COMPROMISE OR ARRANGEMENT OF:**

**MINCO-DIVISION CONSTRUCTION INC.;**  
– and –  
**SLEB 1 INC.;**

Petitioners

– and –

**LITWIN BOYADJIAN INC.**, in its capacity as  
Monitor of Petitioners under the *Companies’  
Creditors Arrangement Act*;

Monitor

- and –

**RSM RICHTER INC.**, in its capacity as Interim  
Receiver of the Petitioners;

Interim Receiver

---

**MOTION TO FURTHER EXTEND THE STAY TERMINATION DATE  
AND FOR OTHER MEASURES  
(Section 11 of the *Companies’ Creditors Arrangement Act*,  
R.S.C. 1985, c. C-36)**

---

**TO ONE OF THE HONORABLE JUDGES OF THE SUPERIOR COURT, SITTING IN  
COMMERCIAL DIVISION (FOR BANKRUPTCY AND INSOLVENCY MATTERS),  
IN AND FOR THE DISTRICT OF MONTRÉAL, PETITIONERS RESPECTFULLY  
SUBMIT THAT:**

1. As appears from the Court record, Petitioners commenced proceedings, on October 27, 2005, under Part III of the *Bankruptcy and Insolvency Act* (R.S.C. 1985, c. B-3) (the “**BIA**”) and filed a Notice of Intention;
2. By Petition dated October 29, 2005, Petitioners sought to take up and continue the BIA proceedings under the *Companies’ Creditors Arrangement Act* (the «**CCAA**»);
3. On November 3, 2005, this Court rendered an Initial Order (the «**Initial Order**») under the CCAA declaring, *inter alia*, that the Petitioners were companies to which the CCAA applies, granting a stay of proceedings in respect of the Petitioners up to and including December 2, 2005 and appointing Litwin Boyadjian Inc. (the «**Monitor**») as Monitor, the whole as more fully appears from a copy of such Initial Order produced as **Exhibit MS-1**;
4. On November 3, 2005, this Court rendered an Interim Receiver Order (the «**I.R. Order**») appointing RSM Richter Inc. (the «**Interim Receiver**») as interim receiver in respect of

the Petitioners, the whole as more fully appears from a copy of the I.R. Order produced as **Exhibit MS-2**;

5. On December 2, 2005, this Court extended the Stay Termination Date (as defined in paragraph 8 of the Initial Order) to January 31, 2006 (the «**First Extension Order**»), the whole as more fully appears from a copy of such Extension Order produced as **Exhibit MS-3**;
6. On December 15, 2005, this Court rendered an order (the “**Claims Procedure Order**”) setting forth a claims process and procedure for all claims, with the exception of holders of conventional hypothecs, in order to accelerate the reception and quantification of such claims and to resolve any disputes in respect thereof in a timely fashion, the whole as appears from the Claims Procedure Order produced as **Exhibit MS-4**;
7. On January 27, 2006, this Court extended the Stay Termination Date (as defined in paragraph 8 of the Initial Order), to March 10, 2006 (the «**Second Extension Order**»), the whole as more fully appears from a copy of such Second Extension Order produced as **Exhibit MS-5**;
8. On February 27, 2006, this Court amended the Claims Procedure Order by extending to 5:00 p.m. on March 17, 2006 the time for the Monitor to file Notices of Disallowances, the whole as more fully appears from a copy of such Order produced as **Exhibit MS-6**;
9. On March 10, 2006, this Court extended the Stay Termination Date (as defined in paragraph 8 of the Initial Order) to March 31, 2006 (the «**Third Extension Order**»), the whole as more fully appears from a copy of such Third Extension Order produced as **Exhibit MS-7**;

