**TRUSTEE'S REPORT ON THE STATE OF THE INSOLVENT PERSONS'
BUSINESS AND FINANCIAL AFFAIRS**
(Pursuant to 50.4(7)(b)(ii) and 50.4(9) of the *Bankruptcy and Insolvency Act*)

I, Stéphane DeBroux, CPA, CA, CIRP of Richter Advisory Group Inc. ("Richter"), Trustee, with respect to the Notices of Intention to Make a Proposal ("Notices of Intention") filed by 2806436 Canada Inc. and 2818396 Canada Inc. (the "Debtors"), insolvent persons, do hereby report to the Court the following:

1. The Debtors were leading manufacturers of private label health and beauty care products in Canada. As part of their businesses, the Debtors offered to their customers' turnkey services for all of their private label needs, starting with the initial concept, the development of a formula, the marketing research, the design of the package to manufacturing and distribution.
2. On March 22, 2016, the Debtors filed each a Notice of Intention to Make a Proposal in accordance with the *Bankruptcy and Insolvency Act* ("the Act"), a copy of which has been annexed hereto as **Exhibit "A"**.
3. On the same date, the Debtors filed each an Application for the Issuance of Orders Authorizing a Sale of Assets (the "Sale Applications") seeking the authorization to sell all or substantially all of their assets as a going concern to Davion Inc., acting on behalf of 9338-9641 Québec Inc. (the "Purchaser"), whereby the Purchaser offered to purchase all or substantially all of the Debtors' assets, as a going concern (the "Transaction").
4. On March 24, 2016, the Court granted the Sale Applications and rendered in each file an order approving the Transaction, and authorizing the transfer of the Debtors' assets to the Purchaser free and clear of all charges (the "Purchased Assets").
5. On the same date, the Transaction closed and the purchase price was paid to the Trustee, acting as escrow agent. However, as further described below, some of the elements of the Transaction remain to be completed post-closing.

6. On March 29, 2016, documents were sent by mail to all creditors of the Debtors, as identified by them, which included a copy of the Debtors' Notices of Intention, as annexed hereto as **Exhibit "B"**.
7. On March 31, 2016, the Debtors filed with the Official Receiver a Statement of Projected Cash Flow ("Forecast") together with his report pursuant to Section 50.4(2)(c) of the Act, covering the period from March 28 to April 24, 2016, which included the major Assumptions used in the preparation of the Forecast. Concurrently therewith, the Trustee filed its Report on the reasonableness of the Forecast in accordance with Section 50.4(2)(b) of the Act, all of which have been annexed hereto as **Exhibit "C"**.
8. On April 18, 2016, the Debtors filed a Cash Flow Forecast for the period from April 18, 2016 to June 3, 2016 which included the major Assumptions used in the preparation of the aforementioned Forecast, the Trustee's Report on the reasonableness of the Forecast in accordance with Section 50.4(2)(b) of the Act and the Debtors' Report pursuant to Section 50.4(2)(c) of the Act.
9. On April 21, 2016, the Court issued an order granting the First extension until June 3, 2016.
10. On June 2, 2016, the Debtors filed a Cash Flow Forecast for the period from June 6, 2016 to July 18, 2016 which included the major Assumptions used in the preparation of the aforementioned Forecast, the Trustee's Report on the reasonableness of the Forecast in accordance with Section 50.4(2)(b) of the Act and the Debtors' Report pursuant to Section 50.4(2)(c) of the Act.
11. The Trustee has compared the actual results to the Forecast and the actual results to date have been consistent with the Forecast.
12. On June 3, 2016, the Court issued an order granting the Second extension until July 18, 2016.
13. Since the closing of the Transaction and the extensions, the Debtors and the Purchaser have been working towards transferring the business and operations in a manner which would allow such transition to appear seamless, to the extent possible, to the principal suppliers, clients and employees in order to reassure them of the Purchaser's intention in continuing the Debtors' business and operations and preserve the business relationship with such parties.
14. Amongst these parties are Shoppers Drug Mart and Loblaws, who were both, as at the closing of the Transaction, major clients of the Debtors, and with whom the Debtors and the Purchaser have and continue to spend considerable time in order to ensure that these clients will continue to do business with the Purchaser.
15. In addition to the foregoing, the Purchased Assets include a tax credit to which the Debtors were and remain entitled to pursuant to the Scientific Research and Experimental Development Tax Incentive Program (the "SR&ED Tax Credit") put in place by Canada Revenue Agency ("CRA"). However, since the SR&ED Tax Credit could not be assigned to the Purchaser, the Debtors and the Purchaser agreed that the filing of the required forms and supporting documentation allowing the Debtors to claim such SR&ED Tax Credit and remit it to the Purchaser upon reception would be made post-closing. As such, since the closing of the Transaction, the Debtors have taken various steps to complete and file the required forms with CRA, including the engagement of a third party consultant, in order to claim the SR&ED Tax Credit. The payment of the SR&ED Tax Credit will not only enable the Debtors to complete the Transaction but will also allow the Debtors to pay to the Centre d'aide aux entreprises de la rive-sud ("CAE") amounts owed to it (approx. \$208,000) pursuant to a Convention de Prêt (the "CAE Debt"). Since CAE holds a first ranking hypothec over the SR&ED Tax Credit, the Purchaser had agreed to assume the CAE Debt, on a limited recourse basis, up to the amount of the SR&ED Tax Credit.

