NATHAR LIMITED

NOTICE OF MOTION

Nathar Limited, an insolvent person, (the "Applicant"), of the City of Cornwall, will make a Motion without notice, to this Court in Bankruptcy, at the Court House, 161 Elgin Street, Ottawa, Ontario.

PROPOSED METHOD OF HEARING: The motion is to be in writing.

THIS MOTION IS FOR:

1. An Order extending the time for the Applicant to file a Proposal to its creditors from October 23, 2014, to November 7, 2014.
2. Such further and other relief as counsel may advise and this Honourable Court may permit.

THE GROUNDS FOR THE MOTION ARE:

1. The Applicant filed a Notice of Intention to Make a Proposal on June 24, 2014, pursuant to the provisions of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c.B-3.
2. The thirty (30) day stay as a result of the filing of the Proposal ended July 24, 2014. On July 22, 2014, this Honourable Court made an Order extending the time for the filing of a Proposal from July 24, 2014, to September 8, 2014. A further Order was obtained on September 8, 2014, extending the time for the filing of the Proposal from September 8, 2014, to October 23, 2014.
3. The Applicant requires an extension of time within which to file its Proposal and asks that this delay be extended to November 7, 2014.
4. The extension being requested herein is required in order to reorganize the Applicant and to formulate a viable Proposal to the creditors of the Applicant. In the interim, the business is being carried on and is being monitored by the Trustee.
5. The Royal Bank of Canada is the main secured creditor in this matter and supports the Applicant with regard to its efforts to reorganize its business undertaking and make a viable Proposal to its creditors. The Royal Bank of Canada is aware of this application for an extension and consents to same. It is anticipated that the Royal Bank of Canada will be repaid the amount owing to it, which is in excess of three million dollars, by the end of this year. No other creditors have been in contact with the Trustee or the Applicant with regard to this matter since the filing of the Notice of Intention to File a Proposal.

6. The Applicant has been acting in good faith and with due diligence and no creditors will be materially prejudiced if this extension is granted.
7. A liquidation arising from a bankruptcy of the Applicant would likely result in the unsecured creditors obtaining no payment whatsoever. If the Applicant is permitted to pursue its restructuring efforts, it will likely make a viable proposal which would provide for a payment to the unsecured creditors. Additionally, by continuing to operate, the realizable value of the Applicant will be maximized and it will be able to maintain its existing supplier, customer and employee relationships.
8. The Applicant relies on Section 50.4(9) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c.B-3.
9. Such further and other grounds as counsel may advise and this Honourable Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the Motion:

1. The Affidavit of Glenn Langburt sworn October 17, 2014;
2. Report of the Trustee dated October 17, 2014;
3. Such further and other material as counsel may advise and this Honourable Court may permit.

TO MAKE A PROPOSAL OF NATHAR LIMITED

Applicant

**AFFIDAVIT OF GLENN LANGBURT
(SWORN OCTOBER 17, 2014)**

I, Glenn Langburt, of the City of Cornwall, in the Province of Ontario,

MAKE OATH AND SAY:

1. I am a duly authorized representative of Nathar Limited (the "**Applicant**").
As such I have personal knowledge of the matters to which I depose. To the extent that
I do not have personal knowledge, I verily believe the information to which I depose.

Background

2. The Applicant filed a notice of intention to make a proposal under the
Bankruptcy and Insolvency Act (the "**BIA**") on June 24, 2014, appointing Richter
Advisory Group Inc. (the "**Proposal Trustee**") as the trustee thereunder (the "**NOI**").

3. The Applicant was incorporated in 1972 pursuant to the *Ontario Business
Corporations Act* and maintains its head offices in Cornwall, Ontario.

4. The Applicant, along with two other companies, 2726556 Canada Inc. and
Nathar Limited (collectively, the "**Companies**"), who also filed notices of intention to

make a proposal under the BIA on June 24, 2014, operates several retail stores located in Ontario and the Maritimes.

5. The Companies, in operation since 1955, form a chain of 21 retail stores. Among other things, the Companies specialize in Ladies' and Men's fashions, kitchenware, home accessories and gourmet foods.

6. The Companies operate several brands, including Tweed and Hickory, Kastners Menswear, Flotron's Tweed & Hickory, Bucovetsky's and Dovers Menswear.

7. The Companies' primary suppliers are based in Canada and in the United States of America.

8. As of the day of the filing of the NOI, the Companies had over 200 employees between their stores, warehouse and head office.

Secured Creditor

9. The Royal Bank of Canada ("RBC") is the only secured creditor of the Companies. The Companies are indebted towards RBC in an amount of approximately \$3,367,489 plus interest.

