject to U.S. federal income tax in the same manner as a U.S. Holder, and a non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to such non-U.S. Holder's effectively connected earnings and profits that are attributable to the dividends at a rate of 30% (or at a reduced rate or exemption from tax under an applicable income tax treaty).

(b) Sale, Redemption, or Repurchase of New Common Equity.

A non-U.S. Holder generally will not be subject to U.S. federal income tax with respect to any gain realized on the sale or other taxable disposition (including a cash redemption) of New Common Equity unless:

- such non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of disposition or who is subject to special rules applicable to former citizens and residents of the United States;
- such gain is effectively connected with such non-U.S. Holder's conduct of a U.S. trade or business (and if an income tax treaty applies, such gain is attributable to a permanent establishment maintained by such non-U.S. Holder in the United States); or
- the Reorganized Debtors are or have been during a specified testing period a "U.S. real property holding corporation" for U.S. federal income tax purposes.

If the first exception applies, the non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30% (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such non-U.S. Holder's capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of disposition. If the second exception applies, the non-U.S. Holder generally will be subject to U.S. federal income tax with respect to such gain in the same manner as a U.S. Holder, and a non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to

earnings and profits effectively connected with a U.S. trade or business that are attributable to such gains at a rate of 30% (or at a reduced rate or exemption from tax under an applicable income tax treaty).

3. FATCA.

Under the Foreign Account Tax Compliance Act ("FATCA"), foreign financial institutions and certain other foreign entities must report certain information with respect to their U.S. account holders and investors or be subject to withholding on the receipt of "withholdable payments." For this purpose, "withholdable payments" are generally U.S. source payments of fixed or determinable, annual or periodical income (including dividends, if any, on shares of New Common Equity), and also include gross proceeds from the sale of any property of a type which can produce U.S. source interest or dividends (which would include New Common Equity). FATCA withholding will apply even if the applicable payment would not otherwise be subject to U.S. federal nonresident withholding tax.

As currently proposed, FATCA withholding rules would apply to payments of gross proceeds from the sale or other disposition of property of a type which can produce U.S. source interest or dividends that occurs after December 31, 2018.

Each non-U.S. Holder should consult its own tax advisor regarding the possible impact of these rules on such non-U.S. Holder's ownership of New Common Equity.

F. *Information Reporting and Backup Withholding.*

The Debtors and any other withholding party will withhold all amounts required by law to be withheld from payments of interest (or original issue discount). The Debtors and any other responsible party will comply with all applicable reporting requirements of the IRC. In general, information reporting requirements may apply to distributions or payments made to a Holder of a Claim. Additionally, backup withholding, currently at a rate of 28%, will generally apply to such payments unless, in the case of a U.S. Holder, such U.S. Holder provides a properly executed IRS Form W-9 or, in the case of non-U.S. Holder, such non-U.S. Holder provides a properly executed applicable IRS Form W-8 (or otherwise establishes such non-U.S. Holder's eligibility for an exemption). Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules will be allowed as a credit against such Holder's federal income tax liability and may entitle such Holder to a refund from the IRS; provided, that the required information is provided to the IRS.

In addition, from an information reporting perspective, U.S. Treasury Regulations generally require disclosure by a taxpayer on its federal income tax return of certain types of transactions in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer's claiming a loss in excess of specified thresholds. Holders are urged to consult their tax advisors regarding these regulations and whether the transactions contemplated by the Plan would be subject to these regulations and require disclosure on the Holders' tax returns.

THE U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN ARE COMPLEX. THE FOREGOING SUMMARY DOES NOT DISCUSS ALL ASPECTS OF U.S. FEDERAL INCOME TAXATION THAT MAY BE RELEVANT TO A PARTICULAR HOLDER OF A CLAIM IN LIGHT OF SUCH HOLDER'S CIRCUMSTANCES AND INCOME TAX SITUATION. ALL HOLDERS OF CLAIMS SHOULD CONSULT WITH THEIR TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCES TO THEM UNDER THE PLAN, INCLUDING THE APPLICABILITY AND EFFECT OF ANY STATE, LOCAL, NON-U.S., OR OTHER TAX LAWS, AND OF ANY CHANGE IN APPLICABLE TAX LAWS.

ARTICLE XI.
RECOMMENDATION OF THE DEBTORS

In the opinion of the Debtors, the Plan is preferable to the alternatives described in this Disclosure Statement because it provides for a larger distribution to the Holders of Allowed Claims than would

otherwise result in a liquidation under chapter 7 of the Bankruptcy Code. In addition, any alternative other than Confirmation of the Plan could result in extensive delays and increased administrative expenses resulting in smaller distributions to Holders of Allowed Claims than proposed under the Plan. Accordingly, the Debtors recommend that Holders of Claims entitled to vote on the Plan support Confirmation of the Plan and vote to accept the Plan.

3.02 Allocation of Equity Interests. In consideration of the Initial Capital Contributions and in accordance with the Plan, each Member has been allocated and hereby confirms acceptance, as of the Effective Date, of the Common Shares set forth against such Member's name in Schedule I and the Company hereby confirms that such Common Shares are duly and validly issued limited liability company interests, free and clear of Liens and of any other encumbrances. Nothing herein shall prohibit the Company from (in the Board's discretion) issuing a certificate or certificates evidencing such Member's Equity Interests in the Company (in accordance with the terms of the Act) but in no event shall the Company be required to issue any certificates evidencing Equity Interests in the Company unless the Board decides that issuing such certificates is appropriate.

3.03 Voting Rights; Written Consents. Except to the extent expressly provided in this Agreement or as required by applicable law, Members (in their capacities as such) shall not be entitled to any vote, consent or approval rights; provided, however, that whenever any vote, consent or approval is expressly required of the Members by this Agreement or the Act, the vote consent or approval of Members holding at least a majority of the Common Shares held by all Members shall be required, unless a greater percentage is otherwise expressly specified. Any action required or permitted to be taken at a meeting may be taken without a meeting if a consent, in writing, setting forth the action so taken shall be signed by the Members holding a majority of the Common Shares held by all Members (or any such greater percentage as is otherwise required with respect to the action); provided, however, that prompt notice of the taking of an action by less than unanimous written consent shall be given by the Company to those Members who did not sign such consent. Notwithstanding the foregoing or anything in this Agreement to the contrary, any transactions involving the sale of all or substantially all of the assets of the Company and its Subsidiaries, fifty percent (50%) or more of the voting power of the Common Shares or other Equity Interests of the Company, fifty percent (50%) or more of the economic value, taken as a whole, of the Company and its Subsidiaries, or a merger, consolidation or other business combination in which the Company or its applicable Subsidiary will not be the surviving entity (a "Sale Transaction"), shall require (i) if such Sale Transaction is to be approved within six (6) months of the date of this Agreement, a vote of Members of the Company holding at least three-fourths ($3/4^{\text{th}}$) of the number of then outstanding Common Shares, (ii) if such Sale Transaction is to be approved at a time after six (6) months of the date of this Agreement, but within twelve (12) months of the date of this Agreement, a vote of Members of the Company holding at least two-thirds ($2/3^{\text{rds}}$) of the number of then outstanding Common Shares and (iii) if such Sale Transaction is to be approved after the twelve (12) month anniversary of the date of this Agreement, a vote of Members of the Company holding at least a majority of the number of then outstanding Common Shares.

3.04 Withdrawals. Except as explicitly provided herein, no Member shall have any right (a) to withdraw as a Member from the Company, (b) to withdraw from the Company all or any part of such Member's Capital Contributions, (c) to receive property other than cash in return for such Member's Capital Contribution or (d) to receive any Distribution from the Company, except in accordance with the terms of this Agreement.

3.05 Liability of the Members Generally. Except as explicitly provided in the Act, no Member shall be liable for any debts, liabilities, contracts or obligations of the Company or any of its Subsidiaries whatsoever. Each of the Members acknowledges that its Capital Contributions are subject to the claims of any and all creditors of the Company to the extent provided by the Act and other applicable law.

ARTICLE 4

MANAGEMENT

4.01 Management; Board of Directors.

(a) Management. The Board of Directors of the Company (the "Board") shall have the authority of "manager" for purposes of the Act. The management, operation and control of the business and affairs of the Company shall be vested exclusively in the Board, except as otherwise expressly provided for in this Agreement or as required by applicable law. Subject to any consent rights specifically provided to the Members in this Agreement, the Board shall have full and complete power, authority and discretion for, on behalf of and in the name of the Company, to enter into and perform all contracts and other undertakings that it may deem necessary or advisable to carry out any and all of the objects and purposes of the Company. A Director acting individually will not have the power to bind the Company. The power and authority of the Board may be delegated by the Board to a committee of Directors, to any officer of the Company or to any other Person engaged to act on behalf of the Company. For so long as any Greywolf Director, Lantern Director, or MAK Capital Director, respectively, is serving on the Board, then at least one (1) Greywolf Director, Lantern Director, and MAK Capital Director, respectively, shall be invited to serve on each committee of Directors upon formation thereof and, if there is any material change in the powers or authority delegated to such committee, each such Investor Director shall be invited to serve on such committee to the extent any such Investor Director is not already serving thereon.

(b) Board Composition and Voting. Each Investor Member shall vote all Common Shares or other Equity Interests of the Company entitled by their terms to vote on such matters owned by such Investor Member or over which such Investor has voting control, and shall take all other necessary or desirable actions within his, her or its control (including in his, her or its capacity as a Member (including attending all meetings of Members in person or by proxy for purposes of obtaining a quorum and executing all written consents in lieu of meetings, as applicable), Director, member of a Board committee, officer of the Company or otherwise), and the Company shall take all necessary or desirable actions within its control, to ensure that the Board shall initially be composed of at least six (6) Directors, consisting of:

(i) for so long as the Greywolf Member, together with its Affiliates and Permitted Transferees, owns at least 30% of the outstanding Common Shares (in each case, (x) excluding any securities issued or issuable pursuant to the MEIP or the Warrants and (y) as adjusted for any share splits, Equity Interest distributions, recapitalizations or similar transaction), three (3) individuals

designated by the Greywolf Member (each a "**Greywolf Director**"), each of whom for the initial Board will be designated by the Greywolf Member prior to the date hereof; provided, however, that (A) at such time as the Greywolf Member together with its Affiliates and Permitted Transferees, owns less than 30%, but 20% or more of the outstanding Common Shares (in each case, (x) excluding any securities issued or issuable pursuant to the MEIP or the Warrants and (y) as adjusted for any share splits, Equity Interest distributions, recapitalizations or similar transaction), the Greywolf Member shall only be entitled to designate two (2) Greywolf Directors, (B) at such time as the Greywolf Member together with its Affiliates and Permitted Transferees, owns less than 20%, but 15% or more of the outstanding Common Shares (in each case, (x) excluding any securities issued or issuable pursuant to the MEIP or the Warrants and (y) as adjusted for any share splits, Equity Interest distributions, recapitalizations or similar transaction), the Greywolf Member shall only be entitled to designate one (1) Greywolf Director, and (C) at such time as the Greywolf Member together with its Affiliates and Permitted Transferees, owns less than 15% of the outstanding Common Shares (in each case, (x) excluding any securities issued or issuable pursuant to the MEIP or the Warrants and (y) as adjusted for any share splits, Equity Interest distributions, recapitalizations or similar transaction), the Greywolf Member shall cease to have the right to designate any Greywolf Director pursuant to this Section 4.01(b)(i);

(ii) for so long as the Lantern Member, together with its Affiliates and Permitted Transferees, owns at least 20% of the outstanding Common Shares (in each case, (x) excluding any securities issued or issuable pursuant to the MEIP or the Warrants and (y) as adjusted for any share splits, Equity Interest distributions, recapitalizations or similar transaction), two (2) individuals designated by the Lantern Member (each, a "**Lantern Director**"), each of whom for the initial Board will be designated by the Lantern Member prior to the date hereof; provided, however, that (A) at such time as the Lantern Member together with its Affiliates and Permitted Transferees, owns less than 20%, but 15% or more of the outstanding Common Shares (in each case, (x) excluding any securities issued or issuable pursuant to the MEIP or the Warrants and (y) as adjusted for any share splits, Equity Interest distributions, recapitalizations or similar transaction), the Lantern Member shall only be entitled to designate one (1) Lantern Director and (B) at such time as the Lantern Member together with its Affiliates and Permitted Transferees, owns less than 15% of the outstanding Common Shares (in each case, (x) excluding any securities issued or issuable pursuant to the MEIP or the Warrants and (y) as adjusted for any share splits, Equity Interest distributions, recapitalizations or similar transaction), the Lantern Member shall cease to have the right to designate any Lantern Director pursuant to this Section 4.01(b)(ii); and

(iii) for so long as the MAK Capital Member, together with its Affiliates and Permitted Transferees, owns at least 15% of the outstanding Common Shares (in each case, (x) excluding any securities issued or issuable pursuant to the MEIP or the Warrants and (y) as adjusted for any share splits, Equity Interest distributions, recapitalizations or similar transaction), one (1)

individual designated by the MAK Capital Member (the "**MAK Capital Director**" and, together with the Greywolf Directors and the Lantern Director, the "**Investor Directors**"), who for the initial Board will be designated by the MAK Capital Member, prior to the date hereof; provided, however, that at such time as the MAK Capital Member, together with its Affiliates and Permitted Transferees, owns less than 15% of the outstanding Common Shares (in each case, (x) excluding any securities issued or issuable pursuant to the MEIP or the Warrants and (y) as adjusted for any share splits, Equity Interest distributions, recapitalizations or similar transaction), the MAK Capital Member, shall cease to have the right to designate a MAK Capital Director pursuant to this Section 4.01(b)(iii);

(iv) subject to Section 4.01(e)(ii), the number of remaining Directors, if any, shall be selected by the vote of a majority of the issued and outstanding Common Shares owned by the Members or otherwise provided in this Agreement.

Notwithstanding the foregoing, either on the date of this Agreement or no later than 135 days after the date of this Agreement the number of Directors constituting the Board shall be increased to eight (8) Directors and the additional two (2) Directors shall be individuals each of whom is (A) not an Affiliate or Associate of the Company or any of its Subsidiaries or any Member and (B) a person with experience and expertise in the industry in which the Company operates (each, an "**Independent Director**"), who shall be selected by the vote of a majority of the issued and outstanding Common Shares owned by the Members and who shall serve until such time as his or her respective successors shall have been selected in accordance with Section 4.01(b)(iv) or as otherwise provided in this Agreement so long as such individual meets the criteria for an Independent Director set forth above; provided, however, that if, at the time an Independent Director is to be selected pursuant to Section 4.01(b)(iv), any Member or any "group" (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act or any successor provision) of Members, together with its Affiliates, owns, or is the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 of the Exchange Act, or any successor provision, but only as a result of a written contract, arrangement, understanding, or agreement) of, more than 50% of the outstanding Common Shares, then such Independent Director shall be selected by the vote of two-thirds or more of the outstanding Common Shares. With respect to the initial two (2) individuals to be designated to serve as Independent Directors, interviews with potential Independent Director candidates will be set up at a time and location mutually agreed by the Investor Members, and each Investor Member who wishes shall be entitled to participate in such interviews. If the number of Directors that an Investor Member has the right to designate to the Board is decreased pursuant to Section 4.01(b)(i), (ii) or (iii), then the Board may remove such Director or Directors, as the case may be, from the Board by a vote of three (3) or more Directors, not including the Investor Director(s) that such Investor Member has lost the right to designate. Any vacancy created by such removal shall be filled in the manner prescribed by Section 4.01(b)(iv).

(c) Board Observers. Any Initial 10% Member (other than any Investor Member so long as such Investor Member has a right to designate an Investor Director pursuant to Section 4.01(b)) who owns at least ten percent (10%) or more of the then outstanding Common Shares may designate one (1) observer to the Board; provided,

however, that, so long as the Hotchkis and Wiley Member owns the same or greater percentage (in each case, (x) excluding any securities issued or issuable pursuant to the MEIP or the Warrants and (y) as adjusted for any share splits, Equity Interest distributions, recapitalizations or similar transaction) of Common Shares as it holds on the Effective Date, it shall have the right to appoint an observer in the same manner as an Initial 10% Member. The Company shall give each observer prior written notice of every meeting of the Board at the same time and in the same manner as notice is given to the Directors and all such observers shall have the rights to attend meetings of the Board. The Company shall provide each observer with copies of all written materials and other information given to the Directors in connection with such meetings or otherwise (including, without limitation, all resolutions proposed to be adopted by written consent in lieu of a meeting of the Board and all information provided to the Directors in connection therewith) at the same time such materials or information is given to the Directors. In the case of telephonic meetings, the observers shall be given the opportunity to participate in such telephonic meetings. Notwithstanding the foregoing, the Company may exclude observers from having access to any notices, materials or information, and the portions of any meetings, in each case to the extent that such exclusion is reasonably necessary to preserve the Company's attorney-client privilege. For the avoidance of doubt, no observer shall be entitled to vote on any matter before the Board, and no observer shall be considered a Director for any purpose of this Agreement. The Company shall not pay the observers any fee, but shall reimburse the observers for reasonable travel and other out of pocket expenses incurred by the observers, related to him or her serving in such capacity as an observer or in performing his or her duties in connection herewith.