#### **ATTEMPTS TO SECURE INTERIM FINANCING TO COMPLETE CONSTRUCTION OF PHASE I**

10. Since the Third Extension Order, the Petitioners have continued their efforts to seek sufficient interim financing to enable them to complete the construction of Phase I of the condominium project situated at the corners of St-Lawrence Blvd. and Ontario Street, known as Le Sleb (the «**Project**»);
11. In that regard, the Petitioners have maintained a dialogue with the Canadian Imperial Bank of Commerce (the «**DIP Lender**») with a view to securing sufficient financing to enable the completion of such construction;
12. As disclosed in previous motions seeking extensions of the Stay Termination Date, a number of estimates have been provided by the Petitioners, consultants engaged by the Petitioners as well as consultants engaged by the Interim Receiver with a view to accurately determining the quantum of the costs to complete Phase I of the Project;
13. In that connection, estimates of the costs to complete Phase I ranging from \$8 million to \$11.8 million (net of marketing costs) have been reviewed by the Petitioners, the Monitor, the Interim Receiver and the DIP Lender;
14. Based on discussions with representatives of the DIP Lender, it now appears unlikely that the DIP Lender will advance to the Petitioners the funds necessary to complete Phase I of the Project;
15. In view of the foregoing, and with a view to maximizing the realization for the benefit of all stakeholders of the Petitioners, the Petitioners intend to seek an extension of the Stay Termination Date for a period of three (3) months in order to enable the Interim Receiver to sell the Project at the highest possible price and to distribute the proceeds from such sale to creditors in accordance with their legal ranking and priorities;

16. Notwithstanding the foregoing, during the stay period, the Petitioners will continue their efforts to seek alternate sources of interim funding to complete construction of the Project;

#### **INFORMATION MEETING WITH REPRESENTATIVES OF CREDITORS ASSERTING LEGAL HYPOTHECS**

17. In conformity with the undertakings made by the Petitioners at the time of the hearing for the Third Extension Order, an information meeting was held at the offices of the Interim Receiver on March 21, 2006, attended by representatives of the Petitioners, the Interim Receiver, the Monitor, architects and engineers engaged by Petitioners, legal counsel for the Petitioners, the DIP Lender and various creditors asserting legal hypothecs (the «**Information Meeting**»);
18. At the Information Meeting, information regarding the estimated costs of construction to date, the estimated costs to complete, the status of sales of condominium units, overhead budgets and other matters was disclosed to parties in attendance, the whole as appears from a copy of an information package disseminated at the Information Meeting and produced herewith as **Exhibit MS-8**;

#### **STATUS OF CLAIMS PROCESS**

19. Pursuant to the Claims Process ordered by this Honourable Court in the context of the present CCAA Proceedings, 113 proofs of claim were filed by creditors;
20. The Monitor and Interim Receiver have filed notices of evaluation or disallowances of claims in respect of 51 proofs of claim, the whole as appears from a summary of the proofs of claim filed and notices of disallowance issued in the present matter, produced herewith as **Exhibit MS-9**;
21. Pursuant to the Claims Procedure Order, Exhibit MS-4, numerous notices of appeal have been lodged by creditors in respect of the Notices of Disallowance issued by the Monitor and the Interim Receiver and it is expected that such appeals shall be brought before this Honourable Court for adjudication, unless settlements can be arrived at with such creditors, over the course of the next ninety (90) days;
22. In view of the advanced state of the Claims Process, it would be contrary to the interests of all stakeholders to abandon such process and to commence anew in a bankruptcy scenario;

#### **REQUIREMENT TO EXTEND THE STAY**

23. As can be seen from the foregoing, in order to achieve the maximum realization from the Project and to complete the claims process which is well advanced, it is in the interests of justice that the present stay be extended for a period of three (3) months;
24. Notwithstanding the apparent decision of the DIP Lender referred to in paragraph 14 hereof, the Petitioners intend to continue their efforts to raise alternate sources of funding to complete construction of Phase I;
25. Such attempts to find alternate sources of funding will not delay any parallel process of the Interim Receiver proceeding to a sale of the Project in a liquidation scenario;
26. Furthermore, in a bankruptcy scenario, the seventy-one (71) offers to purchase described in Annex 4 of Exhibit MS-8 as well as the construction permit for Phase I of the Project would not be preserved, thus significantly diminishing the value of the Project for resale;
27. The Petitioners have agreed to significantly reduce their head office overhead costs to a minimum during the three-month extension period;

