

I am satisfied that the
 Stalking Horse purchase agreement (Nuvo)
 is the result of an exhaustive fair and
 open process that is in the best interests
 of the debtors. It is approved. The stay
 extension is required and reasonable. See monitor's report.
 The following orders are to be granted

to day:

- 1) Stay extension to February 1, 2019
- 2) CCAA Termination Order; and
- 3) Approval and Vesting Order.

I have signed 1, 2 + 3. The debtors will
 bring a clean copy of (2) ~~plus a separate~~
~~stay extension order~~ to my chambers at
 361 University Way for signature.
