**MOTION FOR A FOURTH EXTENSION OF THE INITIAL ORDER AND APPROVAL
OF AMENDMENTS TO PETITIONER'S AMENDED AND RESTATED PLAN OF
REORGANIZATION AND COMPROMISE
(Section 11.02 of the *Companies' Creditors Arrangement Act* ("CCAA"))**

TO THE HONOURABLE CHRISTIANE ALARY, J.S.C., THE PETITIONER
RESPECTFULLY SUBMITS AS FOLLOWS:

I. PROCEEDINGS UP TO THIS FOURTH EXTENSION

1. On February 6, 2010, this Court issued an order pursuant to section 11.02 of the CCAA (the "Initial Order") in respect of ConjuChem Biotechnologies Inc. ("ConjuChem").
2. The Initial Order established March 9, 2010 as the "Stay Termination Date" (as defined therein) and subsequent orders of this court have currently extended the Stay Termination Date to June 30, 2010.
3. Following the issuance of the Initial Order and pursuant to the SI Process (a sales or investment process, as defined in the Initial Order), ConjuChem and the Monitor received a letter of intention (the "LOI") on behalf of a group of investors (the "Investors") describing their intention to recapitalize ConjuChem and finance a distribution to creditors under a Plan of Reorganization and Compromise to be submitted to its creditors.

4. Further to the LOI, ConjuChem and Bloom Burton & Co. ("**Bloom Burton**") on behalf of the Investors agreed to the terms of a Subscription Agreement under the terms of which the Investors are to provide ConjuChem with the funds required to fund the distributions to creditors under its proposed Plan of Reorganization and Compromise (which was filed on May 17, 2010 as Exhibit R-2 to ConjuChem's *Motion for an order setting the procedures with respect to the convening and conduct of a meeting of creditors* and hereinafter the "**Plan**") and other expenses and ongoing operations.
5. On May 7, 2010, this Court authorized ConjuChem to convene a meeting of its creditors on June 11, 2010 to consider and vote on the Plan, as more fully appears from the Court record and the Creditors Meeting Order of this Court dated May 17, 2010.
6. At that time, the terms of the Plan contemplated June 18, 2010 as the date by which ConjuChem would remit to the Monitor the funds required to pay the Distribution Amount (as defined in the Plan) to the Affected Creditors of ConjuChem.
7. The meeting of ConjuChem's Affected Creditors was convened, held and conducted in Montréal, Québec, in accordance with the Creditors' Meeting Order.
8. At the meeting, the Plan was amended in order to *inter alia* amend the June 18, 2010 date (see paragraph 6 above) to June 25, 2010.
9. The ConjuChem Plan was overwhelmingly approved by the following majorities:
 - a) 100% of the Debentureholders voting in person or by proxy; and
 - b) 100% of the General Affected Unsecured Creditors voting in person or by proxy.
10. The Plan as amended, namely the Amended and Restated Plan of Reorganization and Compromise (the "**Amended Plan**") was filed in the Court record as Exhibit R-1 to ConjuChem's "Motion to Sanction Petitioner's Amended and Restated Plan of Reorganization and Compromise" and was sanctioned by this Court on June 15, 2010 as more fully appears from the Court record and the Sanction Order of this Court dated June 15, 2010.
11. However and although Bloom Burton and ConjuChem have secured approximately 85% of the total subscription amount, the final group of Investors is not yet completed as a result of a shift in investment strategies by several potential investors over the course of the past few weeks and Bloom Burton and ConjuChem have therefore not been able to secure the total subscription amount from the Investors prior to the June 25, 2010 date prescribed by section 6.5 of the Amended Plan.
12. Bloom Burton and ConjuChem are nonetheless confident that raising the full subscription amount is only a question of time and that they will effectively raise such amount within the new timeline to be set out by the order sought herein,

namely the postponement of the June 25, 2010 date to July 13, 2010 and the extension of the Stay Termination Date to July 15, 2010.

