 - PTI's current affairs
 - Monitor's administration
 - Request for Extension
 - Monitor's Recommendation

PTI'S CURRENT AFFAIRS

10. PTI has had no commercial activities since the completion, on December 21, 2007, of the Sale Transaction pursuant to the Order rendered on December 10, 2008, authorizing same.
11. PTI and the Monitor are not aware of any expenses incurred since November 28, 2007, that have not been paid and/or are in dispute.
12. PTI, with the assistance of Triton, is currently dealing with the notice of assessment received as a result of a sales tax audit performed by the Ministère du Revenu du Québec as well as completing the documentation to file its corporate tax returns.
13. PTI is continuing to seek advice from its attorneys and the Monitor in dealing with various matters relating to the wind-down of its affairs.
14. PTI intends to submit a Plan of Arrangement to its creditors once all the issues relating to priority and secured claims have been resolved.

MONITOR'S ADMINISTRATION

15. Pursuant to the completion of the Sale Transaction, the Monitor collected the initial sale proceeds and distributed them to PTI's secured creditors in accordance with their rank in satisfaction of all priorities and hypothecary interest.
16. The Monitor has also collected from Triton the first and second installments of \$1,000,000 each of the balance of sale due in March and June 2008. The \$2,000,000 proceed was used for distribution to PTI's secured creditors in accordance with their rank in satisfaction of all priorities and hypothecary interest.
17. The transactions recorded in the Monitor's trust account are summarized in the Statement of Receipts and Disbursements for the period ended September 5, 2008, as shown in **Exhibit "A"** attached hereto.
18. The funds presently on deposit in the Monitor's trust account are being invested to earn interest.

19. The Monitor has been responding to the on-going queries of PTI's various stakeholders and creditors.
20. On February 5, 2008, the Monitor gave notice to all known creditors of the Claims Process and advised them of the March 7, 2008 deadline to file their proof of claim with the Monitor.
21. Pursuant to the June 6, 2008 Order, the Monitor has sent on June 10, 2008, by registered mail, to all creditors who had not filed a Proof of Claim, a Notice that a new bar date to file a proof of claim with the Monitor had been set to June 30, 2008 at 5:00 p.m.
22. The list of proofs of claim filed is submitted as **Exhibit "B"** attached hereto.
23. The Monitor is currently participating in the resolution of issues relating to the collocation of creditors' claims in accordance with the Claims Process. In this process, certain creditors have received a Notice of Disallowance of Claim. Furthermore, certain creditors have filed a motion to appeal the Notice of Disallowance of Claim. The Monitor has appeared in Court for some and has settled out of Court for others. However, to this date, only two appeals of the Monitor's decision remain unresolved for which a collective hearing is scheduled for January 23 to 25, 2009.
24. The Monitor is continuing to deal with PTI's attorneys, Mes Fasken Martineau Du Moulin and the Monitor's attorneys, Mes McCarthy Tetrault, to finalize outstanding legal matters.

REQUEST FOR EXTENSION

25. The Petitioner's request to the Court for an extension to file a Plan of arrangement is reasonable for, amongst others, the following reasons:
 - a) To date, the Petitioner has paid for any and all approved goods and services received subsequent to the date of the Initial Order.
 - b) The Petitioner is winding down its affairs and continues to act in good faith and is cooperating with all stakeholders involved in this process including, but not limited to, the Monitor, PTI's secured creditors as well as other creditors.

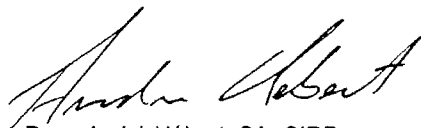

- c) The final installment of \$500,000 of the balance of sale is due December 1, 2008, and is an essential component of the Plan of Arrangement to be filed by the Petitioner.
- d) The Petitioner requested more time to resolve matters relating to any priority and secured claims, which, once resolved, will enable it to determine with greater clarity the terms of the Plan of Arrangement to be submitted to its creditors.

MONITOR'S RECOMMENDATION

26. The Monitor recommends that the Court grant the Petitioner an extension of the Initial Order until December 15, 2008 for the following principal reasons:
- a) The Petitioner has and continues to act in good faith and with diligence;
 - b) The Petitioner's behaviour has not prejudiced its creditors;
 - c) The Petitioner needs additional time to resolve matters relating to priority and secured claims and thereafter finalize the terms of the Plan of arrangement;
 - d) The Petitioner needs the requested delay in order to collect the final installment of the balance of sale of \$500,000 due December 1, 2008.