28. During the interim period from March 31, 2006, to June 30, 2006 (the «**Interim Period**»), the Petitioners shall require additional interim financing to cover the costs and expenses of the restructuring of the Petitioners, to fund the process for the solicitation, negotiation and sale of the Project, to allow the operations of the Petitioners to continue on a limited basis and to perform necessary safeguarding of the job site;
29. In connection with the solicitation of offers to purchase the Project, the Petitioners will collaborate with the Interim Receiver and the Monitor to set up a data room available to prospective purchasers;
30. The DIP Lender has agreed to make available to the Petitioners additional interim DIP financing in the minimum sum of \$484,497 to fund the operations of the Petitioners, the safeguarding of the Project and to cover costs related to the sale process during the Interim Period, the whole as appears from a copy of a Schedule of Estimated Carrying Costs prepared by the Interim Receiver and accepted by the DIP Lender produced herewith as **Exhibit MS-10**;
31. The Petitioners shall seek the approval of a revised term sheet to be executed by the Petitioners and the DIP Lender in the said minimum sum of \$484,497 (the «**Third Revised Term Sheet**») which shall be produced prior to the hearing as **Exhibit MS-11**;
32. In a bankruptcy or foreclosure scenario, it is virtually certain that the realization for the benefit of all creditors would be far less than in the case of an orderly liquidation under the present CCAA Proceedings;
33. The Monitor and the Interim Receiver agree to the extension of the stay and the other relief requested in the conclusions hereof;

#### **CONCLUSIONS SOUGHT**

34. The Petitioners respectfully request that the stay of proceedings provided under the Initial Order, the First Extension Order and the Second Extension Order be extended until June 30, 2006;
35. The present Motion is well founded in fact and in law.

#### **WHEREFORE, MAY IT PLEASE THIS HONORABLE COURT TO:**

- [1] GRANT the present Motion;
- [2] DECLARE that the delay for service of the present Motion is hereby abridged such that the present Motion is properly presentable and that any requirement for additional notice or service of the present Motion is hereby dispensed with;
- [3] ORDER that the Initial Order dated November 3, 2005, remains in full force and effect and that the Stay Termination Date (as defined in paragraph 8 of the Initial Order) be extended until and including midnight on June 30, 2006;
- [4] DECLARE that the Petitioners are hereby authorized and empowered to borrow from the DIP Lender, the Canadian Imperial Bank of Commerce, under and subject to the terms and conditions of the Third Revised Term Sheet, Exhibit MS-11 and to execute the additional security contemplated therein;
- [5] DECLARE that the Third Revised Term Sheet, Exhibit MS-11, is hereby approved in accordance with its terms and that all rights, recourses and remedies of the DIP Lender under the Initial Order shall apply thereto *mutatis mutandis*;
- [6] DECLARE that the DIP Charge and the DIP Security, as such terms are defined in the Initial Order, shall be increased to the sum of \$6,000,000 and that all terms, conditions and priorities attached to the DIP Charge and to the DIP Security shall continue to apply for all legal purposes as if more fully recited herein;

- [7] DECLARE the Orders to be rendered pursuant hereto executory notwithstanding any appeal;
- [8] THE WHOLE without costs, save and except in case of contestation;

MONTRÉAL, March 27, 2006

**Notes générales:**

Les différents estimés contenus dans le présent document ne peuvent être comparés ligne par ligne puisque certains postes n'ont pas été estimés sur la même base, certains coûts se retrouvant à d'autres postes budgétaires. Plus particulièrement, l'estimé de la Compagnie et celui de SBI/Magil incluent 1,7 M\$ visant la correction des déficiences relevées, ce que l'estimé de Altapex ne prévoit pas. De plus, SBI/Magil a prévu des frais de vente et de marketing. Le lecteur doit par conséquent être prudent dans ses comparaisons.