(d) Company Action. The Company shall take all necessary and desirable actions within its control (including calling special Board and stockholder meetings) to effectuate the provisions of this Section 4.01.

(e) Removal; Vacancies.

(i) Except as provided in the penultimate sentence of Section 4.01(b), an Investor Director may be removed at any time as a Director with or without cause upon the written request of the Investor Member that appointed such Investor Director. In the event that a vacancy is created on the Board at any time due to the death, disability, retirement, resignation or removal of an Investor Director, then, subject to Section 4.01(b), the Investor Member that designated such Investor Director shall have the right to designate an individual to fill such vacancy. Each Investor Member shall vote all its Common Shares or other Equity Interests of the Company entitled by their terms to vote for Directors, and shall take all other necessary or desirable actions within its control in furtherance of the provisions of this Section 4.01(e)(i) (including attending all meetings of Members in person or by proxy for purposes of obtaining a quorum and executing all written consents in lieu of meetings, as applicable), and the Company shall take all necessary or desirable actions within its control, to remove or replace from the Board such Investor Director upon, and only upon, such written request or affirmative vote, as applicable. Except as provided in this Section 4.01(e)(i),

unless the applicable Investor Member shall otherwise consent in writing, no other Investor Member shall take any action to cause the removal of an Investor Director.

(ii) Each Director (other than an Investor Director) may be removed at any time as a Director (A) with or without cause upon the affirmative vote a majority of the issued and outstanding Common Shares owned by the Members or (B) with cause upon the affirmative vote of a majority of the Board; provided, however, that, if (1) an Independent Director is being removed by the holders of the Common Shares and (2) any Member or any "group" (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act or any successor provision) of Members, together with its Affiliates, owns, or is the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 of the Exchange Act, or any successor provision, but only as a result of a written contract, arrangement, understanding, or agreement) of, more than 50% of the outstanding Common Shares, then such removal shall require the affirmative vote of two-thirds or more of the outstanding Common Shares. Subject to the first sentence of this Section 4.01(e)(ii), each Investor Member shall vote all Common Shares or other Equity Interests of the Company entitled by their terms to vote on such matters owned by such Investor Member or over which such Investor Member has voting control, and shall take all other necessary or desirable actions within his, her or its control (including in his, her or its capacity as a Member (including attending all meetings of Members in person or by proxy for purposes of obtaining a quorum and executing all written consents in lieu of meetings, as applicable), Director, member of a Board committee, officer of the Company or otherwise) so that each Director other than an Investor Director shall hold his or her office until his or her death or until his or her successor shall have been duly elected and qualified. In the event that a vacancy is created on the Board at any time due to the death, disability, retirement, resignation or removal of a Director other than an Investor Director, then such vacancy shall be filled in accordance with the provisions of Section 4.01(b)(iv).

(f) Resignation. A Director may resign at any time from the Board by delivering his or her written resignation to the Board. Any such resignation shall be effective upon receipt thereof unless it is specified to be effective at some other time or upon the occurrence of some other event. The Board's acceptance of a resignation shall not be necessary to make it effective. Any vacancy created by such resignation shall be filled in the manner prescribed by Section 4.01(b).

(g) Subsidiary Boards of Directors. The Company (in its capacity as the direct or indirect equityholder of each other subsidiary of the Company) shall cause the Persons constituting the Board to be appointed as the sole members of the board of directors (or similar governing body) of each of the Subsidiaries of the Company; provided, however, that a vote of two-thirds of the Board (a "Board Supermajority") may determine to admit additional members to the board of directors (or similar governing body) of any particular Subsidiary.

(h) Board Meetings; Quorum; Vote Required.

(i) Board Meetings. The Board shall schedule regular meetings at least once every Fiscal Quarter (or such other frequency as may reasonably be determined by the Board) to be held at a location reasonably agreeable to the members of the Board. Any meetings of the Board may be held by, and any member of the Board may attend any Board meeting by, telephonic conference call or other electronic communication where the members of the Board can hear each other. Special meetings of the Board (other than regularly scheduled quarterly meetings) may be called by two (2) or more members of the Board. All meetings shall be held upon not less than five (5) calendar days' notice by mail or not less than forty eight (48) hours' notice delivered personally or by telephone, facsimile or electronic mail. Each notice (other than regularly scheduled quarterly meetings) shall specify the general purpose of the applicable meeting. Notice of a meeting need not be given to any member of the Board who signs a waiver of notice or consent to holding the meeting, or who attends the meeting without protesting the lack of notice to such member of the Board.

(ii) Quorum. The quorum in a meeting of the Board shall be (A) at any time the number of Directors constituting the Board consists of six (6) Directors, at least three (3) members of the Board and (B) at any time the number of Directors constituting the Board consists of eight (8) Directors, at least five (5) members of the Board, in each of case (A) and (B) at least one (1) of whom must be a Greywolf Director, at least one (1) of whom must be a Lantern Director and at least one (1) of whom must be the MAK Capital Director, in each case, at all times that the Greywolf Member, the Lantern Member or the MAK Capital Member, as applicable, is entitled to appoint a Director pursuant to Section 4.01(b); provided, however, if at any particular meeting a quorum is not present because of the absence of a Greywolf Director, a Lantern Director or a MAK Capital Director, then at any subsequent meeting of the Board within seven (7) days where the same matters are among those scheduled for discussion, a quorum shall not require the Investor Director who was absent from such previous meeting(s) of the Board. Any action to be taken by the Board may be taken by telephonic conference call or other electronic communication where the members of the Board can hear each other, in-person meeting, or written consent; provided, however, that any written consent of the Board must be executed by all members of the Board in order to be valid and effective.

(iii) Vote Required. Except as otherwise expressly provided in this Agreement, all action taken by the Board shall require the affirmative vote of a majority of the members of the Board eligible to vote thereon. In any matter that is to be voted on by members of the Board, the members of the Board may vote in person or by telephone. Notwithstanding the foregoing, (1) any decision by the Board to commit any amount in excess of Maintenance Capital Expenditures to the Company's facility located in Mooresboro, North Carolina, shall require a vote of at least three-fourths (3/4th) of the Board, (2) any decision by the Board to (A) issue any New Securities or (B) form any parent company or holding

company of the Company (other than as a result of a Sale Transaction entered into in compliance with the terms of this Agreement) (such company, a "New Holding Company"), shall require a vote of a Board Supermajority and (3) any decision by the Board to call the Additional Capital Commitment shall require a vote of at least three-fourths ($3/4^{\text{th}}$) of the Board and be subject to the terms of the UPA, the satisfaction of each of the conditions set forth in the UPA and the satisfaction of the following conditions:

(1) the Additional Capital Commitment Units will be issued (if at all) at a price per unit equal to the lower of (x) a value per unit implied by a total equity value of the Company and its Subsidiaries equal to \$235,450,000; and (y) if, and only if, the spot price of zinc listed on the London Metals Exchange has been below \$0.80/lb for ten (10) consecutive Business Days prior to the date of issuance of the applicable ACC Call Notice (as defined in the UPA), the fair market value of such units at the time of issuance (as determined by a nationally recognized independent valuation firm selected in good faith by the Board); provided, however, that such fair market value shall in no event be less than seventy-five percent (75%) of \$277,000,000; and

(2) the Company shall not have spent, or committed to spend, any money on operating or improving its Mooresboro facility unless and until it has first called all of the Additional Capital Commitment Units for such purpose, and the Additional Capital Commitment Units shall only be called and shall be used exclusively for such purpose.

(i) Director Expenses. The Company shall reimburse members of the Board for all reasonable out-of-pocket travel expenses incurred in connection with attending the meetings of the Board.

(j) Committees of the Board. The Board shall be authorized to designate an audit committee, a compensation committee and such other committees as it shall determine, each consisting of two (2) or more Directors, to serve at the pleasure of the Board, prescribe the manner in which proceedings of such committees shall be conducted and delegate the authority which such committees shall have.

4.02 Liability Insurance. The Company will maintain directors & officers insurance and errors & omissions coverage for its Board members, committee members and management personnel on terms and conditions reasonably determined by the Board.

4.03 Officers.

(a) The Board may appoint individuals as officers ("Officers") of the Company as the Board deems advisable with the duties and responsibilities set forth by the Board. No Officer need be a Member or a Director. An individual can be appointed to more than one office. Officers appointed by the Board shall have the authority to bind the Company to the extent authorized by the Board.

(b) Subject to the terms of any employment agreement between the Company or a Subsidiary and such Officer, the Board may remove any Officer, for any reason or for no reason, at any time. Subject to the terms of any employment agreement between the Company or a Subsidiary and such Officer, any Officer may resign at any time by giving written notice to the Board, and such resignation shall take effect at the date of the receipt of that notice or any later time specified in that notice; provided, however, that unless otherwise specified in that notice, the acceptance of the resignation shall not be necessary to make it effective. A vacancy in any office because of death, resignation, removal or otherwise shall be filled in the manner prescribed in this Agreement for regular appointments to that office.

(c) Subject to the terms of any employment agreement between the Company or a Subsidiary and such Officers, the Officers shall be entitled to receive compensation from the Company as determined by the Board.

(d) Under the direction of and, at all times, subject to the authority of the Board, the Chief Executive Officer shall have general supervision over the day-to-day business, operations and affairs of the Company. The Chief Executive Officer shall have such other powers and perform such other duties as may from time to time be prescribed by the Board or this Agreement.

(e) Any Chief Financial Officer appointed by the Board shall keep and maintain, or cause to be kept and maintained, adequate and correct books and records of accounts of the properties and business transactions of the Company, including accounts of its assets, liabilities, receipts, disbursements, gains, losses, capital and Interests. The Chief Financial Officer shall have the custody of the funds and securities of the Company, and shall keep full and accurate accounts of receipts and disbursements in books belonging to the Company. The Chief Financial Officer shall have such other powers and perform such other duties as may from time to time be prescribed by the Chief Executive Officer or the Board.

(f) Any Secretary appointed by the Board shall (i) keep the minutes of the meetings of the Members and the Board in one or more books provided for that purpose, (ii) see that all notices are duly given in accordance with the provisions of this Agreement and as required by law, (iii) be custodian of the company records, (iv) keep a register of the addresses of each Member which shall be furnished to the Secretary by such Member, and (v) in general perform all duties incident to the office of a secretary of a company. The Secretary shall have such other powers and perform such other duties as may from time to time be prescribed by the Chief Executive Officer or the Board.

4.04 Exculpation.

(a) To the fullest extent permitted by law (including Section 18-1101(b), (c), (d), and (e) of the Act), each Member agrees that:

(i) notwithstanding any duty otherwise existing at law or in equity, and notwithstanding any other provision of this Agreement, no Member or

Director shall owe any duty (including fiduciary duties) to the Company, any of the Members or any other Person that is a party to or is otherwise bound by this Agreement, in connection with any act or failure to act, whether hereunder, thereunder or otherwise; provided, however, that this clause (i) shall not eliminate the implied contractual covenant of good faith and fair dealing; provided, further, however, that no Director shall serve as a director or officer for, or otherwise act as an advisor to, any portfolio company in direct or indirect competition with the Company, and

(ii) no Director or Member shall have any personal liability to the Company, any of the Members, or any other Person that is a party to or is otherwise bound by this Agreement for monetary damages in connection with any act or failure to act, or breach, whether hereunder, thereunder or otherwise; provided, however, that this paragraph (ii) shall not limit or eliminate liability for any act or omission that constitutes (A) a bad faith violation of the implied contractual covenant of good faith and fair dealing or (B) willful misconduct.

(b) If any provision of Section 4.04(a) is held to be invalid, illegal or unenforceable, the duties and personal liability of the Directors to the Company, any of the Members or any other Person that is a party to or is otherwise bound by this Agreement shall be eliminated to the greatest extent permitted under the Act.

(c) Other than with respect to the Board to the extent to which Section 4.04(a) is applicable (unless Sections 4.04(a) and (b) are held to be invalid, illegal or unenforceable, in which case this Section 4.04(c) shall apply to the Directors), subject to applicable law, no such Director shall be liable, in damages or otherwise, to the Company, the Members or any of their Affiliates for any act or omission performed or omitted by any of them (including, without limitation, any act or omission performed or omitted by any of them in reliance upon and in accordance with the opinion or advice of experts, including, without limitation, of legal counsel as to matters of law, of accountants as to matters of accounting, or of investment bankers or appraisers as to matters of investment advice, appraisal advice, or valuation), except for any act or omission with respect to which a court of competent jurisdiction has issued a final, nonappealable judgment that such Director committed fraud, was grossly negligent or engaged in willful misconduct.

(d) The Members expressly acknowledge that the Board is acting on behalf of the Company. The Board shall not be obligated to consider the separate interest of any Member or other Person (including the tax consequences to any Member or other Person) in deciding, pursuant to its authority granted under this Agreement, whether to cause the Company to take (or decline to take) any actions that are in the interest of the Company. The Directors shall not be liable for monetary damages for losses sustained, liabilities incurred, or benefits not derived by Members in connection with such decisions; provided, however, that neither this Section 4.04(d) shall limit or eliminate liability for any act or omission that constitutes (A) a bad faith violation of the implied contractual covenant of good faith and fair dealing or (B) willful misconduct.

(e) Notwithstanding anything to the contrary herein, all Officers of the Company shall be subject to all fiduciary and other duties under applicable law to the Company and the Members (but not any creditor of the Company). Without limiting the generality of the foregoing, each officer of the Company shall have fiduciary duties to the Company and the Members (but not any creditor of the Company) to the same extent that officers of a Delaware corporation would have to such corporation and its stockholders.

(f) The provisions of this Section 4.04 are for the benefit of the Directors, Members, Officers, their heirs, successors, assigns and administrators, all of whom are third party beneficiaries of this Section 4.04, and shall not be deemed to create any rights for the benefit of any other Persons.

4.05 Indemnification.

(a) To the fullest extent permitted by applicable law, the Company shall and does hereby agree to indemnify and hold harmless against any liabilities and pay all judgments and claims against each Director, each Officer, each Member, any Affiliate of any of the foregoing Persons, each employee of the Company, and each of the foregoing Persons' respective officers, directors, employees, stockholders, partners (limited and/or general), managers, members, consultants and agents (in each case in their respective capacities as such) (the "**Indemnified Parties**"), each of which shall be a third party beneficiary of this Agreement solely for purposes of this Section 4.05 from and against claims, liabilities, damages, losses, costs and expenses (including amounts paid in satisfaction of judgments, in compromises and settlements, as fines and penalties and legal or other costs and reasonable expenses of investigating or defending against any claim or alleged claim) of any nature whatsoever, known or unknown, liquidated or unliquidated (collectively, "**Damages**") incurred by them or by the Company for any act or omission taken or suffered by the Indemnified Parties (including, without limitation, any act or omission taken or suffered by any of them in reliance upon and in accordance with the opinion or advice of experts, including, without limitation, of legal counsel as to matters of law, of accountants as to matters of accounting, or of investment bankers or appraisers as to matters of valuation) in connection with the business or operation of the Company or any of its Subsidiaries (including in connection with such Indemnified Party serving as an officer, director, manager, employee or agent of any other Entity at the request of the Board), including costs and reasonable attorneys' fees and any amount expended in the settlement of any claims or loss or damage, except to the extent such liability arose out of an act or omission by such Person which constitutes gross negligence, bad faith or willful misconduct. Notwithstanding the foregoing, the Company shall not be obligated to indemnify any Indemnified Party pursuant to this Section 4.05 for such Indemnified Party's obligations under any other agreement with the Company or any of its Subsidiaries.

(b) The satisfaction of any indemnification obligation pursuant to Section 4.05(a) hereof shall be from and limited to assets of the Company and its Subsidiaries (including insurance and any agreements pursuant to which the Company, the Directors, Officers or employees are entitled to indemnification) and no Member, in such capacity, shall be subject to personal liability.

(c) Expenses reasonably incurred by an Indemnified Party in defense or settlement of any claim that is reasonably expected to be subject to a right of indemnification hereunder shall be advanced by the Company prior to the final disposition thereof upon receipt of an undertaking by or on behalf of such Indemnified Party to repay such amount to the extent that it shall be determined upon final adjudication after all possible appeals have been exhausted that such Indemnified Party is not entitled to be indemnified hereunder.

