PTI'S CURRENT AFFAIRS

9. PTI has had no commercial activities since the completion on December 21, 2007, of the Sale Transaction pursuant to the Order, rendered on December 10, 2008, authorizing same.

10. PTI and the Monitor are not aware of any expenses, incurred since November 28, 2007, that have not been paid and/or are in dispute.
11. PTI, with the assistance of Triton, is currently cooperating in the completion of a sales tax audit presently being performed by the Ministère du Revenu du Québec as well as completing the documentation to file its corporate tax returns.
12. PTI is continuing to seek advice from its attorneys and the Monitor in dealing with various matters relating to the wind-down of its affairs.
13. PTI intends to submit a Plan of Arrangement to its creditors once all the issues relating to priority and secured claims have been resolved.

MONITOR'S ADMINISTRATION

14. Pursuant to the completion of the Sale Transaction, the Monitor collected the initial sale proceeds and distributed them to PTI's secured creditors in accordance with their rank in satisfaction of all priorities and hypothecary interest.
15. The Monitor has also collected on March 3, 2008, from Triton, the first installment of \$1,000,000 of the balance of sale and distributed these funds to PTI's secured creditors in accordance with their rank in satisfaction of all priorities and hypothecary interest.
16. With regards to the remittance by Triton of the second installment of the balance of sale of \$1,000,000.00, which was due on June 1, 2008, PTI and the Monitor have agreed that Triton will pay said \$1,000,000.00 in four installments of \$250,000, with the last payment due no later than June 30th, 2008.
17. The transactions recorded in the Monitor's trust account are summarized in the Statement of Receipts and Disbursements for the period ended June 3rd, 2008, as shown in **Exhibit "A"**, attached hereto.
18. The funds presently on deposit in the Monitor's trust account are being invested to earn interest.

19. The Monitor has been responding to the on-going queries of PTI's various stakeholders and creditors.
20. On February 5, 2008, the Monitor gave notice to all known creditors of the Claims Process and advised them of the March 7, 2008 deadline to file their proof of claim with the Monitor.
21. The list of proofs of claims filed is submitted as **Exhibit "B"** attached hereto.
22. The Monitor is currently participating in the resolution of issues relating to the collocation of creditors' claims in accordance with the Claims Process. In this process, certain creditors have received a Notice of Disallowance of Claim.
23. The Monitor is continuing to deal with PTI's attorneys, Messrs. Fasken Martineau Walker and the Monitor's attorneys, Messrs. McCarthy Tetrault to finalize outstanding legal matters.

REQUEST FOR EXTENSION

24. The Petitioner's request to the Court for an extension to file a Plan of arrangement is reasonable for, amongst others, the following reasons:
 - a) To date, the Petitioner has paid for any and all approved goods and services received subsequent to the date of the Initial Order.
 - b) The Petitioner is winding down its affairs and continues to act in good faith and is cooperating with all stakeholders involved in this process, including but not limited to the Monitor, PTI's secured creditors as well as other creditors.
 - c) The Petitioner requested more time to resolve matters relating to any priority and secured claims, which, once resolved, will enable it to determine with greater clarity the terms of the Plan of Arrangement to be submitted to its creditors.

MONITOR'S RECOMMENDATION

25. The Monitor recommends that the Court grant the Petitioner an extension of the Initial Order until September 15, 2008 for the following principal reasons:

- a) The Petitioner has and continues to act in good faith and with diligence;
- b) The Petitioner's behaviour has not prejudiced its creditors;
- c) The Petitioner needs additional time to resolve matters relating to priority and secured claims and thereafter finalize the terms of the Plan of arrangement.

DATED AT MONTREAL, this 3rd day of June, 2008.

RSM RICHTER INC., CONTRÔLEUR
OBJET: Technologies Positron Inc. ("PTI")

État des recettes et débours du 21 décembre 2007 au 3 juin 2008

Notes

Note 1. En vertu d'une Ordonnance rendue par la cour le 10 décembre 2007, les éléments d'actif de l'entreprise ont été vendus le 21 décembre 2007, à Triton Electronique inc. ("Triton"). La transaction prévoyait un paiement à la date de clôture et une balance de prix de vente de 2 500 000 \$ payable au cours de l'année 2008. Le 3 mars 2008, Triton a effectué le premier versement de 1 000 000 \$.

En ce qui concerne la remise par Triton du deuxième versement de la balance de prix de vente au montant de 1 000 000 \$ du le 1^{er} juin 2008, PTI et le Contrôleur ont accepté que Triton paie ledit montant en quatre versements de 250 000 \$ et dont le dernier paiement est du au plus tard le 30 juin 2008. Le troisième versement de 500 000 \$ est du le 1^{er} décembre 2008.

Note 2. À même les sommes versées au contrôleur le 21 décembre 2007, une portion desdites sommes devait couvrir les chèques en circulation et le paiement des engagements de Triton concernant les achats et dépenses pour la période du 1^{er} décembre au 21 décembre 2007.

Suite à l'analyse effectuée, en date du 29 février 2008, des transactions au compte de banque de PTI et des paiements faits par Triton, il a été déterminé qu'un montant de 630 000 \$ devait être remboursé à Triton.

Note 3. Dans le cadre de la transaction de vente conclue le 21 décembre 2007, le contrôleur a utilisé une partie des fonds versés pour rembourser, le 24 décembre 2007, les avances de RBC Banque Royale, à titre de créancier garanti en vertu des sûretés détenues.

Note 4. Les détenteurs d'obligations dont les créances se chiffrent à 5 000 000 \$ se déclarent créanciers garantis, comme suit:

	Créance	1 ^{er} vers.	2 ^e vers.	Solde
Quorum Investment Pool Ltd Partnership obligation de 2 millions\$ (*)	\$ 2,000,000.00	\$ 1,484,522.14	\$ 478,333.60	\$ 37,144.26
Quorum Investment Pool Limited Partnership obligation de 1 million\$	1,000,000.00	742,261.07	239,166.79	18,572.14
Aaron Fish - obligation de 1 million\$	1,000,000.00	742,261.07	239,166.79	18,572.14
Positron Inc. - obligation de 1 million\$	1,000,000.00	742,261.07	239,166.79	18,572.14
	<u>\$ 5,000,000.00</u>	<u>\$ 3,711,305.35</u>	<u>\$ 1,195,833.97</u>	<u>\$ 92,860.68</u> (**)

En date du 24 décembre 2007, et du 14 mars 2008, à même les fonds versés au contrôleur, une portion desdits fonds, nette des réserves autorisées, a été payé aux créanciers garantis.

(*) Il est important de noter que le contrôleur conteste la validité des sûretés détenues par Quorum concernant l'obligation de 2 000 000 \$. Dans les circonstances, le contrôleur n'a pas versé à Quorum sa quote-part des argents disponibles pour rembourser cette dette.

(**) Avant de tenir compte des intérêts dus.

Note 5. L'Ordonnance Initiale rendue le 28 novembre 2008 prévoit une charge administrative pour le bénéfice de l'administrateur et de l'officier ("CRO").

À cet égard, les conseillers juridiques de PTI considèrent que les créances pouvant être assujetties à cette charge administrative concernent les vacances à payer en date du 28 novembre 2007. Les montants non versés aux employés, en date du 31 mai 2008, sont estimés à approximativement 262 500 \$.
