RESPONSE AND OBJECTION BY SOLANGE BELANGER TO FIRST AMENDED MOTION FOR EXTENSION OF TIME TO FILE PROOF OF CLAIM BY CREDITOR ESTATE OF YVON RICARD AND ALL HEIRS OF THE ESTATE OF YVON RICARD'S WITH INCORPORATED MEMORANDUM OF LAW

Come Now, Solange Belanger, a Class 12 Derailment Wrongful Death Claimant under the Trustee’s Revised First Amended Plan of Liquidation dated July 15, 2015, as Amended on October 8, 2015 (the “Liquidation Plan”)¹, and files this response and objection to the First Amended Motion for Extension of Time to File Proof of Claim by Creditor Estate of Yvon Ricard and All Heirs of the Estate of Yvon Ricard’s and would respectfully show the Court:

BACKGROUND INFORMATION

1. At or about 1:15AM on July 6, 2013, the Debtor’s unattended runaway train entered downtown Lac-Mégantic at a high rate of speed. The tankers pulled by the train derailed and careened into each other, rupturing and spilling over a million gallons of oil into the streets, storm sewers, manholes, basements, businesses, and homes adjacent to the tracks. Soon thereafter, the crude oil ignited and then exploded, incinerating everyone and everything in the immediate area (the “Disaster”).

2. As a result of this disaster, many people lost their lives that day and many were traumatized by what they saw and experienced. As a result, when the current Bankruptcy

¹ See Exhibit A to Order Confirming Trustee’s Revised First Amended Plan of Liquidation dated July 15, 2015; 13-10670, Doc #1801 (exhibits labeled 1801-1 and 1801-2 are excluded).

proceedings were established, each person who suffered injury, was required to file a proof of claim stating what damages each were claiming as a result of what they experienced, be it physical or emotional. The deadline for filing such claims was June 13, 2014. It should be noted that every person on the scene or involved in this tragedy, and who did not individually file a proof of claim or opt out, had a claim filed on his or her behalf through the Canadian class action. (the “Class Action”). On April 14, 2014, the Honourable Justice Dumas issued a Representation Order, which under paragraph [2] “Any member of the Class who does not deliver an Opt-Out Notice in accordance with this Order will be considered one of the ‘Vass Members’ for purposes of this Order.”²

3. On March 31, 2015, a Liquidation Plan was proposed by the bankruptcy trustee. Confirmation hearings were held to discuss the plan and any objections. On October 9, 2015, a Liquidation Plan was confirmed by the Bankruptcy Court to compensate the individuals who had filed claims and/or were participating in the pending class action.

4. On October 13, 2015, the First Amended Motion for Extension of Time to File Proof of Claim by Creditor Estate of Yvon Ricard and All Heirs of the Estate of Yvon Ricard’s was filed. The Wrongful Death Claimants object to this motion and would show that the claimant herein already has a claim on file and that this motion for failure to file a proof of claim is inappropriate.

ARGUMENT

5. In support of its motion, claimant relies of Rule 9006(b)(1) of the Bankruptcy Code³ regarding allegedly missing the claim deadline. This rule as well as the case law permits an

² See Exhibit B, Representation Order of The Honourable Mr. Justice Gaetan Dumas, JSC of the Superior Court of Canada, Province of Quebec, District of Saint-Francois dated April 4, 2014.

³ Under Rule 9006(b)(1), when an act is required or allowed to be done at or within a specified period by these rules or by a notice given thereunder or by order of court, the court for cause shown may at any time in its discretion ... (2) on motion made after the expiration of the specified period permit the act to be done where the failure to act was the result of excusable neglect.

act which claimant has failed to perform due to excusable neglect. In the Supreme Court case of *Pioneer Inv. Serv. V. Brunswick Associates. L.P.*, 507 U.S. 308, 395 (1993), the Court discusses what will be considered “excusable” and concludes that “the determination is at bottom an equitable one, taking account of all relevant circumstances surrounding the party’s omission.” The circumstances enumerated by the Court in *Pioneer* include “the danger of prejudice to the debtor, the length of the delay and its potential impact on judicial proceedings, the reason for the delay, including whether it was within the reasonable control of the movant, and whether the movant acted in good faith.” *Id.*

6. In the instant case, this provision and case law do not apply because claimant actually has a claim on file. Following the tragedy at Lac-Mégantic, a class action lawsuit was filed on behalf of all people who suffered personal injury or property damage. Pursuant to the Order of Judge Dumas in the CCAA, all claimants who did not opt out of representation by class counsel were deemed to be represented by class counsel. The Disaster affected many people, in a wide variety of ways, and the class action presents a vehicle leaving no one without compensation. As the claimant did not opt out of the class action, class counsel filed a claim on his behalf, and the Liquidation Plan provides for payment of his claim as an Allowed Derailment Moral Damage and Person Injury Claim.⁴ are represented. At the time the claim was submitted, Mr. Ricard’s claim would have been based upon his proximity trauma – or the trauma he experienced from being in the zone of danger. In conjunction therewith, the approved Plan provided for payment of Claimant’s claim. Thus, the current motion is not necessary and should be denied.

7. For the purposes of finality, the Plan does not allow for claimants who filed proximity trauma claims, such as the estate and heirs of Yvon Ricard, to file wrongful death claims or to convert a claim from one category to another based upon future events. Specifically, the Plan provides, “Holders of Class 10 claims [Derailment Government Claims] shall be subject to

⁴ MMA Liquidation Plan; 13-10670, Doc #1801, p. 77.

releases and injunctions precluding pursuit of any claim against certain parties in accordance with this plan.”

In the same vein, wrongful death claimants are barred under the plan from filing proximity trauma claims – “each Holder of a Class 12 Claim [Derailment Wrongful Death Claims] shall be enjoined from pursuing any Claim against the Released Parties.” These provisions provide assurance to all participants of the Plan that what was agreed upon and confirmed by the Court on October 9, 2015 is final.

Objections to the overall plan, which included these provisions, were allowed by the Court and addressed by the trustee prior to final confirmation of the Plan. In its Order Confirming the Plan on October 9, 2015, this Court found “the opportunity of any party in interest to object to confirmation of the Plan [to be] adequate and appropriate, in accordance with Bankruptcy Rule 2002(b) and the Disclosure Statement Order, as to all parties to be affected by the Plan.” No objection regarding this claimant was brought to the trustee’s attention, despite the fact that this potential issue came to fruition upon the Claimant’s untimely death in August. If it had, it would have had to be resolved prior to final approval on October 9, 2015.

8. At this time, a plan for settlement is in place for those creditors of this tragedy who timely filed proofs of claim and also for those individuals who did not opt out of the class action. By filing this motion, the estate of Mr. Ricard is essentially objecting to the Plan and requesting an amendment to the Plan. The time for objecting to the Plan has expired and thus the current motion is inappropriate.

9. Lastly, there is no equitable reason to allow an existing claimant who filed within the deadline through the class action and has a pending claim, to now modify the claim on file. The law and rule regarding excusable neglect relates when there is failure to perform an act (file a claim) within a designated time period. Here, there is no basis for excusable neglect, as the estate and heirs of Yvon Ricard have a pending claim through the class action.

CONCLUSION

Wrongful Death Claimants respectfully request that this Court enter an order Denying this First Amended Motion for Extension of Time to File Proof of Claim by Creditor Estate of Yvon Ricard and All Heirs of the Estate of Yvon Ricard's for the reasons set forth above, and Granting Wrongful Death Claimants such other and further relief as the Court deems just and proper.

RESPONSE AND OBJECTION BY SOLANGE BELANGER TO FIRST AMENDED MOTION FOR EXTENSION OF TIME TO FILE PROOF OF CLAIM BY CREDITOR ESTATE OF YVON RICARD AND ALL HEIRS OF THE ESTATE OF YVON RICARD’S WITH INCORPORATED MEMORANDUM OF LAW

Come Now, Solange Belanger, a Class 12 Derailment Wrongful Death Claimant under the Trustee’s Revised First Amended Plan of Liquidation dated July 15, 2015, as Amended on October 8, 2015 (the “Liquidation Plan”)¹, and files this response and objection to the First Amended Motion for Extension of Time to File Proof of Claim by Creditor Estate of Yvon Ricard and All Heirs of the Estate of Yvon Ricard’s and would respectfully show the Court:

BACKGROUND INFORMATION

1. At or about 1:15AM on July 6, 2013, the Debtor’s unattended runaway train entered downtown Lac-Mégantic at a high rate of speed. The tankers pulled by the train derailed and careened into each other, rupturing and spilling over a million gallons of oil into the streets, storm sewers, manholes, basements, businesses, and homes adjacent to the tracks. proceedings were established, each person who suffered injury, was required to file a proof of claim stating what damages each were claiming as a result of what they experienced, be it physical or emotional. The deadline for filing such claims was June 13, 2014. It should be noted that every person on the scene or involved in this tragedy, and who did not individually file a proof of claim or opt out, had a claim filed on his or her behalf through the Canadian class action. (the “Class Action”). On April 14, 2014, the Honourable Justice Dumas issued a Representation Order, which under paragraph [2] “Any member of the Class who does not deliver an Opt-Out Notice in accordance with this Order will be considered one of the ‘Vass Members’ for purposes of this Order.”²

3. On March 31, 2015, a Liquidation Plan was proposed by the bankruptcy trustee. Confirmation hearings were held to discuss the plan and any objections. On October 9, 2015, a Liquidation Plan was confirmed by the Bankruptcy Court to compensate the individuals who had filed claims and/or were participating in the pending class action.

4. On October 13, 2015, the First Amended Motion for Extension of Time to File Proof of Claim by Creditor Estate of Yvon Ricard and All Heirs of the Estate of Yvon Ricard’s was filed. The Wrongful Death Claimants object to this motion and would show that the claimant herein already has a claim on file and that this motion for failure to file a proof of claim is inappropriate.

ARGUMENT

5. In support of its motion, claimant relies of Rule 9006(b)(1) of the Bankruptcy Code³ regarding allegedly missing the claim deadline. This rule as well as the case law permits an

act which claimant has failed to perform due to excusable neglect. In the Supreme Court case of *Pioneer Inv. Serv. V. Brunswick Associates. L.P.*, 507 U.S. 308, 395 (1993), the Court discusses what will be considered “excusable” and concludes that “the determination is at bottom an equitable one, taking account of all relevant circumstances surrounding the party’s omission.” The circumstances enumerated by the Court in *Pioneer* include “the danger of prejudice to the debtor, the length of the delay and its potential impact on judicial proceedings, the reason for the delay, including whether it was within the reasonable control of the movant, and whether the movant acted in good faith.” *Id.*

6. In the instant case, this provision and case law do not apply because claimant actually has a claim on file. Following the tragedy at Lac-Mégantic, a class action lawsuit was filed on behalf of all people who suffered personal injury or property damage. Pursuant to the Order of Judge Dumas in the CCAA, all claimants who did not opt out of representation by class counsel were deemed to be represented by class counsel. The Disaster affected many people, in a wide variety of ways, and the class action presents a vehicle leaving no one without compensation. At the time the claim was submitted, Mr. Ricard’s claim would have been based upon his proximity trauma – or the trauma he experienced from being in the zone of danger. In conjunction therewith, the approved Plan provided for payment of Claimant’s claim. Thus, the current motion is not necessary and should be denied.

7. For the purposes of finality, the Plan does not allow for claimants who filed proximity trauma claims, such as the estate and heirs of Yvon Ricard, to file wrongful death claims or to convert a claim from one category to another based upon future events. Specifically, the Plan provides, “Holders of Class 10 claims [Derailment Government Claims] shall be subject to

⁴ MMA Liquidation Plan; 13-10670, Doc #1801, p. 77.

In the same vein, wrongful death claimants are barred under the plan from filing proximity trauma claims – “each Holder of a Class 12 Claim [Derailment Wrongful Death Claims] shall be enjoined from pursuing any Claim against the Released Parties.” These provisions provide assurance to all participants of the Plan that what was agreed upon and confirmed by the Court on October 9, 2015 is final.

Objections to the overall plan, which included these provisions, were allowed by the Court and addressed by the trustee prior to final confirmation of the Plan. In its Order Confirming the Plan on October 9, 2015, this Court found “the opportunity of any party in interest to object to confirmation of the Plan [to be] adequate and appropriate, in accordance with Bankruptcy Rule 2002(b) and the Disclosure Statement Order, as to all parties to be affected by the Plan.” No objection regarding this claimant was brought to the trustee’s attention, despite the fact that this potential issue came to fruition upon the Claimant’s untimely death in August. If it had, it would have had to be resolved prior to final approval on October 9, 2015.

8. At this time, a plan for settlement is in place for those creditors of this tragedy who timely filed proofs of claim and also for those individuals who did not opt out of the class action. By filing this motion, the estate of Mr. Ricard is essentially objecting to the Plan and requesting an amendment to the Plan. The time for objecting to the Plan has expired and thus the current motion is inappropriate.

9. Lastly, there is no equitable reason to allow an existing claimant who filed within the deadline through the class action and has a pending claim, to now modify the claim on file. The law and rule regarding excusable neglect relates when there is failure to perform an act (file a claim) within a designated time period. Here, there is no basis for excusable neglect, as the estate and heirs of Yvon Ricard have a pending claim through the class action.

CONCLUSION

Class Action Plaintifs – PETITIONERS

REPRESENTATION ORDER

**VU le jugement rendu ce jour sur la requête pour désigner les requérants
du recours collectif à titre de représentants;**

THE COURT:

[1] **GRANTS** the Class Action Petitioners' motion appointing them and their counsel (Daniel Larochelle, Consumer Law Group inc., Rochon Genova LLP and Paliare Roland Rosenberg Rothstein LLP, together, the "Vass Counsel") as representatives in this CCAA Proceeding of the Class Members (as defined in paragraph 2 of this Order) on the terms and conditions set forth in this Order.

[2] **DIRECTS** that any member of the Class who does not wish to be represented by Class Counsel and the Class Action Petitioners may opt-out of such representation by delivering prior to May 30, 2014 written notice of its election to opt-out in the form attached as Appendix "B" hereto (an "Opt-Out Notice") to the Debtor, the Monitor and the Class Action Petitioners by mail, registered mail, courier, facsimile transmission or email to the addresses shown on Appendix "C" hereto. Any member of the Class who does not deliver an Opt-Out Notice in accordance with this Order will be considered one of the "Vass Members" for purposes of this Order.

[3] **DIRECTS** that nothing in this Order affects the obligation of each and every Person with a Claim (including each and every member of the Class, and each and every Class Member) to file a Proof of Claim on an individual basis pursuant to the requirements of the Claims Procedure Order.

[4] **DIRECTS** that, notwithstanding paragraph 3 of this Order and the requirement of each person with a Claim (including each and every member of the Class and each and every Class Member) to file a Proof of Claim on an individual basis pursuant to the requirements of the Claims Procedure Order, the Class Action Petitioners are authorized to file the Proof of Claim referred to, in paragraph 6 of the Claims Procedure Order.

[5] **DIRECTS** that the Class Action Petitioners, or their counsel on their behalf, are authorized to take all steps and to perform all acts necessary or desirable to carry out the terms of this Order on behalf of the Class Members, including, without limitation, by:

- (a) negotiating and approving, on behalf of the Class Members, and binding the Class Members to, any settlements, including the terms of any future court order or Plan, and providing advice to Class Members in respect of same, and for this purpose the Class Action Petitioners shall have access to all individual Proofs of Claims filed by Class Members in the CCAA proceedings;
- (b) dealing, on behalf of the Class Members, with stakeholders in these proceedings, the Monitor, any Court, regulatory body and other government ministry, department or agency,

- (c) assisting Class Members or their representatives with the completion of their individual Proof of Claim pursuant to the Claims Procedure Order; and
- (d) filing the Proof of Claim referred to in paragraph 6 of the Claims Procedure Order, or any other Proof of Claim that may be permitted by further order of the Court.

[6] **DIRECTS** that the reasonable professional fees incurred by Class Counsel on behalf of the Class Action Petitioners, including the costs associated with any legal, accounting or other experts, shall be determined, whether in these proceedings or in the Class Action, in accordance with further order of this Court and/or the Class Action Court, having regard to the usual principles and factors applied to the determination of Class Counsel's fees, including the recovery for Class Members, the risks undertaken, the contribution to the case and any settlements, and any retainer agreements between the Class Action Petitioners and their counsel, provided, however, that during the pendency of the CCAA Proceeding, no order of the Class Action Court shall deprive this Court of jurisdiction to review and consider any such professional costs.

[7] **DIRECTS** that notice of the granting of this Order shall be provided as part of the Newspaper Notice to be issued pursuant to the Claims Procedure Order, in form and substance reasonably satisfactory to the Debtor, the Monitor and the Class Action Petitioners.

[8] **DIRECTS** that nothing in this Order shall prejudice the rights of any party in respect of the Class Action Petitioners' application before the Class Action Court to authorize the bringing of a class action, and shall not have any evidentiary value on such an application or be considered to be either a binding or persuasive decision in respect of the class definition in the Proposed class action Proceedings. In addition, this Order is without Prejudice to the rights of any party to argue that the class definition should be defined differently in the Proposed class action or to argue that the Proposed class action should not be authorized.

[9] **DIRECTS** that the Class Action Petitioners, or their counsel on their behalf, and any other party may apply to this Court for advice and directions in the discharge of the Class Counsel and Class Action Petitioners' powers, responsibilities and duties pursuant to this Order, or for the variation of such powers, responsibilities and duties.

[11] **ORDERS** the provisional execution of this Order notwithstanding appeal.

[12] THE WHOLE without costs.

Re: Notice to Opt-Out of Representation by the Class Action Petitioners In the Matter of Montreal Maine & Atlantic Canada Co. ("MMA")—CCAA (the "CCAA Proceedings")

I, _____, am a Class Member, as defined in the Representation Order of Mr. Justice Dumas J.S.C. dated March 28, 2014 (the "Order") as including:

"All persons and entities residing in, owning or leasing property in, operating a business in, or being employed by a person resident in or a business located in Lac-Mégantic, and/or were physically present in Lac-Mégantic, including their succession, spouse or partner, child, grandchild, parent, grandparent and sibling, who have suffered a loss of any nature or kind relating to or arising directly or indirectly from the train derailment that took place on July 6, 2013 in Lac-Mégantic, or any other group to be determined by the Court, other than the Government of Québec and the City of Lac-Mégantic."

I understand and acknowledge the following:

- 1) that the Representative Petitioners in the Québec Class Action proceeding have sought and obtained an Order from Justice Dumas in the Québec CCAA proceedings authorizing them to act on behalf of all Class Members, including me, in the CCAA proceedings;
- 2) the Representation Order directs that Class Members who do not wish to be represented in the bankruptcy proceedings of MMA in the Québec Superior Court in Sherbrooke, Québec ("CCAA Proceedings") by the Class Action Petitioners may opt out, or exclude themselves from that Order, by delivering this form in accordance with the terms of the Order.
- 3) I further understand that the Class Action Petitioners in the CCAA proceeding are represented by the counsel who are prosecuting the class proceeding on behalf of the Lac-Mégantic residents, and the Class Petitioners are seeking to obtain financial recovery for the Class Members described above through the CCAA proceeding. This financial recovery, if available in the CCAA proceeding, will be made available to the creditors (including Class Members) who will have filed a valid proof of claim before the Claims Bar Date (June 13, 2014).
- 4) in signing and delivering this letter on my own behalf I understand and expressly acknowledge that I am terminating the Class Action Petitioners' representation of me in the CCAA Proceedings;
- 5) further, if I do not deliver a claim in the CCAA Proceedings in accordance with the claims procedure approved by the Québec Court on or before June 13, 2014, then I also recognize that I will be barred from participating in the CCAA Proceedings and I will not receive any part of any monies distributed through the CCAA Proceedings, including, for example, the proceeds of the \$25 million insurance policy held by MMA, or the proceeds of any settlement in the CCAA proceeding with MMA's directors and officers, shareholders, and certain other third parties in connection with the Train Derailment.

WHEREAS, on September 22, 2015, the Trustee filed the *Declaration of D. Jackson Loughhead (XL Companies) in Support of Confirmation of the Trustee's Plan of Liquidation* [D.E. 1726] (the "XL Declaration in Support");

WHEREAS, this Court conducted a hearing on September 24, 2015 (the "Confirmation Hearing") to consider confirmation of the Plan; at the Confirmation Hearing, the parties introduced all testimony to be offered in support of, or in opposition to, confirmation of the Plan by declaration or proffer, the testimonial record was closed, subject to the rights of the parties to assert reserved evidentiary objections, and the Confirmation Hearing was continued to October 5, 2015 (and then subsequently continued to October 9, 2015 at 8:30 a.m. (ET));

WHEREAS, contingent upon entry of this Confirmation Order containing the judgment reduction provisions set forth herein at paragraphs 63 through 70 (and an amendment of the CCAA Approval Order to include substantially identical provisions), CP has agreed to (a) withdraw with prejudice the CP Objection; (b) withdraw with prejudice its motion seeking leave to appeal the CCAA Approval Order; and (c) dismiss with prejudice its appeal of the Chapter 15 Recognition and Enforcement Order;

WHEREAS, the Trustee has resolved all other Objections by provisions in this Confirmation Order set forth below;

WHEREAS, all parties in interest, including, without limitation, CP, have consented to entry of this Confirmation Order as a Final Order, and the Court therefore has constitutional authority under Wellness Intern. Network, Ltd. v. Sharif, 135 S. Ct. 1932 (2015) to enter this Confirmation Order as a Final Order²; notwithstanding such consent, in order to insure that this Confirmation Order will not be subject to any challenges as to any element hereof, under Stern v. Marshall, 131 S. Ct. 2594 (2011) or its progeny, the Court will file this Confirmation Order with the United States District Court for the District of Maine (the "District Court") pursuant to Bankruptcy Rule 9033 as proposed findings of fact and recommended conclusions of law to the extent that any provision or element hereof was entered without constitutional authority and/or is merely within the Court's related-to jurisdiction;

NOW, THEREFORE, based upon the Court's review and consideration of (i) the documents filed in this case, (ii) the record of the Confirmation Hearing (including the statements of counsel in support of confirmation at the Confirmation Hearing and all testimony presented and evidence admitted at the Confirmation Hearing), (iii) the declarations filed in support of confirmation of the Plan, including the Voting Certification, the Certificate of Publication and the Declarations in Support, (iv) the Confirmation Brief, and (v) the entire record of this chapter 11 case (the "Chapter 11 Case") and the Chapter 15 Case; and this Court finding that (a) notice of the Voting Deadline, the Confirmation Objection Deadline, and the

² CP's consent to the entry by this Court of this Confirmation Order as a Final Order shall be without prejudice to CP's positions and rights with respect to this Court's constitutional authority to enter any other final order not inconsistent with this Confirmation Order, including without limitation in the adversary proceeding stylized as *Robert J. Keach v. World Fuel Services, Corp., et al*, No 14-1001 (Bankr. D. Me.). All of CP's and the Trustee's rights with respect to such other orders are fully reserved, except that the entry of the Confirmation Order as a Final Order shall not be the basis for an argument by the Trustee that the Bankruptcy Court has the constitutional authority to enter another type of Order as a Final Order.

Confirmation Hearing and the opportunity of any party in interest to object to confirmation of the Plan were adequate and appropriate, in accordance with Bankruptcy Rule 2002(b) and the Disclosure Statement Order, as to all parties to be affected by the Plan and the transactions contemplated thereby, and (b) the legal and factual bases presented at the Confirmation Hearing and as set forth in this Confirmation Order establish just cause for the relief granted herein; and after due deliberation thereon, and good cause appearing therefor, the Court hereby makes the following findings of fact, conclusions of law, and orders:

FINDINGS OF FACT AND CONCLUSIONS OF LAW³

1. Jurisdiction and Venue. This Court has jurisdiction over this Chapter 11 Case pursuant to 28 U.S.C. §§ 157 and 1334. Confirmation of the Plan is a “core proceeding” pursuant to 28 U.S.C. §§ 157(b)(2)(L) and (O), and this Court has jurisdiction, as well as constitutional authority, to finally determine whether the Plan complies with the applicable provisions of the Bankruptcy Code, to determine whether the Plan should be confirmed and to enter and enforce a final order with respect hereto. Venue of this Chapter 11 Case is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

2. Chapter 11 and Chapter 15 Docket. Judicial notice is hereby taken of the docket of the Chapter 11 Case and Chapter 15 Case maintained by the Clerk of this Court, including, without limitation, all pleadings and other documents filed, all orders entered, and transcripts of, and all evidence and arguments made, proffered, or adduced at, the hearings held before the Court during the pendency of the Chapter 11 Case and the Chapter 15 Case.

³ Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. *See* Fed. R. Bankr. P. 7052.

A. Compliance with the Bankruptcy Rules and Local Rules

3. The Plan complies with the applicable Bankruptcy Rules and Local Rules of the United States Bankruptcy Court for the District of Maine (the “Local Rules”), including, without limitation, Bankruptcy Rules 3016, 3017 and 3018. In particular:

- (a) The Plan is dated and identifies the entity submitting it, thereby satisfying Bankruptcy Rule 3016(a) and Local Rule 3018-1.
- (b) The filing of the Disclosure Statement with the Court satisfies Bankruptcy Rule 3016(b).
- (c) All acts to be enjoined and identification of entities subject to such injunction under the Plan are set forth in specific and conspicuous bold text in the Plan and Disclosure Statement, thereby satisfying Bankruptcy Rule 3016(c).
- (d) The Trustee has given notice of the Confirmation Hearing and the Confirmation Objection Deadline as required by Bankruptcy Rule 3017(d) and Local Rule 3017-3. Such notice, including by publication in several newspapers, including a newspaper of national circulation in both the United States and in Canada, in both French and English, was good and sufficient under the particular circumstances, and no other or further notice is or shall be required. In addition, the opportunity of any party in interest to object to confirmation of the Plan was adequate, fair and reasonable, in accordance with Bankruptcy Rule 2002(b) and the Disclosure Statement Order, as to all parties to be affected by the Plan and the transactions contemplated thereby.
- (e) The Trustee has also provided further notice of the releases and injunctions in the Plan as required by Bankruptcy Rule 3017(f). In addition to posting links providing all parties in interest with access to, among other documents, copies of the Plan, the Disclosure Statement, the Disclosure Statement Order and the Confirmation Hearing Notice on the website maintained by Prime Clerk, Prime Clerk mailed the Voting Solicitation Packages to approximately 7,200 voting parties. It also mailed Non-Voting Solicitation Packages and Notice Solicitation Packages (each including the Confirmation Hearing Notice), as applicable and in accordance with the Disclosure Statement Order, to approximately 1,300 additional non-voting parties who might be subject to the Releases and Injunctions. Further, the Confirmation Hearing Notice was published in several U.S. and Canadian newspapers, in both French and English. Such notice was good and sufficient under the circumstances, and no other and further notice is or shall be required.