(d) Without limitation of Section 4.02, to the extent reasonably determined by the Board, the Company may purchase and maintain insurance on behalf of one or more Indemnified Parties and other Persons against any liability which may be asserted against, or expense which may be incurred by, any such Person in connection with the Company's activities, whether or not the Company would have the power to indemnify such Person against such liability under the provisions of this Agreement.

(e) The Company further agrees that with respect to any Indemnified Party who is employed, retained or otherwise associated with, or appointed or nominated by, any of the Members or any of their Affiliates and who acts or serves as a member of the Board, a member of any committee of the Board, director, officer, fiduciary, employee, consultant, advisor or agent of, for or to the Company or any of its Subsidiaries, that the Company or such Subsidiaries, as applicable, shall be primarily liable for all indemnification, reimbursements, advancements or similar payments (the "**Indemnity Obligations**") afforded to such Indemnified Party acting in such capacity or capacities on behalf or at the request of the Company or such Subsidiary, whether the Indemnity Obligations are created by law, organizational or constituent documents, contract (including this Agreement) or otherwise. Notwithstanding the fact that any of the Members or any of their Affiliates, other than the Company (such Persons, together with its and their heirs, successors and assigns, the "**Member Parties**"), may have concurrent liability to an Indemnified Party with respect to the Indemnity Obligations, the Company hereby agrees that in no event shall the Company or any of its Subsidiaries have any right or claim against any of the Member Parties for contribution or have rights of subrogation against any Member Parties through an Indemnified Party for any payment made by the Company or any of its Subsidiaries with respect to any Indemnity Obligation. In addition, the Company hereby agrees that in the event that any Member Parties pay or advance an Indemnified Party any amount with respect to an Indemnity Obligation, the Company will, or will cause its Subsidiaries to, as applicable, promptly reimburse such Member Parties for such payment or advance upon request. The Company and the Indemnified Parties agree that, notwithstanding anything to the contrary herein, the Member Parties are express third-party beneficiaries of the terms of this Section 4.05.

(f) Certain Indemnitees that are directors, officers, employees, stockholders, partners, limited partners, members, equityholders, managers, or advisors of any Member or any of such Member's Affiliates (each such Person, a "**Fund Indemnitee**") may have certain rights to indemnification, advancement of expenses and/or insurance provided by or on behalf of such Member and/or its Affiliates (collectively, the "**Fund Indemnitors**"). Notwithstanding anything to the contrary in this Agreement or otherwise: (i) the Company is the indemnitor of first resort (*i.e.*, the Company's

obligations to each Fund Indemnitee are primary and any obligation of the Fund Indemnitors to advance Damages or to provide indemnification for such Damages incurred by each Fund Indemnitee are secondary), (ii) the Company shall be required to advance the full amount of Damages incurred by each Fund Indemnitee and will be liable for the full amount of all such Damages paid in settlement to the extent legally permitted and as required by this Agreement, without regard to any rights each Fund Indemnitee may have against the Fund Indemnitors, and (iii) the Company irrevocably waives, relinquishes and releases the Fund Indemnitors from any and all claims against the Fund Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. Notwithstanding anything to the contrary in this Agreement or otherwise, no advancement or payment by the Fund Indemnitors on behalf of a Fund Indemnitee with respect to any claim for which such Fund Indemnitee has sought indemnification or advancement of Damages from the Company shall affect the foregoing and the Fund Indemnitors will have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of such Fund Indemnitee against the Company. The Fund Indemnitors are express third party beneficiaries of the terms of this Section 4.05(f).

4.06 Transactions with Affiliates Except as otherwise expressly permitted under this Agreement, the Company shall conduct, and shall cause each of its Subsidiaries to conduct, all transactions with its Affiliates and Members (other than wholly-owned Subsidiaries of the Company), current or former directors of the Company or any of its Subsidiaries, or any Relative or Affiliate of any of the foregoing (including, without limitation, any loan or other extension of credit from any such Person to the Company or any of its Subsidiaries) (each, an “**Interested Transaction**”) on terms that are fair and reasonable and no less favorable to the Company or such Subsidiary than it would obtain in a comparable arm’s-length transaction with a Person that is not an Affiliate, Member, current or former director of the Company or any of its Subsidiaries, or Relative or Affiliate of any of the foregoing, and in compliance with all applicable laws. Any such Interested Transaction must be approved by both a majority of the members of the Board (not including any Director nominated by a Member with an interest in such Interested Transaction) and by a majority of the Independent Directors.

4.07 Limited Liability Company Opportunity.

(a) Each Member, and the Company, acknowledges and affirms that the Members and their Affiliates and Associates may have, and may continue to, participate, directly or indirectly, in investments in assets and businesses which are, or will be, suitable for the Company or competitive with the Company’s business.

(b) Notwithstanding any other provision of this Agreement to the contrary (and to the fullest extent permitted by applicable laws), each Member, individually and on behalf of the Company, and the Company, expressly (i) waives any conflicts of interest or potential conflicts of interest that exist or arise as a result of any such investments and agrees that no Member, Director nor any of their respective Affiliates or Associates, nor any of the foregoing Persons’ respective directors, officers, members, managers, partners or representatives, shall have liability to any other Member or any Affiliate or Associate thereof, or to the Company, its Subsidiaries or any of their

respective Affiliates or Associates, with respect to such conflicts of interest or potential conflicts of interest, (ii) acknowledges and agrees that any Member or Director and any of their respective Affiliates and Associates, and any of the foregoing Persons' respective directors, officers, members, managers, partners or representatives, may engage in or possess an interest in other business ventures of any nature or description, independently or with others, similar or dissimilar to the business of the Company, its Subsidiaries and their respective Affiliates and Associates, (iii) acknowledges and agrees that no Member nor any of their respective Affiliates or Associates, nor any of the foregoing Persons' respective directors, officers, members, managers, partners or representatives (including any Director) will have any duty to disclose to the Company or any other Person any such business opportunities, whether or not competitive with the Company's business and whether or not the Company might be interested in such business opportunity for itself (except to the extent that such representative is an officer, consultant or employee of the Company or its Subsidiaries), (iv) agrees that the terms of this Section 4.07 to the extent that they modify or limit a duty or other obligation (including fiduciary duties), if any, that a Member or a Director may have to the Company or any other Person under the Act or other applicable law, rule or regulation, are reasonable in form, scope and content; and (v) waives to the fullest extent permitted by the Act any duty or other obligation, if any, that a Member or Director may have to the Company or another Person, pursuant to the Act or any other applicable law, rule or regulation, to the extent necessary to give effect to the terms of this Section 4.07.

4.08 Change in Corporate Form. Prior to any (a) conversion of the Company from a limited liability company to any other corporate form or (b) election by the Company to no longer be treated as a corporation for federal income tax purposes, the affirmative vote of both a Board Supermajority and Members of the Company holding three-fourths (3/4th) of the number of then outstanding Common Shares shall be required to approve any such conversion or election.

ARTICLE 5

(d) In no event shall any financial information required to be furnished pursuant to Sections 5.01(a) and 5.01(b) be required to include any information required by, or to be prepared or approved in accordance with, or otherwise be subject to, any provision of Section 404 of the Sarbanes-Oxley Act of 2002 or any rules, regulations, or accounting guidance adopted pursuant to that section.

(e) The current accounting firm of the Company is [●]. The Board (or a duly authorized committee thereof) shall retain the current accounting firm or select a new accounting firm for the Company annually. Any new accounting firm shall be selected from among the following "big four" nationally recognized accounting firms: KPMG, PriceWaterhouseCoopers, Deloitte & Touche or Ernst & Young.

ARTICLE 6

DISTRIBUTIONS

6.01 Distributions Generally. Except as otherwise provided herein, the Company shall make distributions at such times and in such amounts as the Board determines in its sole discretion. Any such distributions made with respect to the Common Shares shall be made to the Members *pro rata* in proportion to their respective Share Percentage Interest.

6.02 Restricted Distributions. Notwithstanding anything to the contrary contained in this Agreement, the Company shall not make a Distribution to any Member if such Distribution would violate the Act or other applicable law (but shall use commercially reasonable efforts to make such Distribution in a manner that does not violate the Act or any other applicable law).

ARTICLE 7

ACCOUNTING AND TAX MATTERS

7.01 Books and Records. The Company shall keep or cause to be kept books and records reflecting all of the Company's activities and transactions in accordance with GAAP, to the extent applicable. Each Member, and their respective agents and representatives shall be afforded access to the Company's books and records for any proper purpose reasonably related to its status as a Member (as reasonably determined by the Board), at any reasonable time during regular business hours upon reasonable notice to the Company. The Company shall preserve all books and records kept pursuant to this Section 7.01 for a period of three (3) years after the date of dissolution of the Company. Notwithstanding anything contained herein, the Board shall have the right to limit the access to any sensitive information (financial or otherwise) regarding the Company of any Member who the Board reasonably determines is, or is affiliated with or related to, a competitor of the Company.

7.02 Tax Returns. The Company shall use commercially reasonable efforts to cause the preparation and timely filing (including extensions) of all tax returns required to be filed by the Company pursuant to the Code as well as all other required state and local tax returns in each jurisdiction in which the Company owns property or does business.

ARTICLE 8

TRANSFERS AND WITHDRAWALS

8.01 Transfers of Equity Interests. No holder of any Common Shares or other Equity Interests in the Company shall Transfer all or any part of the economic or other rights that comprise any such Common Share or other Equity Interest except for such Transfers made in accordance with the Securities Act, applicable blue sky laws and this Agreement.

(a) Securities Restrictions; Legends.

(i) [Each certificate (if any) representing Common Shares issued subject to this Agreement shall be stamped or otherwise imprinted with a legend in substantially the following form:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO A LIMITED LIABILITY COMPANY AGREEMENT DATED AS OF [], 2016 (AS AMENDED FROM TIME TO TIME). ANY PURCHASER OR TRANSFEREE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE WILL BE SUBJECT TO SUCH AGREEMENT. A COPY OF SUCH AGREEMENT WILL BE FURNISHED WITHOUT CHARGE BY THE COMPANY TO THE HOLDER HEREOF UPON WRITTEN REQUEST."

(ii) Each certificate (if any) representing Restricted Common Shares subject to this Agreement shall be further stamped or otherwise imprinted with a legend in substantially the following form:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT AND, ACCORDINGLY, MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR IN ACCORDANCE WITH AN EXEMPTION FROM SUCH REGISTRATION REQUIREMENTS.

BY ITS ACQUISITION HEREOF OR OF A BENEFICIAL INTEREST HEREIN, THE HOLDER:

(1) AGREES THAT IT WILL NOT RESELL OR OTHERWISE TRANSFER THIS SECURITY EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR IN ACCORDANCE WITH AN EXEMPTION FROM SUCH REGISTRATION REQUIREMENTS AND, IN EACH CASE, IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS AND THE CONSTITUENT DOCUMENTS OF THE COMPANY;

(2) IN CONNECTION WITH ANY RESALE OR TRANSFER PURSUANT TO AN EXEMPTION UNDER THE SECURITIES ACT, SHALL, PRIOR TO SUCH TRANSFER OR SALE, FURNISH TO THE COMPANY SUCH CERTIFICATIONS, LEGAL OPINIONS OR OTHER INFORMATION AS IT MAY REASONABLY REQUIRE; AND

(3) AGREES THAT IT WILL DELIVER TO EACH PERSON TO WHOM THIS SECURITY OR AN INTEREST HEREIN IS TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND."]

(iii) Each Member agrees, prior to any Transfer of any Common Shares or other Equity Interests of the Company, to give two (2) Business Days written notice to the Company of such Member's intention to effect such Transfer and to comply in all other respects with the provisions of this Article 8. Each such notice shall describe the manner and circumstances of the proposed Transfer. Each Member agrees that it will, prior to any Transfer of Restricted Common Shares, deliver to the Company a letter from such Member's proposed Transferee informing the Company whether or not such Transferee is an "accredited investor" (as such term is defined in Rule 501 of the Securities Act). Upon request by the Company, the Member delivering a notice with respect to Restricted Common Shares shall deliver a written opinion, addressed to the

Company, from counsel for the Member holding such Restricted Common Shares, stating that in the opinion of such counsel (which opinion and counsel shall be reasonably satisfactory to the Company) such proposed Transfer of Restricted Common Shares does not involve a transaction requiring registration or qualification of such shares under the Securities Act provided, however, that the Company shall not have the right to request any such opinion and shall not be entitled to object to such Transfer if the Member has held the Restricted Common Shares proposed to be Transferred for at least one (1) year and the Member is not an "affiliate" of the Company as such term is defined under Rule 405 of the Securities Act, it being understood and agreed that any Member who is not entitled to nominate or has not nominated an Investor Director and otherwise owns less than ten percent (10%) of the outstanding Common Shares and other Equity Interests of the Company shall not be an "affiliate" for this purpose. It is understood and agreed that the right to nominate or the nomination of an Investor Director or ownership of ten percent (10%) or more of the outstanding Common Shares and other Equity Interests of the Company shall not presumptively establish that a Member is an "affiliate" for purposes of the previous sentence. Such Member holding such Restricted Common Shares shall be entitled to effect a Transfer of such shares in accordance with the terms of the notice delivered to the Company, if the Company does not reasonably object to such Transfer and request such opinion within two (2) Business Days after delivery of such notice, or, if it reasonably requests such opinion, does not reasonably object to such Transfer within two (2) Business Days after delivery of such opinion. The Company may only object to such Transfer of Restricted Common Shares if in its reasonable opinion the proposed Transfer involves a transaction requiring registration or qualification of such shares under the Securities Act. Each certificate or other instrument evidencing any transferred Common Shares shall bear the legend or legends set forth above in Section 8.01(a), as applicable. Notwithstanding the foregoing, a Member holding Restricted Common Shares may Transfer all or a portion of its Restricted Common Shares to a Permitted Transferee without complying with the terms of this Section 8.01(a)(iii) so long as such Member provides written notice of such Transfer to the Company within three (3) Business Days after the effective date of the Transfer and the other terms of this Agreement have been satisfied.

(b) Except for any Transfer of Shares on the effective date of a public offering of the Company's securities pursuant to this Agreement, no Transfer shall be permitted if (i) as a result of such Transfer, the Company would be reasonably likely to be subject to reporting obligations under the Exchange Act or otherwise required to make any filing with the Commission or (ii) the proposed transferee or any of its Affiliates is a direct or indirect competitor of the Company or any of its Subsidiaries. Any attempted Transfer that is prohibited by this Section 8.01(b) shall be null and void and shall not be effective to Transfer any Common Shares or other Equity Interests of the Company, but only to the minimum extent necessary to prevent the Transfer from being prohibited by this Section 8.01(b).

8.02 Drag-Along Obligations. Except for a Permitted Transfer, if any Member or Members holding more than fifty percent (50%) of the voting power of the Common Shares or other Equity Interests of the Company (individually or collectively, the “**Exiting Members**”), acting together or pursuant to a common plan, understanding or arrangement (i) enter into an agreement to Transfer to any Person, in a *bona fide* arm’s-length transaction to one or more third parties none of which is an Affiliate or Associate of any Exiting Member, all the Common Shares or other Equity Interests of the Company beneficially owned by such Exiting Members, (ii) request that the Company or any subsidiary thereof consolidate or merge with any Person which is not an Affiliate or Associate of any Exiting Member in a *bona fide* arm’s-length transaction (in a consolidation or merger in which (A) Members receive cash or securities of any other Person upon such consolidation or merger and (B) such Person and/or its Affiliates become the beneficial owner of more than fifty percent (50%) of the voting power of the Common Shares or other Equity Interests of (x) the Company or (y) any Subsidiary or Subsidiaries of the Company owning, controlling or otherwise constituting a majority of the consolidated assets of the Company and its Subsidiaries taken as a whole (based on value) (a “**Merger**”) or (iii) request that the Company sell all or substantially all the assets of the Company and its Subsidiaries, to a Person which is not an Affiliate or Associate of any Exiting Member in a *bona fide* arm’s-length transaction in which Members receive cash or securities of such other Person upon completion of such transaction (the Person referred to in clause (i), clause (ii) or clause (iii) being referred to herein as “**Exit Transferees**” and any of the transactions referred to in clause (i), clause (ii) or clause (iii) being referred to herein as an “**Exit Transfer**”; provided, that in no event shall an Exit Transfer be deemed to include any transaction effected solely for the purpose of changing, directly or indirectly, the form of organization or the organizational structure of the Company or any of its Subsidiaries), then, subject to the terms (including the limitations) of this Section 8.02, such Exiting Members may elect to require that each other Member (each, a “**Drag-Along Member**”) Transfer to such Exit Transferees all the Common Shares and other Equity Interests of the Company beneficially owned by such Drag-Along Member, on terms and conditions that are no less favorable than those applicable to the Exiting Members and that comply with the limitations set forth in Section 8.02(d) (in the case of clause (i) and/or that each Drag-Along Member vote (or consent in writing, as the case may be) in favor of the Merger or sale of assets (in the case of clause (ii) or clause (iii)). The Exiting Members shall exercise the rights in Section 8.02(a) by providing to the Company written notice of any Exit Transfer (the “**Drag-Along Notice**”) setting forth the terms of the proposed Exit Transfer (including the identity of the counterparties thereto) and the proposed closing date. The Company shall provide each Drag-Along Member with a copy of the Drag-Along Notice within three (3) Business Days of receipt from the Exiting Member.

