To all our creditors,

Recently, R. Nicholls Distributors Inc. unfortunately had to file a Notice of Intention to File a Proposal under the *Bankruptcy and Insolvency Act*.

The protection provided by the filing is required to provide our management team with a structured environment allowing for the restructuring of the corporation in a context that we believe will lead to an improvement in the long-term viability of the company and the protection of stakeholders' interests'.

In the upcoming period, we will work to analyze the various options available to resume our business activities. This restructuring plan will be developed with the help of the Trustee, Richter Advisory Group Inc. In addition, we will continue to communicate with our suppliers and business partners.

Be assured that we will work diligently on to ensure our success and continue our business relationship with you.

Thank you for your understanding throughout this difficult period.

Yours truly,

Pierre Louis Charron, President & CEO