- (f) Notice of the Voting Deadline was adequate, fair and reasonable, and the solicitation of votes to accept or reject the Plan satisfies Bankruptcy Rule 3018. The Plan was transmitted to all creditors entitled to vote on the Plan, and sufficient time was prescribed for such creditors to vote to accept or reject the Plan, thereby satisfying the requirements of Bankruptcy Rule 3018.

B. Bankruptcy Code Sections 1129(a)(1)—Compliance of the Plan with Applicable Provisions of the Bankruptcy Code

4. The Trustee has met his burden of demonstrating that the Plan complies with the applicable provisions of the Bankruptcy Code by clear and convincing evidence, thus satisfying the requirements of section 1129(a)(1) thereof.

i. Sections 1122 and 1123(a)(1)—Proper Classification

5. The classification of Claims and Interests under the Plan is proper under the Bankruptcy Code. Pursuant to Bankruptcy Code sections 1122(a) and 1123(a)(1), Article 3 of the Plan provides for the separate classification of Claims and Interests into fifteen (15) Classes, based on differences in the legal nature or priority of such Claims and Interests (other than Administrative Expense Claims, Priority Tax Claims and statutory fees owed to the U.S. Trustee, which are addressed in Article 2 and 12.4 of the Plan and which are not required to be designated as separate Classes pursuant to Bankruptcy Code section 1123(a)(1)). Valid business, factual and legal reasons exist for the separate classification of the various Classes of Claims and Interests created under the Plan and the classifications were not done for any improper purpose. In addition, the creation of such Classes does not unfairly discriminate between or among holders of Claims or Interests.

6. As required by Bankruptcy Code section 1122(a), each Class of Claims and Interests contains only Claims or Interests that are substantially similar to the other Claims or Interests within that Class. Accordingly, the requirements of Bankruptcy Code sections 1122(a) and 1123(a)(1) have been satisfied.

ii. Section 1123(a)(2)—Specification of Unimpaired Classes.

7. Article 3 of the Plan specifies that Claims in Classes 1 through 7 are Unimpaired under the Plan. Accordingly, the requirements of Bankruptcy Code section 1123(a)(2) have been satisfied.

iii. Section 1123(a)(3)—Specification of Treatment of Impaired Classes.

8. Article 3 of the Plan specifies the treatment of each impaired Class under the Plan, including Classes 8 through 15. Accordingly, the requirements of Bankruptcy Code section 1123(a)(3) have been satisfied.

iv. Section 1123(a)(4)—No Discrimination.

9. Pursuant to Bankruptcy Code section 1123(a)(4), Article 3 of the Plan uniformly provides for the same treatment of each Claim or Interest in a particular Class, unless the holder of a particular Claim has agreed to a less favorable treatment with respect to such Claim or Interest. Accordingly, the requirements of Bankruptcy Code section 1123(a)(4) have been satisfied.

v. Section 1123(a)(5)—Adequate Means for Plan Implementation.

10. Pursuant to Bankruptcy Code section 1123(a)(5), Article 5 and various other provisions of the Plan specifically provide in detail adequate and proper means for the Plan's implementation, including, but not limited to: (a) approval of the Settlement Agreements; (b) other sources of consideration for Plan distributions; (c) exhaustion of policies of Insurance Companies that are Contributing Parties; (d) execution of the WD Trust Agreement and funding and administration of the WD Trust; (e) management of the Post-Effective Date Estate; (f) duties and powers of the Estate Representative; (g) cancellation of existing agreements and continued corporate existence; and (h) authorization for certain effectuating transactions. Accordingly, the requirements of Bankruptcy Code section 1123(a)(5) have been satisfied.

vi. Section 1123(a)(6)—Voting Power of Equity Securities.

11. As provided in Article 6.6 of the Plan, the Post-Effective Date Estate's certificate of incorporation and bylaws shall be deemed amended to include a provision prohibiting the issuance of non-voting equity securities, thereby satisfying the requirements of Bankruptcy Code section 1123(a)(6).

vii. Section 1123(a)(7)—Selection of Officers and Directors.

12. Article 6.1(a) of the Plan, regarding the selection of the Estate Representative, is consistent with the interests of creditors and equity security holders and with public policy, thereby satisfying Bankruptcy Code section 1123(a)(7).

viii. Section 1123(b)—Discretionary Contents of the Plan.

13. The Plan contains various provisions that may be construed as discretionary, but are not required for confirmation under the Bankruptcy Code. As set forth below, such discretionary provisions comply with Bankruptcy Code section 1123(b) and are not inconsistent with the applicable provisions of the Bankruptcy Code. Thus, Bankruptcy Code section 1123(b) is satisfied.

(i) Section 1123(b)(1)-(2)—Claims and Executory Contracts

14. Pursuant to Bankruptcy Code sections 1123(b)(1) and 1123(b)(2), Article 3 of the Plan impairs or leaves unimpaired, as the case may be, each Class of Claims and Interests, and Article 8 of the Plan provides for the rejection of the executory contracts and unexpired leases of the Debtor not previously assumed or rejected and not pending assumption pursuant to Bankruptcy Code section 365.

(ii) Section 1123(b)(3)—Settlement, Releases, Exculpation, Injunction, and Preservation of Claims and Causes of Action

15. The Plan implements the Settlement Agreements as approved by this Confirmation Order. The Settlement Agreements are the product of extensive good-faith, arm's-length negotiations among the Trustee, MMA Canada and the Contributing Parties, each of which was represented by counsel. The Trustee has entered into the Settlement Agreements in exchange for fair and reasonable consideration. The Settlement Agreements are (a) within the reasonable range of possible litigation outcomes; (b) fair, equitable and reasonable; and (c) an essential element of the resolution of the Chapter 11 Case and in the best interest of the Debtor's Estate. The Settlement Agreements (i) are within the jurisdiction of the Court under 28 U.S.C. §§ 1334(a) and (b); (ii) are an essential means of implementing the Plan pursuant to Bankruptcy Code section 1123(a)(5) and (b)(3); (iii) are an integral element of the transactions embodied in the Plan; (iv) confer material benefits on, and are in the best interests of, the Debtor, the Debtor's Estate and the Debtor's creditors; and (v) are vital to the overall objectives of the Plan to fully and finally resolve all Derailment-Related Causes of Action and claims among or against the parties in interest in the Chapter 11 Case.

16. The release of Claims described in Article 10 of the Plan constitutes a good-faith compromise and settlement of the matters covered thereby. Such compromises and settlements are made in exchange for the consideration identified in the Settlement Agreements; are in the best interests of the holders of Claims; are fair, equitable, and reasonable; and are integral elements of the Plan. Each of the release, indemnification and exculpation provisions set forth in the Plan (a) is within the jurisdiction of the Court under 28 U.S.C. §§ 1334(a) and (b); (b) is an essential means of implementing the Plan pursuant to section 1123(a)(5) of the Bankruptcy Code; (c) is an integral element of the Settlement Agreements identified in the Plan; (d) confers

material benefits on, and is in the best interest of, the Debtor, the Estate and its creditors; (e) is important to the overall objectives of the Plan to finally resolve all Claims among or against the parties-in-interest in the Chapter 11 Case; and (f) is consistent with sections 105, 1123, 1129 and other applicable provisions of the Bankruptcy Code.

17. The third party releases and injunctions set forth in Article 10 of the Plan are appropriate because: (a) the Debtor and the third-party beneficiaries of the Releases and Injunctions share a unity of interest; (b) the third parties have contributed substantial assets which are to be distributed to holders of Claims under the Plan; (c) the third party releases and injunctions are essential to the Settlement Agreements and the Plan; (d) the creditors who are affected by the third party releases have voted overwhelmingly in favor of the Plan; (e) the Plan provides a mechanism to resolve and make payment towards Claims of the affected creditors through the CCAA Plan and the WD Trust, and the Trustee has provided notice to affected creditors sufficient to provide them with the opportunity adequately to protect their interests; and (f) the facts and circumstances of this Chapter 11 Case sufficiently establish extraordinary circumstances to warrant approval of the third party releases and injunctions.

18. The releases by the Debtor, as set forth in Article 10.5(b)(i) of the Plan, are being provided as part of the Settlement Agreements, which themselves represent a global compromise that is supported by all major constituencies. In addition, the injunctions set forth in Article 10 of the Plan are necessary and appropriate to carry out the provisions of the Bankruptcy Code for purposes of section 105(a) of the Bankruptcy Code.

19. The exculpation provision set forth in Article 10.3 of the Plan shall be revised as follows (changes from the existing Plan language marked in bold italics):

As of the Effective Date, none of (a) the Trustee, (b) *the Creditors' Committee*, (c) the Monitor, (d) MMA Canada, or (e) the members,

representatives, accountants, financial advisors, consultants and attorneys of the entities described in (a) through (d) of this paragraph shall have or incur any liability to any person for any act taken or omission in connection with or related to the Chapter 11 Case, including but not limited to (i) formulating, preparing, disseminating, implementing, confirming, consummating or administrating this Plan (including soliciting acceptances or rejections thereof), (ii) the Disclosure Statement or any contract, release or other agreement or document entered into or any action taken or omitted to be taken in connection with this Plan or the Disclosure Statement, or (iii) any distributions made pursuant to this Plan, except for any acts determined by Final Order to have constituted willful misconduct, bad faith or gross negligence; *provided that in the event that the Creditors' Committee (including each member of the Creditor's Committee solely in such member's capacity, and the Creditor's Committee's counsel and counsel's authorized agents and representatives) violates or breaches the Stipulation and Order Resolving Trustee's Motion for an Order Disbanding the Official Committee of Victims [D.E. 1671], this provision shall be void ab initio with respect to the Creditors' Committee (including each member of the Creditor's Committee in such member's individual capacity, such members' representatives and agents, and the Creditor's Committee's counsel and counsel's authorized agents and representatives).*

As modified, the exculpation provision is appropriate under applicable law because it is part of a Plan proposed in good faith, was vital to the Plan formulation process and is appropriately limited in scope. The exculpation provision, including its carve-out for gross negligence and willful misconduct, is consistent with established practice in this jurisdiction and others.

(iii) Section 1123(b)(4)—Sale of XL Policy Interests to Good Faith Purchasers

20. The XL Settlement Agreement was negotiated and proposed, and has been entered into by the parties to the XL Settlement Agreement, in good faith, from arms-length bargaining positions, and without fraud or collusion. Each party to the XL Settlement Agreement was represented by counsel. The sale consideration to be realized by the Debtor's bankruptcy estate pursuant to the XL Settlement Agreement is fair and reasonable. The XL Companies are good faith purchasers of MMA's and MMA Canada's interests in the XL Policies (the "XL Policy Interests") for value within the meaning of section 363(m) of the Bankruptcy

Code and are entitled to the protection thereof. Neither the Trustee, nor the XL Companies, nor any of their representatives, have engaged in any conduct that would (i) cause or permit the XL Settlement Agreement or the sale of the XL Policy Interests to be avoided under Section 363(n) of the Bankruptcy Code; (ii) cause or permit any amounts, costs, attorneys' fees, expenses or punitive damages to be recovered under Section 363(n) of the Bankruptcy Code; or (iii) prevent the application of Section 363(m) of the Bankruptcy Code.

ix. Section 1172—Contents of Railroad Reorganization Plan

21. The Trustee has sold the assets of the Debtor as a going concern, thus facilitating the continuation of rail service by a third party. To the extent applicable, Bankruptcy Code section 1172(a) is thus satisfied, and no other provisions of section 1172 are applicable.

C. Compliance with the Balance of Bankruptcy Code Section 1129(a)

22. Section 1129(a)(2). The Trustee has complied with the applicable provisions of the Bankruptcy Code, including, without limitation, Bankruptcy Code section 1125, thus satisfying the requirements of Bankruptcy Code section 1129(a)(2). The Trustee and his present and former representatives, advisors, attorneys and agents have fairly, in good faith within the meaning of Bankruptcy Code section 1125(e), and in a manner consistent with the applicable provisions of the Disclosure Statement, the Disclosure Statement Order, the Bankruptcy Code, the Bankruptcy Rules and all other applicable rules, laws and regulations, (a) solicited and tabulated votes on the Plan and (b) participated in the activities described in Bankruptcy Code section 1125, and are therefore entitled to the protections afforded by Bankruptcy Code section 1125(e) and the Releases, exculpation, and Third-Party Injunction provisions set forth in Article 10 of the Plan.

23. Section 1129(a)(3). The Plan, and the compromises and settlements embodied therein, have been proposed in good faith and not by any means forbidden by law, thus satisfying the requirements of Bankruptcy Code section 1129(a)(3).

24. Section 1129(a)(4). Subject to the provisions of Section 5.9 and 6.1 of the Plan, all payments that have been made or are to be made under the Plan or by any person acquiring property under the Plan, for services or for costs and expenses in, or in connection with the Chapter 11 Case, or in connection with the Plan and incident to the Chapter 11 Case, have been approved by, or will be subject to the approval of, the Bankruptcy Court as reasonable, thus satisfying the requirements of Bankruptcy Code section 1129(a)(4).

25. Section 1129(a)(5). The Trustee has made available all necessary information with respect to the identity of any individual proposed to serve, after confirmation of the Plan, as a director, officer, or voting trustee or the successor to the Debtor under the Plan (including, without limitation, the Estate Representative), and the appointment to such office of each individual is consistent with the interests of creditors and equity security holders and with public policy, thereby satisfying the requirements of Bankruptcy Code section 1129(a)(5).

26. Section 1129(a)(6). The Debtor's business does not involve the establishment of rates over which any regulatory commission has jurisdiction or will have jurisdiction after confirmation. Thus, Bankruptcy Code section 1129(a)(6) is inapplicable to the Chapter 11 Case.

27. Section 1129(a)(7). As demonstrated in the Liquidation Analysis, each holder of a Claim or Interest in an impaired Class has accepted the Plan, or will receive or retain under the Plan property having a value, as of the Effective Date, that is not less than the amount that such holder would receive on account of such Claim or Interest if the Debtor were liquidated under chapter 7 of the Bankruptcy Code. The Plan therefore complies with the requirements of

Bankruptcy Code section 1129(a)(7) and the “best interests” test set forth therein, as reflected more fully in the evidence introduced on the record at the Confirmation Hearing.

28. Section 1129(a)(8). Classes 1 through 7 are Unimpaired and thus are conclusively presumed to have accepted the Plan under Bankruptcy Code section 1126(f). Notwithstanding anything in the Plan to the contrary, to the extent that the State of Maine has an Allowed Claim for unpaid pre-petition railroad taxes, such Claim shall constitute a Class 7 Claim.

29. Classes 8 through 13 are each Classes of impaired Claims and have each voted to accept the Plan, with unanimous voting results in each such Class save Class 13, where one creditor (out of sixty-one (61) voting creditors) voted to reject the Plan in the claim amount of \$1.00. The Voting Certification properly and correctly sets forth the tabulation of votes in accordance with the Bankruptcy Code, the Bankruptcy Rules, and the Disclosure Statement Order.

30. Classes 14 and 15 are each impaired and not receiving any property under the Plan and, as such, are presumptively deemed to have rejected the Plan (together, the “Rejecting Classes”). Accordingly, with respect to Classes 14 and 15, the Debtor sought confirmation of the Plan under Bankruptcy Code section 1129(b) rather than Bankruptcy Code section 1129(a)(8). Thus, although Bankruptcy Code section 1129(a)(8) has not been satisfied with respect to the Rejecting Classes, based upon the record before the Bankruptcy Court, the Plan is confirmable because the Plan does not discriminate unfairly and is fair and equitable with respect to the Rejecting Class and thus satisfies Bankruptcy Code section 1129(b) with respect to such Classes.

31. Section 1129(a)(9). The treatment of Administrative Expense Claims satisfies the requirements of Bankruptcy Code section 1129(a)(9)(A). The treatment of Priority Tax Claims

under Article 2 of the Plan satisfies the requirements of Bankruptcy Code 1129(a)(9)(C). There are no Claims of the kind specified in Bankruptcy Code sections 507(a)(2), (5), (6) or (7).

32. Section 1129(a)(10). Class 8 (Derailment Moral Damages and Personal Injury Claims), Class 9 (Derailment Property Damage Claims), Class 10 (Derailment Government Claims), Class 11 (Derailment Property Subrogated Insurance Claims), Class 12 (Derailment Wrongful Death Claims) and Class 13 (General Unsecured Claims) are each impaired and have each voted to accept the Plan, without consideration of any acceptance of the Plan by insiders, thus satisfying the requirements of Bankruptcy Code section 1129(a)(10).

33. Section 1129(a)(11). Confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtor or any successor to the Debtor under the Plan, except as provided in the liquidation provisions of the Plan. The Plan is a plan of liquidation, following a going concern sale of the Debtor's assets earlier in the Chapter 11 Case. Accordingly, the Plan contemplates the liquidation of the Debtor's assets and the winding up of the Debtor's estate by, among other things, making distributions to the WD Trust and the Debtor's creditors. Therefore, because the Plan proposes the liquidation of the Debtor's estate, it is consistent with Bankruptcy Code section 1129(a)(11).

34. Section 1129(a)(12). On the Effective Date, and thereafter as may be required, the Estate Representative shall pay all fees payable pursuant to 28 U.S.C. § 1930, including all quarterly fees pursuant to 28 U.S.C. § 1930 that become due after the Effective Date, thus satisfying the requirements of Bankruptcy Code section 1129(a)(12).

35. Section 1129(a)(13). Section 1129(a)(13) of the Bankruptcy Code requires that a plan of reorganization provide for the continuation, after the effective date, of all retiree benefits at the level established by agreement or by court order pursuant to section 1114 of the

Bankruptcy Code at any time prior to confirmation of the plan, for the duration of the period that the debtor has obligated itself to provide such benefits. Because the Debtor does not have any such “retiree benefits,” section 1129(a)(13) of the Bankruptcy Code is not applicable.

**D. Compliance with Bankruptcy Code Section 1129(b)—
Confirmation of Plan Over Nonacceptance of Impaired Class**

36. To the extent required, the Trustee has met his burden of proving all applicable elements of section 1129(b) of the Bankruptcy Code by clear and convincing evidence.

37. Notwithstanding the fact that the Rejecting Classes are deemed to have voted not to accept the Plan, the Plan may be confirmed pursuant to Bankruptcy Code section 1129(b)(1) because (i) Classes 8 through 13 are all impaired and have voted to accept the Plan, and (ii) the Plan satisfies the requirements of Bankruptcy Code section 1129(b) with respect to Classes 14 and 15. Specifically, (a) each member of Classes 14 and 15 will equally receive no distribution under the Plan, (b) Class 14 is junior to each of Classes 1 through 13, and (c) Class 15 is junior to Class 14. Thus, the Plan necessarily does not unfairly discriminate with respect to Holders in Classes 14 and 15. In addition, Class 15 is the only Class junior to Class 14, and there is no Class junior to Class 15; as such, no Holder of any Claim or Interest junior to Class 14 or 15 will receive any recovery under the Plan. Further, no senior Class is receiving more than full recovery on account of its Claims (including Claims for interest and other contractual rights).

38. As a result, the Plan satisfies the requirements of Bankruptcy Code section 1129(b). Thus, the Plan may be confirmed even though Bankruptcy Code section 1129(a)(8) is not satisfied. Upon the occurrence of the Effective Date, the Plan shall be binding upon the members of, and holders of Interests in, the Rejecting Classes.

E. Other Bankruptcy Code Confirmation Requirements

i. Section 1173—Confirmation of Railroad Reorganization Plan

39. Section 1173(a)(1) requires compliance with all applicable provisions of section 1129. As section 1129 has been satisfied, so too has section 1173(a)(1).

40. For all the same reasons that section 1129(a)(7) has been satisfied, section 1173(a)(2) has been satisfied as well.

41. For all the same reasons that section 1129(a)(11) has been satisfied (or is inapplicable in a liquidation), so too has section 1173(a)(3) been satisfied (or is otherwise inapplicable).

42. Section 1173(a)(4) requires that a plan be consistent with the public interest. The sale of the Debtor's assets early in the chapter 11 case as a going concern to a third party was consistent with the public interest, as it facilitated the continued operation of the railroad.

43. As the Plan is the only plan before the Court, section 1173(b) is inapplicable

ii. Section 1129(c)—Only One Plan

44. Notwithstanding the other chapter 11 plan proposed in the Chapter 11 Case on January 29, 2014 [D.E. 600], for which the Court refused to approve a disclosure statement (and which plan was therefore not prosecuted), the Plan is the only plan confirmed by the Court in the Chapter 11 Case and, accordingly, section 1129(c) is inapplicable to the Plan.

iii. Section 1129(d)—Principal Purpose of the Plan Is Not Avoidance of Taxes

45. No governmental unit has requested that the Bankruptcy Court refuse to confirm the Plan on the grounds that the principal purpose of the Plan is the avoidance of taxes or the avoidance of the application of section 5 of the Securities Act. As evidenced by its terms, the principal purpose of the Plan is not such avoidance. Accordingly, the requirements of Bankruptcy Code section 1129(d) have been satisfied.

F. Conditions to Confirmation and the Effective Date

46. Pursuant to Article 9.1 of the Plan, the conditions precedent to Confirmation, including but not limited to the following, have been satisfied: (a) entry of the CCAA Approval Order and (b) entry of the Chapter 15 Recognition and Enforcement Order.

47. Section 9.3 of the Plan shall be superseded and replaced with the following:⁴

IT IS THEREFORE ORDERED, ADJUDGED, AND DECREED THAT:

A. General Provisions Regarding Confirmation of the Plan and Approval of the Plan Supplement

49. Approval. The Plan, a true and correct copy of which is attached hereto as Exhibit A and incorporated herein by reference, shall be and hereby is confirmed. The documents contained in the Plan Supplement, and any amendments, modifications and supplements thereto, the Settlement Agreements, and all other documents and agreements related thereto (including all exhibits and attachments thereto and documents referred to in such papers), and the execution, delivery and performance thereof by the Trustee and the Estate Representative, are authorized and approved as finalized, executed and delivered. Without further order or authorization of the Bankruptcy Court, the Trustee or the Estate Representative and their successors are authorized and empowered to make all modifications to all documents included as part of the Plan Supplement that are consistent with the Plan. For the avoidance of doubt, the Settlement Agreements may only be modified in accordance with their respective terms.

50. Confirmation Objections. All confirmation objections and responses to the Plan, including but not limited to the Objections, both filed and informal, to the extent not resolved, withdrawn or otherwise addressed by this Confirmation Order or as set forth on the record at the Confirmation Hearing, including any reservations of rights contained therein, are hereby overruled on the merits. All withdrawn objections are deemed withdrawn with prejudice.

51. Findings of Fact and Conclusions of Law. The findings of fact and the conclusions of law stated in this Confirmation Order shall constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to the proceeding by Bankruptcy Rule 9014. To the extent any finding of fact shall be determined to be a conclusion of law, it shall be so deemed, and to the extent any conclusion of law shall be determined to be a finding of fact, it shall be so deemed.

52. Immediate Effect. This Confirmation Order shall be effective immediately upon its entry notwithstanding Fed. R. Bankr. P. 3020(e).

53. Binding Effect. The Plan and its provisions (including the Plan Supplement) shall be binding upon (i) the Debtor; (ii) any entity acquiring or receiving property (including cash) under the Plan; and (iii) any creditor or equity security holder of the Debtor, including, without limitation, any governmental unit, as such term is defined in Bankruptcy Code section 101(27); (iv) any Holder of a Derailment Claim; and (v) any existing or potential defendant named in or relating to any Derailment-Related Cause of Action, including any Non-Settling Defendants, whether or not the Claim or Interest of such creditor or equity security holder is impaired under the Plan and whether or not such creditor, equity security holder or governmental unit has accepted the Plan.

54. Plan Modifications. Subsequent to filing the Plan on July 15, 2015, the Trustee made certain non-material modifications to the Plan (the "Plan Modifications"), which are reflected in this Order. Except as provided for by law, contract or prior order of this Bankruptcy Court, none of the modifications made since the commencement of solicitation adversely affects the treatment of any Claim against or Interest in the Debtor under the Plan. The disclosure of the Plan Modifications on the record at the Confirmation Hearing and through the filing of this

Order as a proposed order constitute due and sufficient notice thereof. Accordingly, pursuant to Bankruptcy Code section 1127(a), Bankruptcy Rule 3019 and Local Rule 3019-1, none of these modifications require additional disclosure under Bankruptcy Code section 1125 or resolicitation of votes under Bankruptcy Code section 1126 (especially in light of previously provided disclosures), nor do they require that holders of Claims or Interests be afforded an opportunity to change previously cast acceptances or rejections of the Plan. The Plan as modified by this Order shall constitute the Plan submitted for Confirmation by the Bankruptcy Court.

55. Deemed Acceptance of Plan as Modified. In accordance with Bankruptcy Code section 1127, Bankruptcy Rule 3019 and Local Rule 3019-1, all holders of Claims who voted to accept the Plan or who are conclusively presumed to have accepted the Plan are deemed to have accepted the Plan as modified by the Plan Modifications. No holder of a Claim shall be permitted to change its vote as a consequence of the Plan Modifications.

56. Authorization. In accordance with the relevant provisions of the Plan, the Trustee, the Estate Representative and the WD Trustee are hereby authorized, without further Order of the Bankruptcy Court, to make all distributions and transfers of property required to be made under the Plan. Except as otherwise expressly provided in Bankruptcy Code Section 1141, the Plan, or this Confirmation Order, confirmation of the Plan shall effect the full and final satisfaction, settlement, release, and discharge as against the Debtor of any and all legal and/or equitable Claims against and Interests in and to the Debtor, including, without limitation, any Claim or Interest that arose before the Confirmation Date, and any debt of a kind specified in Bankruptcy Code sections 502(g), 502(h) or 502(i), whether or not (i) a proof of claim or interest is filed or deemed filed under Bankruptcy Code section 501; (ii) such claim or interest is allowed under Code section 502; or (iii) the holder of such claim or interest has accepted the Plan.

57. Plan Classification Controlling. The terms of the Plan shall govern the classification of Claims and Interests for purposes of the distributions to be made thereunder. The classifications set forth on the ballots tendered to or returned by the holders of Claims or Interests in connection with voting on the Plan pursuant to the Disclosure Statement and Disclosure Statement Order: (a) were set forth on the ballots for purposes of voting to accept or reject the Plan; (b) in no event shall be deemed to modify or otherwise affect, the actual classification of such Claims and Interests under the Plan for distribution purposes; (c) may not be relied upon by any holder of a Claim or Interest as representing the actual classification of such Claim or Interest under the Plan for distribution purposes; and (d) shall not be binding on the Trustee, Estate Representative or WD Trustee except for purposes of voting on the Plan.