(c) All Transfers pursuant to this Section 8.02 shall be consummated contemporaneously at the principal offices of the Company on the later of (i) a Business Day not less than fifteen (15) or more than sixty (60) days after the Drag-Along Notice is delivered to Drag-Along Members or (ii) no later than the fifth Business Day following the expiration or termination of all waiting periods under HSR or any other applicable regulatory regime, to the extent applicable to such Transfer, or at such other time or place as the Exiting Members and the Exit Transferees may agree. The certificates or other

instruments, if any, evidencing the Common Shares or other Equity Interests of the Company Transferred pursuant to the Exit Transfer shall be duly endorsed for transfer, and delivered on such closing date against payment for the purchase price of such Common Shares or other Equity Interests of the Company, together with all other documents which are necessary to effect such Transfer.

(d) All Drag-Along Members shall execute and deliver any documents reasonably requested by the Exiting Members, including any agreement containing representations, warranties, covenants, and indemnification obligations (each of which shall be several and neither joint nor joint and several obligations and shall be no more extensive or adverse to any Drag-Along Member than those applicable to the Exiting Members) on the part of the Exiting Members and each Drag-Along Member, provided, however, that the indemnification obligation of each Drag-Along Member (i) shall be limited to the percentage of such consideration that is equal to any comparable percentage limitation with respect to the consideration payable to the Exiting Members, in the case of representations and warranties made by such Drag-Along Member (which shall be limited to customary representations regarding its existence, authority to participate in such Exit Transfer, due execution, ownership of its Common Shares or other Equity Interests of the Company and ability to Transfer such Common Shares or other Equity Interests of the Company free and clear of all Liens and other encumbrances, as applicable), (ii) shall be computed *pro rata* based on the aggregate consideration payable to all Members, in the case of representations and warranties made by the Company, and (iii) shall not under any circumstances exceed in the aggregate the net proceeds actually paid to such Drag-Along Member upon completion of the transaction. Any documented and reasonable costs and expenses incurred directly in connection with the Exit Transfer by the Exiting Members shall be paid out of the gross proceeds of the Exit Transfer to the extent permissible by the terms and conditions of such Exit Transfer, and, if so permissible, no Drag-Along Member shall have any direct liability for any such costs and expenses. No Drag-Along Member shall be required to agree to any restrictive covenant in connection with any Exit Transfer. In addition, the Drag-Along Members shall not exercise any rights of appraisal or dissenters rights that such Member may have (whether under applicable law or otherwise) or could potentially have or acquire in connection with any Exit Transfer that complies with the provisions of this Section 8.02 or any other proposal that is necessary or desirable to consummate the Exit Transfer that complies with the provisions of this Section 8.02. Any consideration, including escrow or holdbacks, applicable to such Drag-Along transaction shall be applied *pro rata* based on the aggregate consideration payable to all Members.

(e) In no manner shall Section 8.02(a)-(d) or anything else in this Agreement, be construed to grant to any Member any dissenters rights or appraisal rights or give any Member any right to vote in any Exit Transfer structured as a merger or consolidation (it being understood that the Members hereby expressly waive rights under Section 18-210 of the Delaware Act (entitled "Contractual Appraisal Rights") and any similar right in all circumstances). This Section 8.02(e) and any waiver of dissenters rights, appraisal rights or similar rights provided by a Member hereunder, shall survive and continue in full force and effect with respect to each Member following the consummation of an Exit Transfer.

(f) Notwithstanding anything to the contrary contained herein, (A) each Drag-Along Member shall be treated equally and on a *pro rata* basis with each other Drag-Along Member and the Exiting Members, and (B) no Exiting Member shall be entitled, directly or indirectly, to receive a control premium or an extra or special benefit with respect to (i) its Common Shares not shared on a *pro rata* basis by all other holders of Common Shares and (ii) its other Equity Interests of the Company not shared on a *pro rata* basis by all other holders of such class of Equity Interests of the Company.

8.03 Tag-Along Rights. Except for a Permitted Transfer, if (X) Exiting Members propose an Exit Transfer and do not require each other Member to Transfer the Common Shares beneficially owned by such Members to the Exit Transferees, or (Y) any Member or Members (such Member or Members shall be deemed to be "Exiting Member" for purposes of this Section 8.03), acting together or pursuant to a common plan, understanding or arrangement, elect to enter into an agreement to Transfer to any Person, in a *bona fide* arm's-length transaction to one or more third parties none of which is an Affiliate of any Exiting Member, fifty percent (50%) or more of the outstanding Common Shares (any such Transfer pursuant to clause (X) or (Y), a "Partial Exit Transfer"), the Members who are not Exiting Members in such Partial Exit Transfer (the "Non-Selling Members") shall have the right to participate in such Partial Exit Transfer on the following terms:

(a) The Exiting Members shall give the Company prompt written notice (the "Notice of Intent"), setting forth the terms of each proposed Partial Exit Transfer (including the identity of the counterparties thereto) and the proposed closing date.

(b) The Company shall deliver the Notice of Intent to each Non-Selling Member within three (3) Business Days of receipt from the Exiting Members.

(c) In connection with any Partial Exit Transfer, each Non-Selling Member shall have the right, in its sole discretion, to participate in such Partial Exit Transfer on the same terms and conditions as those applicable to the Exiting Members, including, in the case of an Exit Transfer pursuant to Section 8.02(a)(ii) or Section 8.02(a)(iii) that each Non-Selling Member vote (or consent in writing, as the case may be) in favor of the Merger or sale of assets.

(d) The Non-Selling Members must exercise their "tag-along" rights by giving written notice to the Exiting Members within twenty (20) days of the delivery of a Notice of Intent by the Company to the Non-Selling Members (the "Tag-Along Acceptance Period"), and, in the case of a Partial Exit Transfer specified in clause (Y) of Section 8.03 above, specifying the number of Common Shares that such Non-Selling Member desires to include in the Partial Exit Transfer. Each Non-Selling Member exercising these "tag-along rights" is referred to as a "Tag-Along Member." The Exiting Members shall attempt to obtain inclusion in the Partial Exit Transfer of the entire number of Common Shares which the Tag-Along Members beneficially own and are seeking to include. In the event the Exiting Members shall be unable to obtain the inclusion of such entire number of Common Shares in such Partial Exit Transfer, the number of Common Shares to be sold in the Partial Exit Transfer by the Exiting Members and each Tag-Along Member shall be reduced on a *pro rata* basis according to

the proportion which the number of Common Shares which each such party beneficially owns bears to the total number of Common Shares beneficially owned by all such parties.

(e) All Transfers of Common Shares pursuant to this Section 8.03 shall be consummated contemporaneously at the principal offices of the Company on the later of (i) a Business Day not less than ten (10) or more than sixty (60) days after the last day of the Tag-Along Acceptance Period or (ii) no later than the fifth Business Day following the expiration or termination of all waiting periods under HSR, to the extent applicable to such Partial Exit Transfer, or at such later time or place as the Exiting Members and the Exit Transferees may agree. The certificates or other instruments, if any, evidencing the Common Shares Transferred pursuant to the Partial Exit Transfer shall be duly endorsed for transfer, and delivered on such closing date against payment for the purchase price of such Common Shares, together with all other documents which are necessary to effect such Partial Exit Transfer. No party to this Agreement shall Transfer any of its Common Shares to any prospective Transferee if such prospective Transferee declines to allow a Tag-Along Member to participate in a Partial Exit Transfer.

(f) All Tag-Along Members shall execute and deliver any documents reasonably requested by the Exiting Members, including any agreement containing representations, warranties, covenants, and indemnification obligations (each of which shall be several and neither joint nor joint and several obligations and shall be no more extensive or adverse to any Tag-Along Member than those applicable to the Exiting Members) on the part of the Exiting Members and each Tag-Along Member so electing to participate; provided, however, that the indemnification obligation of each Tag-Along Member shall solely consist of and (i) shall be limited to the percentage of such consideration that is equal to any comparable percentage limitation with respect to the consideration payable to the Exiting Members, in the case of representations and warranties made by such Tag-Along Member (which shall be limited to customary representations regarding its existence, authority to participate in such Partial Exit Transfer, due execution, ownership of its Common Shares and ability to Transfer such Common Shares free and clear of all Liens and other encumbrances, as applicable), and (ii) shall be computed *pro rata* based on the aggregate consideration payable to the Exiting Members and all Tag-Along Members, in the case of representations and warranties made by the Company, and (iii) shall not under any circumstances exceed in the aggregate the net proceeds actually paid to such Tag-Along Member upon completion of the transaction. Any documented and reasonable costs and expenses incurred directly in connection with the Partial Exit Transfer by the Exiting Members shall be paid out of the gross proceeds of the Partial Exit Transfer to the extent permissible by the terms and conditions of such Partial Exit Transfer, and, if so permissible, no Tag-Along Member shall have any direct liability for any such costs and expenses. No Tag-Along Member shall be required to agree to any restrictive covenant in connection with any Partial Exit Transfer. In addition, the Tag-Along Members shall not exercise any rights of appraisal or dissenters rights that such Member may have (whether under applicable law or otherwise) or could potentially have or acquire in connection with any Partial Exit Transfer or any other proposal that is necessary or desirable to consummate the Partial Exit Transfer. Any consideration, including escrow or holdbacks, applicable to such

Tag-Along transaction shall be applied *pro rata* based on the aggregate consideration payable to the Exiting Members and all Tag-Along Members.

8.04 Preemptive Rights to Purchase New Securities.

(a) Grant. Subject to the provisions of this Section 8.04, each Preemptive Rights Holder shall have the right to purchase such Preemptive Rights Holder's Pro Rata Share of all or any part of any New Securities that the Company or any Subsidiary thereof may from time to time issue after the date of this Agreement. A Preemptive Rights Holder's "**Pro Rata Share**" for purposes of this right shall mean a fraction, the numerator of which is the number of Common Shares owned by such Preemptive Rights Holder immediately prior to the issuance of the New Securities and the denominator of which is the total number of shares of Common Stock then outstanding. The "**Preemptive Rights Holders**" are each Member of the Company. Notwithstanding the foregoing, any Preemptive Rights Holder may assign its rights under this Section 8.04 to any of its Affiliates upon written notice to the Company.

(b) Procedure. The Company shall give each Preemptive Rights Holder at least twenty (20) days prior written notice, of the Company's intention to issue New Securities (the "**New Securities Notice**"), describing the type and amount of New Securities to be issued to any Person and the price and the general terms and conditions upon which the Company proposes to issue such New Securities. Each Preemptive Rights Holder may purchase any or all of such Preemptive Rights Holder's Pro Rata Share of such New Securities and may elect to purchase more than such Preemptive Rights Holder's Pro Rata Share in the event that another Preemptive Rights Holder does not elect to purchase its full Pro Rata Share of an issuance of New Securities (a "**New Issuance Shortfall**"), by delivering to the Company, within ten (10) Business Days after the date of mailing of any such New Securities Notice by the Company, a written notice specifying (i) such number of New Securities which such Preemptive Rights Holder desires to purchase and (ii) whether such Preemptive Rights Holder desires to purchase more than its Pro Rata Share of New Securities in the event of a New Issuance Shortfall and, if so, the maximum amount of the unsubscribed-for New Securities (the "**Unpurchased New Securities**") such Preemptive Rights Holder desires to purchase (an "**Unpurchased New Securities Share**"), for the price and upon the general terms and conditions specified in the New Securities Notice. If any Preemptive Rights Holder fails to notify the Company in writing within such ten (10) Business Day period of its election to purchase any or all of such Preemptive Rights Holder's full Pro Rata Share of an offering of New Securities (a "**Non-Purchasing Holder**"), then such Non-Purchasing Holder will forfeit the right hereunder to purchase that part of such Preemptive Rights Holder's Pro Rata Share of such New Securities that such Preemptive Rights Holder did not agree to purchase. If a New Issuance Shortfall occurs, the Unpurchased New Securities shall be allocated to each Preemptive Rights Holder that has elected to purchase its Pro Rata Share of New Securities and that has elected to purchase Unpurchased New Securities in the event of a New Issuance Shortfall (each, a "**Fully Exercising Rights Holder**") in the amount of their Unpurchased New Securities Share. In the event that the Company is unable to allocate to each Fully Exercising Right Holder its respective Unpurchased New Securities Share due to the aggregate amount of the

Unpurchased New Securities Shares equaling more than the amount of the Unpurchased New Securities, then the Unpurchased New Securities shall be allocated to each Fully Exercising Rights Holder based on its Oversubscription Pro Rata Share. A Fully Exercising Rights Holder's "**Oversubscription Pro Rata Share**" shall mean a fraction, the numerator of which is the number of Common Shares owned by such Fully Exercising Rights Holder immediately prior to the issuance of the New Securities and the denominator of which is the total number of Common Shares owned by all of the Fully Exercising Rights Holders immediately prior to the issuance of the New Securities.

(c) Failure To Exercise. In the event that the Preemptive Rights Holders fail to exercise in full the purchase right within the ten (10) Business Day period following delivery of the New Securities Notice, then the Company will have sixty (60) days thereafter to sell the New Securities with respect to which the Preemptive Rights Holders' rights hereunder were not exercised or to enter into an agreement for the sale of the New Securities (in which event the Company shall have forty-five (45) days from the date of the execution of such agreement to sell the New Securities). Any sale of the New Securities shall be at a price and upon terms and conditions not more favorable to the purchasers thereof than specified in the New Securities Notice to the Preemptive Rights Holders. In the event that the Company has not issued and sold the New Securities within the deadlines set forth in this Section 8.04(c), then the Company shall not thereafter issue or sell any New Securities without again first offering such New Securities to the Preemptive Rights Holders pursuant to this Section 8.04.

(d) Notwithstanding anything to the contrary herein, the Company may issue New Securities to any Person (a "**Purchasing Holder**"), without first complying with the foregoing provisions of this Section 8.04; provided, however, that (i) the Board has determined in good faith that the delay caused by compliance with the foregoing provisions of this Section 8.04 in connection with such New Securities would be reasonably likely to adversely affect the Company and its Subsidiaries; (ii) the notice provided by the Company for such issuance of New Securities shall contain a reasonably detailed summary of all material terms and conditions of the New Securities (including the type of each such New Securities, the amount of each, and the price per Common Share or other Equity Interest) to be issued therein, and the Company shall provide such notice to each Preemptive Rights Holder as soon as reasonably practicable but in any event at least two (2) Business Days prior to the date of such issuance of New Securities; and (iii) the subscription or purchase agreement pursuant to which the Purchasing Holder acquires such New Securities shall require that the Purchasing Holder sell, free and clear of all liens and encumbrances, to each Preemptive Rights Holder who so elects by written notice to the Company in accordance with this paragraph, up to such Preemptive Rights Holder's Pro Rata Share of such New Securities, at the same per-Share price paid by the Purchasing Holder and otherwise on the terms and conditions that would have applied if the Company first complied with the foregoing provisions of this Section 8.04 (including Section 8.04(a)) with respect to such issuance of New Securities. Each Preemptive Rights Holder may elect to exercise all or any portion of its rights under this paragraph by giving written notice to the Company within the later of (i) ten (10) Business Days after its receipt of the notice from the Company of such issuance of New Securities or (ii) three (3) Business Days after the date of the consummation of the issuance of New Securities.

All payments shall be delivered by exercising Preemptive Rights Holders to the Company not later than the date specified by the Company in the New Securities Notice. The parties hereto hereby acknowledge that the intent of this paragraph is to enable each Preemptive Rights Holder to effectively exercise its rights under the foregoing provisions of this Section 8.04, with respect to any issuance of Company Interests pursuant to this paragraph.

8.05 Effect of Prohibited Transfers. Any Transfer in contravention of any of the provisions of this Agreement shall be void and of no effect, and shall not bind nor be recognized by the Company.

