**TRUSTEE'S REPORT ON THE STATE OF THE INSOLVENT PERSON'S
BUSINESS AND FINANCIAL AFFAIRS**

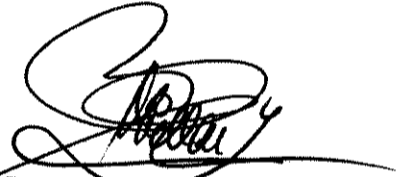

I, Gilles Robillard, CA, of Richter & Associés Inc., Trustee, with respect to the Notice of Intention to Make a Proposal ("Notice of Intention") filed by J.L. de Ball Canada Inc., ("De Ball" or "Company") an insolvent person, do hereby report to the Court the following:

1. That on February 4, 2004, the Debtor filed a Notice of Intention to Make a Proposal in accordance with the *Bankruptcy and Insolvency Act* ("the Act"), a copy of which has been annexed hereto as Exhibit "A."
2. That on February 11, 2004, documents were sent by regular mail to all creditors of the Debtor, as identified by it, which included a copy of the Debtor's Notice of Intention, as annexed hereto as Exhibit "B."
3. That on February 12, 2004 the Debtor filed with the Official Receiver a Statement of Projected Cash Flow ("Forecast") together with his report pursuant to Section 50.4(2)(c) of the Act, covering the period February 7, 2004 to March 5, 2004, which included the major Assumptions used in the preparation of the aforementioned Forecast. Concurrently therewith, the Trustee filed its Report on the reasonableness of the Forecast in accordance with Section 50.4(2)(b) of the Act, all of which have been annexed hereto as Exhibit "C."
4. That the Trustee has compared the actual results to those forecasted from February 7, 2004 to March 5, 2004 which is annexed as Exhibit "D". The actual results have been favorable.
5. That in order to monitor the affairs and finances of the Debtor, we have been provided with access to the books, records and other important documents of the Company.
6. That the Debtor has filed a Motion to Extend the Delay for the Filing of a Proposal ("Motion"), as annexed in Exhibit "E," in order to enable it to continue to develop its reorganization plan. A key component of the Company / shareholder's plan is to pursue an acquirer / investor for the company. The Company requires additional time to canvas the market and identify a purchaser/investor, and develop a proposal to the creditors.

7. That the Debtor has prepared an additional Cash Flow Forecast for the period ending April 15, 2004 which indicates that the Company expects to continue to operate within its authorized credit limits. Annexed hereto as Exhibit "F" is the Statement of Projected Cash Flow covering the period March 2, 2004 to April 15, 2004 which includes the major Assumptions used in the preparation of the aforementioned Forecast, the Trustee's Report on the reasonableness of the Forecast in accordance with Section 50.4(2)(b) of the Act and the Debtor's Report pursuant to Section 50.4(2)(c) of the Act.
8. That if the extension is granted, we are not aware that any creditor will be materially prejudiced. We are furthermore aware that BMO Bank of Montréal, the secured creditor, does not object to the contemplated extension and advises it will continue to provide its current credit facilities providing De Ball respects its margin covenant.
9. That in the event that the extension is not granted and a Bankruptcy ensues, any reorganization efforts of the business would cease, the whole resulting in a substantial shortfall to the creditors. Consequently, the creditors' best opportunity to maximize recovery in this matter is to allow the Company time to continue its reorganization efforts and to attempt to identify a purchaser/investor and to formulate a Proposal.
10. That given the foregoing, the Trustee hereby recommends the granting of the extension by the Court being forty-five (45) days from the hearing date of the Motion.

DATED AT MONTREAL, this 2nd day of March, 2004.

Report on Cash-Flow Statement by the Person Making the Proposal
(Paragraph 50.4(2)(c) of the Act)

The Management of the above-noted Debtor has developed the assumptions and prepared the attached statement of projected cash flow of the insolvent person, as of the 2nd day of March, 2004, consisting of a statement of projected cash receipts and disbursement, including notes thereto, covering the period from the 2nd day of March, 2004 to the 15th day of April, 2004.

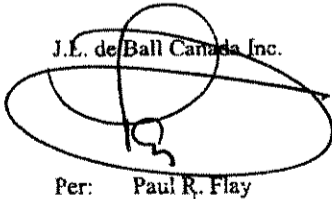

The hypothetical assumptions are reasonable and consistent with the purpose of the projection described in Note 1, and the probable assumptions are suitably supported and consistent with the plans of the insolvent person and provide a reasonable basis for the projection. All such assumptions have been disclosed in Note 2.

Since the projection is based on assumptions regarding future events, actual results will vary from the information presented and the variations may be material.

The projection has been prepared solely for the purpose described in Note 1, using a set of probable and hypothetical assumptions set out in Note 2. Consequently, readers are cautioned that it may not be appropriate for other purposes.

Trustee's Report on Cash-Flow Statement
(Paragraph 50.4(2)(b) of the Act)

The attached Statement of Projected Cash-Flow of the above-named debtor as of the 2nd day of March, 2004, consisting of a statement of projected cash receipts and disbursements, including notes thereto, covering the period from the 2nd day of March, 2004 to the 15th day of April, 2004 has been prepared by the management of the insolvent Company for the purpose described in Note 1, using probable and hypothetical assumptions set out in Note 2.

Our review consisted of inquiries, analytical procedures and discussion related to information supplied to us by the management and employees of the debtor Company. Since hypothetical assumptions need not be supported, our procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the projection. We have also reviewed the support provided by management for the probable assumptions and the preparation and presentation of the projection.

Based on our review, nothing has come to our attention that causes us to believe that, in all material respects:

- (a) the hypothetical assumptions are not consistent with the purpose of the projection;
- (b) as at the date of this report, the probable assumptions developed by management are not suitably supported and consistent with the plans of the insolvent person or do not provide a reasonable basis for the projection, given the hypothetical assumptions; or
- (c) the projection does not reflect the probable and hypothetical assumptions.

Since the projection is based on assumptions regarding future events, actual results will vary from the information presented even if the hypothetical assumptions occur, and the variations may be material. Accordingly, we express no assurance as to whether the projection will be achieved.

The projection has been prepared solely for the purpose described in Note 1 and readers are cautioned that it may not be appropriate for other purposes.