Nous portons également votre attention sur le fait que les estimés contenus dans le présent document ne comprennent aucune réingénierie du projet visant à réduire les coûts de construction ainsi qu'aucune provision pour tenir compte du facteur de risque visant à couvrir des déficiences qui n'auraient pas encore été relevées.

**Notes particulières:**

- Note 1:** Incluent les frais d'administration, les frais généraux de l'entrepreneur, les honoraires des professionnels, les assurances, etc. L'augmentation des coûts est principalement attribuable à la période prolongée de construction qui a occasionné des frais d'administration et de gestion plus élevés afin de compléter le projet.
- Note 2:** Les frais généraux comprennent les frais encourus par Minco à titre d'entrepreneur général afin d'assurer la supervision du projet. Ces frais incluent, entre autres, les frais de surintendance, d'ingénierie de projet, de sécurité, de services publics et de maintenance. L'augmentation de ces coûts est principalement attribuable au prolongement de la période de réalisation du projet.
- Note 3:** La principale raison de l'écart avec le budget novembre provient des coûts relatifs aux déficiences relevées par les professionnels.
- Note 4:** L'augmentation des coûts provient principalement des coûts relatifs aux déficiences relevées ainsi que des coûts de relocalisation du « chiller ».
- Note 5:** L'augmentation des coûts provient principalement de la relocalisation du « chiller ».
- Note 6:** Compte tenu de l'état du projet, un facteur d'éventualité plus élevé a été établi aux fins des présentes.
- Note 7:** Le poste "Autres coûts" comprend les coûts nécessaires pour compléter les espaces commerciaux. Ces coûts ont été estimés respectivement à 0,5 M\$ par SBI/Magil et à 0,8 M\$ par Altapex.

09.300	GEN	Carrelage	817,999.20 \$	202,437.00 \$	(615,562)	202K\$ représente le coût pour compléter les unités incomplètes
		Enlever comptoirs cuisine (ébéniste et plombier)				Un problème d'adhérence du produit nivelant utilisé sur les planchers des condominiums cause des zones de vide entre les tuiles et le plancher. Ce vide rend plus fragile les tuiles qui peuvent se rompre plus facilement. La solution retenue consiste à procéder à l'enlèvement de toutes les tuiles et de reposer ces dernières sur un nouveau produits nivelant. Certaines solutions moins coûteuses pourraient être envisagées.
		Enlever appareils mécanique (plomberie)				
		Enlever toilettes (plomberie)				
		Enlever carrique (par étage)				
		Casser béton auto-nivelant (par étage)

Minco Division (Construction) Inc. / Sleb 1 Inc.  
 État des ventes d'unités de condominium  
 pour la période se terminant le 17 mars 2006

1. UNITÉS VENDUES - Avant le 3 novembre 2005	Nombre d'unités	%	Produit \$('000) (Note 1)	Prix au pi <sup>2</sup>
Probabilité élevée de signature du contrat	42	59%	\$ 8,898	
Incertain	23	32%	5,719	
Propriétaires ayant avisé qu'ils ne signeraient pas le contrat	2	3%	442	
Non contactés	4	6%	1,215	
	<u>71</u>	<u>100%</u>	<u>\$ 16,274</u>	<u>\$ 237</u>

Note 1: Le produit de 16,3 M\$ estimé à la signature des contrats représente l'estimé de la valeur de vente nette des unités de condominium seulement, ce qui ne comprend aucune indemnité de dommage ou de compensation qui pourrait être réclamée par les acheteurs de condominium.

Note 2: Le produit de 16,3 M\$ n'inclut aucun revenu provenant de la vente potentielle d'espaces de stationnement ou d'espaces commerciaux (approximativement 14 000 pi<sup>2</sup>).

Note 3: Le produit de 16,3 M\$ est net des dépôts payés directement à Sleb, mais inclut les dépôts détenus en fidéicomie chez des notaires.