16. The Debtors have recently been informed that payment by CRA of the SR&ED Tax Credit is imminent.
17. The Debtors have filed a Third Application to Extend the Delay for the Filing of a Proposal in order to facilitate the transfer of all of the Purchased Assets to the Purchaser.
18. Although progress has been made since the filing of the Second extension, an additional period of time remains necessary to ensure that the transition of the Debtors' business to the Purchaser be completed as swiftly and seamlessly as possible.
19. Finally, the Debtors also require more time in order to assess, with the assistance of their advisors, the possibility of filing a proposal to their creditors, in order to, inter alia, preserve various tax losses.
20. The Debtors have prepared an additional Cash Flow Forecast for the period ending September 4, 2016. Annexed hereto as **Exhibit "D"** is the Statement of Projection Cash Flow covering the period from July 19, 2016 to September 4, 2016 which includes the major Assumptions used in the preparation of the aforementioned Forecast, the Trustee's Report on the reasonableness of the Forecast in accordance with Section 50.4(2)(b) of the Act and the Debtors' Report pursuant to Section 50.4(2)(c) of the Act.
21. If the extension is granted, we are not aware that any creditor will be materially prejudiced.
22. The Debtors' principal secured lender is Canadian Imperial Bank of Commerce ("CIBC"). CIBC has been advised of the Debtors' Motion and does not oppose the extension sought herein.
23. In the event that the extension is not granted and a Bankruptcy ensues, the transition of the Debtors' business and the transfer of the Purchased Assets would likely be disrupted.
24. That given the foregoing, the Trustee hereby recommends the granting of the extension by the Court to September 1, 2016.

DATED AT MONTRÉAL, this 13th day of July 2016.

Trustee's Report on Cash-Flow Statement
(Paragraphs 50(6)(b) and 50.4(2)(b) of the Act)

In the Matter of the Notice of Intention to Make a Proposal of
2806436 Canada Inc.
Of the City of Boisbriand
In the Province of Quebec

The attached statement of projected cash flow of 2806436 Canada Inc, as of the 31st day of March 2016, consisting of the period from March 28 to April 24, 2016, has been prepared by the management of the insolvent person for the purpose described in the notes attached, using the probable and hypothetical assumptions set out in the notes attached.

Our review consisted of inquiries, analytical procedures and discussion related to information supplied to us by: the management and employees of the insolvent person or the insolvent person. Since hypothetical assumptions need not be supported, our procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the projection. We have also reviewed the support provided by: management or the insolvent person for the probable assumptions and preparation and presentation of the projection.

Based on our review, nothing has come to our attention that causes us to believe that, in all material respects,

- (a) the hypothetical assumptions are not consistent with the purpose of the projection;
- (b) as at the date of this report, the probable assumptions developed are not suitably supported and consistent with the plans of the insolvent person or do not provide a reasonable basis for the projection, given the hypothetical assumptions; or
- (c) the projection does not reflect the probable and hypothetical assumptions.

Since the projection is based on assumptions regarding future events, actual results will vary from the information presented even if the hypothetical assumptions occur, and the variations may be material. Accordingly, we express no assurance as to whether the projection will be achieved.

The projection has been prepared solely for the purpose described in the notes attached, and readers are cautioned that it may not be appropriate for other purposes.

Dated at the City of Montréal in the Province of Quebec, this 31st day of March 2016.

In the Matter of the Notice of Intention to Make a Proposal of

In the Province of Quebec

The attached statement of projected cash flow of 2818396 Canada Inc, as of the 31st day of March 2016, consisting of the period from March 28 to April 24, 2016, has been prepared by the management of the insolvent person for the purpose described in the notes attached, using the probable and hypothetical assumptions set out in the notes attached.

Our review consisted of inquiries, analytical procedures and discussion related to information supplied to us by: the management and employees of the insolvent person or the insolvent person. Since hypothetical assumptions need not be supported, our procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the projection. We have also reviewed the support provided by: management or the insolvent person for the probable assumptions and preparation and presentation of the projection.

Based on our review, nothing has come to our attention that causes us to believe that, in all material respects,

(a) the hypothetical assumptions are not consistent with the purpose of the projection;

(b) as at the date of this report, the probable assumptions developed are not suitably supported and consistent with the plans of the insolvent person or do not provide a reasonable basis for the projection, given the hypothetical assumptions; or

(c) the projection does not reflect the probable and hypothetical assumptions.

Since the projection is based on assumptions regarding future events, actual results will vary from the information presented even if the hypothetical assumptions occur, and the variations may be material. Accordingly, we express no assurance as to whether the projection will be achieved.

The projection has been prepared solely for the purpose described in the notes attached, and readers are cautioned that it may not be appropriate for other purposes.
