FOR IMMEDIATE RELEASE

SATURN FILES NOTICE OF INTENTION AND SELLS U.S. ASSETS

Montreal, March 5, 2004 - Saturn (Solutions) Inc. announces the filing earlier today, with the Official Receiver for the bankruptcy division of Montreal, of a notice of intention to make a proposal pursuant to the *Bankruptcy and Insolvency Act*, under which Richter & Associates has been appointed as the trustee. Saturn now disposes of a period of 30 days in which to submit a proposal to its creditors, which delay may be extended upon application to the Commercial Division of the Superior Court in the judicial district of Montreal.

Saturn also announces that Saturn Solutions Corp, its wholly-owned subsidiary based in Orem, Utah, has sold substantially all of its assets and business to Inoveris, LLC. The entire net proceeds from the sale, after the payment of the expenses related to the transaction, have been applied by Saturn to reduce its bank indebtedness.

Saturn is currently considering its strategic alternatives with a view to concluding a similar transaction with respect to its Canadian assets.