13. This new timeline has been communicated to some of ConjuChem's major stakeholders, namely:
 - a) Ahab Capital Management, Inc. ("**AHAB**");
 - b) Franklin Templeton Investments ("**Franklin**");
 - c) Athyrium Capital Management ("**Athyrium**"); and
 - d) Baker Brothers Investments ("**Baker**").

14. Those stakeholders, hereinafter referred to as the Debentureholders, hold or represent holders who hold approximately the following principal amounts of Convertible Debentures:
 - a) AHAB: \$2,000,000;
 - b) Franklin: \$1,500,000;
 - c) Athyrium: \$12,000,000; and
 - d) Baker: \$3,520,000

which represent approximately 95% in value of the Convertible Debentures and approximately 86% of ConjuChem's total pre-filing liabilities or 91.5% of all Proven Claims.

15. Also, Bloom Burton and ConjuChem have been informed that some of the Debentureholders are among the Investors and that they wish to pay their respective subscription amounts, in part or in totality, as the case may be, with the amount of the distribution they are entitled to under the terms of the Amended Plan.

16. In order to accommodate such Debentureholders, the Amended Plan requires the amendments underlined in the Re-Amended and Restated Plan of Reorganization and Compromise attached hereto as Exhibit **R-1**, which also underlines the above described amendment to section 6.5 and all of which amendments are hereinafter referred to as the "**Amendments**";

17. Bloom Burton has agreed to the Amendments.

18. As appears from the updated Weekly Cash Flow Projections to July 31, 2010, filed herewith as exhibit **R-2**, ConjuChem is able to meet its obligation during such period and none of ConjuChem's creditors will suffer any real prejudice as a result of an extension of the Stay Termination Date up to and including July 15, 2010.

19. ConjuChem believes that the extension of the Stay Termination Date as requested herein is to the benefit of all of its stakeholders.
20. The Monitor has indicated that it will be filing the Monitor's Fourth Report which shall support the present motion.
21. Since the issuance of the Initial Order, ConjuChem has acted and continues to act in good faith, with due diligence and towards the implementation of its Plan which will preserve the business of ConjuChem and maximize value for all of its stakeholders.

II. PURPOSE OF THE MOTION

22. Accordingly, Petitioner hereby seeks an order from this Court i) extending the Stay Termination Date, up to and including July 15, 2010 which date shall then be the new Stay Termination Date, the whole subject to all other terms of the Initial Order and ii) approving the Amendments.
23. During that extension, ConjuChem intends to finalize raising the subscription amount under the Subscription Agreement and pay its creditors under the terms of its Re-Amended and Restated Plan of Reorganization and Compromise (Exhibit R-1).

III. GENERAL

24. Petitioner has served the present motion following the formalities provided for in the Initial Order to all parties who filed a Notice of Appearance in this file and to the Debentureholders.
25. Petitioner respectfully submits that the notices given of the presentation of the present motion are adequate and sufficient.
26. The present motion is well founded in fact and in law.

WHEREFORE MAY IT PLEASE THIS HONOURABLE COURT TO:

27. **GRANT** the present motion;
28. **DECLARE** that the notices given of the presentation of the present motion are adequate and sufficient;
29. **APPROVE** the amendments to the Petitioner's Amended and Restated Plan of Reorganization and Compromise, as such amendments appear in Petitioner's Re-Amended and Restated Plan of Reorganization and Compromise (Exhibit R-1);
30. **ORDER** that the Stay Termination Date as defined in the Initial Order, is extended by this Court up to and including July 15, 2010;
31. **DECLARE** that the Initial Order shall be otherwise unchanged;

32. **ORDER** the provisional execution of the Order notwithstanding any appeal without the necessity of furnishing any security;

THE WHOLE WITHOUT COSTS save and except in case of contestation.