58. General Settlement of Claims and Interests. As one element of, and in consideration for, an overall negotiated settlement of numerous disputed Claims and issues embodied in the Plan, pursuant to Bankruptcy Rule 9019 and Bankruptcy Code section 1123 and in consideration for the classification, distributions, Releases and other benefits provided under the Plan, the provisions of the Plan shall, upon Consummation, constitute a good-faith compromise and settlement of all Claims, Interests and controversies resolved pursuant to the Plan. Such compromises and settlements, individually and in the aggregate, are reasonable and constitute proper exercises of the Trustee's business judgment. All distributions made pursuant to the Plan to holders of Allowed Claims and Interests in any Class are intended to be and shall be final.

59. Approval of Settlements. The Settlements Agreements described in Article 5 of the Plan are expressly approved in all respects pursuant to Bankruptcy Rule 9019 as fair, equitable, reasonable and in the best interest of the Debtor's Estate and pursuant to Bankruptcy

Code section 1123(a)(5) and (b)(3), are binding upon all entities affected thereby, and shall be effectuated in accordance with the terms thereof. Such compromises and settlements, individually and in the aggregate, are reasonable and constitute proper exercises of the Trustee's business judgment. The Trustee and the Estate Representative are authorized, without further approval of the Bankruptcy Court or any other party, to execute and deliver all agreements, documents, instruments and certificates relating to such settlements and to perform their obligations thereunder.

B. Releases, Injunctions and Bar Order

60. Item 9 on Exhibit 2 to the Plan shall be revised as follows:⁵

Edward A. Burkhardt, Larry Parsons, Steven J. Lee, Stephen Archer, Robert C. Grindrod, Joseph C. McGonigle, Gaynor Ryan, Donald Gardner, Jr., Fred Yocum, Yves Bourdon and James Howard, **individually and** in their capacity as directors and officers of MMA and MMAC, Montreal, Maine & Atlantic Corporation and/or LMS Acquisition Corporation (the "**D&O Parties**").

61. **Releases**

(a) **Settlement Agreement Releases Supplemented; No Impact on Rights to Object.** Except as expressly provided in sections 10.5, 10.8 or 10.9 of the Plan, nothing in Section 10.5 of the Plan or otherwise in the Plan or this Confirmation Order, shall affect, release or otherwise limit the rights and duties of the parties to the Settlement Agreements to enforce or comply with the provisions of the Settlement Agreements. The rights and duties of the parties under the Settlement Agreements are set forth in and shall be governed by the Settlement Agreements. The following releases shall be in addition to and are intended to supplement any releases included in the Settlement Agreements as between the parties to such Settlement Agreements. In the event of any inconsistency between the Plan or this Confirmation Order and the Settlement Agreement(s), the terms of the Settlement Agreement(s) will apply with respect to the particular parties thereto; *provided, however*, that all Settlement Agreements are subject to Sections 10.5, 10.8 and 10.9 of the Plan. Except as expressly set forth in the Settlement Agreements, nothing in the Plan or the Releases set forth herein or therein shall affect any rights of the Trustee or the Estate Representative to object to the allowance, amount, priority or secured status of the Claims of any party receiving a release under the Plan as provided in sections 502, 503, 506, 507, 509 or 510 of the Bankruptcy Code, including with respect to any right of setoff or recoupment, to the extent such Claims are not released, discharged or satisfied under any Settlement Agreement, under the Plan, or pursuant to this Confirmation Order. Nothing herein

⁵ Changes from the version filed with the Plan are indicated in **bold underline**.

or in the Plan shall affect any limitation contained in any Settlement Agreement with respect to the release granted to any Released Party. Notwithstanding the definition of “Claim” in section 1.36 of the Plan, for the purposes of Article 10 of the Plan, including, without limitation, the Releases and Injunctions, as well as this Section B of this Order (paragraphs 60 through 73), “Claim” or “Claims” means, as the context requires, past, present and future claims, causes of action, obligations, rights, liens, suits, judgments, orders, application of any kind including for judicial review, remedies, interests, actions, liabilities, demands, duties, injuries, compensation, damages, expenses, fees, and/or costs of whatever kind or nature (including attorney’s fees and expenses), whether foreseen or unforeseen, known or unknown, asserted or unasserted, contingent or matured, liquidated or unliquidated, whether in tort, contract, extra-contractual responsibility or otherwise, whether statutory, at common law, civil law, public law or in equity, regardless of the legal theory, including but not limited to claims for breach of contract, tort, breach of the implied covenant of good faith and fair dealing, loss of support, loss of consortium, statutory or regulatory violations, for indemnity or contribution, for any damages either moral, material, bodily injury, punitive, exemplary or extra-contractual damages of any type, in any jurisdiction (i) in any way arising out of, based upon, or relating in any way, in whole or in part, directly or indirectly, whether through a direct claim, cross-claim, third-party claim, warranty claim, recursory claim, subrogation claim, forced intervention, contribution claim, indemnity claim, reimbursement claim, class action or otherwise, (A) to the Derailment, including any claims held or asserted by any Person for wrongful death, personal injury, emotional distress, loss of support, loss of consortium, property damage, economic loss, moral damage, material damage and bodily injury or environmental damage, remediation or exposure or (B) to the XL Policies, including the issuance thereof, coverage, reimbursement, or payment thereunder, and any act or omission of an insurer of any type for which a Holder of a Claim might seek relief in connection therewith, or (ii) that would otherwise constitute a claim as against MMA, MMA Canada or their Estates (A) provable in bankruptcy under the Bankruptcy and Insolvency Act, R.S.C. 1985, c.B-3, had MMA Canada become bankrupt on August 6, 2013 and/or (B) within the definition of “claim” set forth in section 101(5) of the Bankruptcy Code. Without limiting the foregoing, “Claim” or “Claims” for purposes of Article 10 of the Plan includes all Claims in Classes 8, 9, 10, 11 and 12.

(b) **Releases by the Debtor and Estate Representative(s).** *Subject in all respects to the provisions of Sections 9.1 and 9.3 of the Plan and full performance under the applicable Settlement Agreement(s) applicable to the particular Released Parties, on the Effective Date, the Debtor, the Trustee, the Estate Representative(s) and the Estate shall unconditionally release, and hereby are deemed to forever unconditionally release, the Released Parties, including, without limitation, the Released Parties’ respective attorneys and advisors (solely in their respective capacities as such), from any and all Derailment Claims, Causes of Action, and all other Claims (including any Claims assigned by the Other Released Parties to the Trustee, MMA Canada or their designee pursuant to a Settlement Agreement and including any Claims or Causes of Action for contribution, indemnity, reimbursement or seeking the enforcement, attachment, collection, contribution or recovery of or from any judgment, award, decree, or order against any one or more of the Other Released Parties or property of any one or more of the Other Released Parties, or otherwise), debts, obligations, demands, liabilities, suits, judgments, damages, rights, remedies and Post-Confirmation Causes of Action, whatsoever (other than the right to enforce the obligations under the Plan, the Settlement Agreements and the contracts, instruments, releases and other agreements and*

documents delivered thereunder), whether direct or indirect, liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, whenever arising, in law, equity or otherwise, that are based upon, arise from and/or are related to events and/or circumstances that occurred or existed on or prior to the Effective Date relating in any way to the Debtor, the Derailment, the Chapter 11 Case, the Plan, the Disclosure Statement, the Estate, the XL Policies, and the Settlement Agreements; provided, however, and without limiting any provision of the Affiliated Parties Settlement Agreement, including any provision that limits, conditions or affects any release or injunction in favor of the Affiliated Released Parties, this release shall not extend, and shall not be construed as extending, to any Claim brought or that could be brought in the future by the Trustee, the Estate Representative or MMA Canada against any of the Affiliated Released Parties to the extent there is, or may be, coverage for such claims under the Great American Policy, and the assignment of rights under such policies to the Estate, the Trustee or the Estate Representative shall not affect, reduce, discharge or diminish such coverage, or provide a defense to any such insurer, or trigger any exclusion under any such policy, including, without limitation, any insured vs. insured exclusion.

(c) Releases in Favor of the Estate and Estate Representative(s). *Subject in all respects to the provisions of Sections 9.1, 9.3, 10.8 and 10.9 of the Plan, and full performance under the applicable Settlement Agreement(s), and subject to any express limitations and/or obligations contained in each Released Party's respective Settlement Agreement, on the Effective Date, each of the Trustee, the Estate Representative(s), and the Estate shall be forever and unconditionally released from any and all Claims, debts, obligations, demands, liabilities, suits, judgments, damages, rights and causes of action whatsoever by the Released Parties and by all Persons or entities receiving consideration under the Plan (other than the right to enforce the obligations under the Plan, the Settlement Agreements and the contracts, instruments, releases and other agreements and documents delivered thereunder), whether direct or indirect, liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, whenever arising, in law, equity or otherwise, that are based upon, arise from and/or are related to events and/or circumstances that occurred or existed on or prior to the Effective Date, relating in any way to the Debtor, including, without limitation, arising from the Derailment, the Chapter 11 Case, the Plan, the Disclosure Statement, any prepetition act or omission of the Debtor, the Estate, the XL Policies and the Settlement Agreements; provided, however, that this release shall not apply to any Claims arising in the ordinary course of business that are unrelated to the Derailment and that are held by Affiliates of any Contributing Party (unless such Claims are expressly released pursuant to any Settlement Agreement). For the avoidance of doubt, the releases in this section do not extend to any breaches of the Settlement Agreement(s).*

(d) Releases by Affiliated Released Parties. *Subject in all respects to the provisions of Sections 9.1 and 9.3 of the Plan and the Affiliated Parties Settlement Agreement, on the Effective Date, each of the Affiliated Released Parties shall unconditionally release, and hereby are deemed to forever unconditionally release, each of the Debtor, the Estate, the Trustee, the Estate Representative(s), the Creditors' Committee, the Creditors' Committee members, and the Other Released Parties, including, without limitation, the foregoing persons' and entities' respective attorneys and advisors (solely in their respective capacities as such) from any and all Claims (including any Claims or Causes of Action for contribution,*

indemnity, reimbursement or seeking the enforcement, attachment, collection, contribution or recovery of or from any judgment, award, decree, or order against any one or more of the Other Released Parties or property of any one or more of the Other Released Parties, or otherwise), debts, obligations, demands, liabilities, suits, judgments, damages, rights, and causes of action whatsoever, whether direct or indirect, liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, then existing or thereafter arising, in law, equity or otherwise that are based in whole or in part upon any act or omission, transaction, transfer, event, or other occurrence taking place on or prior to the Effective Date in any way relating to the Debtor, the Derailment, the Chapter 11 Case, the Plan, the Disclosure Statement, the Estate, or the negotiation or funding of the Settlement Agreements; provided, however, that this release shall not apply to (A) any Claims or rights, under the Great American Policy, assigned by the Affiliated Released Parties to the Debtor or to the Chapter 11 Trustee pursuant to the Affiliated Parties Settlement Agreement, (B) any right to enforce the obligations under the Plan, the Settlement Agreements, and the contracts, instruments, releases and other agreements and documents delivered thereunder, provided, however, that such assigned Claims or rights will not be asserted against Other Released Parties, or (C) any Claims or rights of any of the Rail World Parties and/or the D&O Parties (as defined in the CCAA Plan) to seek recovery from their insurers, including Hartford and the XL Companies, for any attorneys' fees, expenses or costs incurred prior to the Effective Date.

(e) **Releases in Favor of Affiliated Released Parties.** *Subject in all respects to the provisions of Sections 9.1, 9.3, 10.8 and 10.9 of the Plan and full performance under the Affiliated Parties Settlement Agreement, on the Effective Date, all persons and entities shall unconditionally release, and are hereby deemed to forever unconditionally release, the Affiliated Released Parties, including, without limitation, the foregoing persons' and entities' respective attorneys and advisors (solely in their respective capacities as such), from any and all Derailment Claims, Causes of Action, and all other Claims, debts, obligations, demands, liabilities, suits, judgments, damages, rights, remedies and causes of action whatsoever, whether direct or indirect, liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, whenever arising, in law, equity or otherwise, that are based upon, arise from and/or are related to events and/or circumstances that occurred or existed on or prior to the Effective Date relating in any way to the Derailment, the Debtor, the Chapter 11 Case, the Plan, the Disclosure Statement, the Estate, and the negotiation or funding of the Settlement Agreements; provided, however, and without limiting any provision of the Affiliated Parties Settlement Agreement, including any provision that limits, conditions or affects any release or injunction in favor of the Affiliated Released Parties, this release shall not extend, and shall not be construed as extending to, any Claim brought or that could be brought in the future by the Trustee, the Estate Representative, MMA Canada or the Holders of Derailment Wrongful Death Claims (as applicable pursuant to the Affiliated Parties Settlement Agreement) against any of the Affiliated Released Parties (or certain of them, as applicable) to the extent there is, or may be, coverage for such claims under the Great American Policy, but only to the extent such coverage is actually provided and without any obligation on the part of the Rail World Parties or the D&O Parties to make any payment or contribution to supplement what is actually obtained from the Great American Policy, and the assignment of rights under such policy to the Estate, the Trustee or the Estate Representative shall not affect, reduce, discharge or diminish such coverage, or provide a defense to any such*

insurer, or trigger any exclusion under any such policy, including, without limitation, any insured vs. insured exclusion; provided further, however, that any right or recovery by Holders of Derailment Wrongful Death Claims pursuant to the action authorized by this subparagraph shall be, in all respects, subordinate to the claims of the Trustee and MMA Canada in the Great American Policy.

(f) **Releases by Other Released Parties.** *Subject in all respects to the provisions of Sections 9.1, 9.3, 10.5(b)(ii), 10.8 and 10.9 of the Plan and full performance under the Settlement Agreement(s) applicable to the particular Released Parties, on the Effective Date, each Other Released Party and all other Released Parties shall unconditionally release, and hereby are deemed to forever unconditionally release, each of the Debtor, the Estate, the Trustee, the Estate Representative(s), the Creditors' Committee, the Creditors' Committee members, the Affiliated Released Parties, each other Other Released Party, and the foregoing Persons' and entities' respective attorneys and advisors (solely in their respective capacities as such) from any and all Derailment Claims and all other Claims (including any Claims or Causes of Action for contribution, indemnity, warranty, forced intervention, or seeking the enforcement, attachment, collection, contribution, indemnity, reimbursement or recovery of or from any judgment, award, decree, or order against any one or more of the Other Released Parties or property of any one or more of the Other Released Parties, or otherwise), debts, obligations, demands, liabilities, suits, judgments, damages, rights, remedies and causes of action whatsoever, whether direct or indirect, liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, whenever arising, in law, equity or otherwise, that are based upon, arise from and/or are related to events and/or circumstances that occurred or existed on or prior to the Effective Date, relating in any way to the Derailment, the Debtor, the Chapter 11 Case, the Plan, the Disclosure Statement, the Estate, and the Settlement Agreements, including, without limitation, the Trustee's or the Trustee's counsel's negotiation of the Settlement Agreements or the funding of the Settlement Agreements; provided, however, that this release shall not apply to any Claims of Canada against MMA Canada, nor shall it apply to any Claims assigned by the Other Released Parties to the Trustee, MMA Canada or their designee pursuant to a Settlement Agreement (other than any Claims against any Other Released Parties), nor shall it apply to the right to enforce the rights and obligations under the Plan, the Settlement Agreements, and the contracts, instruments, releases and other agreements and documents delivered thereunder in their favor nor shall it apply or be construed as applying to any Claims or claims or other rights to the extent preserved by any of the Other Released Parties in their respective Settlement Agreement(s) (other than any Claims against any Other Released Parties), provided further, however, that notwithstanding anything to the contrary in the Plan, this release shall not apply to any claims or Claims that the Irving Parties (as defined in their Settlement Agreement) have or may have against one or more of their insurers; provided, further, however, that this release shall not apply to any Claims arising in the ordinary course of business that are unrelated to the Derailment and that are held by Affiliates of any of the Contributing Parties. For the avoidance of doubt, the releases in this section do not extend to any breaches of the Settlement Agreement(s).*

(g) **Releases in Favor of Other Released Parties.** *Subject in all respects to the provisions of Sections 9.1, 9.3, 10.8 and 10.9 of the Plan and full performance under the Settlement Agreement(s) applicable to the particular Other Released Parties, on the Effective*

Date, all Persons and entities shall unconditionally release, and hereby are deemed to forever unconditionally release each of the Other Released Parties, including without limitation, the Other Released Parties' respective attorneys and advisors (solely in their respective capacities as such), from any and all Derailment Claims, Causes of Action, and all other Claims (including any claims or Causes of Action for contribution, indemnity, warranty, forced intervention, or seeking the enforcement, attachment, collection, contribution, reimbursement or recovery of or from any judgment, award, decree, or order against any one or more of the Other Released Parties or property of any one or more of the Other Released Parties, or otherwise), debts, obligations, demands, liabilities, suits, judgments, damages, rights (including any right of setoff, subrogation, contribution, indemnity, reimbursement or recoupment of any kind), remedies and causes of action whatsoever, whether direct or indirect, liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, whenever arising, in law, equity or otherwise that are based upon, arise from and /or are related to events and/or circumstances that occurred or existed on or prior to the Effective Date, relating in any way to the Derailment, the Debtor, the Chapter 11 Case, the Plan, the Disclosure Statement, the Estate, and the Settlement Agreements, including, without limitation, the Released Parties and the Released Parties' counsel's negotiation of the Settlement Agreements or the funding of the Settlement Agreements; provided, however, that this release shall not in any way limit the right of the Estate Representative to enforce the rights and obligations under the Plan, the Settlement Agreements, and the contracts, instruments, releases and other agreements and documents delivered thereunder in the Estate's favor nor shall it apply or be construed as applying to any Claims or other rights to the extent preserved by any of the Other Released Parties in their respective Settlement Agreement(s) (other than any Claims against any Other Released Parties, including, without limitation, Canada), provided further, however, that notwithstanding anything to the contrary in the Plan, this release shall not apply to any claims or Claims that the Irving Parties (as defined in their Settlement Agreement) have or may have against any one or more of their insurers. For the avoidance of doubt, and notwithstanding anything in the Plan to the contrary, the releases in this section do not extend to any breaches of the Settlement Agreement(s).

62. **Injunctions.**

(a) **No Impact on the Rights of the Parties to the Settlement Agreements.** Nothing in Section 10.6 of the Plan or otherwise in the Plan or this Confirmation Order shall affect, release or otherwise limit the rights and duties of the parties to the Settlement Agreements to enforce or comply with the provisions of their respective Settlement Agreements. The rights and duties of the parties under the Settlement Agreements are set forth in and shall be governed by the Settlement Agreements; provided, however, that no Settlement Agreement may restrain or limit the effect or scope of the releases set forth in Section 10.5 of the Plan as to any Released Party without the express written consent of such Released Party.

(b) **Injunction in Favor of the Debtor and Estate Representative(s).** Except as to the rights, claims or Claims created or expressly preserved by the Plan, the CCAA Plan, the Settlement Agreements, and this Confirmation Order, upon the Effective Date, the Debtor, the Trustee, and the Estate Representative(s) shall have and be entitled to

an injunction forever barring and enjoining all Persons and/or entities from asserting against the Debtor any past, present and future rights, interests, obligations, claims, causes of action, damages (including punitive damages), demands (including demands for contribution, indemnity or otherwise), liabilities, expenses, fees (including, but not limited to, attorneys' fees, expert fees, consulting fees and other professional fees) and costs of any kind or any type whatsoever, whether known or unknown, whether foreseen or unforeseen, whether direct or indirect, contingent or actual, whether liquidated or unliquidated, whether statutory or common law, whether asserted or unasserted and whether based on contract, negligence, bad faith, willful, wanton or malicious conduct, or any other theory in law or equity concerning, arising from or relating to any actual or alleged past, present or future act, omission, defect, incident, event or circumstance from the beginning of the world to the Effective Date, in any way relating to or in connection with (A) the Debtor, (B) the Derailment or (C) the Estate, the Chapter 11 Case, the Plan, the Disclosure Statement, the Settlement Agreements and/or the XL Policies, except with regard to any claims and rights expressly reserved pursuant to Sections 10.3 and 10.5 of the Plan.

(c) **Injunction in Favor of Affiliated Released Parties.** Except as to the rights, claims or Claims created or expressly preserved by the Plan, the CCAA Plan, the Affiliated Parties Settlement Agreement, and this Confirmation Order, upon the Effective Date, all Persons and entities, including, without limitation, all Holders of Derailment Claims, Non-Settling Defendants, and other Persons, shall be, and are hereby deemed to be, permanently barred, enjoined, and restrained from commencing, prosecuting, continuing or asserting against the Affiliated Released Parties any and all Derailment Claims, Causes of Action and all other Claims, including, without limitation, any and all past, present and future rights, interests, obligations, damages (including punitive damages), demands (including demands for contribution, indemnity, reimbursement or otherwise), liabilities, expenses, fees (including, but not limited to, attorneys' fees, expert fees, consulting fees and other professional fees) and costs of any kind or any type whatsoever, whether known or unknown, whether foreseen or unforeseen, whether contingent or actual, whether direct or indirect, liquidated or unliquidated, whether statutory or common law, whether asserted or unasserted and whether based on tort, contract, negligence, bad faith, willful, wanton or malicious conduct, or any other theory in law or equity concerning, arising from or relating to any actual or alleged past, present or future act, omission, defect, incident, event or circumstance from the beginning of the world to the Effective Date, in any way relating to or in connection with (A) the Debtor; (B) the Derailment, (C) the Estate, (D) the Chapter 11 Case, (E) the Plan, (F) the Disclosure Statement, (G) the Settlement Agreements and/or (H) the XL Policies, provided, however, and without limiting any provision of the Affiliated Parties Settlement Agreement, including any provision that limits, conditions or affects any release or injunction in favor of the Affiliated Released Parties, this injunction shall not extend, and shall not be construed as extending to, any Claim brought or that could be brought in the future by the Trustee, the Estate Representative, MMA Canada or the Holders of Derailment Wrongful Death Claims (as applicable pursuant to the Affiliated Parties Settlement Agreement) against the Affiliated Released Parties (or certain of them, as applicable) to the extent there is, or may be, coverage for such claims under the Great American Policy, but only to the extent such coverage is actually provided and without any obligation on the part of the Rail World Parties or the D&O Parties to make any payment or contribution to supplement what is actually obtained from the Great American Policy,

and the assignment of rights under such policy to the Estate, the Trustee or the Estate Representative shall not affect, reduce, discharge or diminish such coverage or provide a defense to any such insurer, or trigger any exclusion under any such policy, including, without limitation, any insured vs. insured exclusion; provided further, however, that any right or recovery by Holders of Derailment Wrongful Death Claims pursuant to the action authorized by this subparagraph shall be, in all respects, subordinate to the claims of the Trustee and MMA Canada in the Great American Policy.

(d) **Injunction in Favor of the Other Released Parties.** Except as to the rights and claims created or expressly preserved by the Plan, the CCAA Plan, the Settlement Agreements (provided that there are no preserved claims (or Claims) against Other Released Parties except as provided for in Exhibit 2 to the Plan), and this Confirmation Order, upon the Effective Date, all Persons and entities, including, without limitation, all Holders of Derailment Claims, Released Parties and Persons other than Released Parties shall be, and are hereby deemed to be, permanently barred, enjoined, and restrained from commencing, pursuing, prosecuting, continuing or asserting against the Other Released Parties any and all Derailment Claims, Causes of Action and all other Claims, including, without limitation, Claims or Causes of Action for any and all past, present and future rights (including any right of setoff, subrogation, contribution, indemnity, reimbursement or recoupment of any kind), interests (including creating, perfecting or enforcing any encumbrance of any kind against any one or more of the Other Released Parties), obligations, damages (including actual and/or punitive damages), demands (including any Claims or Causes of Action for contribution, indemnity, reimbursement, warranty, forced intervention, or seeking the enforcement, attachment, collection, contribution or recovery of or from any judgment, award, decree, or order against any one or more of the Other Released Parties or property of any one or more of the Other Released Parties, or otherwise), liabilities, expenses, fees (including, but not limited to, attorneys' fees, expert fees, consulting fees and other professional fees), and costs of any kind or any type whatsoever, whether known or unknown, whether foreseen or unforeseen, whether contingent or actual, whether direct or indirect, liquidated or unliquidated, whether statutory or common law, whether asserted or unasserted and whether based on tort, contract, negligence, warranty, bad faith, willful, wanton or malicious conduct, or any other theory in law or equity concerning, arising from or relating to any actual or alleged past, present or future act, omission, defect, incident, event or circumstance, including, without limitation, all Claims released pursuant to Section 10.5 of the Plan, whenever arising, that are based upon, arise from and/or are related to events and/or circumstances that occurred or existed on or prior to the Effective Date in any way relating to or in connection with (A) the Debtor; (B) the Derailment, (C) the Estate, (D) the Chapter 11 Case, (E) the Plan, (F) the Disclosure Statement, (G) the Settlement Agreements and/or (H) the XL Policies (as to which, in the event of an inconsistency with the Plan, the XL Settlement Agreement will govern).