8.06 Records. In the event of a Transfer of Shares and the admission of any transferee of Shares as a Member of the Company, (a) the Board shall promptly amend the books and records of the Company to reflect such Transfer and admission, (b) in the event that the Transferred Share is represented by a certificate and the transferee thereof requests the same, the Board shall cause the Company to issue a new certificate evidencing such Shares so Transferred to such transferee and (c) if applicable, the Board shall cause the Company to issue one or more new certificates to the transferor Member for that number and class of Shares held by such Member that are not being so Transferred.

8.07 Withdrawal of Members. No Member shall have the right to withdraw from the Company except on the terms and subject to the conditions set forth in this Agreement. In the event of a voluntary withdrawal, the withdrawing Member shall provide at least thirty (30) calendar days' prior written notice of withdrawal, and such withdrawal shall become effective upon the last Business Day of the calendar month following the end of such notice period (or, if such date is the last Business Day of a month, then upon such date). In the event of a withdrawal resulting from a termination of such Member's association with the Company, then the date of termination shall be the effective date of withdrawal. The effective date of withdrawal for any other reason shall be determined by the consent of the Board, in its discretion. Notwithstanding the foregoing, nothing in this Section 8.07 shall limit or otherwise affect any rights that a Member may have to transfer Common Shares or other Equity Interests of the Company pursuant to this Agreement (including pursuant to this Article 8).

8.08 Registration Rights. The Members shall have the registration rights, and Transfers shall be subject to the terms and conditions, set forth on Annex A attached hereto and hereby made part of this Agreement by reference as if it was set forth in full in this Section 8.08.

ARTICLE 9

Subject to the provisions of Article 8, one or more additional members (each, an "Additional Member") may be admitted to the Company as a Member in connection with a Transfer of a Member's Common Shares or other Equity Interests of the Company or upon the exercise of a Warrant.

(b) Execution of Documents. Each Additional Member shall execute and deliver a counterpart of this Agreement, whereby such Additional Member becomes a party to this Agreement, as well as any other documents that may be required by the Board. Upon execution and delivery of a counterpart of this Agreement and subject to prior receipt of all approvals required by this Agreement in respect thereof, such Person shall be admitted as an Additional Member. Each such Additional Member shall thereafter be entitled to all the rights and subject to all the obligations of Members as set forth herein with respect to the Equity Interests in the Company acquired by such Additional Member and Schedule I shall be updated accordingly.

ARTICLE 10

DISSOLUTION; LIQUIDATION

10.01 Dissolution. This Section 10.01 sets forth the exclusive events which will cause the dissolution of the Company. The provisions of Section 18-801 of the Act that apply unless the limited liability company agreement otherwise provides shall not become operative. The Company shall be dissolved upon the first to occur of the following events, but the legal existence of the Company shall not terminate until all its property has been distributed and the Certificate of Formation of the Company cancelled in the manner required by the Act:

(a) upon a vote of at least three-fourths (3/4th) of the Board to dissolve the Company; or

(b) a dissolution is required under Section 18-801(a)(4) of the Act or there is entered a decree of judicial dissolution under Section 18-802 of the Act.

Each Member hereby agrees not to seek a judicial dissolution of the Company.

10.02 Final Accounting. Upon the dissolution of the Company, a proper accounting shall be made from the date of the previous accounting to the date of dissolution.

10.03 Liquidation.

(a) Dissolution of the Company shall be effective as of the date on which the event occurs giving rise to the dissolution and all Members shall be given prompt notice thereof in accordance with Section 11.01 hereof, but the Company shall not terminate until the assets of the Company have been distributed as provided for in Section 10.03(c) hereof. Notwithstanding the dissolution of the Company, prior to the termination of the Company, the business, assets and affairs of the Company shall continue to be governed by this Agreement.

(b) Upon the dissolution of the Company, a Person or Entity appointed by a vote of at least three-fourths (3/4th) of the Board shall act as the liquidator (the "Liquidator") of the Company to wind up the Company. The Liquidator shall have full power and authority to sell, assign and encumber any or all of the Company's assets and to wind up and liquidate the affairs of the Company in an orderly and business-like

manner. The Liquidator shall have the power to employ, engage and dismiss, on behalf of the Company, any Person to assist in such wind-up and liquidation.

(c) The Liquidator shall distribute all proceeds from liquidation in the following order of priority:

(i) first, to creditors of the Company (including creditors who are Members) in satisfaction of the liabilities of the Company (whether by payment or the making of reasonable provision for payment thereof); and

(ii) thereafter, to the Members in accordance with the provisions of Article 6.

(d) The Liquidator shall determine whether any assets of the Company shall be liquidated through Sale or shall be distributed in kind. A Distribution in kind of an asset to a Member shall be considered, for the purposes of this Article 10, a Distribution in an amount equal to the fair market value of the assets so distributed as determined by the Liquidator in its sole discretion.

10.04 Cancellation of Certificate of Formation. Upon the completion of the Distribution of Company assets as provided in Section 10.03 hereof, the Company shall be terminated and the Liquidator shall cause the cancellation of the Certificate of Formation and shall take such other actions as may be necessary or appropriate to terminate the Company.

11.02 Confidentiality. While and after ceasing to be a Member, each Member agrees to keep confidential, not to disclose to any Person, and not to use (other than for the benefit of the Company or any of its Subsidiaries) any Confidential Information (other than disclosure to such Member's agents, accountants, legal counsel, advisors or representatives responsible for matters relating to the Company and who need to know such Confidential Information in order to perform such responsibilities in each case on a confidential basis (each such Person being hereinafter referred to as an "Authorized Representative")); provided, however, that such Member or any of its Authorized Representatives may make such disclosure to the extent that (i) the Confidential Information is disclosed in connection with the preparation or filing of such Member's tax returns or financial statements, in each case on a confidential basis, (ii) the Confidential Information being disclosed is otherwise generally available to the public, in each case on a confidential basis (except to the extent such disclosure has resulted from a breach of this provision or any other confidentiality restriction), (iii) such disclosure is required by (and only to the extent required by) any governmental body, agency, official or authority having jurisdiction over such Member or Authorized Representative, (iv) such disclosure, based upon

the advice of legal counsel of such Member or Authorized Representative, is otherwise required by law or statute or (v) the Board has given its prior consent thereto. Prior to making any disclosure described in clause (iv) of this Section 11.02, each Member shall notify the Company of such disclosure and of such advice of counsel. Each Member shall use all commercially reasonable efforts to cause each of its Authorized Representatives to comply with the obligations of such Member under this Section 11.02. In connection with any disclosure described in clauses (iii) or (iv) above, the disclosing Member shall use all commercially reasonable efforts to cooperate with the Company in seeking any protective order or other appropriate arrangement as the Board may request. Notwithstanding the foregoing, nothing in this Section 11.02 will prevent any Member or its Affiliates from (A) complying with their respective accounting or compliance reporting obligations under applicable law or rule of any Governmental Authority, including any reporting obligations arising under the Exchange Act, as amended, or any obligation to comply with ordinary course regulatory exams not targeted specifically at information relating to the Company or any of its Subsidiaries, (B) from utilizing Confidential Information to enforce their rights under any contract or (C) from communicating with such Member's or its Affiliates' existing or potential investors on a confidential basis solely with respect to (v) the industry and general description of the applicable Member's investment, (w) year of investment by the applicable Member, (x) the amount of any Capital Contributions made by the applicable Member, (y) the amount of any Distributions received by the applicable Member, and (z) the internal rate of return, investment multiple or other similar financial metrics, as calculated by the applicable Member or its Affiliates, with respect to the applicable Member's investment in the Company.

11.03 Fees and Expenses. Other than as expressly set forth herein, in the UPA, or in the Plan, each of the parties shall pay its own fees and expenses in connection with negotiating, drafting and executing this Agreement.

11.04 Certain Member Representations and Warranties.

(a) Each Member hereby represents as of the date on which it acquires any Equity Interest in the Company, that, with respect to such Equity Interest: (i) it is acquiring or has acquired such Equity Interest for purposes of investment only, for its own account (or a trust account if such Member is a trustee), and not with a view to resell or distribute the same or any part thereof and (ii) no other Person has any interest in such Equity Interest or in the rights of such Member under this Agreement other than, if applicable, a spouse having community property or similar interest under applicable law. Each Member also represents that it has the business and financial knowledge, sophistication and experience necessary to acquire its Equity Interest in the Company on the terms contemplated herein and that it has the ability to bear the risks of such investment (including the risk of sustaining the complete loss of all its Capital Contributions) without the need for the investor protections provided by the registration requirements of the Securities Act; provided, however, that this sentence shall not have any other effect on any other representations or warranties given or made by any other Person. Each Member further represents that it is an "accredited investor" (as such term is defined by Rule 501 under Regulation D of the Securities Act).

(b) Each Member hereby represents and covenants that such Member, as applicable, is not subject to any restrictions or prohibitions under any other agreement, understanding, or arrangement, including without limitation, any non-competition or non-solicitation provision, or under any applicable law, rule, or regulations or judicial or similar ruling that would limit or restrict the ability of such Member to hold an Equity Interest in the Company or serve as an officer or employee of the Company or any of its Subsidiaries.

11.05 Amendments. Neither this Agreement nor any provision hereof may be amended, modified, waived or supplemented in any manner, whether by course of conduct or otherwise, except with the consent of the Company and the Members who beneficially own at least two-thirds (2/3rd) of the issued and outstanding Common Shares held by the Members. In addition to the consent required under the foregoing sentence, in order to effect any amendment of, modification of, waiver of or supplement to the provisions of this Agreement that: (i) would adversely affect an individual Member disproportionately as compared to any other Member, shall require the prior written consent of such Member; (ii) would provide any right to any Member not shared proportionally by all Members, shall require the prior written consent of each other Member; (iii) would amend, modify, supplement or rescind, or would have the effect thereof, Section 4.01, Section 4.05, Section 4.06, Section 4.07, Section 4.08, Section 8.01(a), Section 8.02, Section 8.03, or Section 8.04 or, to the extent applying to Section 4.01, Section 4.05, Section 4.06, Section 4.07, Section 4.08, Section 8.01(a), Section 8.02, Section 8.03, or Section 8.04, this Section 11.05, shall require the prior written consent of each Investor Member, or (iv) would amend, modify, supplement or rescind, or would have the effect thereof, Section 8.03 or Section 8.04 or, to the extent applying Section 8.03 or Section 8.04, this Section 11.05, shall require the prior written consent of Members that are not Investor Members representing at least a majority of the issued and outstanding Common Shares held by such Members. In addition, in the event the Board determines to create a New Holding Company pursuant to Section 4.01(h)(iii), the certificate of incorporation, by-laws, limited liability company agreement or other similar document providing for the governance of such New Holding Company shall contain provisions providing the holders of Equity Interests of such New Holding Company substantially the same protections as are set forth in Section 4.01, Section 4.05, Section 4.06, Section 4.07, Section 4.08, Section 8.01(a), Section 8.02, Section 8.03, Section 8.04 and Section 11.05 of this Agreement. No failure or delay by a party hereto in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

11.06 Specific Performance. The parties hereto agree that irreparable damage would occur if any of the provisions of this Agreement were not performed in accordance with its specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in any court having jurisdiction pursuant to Section 11.11, in addition to any other remedy to which they are entitled at law or in equity.

11.07 Termination This Agreement shall terminate upon the first to occur of (a) the closing of an Initial Public Offering and effectiveness of that certain registration rights

agreement referred to in Article 14 of Annex A hereto or (b) the closing of a transaction that would constitute an Exit Transfer.

11.08 Counterparts. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signature thereto and hereto were upon the same instrument. This Agreement shall become effective when each party hereto shall have received a counterpart hereof signed by the other parties hereto.

11.09 Construction; Headings. Whenever the feminine, masculine, neuter, singular or plural shall be used in this Agreement, such construction shall be given to such words or phrases as shall impart to this Agreement a construction consistent with the Equity Interest of the Members entering into this Agreement. Where used herein, the term "Federal" shall refer to the U.S. Federal government. As used herein, (a) "or" shall mean "and/or" and (b) "including" or "include" shall mean "including without limitation." Any reference in this Agreement to \$ shall mean U.S. dollars. The headings and captions herein are inserted for convenience of reference only and are not intended to govern, limit or aid in the construction of any term or provision hereof. Unless the context otherwise requires, any reference to an "Article," "Section," "Schedule" or "Annex" shall be deemed to refer to an article or section of this Agreement, or a schedule or annex to this Agreement, as applicable. It is the intention of the parties that every covenant, term, and provision of this Agreement shall be construed simply according to its fair meaning and not strictly for or against any party (notwithstanding any rule of law requiring an Agreement to be strictly construed against the drafting party), it being understood that the parties to this Agreement are sophisticated and have had adequate opportunity and means to retain counsel to negotiate the provisions of this Agreement. All thresholds and percentages of Equity Interests in Company contained herein, whether with respect to the number or value of such Equity Interests, shall be subject to adjustment to give effect to any Equity Interests in the Company issued as a result of any split, dividend paid in Equity Interests of the Company, reclassification, reorganization, merger, consolidation or similar event affecting the Equity Interests of the Company.

11.10 Severability. Any term or provision of this Agreement which is invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity, legality or enforceability of any of the terms or provisions of this Agreement in any other jurisdictions, it being intended that all rights and obligations of the parties hereunder shall be enforceable to the fullest extent permitted by law. In that case, this Agreement shall be construed so as to limit any term or provision so as to make it valid, enforceable and legal within the requirements of any applicable law, and in the event such term or provision cannot be so limited, this Agreement shall be construed to omit such invalid, unenforceable or illegal provisions.

11.11 Governing Law; Submission to Jurisdiction; Waiver of Jury Trial. This Agreement and the rights and obligations of the parties hereto shall be governed by and construed in accordance with the laws of the State of Delaware, but not including the choice of law rules thereof. Each of the parties hereto irrevocably agrees that any legal action or proceeding with respect to this Agreement and the rights and obligations arising hereunder, or for recognition and enforcement of any judgment in respect of this Agreement and the rights and

obligations arising hereunder, whether in contract, tort or otherwise, brought by the other party(ies) hereto or its successors or assigns shall be brought and determined exclusively in the Delaware Court of Chancery, or in the event that such court does not have subject matter jurisdiction over such action or proceeding, in the United States District Court for the District of Delaware, and each party to this Agreement hereby submits to and accepts for itself and in respect of its property, generally and unconditionally, the exclusive jurisdiction of the aforesaid courts and appellate courts from any appeal thereof. Each party to this Agreement further irrevocably consents to the service of process out of any of the aforementioned courts in any such action or proceeding by the delivery of copies thereof in the manner set forth in Section 11.01. Each party to this Agreement hereby irrevocably waives any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings arising out of or in connection with this Agreement brought in the courts referred to above and hereby further irrevocably waives and agrees not to plead or claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum. Nothing in this Section 11.11 shall be deemed to constitute a submission to jurisdiction, consent or waiver with respect to any matter not specifically referred to herein. No course of dealing between the Company, or its Subsidiaries, and the Member (or any of them) or any delay in exercising any rights hereunder will operate as a waiver of any rights of any party to this Agreement. The failure of any party to enforce any of the provisions of this Agreement will in no way be construed as a waiver of such provisions and will not affect the right of such party thereafter to enforce each and every provision of this Agreement in accordance with its terms. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

11.12 Waiver of Action for Partition. Each of the Members irrevocably waives during the term of the Company any right that such Member may have to maintain an action for partition with respect to the property of the Company.

11.13 Successors and Assigns. Subject to Section 9.01 and Article 8, all of the terms and provisions of this Agreement shall inure to the benefit of and be binding upon each of the parties hereto and their respective Permitted Transferees under this Agreement, if any; provided, that no party hereto may Transfer its Equity Interests in the Company (or any portion thereof or any beneficial interest therein), rights, Shares or obligations hereunder except in accordance with the terms of this Agreement.

11.14 Entire Agreement. This Agreement, together with the UPA, constitutes the entire agreement among the parties with respect to the subject matter hereof and thereof and supersedes all prior agreements, understandings and negotiations, both written and oral, between the parties with respect to the subject matter hereof and thereof.

11.15 No Third-Party Beneficiaries. It is understood and agreed among the parties that this Agreement and the covenants made herein are made expressly and solely for the benefit of the parties hereto, and that, other than the Persons specified in Section 4.04 or Section 4.05, no Person shall be entitled or be deemed to be entitled to any benefits or rights hereunder, nor be authorized or entitled to enforce any rights, claims or remedies hereunder or by reason hereof.