- (a) The Board shall from time to time designate the *bona fide* directors, officers, employees or Consultants of the Company or one of its Subsidiaries to whom options shall be granted (an “Optionee”) and the number of Shares covered by each of such options. Any Optionee may hold more than one option. The granting of each option shall be evidenced by a notice of grant from the Company, substantially in the form of the notice attached hereto as Schedule 1, addressed to the Optionee setting forth the number of Shares covered by such option, the subscription price, the terms and conditions of exercise of the option and the option period.
- (b) The number of Shares underlying options granted to Insiders, at any time, under the Plan and any other Securities Based Compensation Arrangement cannot exceed 10% of the issued and outstanding Shares.
- (c) The number of Shares underlying options granted to Insiders, within any one year period, under the Plan and any other Securities Based Compensation Arrangement cannot exceed 10% of the issued and outstanding Shares.
- (d) The number of Shares underlying options granted to any one Consultant, within any one year period, under the Plan and any other Securities Based Compensation Arrangement cannot exceed 2% of the issued and outstanding Shares.
- (e) The number of Shares underlying options granted to any one employee of the Company or its Subsidiaries conducting Investor Relations Activities, within any one year period, under the Plan and any other Securities Based Compensation Arrangement cannot exceed 2% of the issued and outstanding Shares.

6. Subscription Price

- (a) The subscription price for each Share underlying an option shall be established by the Board, but such price shall not be less than the closing price per Share on the

Exchange on the trading day immediately preceding the day of grant of such option (the "**Subscription Price**"). If the Shares are not traded on the Exchange on such trading day, then the next preceding trading day on which a trade took place shall be used.

7. Option Period

- (a) Subject to the provisions of subsections 7(b) and (c), each option shall be exercisable in equal annual instalments over a three to five year period from the date of grant or during such other period as may be established by the Board, at its sole discretion (the "**Option Period**"); such period shall commence not earlier than the date of the granting of the option and shall terminate not later than 10 years after such date.
- (b) Options issued to Consultants performing Investor Relations Activities must vest in stages over 12 months with no more than 1/4 of the options vesting in any three month period.
- (c) Notwithstanding the provisions of subsection 7(a) and 7(b), an option shall not be exercisable by an Optionee from and after each and every one of the following dates (an "**Early Expiry Date**"), unless the Board decides otherwise:
 - (i) in the case where the Optionee is an officer or employee of the Company or one of its Subsidiaries, 90 days after the date on which the Optionee resigns, voluntarily leaves his/her employment with the Company or one of its Subsidiaries, or an Optionee's employment with the Company or one of its Subsidiaries is terminated, (ii) in the case where the Optionee is a Consultant of the Company or one of its Subsidiaries, 90 days after the date on which the Optionee ceases to be a Consultant of the Company or one of its Subsidiaries for any reason other than death, or (iii) in the case where the Optionee is a director of the Company or one of its Subsidiaries, but is not employed by either the Company or one of its Subsidiaries, 90 days after the date on which such Optionee ceases to be a member of the relevant Board of Directors for any reason other than death;
 - (ii) in the case where the Optionee is an officer or employee of the Company or one of its Subsidiaries, six months following the date on which the Optionee's employment with the Company or one of its Subsidiaries is terminated by reason of death, (ii) in the case where the Optionee is a Consultant of the Company or one of its Subsidiaries, six months following the date on which the Optionee ceases to be a Consultant of the Company or one of its Subsidiaries by reason of death, or (iii) in the case where the Optionee is a director of the Company or one of its Subsidiaries, but is not employed by either the Company or one of its Subsidiaries, six months following the date on which such Optionee ceases to be a member of the relevant board of directors by reason of death;
 - (iii) 90 days following the date on which the Optionee's employment with the Company or one of its Subsidiaries is terminated for any cause or reason

other than those mentioned in paragraphs 7(c)(i), 7(c)(ii) and (iv) including, without limiting the scope of the foregoing, disability, illness, retirement or early retirement; or

- (iv) immediately in the case where the Optionee ceases to be eligible to receive options under the Plan as a result of being dismissed from its office or employment for Cause or upon an Optionee's contract as a Consultant being terminated before its normal termination date for Cause, including where an Optionee resigns its office or employment or terminates its office or employment or terminates its contract as a Consultant after being requested to do so by the Company or Subsidiary, as applicable, as an alternative to being dismissed or terminated for Cause.