63. **Barred Persons and Barred Claims.** Without limiting the Releases and Injunctions set forth above, all (i) Non-Settling Defendants; (ii) Released Parties; (iii) Persons who have voted for or against the Plan or who are presumed to have voted for or against the Plan

under section 1126(f)-(g) of the Bankruptcy Code; and (iv) any other Persons that hold, have held or may hold a Claim (including a Derailment Claim) or Cause of Action, including, without limitation, Canadian Pacific Railway Company and any parent, affiliate or subsidiary thereof (collectively, the “Barred Persons”), are hereby permanently barred, enjoined and restrained from commencing, continuing, prosecuting, or asserting in this Court, in any federal or state court, or in any other court, arbitration proceeding, administrative agency, or other forum in the United States or elsewhere (each such venue, a “Trial Court”), any Claim (including a Derailment Claim) or Cause of Action against any of the Released Parties, including, without limitation, any personal injury, property damage, wrongful death, indemnity, contribution, reimbursement or subrogation claim, whether based upon a contract or otherwise, against any Released Party (including, without limitation, any claim against the Released Parties, whether or not denominated as for indemnity, contribution, reimbursement, or subrogation) arising out of or related in any way to the Derailment or to the claims released pursuant to the Releases, whether arising under state, federal or foreign law as claims, cross-claims, counterclaims, or third-party claims (collectively, the “Barred Claims”). This Order is without prejudice to the position of any party as to the existence, in the absence of this Order, of any Barred Claim.⁶

64. In the event that any Person asserts any Claim (including any Derailment Claim), Cause of Action, or any other claim, obligation, suit, judgment, damage, debt, right, remedy, cause of action, avoidance power or right, liability of any nature whatsoever, or legal or equitable remedy against any Person arising from or related to the Derailment, regardless of whether such claim, cause of action, right, or legal or equitable remedy may be asserted pursuant to the Bankruptcy Code or any other applicable law or contract, including, without limitation, any

⁶ Notwithstanding anything to the contrary in this paragraph or this Order, neither this paragraph nor this Order shall apply to any claims or Claims that the Irving Parties (as defined in their Settlement Agreement) have or may have against any one or more of their insurers.

claim for personal injury, property damage, wrongful death, indemnity (including contractual indemnity), contribution, reimbursement or subrogation relating in any way to the Derailment (collectively, the “Derailment-Related Causes of Action”) and which results in a determination by a Trial Court (including, without limitation, by a jury impaneled by such Trial Court) that a Barred Person who is a Non-Settling Defendant is liable in damages (the “Initial Damages Determination”) to a Person, including, without limitation, a Holder of a Derailment Claim, asserting a Derailment-Related Cause of Action against such Non-Settling Defendant (a “Plaintiff”), then, prior to final entry of any judgment, order or arbitration award with respect to such Initial Damages Determination in such Derailment-Related Cause of Action, the Plaintiff shall provide notice and a copy of this Order to the Trial Court. In such case, for purposes of the Contribution/Indemnity Credit described below, such Trial Court (including, without limitation, a jury impaneled by such Trial Court) shall determine whether the Derailment-Related Cause of Action gives rise to Barred Claims on which any Released Party would have been liable to the Barred Persons in the absence of this Order. Notwithstanding any finding referred to in section 10.7 of the Plan, the Trial Court, prior to final entry or final award of any verdict, judgment, order or arbitration award (the “Judgment”), shall determine any such Judgment against such Barred Person by reducing the Initial Damages Determination by an amount equal to the “Judgment Reduction Amount,” which shall equal the greatest of:

- (a) The “Settlement Credit,” which shall be an available alternative regardless of whether the Trial Court determines that there is any liability on the part of any Released Parties and shall mean the Distribution received or to be received by such Plaintiff pursuant to the Plan or the CCAA Plan, including by way of payment by the WD Trust (the “Distribution”); *provided, however*, that the Settlement Credit shall be limited to the amount of the Distribution received or to be received by the Plaintiff with respect to the type of Derailment Claim asserted by Plaintiff against the Barred Person, so that, for example, the Barred Person shall not receive a

Settlement Credit for Distributions received by Plaintiff for a personal injury claim if the claim against the Barred Person is for property damage;

- (b) The “Insurance Credit,” which shall mean the amount of coverage, if any, the Trial Court determines would have been recoverable to such Barred Person under any insurance policies owned by the Debtor or MMA Canada on account of such Plaintiff’s Claim or Cause of Action but for the operation of the Order; or
- (c) The “Contribution/Indemnity Credit,” which shall mean, in the event the Trial Court determines that the Barred Person could establish a valid indemnity or contribution claim against a Released Party but for the operation of this Order, an amount equal to the value, as determined by the Trial Court, of all contribution or indemnification claims (whether equitable or contractual), if any, that the Trial Court determines such Barred Person would be entitled to as against one or more Released Parties but for operation of the Order, which shall be equal to the aggregate proportionate shares of liability, if any, of the Released Parties, plus the contractual indemnification for which the Barred Person would, in the absence of this Order, be entitled to recover, as determined by the Trial Court at the time of entry of any judgment against any Barred Person, *provided however*, that any Contribution/Indemnity Credit with respect to the Debtor and/or MMA Canada, shall be allocated among the Plaintiff, the Barred Person and/or Released Parties other than the Debtor and/or MMA Canada determined to be liable, in whole or in part, by the Trial Court, such allocation (a) to the extent the Trial Court is located in the United States, shall be in accordance with the holding in, and methodology adopted by, Austin v. Raymark Indus., 841 F.2d 1184 (1st Cir. 1988) (“Austin”); or (b) to the extent the Trial Court is in Canada, shall be in accordance with applicable provincial law (*provided, however*, that such reference to Austin and/or such provincial law shall govern only with respect to the allocation of the proportionate liability of the Debtor and/or MMA Canada, and shall have no effect on the scope of the Contribution/Indemnity Credit (including, without limitation, that it extends to claims for contractual indemnity, if any). Without limiting the foregoing, if a Barred Person holds both contribution and indemnity claims against the same Released Party, the value of such claims shall not be combined to determine the amount of the Contribution/Indemnity Credit unless such Barred Person could simultaneously recover, in the absence of this Order, under both such contribution and indemnity claims as a matter of law. Notwithstanding the foregoing, nothing in this provision is intended to dictate the procedure in the Trial Court for determination of the Judgment Reduction Amount pursuant to and consistent with this provision, *provided, however*, in cases tried in the United States, the trial judge (or equivalent arbitrator, tribunal or panel) shall in the first instance determine the allocation of the proportionate liability of the Debtor and/or MMA Canada in accordance with Austin.

65. For the avoidance of doubt, and notwithstanding anything to the contrary, nothing in paragraphs 63 and 64 shall in any way modify or affect the Releases and/or Injunctions in favor the Released Parties as set forth in paragraphs 61 and 62 of this Order, and nothing set forth herein shall be interpreted as providing that any Released Parties have any liability to any Person for any Claims (including Derailment Claims) or Causes of Action. Furthermore, after this Order becomes a Final Order, the Trustee is ordered to use his best efforts to ensure that any Claims (including Derailment Claims) or Causes of Action against any Released Parties are promptly dismissed with prejudice.

66. Nothing herein shall prejudice or operate to preclude the right of any Non-Settling Defendant to (a) provide notice of this Order to any Trial Court hearing a Derailment-Related Cause of Action at any point, (b) raise any issues, claims or defenses regarding the Judgment Reduction Amount, including, without limitation, the contractual liability and/or relative or comparative fault of any Person, including any Released Party, in any court or tribunal hearing any Derailment-Related Cause of Action in accordance with applicable law or procedure; or (c) take discovery of Released Parties in accordance with applicable law or procedure; *provided, however*, that nothing herein shall in any way modify or affect the Releases or Injunctions in favor of the Released Parties as set forth in paragraphs 61 and 62 of this Order. For the avoidance of doubt, nothing herein shall (x) be deemed to entitle a Plaintiff to more than a single satisfaction with respect to any Derailment-Related Cause of Action or (y) prejudice or operate to preclude the rights of any Barred Person to assert any claims or causes of action that have not been released, enjoined, or discharged under the Plan or this Order.

67. The judgment reduction and related provision in paragraphs 63 and 64 are the bases upon which CP has agreed to withdraw, with prejudice, its objections to the Plan and to

dismiss, with prejudice, its appeal of the Chapter 15 Recognition and Enforcement Order entered by this Court on August 26, 2015, as well as to withdraw, with prejudice, its pleading seeking leave to appeal the CCAA Approval Order. Accordingly, to the extent there is any inconsistency between the judgment reduction and related provisions of paragraphs 63 and 64, on the one hand, and the Plan or other provisions of this Confirmation Order, on the other, paragraphs 63 and 64 shall govern as to judgment reduction; *provided further* that nothing in this paragraph 67 shall be deemed or construed to limit, modify or affect the Releases or Injunctions.

68. If any Plaintiff enters into a settlement with any Person with respect to one or more causes of action based upon, arising from, or related to the Barred Claims or any transaction underlying any Barred Claim, then such Plaintiff shall cause to be included, and in all events, the settlement shall be deemed to include, a dismissal, release and waiver of any Barred Claims with respect to such settlement.

69. Each Plaintiff is hereby enjoined and restrained from seeking relief or collecting judgments against any Non-Settling Defendant in any manner that fails to conform to the terms of this Order, including, without limitation, the Judgment Reduction Amount provision set forth at paragraph 64 herein.

70. This Court shall retain jurisdiction with respect to all matters concerning this Order, including, without limitation, hearing a petition for relief by a Barred Person or any other party in interest in the event that a court or tribunal hearing the Derailment-Related Cause of Action fails to apply the judgment reduction provisions of this Order. However, to the extent that any of the Released Parties have made or make any oral or written submissions in support of this Order, those Released Parties shall not be considered to have submitted to personal jurisdiction in this Court based upon such submissions.

71. Terms of Pre-Plan Injunction and Stays. Unless otherwise provided in the Plan, this Confirmation Order or a separate order of the Bankruptcy Court, all injunctions or stays arising under or entered during the Chapter 11 Case under section 105 or 362 of the Bankruptcy Code, entered in the Transferred WD Cases, or otherwise arising under applicable law in any court order and in existence on the Confirmation Date, shall remain in full force and effect until the later of the Effective Date and the date indicated in such applicable order, *provided, however*, that to the extent against any remaining defendant that is not a Released Party as of the Effective Date, the Trustee will cooperate with the plaintiffs in the Transferred WD Cases in seeking a transfer of such cases to the forum selected by such plaintiffs, and will cooperate in seeking from the District Court, in the order transferring such cases, a finding that the Settlement Agreements and transactions with the Released Parties approved and implemented pursuant to the Plan were entered into in good faith pursuant to and in accordance with 740 ILCS 100/2(c).

72. Canadian Criminal Charges and Related Claims of Canada. Notwithstanding anything to the contrary in the Plan, this Confirmation Order or in any Settlement Agreement:

- (a) Nothing in the Plan shall release or provide an injunction to the benefit of any Person for fraud or criminal and quasi-criminal charges filed or that may be filed by Canada and, for greater certainty, for any fine or penalty arising from any such charges;
- (b) Nothing in the Plan shall bind or in any way limit the Director of Public Prosecutions of Canada acting pursuant to the Act respecting the Office of the Director of Public Prosecutions, S.C. 2006, c.9 § 121, as has been or may be amended or superseded;
- (c) Except for the terms and conditions of the Settlement Agreement entered into by Canada, no Settlement Agreement shall be binding upon Canada; and
- (d) Except with respect to entry of this Confirmation Order as may be entered with the assent of Canada, nothing in the Plan shall be construed as a waiver by Canada of sovereign immunity or as an attornment by Canada to any court of any jurisdiction outside Canada.

73. Claims of the United States of America.

- (a) Notwithstanding any provision in the Plan or this Confirmation Order, as to the United States of America, its agencies, departments or agents (collectively, the “United States”), nothing in the Plan or this Confirmation Order shall discharge, release, or otherwise preclude: (1) any liability of the Debtor to the United States arising on or after the Effective Date; (2) any liability of the Debtor to the United States that is not a “claim” within the meaning of section 101(5) of the Bankruptcy Code; (3) any valid defense of setoff against the Debtor or right of recoupment from the Debtor held by the United States with respect to a Claim; or (4) the United States from, subsequent to the Confirmation Date, pursuing any police or regulatory action against the Debtor. As to the United States, nothing in the Plan or this Confirmation Order shall limit or expand the scope of the discharge granted to the Debtor pursuant to section 1141(d) of the Bankruptcy Code.
- (b) Further, as for Derailment Claims, if any, held by the United States, nothing in either this Confirmation Order or the Plan shall exculpate or release any Person for criminal charges brought by the United States, nor shall anything in this Confirmation Order or Plan enjoin the United States from bringing any claim, suit, action or other proceeding against any such Person for such charges under such criminal laws. Moreover, nothing in either this Confirmation Order or the Plan shall exculpate or release any Person from liability to the United States unrelated to the Derailment, nor shall anything in this Confirmation Order or Plan enjoin the United States from bringing any claim, suit, action or other proceeding against any Person for such liability unrelated to the Derailment.

C. Matters Relating to Implementation of the Plan

74. Release of Liens. Except as otherwise expressly provided in Bankruptcy Code section 1141, the Plan, or this Confirmation Order, all Claims of creditors against the Debtor whose Claims have attached to, or are secured by, property in which the Debtor has an interest are hereby discharged, and such claims are satisfied in full and forever released and discharged.

75. Vesting of Assets. Except as otherwise expressly provided in the Plan or this Confirmation Order, all property of the Debtor’s Estate shall, as of the Effective Date, revert in the Post-Effective Date Estate free and clear of all interests, liens, claims and encumbrances of any kind and nature whatsoever.

76. Exhaustion of Insurance Policies.

- (a) On the Effective Date, and upon full payment and performance under the XL Settlement Agreement, the XL Policies shall be deemed completely exhausted and any and all of the XL Companies' obligations under the XL Policies shall be, and are deemed to be, extinguished.
- (b) On the Effective Date, and upon full performance under the relevant Settlement Agreements (and subject to any exceptions contained in such Settlement Agreements), the policy of any Insurance Company that is a Contributing Party shall be deemed completely exhausted, and any and all of the Insurance Company's obligations under such policy shall be, and are deemed to be, extinguished.

77. The WD Trust. As of the Effective Date, the WD Trust shall be established pursuant to Article 5 of the Plan for the primary purpose of implementing the Plan on behalf of, and for the benefit of, the WD Trust Beneficiaries, and to serve as a mechanism for liquidating the WD Trust Assets in an expeditious but orderly manner for the benefit of WD Trust Beneficiaries and holders of Allowed Class 12 Claims, with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purposes of the WD Trust. The WD Trust is organized and established as a trust pursuant to which the WD Trustee, subject to the terms and conditions contained herein and in the Plan, is to hold the WD Trust Assets and dispose of the same in accordance with the WD Trust Agreement and the Plan in accordance with Treasury Regulation section 301.7701-4(d). The WD Trust Agreement attached hereto is approved in its entirety. In accordance with the Plan, the Trustee, in consultation with U.S. counsel to Holders of Derailment Wrongful Death Claims, has chosen Joe R. Whatley, Jr. to serve as the WD Trustee. The WD Trustee shall be bonded in such amount as the Trustee or the U.S. Trustee shall reasonably request or, in the event of a dispute, as set by the Court. The Trustee, with the consent of MMA Canada and the Monitor, shall designate the WD Trust to be the assignee of claims arising under the Carmack Amendment and assigned to the designee of the Trustee, MMA Canada and the Monitor under

the Settlement Agreements (the “Assigned Carmack Claims”) upon the following conditions: (a) the WD Trustee shall retain Trustee’s counsel to prosecute the Assigned Carmack Claims on terms and conditions reasonably satisfactory to the WD Trustee, given such counsel’s knowledge of, and existing due diligence with respect to, such Assigned Carmack Claims; (b) settlement of the Assigned Carmack Claims shall require the consent of the Trustee and/or Estate Representative, the Monitor and MMA Canada, which consent shall not be unreasonably withheld; and (c) after full payment of any then-unpaid (i) Allowed Secured Claims, if any, where the Lien attaches to the proceeds of Assigned Carmack Claims; (ii) fees incurred in the prosecution or administration of the Assigned Carmack Claims; (iii) Administrative Expense Claims or claims for professional fees in the CCAA Case, and (iv) Allowed Priority Claims, including, without limitation, 1171(b) Claims (other than Derailment Claims), the remaining proceeds of the Assigned Carmack Claims shall be distributed to Holders of Derailment Claims in Classes 8-12 in the manner, and subject to the allocation and distribution procedures, provided in the Plan and the CCAA Plan.

78. Quasi-Judicial Immunity. The Estate Representative and the WD Trustee are entitled to quasi-judicial immunity to the fullest extent allowed by law in connection with their implementation of this Confirmation Order, the Plan, the WD Trust Agreement, and the Wrongful Death Claims Resolution Procedures.

79. Section 1146 Exemption from Certain Taxes and Fees. Pursuant to Bankruptcy Code section 1146(a), the issuance, transfer or exchange of a security, or the execution, delivery or recording of an instrument of transfer under the Plan, or authorized thereby, may not be taxed under any law imposing deed stamps, a stamp tax, a recording tax, a transfer tax, an intangible tax or similar tax. To effectuate Bankruptcy Code section 1146(a), each recorder of deeds or

similar official for any county, city or governmental unit in which instruments of transfer of the property are to be recorded shall, pursuant to this Confirmation Order, be ordered and directed to accept such instruments for recording and promptly to record such instruments or deeds without payment of any documentary stamp tax, deed stamps, stamp tax, recording tax, transfer tax, intangible tax or similar tax.

80. Preservation of Causes of Action. Except as may be otherwise provided in the Plan, the Post-Effective Date Debtor shall retain all Causes of Action, which shall vest in the Post-Effective Date Debtor on the Effective Date.

D. Matters Related to Executory Contracts and Unexpired Leases

81. Rejection of Executory Contracts. All executory contracts and unexpired leases that exist between the Debtor and any Person, *except for the WD Trust Agreement, the Settlement Agreements (including the insurance policy rights and contractual rights, if any, assigned to the Trustee, MMA Canada and/or their designee pursuant thereto) and insurance policies related to, or insurance agreements entered into by the Debtor prior to the Petition Date (including, without limitation, any D&O Insurance Policies)*, shall be deemed rejected by the Debtor as of immediately prior to the Effective Date, except for any executory contract or unexpired lease (i) that has been assumed and assigned or rejected pursuant to an order of the Bankruptcy Court entered prior to the Effective Date, (ii) as to which a motion for approval of the assumption or assignment of such executory contract or unexpired lease has been filed and served prior to the Confirmation Date, or (iii) is otherwise provided for under Sections 8.2 or 8.3 of the Plan.

- (a) Such rejection shall be deemed to constitute a breach of such contract or lease as of the date immediately before the Petition Date.
- (b) If an executory contract or unexpired lease is rejected pursuant to this Confirmation Order, then any Claim arising from or as a result of such

rejection must be filed with the Bankruptcy Court within thirty (30) days after notice of the Effective Date. Nothing contained in this Confirmation Order shall constitute a determination that any such rejection gives rise to, or results in, a Claim or constitutes a waiver of any objections to such Claim by the Debtor or any party in interest.

82. Insurance Policies and Agreements. Except as set forth in the Settlement Agreements, Section 5.2 of the Plan, or this Confirmation Order, insurance policies issued to, or insurance agreements entered into by, the Debtor prior to the Petition Date (including, without limitation, any D&O Insurance Policies covering directors' or officers' conduct) shall continue in effect after the Effective Date. To the extent that such insurance policies or agreements (including, without limitation, any policies covering directors' or officers' conduct) are considered to be executory contracts, then, notwithstanding anything to the contrary in the Plan, the Plan shall constitute a motion to assume or ratify such insurance policies and agreements, and, subject to the occurrence of the Effective Date, entry of this Confirmation Order constitutes (a) approval of the Debtor's assumption of such insurance policies and agreements pursuant to section 365(a) of the Bankruptcy Code as of the Effective Date and (b) a finding that each such assumption is in the best interests of the Debtor and its Estate. Unless otherwise determined by this Court pursuant to a Final Order or agreed to by the parties thereto prior to the Effective Date, no payments shall be required to cure any defaults of the Debtor existing as of the Confirmation Date with respect to each such insurance policy or agreement. To the extent that this Court determines otherwise as to any such insurance policy or agreement, the Trustee reserves the right to seek the rejection of such insurance policy or agreement or other available relief.

E. Sale of XL Policy Interests to XL Companies Protected Under 11 U.S.C. §363(m)

83. The sale of the XL Policy Interests contemplated by the XL Settlement Agreement to the XL Companies free and clear of all interests, is undertaken by the XL

Companies in good faith, as that term is used in section 363(m) of the Bankruptcy Code. Accordingly, the reversal or modification on appeal of the authorization to consummate the sale of the XL Policy Interests contemplated by the XL Settlement Agreement shall not affect the validity of the sale of the XL Policy Interests to the XL Companies, unless such authorization is duly stayed pending such appeal. The XL Companies are purchasers in good faith of the Policy Interests and shall be entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

F. Resolution of Certain Objections to Confirmation

84. In resolution of the Wheeling Objection: (a) nothing in this Order, the Releases and Injunctions or the Settlement Agreements shall limit or affect Wheeling's ability to contend, and the Trustee's ability to contest, that Wheeling's security interest, if any, attaches to the Settlement Payments (whether as original collateral, proceeds, products or otherwise); and (b) in the event the Bankruptcy Court has not determined, prior to the Initial Distribution Date, the amount of the Allowed Secured Claim of Wheeling as of such date, and including, without limitation, whether any portion of the Settlement Payments constitutes collateral of Wheeling as of such date, the Trustee shall set aside, and not distribute pending further order of the Bankruptcy Court, \$5,032,134.12 to secure any payment, to the extent required, with respect to such Allowed Secured Claim, when and if determined; provided, however, that the Trustee shall not be required to set aside under this provision any amount with respect to any potential claim of Wheeling under section 502(h) of the Bankruptcy Code ("Section 502(h) Claim"); provided further that in the event the Court determines: (a) that Wheeling would have a Section 502(h) Claim upon payment of any transfer avoidable by the Trustee and/or any amount recoverable by the Trustee under section 550 of the Bankruptcy Code (the "Preference Amount") if paid by Wheeling; and (b) that such Wheeling 502(h) Claim would be secured by a security interest in

Settlement Payments (and that Wheeling has an unavoidable security interest in such Settlement Payments), the Trustee shall waive payment of the Preference Amount.

85. In resolution of the MN/NB Objection, any 1171(b) Claims of the MN/NB Railroads shall be paid in full, in Cash, on the later of the Initial Distribution date or thirty (30) days after the date such Claims become Allowed Claims. In the event the Bankruptcy Court has not determined, prior to the Initial Distribution Date, the existence of and/or the amount of any Allowed 1171(b) Claims of the MN/NB Railroads, if any, as of such date, the Trustee shall set aside, and not distribute pending further order of the Bankruptcy Court making such determination, \$2,139,063.56 to secure any payment, to the extent required, with respect to such Allowed 1171(b) Claims, when and if determined.

G. Retention of Jurisdiction and Miscellaneous Matters

86. Professional Compensation. All Persons seeking an award of compensation for services rendered or reimbursement of expenses incurred through and including the Effective Date under sections 326, 328, 330, and 331 of the Bankruptcy Code or filing applications for allowance of Administrative Expense Claims arising under section 503(b)(2), 503(b)(3), 503(b)(4), or 503(b)(5) of the Bankruptcy Code (collectively, "Professional Compensation") shall (a) file their respective final applications for allowance of compensation for services rendered and reimbursement of expenses incurred by the date that is ninety (90) days after the Effective Date, and (b) be paid in full, in Cash, by the Trustee or Disbursing Agent, as applicable, such amounts as are allowed by the Bankruptcy Court (i) within thirty (30) days after the date on which the order relating to any such Administrative Expense Claim is entered or (ii) upon such other terms as may be mutually agreed upon between the Holder of such Administrative Expense Claim and the Trustee or Disbursing Agent, as applicable.

87. Retention of Jurisdiction. Pursuant to sections 105(a) and 1142 of the Bankruptcy Code and notwithstanding entry of this Confirmation Order and the occurrence of the Effective Date, this Court shall and shall be deemed to retain exclusive jurisdiction over all matters arising out of, and related to, the Chapter 11 Case and this Confirmation Order after the Effective Date, including, without limitation, for all of the purposes set forth in Article 11 of the Plan; *provided, however,* that the Court's retention of jurisdiction as set forth herein and in Article 11 of the Plan shall be subject to the limitation that such jurisdiction shall not exceed the lawful jurisdiction of the Court pursuant to 28 U.S.C. § 1334 and 28 U.S.C. § 157.

88. Creditor's Committee. The Creditors' Committee shall continue in existence following entry of this Order until the Effective Date. Upon the Effective Date, the Creditors' Committee shall be terminated and shall cease to exist, except with respect to any appeals pending on the Effective Date and all issue related to Professional Compensation. Nothing herein shall limit the right of professionals retained by the Creditors' Committee or members of the Creditors' Committee to seek compensation or reimbursement for services rendered or expenses incurred prior to the Effective Date.

89. Order Governs. In the event of any conflict between the provisions of this Order and the provisions of the Plan, the provisions of this Order shall prevail and take precedence over the provisions of the Plan.

90. References to Plan Provisions. The failure specifically to include or to refer to any particular article, section or provision of the Plan, Plan Supplement or any related document in this Confirmation Order shall not diminish or impair the effectiveness of such article, section or provision, it being the intent of the Bankruptcy Court that the Plan and any related documents be confirmed and approved in their entirety.

91. Nonseverability of Plan Provisions Upon Confirmation. Each term and provision of the Plan, and the transactions related thereto as it heretofore may have been altered or interpreted by the Bankruptcy Court is: (a) valid and enforceable pursuant to its terms; (b) integral to the Plan and the transactions related thereto and may not be deleted or modified except by the Trustee, who reserves the right to modify the Plan pursuant to Article 12 of the Plan; and (c) nonseverable and mutually dependent.

92. Final Order and Appeals. This Confirmation Order is a final order, and the time period by which any party in interest wishing to appeal entry of this Confirmation Order shall run from the date of the entry of this Confirmation Order.

SETTLEMENT AGREEMENTS; THE WD TRUST

5.1. Settlement Agreements.

To the extent any Settlement Agreements have not been previously approved by the Bankruptcy Court, the entry of the Confirmation Order shall constitute approval of such Settlement Agreements by the Bankruptcy Court and the Bankruptcy Court's finding that, to the extent required under the applicable provisions of the Bankruptcy Code and Bankruptcy Rules, the Settlement Agreements are in the best interests of the Debtor, the Estate and all Holders of Claims in the Chapter 11 Case, are fair, equitable and reasonable, and have been entered into in good faith by all parties thereto. Upon the occurrence of the conditions to effectiveness set forth in each of the Settlement Agreements, the Settlement Agreements shall be binding and

enforceable against the parties to the Settlement Agreements in accordance with their terms. However, nothing in the Plan or the Confirmation Order shall preclude a Released Party from exercising its rights to terminate a Settlement Agreement as provided for under such Settlement Agreement. To the extent not previously approved by the Bankruptcy Court, copies of the Settlement Agreements will be included in the Plan Supplement, although filed under seal (except for the XL Settlement Agreement attached hereto), and the provisions thereof are incorporated into this Plan, as if the same were fully set forth herein; *provided, however* that the terms of the Settlement Agreements are subject to Sections 10.8 and 10.9 of the Plan, and no Settlement Agreement may provide for a release in favor of MMA Canada as to any Claims of Canada, to the extent provided in the CCAA Plan. In accordance with the terms of any applicable Settlement Agreement(s), any and all otherwise applicable statutes of limitations or repose or other time-related limitations relating to the Released Parties and the Released Parties' Claims (as defined therein) shall be deemed to have been tolled for statute of limitations purposes during the period from the Execution Date (as defined therein) to the Plan Implementation Date (as defined therein) or the date that such Settlement Agreement becomes null and void pursuant to the Settlement Agreement.

