SECOND REPORT OF THE TRUSTEE ON THE STATE OF PETITIONER'S BUSINESS AND FINANCIAL AFFAIRS

I, Olivier Benchaya, CPA, CA, CIRP, LIT of Richter Advisory Group Inc. ("**Richter**" or the "**Trustee**"), the trustee under the Notice of Intention to make a Proposal filed by Greatex Mills Inc. (hereinafter the "**Debtor**"), hereby report to the Court as follows:

INTRODUCTION

- On June 13, 2018, the Debtor filed a Notice of Intention to make a Proposal (the "NOI") in accordance with Section 50.4(1) of the *Bankruptcy and Insolvency Act* (the "Act"), a copy of which is annexed hereto as Exhibit "A".
- 2. On June 20, 2018, documents were sent by regular mail to all creditors of the Debtor, as identified by it, which included a copy of the Debtor's Notice of Intention, as annexed hereto as **Exhibit "B"**.

- 3. On June 21, 2018, the Debtor filed with the Official Receiver a Statement of Projected Cash Flow ("Projections") together with his report pursuant to Section 50.4(2)(c) of the Act, covering the period from the week ending June 15, 2018 to the week ending July 20, 2018, which included the major Assumptions used in the preparation of the Projections. Concurrently therewith, the Trustee filed its Report on the reasonableness of the Projections in accordance with Section 50.4(2)(b) of the Act, all of which is annexed hereto as Exhibit "C".
- 4. On July 4, 2018, the Debtor sought, and the Court issued, an order authorizing a sale and solicitation process to market and sell the Debtor's assets and extending the delay under the NOI for the Debtor to make a proposal until August 20, 2018 (the "SSP Order").
- 5. In order to monitor the affairs and finances of the Debtor, the Trustee has been provided with access to the books, records and other important documents of the Debtor.
- 6. The Debtor has been paying its suppliers and employees, on a timely basis, for goods and services provided subsequent to the date of the filing of the NOI, according to the current business terms. The Trustee has compared the actual results to those projected since the filing of the Notice of Intention. The actual results to date have been favorable.
- 7. The Trustee has made all motions and orders in this matter available on its internet micro-site.

PURPOSE OF THIS REPORT

- 8. The purpose of this Report is to provide this Court with information pertaining to:
 - a) Background information with respect to the Debtor and its operations;
 - b) The Debtor's activities since the issuance of the SSP Order and the Trustee's recommendation with respect to the Debtor's application for an extension.

TERMS OF REFERENCE

- 9. In preparing this Report, the Trustee has relied upon unaudited financial information prepared by the Debtor's representatives, the Debtor's books and records, and discussions with the Debtor's representatives and legal counsel. The Trustee has not audited, reviewed, or otherwise attempted to verify the accuracy or completeness of such information. Future oriented financial information reported or relied on in preparing this report is based on management's assumptions regarding future events; actual results may vary from the forecast and such variations may be material.
- 10. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian dollars.

BACKGROUND AND OPERATIONS OF THE DEBTOR

- 11. Greatex Mills Inc. is a designer and distributor of textile materials for the furniture industry and is located at 1625 Chabanel St. West, Suite 201 in Montreal, Québec, Canada. The Debtor is a family owned business which supplies furniture manufacturers all over the world.
- 12. The Debtor has been owned by the Lewis family since the early 1990's. Currently, three generations of the Lewis family work for the Debtor in different capacities. The Debtor currently employs approximately 15 employees. The Debtor's success over the years has been largely attributable to their innovative designs and exclusive product offerings. Since the start of operations, the Debtor's management has successfully established strategic partnerships with its suppliers and customers.
- 13. The NOI was filed in a context where:
 - a) The Debtor has been experiencing significant competition from furniture manufacturers and textile distributors who are buying directly from textile producers and therefore impacting the Debtor's position in the marketplace;
 - b) The Debtor suffered a significant loss from one of its major distributors in the US as a result of a defective shipment. This loss caused an important strain on the Debtor's liquidity and has eroded its capital base;
 - c) As a result of the above, the business has been negatively impacted and its current performance has decreased to the point of insolvency;
 - d) Consequently, on May 8, 2018, the Toronto Dominion Bank ("TD Bank") issued a notice pursuant to Section 244 of the *BIA* of its intention to enforce its security on all or substantially all of the property and has demanded repayment of such loans;
 - e) Given its defaults under the TD Bank credit facility and its insolvency, it was determined that it was in the best interests of the Debtor to file the NOI and enter into a formal restructuring process.
- 14. The Debtor's assets consist primarily of inventory with a book value of approximately \$4.4 million (\$1.4M located in Montreal, \$700,000 in the US and \$2.3M in Germany) and accounts receivable with a book value of approximately \$3.9 million.