11.16 Other Instruments and Acts. After the date hereof, the Members agree to execute any other instruments or perform any other acts that are or may be necessary or as the Board may reasonably request to effectuate and carry on the Company created by this Agreement; provided, however, that no Member shall be obligated to execute any instruments or perform any acts that conflict with this Agreement, result in the waiver of any of such Member's rights under this Agreement, or alter any of such Member's obligations under this Agreement.

11.17 Binding Agreement. This Agreement shall be binding upon the transferees, successors, assigns, and legal representatives of the Company and the Members.

11.18 Remedies and Waivers. No delay or omission on the part of any party to this Agreement in exercising any right, power or remedy provided by law or provided hereunder shall impair such right, power or remedy or operate as a waiver thereof. The single or partial exercise of any right, power or remedy provided by law or provided hereunder shall not preclude any other or further exercise of any other right, power or remedy. The rights, powers and remedies provided hereunder are cumulative and are not exclusive of any rights, powers and remedies provided by law.

If the Board, in its good faith judgment, determines that any registration of the Registrable Securities should not be made or continued because it would materially interfere with any material financing, acquisition, corporate reorganization or merger or other material transaction involving the Company (a **"Valid Business Reason"**), the Company may (x) postpone filing a Registration Statement relating to a Demand Registration until such Valid Business Reason no longer exists, but in no event for more than one hundred and eighty (180) days, and (y) in case a Registration Statement (as defined herein) has been filed relating to a Demand Registration, if the Valid Business Reason has not resulted from actions taken by the Company, the Company, upon the approval of a majority of the Board, acting in good faith, may cause such Registration Statement to be withdrawn and its effectiveness terminated; provided, however, that a new Registration Statement is filed within one hundred and eighty (180) days thereafter, or may postpone amending or supplementing such Registration Statement, but in no event for more than one hundred and eighty (180) days; provided, however, that if the registration of Registrable Securities is postponed pursuant to clause (x), the Company shall not be permitted to register under the Securities Act any equity Securities of the Company owned by other Members of the Company during any such postponement. The Company shall give written notice of its determination to postpone or withdraw a Registration Statement and of the fact that the Valid

Business Reason for such postponement or withdrawal no longer exists, in each case, promptly after the occurrence thereof. Notwithstanding anything to the contrary contained herein, the Company may not postpone or withdraw a filing under this ARTICLE 2 more than once in any twelve (12) month period. For the avoidance of doubt, any postponement or withdrawal of a Registration Statement shall not constitute a Demand Registration.

2.02 The Company shall use its reasonable best efforts to cause such Demand Registration to be in the form of a firm commitment underwritten offering and the managing underwriter or underwriter selected for such offering shall be the Company Underwriter (as defined herein). In connection with any Demand Registration under this ARTICLE 2 involving an underwritten offering, none of the Registrable Securities held by an Initiating Member making a request for inclusion of such Registrable Securities shall be included in such underwritten offering unless such Initiating Member accepts the terms of the offering as agreed upon by the Company and the Company Underwriter, such terms to be in an underwriting agreement in customary form, and then only in such quantity as will not, in the opinion of the Company Underwriter, jeopardize the success of such offering.

ARTICLE 3. Piggyback Registration Right.

3.01 Within ten (10) Business Days following receipt by the Company of a request from the Initiating Members to effect a Demand Registration, the Company shall give written notice of such request to each Piggyback Member (the "**Non-Initiating Members**"), which shall describe the anticipated filing date, the proposed registration and distribution, and offer the Non-Initiating Members the opportunity to register their *pro rata* share of Registrable Securities (an "**Incidental Registration**") in such registration. Following the receipt of such notice, each Non-Initiating Member shall be entitled, by delivery of a written request to the Company delivered no later than ten (10) Business Days following receipt of notice from the Company, to include all or any portion of their Registrable Securities in such Demand Registration (subject to Section 5.01). The right of each Non-Initiating Member to have Registrable Securities included in a Demand Registration pursuant to this Section 3.01 shall be conditioned upon each Non-Initiating Member entering into (together with the Initiating Member) an underwriting agreement in customary form with the managing underwriter or underwriters selected for such underwriting by the Company (the "**Company Underwriter**"). Subject to ARTICLE 5, the Company shall use its reasonable best efforts (within ten (10) Business Days of the notice provided for above) to cause the Company Underwriter to permit the Non-Initiating Member to participate in the Incidental Registration to include its Registrable Securities in such offering on the same terms and conditions as the Registrable Securities being sold for the account of the Initiating Members.

3.02 In connection with an offering by the Company or the Successor Corporation for its own account or for the benefit of any Member (other than a registration statement on Form S-4 or S-8 or any successor thereto), the Company shall give written notice to all of the Members within ten (10) Business Days of the proposed offering. Following the receipt of such notice, each Member (together with its Affiliates and Permitted Transferees) shall be entitled, by delivery of a written request to the Company delivered no later than ten (10) days following receipt of notice from the Company, to include all or any portion of its Registrable Securities in such offering (subject to Section 5.02). The right of each Member to have Registrable Securities

included in an offering pursuant to this Section 3.02 shall be conditioned (if an underwritten offering) upon each Member entering into (together with the Company) an underwriting agreement in customary form with the managing underwriter or underwriters selected for such underwriting by the Company. Subject to ARTICLE 5, the Company shall use its reasonable best efforts (within ten (10) Business Days of the notice provided for above) to cause the Company Underwriter to permit the Members to participate in a registration pursuant to this Section 3.01 to include its Registrable Securities in such offering on the same terms and conditions as the Registrable Securities being sold for the account of the Company or any other Member.

ARTICLE 4.
Effective Demand Registration.

The Company shall use its reasonable commercial efforts to cause any Demand Registration to become effective not later than ninety (90) days after it receives a request under Section 2.01 hereof and to remain effective for the lesser of (i) the period during which all Shares registered in the Demand Registration are sold and (ii) ninety (90) days, provided, however, that a registration shall not constitute a Demand Registration if (x) after such Demand Registration has become effective, such registration or the related offer, sale or distribution of Registrable Securities thereunder is interfered with by any stop order, injunction or other order or requirement of the Commission or other Governmental Authority for any reason not solely attributable to the Initiating Member and such interference is not thereafter eliminated or (y) the conditions specified in the underwriting agreement, if any, entered into in connection with such Demand Registration are not satisfied or waived, other than by reason of a failure by the Initiating Member. Subject to the exceptions described in ARTICLE 2 and this ARTICLE 4, the Company shall only be obligated to effect an aggregate of three (3) Demand Registrations under this Agreement.

ARTICLE 5.
Cutback.

5.01 If the Company Underwriter, in connection with a Demand Registration, shall advise the Company in writing on or before the date five (5) days prior to the date then scheduled for such offering that, in its opinion, the amount of Registrable Securities requested to be included in such Demand Registration exceeds the amount which can be sold in such offering without adversely affecting the distribution of the Registrable Securities being offered, then the Company will reduce the Registrable Securities to be included in such offering *pro rata* based on the number of Registrable Securities owned by each such Initiating Member and Non-Initiating Member.

5.02 If the Company Underwriter, in connection with an offering by the Company or the Successor Corporation for its own account or for the benefit of any Member (other than a Demand Registration or a registration statement on Form S-4 or S-8 or any successor thereto) shall advise the Company in writing on or before the date five (5) days prior to the date then scheduled for such offering that, in its opinion, the amount of Registrable Securities requested to be included in such offering exceeds the amount which can be sold in such offering without adversely affecting the distribution of the Registrable Securities being offered, then, the Company will reduce the Registrable Securities to be included in such offering by (i) first only

including the Registrable Securities (or portion thereof) being sold for the account of the Company as advised can be included by the Company Underwriter and (ii) second, to the extent that all Registrable Securities being sold for the account of the Company can be included, then only including the total number of Registrable Securities of the Members in such offering as advised can be included by the Company Underwriter (in addition to all such Registrable Securities being sold for the account of the Company) with each such Member entitled to include its *pro rata* share based on the number of Registrable Securities owned and proposed to be included by such Member.

ARTICLE 6.
Form S-3 Registration.

6.01 S-3 Registration. Following a Qualified Public Offering and upon the Successor Corporation becoming eligible for use of Form S-3 (or any successor form thereto) under the Securities Act in connection with a public offering of its securities, in the event that the Successor Corporation shall receive from any 5% Member (together with its Affiliates and Permitted Transferees) (the “**S-3 Initiating Member**”) a written request that the Successor Corporation register, under the Securities Act on Form S-3 (or any successor form then in effect) (an “**S-3 Registration**”), all or a portion of the Stock (as defined herein) owned by such S-3 Initiating Member, the Successor Corporation shall give written notice of such request to all of the other Members (other than S-3 Initiating Member) at least ten (10) Business Days before the anticipated filing date of such Form S-3, and such notice shall describe the proposed registration and offer such other Members the opportunity to register the number of shares of Stock as each other Member may request in writing to the Successor Corporation, given within ten (10) Business Days after their receipt from the Successor Corporation of the written notice of such registration. If requested by the S-3 Initiating Member, such S-3 Registration shall be for an offering on a continuous basis pursuant to Rule 415 under the Securities Act. The Successor Corporation shall use its reasonable best efforts to (x) cause such registration pursuant to this Section 6.01 to become and remain effective as soon as practicable, but in any event not later than forty-five (45) days after it receives a request therefor and (y) include in such offering the Stock of the other Members (other than S-3 Initiating Member) (the “**S-3 Non-Initiating Members**”) who have requested in writing to participate in such S-3 Registration on the same terms and conditions as the Stock of the S-3 Initiating Member.

6.02 Delay of S-3 Registration. If the Board has a Valid Business Reason, the Successor Corporation may (x) postpone filing a Registration Statement relating to a S-3 Registration until such Valid Business Reason no longer exists, but in no event for more than ninety (90) days, and (y) in case a Registration Statement has been filed relating to a S-3 Registration, if the Valid Business Reason has not resulted from actions taken by the Successor Corporation, the Successor Corporation, upon the approval of a majority of the Board acting in good faith, may cause such Registration Statement to be withdrawn and its effectiveness terminated or may postpone amending or supplementing such Registration Statement. The Successor Corporation shall give written notice to the Members of its determination to postpone or withdraw a Registration Statement and of the fact that the Valid Business Reason for such postponement or withdrawal no longer exists, in each case, promptly after the occurrence thereof. Notwithstanding anything to the contrary contained herein, the Successor Corporation may not postpone or withdraw a filing due to a Valid Business Reason more than once in any

twelve (12) month period. The Successor Corporation shall not be required to effect any registration pursuant to this ARTICLE 6, (i) within ninety (90) days after the effective date of any other Registration Statement of the Successor Corporation, (ii) if Form S-3 is not available for such offering by the S-3 Initiating Member, (iii) if the Registrable Securities requested by the S-3 Initiating Member to be registered have an estimated aggregate public offering price of less than \$[5,000,000], or (iv) the plan of distribution with respect to the Registrable Securities to be included in such S-3 Registration is to be conducted pursuant to an underwritten public offering.

6.03 Cutback. If the Successor Corporation in connection with any S-3 Registration shall advise the S-3 Initiating Member and S-3 Non-Initiating Member in writing on or before the date five (5) Business Days prior to the date then scheduled for such offering that, in its good-faith opinion, the amount of Stock requested to be included in such S-3 Registration exceeds the amount which can be sold in such offering without adversely affecting the distribution of the Stock being offered, then the Successor Corporation may reduce the Registrable Securities to be included in such S-3 Registration, (i) *pro rata* based on the Percentage Ownership owned by each S-3 Initiating Member and the S-3 Non-Initiating Members or (ii) as otherwise may be agreed upon among the S-3 Initiating Member and the S-3 Non-Initiating Members.

ARTICLE 7. Holdback Agreements.

7.01 To the extent not inconsistent with applicable law and requested (i) by the Company, the Successor Corporation, the Initiating Member or the S-3 Initiating Member, as the case may be, in the case of a non-underwritten public offering and (ii) by the underwriter, in the case of an underwritten public offering, each Member agrees not to effect any public sale or distribution of any Registrable Securities or of any securities convertible into or exchangeable or exercisable for such Registrable Securities, including a sale pursuant to Rule 144 under the Securities Act, or offer to sell, contract to sell (including any short sale), grant any option to purchase or enter into any hedging or similar transaction with the same economic effect as a sale of Registrable Securities, in each case, during the one-hundred eighty (180) day period (or such lesser period as the underwriter may agree) beginning on the effective date of the registration statement (except as part of such registration) for such public offering (such period of time, the "**Holdback Period**"); provided, however, that the Holdback Period shall be the same with respect to all Members.

7.02 The Company agrees not to effect any public sale or distribution of any of its securities, or any securities convertible into or exchangeable or exercisable for such securities (except pursuant to registrations on Form S-4 or S-8 or any successor thereto), during the period beginning on the effective date of any Registration Statement filed pursuant to ARTICLE 2 in which the Members are participating and ending on the earlier of (i) the date on which all Registrable Securities on such registration statement are sold and (ii) one hundred and eighty (180) days (or such lesser period as the underwriter may agree) after the effective date of such registration statement (except as part of such registration).

ARTICLE 8. Registration Procedures.

8.01 Whenever registration of Registrable Securities has been requested pursuant to ARTICLE 2, ARTICLE 3 or ARTICLE 6, the Company or Successor Corporation, as applicable, shall use its reasonable best efforts to effect the registration and sale of such Registrable Securities in accordance with the intended method of distribution thereof as promptly as practicable, and in connection with any such request, the Company shall, as expeditiously as possible (as used in this ARTICLE 8, the term Company shall also include Successor Corporation and Registrable Securities shall also include Stock, as the case may be):

(a) prepare and file with the Commission a Registration Statement on any form for which the Company then qualifies or which counsel for the Company shall deem appropriate and which form shall be available for the sale of such Registrable Securities in accordance with the intended method of distribution thereof, and cause such Registration Statement to become effective; provided, however, that (x) before filing a Registration Statement or prospectus or any amendments or supplements thereto, the Company shall provide counsel selected by the Members ("**Members' Counsel**") with an adequate and appropriate opportunity to review and comment on such Registration Statement and each prospectus included therein (and each amendment or supplement thereto) to be filed with the Commission, subject to such documents being under the Company's control, and (y) the Company shall promptly notify the Members' Counsel and each seller of Registrable Securities of any stop order issued or threatened by the Commission and promptly take all action required to prevent the entry of such stop order or to remove it if entered;

(b) prepare and file with the Commission such amendments and supplements to such Registration Statement and the prospectus used in connection therewith as may be necessary to keep such Registration Statement effective for the lesser of (x) one hundred and twenty (120) days and (y) such shorter period which will terminate when all Registrable Securities covered by such Registration Statement have been sold; provided, however, that if the S-3 Initiating Member has requested that an S-3 Registration be for an offering on a continuous basis pursuant to Rule 415 under the Securities Act, then the Company shall keep such Registration Statement effective until all Registrable Securities covered by such Registration Statement have been sold; and shall comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement during such period in accordance with the intended methods of disposition by the sellers thereof set forth in such Registration Statement;

(c) furnish to each seller of Registrable Securities, prior to filing a Registration Statement, a reasonable number of copies of such Registration Statement as is proposed to be filed, and thereafter such number of copies of such Registration Statement, each amendment and supplement thereto (in each case, including all exhibits thereto), and the prospectus included in such Registration Statement (including each preliminary prospectus) and any prospectus filed under Rule 424 under the Securities Act as each such seller may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such seller;

(d) register or qualify such Registrable Securities under such other securities or "blue sky" laws of such jurisdictions as any seller of Registrable Securities may

request, and to continue such qualification in effect in such jurisdiction for as long as permissible pursuant to the laws of such jurisdiction, or for as long as any such seller requests or until all of such Registrable Securities are sold, whichever is shortest, and do any and all other acts and things which may be reasonably necessary or advisable to enable any such seller to consummate the disposition in such jurisdictions of the Registrable Securities owned by such seller; provided, however, that the Company shall not be required to (x) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 8.01(d), (y) subject itself to taxation in any such jurisdiction or (z) consent to general service of process in any such jurisdiction;

(e) notify each seller of Registrable Securities at any time when a prospectus relating thereto is required to be delivered under the Securities Act, upon discovery that, or upon the happening of any event as a result of which, the prospectus included in such Registration Statement contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and the Company shall promptly prepare a supplement or amendment to such prospectus and furnish to each seller of Registrable Securities a reasonable number of copies of such supplement to or an amendment of such prospectus as may be necessary so that, after delivery to the purchasers of such Registrable Securities, such prospectus shall not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(f) enter into and perform customary agreements (including an underwriting agreement in customary form with the Company Underwriter) and take such other actions as are prudent and reasonably required in order to expedite or facilitate the disposition of such Registrable Securities, including causing its officers to participate in "road shows" and other information meetings organized by the Company Underwriter;