10. RBC is aware of the request for a third extension and supports the Companies' restructuring process. Together with the help of its advisors, the Companies have established a restructuring plan which should allow for the total repayment of RBC's indebtedness.

11. As such, the Companies expect to fully repay the RBC indebtedness by December 2014, with major reductions of such indebtedness taking place from October to December of 2014 as a result of the Companies' business being rationalized.

Other Creditors

12. Other than the possible claims of its landlords, the Applicant is indebted in an amount of approximately \$3,179,445.67 towards its unsecured creditors.

13. The restructuring plan implemented by the Companies will also allow for a proposal to be filed and a dividend to be paid to the unsecured creditors.

The Financial Situation and Reasons for Insolvency

14. Over the past two years, the Companies have incurred operating losses as a result of a significant decrease in sales volumes. The Companies' gross profits declined by 20% in 2014 as compared to the same period the previous year.

15. The Companies' financial troubles are further exacerbated by their aging inventory which relates to fall 2013 and prior seasons. Furthermore, the Applicant attributes the decline in sales to the current unfavorable economic conditions in the retail industry, the general economic downturn as well as the highly competitive market.

16. Although the Applicant has attempted to correct the situation in the past months, the significant decrease in sales indicates that a formal restructuring is the only way of salvaging the Companies' affairs. In fact, the Companies do not have adequate cash flow to continue their operations.

17. Within the first few days of filing its NOI, the Applicant gave to the Proposal Trustee, for the purposes of providing a full review of its operations, access to its books, records, and other important documents.

18. Since the filing of the NOI, the Applicant has been paying, on a timely basis, its suppliers and employees in respect of the current business terms. Additionally, the current state of the finances of the Applicant is favorable compared to what had initially been projected since the filing of the NOI.

19. The Applicant seeks a third extension of the stay period for an additional 15 days to allow it to finalize the terms of a proposal that will be submitted to its unsecured creditors. Moreover, the Companies will be filing and presenting, before the filing of the proposal, a motion for administrative consolidation of the Companies' NOI proceedings in the Court files bearing numbers 33-1884683, 33-1884684 and 33-1884686.

20. Absent court protection, the Applicant's business will fail because it cannot pay all of its liabilities currently due or accruing due.

21. The statement of projected cash-flow for the Applicant for the period from October 23 to November 7, 2014 is attached to the Proposal Trustee's Report on the state of the Applicant's business and financial affairs which is filed herewith.

Basis for Stay Extension

22. The Applicant has acted and continues to act in good faith and with due diligence toward achieving a successful restructuring of its business. If the extension sought is granted, the Applicant will be able to make a viable proposal to its creditors.

23. Extending the stay period for an additional 15 days will not be materially prejudicial to the Applicant's creditors inasmuch as RBC supports the Companies' restructuring efforts and consents to the extension sought.

24. A liquidation arising from a bankruptcy from the Applicant would likely result in its unsecured creditors obtaining no payment whatsoever. On the other hand, pursuing the Applicant's restructuring efforts will allow the Applicant to make a proposal that would provide for some form of payment to its unsecured creditors.

Trustee's Report on Cash-Flow Statement
(Paragraphs 50(6)(b) and 50.4(2)(b) of the Act)

In the Matter of the Notice of Intention to Make a Proposal of
Nathar Limited
Of the City of Cornwall
In the Province of Ontario

The attached statement of projected cash flow of Nathar Limited, as of the 17th day of October 2014, consisting of the period from October 1 to November 30, 2014, has been prepared by the management of the insolvent person for the purpose described in the notes attached, using the probable and hypothetical assumptions set out in the notes attached.

Our review consisted of inquiries, analytical procedures and discussion related to information supplied to us by: the management and employees of the insolvent person or the insolvent person. Since hypothetical assumptions need not be supported, our procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the projection. We have also reviewed the support provided by: management or the insolvent person for the probable assumptions and preparation and presentation of the projection.

Based on our review, nothing has come to our attention that causes us to believe that, in all material respects,

- (a) the hypothetical assumptions are not consistent with the purpose of the projection;
- (b) as at the date of this report, the probable assumptions developed are not suitably supported and consistent with the plans of the insolvent person or do not provide a reasonable basis for the projection, given the hypothetical assumptions; or
- (c) the projection does not reflect the probable and hypothetical assumptions.

Since the projection is based on assumptions regarding future events, actual results will vary from the information presented even if the hypothetical assumptions occur, and the variations may be material. Accordingly, we express no assurance as to whether the projection will be achieved.

The projection has been prepared solely for the purpose described in the notes attached, and readers are cautioned that it may not be appropriate for other purposes.
