PAGE : 10

[101.2] **ORDERS** that, in the event that any Person asserts any Claim (including any Derailment Claim), or any other claim, obligation, suit, judgment, damage, debt, right, remedy, cause of action, avoidance power or right, liability of any nature whatsoever, or legal or equitable remedy against any Person arising from or related to the Derailment, regardless of whether such claim, cause of action, right, or legal or equitable remedy may be asserted pursuant to the CCAA or any other applicable law or contract, including, without limitation, any claim for personal injury, property damage, wrongful death, indemnity (including contractual indemnity), contribution, reimbursement or subrogation relating in any way to the Derailment (collectively, the “**Derailment-Related Causes of Action**”) and which results in a a determination by a Trial Court (including, without limitation, by a jury impaneled by such Trial Court) that a Barred Person who is a Non-Settling Defendant is liable in damages (the “**Initial Damages Determination**”) to a Person, including, without limitation, a holder of a Derailment Claim, asserting a Derailment-Related Cause of Action against such Non-Settling Defendant (a “**Plaintiff**”), then, prior to final entry of any judgment, order or arbitration award with respect to such Initial Damages Determination in such Derailment-Related Cause of Action, the Plaintiff shall provide notice and a copy of this Order to the Trial Court. In such case, for purposes of the Contribution/Indemnity Credit described below, such Trial Court (including, without limitation, a jury impaneled by such Trial Court) shall determine whether the Derailment-Related Cause of Action gives rise to Barred Claims on which any Released Party would have been liable to the Barred Persons in the absence of this Order. Notwithstanding any finding referred to in section 10.7 of the U.S. Plan, the Trial Court, prior to final entry or final award of any verdict, judgment, order or arbitration award (the “**Judgment**”), shall determine any such Judgment against such Barred Person by reducing the Initial Damages Determination by an amount equal to the “**Judgment Reduction Amount,**” which shall equal the greatest of:

Barred Person shall not receive a Settlement Credit for Distributions received by Plaintiff for a personal injury claim if the claim against the Barred Person is for property damage.

(b) The “Insurance Credit,” which shall mean the amount of coverage, if any, the Trial Court determines would have been recoverable to such Barred Person under any insurance policies owned by the MMAC or MMA on account of such Plaintiff’s Claim but for the operation of the Order; or

(c) The “Contribution/Indemnity Credit,” which shall mean, in the event the Trial Court determines that the Barred Person could establish a valid indemnity or contribution claim against a Released Party but for the operation of this Order, an amount equal to the value, as determined by the Trial Court, of all contribution or indemnification claims (whether equitable or contractual), if any, that the Trial Court determines such Barred Person would be entitled to as against one or more Released Parties but for operation of the Order, which shall be equal to the aggregate proportionate shares of liability, if any, of the Released Parties, plus the contractual indemnification for which the Barred Person would, in the absence of this Order, be entitled to recover, as determined by the Trial Court at the time of entry of any judgment against any Barred Person, *provided however*, that any Contribution/Indemnity Credit with respect to MMAC and/or MMA, shall be allocated among the Plaintiff, the Barred Person and/or Released Parties other than MMAC and/or MMA determined to be liable, in whole or in part, by the Trial Court, such allocation (a) to the extent the Trial Court is located in the United States, shall be in accordance with the holding in, and methodology adopted by, *Austin v. Raymark Indus.*, 841 F.2d 1184 (1st Cir. 1988)(*Austin*); or (b) to the extent the Trial Court is in Canada, shall be in accordance with applicable provincial law (*provided, however*, that such reference to *Austin* and/or such provincial law shall govern only with respect to the allocation of the proportionate liability of MMAC and/or MMA, and shall have no effect on the scope of the Contribution/Indemnity Credit (including, without limitation, that it extends to claims for contractual indemnity, if any.) Without limiting the foregoing, if a Barred Person holds both contribution and indemnity claims against the same Released Party, the value of such claims shall not be combined to determine the amount of the Contribution/Indemnity Credit unless such Barred Person could

simultaneously recover, in the absence of this Order, under both such contribution and indemnity claims as a matter of law. Notwithstanding the foregoing, nothing in this provision is intended to dictate the procedure in the Trial Court for determination of the Judgment Reduction Amount pursuant to and consistent with this provision, provided, however, in cases tried in the United States, the trial judge (or equivalent arbitrator, tribunal or panel) shall in the first instance determine the allocation of the proportionate liability of MMAC and/or MMA in accordance with *Austin*.

