MONITOR'S REPORT

17. The Monitor hereby submits to the Court its Eighth Report in connection with the Petitioners' CCAA proceedings.
18. The purpose of this Eighth Report of the Monitor is to inform this Honourable Court on the following:
 - A. Status of Call For Tenders Process
 - B. Current Financial Results
 - C. Cash-flow Projections
 - D. Extension of the Forbearance Agreement
 - E. Monitor's Position.
19. The Court should be made aware that the information contained herein has not been the subject of a formal audit by the Monitor and comes from the unaudited books and records of the Petitioners made available to the Monitor as well as from conversations with the management of the Petitioners. The Monitor has not audited, reviewed or otherwise attempted to verify the accuracy and completeness of the information and, accordingly, the Monitor expresses no opinion or other form of assurance on the information contained in this report.

A) STATUS OF CALL FOR TENDERS PROCESS

20. Pursuant to the Call for Tenders Process authorized by the Court on June 4, 2009, the Monitor opened the offers received as at noon on July 10, 2009, in the presence of the management of Shermag, the independent committee of Shermag's Board of Directors ("Independent Committee") as well as the Petitioners' legal advisor.
21. As reported in the Monitor's seventh report dated July 24, 2009, pursuant to the opening of the tenders, the Monitor has had numerous meetings and discussions with the independent committee of Shermag's Board of Directors (Independent Committee), the Petitioners' legal advisors and the Board of Directors to finalize the terms and conditions of any proposed transaction with one of the two "*en bloc*" offerors (the "Offerors").
22. More importantly, on July 22, 2009, in accordance with the Call for Tender Process Order, the Petitioners and the Monitor had extended the delay to approve the offers. While an extension until August 4, 2009, was initially contemplated, the Independent Committee ultimately determined that given the financial situation of the Petitioners, the Offerors who wished to make a revised offer should do so by no later than July 28, 2009, with the view to submit a transaction to this Court by July 31, 2009.
23. In summary, the highlights of the ongoing dealings with the Offerors can be summarized as follows:
 - i) On July 28, 2009, the Offerors submitted revised offers.
 - ii) On July 29, 2009, the Monitor and the Petitioners' counsel discussed with the Offerors to obtain clarifications on their revised offers.
 - iii) On July 30, 2009, the Monitor, the Independent Committee and the Petitioners' legal advisor met to discuss the revised offers. After careful considerations, the Independent Committee came to the conclusion that the offer submitted by Groupe Bermex Inc. ("Bermex" / "Bermex Offer") was the best transaction available to the Petitioners and their creditors in the circumstances.
 - iv) The Bermex Offer provides the best available contribution to the unsecured creditor and allows for the presentation of a plan of arrangement, which was uncertain with the other offer submitted.

- v) On July 30, the Petitioners, upon the recommendation of the Independent Committee and the approval of Shermag's Board of Directors, accepted the Bermex Offer and instructed the Petitioners' counsel and the Monitor to take the appropriate steps to finalize the contemplated transaction ("Bermex Transaction").
- 24. The Bermex Transaction cannot be completed unless Shermag obtains confirmation that Bermex has reached an agreement with Geosam, the Petitioners' lender, pursuant to which the latter would agree to extend its financing until October 16, 2009 at the latest.
- 25. Bermex and Geosam are currently discussing the terms and conditions of the agreement mentioned at paragraph 24 above.
- 26. Shermag and the Monitor are confident that an agreement will be entered into prior to August 5, 2009.

B) CURRENT FINANCIAL RESULTS

Financial Results for the week ending July 25, 2009

- 27. Attached hereto as **Schedule A** to our report, is the comparative cash flow statement for the week ending July 25, 2009.
- 28. The Total Bank indebtedness (amounts owed to Geosam) is lower than projected by \$66,000 (\$11,415,000 actual compared to a budget of \$11,481,000) which can be explained as follows:
 - i) Net operating cash flow generated a higher cash surplus of \$477,000 compared to the forecasted surplus of \$349,000 due mainly to lower disbursements relating to operating expenditures;
 - ii) Liquidation of the excess inventory generated non-budgeted proceeds of \$25,000;
 - iii) Financing expenditures are higher than projected by \$5,000.
- 29. The July 25, 2009 post-filing liabilities are estimated to approximate \$4,757,000, including outstanding professional fees relating to the restructuring process of approximately \$600,000.

C) **CASH FLOW PROJECTIONS**

Cash flow projections for the period August 2, 2009 to August 8, 2009

30. Attached hereto as **Schedule B** to our report, are the daily cash flow projections, compiled by Shermag's management, for the one-week period ending August 8, 2009 which can be summarized as follows:
- i) Net cash flow for the one-week period should amount to a surplus of approximately \$266,000;
 - ii) The cash flow assumes payments of certain fees in arrears to the restructuring professionals;
 - iii) The cash flow assumes the receipt of the proceeds of approximately \$900,000 from the sale of the Edmundston property ;
 - iv) The projected bank indebtedness is expected to decrease to \$11.45 million.
31. During this reference period, the value of the post-filing liabilities is assumed to remain relatively at the same level.
32. The Petitioners' projections depend on future events, which are beyond the control of the parties involved, the actual results will differ and such differences may be substantial.

D) **EXTENSION OF FORBEARANCE AGREEMENT**

33. As a result of the Order granted on July 30, 2008, approving various agreements, Geosam had entered into an assignment agreement with Wachovia, the former secured lender. Geosam has amended and extended the previous Forbearance Agreement which expired on July 31, 2009.
34. The Forbearance Agreement has been extended to August 5, 2009.
35. Although, Geosam has already issued the 60-day notice to enforce its securities pursuant to the *Code civil du Quebec*, which notice period is now expired, Geosam has agreed to postpone exercising its rights and recourses pending the outcome of the Call for Tenders Process.

E) MONITOR'S POSITION

36. The Monitor is of the opinion that the Seventh Motion for an Order Extending the Stay Period filed by Shermag, to obtain a further delay until August 5, 2009, is reasonable for the following reasons:

- i) The delay requested is essential to allow Shermag to finalize the financing arrangements with Bermex and Geosam, in conjunction with the Bermex transaction which must be approved by the Court pursuant to the Sale by Tender Process;
- ii) Shermag continues to act diligently, in good faith and in the best interest of all involved, including its creditors;
- iii) The Company's principal secured lender (Geosam) supports the Petitioners' request submitted to the Court.

Dated at Montreal, this 30th day of July, 2009.