Such rules shall not be interpreted in such a manner as to extend the Option Period beyond 10 years.

- (d) If the date on which an option expires is during or within 10 Business Days after the last day of a black out period during which a policy of the Company prevents an Insider from trading the Shares, the expiry date (including for greater certainty the Early Expiry Date) for the option shall be the last day of such 10 Business Day period.
- (e) All rights conferred by an option not exercised at the termination of the Option Period or from and after any Early Expiry Date shall be forfeited.

8. Exercise of Options

- (a) Subject to the provisions of Section 7, an option may be exercised in whole, at any time, or in part from time to time, during the Option Period, but in all cases in accordance with the exercise frequency established by the Board and applicable at the time of the grant.
- (b) An option may be exercised by written notice to the Secretary of the Company, substantially in the form of the notice attached hereto as Schedule 2. Such notice shall set forth the number of Shares subscribed and the address to which the certificate evidencing such Shares is to be delivered and shall also be accompanied by a certified cheque made payable to the Company in the amount of the Subscription Price. The Company shall cause a certificate for the number of Shares specified in the notice to be issued in the name of the Optionee and delivered to the address specified in the notice no later than 10 Business Days following the receipt of such notice and cheque.
- (c) The Company shall withhold taxes to the extent required by applicable law in respect of any amounts under this Plan.

9. No Assignment

- (a) No option or interest therein shall be assignable or transferable by the Optionee other than by will or the laws of succession. During the lifetime of the Optionee, options

granted hereunder shall be exercisable only by the Optionee or the Optionee's legal representative.

10. Not a Shareholder

- (a) An Optionee shall have no rights as a shareholder of the Company with respect to any Shares underlying his/her option until he/she shall have become the holder of record of such Shares.

11. Offer for Shares of the Company

- (a) In the event that, at any time, an offer to purchase is made to all holders of Shares, notice of such offer shall be given by the Company to each Optionee and all unexercised options will become exercisable immediately at the Subscription Price, but only to the extent necessary to enable an Optionee to tender his/her Shares in response to the offer should an Optionee so desire.

12. Adjustments to shares

- (a) The number of Shares delivered to an Optionee upon exercise of an option shall be adjusted in the following events and manner, subject to the right of the Board to make such additional or other adjustments as it considers appropriate in the circumstances:
- (i) upon a subdivision of the Shares into a greater number of Shares, a consolidation of the Shares into a lesser number of Shares or the issue of a stock dividend to holders of the Shares (other than dividends in the ordinary course), the number of Shares authorized to be issued under the Plan, the number of Shares receivable on the exercise of an option and the Subscription Price thereof shall be increased or reduced proportionately and the Company shall deliver upon the exercise of an option, in addition to or in lieu of the number of Shares covered by an option in respect of which the right to purchase is being exercised and without the Optionee making any additional payment, such greater or lesser number of Shares as results from the subdivision, consolidation or stock dividend;
 - (ii) upon the distribution by the Company to holders of the Shares of shares of any class (whether of the Company or another corporation, but other than Shares), rights, options or warrants, evidences of indebtedness or cash (other than dividends in the ordinary course), other securities or other assets, the Company shall deliver upon exercise of an option, in addition to the number of Shares covered by an option in respect of which the right to purchase is being exercised and without the Optionee making any additional payment, such other securities, evidence of indebtedness or assets as result from such distribution; and
 - (iii) upon a capital reorganization, reclassification or change of the Shares, a consolidation, merger, amalgamation, arrangement or other form of corporate reorganization or combination of the Company with another corporation or a

sale, lease or exchange of all or substantially all of the assets of the Company, the Company shall deliver upon exercise of an option, in lieu of the Shares covered by an option in respect of which the right to purchase is being exercised, the kind and amount of shares or other securities or assets as result from such event.

The purpose of such adjustments is to ensure that any Optionee exercising an Option after any such event shall be in substantially the same position as such Optionee would have been in if he or she had exercised the Option prior to such event.