[101.3] **ORDERS** that, for the avoidance of doubt, and notwithstanding anything to the contrary, nothing in paragraphs 101.1 and 101.2 shall in any way modify or affect the releases and/or injunctions in favor the Released Parties as set forth in paragraphs 97 through 101, inclusive, of this Order, and nothing set forth herein shall be interpreted as providing that any Released Parties have any liability to any Person for any Claims (including Derailment Claims). Furthermore, after this Order becomes a Final Order, the Trustee is ordered to use his best efforts to ensure that any Claims (including Derailment Claims) against any Released Parties are promptly dismissed with prejudice.

[101.4] **ORDERS** that nothing herein shall prejudice or operate to preclude the right of any Non-Settling Defendant to (a) provide notice of this Order to any Trial Court hearing a Derailment-Related Cause of Action at any point, (b) raise any issues, claims or defenses regarding the Judgment Reduction Amount, including, without limitation, the contractual liability and/or relative or comparative fault of any Person, including any Released Party, in any court or tribunal hearing any Derailment-Related Cause of Action in accordance with applicable law or procedure; or (c) take discovery of Released Parties in accordance with applicable law or procedure, *provided, however*, that nothing herein shall in any way modify or affect the releases or injunctions in favor of the Released Parties as set forth in paragraphs 97 through 101, inclusive, of this Order. For the avoidance of doubt, nothing herein shall (x) be deemed to entitle a Plaintiff to more than a single satisfaction with respect to any Derailment-Related Cause of Action or (y) prejudice or operate to preclude the rights of any Barred Person to assert any claims or causes of action against any Released Party as set forth above that are unrelated to the Derailment and do not constitute Claims (including Derailment Claims).

450-11-000167-134

PAGE : 13

- [101.5] **ORDERS** that the judgment reduction and related provision in paragraphs 101.1 and 101.2 are the bases upon which CP has agreed to withdraw, with prejudice, its objections to the U.S. Plan and its appeal of the Chapter 15 Recognition and Enforcement Order entered by the Bankruptcy Court on August 26, 2015, as well as to withdraw, with prejudice, its pleading seeking leave to appeal the Canadian Approval Order. Accordingly, to the extent there is any inconsistency between the judgment reduction and related provisions of paragraphs 101.1 and 101.2, on the one hand, and the Plan or other provisions of this Order, on the other, paragraphs 101.1 and 101.2 shall govern as to judgment reduction provided, further, that nothing in this paragraph – shall be deemed or construed to limit, modify or affect the Injunction and Release.
- [101.6] **ORDERS** that if any Plaintiff enters into a settlement with any Person with respect to one or more causes of action based upon, arising from, or related to the Barred Claims or any transaction underlying any Barred Claim, then such Plaintiff shall cause to be included, and in all events, the settlement shall be deemed to include, a dismissal, release and waiver of any Barred Claims with respect to such settlement.
- [101.7] **ORDERS** that each Plaintiff is hereby enjoined and restrained from seeking relief or collecting judgments against any Non-Settling Defendant in any manner that fails to conform to the terms of this Order, including, without limitation, the Judgment Reduction Amount provision set forth at paragraph 101.2 herein.
- [101.8] **ORDERS** that this Court shall retain jurisdiction with respect to all matters concerning this Order, including, without limitation, hearing a petition for relief by a Barred Person or any other party in interest in the event that a court or tribunal hearing the Derailment-Related Cause of Action fails to apply the judgment reduction provisions of this Order. However, to the extent that any of the Released Parties have made or make any oral or written submissions in support of this Order, those Released Parties shall not be considered to have submitted to personal jurisdiction in this Court based upon such submissions.