DATED AT MONTREAL, this 10th day of September, 2008.

RSM RICHTER INC., CONTRÔLEUR
OBJET: Technologies Positron Inc. ("PTI")

État des recettes et débours du 21 décembre 2007 au 5 septembre 2008

Notes

Note 1. En vertu d'une Ordonnance rendue par la Cour le 10 décembre 2007, les éléments d'actif de l'entreprise ont été vendus le 21 décembre 2007, à Triton Electronique inc. ("Triton"). La transaction prévoyait un paiement à la date de clôture et une balance de prix de vente de 2 500 000 \$ payable au cours de l'année 2008. Le 3 mars 2008, Triton a effectué le premier versement de 1 000 000 \$.

En ce qui concerne la remise par Triton du deuxième versement de la balance de prix de vente au montant de 1 000 000 \$ dû le 1er juin 2008, PTI et le Contrôleur ont accepté que Triton paie ledit montant en quatre versements de 250 000 \$ et dont le dernier paiement était dû au plus tard le 30 juin 2008. La totalité du deuxième versement a été entièrement collecté par le Contrôleur. Le troisième versement de 500 000 \$ est dû le 1er décembre 2008.

Note 2. À même les sommes versées au Contrôleur le 21 décembre 2007, une portion desdites sommes devait couvrir les chèques en circulation et le paiement des engagements de Triton concernant les achats et dépenses pour la période du 1er décembre au 21 décembre 2007.

Suite à l'analyse effectuée en date du 29 février 2008 des transactions au compte de banque de PTI et des paiements faits par Triton, il a été déterminé qu'un montant de 630 000 \$ devait être remboursé à Triton.

Note 3. Dans le cadre de la transaction de vente conclue le 21 décembre 2007, le contrôleur a utilisé une partie des fonds versés pour rembourser, le 24 décembre 2007, les avances de RBC Banque Royale, à titre de créancier garanti en vertu des sûretés détenues.

Note 4. Les détenteurs d'obligations dont les créances se chiffrent à 5 000 000 \$ se déclarent créanciers garantis, comme suit:

	Créance due	Int. acc.	Total due	Remise à ce jour	Solde (**)
Quorum Investment Pool Ltd Partnership obligation de 2 millions \$ (*)	\$ 2,000,000.00	\$ 99,342.47	\$ 2,099,342.47	\$ -	\$ 2,099,342.47
Quorum Investment Pool Ltd Partnership obligation de 1 millions \$	1,000,000.00	6,304.18	1,006,304.18	1,006,304.18	-
Aaron Fish - obligation de 1 million \$	1,000,000.00	6,304.18	1,006,304.18	1,006,304.18	-
Positron Inc. - obligation de 1 million \$	1,000,000.00	6,304.18	1,006,304.18	1,006,304.18	-
	<u>\$ 5,000,000.00</u>	<u>\$ 118,255.01</u>	<u>\$ 5,118,255.01</u>	<u>\$ 3,018,912.54</u>	<u>\$ 2,099,342.47</u>

En date du 24 décembre 2007, du 14 mars 2008, et du 13 juin 2008, à même les fonds versés au Contrôleur, une portion desdits fonds, nette des réserves autorisées, a été payée aux créanciers garantis.

* Il est important de noter que le Contrôleur conteste la validité des sûretés détenues par Quorum concernant l'obligation de 2 000 000 \$. Dans les circonstances, le Contrôleur n'a pas versé à Quorum sa quote-part des argents disponibles pour rembourser cette dette incluant les intérêts courus, totalisant 2 099 342.47 \$.

** Inklus intérêt accumulé pour la période du 21 décembre 2007 au 5 septembre 2008.

Note 5. L'Ordonnance Initiale rendue le 28 novembre 2008 prévoit une charge administrative pour le bénéfice de l'administrateur et de l'officier ("CRO").

A cet égard, les conseillers juridiques de PTI considèrent que les créances pouvant être assujetties à cette charge administrative concernent les vacances à payer en date du 28 novembre 2007. Les montants non versés aux employés, en date du 30 juin 2008, sont estimés à approximativement 145 886.27 \$.