- (b) An adjustment shall take effect at the time of the event giving rise to the adjustment, and the adjustments provided for in this Section 12 are cumulative.
- (c) The Company shall not be required to issue fractional Shares or other securities under the Plan and any fractional interest in a Share or other security that would otherwise be delivered upon the exercise of an Option shall be cancelled.
- (d) Except as expressly provided in this Section 12 or as determined by the Board, neither the issue by the Company of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to, the number of Shares that may be acquired on the exercise of any outstanding option or the Subscription Price of any outstanding option.

13. Amendment and Termination

- (a) The Board may, from time to time, in its sole discretion, amend, suspend or terminate the Plan, any portion thereof or any outstanding option, in accordance with and subject to applicable legislation and Exchange rules, without obtaining the approval of the shareholders of the Company. Any amendment to any provision of the Plan or of any outstanding option will be subject to any required regulatory approval or shareholder approval. Furthermore, to the extent that an amendment would materially prejudice the rights of an Optionee under an option previously granted, the consent or deemed consent of the Optionee shall be required for such amendment.
- (b) Notwithstanding any provision of the Plan, the Company will be required to obtain the approval of the shareholders of the Company for any amendment relating to any increase of the number of Shares reserved for issuance under the Plan pursuant to Section 4(a) (and under any other Security Based Compensation Arrangement of the Company).
- (c) Notwithstanding any provision of the Plan, the Company will be required to obtain Disinterested Shareholder Approval in order to decrease the Subscription Price for any Shares underlying options held by Insiders.

For the purposes hereof, “**Disinterested Shareholder Approval**” means the approval by the majority of votes cast by all shareholders of the Company at a shareholders’ meeting, excluding votes attaching to shares beneficially owned by

Insiders to whom options may be granted under the Plan and associates of such Insiders.

14. Final Provisions

- (a) The Plan, the grant and exercise of options under the Plan and the Company's obligation to issue Shares on exercise of options shall be subject to all applicable federal, provincial and foreign laws, rules and regulations and the rules of any regulatory authority or stock exchange on which the securities of the Company are listed. No option shall be granted and no Shares shall be issued under the Plan where such grant or issue would require registration of the Plan or of such Shares under the securities laws of any foreign jurisdiction and any purported grant of any option or issue of Shares in violation of this provision shall be void. Shares issued to Optionees pursuant to the exercise of options may be subject to limitations on sale or resale under applicable securities laws.
- (b) The participation in the Plan of a director, an officer, an employee or a Consultant of the Company or one of its Subsidiaries shall be entirely optional and shall not be interpreted as conferring upon a director, an officer, an employee or a Consultant of the Company or one of its Subsidiaries any right or privilege whatsoever, except for the rights and privileges set out expressly in the Plan.
- (c) Neither the Plan nor any act that is done under the terms of the Plan shall be interpreted as restricting the right of the Company or one of its Subsidiaries to terminate the employment of an officer or employee, the consulting agreement of a Consultant or the appointment of a member of the Board or the board of directors of any of its Subsidiaries at any time.
- (d) Any notice of dismissal given to an officer or employee at the time his/her employment is terminated, or any payment in the place and stead of such notice, or any combination of the two, shall not have the effect of extending the duration of the employment for purposes of the Plan.
- (e) No director, officer, employee or Consultant of the Company or one of its Subsidiaries shall acquire the automatic right to be granted one or more options under the terms of the Plan by reason of any previous grant of options under the terms of the Plan.
- (f) The Plan does not provide for any guarantee in respect of any loss or profit which may result from fluctuation in the price of the Shares.
- (g) The Company and its Subsidiaries shall assume no responsibility as regards the tax consequences that participation in the Plan shall have for a director, an officer, an employee or a Consultant of the Company or one of its Subsidiaries, and such persons are urged to consult their own tax advisors in such regard.
- (h) The Plan and any option granted under the terms of the Plan shall be governed by and interpreted according to the laws of the province of Quebec and the laws of Canada applicable thereto.