(b) On the Effective Date, and upon full performance under the relevant Settlement Agreements (and subject to any exceptions contained in such Settlement Agreements), the policy of any Insurance Company that is a Contributing Party shall be deemed completely exhausted and any and all of the Insurance Company's obligations under such policy shall be, and are deemed to be, extinguished.

5.3. Execution of WD Trust Agreement.

On or before the Effective Date, the Trustee or Estate Representative, on behalf of the Debtor, and the WD Trustee, on behalf of the WD Trust Beneficiaries and Holders of Allowed Class 12 Claims, shall execute the WD Trust Agreement, and shall perform all other necessary steps to establish the WD Trust.

5.4. Purpose of WD Trust.

The WD Trust shall be established for the sole purpose of implementing this Plan on behalf of, and for the benefit of, WD Trust Beneficiaries and Holders of Allowed Class 12 Claims, and to serve as a mechanism for liquidating, converting to Cash and distributing the WD Trust Assets for the benefit of WD Trust Beneficiaries and Holders of Allowed Class 12 Claims, with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purposes of the WD Trust. The WD Trust is organized and established as a trust pursuant to which the WD Trustee, subject to the terms and conditions contained in the WD Trust Agreement and in this Plan, is to hold the WD

Trust Assets and dispose of the same in accordance with the WD Trust Agreement and this Plan in accordance with Treasury Regulation section 301.7701-4(d).

5.5. *Assets of the WD Trust.*

As soon as practicable after the Effective Date, the Monitor shall pay to the Trustee (or the Estate Representative), or at the instruction of the Trustee (or the Estate Representative) shall pay directly to the WD Trust, the Initial WD Trust Assets and any Additional WD Trust Assets or other funds designated for distribution to Holders of Class 12 Claims and held by the Monitor. The WD Trust shall consist of (a) the Initial WD Trust Assets, which the Estate Representative shall deliver, transfer assign or cause to be delivered, transferred or assigned, as applicable, to the WD Trust, (b) the Additional WD Trust Assets, which, following the Confirmation Date and as soon after receipt as is reasonably practicable, the Estate Representative shall deliver or cause to be delivered to the WD Trust, and (c) any additional assets disbursed to the WD Trust in accordance with this Plan, including from the liquidation or monetization of Settlement Non-Cash Assets. All Assets held by the WD Trust shall constitute the proceeds of Claims for compensatory damages only, paid to the WD Trust Beneficiaries pursuant to the judgment and/or order of a court of competent jurisdiction.

5.6. *Governance of the WD Trust.*

The WD Trust will be administered by the WD Trustee. The initial WD Trustee shall be selected by the Trustee, after consultation with U.S. counsel to the Holders of Derailment Wrongful Death Claims. Subsequent appointments of WD Trustee(s) shall be made in accordance with the provisions of the WD Trust Agreement and this Plan. Decisions with respect to all matters relating to the WD Trust shall be made by the WD Trustee, subject to the terms of the WD Trust Agreement. The WD Trust Agreement shall govern the removal of any WD Trustee and appointment of any successor WD Trustee. The WD Trust Agreement specifies that the WD Trustee shall be a resident of the United States. The WD Trustee shall be bonded in such amount as the Trustee or the U.S. Trustee shall reasonably request or, in the event of a dispute, as set by the Bankruptcy Court.

5.7. *Role of the WD Trustee.*

In furtherance of, and consistent with the purpose of, the WD Trust and this Plan, the WD Trustee shall, subject to the terms of this Plan and the WD Trust Agreement, (a) have the power and authority to hold, manage, sell and distribute the WD Trust Assets as set forth herein and in the WD Trust Agreement, (b) have the power and authority to hold, manage, sell and distribute Cash obtained through the exercise of its power and authority (c) have the exclusive power and authority to object to the allowance of, seek the disallowance of or compromise any Class 12 Claim, and (d) have the power and authority to perform such other functions as are provided in the WD Trust Agreement. The WD Trustee shall be responsible for all decisions and duties with respect to the WD Trust and the WD Trust Assets, subject to the terms of this Plan and the WD Trust Agreement. Subject to the provisions of the WD Trust Agreement, in all circumstances, the WD Trustee shall act in furtherance of the purpose of the WD Trust, and shall use commercially reasonable efforts to dispose of the WD Trust Assets and to make timely distributions and not unduly prolong the duration of the WD Trust. In this respect, the WD

Trustee shall make distributions strictly in accordance with the Wrongful Death Claim Resolution Procedures unless permitted by a Final Order of the Bankruptcy Court or the District Court (in accordance with section 5.14 of this Plan), to deviate therefrom.

5.8. *Investments.*

Investments of all assets, including monies, held in the WD Trust shall be administered, subject to the limitations and provisions set forth in this Section 5.8, in view of the manner in which individuals of ordinary prudence, discretion and judgment would act in the management of their own affairs, and with the understanding that it is intended that distributions from the WD Trust to WD Trust Beneficiaries, which will have the effect of liquidating and terminating the WD Trust, will commence immediately upon or soon after the Effective Date of the Plan and will be completed soon thereafter. The WD Trustee shall invest and reinvest the principal and income of the WD Trust and keep the funds of the WD Trust invested in interest-bearing accounts at an approved depository institution to be selected from the U.S. Trustee's List of Authorized Depositories for Bankruptcy Cases filed in Region One, dated May 18, 2015. Each account shall be treated as a single fund without distinction between principal and income. For purposes of this paragraph, "interest-bearing account" may include a money fund whose objectives are current income consistent with liquidity and low risk, the maintenance of a portfolio of high quality, short-term money market instruments, and maintenance of a constant \$1.00 net asset value per share, to the extent the WD Trustee determines that such fund is consistent with provisions for investment set forth in Internal Revenue Service Revenue Procedure 94-45 or any successor guidance issued by the Internal Revenue Service. All investments shall be made so as to at all times provide sufficient liquidity to meet the anticipated cash needs of the WD Trust as set forth herein. In investing, reinvesting, exchanging, selling and managing the WD Trust accounts, the WD Trustee shall discharge its duties with respect to said accounts solely in the interest of the accomplishment of the purposes and objectives of the WD Trust. Notwithstanding the foregoing, the WD Trustee shall make continuing efforts to make timely distributions and not unduly prolong the duration of the WD Trust, consistent with the limitations set forth in Internal Revenue Service Revenue Procedure 94-45 or any applicable successor authority.

5.9. *Fees, Costs and Expenses of the WD Trust.*

(a) The WD Trust shall pay from the WD Trust Assets (i) all WD Trust Expenses; (ii) any tax liability imposed on the WD Trust; (iii) all obligations or other liabilities incurred or assumed by the WD Trust (including but not limited to any reserves established by the WD Trust); (iv) all expenses reasonably necessary to meet contingent liabilities and to maintain the value of the WD Trust Assets during liquidation; and (v) all expenses reasonably necessary to satisfy any other obligations of the WD Trust set forth in this Plan, the Confirmation Order or the WD Trust Agreement.

(b) The WD Trustee shall be entitled to reasonable compensation in an amount consistent with that of similar functionaries in similar types of proceedings, and shall be reimbursed from the WD Trust Assets for his or her reasonable expenses, including travel expenses, reasonably required and incurred in the performance of his or her duties, in each case subject to the terms and provisions of this Plan and the WD Trust Agreement.

(c) The WD Trustee may retain such law firms or attorneys, experts, advisors, consultants, investigators, appraisers, auctioneers, corporate management services, or other persons or professional firms as the WD Trustee determines, in his or her sole discretion, are necessary, desirable or appropriate to aid in the performance of his or her duties, without the need for further order or notice. The WD Trustee may pay or appropriate funds from the WD Trust Assets necessary to pay the professionals for services rendered and expenses incurred after the Effective Date without any need for filing fee applications under the Bankruptcy Code or approval of any court, subject to the provisions of section 5.10 below.

5.10. Distribution of the WD Trust Assets.

(a) The WD Trustee shall distribute the proceeds of the WD Trust Assets strictly in accordance with this Plan, the Confirmation Order, the WD Trust Agreement and the Wrongful Death Claim Resolution Procedures, unless the Bankruptcy Court or the District Court, by Final Order, allows a deviation therefrom. In connection with such distributions, and except as provided below in this section 5.10, the Trustee, the Post-Effective Date Estate and the Estate Representative shall have no responsibility or liability for (a) the creation, existence, operation or administration of the WD Trust; (b) any acts or omissions of the WD Trustee in administering the WD Trust; (c) any reimbursement and reporting obligations under applicable law or regulations; or (d) any payment or non-payment of Claims. The WD Trust shall indemnify and hold harmless the Trustee, the Post-Effective Date Estate and the Estate Representative (but with recourse in all circumstances limited solely to the assets of the WD Trust, and without recourse to the WD Trustee personally or to any WD Trust Beneficiaries) from any and all claims, losses, causes of action, demands, liabilities, expenses, fees, including, but not limited to, attorneys' fees, and costs of any kind arising from or relating to (a) the creation, existence, operation or administration of the WD Trust; (b) any acts or omissions of the WD Trustee in administering the WD Trust; (c) any reimbursement or reporting obligations under applicable law or regulations; or (d) any payment or non-payment by the WD Trust to any WD Trust Beneficiary. Prior to making any distribution from the WD Trust, the WD Trust shall retain sufficient funds to meet the fees, costs and expenses of the WD Trust.

(b) After having given the WD Trust Beneficiary fifteen (15) days' prior written notice of his intention to proceed with distribution, the WD Trustee in making any distribution to a Holder of a Derailment Wrongful Death Claim may pay to any lawyer or counsel for such Holder any fees due to such lawyer or counsel, including, without limitation, any contingent fees due and owing to such lawyer or counsel; distributions to any WD Trust Beneficiary who is represented by an attorney as established by documentary evidence satisfactory to the WD Trustee shall be made separately to the attorney (for fees) and to the WD Trust Beneficiary (for the net distribution) unless the WD Trust Beneficiary instructs the WD Trustee in writing to issue such payment jointly to the WD Trust Beneficiary and the attorney (or law firm) or to deliver such entire payment to such attorney (or law firm), for later distribution of the net amount to such WD Trust Beneficiary client by such attorney or firm. If a WD Trust Beneficiary is not represented by an attorney, all distributions shall be made directly to the WD Trust Beneficiary. Notwithstanding anything to the contrary in the foregoing it is further *provided, however*, that:

- (i) no payment or distribution of any kind shall be made to any lawyer or counsel allegedly representing the Holder of a Derailment Wrongful Death Claim unless such lawyer or counsel presents to the WD Trustee an executed engagement letter or other document that entitles such lawyer or counsel to such fees or distribution, including any contingent fee (a “Derailment Wrongful Death Client Engagement Letter”), *provided*, for the avoidance of doubt, that the Representation Order entered by the Quebec Superior Court on or about April 4, 2014 in the CCAA Case (the “Representation Order”) together with any order assessing counsel fees pursuant thereto, shall also constitute a Derailment Wrongful Death Client Engagement Letter; and
- (ii) no such distribution or payment shall be made by the WD Trustee if:
 - (i) the Derailment Wrongful Death Client Engagement letter has been held to be invalid or inoperative by a final order or ruling entered in any proceeding (including an administrative proceeding) initiated by a party with standing (as defined below) disputing the rights of such lawyer or counsel to fees before any court, administrative tribunal or other forum with jurisdiction over such agreements, in the United States or Canada (collectively a “Proceeding”), in which there was a challenge to the validity or operation of the Derailment Wrongful Death Client Engagement Letter; or
 - (ii) any Proceeding is pending in which there is a challenge to the validity or operation of the Derailment Wrongful Death Client Engagement Letter, unless and until such Proceeding has been concluded by a final order or ruling in favor of the lawyer or counsel involved, and then the distribution to the lawyer or counsel shall be limited by the terms of any such final order or ruling issued in such Proceeding, to the extent such order or ruling contains any such limitations.

For the purposes of subparagraph (b)(ii) above, “party with standing” shall be limited to (x) the individual Holder of a Derailment Wrongful Death Claim in his or her capacity as a client or alleged client (or the parent or guardian of such client or alleged client, if a minor), or (y) any bar-affiliated or governmental entity that regulates the practice of law and is granted such standing as a matter of a governing statute or rule. Neither Class Counsel nor U.S. Counsel (each as defined below), shall be a “party with standing” for purposes of that section, whether or not such counsel holds a power of attorney or like document for such client, and, similarly, the Creditors Committee and its counsel shall not be a “party or parties with standing” under that provision. Holders of Derailment Wrongful Death Claims involved in a Proceeding shall receive the portion of their distributions on account of their Derailment Wrongful Death Claim not in dispute in such Proceeding at the same time and in the same manner as the Holders of other Derailment Wrongful Death Claims not involved in a Proceeding.

For the sole purpose of determining any contingent fee due, all Distributions to a WD Trust Beneficiary shall constitute and be deemed Distributions through and on account of the Derailment Wrongful Death Claims, if any, of the decedent’s estate representative pursuant to which such WD Trust Beneficiary is to receive payment under the Wrongful Death Claims

Resolution Procedures, and subject to any contrary terms of any applicable engagement agreement or any other documentation that is acceptable to the WD Trustee, counsel to such decedent's estate representative shall be entitled to payment based upon the aggregate payment to WD Trust Beneficiaries who take or are deemed by this paragraph to take through such estates; *provided, however*, that application of this paragraph shall be subject to sub-paragraphs (b)(i) and (b)(ii) above and shall not result in the payment by any WD Trust Beneficiary of a fee, contingent or otherwise, to more than one attorney or law firm; and the amount of any contingent fee payable on account of any estate (and the WD Trust Beneficiary's taking through such estate) to U.S.-based counsel to the Holders of Derailment Wrongful Death Claims ("U.S. Counsel") will be calculated by first excluding any distributions (including fees) payable to Holders of Derailment Wrongful Death Claims represented solely by counsel appointed pursuant to the Representation Order (the "Class Representatives") and counsel appointed therein ("Class Counsel") pending in the Québec Superior Court, and no other fees contingent or otherwise shall be payable on such distributions. For the purposes of this section, a Holder of a Derailment Wrongful Death Claim shall be deemed to be solely represented by the Class Representatives and Class Counsel only if such Holder has (i) not delivered a notice of opt-out from representation in accordance with the Representation Order; (ii) has not signed an engagement agreement, engagement letter, power of attorney or similar document specifying terms of representation with U.S. Counsel; and (iii) has not filed a proof of claim in the Chapter 11 Case, prior to the Claims Bar Date, which designates U.S. Counsel (including local counsel in Bangor, Maine) as such Holder's counsel. For purposes of this section, such a proof of claim can constitute a Derailment Wrongful Death Client Engagement Letter, subject to any necessary terms of engagement being established by evidence satisfactory to the WD Trustee. Any dispute arising under this section 5.10, including any objection of any person or party to a determination by the WD Trustee as to legal representation or payment of fees (collectively, "Representation Disputes") shall be determined exclusively by *de novo* review before the Bankruptcy Court, subject, however to subparagraph (b)(ii) above in this section.

5.11. Resolving Liens.

Before disbursing any WD Trust Assets to a WD Trust Beneficiary, the WD Trustee shall ensure that any Liens that the WD Trustee has received notice of and which may attach to any such distribution have been resolved or have been otherwise satisfied. To that end, the WD Trustee shall provide notice of the existence of any such Lien(s) to the WD Trust Beneficiary and, if applicable, his or her attorney, and it shall be the WD Trust Beneficiary's (or his or her attorney's) responsibility to resolve such Lien(s) against the WD Trust Beneficiary's anticipated distribution of WD Trust Assets within 120 days of notice from the WD Trustee. If the Lien has not been settled or otherwise resolved within this 120-day time period, with the WD Trust Beneficiary's consent, the WD Trustee may retain a firm with experience in resolving liens to satisfy the WD Trust's Beneficiary's obligations as represented by the Lien(s). Any payments made to resolve such Lien(s), together with the fees paid to the Lien resolution firm, shall be deducted from the WD Trust Beneficiary's distribution of WD Trust Assets prior to disbursement of the balance. Subject to the foregoing provisions this Section 5.11, any and all distributions to or for the benefit of WD Trust Beneficiaries shall be free and clear of any and all liens, security interests and encumbrances.

5.12. Time of WD Trust Distributions.

Subject to the Wrongful Death Claim Resolution Procedures, the WD Trustee shall have the sole and absolute discretion to determine the timing of distributions of the proceeds of the WD Trust in the most efficient and cost-effective manner possible; *provided, however*, that the WD Trustee's discretion shall be exercised in a manner consistent with the express requirements of this Plan, the Wrongful Death Claim Resolution Procedures, and the requirements of taxation as a grantor trust under applicable Internal Revenue Service guidelines, rulings or other controlling authorities. Absent cause, the WD Trustee will use best efforts to make distributions as quickly and efficiently as feasible, subject only to any delays necessitated by Section 5.14 of this Plan and any orders issued by the District Court under Section 5.14 of this Plan.

5.13. Tax Treatment of WD Trust.

(a) **WD Trust Assets Treated as Owned by Certain Creditors.** For all United States federal income tax purposes, all parties (including the Estate Representative, the WD Trustee, WD Trust Beneficiaries and Holders of Allowed Class 12 Claims) shall treat the transfer of the WD Trust Assets to the WD Trust as (i) a transfer of the WD Trust Assets (subject to any obligations related to those assets) directly to the WD Trust Beneficiaries and Holders of Allowed Class 12 Claims, followed by (ii) the transfer by such WD Trust Beneficiaries and Holders of Allowed Class 12 Claims of such WD Trust Assets to the WD Trust in exchange for beneficial interests in the WD Trust. Accordingly, the WD Trust Beneficiaries and Holders of Allowed Class 12 Claims shall be treated for federal income tax purposes (and, to the extent permitted, for state and local income tax purposes) as the grantors and owners of their respective shares of the WD Trust Assets, if any, or any Disputed Claims reserve as described in Section 7.20 hereof). All WD Trust Assets shall be treated solely as compensatory damages.

(b) **Exemption from Transfer Taxes.** Pursuant to section 1146(a) of the Bankruptcy Code, the making or assignment of any lease or sublease, or the making or delivery of any instrument of transfer from the Trustee, the Estate, the Post-Effective Date Estate or the Estate Representative to the WD Trust or any other Person or any government, governmental agency or any subdivision, department or other instrumentality thereof, pursuant to this Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax or other similar tax or governmental assessment and the Confirmation Order shall direct the appropriate state or local governmental officials or agents to forego the collection of any such tax or governmental assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment. Without limiting the foregoing, any issuance, transfer or exchange of a security or any making or delivery of an instrument of transfer pursuant to this Plan shall be exempt from the imposition and payment of any and all transfer taxes (including but not limited to any and all stamp taxes or similar taxes and any interest, penalties and addition to the tax that may be required to be paid in connection with the consummation of this Plan) pursuant to sections 1146(a), 505(a), 106 and 1141 of the Bankruptcy Code.

(c) **Tax Reporting.** The WD Trustee shall file returns for the WD Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a) and in accordance with this

Section 5.13. The WD Trustee shall also annually send to each record holder of a beneficial interest a separate statement setting forth the holder's share of items of income, gain, loss, deduction or credit and shall instruct all such holders to report such items on their federal income tax returns or to forward the appropriate information to the beneficial holders with instructions to report such items on their federal income tax returns. The WD Trustee shall also file (or cause to be filed) any other statements, returns or disclosures relating to the WD Trust that are required by any Governmental Unit. WD Trust taxable income or loss shall be allocated pro rata based on the total of Allowed Claims of the WD Trust Beneficiaries at the end of the taxable year. As soon as possible after the Effective Date, the WD Trustee shall make a good faith valuation of the WD Trust Assets. Such valuation shall be made available from time to time, to the extent relevant, and used consistently by all parties (including the Estate Representative, the WD Trustee, the WD Trust Beneficiaries and holders of Allowed Class 12 Claims) for all state and federal income tax purposes. The WD Trustee also shall file (or cause to be filed) any other statements, returns or disclosures relating to the WD Trust that are required by any Governmental Unit. The WD Trustee may request an expedited determination of taxes of the WD Trust under section 505 of the Bankruptcy Code for all returns filed for, or on behalf of, the WD Trust for all taxable periods through the termination of the WD Trust.

(d) **Withholding of Taxes and Reporting Related to WD Trust Operations.** The WD Trust Assets, as compensatory damages for Derailment Wrongful Death Claims, are not subject to withholding and the WD Trustee shall not be required to withhold any taxes or other amounts from distributions to WD Trust Beneficiaries. The Confirmation Order shall absolve the WD Trustee of any such withholding duties or responsibilities. To the extent that the operation of the WD Trust or the liquidation of the WD Trust Assets creates a tax liability imposed on the WD Trust, the WD Trust shall timely pay such tax liability and any such payment shall be considered a cost and expense of the operation of the WD Trust payable without Bankruptcy Court order.

5.14. Resolution of the Claims of Minors In Accordance With the WD Trust.

In connection with any Allowed Class 12 Claims in which the Holder is a minor, the WD Trustee shall notify the parent, guardian, guardian ad litem, adult spouse, next friend, or other representative of the minor of the proposed distribution to such minor. Such parent, guardian, guardian ad litem, adult spouse, next friend, or other representative of the minor shall move for approval of the allocation within ninety (90) days of his or her notification by the WD Trustee of the proposed distribution.

In the event that the parent, guardian, guardian ad litem, adult spouse, next friend, or other representative of the minor does not so move for approval of the allocation within ninety (90) days of his or her notification by the WD Trustee of the proposed distribution, the WD Trustee shall submit the proposed distribution to the holder to the District Court for approval in accordance with 14 M.R.S.A. § 1605 and request that the District Court hold a hearing on the petition, and the petitioner and the Allowed Class 12 Claim Holder may attend any such hearing. The WD Trustee shall request that the District Court determine whether the proposed distribution is in the Allowed Class 12 Claim Holder's best interests and, if the proposed distribution is approved, that determination shall be embodied in an order which shall have the effect of a judgment. Upon approval of the proposed distribution to such Holder of an Allowed Class 12

Claim, the WD Trustee shall request that the District Court authorize payment to the counsel of the minor, if any, of fees and disbursements to be paid from the distribution and further shall order that the remainder of the distribution be distributed in a manner that will best protect the interest of the minor.

5.15. Access to Claims Information.

Upon request made to the Estate Representative on or after the Effective Date by the WD Trustee, the Estate Representative shall deliver to the WD Trustee, on an un-redacted basis, the relevant lists of Class 12 Claims and all Proofs of Claim and supporting documentation for purposes of effectuating the WD Trust and distributions to Holders of Allowed Class 12 Claims. The Confirmation Order shall include all findings and orders necessary to permit or facilitate such delivery and access, including with respect to any necessary confidentiality of such lists and the Proofs of Claim, subject to any further orders of the Bankruptcy Court. The WD Trustee shall have access to the Books and Privileges to the extent reasonably required to discharge the duties of the WD Trustee; *provided, however*, that the WD Trustee shall have no control over and shall not have the capacity to waive any attorney-client privilege or work product immunity or privilege held by the Debtor or the Trustee.

5.16. Distribution of Surplus.

The WD Trustee shall make all payments required to be paid to Holders of Allowed Class 12 Claims under this Plan, in accordance with the terms and conditions of the WD Trust Agreement, the Wrongful Death Claim Resolution Procedures, and this Plan. If, and only if, the WD Trustee has made all distributions to WD Trust Beneficiaries permitted under the Wrongful Death Claim Resolution Procedures then the WD Trustee shall transfer any surplus WD Trust Assets to the Disbursing Agent who shall then distribute to the holders of Allowed Class 13 Claims their Pro Rata share of the remaining Cash, if any, of the WD Trust until such Class 13 Claims are paid in full. (The Trustee does not anticipate surplus WD Trust Assets at this time.) For the avoidance of doubt, nothing in the Plan or the CCAA Plan shall limit or cap the recoveries available to victims of the Derailment outside the Plan and this Agreement as against parties other than Released Parties including, without limitation, under the laws of the State of Illinois or the State of Texas.

ARTICLE 6

6.1. Management of the Post-Effective Date Estate.

(a) Estate Representative. On the Effective Date, (i) the authority, power and incumbency of the persons then acting as directors and officers of the Debtor, and that of the Trustee, shall be terminated, (ii) such directors, officers and the Trustee shall be deemed to have been discharged pursuant to Bankruptcy Code section 350(a), and (iii) the Estate shall nonetheless be preserved pursuant to sections 1123(b)(3), 1123(b)(6) and 1172 of the Bankruptcy Code and Robert J. Keach shall be appointed as the sole representative of the Post-Effective Date Estate, and the sole officer and director of the Debtor in such capacity, to serve in accordance with the certificate of incorporation and the bylaws of the Debtor, as such may be

amended, and to carry out the provisions of the Plan, as well as to close the Case, as required, including without limitation by requesting the issuance of a final decree.

(b) Compensation. The Estate Representative shall be entitled to the same compensation and reimbursement of expenses as would be payable to a chapter 11 trustee under sections 326 and 330 of the Bankruptcy Code and shall file fee applications under the Bankruptcy Code for approval by the Bankruptcy Court of such fees and expenses.

(c) Indemnification. The Estate Representative shall have quasi-judicial immunity to the fullest extent allowed by law (and the same as would be afforded a chapter 11 trustee) and shall have no liability to the Debtor or its creditors, except for willful misconduct. The Estate shall indemnify and hold harmless the Estate Representative for any losses incurred in his or her capacity as such, except to the extent such losses were the result of the Estate Representative's willful misconduct.

(d) Successor. In the event the Estate Representative dies, is terminated or resigns for any reason, the Bankruptcy Court shall designate a successor on motion of any party in interest.

6.2. Duties and Powers of the Estate Representative.

The Estate Representative shall have the power of a chapter 11 trustee (and of the sole officer of the Debtor), and, without limitation, shall have the power and authority to implement and administer the Plan, and to prosecute any action or cause of action necessary to implement the Plan, including, without limitation, to enforce the Releases and Injunctions and also including, without limitation, the following power and authority:

(a) Claims. The Estate Representative may object to, compromise or settle any or all Claims against the Debtor or the Estate, other than Class 12 Claims (distributions on account of which are strictly governed by and determined in accordance with the Wrongful Death Claim Resolution Procedures).

(b) Selling, Monetizing or Liquidating Residual Assets. The Estate Representative may, but is not required to, sell, monetize or liquidate the Settlement Non-Cash Assets and the Residual Assets, including, without limitation, through the prosecution of Post-Confirmation Causes of Action.