SECURED LENDERS

- 15. The Debtor has two secured creditors:
 - a) TD Bank for an amount of approximately \$1.2M as at August 15, 2018;
 - b) Business Development Bank of Canada ("**BDC**") for an amount of approximately \$670K as at August 15, 2018.
- 16. The Trustee has obtained an opinion from independent legal counsel confirming the validity and enforceability of the security granted by the Debtor in favour of TD Bank and BDC.

DEBTOR'S ACTIVITIES SINCE THE SSP ORDER AND THE TRUSTEE'S RECOMMENDATION WITH RESPECT TO THE DEBTOR'S APPLICATION FOR AN EXTENSION

- 17. Since the issuance of the SSP Order, Management has implemented certain restructuring measures which include, generally:
 - a) Soliciting parties potentially interested in purchasing some or all of the Debtor's assets;
 - b) Headcount reductions and other overhead rationalizations;
 - c) The liquidation of slow-moving and excess inventory;
 - d) Increased efforts to collect its accounts receivable.
- 18. More specifically, the Debtor initiated a solicitation process with the assistance and under the supervision of the Trustee in order to market and solicit offers for the business and assets relating thereto (the "Sale Process").
- 19. The Trustee sent teaser documents to over 30 targets in the same or similar industry as the Debtor, auctioneers, liquidators and other potentially interested parties.
- 20. The Debtor established an electronic data room where the Debtor's financial and operational information was made available to parties that signed a non-disclosure agreement (each a "NDA"). Ultimately, 6 parties signed a NDA.
- 21. The Sale Process lasted for a period of approximately 3 weeks. Ultimately, only one offer was received which was refused by the Debtor due to the insufficiency of such offer. The Trustee advised such offeror of the refusal of its offer by way of written notice.
- 22. The Debtor has continued its operations and has consistently sold its inventory in order to maximize recovery.

- 23. Most recently, a party who participated in the Sale Process has expressed interest in purchasing some of the Debtor's assets and has submitted an offer. Such offer is currently in the process of being negotiated with the offeror and the Debtor's secured creditors. Additionally, another party has expressed interest in acquiring certain of the Debtor's assets.
- 24. The Debtor has made a Motion to Extend the Delay for the Filing of a Proposal in order to allow it to proceed with negotiating with such interested parties and its secured lenders and to have enough time to explore the possibility of presenting a proposal to its ordinary creditors.
- 25. Annexed hereto as **Exhibit "D"** is the Statement of Projected Cash Flow covering the period from the week ending August 17, 2018 to the week ending October 5, 2018, the Trustee's Report on the reasonableness of the Projections in accordance with Section 50.4(2)(b) of the Act and the Debtor's Report pursuant to Section 50.4(2)(c) of the Act.
- 26. The Trustee supports the extension sought by the Debtor in its Motion for the following reasons:
 - a) the Debtor has acted and continues to act in good faith and with due diligence;
 - b) the Trustee is not aware of any facts indicating that any creditor would be materially prejudiced should the extension sought be granted;
 - c) if the extension sought is not granted, an immediate bankruptcy will ensue resulting in the loss of 15 jobs, the loss of the going-concern value of the business and the Debtor's ability to conclude a transaction with the currently interested parties will be diminished; and
 - d) any ability of the Debtor to make a proposal to its creditors depends on the efforts described above, which efforts will only continue if the extension sought is granted.
- 27. Given the foregoing, the Trustee hereby recommends the granting of the extension by the Court to October 4, 2018.

Respectfully submitted at Montreal, this 20th day of August, 2018.

FORM 29 Trustee's Report on Cash-Flow Statement (Paragraphs 50(6)(b) and 50.4(2)(b) of the Act)

In the Matter of the Notice of Intention to make a Proposal of Greatex Mills Inc. of the City of Montréal in the Province of Québec

The attached statement of projected cash flow of Greatex Mills Inc., as of the 13th day of June 2018, consisting of the period from June 11 to July 20 2018, has been prepared by the management of the insolvent person for the purpose described in the notes attached, using the probable and hypothetical assumptions set out in the notes attached.

Our review consisted of inquiries, analytical procedures and discussion related to information supplied to us by the management and employees of the insolvent person. Since hypothetical assumptions need not be supported, our procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the projection. We have also reviewed the support provided by management for the probable assumptions and preparation and presentation of the projection.

Based on our review, nothing has come to our attention that causes us to believe that, in all material respects,

- (a) the hypothetical assumptions are not consistent with the purpose of the projection;
- (b) as at the date of this report, the probable assumptions developed are not suitably supported and consistent with the plans of the insolvent person or do not provide a reasonable basis for the projection, given the hypothetical assumptions; or
- (c) the projection does not reflect the probable and hypothetical assumptions.

Since the projection is based on assumptions regarding future events, actual results will vary from the information presented even if the hypothetical assumptions occur, and the variations may be material. Accordingly, we express no assurance as to whether the projection will be achieved.

The projection has been prepared solely for the purpose described in the notes attached, and readers are cautioned that it may not be appropriate for other purposes.
