RECEIVER'S INTERIM REPORT ON THE AFFAIRS OF THE DEBTOR
(S.246(2))

RSM Richter Inc. ("Richter"), in its capacity as Receiver to the assets of Multina Inc. ("Debtor" or "Company" or "Multina"), hereby reports on the following:

A) Overview

1. Multina was a privately-held specialized manufacturer primarily supplying customers in the transportation industry. The Company manufactured seating products for railway cars, public transit and recreational vehicles. The Company operated five production plants of which three were located in the Province of Quebec (St-Nicephore, Ste-Clotilde, and Drummondville). Two facilities were owned and operated by subsidiaries based in the United States (New York) and Mexico.
2. Since 2007, the Debtor had suffered significant financial losses. In the fall of 2008, the Debtor began the restructuring of its operations and finances. Notwithstanding the steps taken to return to profitability, the economic market conditions had a serious impact on maintaining a positive business level.
3. In early 2010, the firm PricewaterhouseCoopers ("PwC") was given a mandate to find a buyer or an investor to take control of Multina. PwC's marketing process did not identify any candidate willing to take control of Multina. Certain parties were interested in acquiring some of Multina's manufacturing plants on an operating basis. Under the circumstances, the representatives of Multina chose to negotiate with these parties to sell each of its plants separately and, as such, preserve the jobs and the expertise developed over the years.

4. Multina's financial situation was such that, in July 2010, it no longer could operate on a going concern basis and meet its obligations as they became due. Under the circumstances, in order to protect asset values and give it time to complete the various sale transactions that were being negotiated, Multina, in consultation with its advisors, decided to file a Notice of Intention to Make a Proposal.

B) Receivership

5. On July 23, 2010, pursuant to the Motion filed by Royal Bank of Canada and RoyNat Inc., the Court granted an Order and Richter was appointed Receiver to the assets of Multina. (We refer you to **Exhibit "1"** for a copy of the Receiver Order).
6. On July 29, 2010, Richter, as Receiver, issued a Notice and Statement of the Receiver to all known creditors of the Company. (We refer you to **Exhibit "2"** for a copy of the Notice and Statement of the Receiver).

C) Notice of Intention to Make a Proposal

7. On July 23, 2010, the Debtor filed a Notice of Intention to Make a Proposal ("NOI") in accordance with the *Bankruptcy and Insolvency Act* and Richter was named Trustee.
8. On July 29, 2010, Richter sent, by regular mail to all known creditors of the Debtor, a Notice to Creditors of Intention to Make a Proposal. (We refer you to **Exhibit "3"** for a copy of the Notice to Creditors of Intention to Make a Proposal).
9. The Court granted orders extending the deadline to file a Proposal to January 21, 2011.

D) Proposal to Creditors

10. On January 21, 2011, the Debtor filed with the Trustee and the Official Receiver a Proposal to its creditors.
11. On February 1, 2011, Richter proceeded to do a mailing to all known creditors wherein is enclosed the Proposal, a proof of claim, a voting form, a proxy and a notice indicating the place and time of the First Meeting of the Creditors to consider the Proposal. (We refer you to **Exhibit "4"** for a copy of the mailing relating to the Proposal).
12. On February 11, 2011, the meeting of creditors was held and the Proposal was voted upon and accepted by the creditors.
13. On March 8, 2011, the Court ratified the Proposal accepted by the creditors at the meeting held on February 11, 2011. We refer you to **Exhibit "5"** for a copy of the Order ratifying the Proposal.

E) Realization of the Assets of the Company

On July 23, 2010, the Court rendered an Order authorizing Richter, as Receiver, to accept an offer from Dimension Composite Inc. for the purchase of the Ste-Clotilde plant and equipment and certain inventory (the "Ste-Clotilde Transaction").