(c) Abandoning Assets. The Estate Representative may abandon or donate any Assets, if he concludes in his sole discretion that they are of no benefit or inconsequential value without the need for further order or notice.

(d) Retention of Professionals. After the Effective Date, the Estate Representative may retain such law firms or attorneys, experts, advisors, consultants, investigators, appraisers, auctioneers, corporate management services, or other persons or professional firms as the Estate Representative determines, in his or her sole discretion, are necessary, desirable or appropriate to aid in the performance of his or her duties, without the need for further order or notice. The Estate Representative may pay or appropriate funds necessary to pay the professionals for services rendered and expenses incurred after the Effective

Date; such professionals shall file fee applications under the Bankruptcy Code for approval by the Bankruptcy Court of such fees and expenses. The Estate Representative may retain any firm previously retained by the Trustee.

(e) Books and Records. The Estate Representative shall maintain the Debtor's Books and Privileges, maintain accounts, make distributions and take other actions consistent with the Plan and the implementation of the Plan. The Estate Representative shall have the responsibility of storing and maintaining the Debtor's books and records only until such time as he or she deems, in his or her sole discretion, such books and records may be abandoned or destroyed, and the Estate Representative shall have no liability to any party on account of such abandonment or destruction. In addition to the materials to be provided to the WD Trustee pursuant to Section 5.15 of the Plan, at the time such materials are provided to the WD Trustee pursuant to Section 5.15 of the Plan, the Estate Representative shall provide the WD Trustee with copies of such of the Debtor's books and records as the WD Trustee may reasonably request in connection with the administration of the Wrongful Death Claim Resolution Procedures, and the Estate Representative shall have no liability to any party on account of such provision. For purposes of this Section, books and records include computer generated or computer maintained books and records and computer data, as well as electronically generated or maintained books and records or data, together with books and records of the Debtor maintained by or in possession of third parties and all of the claims and rights of the Debtor in and to their books and records, wherever located.

(f) Agreements. The Estate Representative may enter into any agreement or execute any document which he deems to be required by or consistent with the Plan or necessary or appropriate to its implementation and perform all of obligations of the Post-Effective Date Estate.

(g) Investment Power. Management of all Residual Assets and investments of the Post-Effective Date Estate's Cash shall be administered, subject to the limitations and provisions set forth herein, in view of the manner in which individuals of ordinary prudence, discretion and judgment would act in the management of their own affairs. The Estate Representative shall invest and reinvest the Post-Effective Date Estates' Cash and keep the Post-Effective Date Estates' Cash invested in interest-bearing accounts at an approved depository institution to be selected from the U. S. Trustee's List of Authorized Depositories for Bankruptcy Cases filed in Region One, dated July 26, 2013. Each account shall be treated as a single fund without distinction between principal and income. For purposes of this paragraph, "interest-bearing account" includes a money fund whose objectives are current income consistent with liquidity and low risk, the maintenance of a portfolio of high quality, short-term money market instruments and maintenance of a constant \$1.00 net asset value per share. All investments shall be made so as to at all times provide sufficient liquidity to meet the anticipated cash needs of the Post-Effective Date Estate as set forth herein.

(h) Tax Obligations. The Estate Representative shall (i) endeavor to complete and file the Debtor's or the Post-Effective Date Estates', as applicable, federal and state tax returns, (ii) request, if necessary, an expedited determination of any unpaid tax liability of the Debtor under Bankruptcy Code section 505 for all taxable periods of the Debtor ending after the Petition Date as determined under applicable tax laws and (iii) represent the interest and account

of the Debtor, its Estate or the Post-Effective Date Estate, as applicable, before any taxing authority in all matters.

(i) Reporting Duties. The Estate Representative shall be responsible for filing informational returns on behalf of the Debtor or the Post-Effective Date Estate, as applicable, and any other statements, returns or disclosures relating to the Debtor or the Post-Effective Date Estate, as applicable, that are required by any governmental unit or applicable law.

(j) Reasonable Fees and Expenses. The Estate Representative may incur and pay and satisfy any reasonable and necessary fees and expenses in connection with the performance of his or her duties under the Plan without the need for further order or notice.

6.3. Other Actions.

The Estate Representative may take all other actions not inconsistent with the provisions of the Plan which the Estate Representative deems reasonably necessary or desirable with respect to administering the Plan, including without limitation, to fully effectuate and enforce the Releases and Injunctions. For the avoidance of doubt, to the extent any Settlement Agreement(s) require or authorize the Trustee to take certain action to enforce the provisions thereof, such obligations or authority shall become the obligations or authority of the Estate Representative.

6.4. Closing of the Chapter 11 Case.

When all Disputed Claims have become Allowed Claims or have been disallowed by Final Order, and this Plan has been substantially consummated, the Estate Representative may, if he or she so elects in his or her sole discretion, seek authority from the Bankruptcy Court to close the Chapter 11 Case in accordance with the Bankruptcy Code and the Bankruptcy Rules. For the avoidance of doubt, the closing of the Chapter 11 Case shall not affect the obligations or authority of the Estate Representative under the Settlement Agreements, as successor to the Trustee.

6.5. Cancellation of Existing Agreements.

Except for purposes of evidencing a right to distributions under this Plan or otherwise provided hereunder, on the Effective Date all of the agreements and other documents, except for and other than the WD Trust Agreement, the Settlement Agreements and insurance policies issued to, or insurance agreements entered into by the Debtor prior to the Petition Date (including, without limitation, any D&O Insurance Policies), evidencing the Claims or rights of any Holder of a Claim against the Debtor, including any notes evidencing such Claims, shall be deemed cancelled.

6.6. Continued Corporate Existence. The Debtor shall continue to exist after the Effective Date, with all powers of a corporation under the laws of the State of Delaware except for shareholder management (the “Post-Effective Date Debtor”). The Post-Effective Date Debtor’s certificate of incorporation and bylaws shall be deemed amended to include a provision prohibiting the issuance of non-voting equity securities, thereby satisfying the requirements of Bankruptcy Code section 1123(a)(6). The Estate Representative, as the sole officer and director of the Post-Effective Date Debtor, shall perform each of the actions provided for under this Plan without any requirement of further action by or consent or vote of the shareholders. At the discretion of the Estate Representative, the Post-Effective Date Debtor shall be authorized, following the completion of all disbursements to Holders of Allowed Claims, other than Allowed Class 12 Claims, other transfers and other actions required under this Plan, including without limitation, the sale, monetization or liquidation of the Residual Assets, to file certificates of cancellation or dissolution. The filing of such certificates of cancellation or dissolution shall be deemed authorized and approved in all respects without further action under applicable law, regulation, order or rule, including, without express or implied limitation, any action by the shareholders. After the Effective Date, the shareholders shall have no power or authority with respect to the management, operation or other functions of the Post-Effective Date Debtor.

6.7. Effectuating Documents and Further Transactions.

Upon the Effective Date, the Estate Representative is authorized and directed to execute, deliver, file or record such contracts, releases and other agreements or documents and take such actions as he or she may deem to be necessary or appropriate to effectuate and further evidence the terms and conditions of this Plan.

ARTICLE 7

PROVISIONS GOVERNING VOTING AND DISTRIBUTIONS

7.1. Disallowance of Multi-Claimant or Class Proofs of Claim.

In accordance with the Bar Date Order, Claims evidenced by (a) Proofs of Claim joining or on behalf of two (2) or more claimants submitted without the prior approval of the Bankruptcy Court, or (b) by Proofs of Claim purporting to be on behalf of a class of claimants shall be and are hereby disallowed to the extent not previously disallowed.

7.2. Voting of Claims.

Each Holder of an Allowed Claim in an impaired Class of Claims that is entitled to vote on the Plan pursuant to Article 2 and Article 4 of the Plan shall be entitled to vote separately to accept or reject the Plan, as provided in such order as is entered by the Bankruptcy Court establishing procedures with respect to the solicitation and tabulation of votes to accept or reject the Plan, or any other order or orders of the Bankruptcy Court.

7.3. Acceptance by Impaired Classes of Claims.

Pursuant to section 1126(c) of the Bankruptcy Code, an impaired Class of Claims shall have accepted the Plan if, after excluding any Claims held by any Holder designated pursuant to

section 1126(e) of the Bankruptcy Code, (a) the Holders of at least two-thirds in amount of the Allowed Claims actually voting in such Class have voted to accept the Plan, and (b) more than one-half in number of such Allowed Claims actually voting in such Class have voted to accept the Plan. If a Class contains Claims and none of such Claims votes, the Class is deemed to accept the Plan.

7.4. *Nonconsensual Confirmation.*

If any impaired Class of Claims entitled to vote does not accept the Plan by the requisite statutory majority provided in section 1126 of the Bankruptcy Code, or as otherwise required by the Plan, or is not deemed to accept the Plan, the Debtor reserves the right to amend the Plan in accordance with Section 12.8 of the Plan or to undertake to have the Bankruptcy Court confirm the Plan under section 1129(b) of the Bankruptcy Code, or both. With respect to impaired Classes of Claims that are deemed to reject the Plan, the Debtor intends to request that the Bankruptcy Court confirm the Plan pursuant to section 1129(b) of the Bankruptcy Code.

7.5. *Date of Distributions.*

Distributions to Holders of Claims shall be made on the Initial Distribution Date, and on any subsequent Distribution Dates, as provided in Article 2 and Article 4 of the Plan. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

7.6. *Disbursing Agent.*

All distributions under the Plan shall be made by the Disbursing Agent, except distributions to Class 12 Claims and WD Trust Beneficiaries (which distributions shall be made in accordance with the WD Trust Agreement and Article 5 of this Plan). The Disbursing Agent shall be deemed to hold all property to be distributed under the Plan in trust for the entities entitled to receive the same. The Disbursing Agent shall not hold an economic or beneficial interest in the property to be distributed under the Plan.

7.7. *Appointment of Disbursing Agent.*

The Estate Representative is hereby appointed as Disbursing Agent for all purposes under the Plan.

7.8. *Rights and Powers of Disbursing Agent.*

The Disbursing Agent shall be empowered to (a) effect all actions and execute all agreements, instruments and other documents necessary to perform the Disbursing Agent's duties under the Plan, (b) make all distributions contemplated by the Plan, (c) employ professionals to represent the Disbursing Agent with respect to its responsibilities, and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of the Plan.

The Disbursing Agent shall only be required to act and make distributions in accordance with the terms of the Plan and shall have no (a) liability for actions taken in accordance with the Plan or in reliance upon information provided to it in accordance with the Plan or (b) obligation or liability for distributions under the Plan to any party who does not hold an Allowed Claim at the time of distribution or who does not otherwise comply with the terms of the Plan; *provided, however,* that the foregoing shall not affect the liability that otherwise would result from any such act or omission to the extent such act or omission is determined by a Final Order to have constituted willful misconduct, gross negligence, intentional fraud, or criminal conduct of any such Person.

7.9. *Expenses of Disbursing Agent.*

Except as otherwise ordered by the Bankruptcy Court, any reasonable fees and expenses incurred by the Disbursing Agent (including, without limitation, Taxes and reasonable attorneys' fees and expenses) on or after the Effective Date shall be paid in Cash by the Estate in the ordinary course of business, following approval of the Bankruptcy Court. Disbursements by the Disbursing Agent shall be treated as disbursements by the Estate Representative for the purpose of Section 6.1 of this Plan.

7.10. *Delivery of Distributions.*

Subject to Bankruptcy Rule 9010, and except as provided in Section 5.14, all distributions to any Holder of an Allowed Claim shall be made at the address of such Holder (a) as set forth on the Schedules filed with the Bankruptcy Court, (b) on the books and records of the Debtor, as applicable, unless the Debtor has been notified in writing of a change of address, including, without limitation, by the filing of a Proof of Claim by such Holder that contains an address for such Holder different than the address of such Holder as set forth on the Schedules, or (c) as otherwise allowed under Section 4.5 of the CCAA Plan with respect to distributions to Representative Counsel (as defined in the CCAA Plan) with respect to Claims in Classes 8 and 9.

7.11. *Undeliverable and Unclaimed Distributions.*

In the event that any distribution to any Holder of an Allowed Claim is returned as undeliverable, the Disbursing Agent shall use commercially reasonable efforts to determine the current address of each Holder, but no distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then current address of such Holder; *provided, however,* that all distributions under the Plan that are unclaimed for a period of six (6) months after distribution thereof shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and any entitlement of any Holder of any Claims to such distributions shall be extinguished and forever barred. The Trustee and Disbursing Agent shall have no further obligation to make any distribution to the Holder of such Claim on account of such Claim, and any entitlement of any Holder of such Claim to any such distributions shall be extinguished and forever barred; *provided, however,* that the Holder of such Claim may receive future distributions on account of such Claim by contacting the Disbursing Agent at some point prior to the final Distribution Date. For the avoidance of doubt, the Disbursing Agent shall not be required to retain an outside investigator to determine the current address of any Holders of an Allowed Claim whose distribution is returned as undeliverable.

7.12. Distribution Record Date.

As of the close of business on the Distribution Record Date, the claims register shall be closed. The Disbursing Agent shall have no obligation to recognize any transfer of any such Claims occurring after the close of business on the Distribution Record Date, and shall instead be entitled to recognize and deal for all purposes under the Plan with only those Holders of record as of the close of business on the Distribution Record Date.

7.13. Manner of Payment.

At the option of the Disbursing Agent, any Cash payment to be made pursuant to the Plan may be made by a check or wire transfer.

7.14. Currency.

Where a Claim has been denominated in foreign currency on a Proof of Claim, the Allowed amount of such Claim shall be calculated in currency of the United States of America based upon the conversion rate in place as of the Petition Date and in accordance with section 502(b) of the Bankruptcy Code.

7.15. Minimum Cash Distributions.

The Disbursing Agent shall not be required to make any Initial Distribution or semi-annual distribution of Cash less than \$100 to any Holder of an Allowed General Unsecured Claim; *provided, however*, that if any distribution is not made pursuant to this Section 7.15, such distribution shall be added to any subsequent distribution to be made on behalf of the Holder's Allowed General Unsecured Claim. The Disbursing Agent shall not be required to make any final distribution of Cash less than \$50 to any Holder of an Allowed General Unsecured Claim. If either (a) all Allowed Claims (other than those whose distributions are deemed undeliverable hereunder) have been paid in full or (b) the amount of any final distribution to any Holder of Allowed General Unsecured Claims would be \$50 or less, then no further distribution shall be made by the Disbursing Agent and any surplus Cash remaining in the Estate shall be donated and distributed to a charitable organization exempt from U.S. federal income tax under Section 501(c)(3) of the Internal Revenue Code selected by the Disbursing Agent.

7.16. Setoffs and Recoupment.

The Disbursing Agent may, but shall not be required to, setoff against or recoup from any Claim and from any payments to be made pursuant to the Plan in respect of such Claim any claims of any nature whatsoever that the Trustee may have against the Claimant, but neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Trustee or the Disbursing Agent of any such claim it may have against such claimant.

7.17. Interest and Penalty on Claims.

Unless otherwise provided in the Plan or the Confirmation Order, no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date or penalties on any Claim. Any

such interest or penalty component of any such Claims, if Allowed, shall be paid only in accordance with section 726(b) of the Bankruptcy Code.

7.18. *No Distribution in Excess of Allowed Amounts.*

Notwithstanding anything to the contrary in the Plan, no Holder of an Allowed Claim shall receive in respect of such Claim any distribution of a value as of the Effective Date in excess of the Allowed Amount of such Claim, provided, however, that, notwithstanding any limit created by this section 7.18, distributions to Class 12 Claims shall be made in accordance with the Wrongful Death Claim Resolution Procedures, and provided, further, that nothing in this Plan, the CCAA Plan, or any other document shall constitute a determination of the amount of any claim or cause of action against any Person or entity that is not a Released Party or limit, discharge or modify any rights of any Holder of a Claim or cause of action against any Person or entity that is not a Released Party.

7.19. *Allocation of Plan Distributions Between Principal and Interest.*

To the extent that any Allowed Claim entitled to a distribution under the Plan consists of indebtedness and other amounts (such as accrued but unpaid interest thereon), such distribution shall be allocated first to the principal amount of the Claim (as determined for United States federal income tax purposes) and then, to the extent the distribution exceeds the principal amount of the Claim, to such other amounts.

7.20. *Procedures for Treating Disputed Claims Other Than Class 12 Claims.*

(a) Estimation of Claims. The Estate Representative may at any time request that the Bankruptcy Court estimate any Claim, other than a Class 12 Claim, pursuant to section 502(c) of the Bankruptcy Code. In the event that the Bankruptcy Court estimates any Disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the amount of such Claim, the Estate Representative may pursue supplementary proceedings to object to the allowance of such Claim. All of the aforementioned objection, estimation and resolution procedures are intended to be cumulative and not exclusive of one another. Claims may be estimated and subsequently disallowed, reduced, compromised, settled, withdrawn or resolved by any mechanism approved by the Bankruptcy Court.

(b) Resolution of Disputed Claims. To the extent that a Disputed Claim is not Allowed or becomes an Allowed Claim in an amount less than the amount of the Disputed Claim set forth in the Proof of Claim, or as previously estimated by the Bankruptcy Court, the excess of the amount of Cash that would have been distributed to the Holder of the Disputed Claim if the Claim had been Allowed in full over the amount of Cash actually distributed on account of such Disputed Claim shall be available Cash. *Holders of Disputed Claims shall not be entitled to interest if such Disputed Claim becomes an Allowed Claim.*

ARTICLE 8

EXECUTORY CONTRACTS AND UNEXPIRED LEASES

8.1. Rejection of Executory Contracts and Unexpired Leases.

(a) Pursuant to sections 365(a) and 1123(b)(2) of the Bankruptcy Code, all executory contracts and unexpired leases that exist between the Debtor and any Person, *except for the WD Trust Agreement, the Settlement Agreements (including the insurance policy rights and contractual rights, if any, assigned to the Trustee, MMA Canada and/or their designee pursuant thereto) and insurance policies related to, or insurance agreements entered into by the Debtor prior to the Petition Date (including, without limitation, any D&O Insurance Policies)* shall be deemed rejected by the Debtor as of immediately prior to the Effective Date, except for any executory contract or unexpired lease (i) that has been assumed and assigned or rejected pursuant to an order of the Bankruptcy Court entered prior to the Effective Date, (ii) as to which a motion for approval of the assumption or assignment of such executory contract or unexpired lease has been filed and served prior to the Confirmation Date, or (iii) is otherwise provided for under Sections 8.2 or 8.3 of the Plan.

(b) **Insurance Policies and Agreements.** Except as set forth in the Settlement Agreements, Section 5.2 of the Plan, or the Confirmation Order, insurance policies issued to, or insurance agreements entered into by, the Debtor prior to the Petition Date (including, without limitation, any D&O Insurance Policies covering directors' or officers' conduct) shall continue in effect after the Effective Date. To the extent that such insurance policies or agreements (including, without limitation, any policies covering directors' or officers' conduct) are considered to be executory contracts, then, notwithstanding anything to the contrary herein, this Plan shall constitute a motion to assume or ratify such insurance policies and agreements, and, subject to the occurrence of the Effective Date, the entry of the Confirmation Order shall constitute approval of such assumption pursuant to section 365(a) of the Bankruptcy Code and a finding that each such assumption is in the best interests of the Debtor and its Estate. Unless otherwise determined by the Bankruptcy Court pursuant to a Final Order or agreed to by the parties thereto prior to the Effective Date, no payments shall be required to cure any defaults of the Debtor existing as of the Confirmation Date with respect to each such insurance policy or agreement. To the extent that the Bankruptcy Court determines otherwise as to any such insurance policy or agreement, the Trustee reserves the right to seek the rejection of such insurance policy or agreement or other available relief.

8.2. *Approval of Rejection of Executory Contracts and Unexpired Leases.*

Entry of the Confirmation Order shall, subject to and upon the occurrence of the Effective Date, constitute the approval, pursuant to sections 365(a), 1123(b)(2), and 1123(b)(6) of the Bankruptcy Code, of the assumption, assignment, and/or rejection of the executory contracts and unexpired leases treated pursuant to Section 8.1 of the Plan.

8.3. *Bar Date for Filing Proofs of Claim Relating to Executory Contracts and Unexpired Leases Rejected Pursuant to the Plan.*

Proofs of Claim for damages arising out of the rejection of an executory contract or unexpired lease pursuant to Section 8.1 of the Plan must be filed with the Bankruptcy Court and served upon the Trustee or the Estate Representative, as the case may be, no later than thirty (30) days after notice of the Effective Date. All such Proofs of Claim not filed within the time set forth in this Section 8.3 shall be forever barred from assertion against the Debtor and its Estate or its Assets.

8.4. *Rejection Claims of Officers and Directors of the Debtor.* Notwithstanding section 8.1(a) of this Plan, in consideration for the releases and injunctions provided in this Plan and the Settlement Agreements, (a) all contracts or agreements between the Debtor and the former and current officers or directors of the Debtor, with the exception of the Settlement Agreements and any agreements entered into in connection with the Settlement Agreements, including the Affiliated Parties Settlement Agreement, are deemed rejected as of the Effective Date, without the need for any further action by the Estate Representative and (b) the Claims of such former and current officers or directors of the Debtor, if any, resulting from such rejection are hereby deemed waived.

8.5. *Benefit Plans.*

All employment and severance policies, workers' compensation programs, and all compensation, bonus and benefit plans, policies, programs, and arrangements of the Debtor applicable to its present and former employees, officers and directors, including, without express or implied limitation, all savings plans, cash and equity or equity-based incentive plans, retirement plans, health care plans, disability plans, and life, accidental death, and dismemberment insurance plans shall be deemed terminated immediately prior to the Effective Date without any further action by the Bankruptcy Court or the Debtor.

8.6. *Reservation of Rights.*

Nothing contained in the Plan or the Plan Supplement shall constitute an admission by the Debtor that any contract or lease subject to this Article 8 is in fact an executory contract or unexpired lease or that the Debtor has any liability thereunder.

ARTICLE 9

CONDITIONS TO CONFIRMATION AND EFFECTIVENESS

9.1. *Conditions to Confirmation.*

This Plan shall not be confirmed unless the Confirmation Order (a) is in a form and substance satisfactory to the Trustee and is otherwise consistent and in accord with the Settlement Agreements, and (b) approves and implements, among other things, (i) the Settlement Agreements, to the extent any of the Settlement Agreements have not otherwise or previously been approved by the Bankruptcy Court, and (ii) the Releases and Injunctions set forth in this Plan. In addition, Confirmation of this Plan is conditioned upon the entry of the CCAA

9.2. *Date of Effective Date.*

The Effective Date shall occur on the later of: (a) the first Business Day following fifteen (15) days after the Confirmation Date, provided that a court of competent jurisdiction has not entered a stay of the Confirmation Order as of such date (in which instance, the Effective Date will not occur until such stay is dissolved); and (b) the first Business Day on which all other conditions to the Effective Date have been satisfied.

9.3. *Conditions to Effective Date.*

The Effective Date shall not occur until (a) all of the conditions set forth in Section 9.1 have occurred; (b) the CCAA Approval Order shall have been amended in order to incorporate the judgment reduction provisions set forth in paragraphs 63 through 70 of the Confirmation Order; (c) the CCAA Approval Order, as amended, shall have become a Final Order; (d) the Chapter 15 Recognition and Enforcement Order shall be amended so that it applies to the CCAA Approval Order as amended; (e) the Chapter 15 Recognition and Enforcement Order, as so amended, shall have become a Final Order; (f) the District Court has entered the Confirmation Order, pursuant to the filing of the same with such Court under Bankruptcy Rule 9033, or otherwise; (g) the Confirmation Order has become a Final Order; (h) the conditions to implementation of the CCAA Plan have been met; and (i) the Plan Implementation Date shall have occurred.

9.4. *Satisfaction of Conditions.*

Any actions required to be taken on the Effective Date shall take place and shall be deemed to have occurred simultaneously, and no such action shall be deemed to have occurred prior to the taking of any other such action.

9.5. *Occurrence of Effective Date*The Trustee shall cause the Effective Date to occur as soon as is practicable.

9.6. *Substantial Consummation Upon Effective Date*On the Effective Date, this Plan will be deemed to be substantially consummated under the applicable sections of the Bankruptcy Code.

ARTICLE 10

EFFECT OF CONFIRMATION

10.1. *Vesting of Assets.*

As of the Effective Date, the property of the Estate, other than Claims released pursuant to Section 10.5 of this Plan, shall vest in the Post-Effective Date Estate or such other entity as provided in this Plan.

(a) From and after the Effective Date, the Estate Representative or WD Trustee, as the case may be, may dispose of, or cause to be disposed of, the assets of the Post-Effective Date Estate and the WD Trust, respectively, free of any restrictions of the Bankruptcy Code, but in accordance with the provisions, as the case may be, of this Plan and the WD Trust Documents.

(b) As of the Effective Date, all assets of the Post-Effective Date Estate and the WD Trust shall be free and clear of all Claims, except as otherwise provided in this Plan or the Confirmation Order.

10.2. Binding Effect.

Except as otherwise provided in section 1141(d)(3) of the Bankruptcy Code, on and after the Effective Date, the provisions of this Plan shall bind any Holder of a Claim against, or Equity Interest in, the Debtor and its respective successors and assigns, all Holders of Derailment Claims, whether or not the Claim or Equity Interest of such Holder is impaired under this Plan, whether or not such Claim or Equity Interest has been filed or asserted against the Debtor and whether or not such Holder has accepted this Plan, and all other Persons, including, without limitation, any holders of a cause of action arising out of or related to the Derailment.

10.3. Exculpations and Limitation of Liability.

As of the Effective Date, none of (a) the Trustee, (b) the Monitor, (c) MMA Canada, or (d) the members, representatives, accountants, financial advisors, consultants and attorneys of the entities described in (a) through (c) of this paragraph shall have or incur any liability to any person for any act taken or omission in connection with or related to the Chapter 11 Case, including but not limited to (i) formulating, preparing, disseminating, implementing, confirming, consummating or administering this Plan (including soliciting acceptances or rejections thereof), (ii) the Disclosure Statement or any contract, release or other agreement or document entered into or any action taken or omitted to be taken in connection with this Plan or the Disclosure Statement, or (iii) any distributions made pursuant to this Plan, except for any acts determined by Final Order to have constituted willful misconduct, bad faith or gross negligence.

10.4. Preservation and Non-Waiver of Estate Defenses and Objections and Related Rights Reserved for the Debtor, its Successors in Interest, Creditors and Parties in Interest.

