Report of Trustee on Proposal (Section 59(1) and paragraph 58(d) of the Act)

> In the Matter of the Proposal of Multina Inc. Of the City of Drummondville In the Province of Quebec

We, RSM Richter Inc., the trustee acting in the proposal of Multina Inc., hereby report to the Court as follows:

- 1. That a proposal was filed with us on January 20, 2011 a copy of which is attached and marked as **Exhibit "A"**, and that we filed a copy of the proposal with the official receiver on January 21, 2011.
- That on February 1<sup>st</sup>, 2011, we gave notice to the debtor, to the division office and to every known creditor affected by the proposal, whose names and addresses are shown in Exhibit "B" to this report, of the calling of a meeting of creditors to be held on February 11, 2011 to consider the proposal.
- 3. That with the notice was included a condensed statement of the assets and liabilities of the debtor, a list of the creditors affected by the proposal who have claims of \$250 or more and showing the amounts of their claims, a copy of the proposal, a form of proof of claim and proxy in blank and a voting letter. Copies of the notice, the condensed statement and the list of creditors are attached and marked as Exhibits "C1", "C2" and "C3", respectively.
- 4. That prior to the meeting of creditors we made a detailed and careful inquiry into the liabilities of the debtor, the debtor's assets and their value, the debtor's conduct and the causes of the debtor's insolvency.
- 5. That the meeting of creditors was held on February 11, 2011, and was presided over by the Trustee.
- 6. That the proposal was accepted by the required majority of creditors. That a copy of the minutes of the meeting is attached and marked as **Exhibit "D"**.

- 7. That we are of the opinion that:
  - a. the assets of the debtor and their fair realizable value are as follows:

	As a	As at January 21, 2011		February 18, 2011
	(	(Unaudited)		Jnaudited)
Inventory	\$	1,726,627	\$	1,726,627
Fixed Assets		3,246,200		21,750
Total Assets	\$	4,972,827	\$	1,748,377

Subsequently to the filing of the Proposal on January 21, 2011 and prior to the time of the drafting of this report, the plant located in St-Nicephore was sold as well as a portion of the machinery and equipment and the entire fleet of vehicles.

b. the liabilities of the debtor are as follows:

	As estimated and declared by Debtor per Statement of Affairs	As filed by creditors as at February 18, 2011 (Note 1)
Secured creditors	\$6,154,206	\$7,471,207
Preferred creditors	NIL	NIL
Unsecured creditors	\$5,542,686	\$8,224,801
Total Liabilities	\$11,696,892	\$15,696,008

Note 1: Claims to be reviewed by Debtor

- 8. That we are also of the opinion that:
  - a. The causes of the insolvency of the debtor are as follows:
    - i) Significant losses resulting from the "New Jersey" contract;
    - ii) The substantial costs and losses resulting from the Company in an attempt to enter into the railcar interior development and manufacturing market without the necessary experience in this type of project, which required an important investment in the research centre as well as a substantial investment in personnel and systems.
  - b. The conduct of the debtor is subject to censure in the following respects: Not applicable.
  - c. The following facts, mentioned in section 173 of the Act, may be proved against the debtor: Not applicable.

- 9. That we are further of the opinion that the debtor's proposal, for the following reasons:
  - The Proposal allows Multina the opportunity to continue the wind down of its affairs and to give it the
    opportunity to sell its remaining assets at a fair and reasonable value.
  - If a Bankruptcy would have occurred, it is highly unlikely that the value of the Company's remaining assets will generate sufficient funds to make a dividend distribution to the unsecured creditors.
- 10. On February 16, 2011, the Trustee forwarded to the Debtor and to all creditors with a proven claim, a Notice of an Application to Ratify the Proposal, which is attached hereto as **Exhibit "E"**.
- 11. That we forwarded a copy of this report to the official receiver on this day.

Dated at Montréal in the Province of Quebec, February 25, 2011.
