SATURN (SOLUTIONS) INC. COMPLETES DISPOSITION OF ASSETS AND CEASES OPERATIONS

Montreal, March 30, 2004, Saturn (Solutions) Inc. announces that it has sold substantially all of the assets and related business of its St. Laurent (Montreal) CD manufacturing operations to Lemme Media Inc. of St. Laurent, Quebec, and that it has sold substantially all of the assets and related business of its Toronto operations, located in Markham, Ontario, to Inoveris, LLC of Dublin, Ohio. Both sales were authorized by the Quebec Superior Court, Commercial Division.

As a result of the sales, Saturn (Solutions) has disposed of all of its fixed assets and operations and is no longer carrying on business. The net proceeds of both sales, after payment of related expenses, will be applied to reduce Saturn's secured bank indebtedness.

On March 5, 2004, Saturn (Solutions) announced that it had filed a notice of intention to make a proposal to its creditors pursuant to the *Bankruptcy and Insolvency Act*, and that Richter & Associés Inc. had been appointed as trustee under the notice of intention. Saturn has now determined that it will not make a proposal to its creditors within the required 30-day period. As a result, Saturn (Solutions) will be deemed to have made an assignment in bankruptcy on April 4, 2004.

Saturn (Solutions) does not expect that shareholders will receive any of the proceeds from the sale of the assets or any other payment. It is possible that Saturn's unsecured creditors will receive a small percentage of amounts owed to them.