(a) **No Limitation on Defenses, Set-Off or Right to Subordination as to Claims Against the Estate.** Nothing in this Plan (other than the provisions of Sections 10.5 and 10.6 hereof), the Confirmation Order (other than the provisions therein corresponding to Sections 10.5 and 10.6 hereof), or the Settlement Agreements shall alter, enhance, waive, release or otherwise impair or preclude any of the Estate's defenses, rights to set-off and/or rights to compel subordination as to any Claim or Administrative Expense Claim of any type asserted against the Estate, as otherwise allowed by law, including the right to assert as a defense, set-off or subordination, any claim that would ordinarily or otherwise have to be asserted in or brought by a cross-claim, cross-complaint or separate action.

(b) **No Limitation on Right to Object to Claims or Administrative Expense Claims.** Nothing in this Plan (other than the provisions of Sections 10.5 and 10.6 hereof), the Confirmation Order (other than the provisions therein corresponding to Sections 10.5 and 10.6 hereof), or the Settlement Agreements shall alter, enhance, waive, release or otherwise impair or preclude the right and ability of (i) the Estate Representative and all his or her successors in interest to object to any Claim or Administrative Expense Claim or (ii) the WD Trustee and all his or her successors in interest to object to any Class 12 Claim (collectively, the “Permitted Objections”). The Permitted Objections may include, as part of any objection to any Claim or Administrative Expense Claim, a prayer for denial or disallowance of Claim or Administrative Expense Claim, reduction in amount by off-set, disgorgement of amounts previously paid and/or equitable subordination, as otherwise allowed by law, on any ground that could have been brought by way of lawsuit, adversary proceeding or contested matter but for (i) the releases contained in the Settlement Agreements; (ii) the exculpation contained in section 10.3 of this Plan; (iii) the Releases and Injunctions contained in this Plan; and (iv) the Confirmation Order. In addition, the makers of the Permitted Objections may utilize whatever remedies and procedural vehicles are otherwise available under the law, including, if necessary, an adversary proceeding. Objections to Claims shall be heard and determined by the Bankruptcy Court.

Nothing in this Plan (other than the provisions of sections 10.5 and 10.6 hereof), the Confirmation Order (other than the provisions therein corresponding to Sections 10.5 and 10.6 hereof), or the Settlement Agreements shall alter, enhance, waive, release or otherwise impair or preclude the right and ability of the Trustee or the Estate Representative, and all his successors in interest, to object to any Claim either for the purpose of determining the holder of such Claim’s eligibility to vote on this Plan or the amount of such Claim.

10.5. Releases.

(a) **Settlement Agreement Releases Supplemented; No Impact on Rights to Object.** Except as expressly provided in this section 10.5 or sections 10.8 or 10.9, nothing in this Section 10.5 or otherwise in this Plan or the Confirmation Order, shall affect, release or otherwise limit the rights and duties of the parties to the Settlement Agreements to enforce or comply with the provisions of the Settlement Agreements. The rights and duties of the parties under the Settlement Agreements are set forth in and shall be governed by the Settlement Agreements. The following releases shall be in addition to and are intended to supplement any releases included in the Settlement Agreements as between the parties to such Settlement Agreements. In the event of any inconsistency between this Plan or the Confirmation Order and the Settlement Agreement(s), the terms of the Settlement Agreement(s) will apply with respect to the particular parties thereto; provided, however, that all Settlement Agreements are subject to Sections 10.5, 10.8 and 10.9 of the Plan. Except as expressly set forth in the Settlement Agreements, nothing in this Plan or the Releases set forth herein shall affect any rights of the Trustee or the Estate Representative to object to the allowance, amount, priority or secured status of the Claims of any party receiving a release under this Plan as provided in sections 502, 503, 506, 507, 509 or 510 of the Bankruptcy Code, including with respect to any right of setoff or recoupment, to the extent such Claims are not released, discharged or satisfied under any Settlement Agreement, under this particular Plan, or pursuant to the Confirmation Order. Nothing herein shall affect any limitation contained in any Settlement Agreement with respect to

the release granted to any Released Party. Notwithstanding the definition of “Claim” in section 1.36 of the Plan, for the purposes of Article 10 of the Plan, including, without limitation, the Releases and Injunctions, “Claim” or “Claims” means, as the context requires, past, present and future claims, causes of action, obligations, rights, liens, suits, judgments, orders, application of any kind including for judicial review, remedies, interests, actions, liabilities, demands, duties, injuries, compensation, damages, expenses, fees, and/or costs of whatever kind or nature (including attorney’s fees and expenses), whether foreseen or unforeseen, known or unknown, asserted or unasserted, contingent or matured, liquidated or unliquidated, whether in tort, contract, extra-contractual responsibility or otherwise, whether statutory, at common law, civil law, public law or in equity, regardless of the legal theory, including but not limited to claims for breach of contract, tort, breach of the implied covenant of good faith and fair dealing, loss of support, loss of consortium, statutory or regulatory violations, for indemnity or contribution, for any damages either moral, material, bodily injury, punitive, exemplary or extra-contractual damages of any type, in any jurisdiction (i) in any way arising out of, based upon, or relating in any way, in whole or in part, directly or indirectly, whether through a direct claim, cross-claim, third-party claim, warranty claim, recursory claim, subrogation claim, forced intervention, contribution claim, indemnity claim, reimbursement claim, class action or otherwise, (A) to the Derailment, including any claims held or asserted by any Person for wrongful death, personal injury, emotional distress, loss of support, loss of consortium, property damage, economic loss, moral damage, material damage and bodily injury or environmental damage, remediation or exposure or (B) to the XL Policies, including the issuance thereof, coverage, reimbursement, or payment thereunder, and any act or omission of an insurer of any type for which a Holder of a Claim might seek relief in connection therewith, or (ii) that would otherwise constitute a claim as against MMA, MMA Canada or their Estates (A) provable in bankruptcy under the Bankruptcy and Insolvency Act, R.S.C. 1985, c.B-3, had MMA Canada become bankrupt on August 6, 2013 and/or (B) within the definition of “claim” set forth in section 101(5) of the Bankruptcy Code. Without limiting the foregoing, “Claim” or Claims” for purposes of this Article 10 of the Plan includes all Claims in Classes 8, 9, 10, 11 and 12.

(b) **Releases.**

(i) **Releases by the Debtor and Estate Representative(s).** *Subject in all respects to the provisions of Sections 9.1 and 9.3 of this Plan and full performance under the applicable Settlement Agreement(s) applicable to the particular Released Parties, on the Effective Date, the Debtor, the Trustee, the Estate Representative(s) and the Estate shall unconditionally release, and hereby are deemed to forever unconditionally release, the Released Parties, including, without limitation, the Released Parties’ respective attorneys and advisors (solely in their respective capacities as such), from any and all Derailment Claims, Causes of Action, and all other Claims (including any Claims assigned by the Other Released Parties to the Trustee, MMA Canada or their designee pursuant to a Settlement Agreement, and including any Claims or Causes of Action for contribution, indemnity, reimbursement or seeking the enforcement, attachment, collection, contribution or recovery of or from any judgment, award, decree, or order against any one or more of the Other Released Parties or property of any one or more of the Other Released Parties, or otherwise), debts, obligations, demands, liabilities, suits, judgments, damages, rights, remedies and Post-Confirmation Causes of Action, whatsoever (other than the right to enforce the obligations under this Plan, the Settlement Agreements and the contracts, instruments, releases and other agreements and*

documents delivered thereunder), whether direct or indirect, liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, whenever arising, in law, equity or otherwise, that are based upon, arise from and/or are related to events and/or circumstances that occurred or existed on or prior to the Effective Date relating in any way to the Debtor, the Derailment, the Chapter 11 Case, this Plan, the Disclosure Statement, the Estate, the XL Policies, and the Settlement Agreements; provided, however, and without limiting any provision of the Affiliated Parties Settlement Agreement, including any provision that limits, conditions or affects any release or injunction in favor of the Affiliated Released Parties, this release shall not extend, and shall not be construed as extending to, any Claim brought or that could be brought in the future by the Trustee, the Estate Representative or MMA Canada against any of the Affiliated Released Parties to the extent there is, or may be, coverage for such claims under the Great American Policy, and the assignment of rights under such policies to the Estate, the Trustee or the Estate Representative shall not affect, reduce, discharge or diminish such coverage, or provide a defense to any such insurer, or trigger any exclusion under any such policy, including, without limitation, any insured vs. insured exclusion.

(ii) Releases in Favor of the Estate and Estate Representative(s). *Subject in all respects to the provisions of Sections 9.1, 9.3, 10.8 and 10.9 of this Plan, and full performance under the applicable Settlement Agreement(s), and subject to any express limitations and/or obligations contained in each Released Party's respective Settlement Agreement, on the Effective Date, each of the Trustee, the Estate Representative(s), and the Estate shall be forever and unconditionally released from any and all Claims, debts, obligations, demands, liabilities, suits, judgments, damages, rights and causes of action, whatsoever by the Released Parties and by all Persons or entities receiving consideration under this Plan (other than the right to enforce the obligations under this Plan, the Settlement Agreements and the contracts, instruments, releases and other agreements and documents delivered thereunder), whether direct or indirect, liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, whenever arising, in law, equity or otherwise, that are based upon, arise from and/or are related to events and/or circumstances that occurred or existed on or prior to the Effective Date, relating in any way to the Debtor, including, without limitation, arising from the Derailment, the Chapter 11 Case, this Plan, the Disclosure Statement, any prepetition act or omission of the Debtor, the Estate, the XL Policies and the Settlement Agreements; provided, however, that this release shall not apply to any Claims arising in the ordinary course of business that are unrelated to the Derailment and that are held by Affiliates of any Contributing Party (unless such Claims are expressly released pursuant to any Settlement Agreement). For the avoidance of doubt, the releases in this Section 10.5(b)(ii) do not extend to any breaches of the Settlement Agreement(s).*

(iii) Releases by Affiliated Released Parties. *Subject in all respects to the provisions of Sections 9.1 and 9.3 of this Plan and the Affiliated Parties Settlement Agreement, on the Effective Date, each of the Affiliated Released Parties shall unconditionally release, and hereby are deemed to forever unconditionally release, each of the Debtor, the Estate, the Trustee, the Estate Representative(s), the Creditors' Committee, the Creditors' Committee members and the Other Released Parties, including, without limitation, and the foregoing persons' and entities' respective attorneys and advisors (solely*

in their respective capacities as such) from any and all Claims (including any Claims or Causes of Action for contribution, indemnity, reimbursement or seeking the enforcement, attachment, collection, contribution or recovery of or from any judgment, award, decree, or order against any one or more of the Other Released Parties or property of any one or more of the Other Released Parties, or otherwise), debts, obligations, demands, liabilities, suits, judgments, damages, rights, and causes of action, whatsoever, whether direct or indirect, liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, then existing or thereafter arising, in law, equity or otherwise that are based in whole or in part upon any act or omission, transaction, transfer, event, or other occurrence taking place on or prior to the Effective Date in any way relating to the Debtor, the Derailment, the Chapter 11 Case, this Plan, the Disclosure Statement, the Estate, the negotiation or funding of the Settlement Agreements; provided, however, that this release shall not apply to (A) any Claims or rights, under the Great American Policy, assigned by the Affiliated Released Parties to the Debtor or to the Trustee pursuant to the Affiliated Parties Settlement Agreement, (B) any right to enforce the obligations under the Plan, the Settlement Agreements, and the contracts, instruments, releases and other agreements and documents delivered thereunder, provided, however, that such assigned Claims or rights will not be asserted against Other Released Parties, or (C) any Claims or rights of any of the Rail World Parties and/or the D&O Parties (as defined in the CCAA Plan) to seek recovery from their insurers, including Hartford and the XL Companies, for any attorneys' fees, expenses or costs incurred prior to the Effective Date.

(iv) Releases in Favor of Affiliated Released Parties. *Subject in all respects to the provisions of Sections 9.1, 9.3, 10.8 and 10.9 of this Plan and full performance under the Affiliated Parties Settlement Agreement, on the Effective Date, all persons and entities shall unconditionally release, and are hereby deemed to forever unconditionally release the Affiliated Released Parties, including, without limitation, the foregoing persons' and entities' respective attorneys and advisors (solely in their respective capacities as such), from any and all Derailment Claims, Causes of Action, and all other Claims, debts, obligations, demands, liabilities, suits, judgments, damages, rights, remedies and causes of action, whatsoever, whether direct or indirect, liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, whenever arising, in law, equity or otherwise, that are based upon, arise from and/or are related to events and/or circumstances that occurred or existed on or prior to the Effective Date relating in any way to the Derailment, the Debtor, the Chapter 11 Case, this Plan, the Disclosure Statement, the Estate, and the negotiation or funding of the Settlement Agreements; provided, however, and without limiting any provision of the Affiliated Parties Settlement Agreement, including any provision that limits, conditions or affects any release or injunction in favor of the Affiliated Released Parties, this release shall not extend, and shall not be construed as extending to, any Claim brought or that could be brought in the future by the Trustee, the Estate Representative, MMA Canada or the Holders of Derailment Wrongful Death Claims (as applicable pursuant to the Affiliated Parties Settlement Agreement) against any of the Affiliated Released Parties (or certain of them, as applicable) to the extent there is, or may be, coverage for such claims under the Great American Policy, and the assignment of rights under such policy to the Estate, the Trustee or the Estate Representative shall not affect, reduce, discharge or diminish such coverage, or provide a defense to any such insurer, or trigger any exclusion under any such policy, including, without limitation, any insured vs.*

insured exclusion.

(v) **Releases by Other Released Parties.** *Subject in all respects to the provisions of Sections 9.1, 9.3, 10.5(b)(ii), 10.8 and 10.9 of this Plan and full performance under the Settlement Agreement(s) applicable to the particular Released Parties, on the Effective Date, each Other Released Party and all other Released Parties shall unconditionally release, and hereby are deemed to forever unconditionally release, each of the Debtor, the Estate, the Trustee, the Estate Representative(s), the Creditors' Committee, the Creditors' Committee members, the Affiliated Released Parties, each additional Other Released Party, and the foregoing Persons' and entities' respective attorneys and advisors (solely in their respective capacities as such) from any and all Derailment Claims and all other Claims (including any Claims or Causes of Action for contribution, indemnity, warranty, forced intervention, or seeking the enforcement, attachment, collection, contribution, indemnity, reimbursement or recovery of or from any judgment, award, decree, or order against any one or more of the Other Released Parties or property of any one or more of the Other Released Parties, or otherwise), debts, obligations, demands, liabilities, suits, judgments, damages, rights, remedies and causes of action, whatsoever, whether direct or indirect, liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, whenever arising, in law, equity or otherwise, that are based upon, arise from and/or are related to events and/or circumstances that occurred or existed on or prior to the Effective Date, relating in any way to the Derailment, the Debtor, the Chapter 11 Case, this Plan, the Disclosure Statement, the Estate, and the Settlement Agreements, including, without limitation, the Trustee's or the Trustee's counsel's negotiation of the Settlement Agreements or the funding of the Settlement Agreements; provided, however, that this release shall not apply to any Claims of Canada against MMA Canada, nor shall it apply to any Claims assigned by the Other Released Parties to the Trustee, MMA Canada or their designee pursuant to a Settlement Agreement (other than any Claims against any Other Released Parties), nor shall it apply to the right to enforce the rights and obligations under the Plan, the Settlement Agreements, and the contracts, instruments, releases and other agreements and documents delivered thereunder in their favor nor shall it apply or be construed as applying to any Claims or claims or other rights to the extent preserved by any of the Other Released Parties in their respective Settlement Agreement(s) (other than any Claims against any Other Released Parties); provided further, however, that notwithstanding anything to the contrary in this Plan, this release shall not apply to any claims or Claims that the Irving Parties (as defined in their Settlement Agreement) have or may have against one or more of their insurers; provided further, however, that this release shall not apply to any Claims arising in the ordinary course of business that are unrelated to the Derailment and that are held by Affiliates of any of the Contributing Parties. For the avoidance of doubt, the releases in this Section 10.5(b)(v) do not extend to any breaches of the Settlement Agreement(s).*

(vi) **Releases in Favor of Other Released Parties.** *Subject in all respects to the provisions of Sections 9.1, 9.3, 10.8 and 10.9 of this Plan and full performance under the Settlement Agreement(s) applicable to the particular Other Released Parties, on the Effective Date, all Persons and entities shall unconditionally release, and hereby are deemed to forever unconditionally release each of the Other Released Parties, including without limitation, the Other Released Parties' respective attorneys and advisors (solely in their*

respective capacities as such), from any and all Derailment Claims, Causes of Action, and all other Claims (including any claims or Causes of Action for contribution, indemnity, warranty, forced intervention, or seeking the enforcement, attachment, collection, contribution, reimbursement or recovery of or from any judgment, award, decree, or order against any one or more of the Other Released Parties or property of any one or more of the Other Released Parties, or otherwise), debts, obligations, demands, liabilities, suits, judgments, damages, rights (including any right of setoff, subrogation, contribution, indemnity, reimbursement or recoupment of any kind), remedies and causes of action, whatsoever, whether direct or indirect, liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, whenever arising, in law, equity or otherwise that are based upon, arise from and /or are related to events and/or circumstances that occurred or existed on or prior to the Effective Date, relating in any way to the Derailment, the Debtor, the Chapter 11 Case, this Plan, the Disclosure Statement, the Estate, and the Settlement Agreements, including, without limitation, the Released Parties and the Released Parties' counsel's negotiation of the Settlement Agreements or the funding of the Settlement Agreements; provided, however, that this release shall not in any way limit the right of the Estate Representative to enforce the rights and obligations under the Plan, the Settlement Agreements, and the contracts, instruments, releases and other agreements and documents delivered thereunder in the Estate's favor, nor shall it apply or be construed as applying to any Claims or other rights to the extent preserved by any of the Other Released Parties in their respective Settlement Agreement(s) (other than any Claims against any Other Released Parties, including, without limitation, Canada), provided further, however, that notwithstanding anything to the contrary in this Plan, this release shall not apply to any claims or Claims that the Irving Parties (as defined in their Settlement Agreement) have or may have against any one or more of their insurers. For the avoidance of doubt, and notwithstanding anything in this Plan to the contrary, the releases in this Section 10.5(b)(vi) do not extend to any breaches of the Settlement Agreement(s).

10.6. Injunctions.

(a) **No Impact on the Rights of the Parties to the Settlement Agreements.** Nothing in this Section 10.6 or otherwise in this Plan or the Confirmation Order shall affect, release or otherwise limit the rights and duties of the parties to the Settlement Agreements to enforce or comply with the provisions of their respective Settlement Agreements. The rights and duties of the parties under the Settlement Agreements are set forth in and shall be governed by the Settlement Agreements; provided, however, that no Settlement Agreement may restrain or limit the effect or scope of the releases set forth in Section 10.5 as to any Released Party without the express written consent of such Released Party.

(b) **Injunctions.**

(i) **Injunction in Favor of the Debtor and Estate Representative(s).** Except as to the rights, claims or Claims created or expressly preserved by this Plan, the CCAA Plan, the Settlement Agreements, and the Confirmation Order, upon the Effective Date, the Debtor, the Trustee, and the Estate Representative(s) shall have and be entitled to an injunction forever barring and enjoining all Persons and/or entities from asserting

against the Debtor any past, present and future rights, interests, obligations, claims, causes of action, damages (including punitive damages), demands (including demands for contribution, indemnity or otherwise), liabilities, expenses, fees (including, but not limited to, attorneys' fees, expert fees, consulting fees and other professional fees) and costs of any kind or any type whatsoever, whether known or unknown, whether foreseen or unforeseen, whether direct or indirect, contingent or actual, whether liquidated or unliquidated, whether statutory or common law, whether asserted or unasserted and whether based on contract, negligence, bad faith, willful, wanton or malicious conduct, or any other theory in law or equity concerning, arising from or relating to any actual or alleged past, present or future act, omission, defect, incident, event or circumstance from the beginning of the world to the Effective Date, in any way relating to or in connection with (A) the Debtor, (B) the Derailment or (C) the Estate, the Chapter 11 Case, this Plan, the Disclosure Statement, the Settlement Agreements and/or the XL Policies, except with regard to any claims and rights expressly reserved pursuant to Sections 10.3 and 10.5 above.

(ii) **Injunction in Favor of Affiliated Released Parties.** Except as to the rights, claims or Claims created or expressly preserved by this Plan, the CCAA Plan, the Affiliated Parties Settlement Agreement, and the Confirmation Order, upon the Effective Date, all Persons and entities, including, without limitation, all Holders of Derailment Claims and Non-Settling Defendants, shall be, and are hereby deemed to be, permanently barred, enjoined, and restrained from commencing, prosecuting, continuing or asserting against the Affiliated Released Parties any and all Derailment Claims, Causes of Action and all other Claims, including, without limitation, any and all past, present and future rights, interests, obligations, damages (including punitive damages), demands (including demands for contribution, indemnity, reimbursement or otherwise), liabilities, expenses, fees (including, but not limited to, attorneys' fees, expert fees, consulting fees and other professional fees) and costs of any kind or any type whatsoever, whether known or unknown, whether foreseen or unforeseen, whether contingent or actual, whether direct or indirect, liquidated or unliquidated, whether statutory or common law, whether asserted or unasserted and whether based on tort, contract, negligence, bad faith, willful, wanton or malicious conduct, or any other theory in law or equity concerning, arising from or relating to any actual or alleged past, present or future act, omission, defect, incident, event or circumstance from the beginning of the world to the Effective Date, in any way relating to or in connection with (A) the Debtor; (B) the Derailment, or (C) the Estate, (D) the Chapter 11 Case, (E) the Plan, (F) the Disclosure Statement, (G) the Settlement Agreements and/or (H) the XL Policies, provided, however, and without limiting any provision of the Affiliated Parties Settlement Agreement, including any provision that limits, conditions or affects any release or injunction in favor of the Affiliated Released Parties, this injunction shall not extend, and shall not be construed as extending to, any Claim brought or that could be brought in the future by the Trustee, the Estate Representative, MMA Canada or the Holders of Derailment Wrongful Death Claims (as applicable pursuant to the Affiliated Parties Settlement Agreement) against the Affiliated Released Parties (or certain of them, as applicable) to the extent there is, or may be, coverage for such claims under the Great American Policy, and the assignment of rights under such policy to the Estate, the Trustee or the Estate Representative shall not affect, reduce, discharge or diminish such coverage or provide a defense to any such insurer, or trigger any exclusion under any such policy, including, without limitation, any insured vs. insured exclusion.

(iii) **Injunction in Favor of the Other Released Parties.** Except as to the rights and claims created or expressly preserved by this Plan, the CCAA Plan, the Settlement Agreements (provided that there are no preserved claims (or Claims) against Other Released Parties except as provided for in Exhibit 2), and the Confirmation Order, upon the Effective Date, all Persons and entities, including, without limitation, all Holders of Derailment Claims, Released Parties and other Persons, shall be, and are hereby deemed to be, permanently barred, enjoined, and restrained from commencing, pursuing, prosecuting, continuing or asserting against the Other Released Parties, any and all Derailment Claims, Causes of Action and all other Claims, including, without limitation, Claims or Causes of Action for any and all past, present and future rights (including any right of setoff, subrogation, contribution, indemnity, reimbursement or recoupment of any kind), interests (including creating, perfecting or enforcing any encumbrance of any kind against any one or more of the Other Released Parties), obligations, damages (including actual and/or punitive damages), demands (including any Claims or Causes of Action for contribution, indemnity, reimbursement, warranty, forced intervention, or seeking the enforcement, attachment, collection, contribution or recovery of or from any judgment, award, decree, or order against any one or more of the Other Released Parties or property of any one or more of the Other Released Parties, or otherwise), liabilities, expenses, fees (including, but not limited to, attorneys' fees, expert fees, consulting fees and other professional fees), and costs of any kind or any type whatsoever, whether known or unknown, whether foreseen or unforeseen, whether contingent or actual, whether direct or indirect, liquidated or unliquidated, whether statutory or common law, whether asserted or unasserted and whether based on tort, contract, negligence, warranty, bad faith, willful, wanton or malicious conduct, or any other theory in law or equity concerning, arising from or relating to any actual or alleged past, present or future act, omission, defect, incident, event or circumstance, including, without limitation, all Claims released pursuant to Section 10.5, whenever arising, that are based upon, arise from and/or are related to events and/or circumstances that occurred or existed on or prior to the Effective Date in any way relating to or in connection with (A) the Debtor; (B) the Derailment, (C) the Estate, (D) the Chapter 11 Case, (E) the Plan, (F) the Disclosure Statement, (G) the Settlement Agreements and/or (H) the XL Policies (as to which, in the event of an inconsistency with the Plan, the XL Settlement Agreement will govern).

10.7. Terms of Pre-Plan Injunction and Stays.

Unless otherwise provided in this Plan, the Confirmation Order or a separate order of the Bankruptcy Court, all injunctions or stays arising under or entered during the Chapter 11 Case under section 105 or 362 of the Bankruptcy Code, entered in the Transferred WD Cases, or otherwise arising under applicable law in any court order and in existence on the Confirmation Date, shall remain in full force and effect until the later of the Effective Date and the date indicated in such applicable order, provided, however, that to the extent against any remaining defendant that is not a Released Party as of the Effective Date, the Trustee will cooperate with the plaintiffs in the Transferred WD Cases in seeking a transfer of such cases to the forum selected by such plaintiffs, and will cooperate in seeking from the District Court, in the order transferring such cases, a finding that the Settlement Agreements and transactions with Released Parties approved and implemented pursuant to this Plan were entered into in good faith pursuant to and in accordance with 740 ILCS 100/2(c).

10.8. Canadian Criminal Charges and Related Claims of Canada.

Notwithstanding anything to the contrary in this Plan, the Confirmation Order, or in any Settlement Agreement:

(a) Nothing in this Plan shall release or provide an injunction to the benefit of any Person for fraud or criminal and quasi-criminal charges filed or that may be filed by Canada and, for greater certainty, for any fine or penalty arising from any such charges;

(b) Nothing in this Plan shall bind or in any way limit the Director of Public Prosecutions of Canada acting pursuant to the Act respecting the Office of the Director of Public Prosecutions, S.C. 2006, c.9 § 121, as has been or may be amended or superseded;

(c) Except for the terms and conditions of the Settlement Agreement entered into by Canada, no Settlement Agreement shall be binding upon Canada; and

(d) Except with respect to entry of the Confirmation Order as may be entered with the assent of Canada, nothing in this Plan shall be construed as a waiver by Canada of sovereign immunity or as an attornment by Canada to any court of any jurisdiction outside Canada.