(g) upon execution of confidentiality agreements in form and substance reasonably satisfactory to the Company, which shall be consistent with the due diligence and disclosure obligations under securities laws applicable to the Company and the Members, make available at reasonable times for inspection by any managing underwriter participating in any disposition of such Registrable Securities pursuant to a Registration Statement, Members' Counsel and any attorney, accountant or other agent retained by any managing underwriter, all financial and other records, pertinent corporate documents and properties of the Company and its Subsidiaries (collectively, the "Records") as shall be reasonably necessary to enable them to exercise their due diligence responsibility, and cause the Company's and its Subsidiaries' officers, directors and employees, and the independent public accountants of the Company, to supply all information reasonably requested by any such Person in connection with such Registration Statement;

(h) if such sale is pursuant to an underwritten offering, obtain "cold comfort" letters dated the effective date of the Registration Statement and the date of the closing

under the underwriting agreement from the Company's independent public accountants in customary form and covering such matters of the type customarily covered by "cold comfort" letters as Members' Counsel or the managing underwriter reasonably requests;

(i) furnish, at the request of any seller of Registrable Securities on the date such securities are delivered to the underwriters for sale pursuant to such registration or, if such securities are not being sold through underwriters, on the date the Registration Statement with respect to such securities becomes effective, an opinion, dated such date, of counsel representing the Company for the purposes of such registration, addressed to the underwriters, if any, and to the seller making such request, covering such legal matters with respect to the registration in respect of which such opinion is being given as the underwriters, if any, and such seller may reasonably request and are customarily included in such opinions;

(j) comply with all applicable rules and regulations of the Commission, and make generally available to its security holders, as soon as reasonably practicable but no later than fifteen (15) months after the effective date of the Registration Statement, an earnings statement covering a period of twelve (12) months beginning after the effective date of the Registration Statement, in a manner which satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder;

(k) cause all such Registrable Securities to be listed on each securities exchange on which similar securities issued by the Company are then listed provided that the applicable listing requirements are satisfied;

(l) keep Members' Counsel advised as to the initiation and progress of any registration under ARTICLE 2, ARTICLE 3 or ARTICLE 6 under this Annex A;

(m) cooperate with each seller of Registrable Securities and each underwriter participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with the FINRA; and

(n) take all other steps reasonably necessary to effect the registration of the Registrable Securities contemplated hereby.

ARTICLE 9.
Seller Information.

The Company may require each seller of Registrable Securities as to which any registration is being effected to furnish, and such seller shall furnish, to the Company such information regarding the distribution of such securities as the Company may from time to time reasonably request in writing.

ARTICLE 10.
Notice to Discontinue.

Each Member agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 8.01(e), such Member shall forthwith discontinue

disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities until such Members' receipt of the copies of the supplemented or amended prospectus contemplated by Section 8.01(e) and, if so directed by the Company, such Member shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in such Members' possession, of the prospectus covering such Registrable Securities which is current at the time of receipt of such notice. If the Company shall give any such notice, the Company shall extend the period during which such Registration Statement shall be maintained effective pursuant to this Agreement (including the period referred to in Section 8.01(b)) by the number of days during the period from and including the date of the giving of such notice pursuant to Section 8.01(e) to and including the date when sellers of such Registrable Securities under such Registration Statement shall have received the copies of the supplemented or amended prospectus contemplated by and meeting the requirements of Section 8.01(e).

ARTICLE 11.
Registration Expenses.

The Company shall pay all expenses arising from or incident to its performance of, or compliance with, this Agreement, including (i) Commission, stock exchange and FINRA registration and filing fees, (ii) all fees and expenses incurred in complying with securities or "blue sky" laws (including reasonable fees, charges and disbursements of counsel to any underwriter incurred in connection with "blue sky" qualifications of the Registrable Securities as may be set forth in any underwriting agreement), (iii) all printing, messenger and delivery expenses, (iv) the fees, charges and expenses of counsel to the Company and of its independent public accountants and any other accounting fees, charges and expenses incurred by the Company (including any expenses arising from any "cold comfort" letters or any special audits incident to or required by any registration or qualification) and, in an amount not exceeding \$[100,000], the reasonable legal fees, charges and expenses of a single counsel to the Members incurred by such Members participating in any registration as a group, and (v) any liability insurance or other premiums for insurance obtained in connection with any Demand Registration or piggy-back registration thereon, Incidental Registration or S-3 Registration pursuant to the terms of this Agreement, regardless of whether such Registration Statement is declared effective. All of the expenses described in the preceding sentence of this ARTICLE 11 are referred to herein as "**Registration Expenses**" The holder of Registrable Securities sold pursuant to a Registration Statement shall bear the expense of any broker's commission or underwriter's discount or commission relating to registration and sale of such Members' Registrable Securities and, subject to clause (iv) above, shall bear the fees and expenses of their own counsel.

ARTICLE 12.
Indemnification; Contribution.

12.01 Indemnification by the Company. The Company shall indemnify and hold harmless each Member, its partners, directors, officers, Affiliates and each Person who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) the Member from and against any and all claims, liabilities, damages, losses, costs and expenses (including amounts paid in satisfaction of judgments, in compromises and settlements, as fines and penalties and legal or other costs and reasonable expenses of investigating or defending

against any claim or alleged claim) (each, a “**Liability**” and collectively, “**Liabilities**”), arising out of or based upon any untrue, or allegedly untrue, statement of a material fact contained in any Registration Statement, prospectus or preliminary prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto) or arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading (or in the case of any prospectus, under the circumstances such statements were made), except insofar as such Liability arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission contained in such Registration Statement, preliminary prospectus or final prospectus in reliance and in conformity with information concerning any Member furnished in writing to the Company by such Member expressly for use therein, including the information furnished to the Company pursuant to Section 12.02. The Company shall also provide customary indemnities to any underwriters of the Registrable Securities, their officers, directors and employees and each Person who controls such underwriters (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) to the same extent as provided above with respect to the indemnification of the Members.

12.02 Indemnification by the Members. In connection with any Registration Statement in which any Member is participating pursuant to ARTICLE 2, ARTICLE 3 or ARTICLE 6 of this Annex A, each Member shall promptly furnish to the Company in writing such information with respect to such Member as the Company may reasonably request or as may be required by law for use in connection with any such Registration Statement or prospectus and all information required to be disclosed in order to make the information previously furnished to the Company by such Member not materially misleading or necessary to cause such Registration Statement not to omit a material fact with respect to such Member necessary in order to make the statements therein not misleading. Each Member agrees to indemnify and hold harmless the Company, its partners, directors, officers, Affiliates, any underwriter retained by the Company and each Person who controls the Company or such underwriter (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) from and against any and all Liabilities arising out of or based upon any untrue, or allegedly untrue, statement of a material fact contained in any Registration Statement, prospectus or preliminary prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto) or arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading (or in the case of any prospectus, under the circumstances such statements were made), but if and only to the extent that such Liability arises out of or is based upon any untrue statement or alleged omission or alleged untrue statement or omission contained in such Registration Statement, preliminary prospectus or final prospectus in reliance and in conformity with information concerning such Member furnished in writing by such Member expressly for use therein, provided, however, that the total amount to be indemnified by each Member pursuant to this Section 12.02 shall be limited to such Members’ *pro rata* portion of the net proceeds (after deducting the underwriters’ discounts and commissions) received by such Member in the offering to which the Registration Statement or prospectus relates.

12.03 Conduct of Indemnification Proceedings. Any Person entitled to indemnification under this ARTICLE 12 (the “**Registration Statement Indemnified Party**”) agrees to give prompt written notice to the indemnifying party (the “**Registration Statement Indemnifying**

Party”) after the receipt by the Registration Statement Indemnified Party of any written notice of the commencement of any action, suit, proceeding or investigation or threat thereof made in writing for which the Registration Statement Indemnified Party intends to claim indemnification or contribution pursuant to this Agreement; provided, however, that the failure so to notify the Registration Statement Indemnifying Party shall not relieve the Registration Statement Indemnifying Party of any Liability that it may have to the Registration Statement Indemnified Party hereunder (except to the extent that the Registration Statement Indemnifying Party is prejudiced or otherwise forfeits substantive rights or defenses by reason of such failure). If notice of commencement of any such action is given to the Registration Statement Indemnifying Party as above provided, the Registration Statement Indemnifying Party shall be entitled to participate in and, to the extent it may wish, jointly with any other Registration Statement Indemnifying Party similarly notified, to assume the defense of such action at its own expense, with counsel chosen by it and reasonably satisfactory to such Registration Statement Indemnified Party. The Registration Statement Indemnified Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be paid by the Registration Statement Indemnified Party unless (i) the Registration Statement Indemnifying Party agrees to pay the same, (ii) the Registration Statement Indemnifying Party fails to assume the defense of such action with counsel reasonably satisfactory to the Registration Statement Indemnified Party or (iii) the named parties to any such action (including any impleaded parties) include both the Registration Statement Indemnifying Party and the Registration Statement Indemnified Party and the Registration Statement Indemnified Party has been advised by such counsel that either (x) representation of such Registration Statement Indemnified Party and the Registration Statement Indemnifying Party by the same counsel would be inappropriate under applicable standards of professional conduct or (y) there may be one or more legal defenses available to the Registration Statement Indemnified Party which are different from or additional to those available to the Registration Statement Indemnifying Party. In any of such cases, the Registration Statement Indemnifying Party shall not have the right to assume the defense of such action on behalf of such Registration Statement Indemnified Party, it being understood, however, that the Registration Statement Indemnifying Party shall not be liable for the fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all Registration Statement Indemnified Parties. No Registration Statement Indemnifying Party shall be liable for any settlement entered into without its written consent. No Registration Statement Indemnifying Party shall, without the consent of such Registration Statement Indemnified Party, effect any settlement of any pending or threatened proceeding in respect of which such Registration Statement Indemnified Party is a party and indemnity has been sought hereunder by such Registration Statement Indemnified Party, unless such settlement includes an unconditional release of such Registration Statement Indemnified Party from all liability for claims that are the subject matter of such proceeding.

12.04 Contribution. If the indemnification provided for in this ARTICLE 12 from the Registration Statement Indemnifying Party is held by a court of competent jurisdiction to be unavailable to an Registration Statement Indemnified Party hereunder in respect of any Liabilities referred to herein, then the Registration Statement Indemnifying Party, in lieu of indemnifying such Registration Statement Indemnified Party, shall contribute to the amount paid or payable by such Registration Statement Indemnified Party as a result of such Liabilities in such proportion as is appropriate to reflect the relative fault of the Registration Statement Indemnifying Party on the one hand and Registration Statement Indemnified Party on the other

in connection with the statements or omissions which resulted in such Liabilities, as well as other relevant equitable considerations. The relative fault of such Registration Statement Indemnifying Party and Registration Statement Indemnified Party shall be determined by reference to, among other things, whether any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such Registration Statement Indemnifying Party or Registration Statement Indemnified Party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the Liabilities referred to above shall be deemed to include, subject to the limitations set forth in Sections 12.01, 12.02 and 12.03, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding; provided, however, that the total amount to be contributed by any Member shall be limited to the net proceeds (after deducting the underwriters' discounts and commissions) received by the Member in the offering.

12.05 Fraud. The parties hereto agree that it would not be just and equitable if contribution pursuant to Section 12.04 were determined by *pro rata* allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

ARTICLE 13. Initial Public Offering.

13.01 Notwithstanding any other provision of the Limited Liability Company Agreement of Horsehead Holding LLC to which this Annex A is attached, in connection with an Initial Public Offering of the Company, all Members shall and shall cause their Affiliates to take all necessary or desirable actions in connection with the consummation of such transaction (i) to, as the Board may reasonably request, (x) convert the Company to a corporate form in a Tax-free transaction (except to the extent of taxable income or gain required to be recognized by a Member in an amount that does not exceed the amount of cash or any property or rights (other than stock) received by such Member upon the consummation of such transaction and/or any concurrent transaction) in which the proportionate equity interests of the Members in the successor are the same as their respective interests in the Company, or (y) accomplish the foregoing by effecting a transaction that is treated as the contribution of the Registrable Securities of the Company into a newly formed "shell" corporation pursuant to Section 351 of the Code, with the result that each Member shall hold capital stock of such surviving corporation or business entity (in each case, the "**Successor Corporation**"), and (ii) to cause the Successor Corporation to assume all of the obligations of the Company under this Annex A.

13.02 The Company and the Board will use their respective best efforts to perform any conversion or restructuring contemplated in this ARTICLE 13 in the most Tax efficient manner for the Members, including any Members that are treated as corporations for Federal Income Tax purposes. Upon the unanimous vote of the Board that such action is necessary to preserve the benefits of "tacking" under Rule 144 of the Securities Act, such conversion or merger may be structured to occur without any action on the part of any Member, and each Member hereby consents in advance to any action that the Board shall deem necessary to accomplish such result.

of an Order (I) Approving the Adequacy of the Debtors' Disclosure Statement, (II) Approving Solicitation and Notice Procedures with Respect to Confirmation of the Debtors' Proposed Joint Plan of Reorganization, (III) Approving the Form of Various Ballots and Notices in Connection Therewith, (IV) Scheduling Certain Dates with Respect Thereto, and (V) Granting Related Relief [Docket No. 828] (the "Disclosure Statement Motion").³ In support of this Reply and in further support of approval of the Disclosure Statement and entry of the Order (as defined in the Disclosure Statement Motion), the Debtors respectfully state as follows.

Preliminary Statement

1. Since filing their April 14 Disclosure Statement, and following substantial, arm's-length and good-faith negotiations among the Debtors, the Ad Hoc Group of Noteholders (the "Ad Hoc Group"), and the Creditors' Committee, the parties have agreed on a framework that will permit these chapter 11 cases to proceed to plan confirmation expeditiously. To this end, the Debtors, the Ad Hoc Group and the Creditors' Committee have memorialized their agreement through a revised Plan and Disclosure Statement, filed contemporaneously herewith. As revised, the Disclosure Statement and related Plan resolves the Creditors' Committees' Objection to the Disclosure Statement.

2. The remaining Objections can be groups into two general categories: (a) first, objections to the adequacy of disclosure contained in the April 14 Disclosure Statement and

the "Objectors"). The Debtors' further specific responses to each are summarized in more detail on Exhibit A, attached hereto (the "Objection Chart"). The Debtors' responses are incorporated to this Reply as though fully set forth herein.

³ On April 14, 2016, the Debtors filed the *Disclosure Statement for the Debtors' Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 605] (the "April 14 Disclosure Statement") and the *Debtors' Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 604] (the "April 14 Plan"). Contemporaneously herewith, the Debtors have filed (a) the *First Amended Disclosure Statement for the Debtors' Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* (the "Amended Disclosure Statement"), and (b) an amended version of *The Debtors' Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* (the "Plan"), which Plan supersedes and replaces the April 14 Plan in its entirety. Capitalized terms used but not defined herein shall have the meanings ascribed to them as set forth in the Disclosure Statement Motion, the Amended Disclosure Statement, or the Plan, as applicable.

requests for additional disclosure; and (b) second, objections raising issues with respect to whether the Court can or should confirm the Plan. These categories are addressed in turn.

3. As an initial matter, however, the question at hand is one of disclosure. Namely, whether the Debtors' proposed Disclosure Statement enables holders of claims and interests entitled to vote on a chapter 11 plan to make an informed decision regarding whether to vote for or against the Debtors' Plan, measured from the perspective of "a hypothetical investor typical of the holders of claims or interests in the case" on a class by class basis. See 11 U.S.C. § 1125(b). The issue is therefore whether the information provided by the Disclosure Statement is "adequate" under this standard.

4. First, and while the Debtors submit that the April 14 Disclosure Statement was "adequate" as required by Section 1125 of the Bankruptcy Code, the Debtors have further revised those disclosures to address formal or informal objections raised by various parties, as reflected in the Amended Disclosure Statement filed contemporaneously herewith.⁴ The Debtors believe that such modifications resolve a significant number of objections raised with respect to the Disclosure Statement, as further detailed on the Objection Chart attached hereto as **Exhibit A**. The Debtors will also continue to work towards consensual resolutions of the remaining Objections prior to the Court's hearing on July 7, 2016. But, as noted above, the applicable standard under section 1125 of the Bankruptcy Code is ultimately one of disclosure. Here, the Amended Disclosure Statement satisfies the requirements of section 1125 of the Bankruptcy Code because it provides adequate information for holders of claims and interests entitled to vote on the Plan to make an informed judgment on whether to accept or reject the Plan.

⁴ Here, it should be noted that the Debtors requested, on multiple occasions, that the Equity Committee propose additional language or modifications to the Disclosure Statement that would resolve their concerns with respect to the Disclosure Statement prior and after to the applicable objection deadline.

5. Second, confirmation-related objections do not preclude approval of the Disclosure Statement here. Questions as to the Debtors' enterprise value, unfair (or fair) discrimination per section 1129(b) of the Bankruptcy Code, and the releases and exculpation provisions contemplated by the Plan are classic confirmation issues that will be addressed in that context. But the remaining objectors do not seriously dispute that such provisions are both identified and disclosed in the Debtors' solicitation materials. Rhetoric aside, the Plan has substantial levels of creditor support from secured and unsecured creditors. The plan sponsors, each identified on Schedule 1 to the Unit Purchase Agreement (collectively, the "Plan Sponsors"), collectively hold approximately 96.6% of the Debtors' 10.50% senior secured notes due 2017, 80.5% of the Debtors' senior notes due 2017, and 16.1% of the Debtors' 3.80% convertible notes due 2017. In total, this group holds approximately \$198.4 million of the Debtors' secured debt and \$48.3 million of unsecured debt. In addition, the Plan now holds the support of the Creditors' Committee.

6. Again, the Plan itself provides full recoveries for Zochem creditors and provides substantial benefits to unsecured creditors as a result of the Secured Noteholders' agreement to waive their deficiency claims⁵ and, most fundamentally, provides for the continuation of the Debtors' business as a going concern (and the preservation of more than 600 employee jobs) through their Plan Sponsors' commitment to equitize their secured debt and to fund more than \$160 million of new capital required to emerge these businesses from chapter 11. The Plan also reflects the realities of the Debtors' business and capital structure—namely, that the Debtors' going concern value ranges from approximately \$280 million to \$300 million, a valuation that is itself predicated on the \$160 million of new capital required to fund these chapter 11 cases.

⁵ See Plan, Art. I ("Secured Notes Claim" means any Claim arising under or related to the Secured Notes, including but not limited to any deficiency Claim arising under or related to the Secured Notes.").

7. Against this balance, the Equity Committee has offered no alternative other than to advocate the piecemeal breakup and sale of the Debtors' businesses in the hope that buyers will "pay enough" to provide for wholly solvent chapter 11 estates and that buyers will simply ignore the +\$100 million cost required re-start the Mooresboro Facility. This is the classic refrain of out-of-the money stakeholders willing to risk everything because they have nothing to lose. But out-of-the money stakeholders may demand such actions; prudent fiduciaries must decline. The Debtors believe the transactions contemplated by the Plan, as discussed in the Disclosure Statement, are in the best interests of their estates and will facilitate prompt reorganization. In any event, the proper time for confirmation-related Objections to be considered is not at the Court's hearing on the Motion.

8. For the reasons set forth herein and in the Motion, and as will be further shown at the Disclosure Statement Hearing, the Debtors respectfully submit that the Disclosure Statement provides adequate information for voting creditors to make an informed judgment to accept or reject the Plan, in satisfaction of section 1125 of the Bankruptcy Code. Accordingly, the Debtors respectfully request that the Court overrule the Objections and enter the Order.

Argument

I. The Disclosure Statement Meets the Applicable Standards for Approval Under Section 1125 of the Bankruptcy Code.

9. Pursuant to section 1125 of the Bankruptcy Code, a plan proponent must provide parties voting on the plan with "adequate information" to make an informed judgment as to the plan. Section 1125 of the Bankruptcy Code defines "adequate information" as:

[I]nformation of a kind, and in sufficient detail, as far as is reasonably practicable in light of the nature and history of the debtor and the condition of the debtor's books and records, including a discussion of the potential material Federal tax consequences of the plan to the debtor, any successor to the debtor, and a hypothetical reasonable investor typical of the holders of claims or interests in the case, that would enable such a hypothetical investor of relevant class to make an

informed judgment about the plan, but adequate information need not include such information about any other possible or proposed plan and in determining whether a disclosure statement provides adequate information, the Court shall consider the complexity of the case, the benefit of additional information to creditors and other parties in interest, and the cost of providing additional information.

11 U.S.C. § 1125(a)(1).

10. In construing section 1125 of the Bankruptcy Code, courts have identified categories of information that generally should be included in a disclosure statement. See In re Phoenix Petroleum, 278 B.R. 385, 393 (Bankr. E.D. Pa. 2006) (citing In re Metrocraft Pub. Servs., Inc., 39 B.R. 567, 568 (N.D. Ga. 1984) and listing categories of information); In re Scioto Valley Mortg. Co., 88 B.R. 168, 170–71 (S.D. Ohio 1988) (listing). Courts also acknowledge that disclosure of all of the information suggested in these cases is not always necessary. See also Oneida Motor Freight, Inc. v. United Jersey Bank (In re Oneida Motor Freight, Inc.), 848 F.2d 414, 417 (3d Cir. 1988) (“From the legislative history of § 1125 we discern that adequate information will be determined by the facts and circumstances of each case.”); Phoenix Petroleum, 278 B.R. at 393 (“[I]t is . . . well understood that certain categories of information which may be necessary in one case may be omitted in another; no one list of categories will apply in every case.”). As demonstrated in the table below and consistent with findings of courts in this and other districts, the Disclosure Statement contains those categories of information necessary for creditors to make an informed decision:

Information Category	Corresponding Disclosure Statement Provisions
Events leading to the filing of a bankruptcy petition	Article IV.D
Description of the Debtors’ available assets and their value	Article IV and Exhibit D
Implementation of the Plan	Article VI
Source of information stated in the Disclosure Statement	Sources of information are cited throughout the Disclosure Statement
Present condition of the Debtors while in Chapter 11	Article V

Information Category	Corresponding Disclosure Statement Provisions
Information regarding claims against the Estates	Article V
Estimated return to creditors under a Chapter 7 liquidation	Article II and Exhibit C
Accounting and valuation methods used to produce financial information in the Disclosure Statement	Exhibit D
Plan summary	Article VI and Exhibit A
Financial information, data, valuations, or projections relevant to the creditors' decision to accept or reject the Plan	Articles II and VIII and Exhibit B
Information relevant to the risks posed to creditors under the Plan	Article VIII
Tax consequences of the Plan	Article X
Relationship of the Debtors and their affiliates	Article IV and Exhibit E

11. As such, the Disclosure Statement provides creditors with “adequate information,” as defined in section 1125(a)(1) of the Bankruptcy Code, to allow creditors to make an informed judgment as to whether or not to accept the Plan, notwithstanding assertions to the contrary in the Objections. Accordingly, the Debtors respectfully request that the Court overrule the Objections and hold that the Disclosure Statement provides adequate information.

II. The Objections Should Be Overruled Because The Debtors Have Addressed the Objections to the Adequacy of Information in the Disclosure Statement.

12. For the reasons below, and as detailed in the chart attached hereto as Exhibit A, the Debtors respectfully submit that they have adequately addressed the Objections insofar as such Objections seek additional disclosures. To the extent that any of the points raised in the Objections are not addressed by specific changes to the Disclosure Statement, the Debtors respectfully submit that the Objections should be overruled because the Disclosure Statement satisfies the requirements of section 1125 of the Bankruptcy Code.⁶ The Debtors have satisfied

⁶ As noted in this Reply, the Debtors have amended the Disclosure Statement to address the issues raised in the Equity Committee Objection. However, the Debtors have been unable to determine if such amendments satisfy the Equity Committee’s request for additional disclosure because the Equity Committee refused to provide proposed language that would address the Committee’s Objection. The

their burden under section 1125 of the Bankruptcy Code because the Disclosure Statement, as amended, provides stakeholders entitled to vote on the Plan with adequate information. As such, the Debtors respectfully submit that the Court should approve the Disclosure Statement and enter the Disclosure Statement Order.

A. Disclosures Regarding Events Leading to the Commencement of the Chapter 11 Cases.

13. The Equity Committee Objection focuses on events prior to the Petition Date, and seeks additional disclosure regarding the events leading up to the Debtors bankruptcy filings. (Equity Committee Obj. ¶¶ 12–13.) In particular, the Equity Committee claims the Disclosure Statement is deficient in terms of identifying the background of the Debtors’ business and claims or causes of action that may arise with respect to the Debtors’ securities disclosures related to their Mooresboro Facility, in particular.

14. Here, the Debtors question the Equity Committee’s standing to challenge the sufficiency of disclosure related to the acceptance or rejection of the Plan. The Debtors are not soliciting acceptances or rejections from equity holders because equity holders are not projected to receive any recovery under the Plan.⁷ Section 1125(c), in turn, specifically contemplates that different levels of disclosure is appropriate for different classes—namely, that a disclosure statement may differ in “amount, detail, or kind of information as between classes.” In this regard, the Bankruptcy Code contemplates that Equity Committee’s objection is simply moot.

15. However, the Debtors have provided substantial additional disclosures of the circumstances leading the Debtors to seek chapter 11 protection, as well as the issues and considerations relevant to their Mooresboro Facility. These modifications are reflected, at

Equity Committee similarly declined to confer with counsel to the Debtors on proposed modifications to the Disclosure Statement.

⁷ See Amended Disclosure Statement Art. II.

length, in the Amended Disclosure Statement. Accordingly, the Objections on this point are moot, and the Court should overrule this Objection.

B. Disclosures Regarding Certain Claims and Causes of Action Asserted by the Parties.

16. The Equity Committee Objection asserts that the Disclosure Statement fails to account for potential claims that, according to the Equity Committee, are assertable by the Debtors' estates regarding alleged misleading statements made by the Debtors' directors and officer before the Petition Date and with respect to potential actions associated with the technical problems plaguing the Debtors' Mooresboro Facility. (Equity Committee Objection ¶¶ 18–22.) In response to this objection, the Debtors have provided additional disclosures regarding such potential causes of action in the Disclosure Statement, including with respect to certain securities suits filed on April 22, 2016 and May 18, 2016—i.e., after the April 14 Disclosure Statement was filed. Accordingly, the Court should overrule this Objection.

C. Disclosures Regarding the Debtors' Enterprise Valuation.

17. The Equity Committee also demands that the Debtors disclose the “discount rate used to convert the Debtors' projections to present value” as a pre-condition of adequate disclosure. (See Equity Comm. Obj. ¶ 15.). Of course, the Equity Committee does not actually explain why its constituents require the “discount rate used to convert the Debtors' projections to present value” in order to evaluate a chapter 11 plan that its constituents are deemed to reject. The Equity Committee does not provide such rationales because there is no such rationale. Challenges regarding the methodology and assumptions underlying the Debtors' enterprise value are, themselves, confirmation issues, and the Debtors will be prepared to make their case on an appropriate record at that time.

D. Disclosures Regarding Indications of Interest Received Prior to the Petition Date.

18. The Equity Committee Objection alleges that the Disclosure Statement lacks sufficient disclosure regarding indications of interests the Debtors received before the commencement of the chapter 11 cases. (Equity Committee Obj. ¶¶ 10–11.) The Debtors have addressed such arguments by including additional disclosures regarding certain non-binding indications of interest received prior to the Petition Date. (See Amended Disclosure Statement Art. IV.D.) Accordingly, the Debtors believe that the Objectors’ disclosure-related arguments have been adequately addressed.

E. Disclosures Regarding the Mooresboro Facility Mortgage.

19. The Equity Committee Objection alleges that the Debtors misled the Court and potential DIP lenders by failing to disclose certain purported deficiencies in the liens securing the Debtors’ Senior Secured Notes to prospective DIP lenders and steps taken before the Petition Date to remedy such defects. (Equity Committee Obj. ¶¶ 26–29.) To the contrary, the Debtors disclosed the circumstances to every proposed DIP lender. In addition, the right to challenge such liens was expressly reserved in both the interim and final DIP Orders submitted to the Court. Thus, the Equity Committee’s objection in this regard is simply without merit.

III. The Plan is Confirmable.

20. A number of the Objections to approval of the Disclosure Statement raise issues related to confirmation of the Plan, which is not a basis for objecting to the Disclosure Statement. A chapter 11 plan is “patently unconfirmable,” and a disclosure statement should not be approved, only when the disclosure statement “describes a plan of reorganization which is so fatally flawed that confirmation is impossible.” In re Cardinal Congregate I, 121 B.R. 760, 764 (Bankr. S.D. Ohio 1990) (emphasis added); see also In re Am. Capital Equip., LLC, 688 F.3d

145, 154 (3d Cir. 2012) (holding “that a bankruptcy court may address the issue of plan confirmation where it is obvious at the disclosure statement stage that a later confirmation hearing would be futile because the plan described by the disclosure statement is patently unconfirmable” (emphasis added)).⁸ For example, in In re Clift Holdings, the court stated:

The basic objection can be distilled [to one] that declares that this Disclosure Statement describes a plan that is patently unconfirmable. I did not find that to be the case at all. This described plan is a confirmable one; however, it does have to meet the strictures of 1129. [These] are confirmation issues. And if they arise before this Court in the context of confirmation, 1129, they shall be heard. But all of the objections that I have heard today are not truly objections to disclosure but may be . . . and only may be, strategic objections that go to the level of confirmation issues, which I don’t have before me. What I do have before me is disclosure under section 1125.

Disclosure Statement Hr’g Tr. 24:2–15, Aug. 18, 2004, In re Clift Holdings LLC, No. 03-41984 (BRL) (Bankr. S.D.N.Y.).

21. The Plan does not contain any incurable defects nor is the proposed Plan Confirmation Schedule “futile.” See Am. Capital, 688 F.3d at 154. Thus, the Court should overrule any arguments raised by the Objections that assert alleged barriers to confirmation of the Plan. Nevertheless, to aid the Court, the Debtors briefly respond to such arguments below and in the Objection Chart.⁹

⁸ Accord In re E. Me. Elec. Coop., Inc., 125 B.R. 329, 333 (Bankr. D. Me. 1991) (“[T]he disclosure statement should be disapproved at the threshold only where the plan it describes displays [sic] fatal facial deficiencies or the stark absence of good faith”); In re Curtis Center Ltd. P’ship, 195 B.R. 631, 638 (Bankr. E.D. Pa. 1996) (agreeing with the proposition that “a disclosure statement should be disapproved where the plan it describes is patently unconfirmable”); In re Copy Crafter Quickprint, Inc., 92 B.R. 973, 980 (Bankr. N.D.N.Y. 1988) (“[C]are must be taken to ensure that the hearing on the disclosure statement does not turn into a confirmation hearing, due process considerations are protected and objections are restricted to those deficits that could not be cured by voting.”); In re Unichem Corp., 72 B.R. 95, 98 (Bankr. N.D. Ill. 1987) (courts should disapprove of the adequacy of a disclosure statement on confirmability grounds “where it is readily apparent that the plan accompanying the disclosure statement could never be legally confirmed”) (emphasis added).

⁹ For the avoidance of doubt, the Debtors reserve the right to respond to any and all objections asserted in connection with confirmation of the Plan.

A. Unfair Discrimination Is a Classic Confirmation Issue.

22. The Wilmington Trust Objection asserts that the Plan is patently unconfirmable because it unfairly discriminates against claimholders within the class of holders of the Debtors' Unsecured Notes because holders who are not Accredited Investors will be limited to recovery of 5% of the Non-Eligible Holder Cash Pool. (See Wilmington Trust Obj. ¶ 11.) The Debtors respectfully submit that this issue is moot given modifications now implanted to their Plan (through which all Unsecured Noteholders will now receive equity, and not rights). Regardless, issues regarding class discrimination are confirmation issues because the requirement that the Plan not unfairly discriminate is found in section 1129(a)(4) of the Bankruptcy Code. As the Debtors will be prepared to establish at their confirmation hearing, the Plan, as proposed, does not unfairly discriminate within classes of claims because claimholders will recover more under the Plan than they would outside of bankruptcy—regardless of whether the applicable class votes to accept or reject the Plan. See, e.g., In re Armstrong World Ind., Inc., 348 B.R. 111, 121 (Bankr. D. Del. 2006) (holding that differing treatment is not unfair where there is a showing that outside of bankruptcy, the claimholders would receive less than the class is receiving under the plan).

Conclusion

23. For the foregoing reasons, the Debtors respectfully submit that the Disclosure Statement should be approved because it clearly satisfies the requirements of section 1125 of the Bankruptcy Code and because the balance of the relief requested by the Disclosure Statement order is fair, appropriate, and in the best interests of their chapter 11 estates. The Debtors respectfully request that the Court overrule the Objections and enter the Disclosure Statement Order.