10.9. Claims of the United States of America

Notwithstanding any provision in this Plan or the Confirmation Order, as to the United States of America, its agencies, departments or agents (collectively, the "United States"), nothing in this Plan or Confirmation Order shall discharge, release, or otherwise preclude: (1) any liability of the Debtor to the United States arising on or after the Effective Date; (2) any liability of the Debtor to the United States that is not a "claim" within the meaning of section 101(5) of the Bankruptcy Code; (3) any valid defense of setoff against the Debtor or right of recoupment from the Debtor held by the United States with respect to a Claim; or (4) the United States from, subsequent to the Confirmation Date, pursuing any police or regulatory action against the Debtor. As to the United States, nothing in this Plan or the Confirmation Order shall limit or expand the scope of the discharge granted to the Debtor pursuant to section 1141(d) of the Bankruptcy Code.

Further, as for Derailment Claims, if any, held by the United States, nothing in either the Confirmation Order or the Plan shall exculpate or release any Person for criminal charges brought by the United States, nor shall anything in the Confirmation Order or Plan enjoin the United States from bringing any claim, suit, action or other proceeding against any such Person for such charges under such criminal laws. Moreover, nothing in either the Confirmation Order or this Plan shall exculpate or release any Person from liability to the United States unrelated to the Derailment, nor shall anything in the Confirmation Order or Plan enjoin the United States from bringing any claim, suit, action or other proceeding against any Person for such liability unrelated to the Derailment.

10.10. Barred Persons and Barred Claims.

Without limiting the Releases and Injunctions set forth above, all (i) Non-Settling

Defendants; (ii) Released Parties; (iii) Persons who have voted for or against the Plan or who are presumed to have voted for or against the Plan under section 1126(f)-(g) of the Bankruptcy Code; and (iv) any other Persons that hold, have held or may hold a Claim (including a Derailment Claim) or Cause of Action, including, without limitation, Canadian Pacific Railway Company and any parent, affiliate or subsidiary thereof (collectively, the “Barred Persons”), are hereby permanently barred, enjoined and restrained from commencing, continuing, prosecuting, or asserting in this Court, in any federal or state court, or in any other court, arbitration proceeding, administrative agency, or other forum in the United States or elsewhere (each such venue, a “Trial Court”), any Claim (including a Derailment Claim) or Cause of Action against any of the Released Parties, including, without limitation, any personal injury, property damage, wrongful death, indemnity, contribution, reimbursement or subrogation claim, whether based upon a contract or otherwise, against any Released Party (including, without limitation, any claim against the Released Parties, whether or not denominated as for indemnity, contribution, reimbursement, or subrogation) arising out of or related in any way to the Derailment or to the claims released pursuant to the Releases, whether arising under state, federal or foreign law as claims, cross-claims, counterclaims, or third-party claims (collectively, the “Barred Claims”). This section 10.10 is without prejudice to the position of any party as to the existence, in the absence of this section 10.10, of any Barred Claim.

In the event that any Person asserts any Claim (including any Derailment Claim), Cause of Action, or any other claim, obligation, suit, judgment, damage, debt, right, remedy, cause of action, avoidance power or right, liability of any nature whatsoever, or legal or equitable remedy against any Person arising from or related to the Derailment, regardless of whether such claim, cause of action, right, or legal or equitable remedy may be asserted pursuant to the Bankruptcy Code or any other applicable law or contract, including, without limitation, any claim for personal injury, property damage, wrongful death, indemnity (including contractual indemnity), contribution, reimbursement or subrogation relating in any way to the Derailment (collectively, the “Derailment-Related Causes of Action”) and which results in a determination by a Trial Court (including, without limitation, by a jury impaneled by such Trial Court) that a Barred Person who is a Non-Settling Defendant is liable in damages (the “Initial Damages Determination”) to a Person, including, without limitation, a Holder of a Derailment Claim, asserting a Derailment-Related Cause of Action against such Non-Settling Defendant (a “Plaintiff”), then, prior to final entry of any judgment, order or arbitration award with respect to such Initial Damages Determination in such Derailment-Related Cause of Action, the Plaintiff shall provide notice and a copy of the Confirmation Order to the Trial Court. In such case, for purposes of the Contribution/Indemnity Credit described below, such Trial Court (including, without limitation, a jury impaneled by such Trial Court) shall determine whether the Derailment-Related Cause of Action gives rise to Barred Claims on which any Released Party would have been liable to the Barred Persons in the absence of this section 10.10 or the Confirmation Order. Notwithstanding any finding referred to in section 10.7, the Trial Court, prior to final entry or final award of any verdict, judgment, order or arbitration award (the “Judgment”), shall determine any such Judgment against such Barred Person by reducing the Initial Damages Determination by an amount equal to the “Judgment Reduction Amount,” which shall equal the greatest of:

- (i) The “Settlement Credit,” which shall be an available alternative regardless of whether the Trial Court determines that there is any liability on the part

of any Released Parties and shall mean the Distribution received or to be received by such Plaintiff pursuant to the Plan or the CCAA Plan, including by way of payment by the WD Trust (the “Distribution”); *provided, however*, that the Settlement Credit shall be limited to the amount of the Distribution received or to be received by the Plaintiff with respect to the type of Derailment Claim asserted by Plaintiff against the Barred Person, so that, for example, the Barred Person shall not receive a Settlement Credit for Distributions received by Plaintiff for a personal injury claim if the claim against the Barred Person is for property damage;

- (ii) The “Insurance Credit,” which shall mean the amount of coverage, if any, the Trial Court determines would have been recoverable to such Barred Person under any insurance policies owned by the Debtor or MMA Canada on account of such Plaintiff’s Claim or Cause of Action but for the operation of this section 10.10 and the Confirmation Order; or
- (iii) The “Contribution/Indemnity Credit,” which shall mean, in the event the Trial Court determines that the Barred Person could establish a valid indemnity or contribution claim against a Released Party but for the operation of this section 10.10 and the Confirmation Order, an amount equal to the value, as determined by the Trial Court, of all contribution or indemnification claims (whether equitable or contractual), if any, that the Trial Court determines such Barred Person would be entitled to as against one or more Released Parties but for operation of the Order, which shall be equal to the aggregate proportionate shares of liability, if any, of the Released Parties, plus the contractual indemnification for which the Barred Person would, in the absence of this section 10.10 and the Confirmation Order, be entitled to recover, as determined by the Trial Court at the time of entry of any judgment against any Barred Person, *provided however*, that any Contribution/Indemnity Credit with respect to the Debtor and/or MMA Canada, shall be allocated among the Plaintiff, the Barred Person and/or Released Parties other than the Debtor and/or MMA Canada determined to be liable, in whole or in part, by the Trial Court, such allocation (a) to the extent the Trial Court is located in the United States, shall be in accordance with the holding in, and methodology adopted by, Austin v. Raymark Indus., 841 F.2d 1184 (1st Cir. 1988) (“Austin”); or (b) to the extent the Trial Court is in Canada, shall be in accordance with applicable provincial law (provided, however, that such reference to Austin and/or such provincial law shall govern only with respect to the allocation of the proportionate liability of the Debtor and/or MMA Canada, and shall have no effect on the scope of the Contribution/Indemnity Credit (including, without limitation, that it extends to claims for contractual indemnity, if any). Without limiting the foregoing, if a Barred Person holds both contribution and indemnity claims against the same Released Party, the value of such claims shall not be combined to determine the amount of the Contribution/Indemnity Credit unless such Barred Person could simultaneously recover, in the

absence of this section 10.10 and the Confirmation Order, under both such contribution and indemnity claims as a matter of law. Notwithstanding the foregoing, nothing in this provision is intended to dictate the procedure in the Trial Court for determination of the Judgment Reduction Amount pursuant to and consistent with this provision, provided, however, in cases tried in the United States, the trial judge (or equivalent arbitrator, tribunal or panel) shall in the first instance determine the allocation of the proportionate liability of the Debtor and/or MMA Canada in accordance with Austin.

For the avoidance of doubt, and notwithstanding anything to the contrary, nothing in this section 10.10 shall in any way modify or affect the Releases and/or Injunctions in favor the Released Parties as set forth in Article 10, and nothing set forth herein shall be interpreted as providing that any Released Parties have any liability to any Person for any Claims (including Derailment Claims) or Causes of Action. Furthermore, after the Confirmation Order becomes a Final Order, the Trustee shall to use his best efforts to ensure that any Claims (including Derailment Claims) or Causes of Action against any Released Parties are promptly dismissed with prejudice.

Nothing herein shall prejudice or operate to preclude the right of any Non-Settling Defendant to (a) provide notice of the Confirmation Order to any Trial Court hearing a Derailment-Related Cause of Action at any point, (b) raise any issues, claims or defenses regarding the Judgment Reduction Amount, including, without limitation, the contractual liability and/or relative or comparative fault of any Person, including any Released Party, in any court or tribunal hearing any Derailment-Related Cause of Action in accordance with applicable law or procedure; or (c) take discovery of Released Parties in accordance with applicable law or procedure; *provided, however*, that nothing herein shall in any way modify or affect the Releases or Injunctions in favor of the Released Parties as set forth in Article 10. For the avoidance of doubt, nothing herein shall (x) be deemed to entitle a Plaintiff to more than a single satisfaction with respect to any Derailment-Related Cause of Action or (y) prejudice or operate to preclude the rights of any Barred Person to assert any claims or causes of action that have not been released, enjoined, or discharged under the Plan or the Confirmation Order.

The judgment reduction and related provisions in paragraphs 63 and 64 of the Confirmation Order are the bases upon which CP has agreed to withdraw, with prejudice, its objections to the Plan and to dismiss, with prejudice, its appeal of the Chapter 15 Recognition and Enforcement Order entered by this Court on August 26, 2015, as well as to withdraw, with prejudice, its pleading seeking leave to appeal the CCAA Approval Order. Accordingly, to the extent there is any inconsistency between the judgment reduction and related provisions of paragraphs 63 and 64 of the Confirmation Order, on the one hand, and the Plan or other provisions of the Confirmation Order, on the other, paragraphs 63 and 64 of the Confirmation Order shall govern as to judgment reduction; *provided further* that nothing in this section 10.10 or paragraphs 63 and 64 of the Confirmation Order shall be deemed or construed to limit, modify or affect the Releases or Injunctions.

If any Plaintiff enters into a settlement with any Person with respect to one or more causes of action based upon, arising from, or related to the Barred Claims or any transaction

underlying any Barred Claim, then such Plaintiff shall cause to be included, and in all events, the settlement shall be deemed to include, a dismissal, release and waiver of any Barred Claims with respect to such settlement.

Each Plaintiff is enjoined and restrained from seeking relief or collecting judgments against any Non-Settling Defendant in any manner that fails to conform to the terms of this section 10.10 and the Confirmation Order, including, without limitation, the Judgment Reduction Amount provision set forth in this section 10.10 and paragraph 64 of the Confirmation Order.

This Court shall retain jurisdiction with respect to all matters concerning the Confirmation Order, including, without limitation, hearing a petition for relief by a Barred Person or any other party in interest in the event that a court or tribunal hearing the Derailment-Related Cause of Action fails to apply the judgment reduction provisions of this section 10.10 and the Confirmation Order. However, to the extent that any of the Released Parties have made or make any oral or written submissions in support of the Confirmation Order, those Released Parties shall not be considered to have submitted to personal jurisdiction in this Court based upon such submissions.

ARTICLE 11

RETENTION OF JURISDICTION

11.1. Jurisdiction of Bankruptcy Court.

Except as otherwise explicitly set forth in this Plan or the WD Trust Agreement as to those matters which are to be considered and determined by the District Court pursuant to an order withdrawing the reference as to those matters, or which are to be considered by a state court or the CCAA Court under any specific provision of this Plan, the Bankruptcy Court shall retain original and exclusive jurisdiction of matters arising under, and subject to any limitations contained in any Settlement Agreements, arising out of or related to the Chapter 11 Case and this Plan pursuant to, and for the purposes of, sections 105(a) and 1142 of the Bankruptcy Code and for all matters, to the maximum extent permitted by law, including for, among other things, the following purposes:

(a) To determine any motion, adversary proceeding, application, contested matter and other litigated matter pending on or commenced after the Confirmation Date, including, without limitation, any proceeding relating to any Post-Confirmation Cause of Action, and any proceeding to implement and enforce the Releases and Injunctions;

(b) To consider Disputed Claims, including objections, allowance, classification, priority, compromise, estimation or payment of any Claim, including Class 12 Claims at the request of the WD Trustee;

(c) To hear and determine all applications under sections 330, 331 and 503(b) of the Bankruptcy Code for allowance and payment of Administrative Expense Claims, including awards of compensation for services rendered and reimbursement of expenses incurred prior to the Effective Date;

(d) To enter, implement, or enforce such orders as may be appropriate in the event the Confirmation Order is for any reason stayed, reversed, revoked, modified or vacated;

(e) To issue injunctions, enter and implement other orders and take such other actions as may be necessary or appropriate to restrain interference by any person with the consummation, implementation, or enforcement of this Plan, the Releases, the Injunctions, the Settlement Agreements, the Confirmation Order or any other order of the Bankruptcy Court;

(f) To hear and determine any application to modify this Plan in accordance with section 1127 of the Bankruptcy Code, to remedy any defect or omission or reconcile any inconsistency in this Plan, the Disclosure Statement, or any order of the Bankruptcy Court, including the Confirmation Order, in such a manner as may be necessary to carry out the purposes and effects thereof;

(g) To hear and determine disputes arising in connection with the interpretation, implementation, or enforcement of this Plan, the Confirmation Order, the Settlement Agreements, any transactions or payments contemplated by any of the foregoing, or any agreement or other document governing or relating to any of the foregoing;

(h) To take any action and issue such orders as may be necessary to construe, enforce, implement, execute and consummate this Plan or to maintain the integrity of this Plan following consummation;

(i) To recover all assets of the Debtor and property of the Estate, wherever located;

(j) To determine such other matters and for such other purposes as may be provided in the Confirmation Order;

(k) To hear and determine matters concerning state, local and federal taxes in accordance with sections 346, 505 and 1146 of the Bankruptcy Code (including, without limitation, matters with respect to any taxes payable by a trust established in furtherance of this Plan, including the WD Trust);

(l) To hear and determine any other matters related to this Plan, the Disclosure Statement, the Confirmation Order, the Post-Confirmation Causes of Action, the WD Trust Agreement and related documents and not inconsistent with the Bankruptcy Code and title 28 of the United States Code; and

(m) To enter a final decree closing the Chapter 11 Case;

provided, however, that nothing in this Section 11.1 shall, or shall be deemed to, impair any consent to non-exclusive jurisdiction or any venue provision set forth in any Settlement Agreement, or to affect any other limitations set forth therein.

ARTICLE 12

MISCELLANEOUS PROVISIONS

12.1. Withdrawal of the Reference.

The rights of the Trustee, the Estate Representative, or the WD Trustee to move, pursuant to 28 U.S.C. § 157(d) and Bankruptcy Rule 5011 for a withdrawal of the reference to the Bankruptcy Court of those matters under this Plan or the WD Trust Agreement which are to be considered and determined by the District Court, or which the Trustee or Estate Representative determines, in his sole discretion, require consideration by the District Court, shall be and hereby are expressly preserved, and such motion may be made at any time subsequent to the filing of this Plan.

12.2. Dissolution of the Creditors' Committee.

Unless earlier disbanded by an order of the Bankruptcy Court, the Creditors' Committee shall dissolve on the Effective Date; *provided, however*, that (a) the Creditors' Committee shall continue to exist after the Effective Date for the purposes of opposing any pending appeals of the Confirmation Order and taking any actions related thereto, and the Creditors' Committee's professionals may seek compensation for and reimbursement of expenses related to such opposition and actions, if any, from the Post-Effective Date Estate, and (b) after dissolution of the Creditors' Committee, the Creditors' Committee's professionals shall retain their rights to pursue, review and object to any applications for compensation and reimbursement of expenses filed in accordance with Section 2.1 and 2.2 of this Plan.

12.3. Quasi-Judicial Immunity.

The Confirmation Order shall provide that the Estate Representative and the WD Trustee are entitled to quasi-judicial immunity to the fullest extent allowed by law in connection with their implementation of the Confirmation Order, this Plan, the WD Trust Agreement, and the Wrongful Death Claim Resolution Procedures.

12.4. Payment of Statutory Fees.

On the Effective Date, and thereafter as may be required, the Estate Representative shall pay all fees payable pursuant to 28 U.S.C. § 1930, including all quarterly fees pursuant to 28 U.S.C. § 1930 that become due after the Effective Date.

12.5. Effectuating Documents and Further Transactions.

The Trustee, up to the Effective Date, and the Estate Representative, subsequent to the Effective Date, are authorized to execute, deliver, file or record such contracts, releases and other agreements or documents and take such actions as the Trustee or the Estate Representative, as the case may be, deem to be reasonably necessary or appropriate to effectuate and further evidence the terms and conditions of this Plan.

12.6. Exemption from Transfer Taxes.

Pursuant to section 1146(c) of the Bankruptcy Code, the assignment or surrender of any lease or sublease, or the delivery of any deed or other instrument of transfer under, in furtherance of or in connection with this Plan, including any bills of sale, or assignments executed in connection with any disposition of assets contemplated by this Plan (including transfers of assets to and by the WD Trust) shall not be subject to any stamp, real estate transfer, mortgage recording, sales, use or other similar tax.

12.7. Elimination of Vacant Classes; Deemed Acceptance.

Any Class that is not occupied as of the commencement of the Confirmation Hearing by an Allowed Claim or a Claim temporarily allowed under Bankruptcy Rule 3018 shall be deemed eliminated from this Plan for purposes of voting to accept or reject this Plan by such Class pursuant to section 1129(a)(8) of the Bankruptcy Code. Any Class that is occupied as of such date by an Allowed Claim or such a temporary allowed claim and as to which no vote is cast shall be deemed to vote to accept the plan for purposes of Sections 1129(a)(8) and 1129(a)(10) of the Bankruptcy Code.

12.8. Modification of Plan.

The Plan may be amended, modified or supplemented by the Trustee in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as the Bankruptcy Court may otherwise direct. Prior to the Effective Date, the Trustee may make appropriate technical adjustments and modifications to this Plan without further order or approval of the Bankruptcy Court, provided that such technical adjustments and modifications do not adversely affect in a material way the treatment of holders of Claims or Equity Interests. In addition, after the Effective Date, so long as such action does not materially adversely affect the treatment of Holders of Claims or Equity Interests under this Plan, the Estate Representative may institute proceedings in the Bankruptcy Court to remedy any defect or omission or reconcile any inconsistencies in this Plan or the Confirmation Order. Notwithstanding the foregoing, without the prior express consent of the relevant Contributing Parties, this Plan may not be amended pursuant to this paragraph if such amendment would adversely affect the Releases and Injunctions in favor of the Released Parties or the rights of any of the Released Parties under their respective Settlement Agreements as set forth herein. Any such amendment, modification or supplement must be contained in a written document that is filed with the Bankruptcy Court, and must be discussed in advance with, and not objected to by, the Released Parties.

12.9. Revocation or Withdrawal of Plan.

The Trustee reserves the right to revoke or withdraw this Plan at any time prior to the Confirmation Date. If the Trustee takes such action, this Plan shall be deemed null and void. In such event, nothing contained herein shall be deemed to constitute a waiver or release of any Claim by or against the Debtor or any other Person or to prejudice in any manner the rights of the Debtor or any other Person in any further proceedings involving the Debtor. However,

notwithstanding the foregoing, the Trustee shall use his best efforts to obtain confirmation of this Plan as it is presently proposed.

12.10. Severability.

Subject to Section 9.1, relative to conditions to Confirmation, if, prior to the entry of the Confirmation Order, any term or provision of this Plan is held by the Bankruptcy Court to be invalid, void or unenforceable, the Bankruptcy Court, at the request of the plan proponents, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of this Plan will remain in full force and effect and will in no way be affected, impaired or invalidated by such holding, alteration or interpretation, except to the extent that such holding, alteration or interpretation, invalidates a condition to effectiveness of this Plan, any of the Releases in Section 10.5, any of the Injunctions in Section 10.6, or any other provision herein in a manner that would materially adversely affect the rights of any of the Released Parties under their respective Settlement Agreements, or requires any Released Party to pay more than the sum set forth in their respective Settlement Agreement(s). The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of this Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms, and upon the Effective Date all such provisions are accordingly non-severable. Notwithstanding the foregoing, to the extent that any alteration, or modification of this Plan or Confirmation Order would give rise to a right by a Released Party to terminate its respective Settlement Agreement(s), the Released Parties may exercise the right to terminate their respective Settlement Agreement(s) if and as provided for, and to the extent provided for, in their Settlement Agreement(s), and the effect of termination, if any, shall be as set forth in such Settlement Agreement.

12.11. Schedules and Exhibits.

The schedules and exhibits to this Plan are incorporated into and are a part of this Plan as if set forth in full herein.

12.12. Successors and Assigns.

All the rights, benefits and obligations of any person named or referred to in this Plan shall be binding on, and shall inure to the benefit of, the heirs, executors, administrators, successors and/or assigns of such person.

12.13. Governing Law.

Except to the extent that the Bankruptcy Code or other federal law is applicable, or to the extent an exhibit to the Plan or Plan Supplement provides otherwise (in which case the governing law specified therein shall be applicable to such exhibit), the rights, duties, and obligations arising under the Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of Maine without giving effect to its principles of conflict of laws.

12.14. Notices.

All notices, requests and demands to or upon the Trustee, the Creditors' Committee, the U. S. Trustee, or the WD Trustee shall be in writing (including by facsimile transmission) to be effective and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when actually delivered or, in the case of notice by facsimile transmission, when received and telephonically confirmed, addressed as follows:

until such time as such Creditor provides satisfactory evidence to the contrary to the Monitor, unless the non-resident withholding tax has already been remitted to the Canada Revenue Agency. For greater certainty, the distributions to be made pursuant to this Plan to Creditors having Proven Claims do not include, and are not intended to include, any amounts on account of interest on such Claims.

For greater certainty, and notwithstanding anything else contained herein, in the event that a Claim is asserted by any Person, including MMAC and MMA, against any Third Party Defendants that are not also Released Parties any and all right(s) of such Third Party Defendants to claim over, claim against or otherwise assert or pursue any rights or any Claim against any of the Released Parties at any time, shall be released and discharged and forever barred pursuant to the terms of this Plan and the Approval Orders.

ARTICLE 6 CONDITIONS PRECEDENT AND IMPLEMENTATION

6.1 Conditions Precedent to Implementation of Plan

The implementation of this Plan shall be conditional upon the fulfillment, or waiver (strictly with respect to Sections 6.1(e) and (f)), of the following conditions on or before the Plan Implementation Date:

If the Plan Implementation Date shall not have occurred on or before the Plan Termination Date, then, subject to further Order of the CCAA Court and the Bankruptcy Court, as applicable, this Plan shall automatically terminate and be of no further force or effect; provided that this Plan shall not automatically terminate pursuant to this section if the sole basis for the non-occurrence of the Plan Implementation Date is the pendency of any appeal or application for leave to appeal with respect to the Approval Orders.

**ARTICLE 7
ADMINISTRATION CHARGE**

7.1 Administration Charge and Administration Charge Reserve

The Settlement Funds, to the exclusion of the XL Indemnity Payment, up to a maximum of CAD\$20 million, plus any applicable sales taxes for the Canadian Professionals (the "Administration Charge Reserve"), shall upon the Effective Time on the Plan Implementation Date be subject to an administration charge in favour of the Canadian Professionals and shall constitute a carveout in favour of the U.S. Professionals in order

8.2 Deeming Provisions

In the Plan, the deeming provisions are not rebuttable and are conclusive and irrevocable.

If the Approval Orders are not issued or if the Plan Implementation Date does not occur before the Plan Termination Date, (a) the Plan shall be null and void in all respects, (b) any settlement or compromise embodied in the Plan or any Settlement Agreement, including the fixing or limiting to an amount certain any Claim, and any document or agreement executed pursuant to the Plan shall be deemed null and void, and (c) nothing contained in the Plan, and no acts taken in preparation for consummation of the Plan,

shall (i) constitute or be deemed to constitute a waiver or release of any Claims by or against the Released Parties or any other Person; (ii) prejudice in any manner the rights of the Released Parties or any other Person in any further proceedings involving MMAC and/or the Derailment; or (iii) constitute an admission of any sort by the Released Parties or any other Person.

8.4 Plan Amendment

MMAC reserves the right, at any time prior to the Plan Implementation Date, to amend, modify and/or supplement this Plan, provided that:

- (i) any amendment, modification or supplement to Articles 5 and 6 (including any defined terms contained therein) as well as any amendment, modification or supplement made to any other Article which affects the rights of Released Parties under their respective Settlement Agreement(s), may be made only with the written consent of the Released Parties or the affected Released Party, as the case may be, which can be provided at their sole discretion.
- (ii) any such amendment, modification or supplement must be contained in a written document that is filed with and approved by the CCAA Court, and must be discussed in advance with, and not objected to by the Released Parties and, if made following the Meeting, communicated to such of the Creditors and in such manner, if any, as may be ordered by the CCAA Court;
- (iii) any amendment, modification or supplement may be made unilaterally by MMAC following the Approval Orders, provided that it concerns a matter which, in the opinion of MMAC and the Monitor, acting reasonably, is of an administrative nature required to better give effect to the implementation of this Plan and to the Approval Orders and is not adverse to the financial or economic interests of the Creditors or the Released Parties; and

Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of this Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation. The Canadian Approval Order shall constitute a judicial determination and shall provide that each term and provision of this Plan, as it may have been altered or interpreted in accordance with the foregoing, is valid and enforceable pursuant to its terms, as same may be recognized, enforced and given effect by the U.S. Approval Order.

8.6 Paramountcy

From and after the Plan Implementation Date, any conflict between: (A) this Plan; and (B) any information summary in respect of this Plan, or the covenants, warranties, representations; terms, conditions, provisions or obligations, express or implied, of any contract, mortgage, security agreement, indenture, loan agreement, commitment letter, document or agreement, written or oral, and any and all amendments and supplements thereto existing between MMAC and any Creditor, Released Party or other Person as at the Plan Implementation Date will be deemed to be governed by the terms, conditions and provisions of this Plan and the Approval Orders, which shall take precedence and priority. Notwithstanding the foregoing, the rights and duties of the parties under each of the Settlement Agreement Agreements are set forth in and shall be governed by the said Settlement Agreement Agreements. More particularly, the Plan Releases and Injunctions shall be in addition to and are intended to supplement any releases included in the Settlement Agreements as between the parties to such Settlement Agreements. In the event of any inconsistency between this Plan or the Approval Orders and the Settlement Agreement Agreements, the terms of said Settlement Agreement Agreements will apply with respect to the rights and obligations of the parties thereto, as between themselves.

8.7 Responsibilities of the Monitor

The Monitor is acting in its capacity as Monitor in the CCAA Proceeding, and the Monitor will not be responsible or liable for any obligations of MMAC hereunder. Any distribution cheques
